Fisher Body Payroll Tops $8 Million

Payroll and local purchases at the Tecumseh Fisher Body Trim fabrication plant totaled nearly $11.6 million, it was announced today by F. W. vanWestrenen, plant manager.

He said employee payrolls during 1967, the second full-year of operations, were over $8 million. This represents a nearly $1.9 million increase over 1966 payrolls.

Plant employment increased gradually during the past year and averaged nearly 975 compared to 875 in 1966.

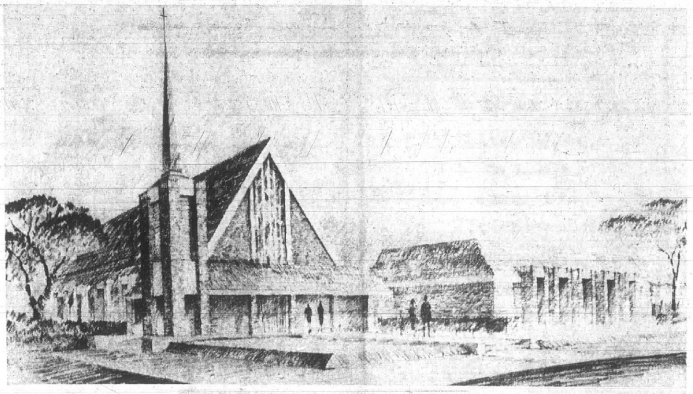
Present employment is about 1,300 due to an increase in the types and design complexity of upholstery items being produced at the plant for 1968 models.

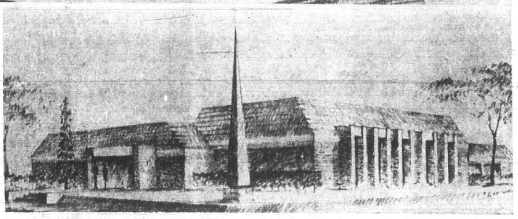
The plant manager said that over $3.5 million was paid out to 368 companies within a 75-mile radius of the Fisher Body plant which supplied materials and services in 1967.

Fisher Body employees and General Motors contributed $49,795.00 to the 1967 United Funds in Tecumseh and Lenawee County. In addition, employees invested $158,000 in U. S. Savings Bonds through payroll deduction during the year.

Employees submitting ideas for improving operations performed at the plant or for improving the product received 423 awards under the GM Suggestion Plan.

Ground was broken for construction of the Fisher Body plant in July, 1964, and production started in April the following year. The men and women who work there, cut and sew upholstery materials in making interior trim for the Oldsmobile F-85, Pontiac Tempest and Buick Special.





Completed $240,000 Methodist Church is shown in architect's rendition above. First stage, estimated to cost $140,000, will be built and is depicted at the right. New building will be located on M-50, between Ridgeway and Britton.

Bank Directors Recommending Stock Dividend

Directors of the United Savings Bank will recommend a 25% stock dividend to shareholders at the bank's annual meeting at the Tecumseh Country Club on Jan. 16.

If approved — and it's almost certain it will — it will be the third stock dividend in the past four years.

The bank's tremendous growth in recent years — more than doubling its gross operating income in the past six years — has been quite apparent to local citizens and has accounted for its stock to be prized.

In recent sales, bank stock was traded at $65 per share. The trading price has fluctuated in past years due to stock dividends.

In 1964 shareholders approved a 25% stock dividend. Prior to this in 1963, the bank increased the number of its shareholders by offering several thousand shares of stock to local citizens.

At about this time, the stock was being traded at over $100 per share. Two years later, in 1966 — when a 60% stock dividend was authorized — stock was being traded between $50 and $55.

Approval of the stock dividend by the shareholders at the Jan. 16th meeting will also increase the bank's capital stock from $1 million to $1,250,000.

Blame Truck for Snapping Utility Pole

An over-the-height limit vehicle, possibly a truck, is believed responsible for snapping and splintering a utility pole on W. Chicago Blvd., at N. Democrat, about 11 p.m. Sunday.

The pole snapped off near the top, allowing wires to dangle into W. Chicago Blvd., where a motorist ran into them. The driver lost control of his car and spun across the median.

Both General Telephone and Consumers Power employees worked long into the night, New Year's Eve, and New Year's Day, restoring service. Work was not completed until Tuesday afternoon.

Ken Conway, manager of the phone office here, said Wednesday that past experience has proven that huge poles simply do not break like this one, unless something over - height - limit strikes a cable.

Telephone employees at the scene found a piece of angle iron normally found on a heavy equipment vehicle.

Whelans Plan 44th "Day" Here Jan. 10

Hoyt E. Whelan Co. will mark its 44th John Deere Day when 300 to 400 farmers and their families gather here for the annual event next Wednesday, January 10.

The local company started the event here in 1924, and it's now believed to be the longest, regular event of its kind in the country.

Program will start at 11 a.m. at the Strand Theatre, adjourn at noon for lunch at the company's offices, and then reconvene at one o'clock at the theatre.

Films will show the electronic revolution in agriculture, new crop varieties, agricultural research discoveries and new livestock developments.

Fay A. Whelan, company president, says the program will also present a number of ideas to help farmers improve efficiency of operations.

Some movies will show new farm equipment.

New Church Is Favored

Members of the Ridgeway Grace Methodist Church approved construction last Thursday evening of a new $240,000 church Building.

The church, to be built in two stages, will be located between Britton and Ridgeway on M-50.

First stage, costing approximately $140,000, will consist of a fellowship hall and classroom wing. This section will also include a church office-library combination room and a pastor's office.

The fellowship hall will be used as a temporary sanctuary.

Second stage will add a sanctuary for 210 persons, a narthex for overflow and three additional classrooms. This stage is estimated to cost $100,000.

Each stage will be built as finances become available. A canvass is scheduled to begin the middle of January, at which time the church will seek funds for both the new building and current expenses.

Stewart Niblack of Britton is the finance committee chairman.

The Rev. Joseph Edwards, district superintendent, opened Thursday's session with devotions, and then an explanation of the purpose of the conference and requirements necessary.

The Rev. John Lover, pastor, commended the building committee and its chairman, Lowell Dunbar.

Members of the committee, besides the pastor and Mr. Dunbar, were Mr. and Mrs. Allen Bower, Ronald Croll, Mr. Niblack, Mrs. Ellsworth Robison, Mrs. Paul Frazier Thomas Smith Raymond Bird, Thomas Judkins, William Bailey, and Howard Haas, Jr.

Mr. Dunbar explained to the congregation the principles and reasoning used to arrive at the sizes and locations of the proposed building.

Linden C. Pettys, Ann Arbor architect, discussed the proposed church in detail and answered questions.

Church officials hope to raise funds to build the first stage as soon as possible. Upon completion, it will combine the congregations of the Methodist churches at Britton and Ridgeway.

Dump Usage Tabled Again

Ridgeway Township residents will not know until Jan. 15, next Council meeting, if they will be allowed to use the city dump.

Council, which had discussed the proposal at a December meeting, tabled the request Tuesday night to its next meeting.

Cal Zorn, city manager, said that the possibility of Ridgeway Township residents using the dump had been discussed with Gus Tiede, supervisor.

At the December meeting, Council discussed letting the township use it at the rate of $1.25 per capita per year. With approximately 1,600 residents, this would have been an annual cost of about $2,000 per year for the township.

According to Mr. Zorn, the supervisor said the township did not approve of $1.25 per capita and was thinking of a flat rate of about $1,000 per year.

Although Mr. Tiede told Zorn that there was little accumulated refuse in the township, the city manager told Council that less than an hour after conferring with the supervisor, he received a call from a township resident wanting to bring in a truck load.

The township has not used the dump for a year and are afraid of a deluge of refuse.

Dancing, Golfing Lessons Starting

Dance lessons for adults will begin Jan. 10, from 8 to 9 p.m., in the Community Center. The 10-week advance dance course, for couples only, is $15.

Golf lessons will begin Jan. 16 and 17. The lessons will be every Tuesday and Wednesday from 7 to 8 p.m., and from 8:30 to 9:30 p.m. The six-weeks course is $5.

Pre-registration is at City Hall, or at the basement of the Community Center on Jan. 16 or 17.

Light Hinted at Congested Intersection

Although some city officials feel that installation of a traffic light at the intersection of N. Evans St. and Brown will increase the number of accidents there, Council learned Monday night that one may be installed in the future.

Cal Zorn, city manager, told officials Monday night that the traffic count on Brown St. reached 3,800 recently in a 24-hour period. He said the computer is now checking traffic on Herrick Park Dr. and expects the count there to exceed the Brown St. total.

During peak traffic periods, motorists have a difficult time crossing Evans St., often waiting several minutes for traffic to clear.

Tecumseh-Britton Adult Farm Class to Hear Mueller

Don Mueller of Hoag Agricultural Implements will be the speaker at the Tecumseh-Britton adult farmer class Monday, Jan. 8, at 8 p.m.

The first of a series of meetings for people interested in agricultural equipment, will be held at the former Partridge Implement store in Tecumseh.

Mr. Mueller will discuss service and parts for agricultural equipment and machines and the use of, and preventative maintenance of equipment.

Paul Burns and Paul Marks, Ag. teachers, welcome all interested people to this and other meetings.

Sgt. Henry Louwerens has been transferred to the Clinton State Police Post, effective Jan. 21, to take command and replace Sgt. Carl M. Anderson, who is retiring. Louwerens joined the State Police Oct. 1, 1946, serving first at Romeo before assignment in 1955 to Erie. He was promoted to corporal in 1957 and transferred to Traverse City, then was advanced to sergeant in 1965.

Car Runs Over Man in Mystery Accident

Snow and ice were contributing factors in several of 11 accidents investigated the past week by Tecumseh police, but were not involved when a 29-year-old Manchester man was run over at the Auto Mist car wash.

About 1:45 Saturday morning, Cecil R. Snyder, 29, of Manchester was run over at the car wash. Police have been unable to question him as to exactly how the mishap occurred.

Kenneth Randolph, car wash manager, Clifford J. Lulham, 29, of 6040 N. Adrian Hwy., and Snyder had just finished washing Snyder's car when the accident happened.

Lulham backed the car in the stall with the right front wheel passing over Snyder. The injured man was taken to Herrick Hospital and then to University Hospital in Ann Arbor.

He is suffering from head, chest and shoulder injuries.

★

ONLY OTHER mishap that involved personal injury occurred early Sunday morning when William Mukensturm, 51, of 9205 Bramble Hwy., ran into the rear of a car driven by Clarence Champanois, 24, of 211 W. Logan.

Champanois was attempting to make a left turn into the House of Pizza when Mukensturm ran into the rear of his car.

Barbara Champanois, 20, wife and passenger with her husband, suffered minor injuries.

Mukensturm, who fled from the scene, was later charged with leaving the scene of an accident and failure to have his car under control.

A resume of the other accidents is:

Dec. 27 — Kenneth R. Westgate, 28, Adrian, headed east on Seneca, was unable to stop on the icy street and slid into the path of car driven by Leslie Armstrong, 25, of Adrian. Armstrong was driving south on N. Union St.

Dec. 28 — George E. Rodgers, 63, Britton, was charged with making an improper left turn after a collision with Agnes G. Baker, 21, of Manitou Beach. Mishap occurred on N. Ottawa St. at Logan. The young lady was cited for no proof of insurance and no registration.

Dec. 28 — In a minor accident at W. Pottawatamie and S. Maiden Lane, Anna Blesing, 74, of 307 W. Pottawatamie, was cited for failure to yield the right of way. Other driver, Joyce H. Falor, 34, of 1208 Murray Dr., was charged with no proof of insurance.

Dec. 29 — Betty W. Lake, 607 Cairns St., reported her auto damaged while parked on W. Chicago Blvd., in front of Adrian Federal. Other driver drove off. However, Mrs. Lake's son was in the car and reported to the police that it was a blue pickup, and driven by a lady. He gave the police its license number.

Dec. 30 — Mrs. Thomas Allor, M-50, reported her car damaged while parked in the VFW lot on the night of Dec. 29. Other driver is unknown.

Dec. 30 — Walter F. Wiseman, 30, Adrian, was charged with failure to yield the right of way after a mishap with Harry Richard, 48, of 108 Maple St. Accident occurred at W. Chicago and Pearl.

Dec. 30 — J. W. Brown, 424 N. Evans, reported his car damaged but did not know when or where.

Dec. 30 — Lyle Winters, Gady Rd., reported auto damaged while in Kroger parking lot.

Dec. 31 — Douglas R. Sherman, 10716 Billmeyer Rd., was spun around Sunday evening when his car became entangled in some downed telephone wires on W. Chicago Blvd. and N. Democrat. Sherman, headed west, hit the wires, then bounced over the median and into the eastbound lane of W. Chicago.

WATCH IT KIDS — Ice may be safe, and then again, it may not be. River Raisin flows here in Globe Pond where these youngsters are having fun. Since ice skating is a major sport here, wouldn't it be a comforting thought — and a safety measure — for the city to again make some artificial rinks around town? Since there's already one on Brown St. at Brooks, how about a rink behind city hall and one at Nelson Field on S. Union — and keep the kids off River Raisin!

MRS. SHELDON J. NICHOLS

Linda K. Blumerick and Sheldon J. Nichols Marry

Linda Kay Blumerick and Sheldon John Nichols were united in marriage Dec. 30 in the Methodist Church by the Rev. Donald Porteous.

Parents of the couple are Mr. and Mrs. Kenneth Blumerick, 106 W. Logan, and Lauren Nichols, 516 E. Logan, and the late Mrs. Nichols.

Vases of white gladioli and chrysanthemums were placed on the altar. Seven branched candelabra outlined the chancel and three and four branch candelabra fronted with stephanotis formed the background for the aisle posts garlanded with satin roping.

Lily of the valley and white roses marked the family pews.

Kenneth Blumerick escorted his daughter to the altar. She wore a floor length gown of silk pique styled in A-line design with tapered sleeves and rolled collar. Her veil extended to the floor.

The bridal bouquet was of white roses.

Mary Lynn Blumerick was her sister's maid of honor and the bridesmaids were Mrs. Michael Blumerick and Mrs. Rollie Herron, sister of the groom.

The bride's attendants wore gowns of apple green crepe with flowing trains, cap sleeves and rolled collars with long pink gloves, and shoes. Their floor length veils were attached to matching bows on their heads.

They carried white chrysanthemums and pink roses.

James Hoot served as best man and the guests were seated by Michael Blumerick and Clark Nichols, brothers of the couple, assisted by Master Kent Blumerick and Master Norman Nichols, junior ushers, also brothers of the bridal couple.

A reception was held in the social room of the church where the bride's cake was flanked with hurricane arrangements and tapers accented with greens and blossoms.

Pink roses in bowls were used at each individual table.

Beth O'Neil presided at the punch bowl.

The bride was graduated from Tecumseh High School in 1962 and attended Davenport Business School in Grand Rapids. She was previously employed at the Baldwin Hardware.

The groom was graduated from Tecumseh High School in 1960 and has spent three years in the army.

He will attend Sparton Aviation School in Tulsa, Okla., and in April expects to give flight instruction and handle maintenance and charters from Loar's Field at Onsted.

The couple will live in Tulsa after their marriage.

The rehearsal dinner was given by the bride's brother and wife, Mr. and Mrs. Michael Blumerick, at their home on Stacy St.

Betty J. Kish and Norman D. Tucker Wed

Betty Jean Kish and Norman Dave Tucker were united in the Sacrament of Holy Matrimony Friday evening in a candlelight ceremony performed by the Rev. Fr. Thomas Collins at St. Elizabeth Catholic Church.

Parents of the couple are Mr. and Mrs. Joseph Kish of Ridgeway and Mr. and Mrs. Bernard Tucker of Macon.

Mrs. Don Johnson, organist, accompanied Bill Whiting, Tom Rohrer and Rick Rohrer as they sang a high mass in Latin.

The bride, who was escorted to the altar by her father, wore an off-white peau de soie gown, styled with a high neckline, brief sleeves, and softly-draped cage skirt and chapel train.

The only trim was elegantly hand beaded neckline and sleeves. A small pill-box hat, trimmed with the same beading, held her floor length veil in place. She carried a colonial bouquet of white roses interspersed with blue juniper.

Mrs. Donald Farmer, sister of the bride, was the matron of honor and Mrs. Jon Hoover of Adrian was bridesmaid.

Both were attired identically in floor-length gowns of blue velvet, with satin trim accenting the empire waists.

They wore matching blue velvet bows and carried modified colonial bouquets of miniature carnations, starflowers and grapes in shades of blues and purples.

Carrie Marie Farmer, niece of the bride, was the flower girl, attired in a short blue velvet dress with satin trim. She wore a matching bow in her hair and carried a miniature bouquet, identical to the other attendants.

Wayne Tucker, groom's brother, was best man and assisted Donald Farmer in seating guests.

Immediately following the ceremony, a reception was held in the school auditorium, decorated in shades of blue.

The guests were greeted by Mr. and Mrs. Richard Beal of Clinton and Mr. and Mrs. Ken Bordine of Dundee.

Mrs. Wayne Tucker and Mrs. Edward Clark served cake, while Mrs. Frank Labun, Jr., and Mrs. Forrest Call served punch, coffee and ice cream.

The newly-married couple will reside at 1330 Marlborough, Detroit, while Mr. Tucker continues his education at the University of Detroit Law School.

The rehearsal dinner was given by the groom's parents Thursday evening.

OFF the TOP

Now that the holiday season is over and the Christmas tree lies forlornly in the snowy yard, stripped of all its gay decorations, and there seems only the prospect of a bleak, cold winter before us, it is time for the post-holiday mid-winter Depression Syndrome to set in.

It happens every year. After the tree is dismantled, and the other decorations carefully packed away in the attic for another year, the house looks somewhat barren and plain, and an inner sadness prevails.

The fun of holiday get-togethers and parties is over; the bright and relaxed mood of the season must now be put aside, as we return to the every-day routine. The college student returns to distant campuses, and younger family members to school.

Closet space and drawer space, already at a premium in most homes, must be crowded just a bit more to make room for the influx of Christmas gift clothing and other new items.

Of all the dozens of Christmas cookies prepared over the past weeks, only a few dried remnants and a host of crumbs remain. The gift chocolates are almost gone, only the picked-over and rejected ones are left.

Some of the small parts on the youngest's toys are missing or broken. The bank account is low, after the splurge of shopping, and taxes are due. And, what do we have in store except long winter days and nights, kids tracking in on the kitchen floor with snowy boots and shoes, wet mittens and jackets dropped casually around anywhere, dangerous, slippery roads, and oh, that cold car seat on a frosty morning?

Finding the boxes of tulip bulbs which, somehow, went unplanted last fall, does not help the feeling of depression one bit; and what's more, I think I'm coming down with a cold.

But luckily, the melancholy interval does not last too long. For, though we may be sorry to see the holiday season pass, we also begin to weary a bit of the late hours, the over-eating, the kids under foot every minute, the struggle to keep the house in some resemblance of order, the constant blare of radio and record player, and we look forward to the return of whatever passes for normalcy in our home.

The rigid schedule of our daily lives, against which we protest all too often, is now viewed as a kind of security, and we welcome the everyday routine again.

The children return to school, and peace and quiet descend once more on the home. Meals are eaten at regular hours, and bedtime comes early for all once again.

Now, there might be some time to get at that pile of sewing material and patterns stacked up on the shelf, and maybe even start knitting an afghan. The more you think about it, it shouldn't be too bad, filling in the time until spring.

There is the fun of ice skating and sledding to look forward to. And how about the cozy feeling we get when we come into the warm house after an exhilarating afternoon out in the cold with the kids, put on dry clothes, and enjoy a steaming cup of cocoa? You never get that cozy feeling in the middle of July!

There will be social evenings playing cards or visiting with friends. There are exciting basketball games to attend, where we can yell for the hometown boys as they struggle for victory.

Baking homemade bread and cooking up a big pot of vegetable soup will occupy many a chilly winter afternoon.

There will be those long winter evenings when the whistling wind blows around the eaves and corners of the house, and the windows are covered with frost, and Dad pops a big pan of buttered popcorn for everyone to enjoy; then we feel safe and secure within the comforting warmth of the home, no matter what storm rages outside.

Guess we might just as well take a mental pill for the mid-winter blues, and get ready to enjoy the rest of the winter. Before you know it, the snows will melt and Spring will be on its way.

Adrian C-C Triumphs

BRITTON — The Irish of Adrian Catholic Central took home the winner's trophy from the Deerfield Holiday Tournament last week on the strength of wins over Britton, Erie-Mason and Maumee Valley Country Day.

The Tory cagers won one and lost two in tournament play.

In the opening round Wednesday night, Britton went down before Adrian Catholic Central, 64-52.

Jim Skelton and Jerry Korican kept Britton in the game as they led the Tory scoring with 19 and 16 points, respectively.

But the Irish press and fine ball handling, behind the scoring of Joe Schwartz, Dave Claudia and Fred Wilkins, carried Adrian Catholic Central to victory.

★

In Friday night's encounter, a determined Tory five downed Deerfield 62-59, in a contest marked by many fouls and turnovers as both teams pressed extensively.

Dave Fairbanks led the Tory scoring with 19. Skelton added 13 and Jim Brown 11.

Tom Porche of Deerfield led all scorers as he tallied a spectacular 41 points in a losing cause.

★

The win over Deerfield put Britton in the consolation finals Saturday night against the Summerfield Bulldogs. The Tories had previously defeated the Bulldogs in league play but the Bulldogs were out for revenge and overcame the Tories 49-43 in the lowest scoring contest of the tournament.

Juniors Fairbanks and Skelton paced the Tory scoring with 16 and 10 points.

Jim Smith tossed in 15 points to lead the winners.

★

The Tories are idle until they resume league play next week, with games at Ida January 12, and at Whiteford January 13.

Area Obituaries

● **MRS. HELEN PENTECOST**

Services were held Friday in Adrian for Mrs. Helen Pentecost, 80, a resident at the Stephenson Home there, who died Dec. 27 at Bixby Hospital where she had been a patient for a short time.

A former resident of Tipton and Onsted before moving to Adrian with her family in 1927.

Mrs. Pentecost served as president of the village of Onsted in 1923.

She was the widow of Chauncey J. Pentecost who died Oct. 22, 1954.

Born Dec. 1, 1887, at the Crittenden farm in Franklin Township, she was graduated from Tecumseh High in 1906.

She taught two years in the former Bradley District and married Mr. Pentecost in 1908.

They lived six years in Tipton, 13 years in Onsted and in Adrian since 1927.

A past chief of the Pythian Sisters at Tipton, Mrs. Pentecost was a life member and past matron of the Onsted Order of Eastern Star and a past president of the Onsted Woman's Club.

She also was a past president of the Lenawee-Monroe OES Association and an honorary member of the Adrian Chapter and the Past Matrons Club.

Mrs. Pentecost was a member of the First Presbyterian Church. She formerly was employed at Edward's Bakery.

Mrs. Pentecost is survived by one son, C. J. Pentecost, Jr., of Oak Park, and two grandchildren, Carole and David.

An Eastern Star service was held Thursday evening. The Rev. Keith Morrow officiated Friday and burial was in the Tipton Cemetery.

PRAYER FOR THE NEW YEAR

God — let me be aware.
Stab my soul fiercely with others' pain,
Let me walk seeing horror and stain.
Let my hands groping, find other hands.
Give me the heart that divines, understands.
Give me the courage, wounded, to fight.
Flood me with knowledge, drench me in light.
Please, keep me eager just to do my share.
God — let me be aware.

TOP SCORERS — Jim Upell (44) of Tecumseh and Joel Hiser (43) of the Maples, paced scorers here Friday night with 18 and 22 points, respectively. Upell dunks one here in Tecumseh's 62-58 victory.

THS Dumps Adrian, 62-58

Tecumseh closed the 1967 year on a winning note here Friday night when the Indians rallied in the second half for a 62-58 victory over Adrian.

The win upped the season's mark to 3-2 and continued Adrian's winless streak to 18 games. The Maples need a patsy on their schedule if they're to break into the victory column this season.

For a while Friday night, Adrian had visions of its first win, only to have the Indians outscrap and outhustle them, particularly in the final quarter.

In one stretch, Tecumseh outscored the visitors, 12-4, overcoming a 47-45 deficit at the end of three periods to go ahead, 57 to 51. The Maples then tied the count at 57-57, but Jim Mobley dropped in five straight fouls to seal the victory.

Prior to the winning rally, John Kennedy and Gus Bishop combined to keep Tecumseh within striking distance. It was the best prep game for both cagers.

Kennedy, limited to a single field goal in the first half, connected on four corner shots, all coming late in the third quarter and early in the fourth.

Bishop didn't scorch the nets — although a fourth quarter goal finally gave his team a 51-49 lead — but his work around the boards was a big factor in Tecumseh's victory.

Joel Hiser was the game's top scorer with 22 points. The six-footer dropped in seven goals, half of his team's total of 14 baskets.

Jim Upell, the Indians' leading scorer to date, again paced his teammates, tallying 18 points on eight goals and two foul shots.

The rough and tumble contest was marred with fouls as the officials whistled 30 against the Indians and 21 for the Maples.

In the middle two quarters, Adrian cagers provided the fans with a fine free throw exhibition — hitting 19 of 26 chances. Overall, the Maples collected 30 points from the circle in 45 attempts.

Tecumseh didn't fare as well. The Indians had only 30 free throws and connected on 16. Bishop, Upell and Kennedy fouled out of the game while Adrian lost its center, Gary McNicol.

Three Adrian players finished the contest with four fouls, and Jim Hunt and Steve Dalton were plagued with four infractions.

The two clubs play again, meet-Jan. 30 in Adrian.

Announcement was made of Leonard Gamber's transfer to Flint at the annual banquet of the Order of the Arrow Lodge 332 at the Presbyterian Church here recently.

Mr. Gamber is a brotherhood member of the Order and has resigned as the Lenape District Scout Executive.

He has been assisting the scouting program as a volunteer since 1959 and became a professional scout executive in January, 1966.

The Gambers have not finalized plans to move with their three children to Flint.

Bob and Mike McComb and Edward Flaver of Flat Rock prepared and served the dinner following the business session of the Order.

Robert Thompson accepted the office of lodge advisor, replacing David Avis. Mr. Avis received a plaque with the inscription "To David Avis From all of His Boys" for his three years' service.

New officers for 1968 are: Chief — Chris Green, Temperance.

Vischiefs — Jim Thompson, Ida; Dick Murbach, Manitou Beach.

Secretary — Mark Green, Temperance.

Treasurer — Bryen Holey.

A film on fishing and canoeing in Canada was shown by Waldo Johnson.

Macon News

Jehovah Witnesses Are Meeting Here at High School

Jehovah's Witnesses from 16 Southeastern Michigan congregations will convene for the third time at the Tecumseh High School for their semi-annual circuit meetings January 19 through 21.

Brighton has recently been added to Circuit Number 8. An approximate 1,200 delegates are expected to attend.

Richard Krebs, Jr., presiding minister of the Tecumseh congregation, said that the theme of the assembly is "Walking Orderly By Spirit."

Carlton Cecil, a circuit minister, disclosed that the main feature of the three-day program will be held at 3 p.m., Sunday, when the lecture entitled "Will God Intervene in Men's Affairs?" will be delivered by Marvin L. Holien of Brooklyn, N. Y.

"The public is invited to all sessions," Mr. Krebs stated "and no collections will be taken."

Ray Jackson attended the State Association of Supervisors held in Lansing at the Jack Tarr Hotel last week. He was introduced to members of the Legislature by Rep. Robert Stites and was given a tour of the Capitol building.

Indians Face GI, Hudson

Tecumseh Indians face back-to-back toughies this weekend in two away games.

Friday night, Coach Vic Lawson's club plays at Grosse Ile, and then Saturday evening at Hudson.

The Indians will be decided underdogs against a good GI five, a team that recently nearly upset Huron League favorite, Blissfield. Tecumseh will give away both height and experience.

Against the Hudson Tigers, the Indians should rate about even in walking off with a victory. Hudson, like Tecumseh, has had its ups and downs but against lesser competition.

The Indians can score, as evidenced in recent games, but it's impossible to predict what they'll do from week-to-week. They've experienced poor shooting and numerous turnovers, but also some pretty fair basketball at times.

Only thing that Coach Lawson can expect week-to-week is hustle and scrap — and this the Indians have.

Council Approves Street Patching Material Contract

Purchasing of street patching material, a mix, Ayling-Cunningham was authorized by Council Tuesday night after a brief discussion.

The city had a choice in acquiring the patching material. Other company is Tecumseh Asphalt, partially owned by Wes Haeussler, city street superintendent.

Councilman Ray Puffer remarked, "I don't think we should do business with a man who also works for the city."

Other councilmen concurred before approving Ayling-Cunningham.

City Manager Cal Zorn reported to Council that Ayling-Cunningham wanted $8.75 per ton for the patching material, while Tecumseh Asphalt's price was $8.

However, when Tecumseh Asphalt started business it had indicated to the city that its sale price would be $5 per ton, according to the city manager.

QUESTION:
"Is it proper for us to telephone the family after we hear that a good friend has passed away?"

ANSWER:
It is quite proper to call the residence, but do not insist upon talking to the husband or wife of the deceased, nor to the father or mother, son or daughter. The conversation should be brief.

141 Pints of Blood Collected

There were 141 pints of blood collected and six donors rejected at the Red Cross Blood Bank at the Tecumseh Products Co., Dec. 20.

Dr. Harold Ocamb, Dr. A. J. Phelan and Dr. Richard Dustin donated their time to examine donors.

They were assisted by Mrs. M. Lester Reed, Mrs. Paul Kaechele, Mrs. William Frownfelder, Mrs. Jerry Eggleston, Mrs. Oscar Schonsheck and Mrs. Dustin.

Members of the Tecumseh Service Club, the Jaycee Auxiliary and the Gray Ladies also helped.

Mrs. Henry Howard, Raymon Bersold, and Alfred J. Crane of Blissfield each gave a pint that qualified them as gallon donors.

Mrs. Merton Boss, Tecumseh chairman, extends thanks to all the volunteers and also to Gladiens Corps for hot lunches donated to the nurses and dispatchers from Lansing.

Appreciation was expressed by Mrs. Boss to Flanders Music Co., for paper cups; Pickard Floral Shop for flowers; McCarty's Market for milk; A & P Store for coffee; Kroger and Vescios for juice; and Van's Bakery, Bug's Marathon Station and Powell's Realty for doughnuts.

1917

Lt. Perry Satterthwaite has been ordered to report for duty at once at Camp Lee, Petersburg, Va.

Men are being moved from Camp Custer at the rate of 200 per day, with their destinations unknown.

Tecumseh Lake Ice Company finished filling their ice house on Red Pond Dec. 20.

John Blesing has been notified that his son, Verle, has been assigned to Company 22, Field Hospital Corps at Camp Greenleaf, Ft. Oglethorpe, Ga. Russell, who is at Rockford, Ill., expects to leave soon for France.

1927

The Legionaires have placed a handsomely lighted Christmas tree on W. Chicago Blvd.

Hoyt Whelan Company has vacated the old building on Evans St., and the office and warehouse are now located in the Logan St. location.

The thirty-first annual Christmas dinner of the Halladay families will be held in the Clintonian Hotel with the Christmas tree at Oscar Halliday's home.

The Presbyterian Church property in Macon, including buildings, land and seats, is for sale to the highest bidder.

1937

The first ice of the 1938 winter season was cut here last week from the Raisin River, 10 inches thick, and promises to be one of the best cuts locally in many seasons.

Fire late yesterday did several hundred dollars' damage to Colvin School house, about two and one-half miles south of Tecumseh.

Louis Schneider took several persons on cutter rides over the weekend. Cutters are almost unknown to children and are seldom seen in this section of the state.

1947

Payrolls in Lenawee county declined for the second consecutive month and it is expected that they will decrease further in the next 60 days.

An increase of about 40 percent over last year's mailing was reported by acting postmaster, Wiley McCann.

Ten tons of turkeys were distributed to employees of the Tecumseh Products as well as some 500 fruit baskets.

All money-raising schemes and solicitations in Tecumseh will, in the future, come under the control of the Chamber of Commerce. A special secret committee has been named to take charge of the details, it was announced today by Ronald Harris, secretary.

"Living in a Big Way" with Gene Kelly and Marie McDonald is playing at the Strand Theatre.

1957

The City was playing Santa to Christmas shoppers by placing "Season's Greetings" sacks over the city parking meters.

A Schukmerich "Basilican" Bells instrument, described as the most liturgical bell instrument ever developed, was installed at St. Joseph Shrine in the Irish Hills.

A plan, which will save Lenawee County $3,000 annually, was adopted by the County Welfare Commission. The idea, proposed by the Rev. B. O. Bashore of Tecumseh, involves having three instead of 19 welfare investigators in the county, working from township to township. Lenawee will now have the only township investigative system in the state.

One of the many hats of Consumers Power — CONSCIENTIOUS PEOPLE

Many different men and women work for Consumers Power Company, but they have one thing in common. They are working *for people*. For their neighbors. For you.

Meter reader, repairman, switchboard operator, clerk, engineer, accountant, computer expert, home consultant . . . each is dedicated to giving you good service, service you can depend on. That includes keeping our rates low by constantly improving our efficiency and managing our business well.

Why does this good neighbor service mean so much at Consumers Power? For one thing, you can't *see* our product — the energy that we deliver to your home day and night, ready to serve you whenever you need it. But you *can* see our people.

You can see something else, too, although most times you may not give it a thought. The millions of dollars in taxes that Consumers Power pays each year to local, state and federal governments come back to you . . . in the form of better schools, better roads, and better public services.

Because you depend on us in so many ways, we try to be agreeable and helpful neighbors. Every day . . . 24 hours a day.

LRC Will Meet at Adrian College

A session of Lenawee Reading Council will be held Jan. 11 at Adrian College.

The meeting will start at 4 p.m. with a coffee hour and an exhibit of books and materials by 15 companies, and an inspection of curriculum materials center in Shipman Library.

Both elementary and secondary programs will then be presented in Jones Hall by Richard Dutro and Anthony Dibiascio, representatives from the Lakewood Public Schools, near Cleveland, O.

A dinner and program in Ritchie Hall will conclude the session.

Ronald D. Harvey Gains Promotion

Ronald D. Harvey, son of Mr. and Mrs. Lyle K. Harvey, 214 Locust St., Clinton, was promoted to Army specialist four Nov. 20, while serving as a supply clerk in Battery B, 1st Battalion of the 198th Light Infantry Brigade's 14th Artillery in Vietnam.

Spec. Harvey's wife, Mary, lives at 204 Burt St.

GERALD L. HALE

Gerald L. Hale Completes Third Year at Academy

Coast Guard Cadet Second Class Gerald L. Hale, son of Mr. and Mrs. Carl Q. Hale, 108 Evans Creek Dr., Tecumseh, has completed the first semester of his junior (third) year at the U. S. Coast Guard Academy at New London, Conn.

He will begin his second semester at the Academy following the Christmas holidays.

The curriculum at the Academy is designed to provide the potential officer with the best possible education to aid him in any of the positions in which he may find himself after graduation.

When the cadet completes his four years at the Academy he will be awarded a bachelor of science degree and granted a commission as an Ensign in the Coast Guard.

As a Coast Guard officer, he will be called upon to fulfill a wide variety of duties at-sea and ashore, including the fields of oceanography and communications.

Stephen Odell Ends Training At Naval Base

Seaman Apprentice Stephen R. Odell, USN, 19, son of Mr. and Mrs. Thomas C. Odell, 16206 Sheridan Rd., Clinton, has been graduated from nine weeks of basic training at the Naval Training Center at Great Lakes, Ill.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Estate Planning, Farm Transfer Meetings Planned

A short course on estate planning and farm transfer will be held in the county courthouse at Adrian by the Cooperative Extension Service.

Morning and afternoon sessions are planned for Jan. 8, 15 and 22. Enrollment is limited.

Reservations must be made by contacting Norman Bless, Extension Agricultural Agent, at the extension office or by calling 265-5103.

Onsted Lady Hurt

Mrs. Claud Burger, 58, of Onsted sustained serious injuries Friday afternoon, when her car slid on the snow going around a curve on Laird Hwy., south of M-50, and struck a tree.

Mrs. Burger received broken ribs, broken arm, and a punctured lung. She was treated at Herrick Memorial Hospital and then transferred to St. Joseph Hospital, Ann Arbor.

The mishap occurred at 4:45 p.m.

NASSAU, BAHAMAS, EXCLUSIVE — For Christmas guests of the Nassau Sheraton-British Colonial Hotel, jolly old Santa came in Bahamian style — in a horse-drawn surrey. Appearing here to receive a present from Santa is Teresa Wilson, daughter of Mr. and Mrs. Harvey J. Wilson, 611 Outer Dr., Tecumseh. The Wilsons vacationed at the hotel over the holiday season.

Women of World To Hold Meeting at Michigan State

The Associated Country Women of the World will hold a Triennial Conference on Michigan State University's campus Sept. 3-14, 1968.

The opportunity arises for Tecumseh area residents to host a foreign guest or two who will attend the event.

Anyone desiring to take advantage of the opportunity may call Mrs. Ellsworth Robison, 423-2913, to register their request.

The Conference is sponsored by the MSU Extension Service.

Mr. and Mrs. Ralph Comfort were hosts for their son, Robert Comfort, and his wife, of East Lansing Saturday night.

Mr. and Mrs. Ralph Comfort and Mr. and Mrs. Robert Comfort visited Christmas Day at the home of Mr. and Mrs. Eugene Vaughn.

we care

Let's talk about budgets!

Budgeting is tough these days.
It seems that every time you turn around
the cost of something is going up.
The economists tell us it's to be expected.
Maybe so, but it sure makes running a home difficult.

We wish we could tell you that A&P has the answer
to all your difficulties, but we can't...no store can.
We can tell you this:

There is one guaranteed way to cut your food bill
without sacrificing quality; buy A&P's own brands.
Hold it...don't scoff...we're serious.
We don't have our own private national brands
just to have low prices.
If it isn't a quality product, it can't carry the A&P Seal.
Take A&P Brand Canned or Frozen Vegetables for example.
They're GRADE "A"...you can't buy better.

If you buy A&P Brands,
we guarantee you'll reduce your total food bill.
We also guarantee you'll be pleased
with every A&P product you buy...unconditionally.

Jaycees Seek Home Talent

Ever have a yen to go on the stage? Here's your chance.

Once again, Tecumseh Jaycees are calling for local performers to join the cast of their annual home talent show. If you're willing to face an audience, you're hired!

It's Jaycee Follies time. The third annual musical-comedy revue will be presented Saturday and Sunday, Jan. 27 and 28, at the Strand Theatre.

First item on this year's schedule is the arrival of the director, representative of the Jerome H. Cargill Co. of New York, producers of the show.

If you're interested in taking part in the Follies, you're invited to meet the director Jan. 9, at 8 p.m., at the Tecumseh Grange hall. At that time, you'll hear what's on tap for this year's production, and you'll be able to sign on as an official member of the cast.

Experience? Talent? Polish? Well, they do help. But they aren't requirements in this all-for-fun, fun-for-all endeavor. (Although past Follies have featured some surprisingly-talented amateurs, as well as several performers of proven ability.)

For more information, contact Chairman Ron Albert at 423-3300, or Mrs. Ken Beevers, 423-4549.

The Follies is sponsored annually by Tecumseh Jaycees to benefit their various community and youth development programs. Ticket information will be announced soon.

To Speak Here

Senator Gilbert Bursley will be in Tecumseh Tuesday, Jan. 16, at the city hall at 8 p.m.

He will explain some of the recent bills passed, discuss problems the legislature faces and discuss some of the controversial issues of the day. The public is invited.

NEWCOMERS

Marda Gene Duncan's

Through My Window

1967 IN REVIEW — PART II

Well now, last week we quit on the ducky note of Dorothy watching a little brown duck splashing down the creek on the last of May. (Perhaps one of Marda's New Year's resolutions should concern itself with such remarks — or should I just let it go by thinking that at least it wasn't too "fowl" a thing to say?)

But getting on with the month of June. A new experience on the very first day, a football-sized swarm of bees hung in the mulberry bush by the porch. They left very suddenly some time after 3:15 p.m., the next day.

The rest of the month was extremely commonplace with just the usual June-type happenings.

Goldfinches and cardinals busy at the feeder the 6th; the evenings of the 14th, 15th, and 16th were highlighted by an owl hooting, very close; the 15th also had noisy catbirds and a lazy squirrel sprawled flat on the feeder; the 16th continued to be noisy, kingfishers rattling along the creek and baby robins screaming to be fed.

The mulberries were ripe by the 23rd, every bird and squirrel in this end of town feasted.

On the 26th Dorothy saw a rabbit swimming back and forth across the creek and on the 28th the two naked squirrels which had been at Gertie's visited us. (Apparently they had a skin disease which, fortunately, cleared up later in the summer.)

★

JULY AFFORDED not very much weatherwise, cold to begin with and tremendous hail plus rain storm on the 30th.

Male Hairy woodpecker and youngster appeared on 1st and Papa Cardinal showed appreciation for long summer days by serenading us at 10 p.m.

Hummingbirds busy from the 2nd on, blue jays gone from nest but wrens still feeding their youngsters; bob-whites, kingfishers and flickers noisy on the 3rd; woodchuck dined on raspberries and red-headed woodpecker appeared on the 7th.

We enjoyed watching two baby blue jays and their mother on the 9th, the red-headed woodpecker discovered the mulberries and baby wrens started screaming the 11th; 3 baby blue jays showed up the 12th; our red-head made the 14th a red letter day by coming to the feeder just after five young blue jays left; 16th saw Baltimore Oriole investigating under raspberry bushes; the 19th proved exciting, three baby wrens left house in A. M. and after lunch, new family started moving in.

★

AUGUST THE 4th had a busy feeder, Papa Cardinal and two kids; robin visited feeder on the 11th and the two red-headed woodpeckers still performed in the elm tree.

The last half of our eighth month was ugh. Cold and rainy, cold and windy, cold and cold. Birdwise the usual late August visitors appeared, the bald-headed blue jays — this year, however, they were not completely bald, naked necks but a few feathers on their faces.

Papa Cardinal continued to bring his two kids to the feeder, they became regulars and what fun to watch the growing-up process.

Hummingbirds kept up their interest in the bergamot, Junior Flicker had three days of anteating instructions in the front yard, we enjoyed the quail talk across the creek, two little Reds invaded the area, woodchucks scarce, ditto rabbits.

★

SEPTEMBER WAS vacation month. Poor weather but marvelous time anyway — Michigan, both Dakotas and Colorado were great — marvelous — beautiful — exciting — etc.

★

OCTOBER WAS slow, few birds but much miserable weather. Robins were congregating the 2nd, Hairy woodpeckers taking over for the red-heads on the 3rd, mixed-up wrens looking at wren house the 4th and three Little Reds appeared the 5th.

The juncos returned on the 14th, Papa and Mama Cardinal visited the feeder together on the 25th, which was also our three-crow day.

Snow flurries on the 27th! A flicker on the feeder, four tufted titmice and three blue jays shared the 31st with a scarey assortment of little witches, ghosts, clowns, etc.

★

WEATHERWISE, November's notations are all wet — rain, fog, snow and freezing rain. Birdwise, the 3rd found our little group of goldfinches completely outfitted in their winter garb; nuthatches, blue jays and a large flock of mourning doves perked up a foggy 7th; juncos more than plentiful on the 8th; the 13th was lucky for one male cardinal who showed up with three females; unwanted starlings on the 16th were counterbalanced by a flicker and a male downy woodpecker.

Great excitement the last of the month with a red-bellied woodpecker, lots of flickers, cardinals, blue jays and several poor, misguided grackles.

★

DECEMBER IS always such a busy month that our bird-watching gets slightly short-changed. Sparrow caught in the chimney, created great excitement and the sparrows hauling nesting material into the wren house created great puzzlement.

Record - breaking heat waves, thunder and lightning, a flooded creek — but we shan't complain about the weather because, after all the miserable stuff, it was a beautiful white Christmas.

So it is that 1967 turned out to be a good year and now we anxiously wonder what '68 will bring.

James Wallace Is Now Stationed Over In Vietnam

Marine James O. Wallace, son of Mr. and Mrs. James O. Wallace, 9236 Carson Hwy., Tecumseh, is serving with the Force Logistic Command at Camp Books, Vietnam.

Force Logistic Command, with headquarters near Da Nang, receives and processes more than 40,000 supply requests a month.

Its drivers covered more than a million and a half miles last year, distributing over 300,000 tons of cargo and nearly 8,000,000 gallons of water.

Sunday Sermon

"Rejoice in the Lord always: and again I say, Rejoice . . . And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

This Golden Text from Philippians sets the theme for this week's Lesson-Sermon on "God," to be read in all Christian Science Churches Sunday.

Norman E. Kelley Has Graduated from Navy Basics

Seaman Apprentice Norman E. Kelley, USN, 18, son of Mr. and Mrs. Robert W. Kelley, 11870 Ford Hwy., Clinton, has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Ill.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

H. Gerald Munger To Use Prefix for Dairy Animals

H. Gerald Munger, 2170 W. Munger Rd., will have the exclusive use of the prefix "J-Mar" in naming all Registered Holstein dairy animals bred in that herd.

This prefix name use has been granted by the Holstein-Friesian Association of America and has become a part of official breed records at the organization's headquarters in Brattleboro, Vt.

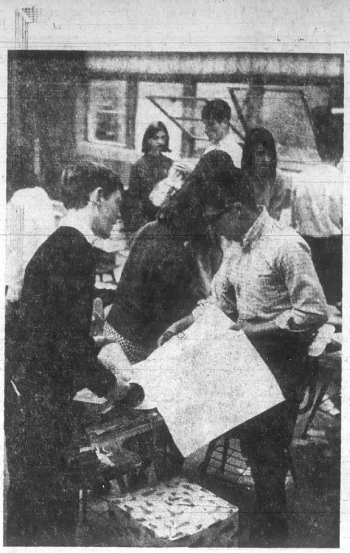
By using a prefix name for his animals, the purebred Holstein breeder establishes a "trade mark" which is used in all published information concerning the performance of his dairy animals.

The origination of prefix names often stems from farm names, family name combinations, or unique geographical or historical features of the farmstead.

Youth Is Cited

Alan W. Leupp, 19, of Adrian, was given a summons for making an improper left turn Sunday afternoon.

Leupp turned left from US-12 into the wrong lane on M-52, where a northbound car, driven by Richard K. Weber, 41, of Dubuque, Ia., was waiting for a stop sign.



SANTA'S HELPERS — Students at THS were real assets to the jolly ol' reindeer driver as many clubs and organizations pitched in to help make the holidays more enjoyable for needy area families. Members of the French Club are shown above preparing gifts and household items.

Lightning Strikes Well House No. 9

Lightning apparently struck Tecumseh's No. 9 well house last Thursday night, causing a reduction in water pressure here Friday.

The pump motor at the well house, just west of S. Union St., near Nelson Field, had to be rewired. Officials expected to have it back in operation Wednesday.

City Manager Cal Zorn says pumping at the No. 8 well on Patterson St., was started Friday to build the pressure back up to normal.

Board Rules Out Future Ice Rinks

There will be no city-built ice skating rinks this winter and none in the future, according to a decision reached Monday night by the Parks and Recreation Board and city officials.

Cost of making and maintaining the rinks apparently is the basis for the decision.

Two years ago the city made three rinks and figure that the cost of making the rinks was about $700 — not including the water used.

For a number of years the city built rinks behind the city hall, Nelson Field and at the corner of Brown St. and Brooks. According to city officials, two years ago the youngsters had only 12 skating days on these rinks.

Most of the cost in building a rink is labor, according to Cal Zorn, city manager. Labor costs also depend on the weather.

If the weather is 20 degrees or below, rinks can be built and maintained. The city starts by a light spray or mist over the rink area, and then gradually increases the density of the spray.

Mr. Zorn says it usually takes about five days to construct a good rink. After the youngsters use it, the city also scrapes it and then sprays the surface again for smoothness.

Last week, Tom Jacoby, a resident on Ternes, and Wes Haeussler, Brooks St., built a rink in their neighborhood, and it is the only known rink of any size in the community.

Monday's decision by the Parks and Recreation Board also extends to residents building their own rinks. They will now be charged a fee for water used and any city assistance in constructing a rink.

Some youngsters are now skating at Tecumseh Park, formerly called the Pit. Don Moffatt, recreation director, says the ice there has been checked and is considered safe.

Parents are warned not to let their children skate on River Raisin. Only last week an eight-year-old at Petersburg went through the river's ice and drowned.

All Students Are Invited

Peter Kalom, Tecumseh High School science instructor, invites any student in the district, as well as those of the local schools, to participate in the annual science fair March 23 and 24. "Work should be started on the projects now," he said.

First and second place winners in the senior division will go to the regional fair at Ann Arbor in April.

Awards totaling thousands of dollars including scholarships, cash prizes, books and expense-paid trips will be made at the April 20 luncheon in the Michigan Union ballroom.

Final Service On January 14

Members of the Board of Directors of the Christian Science Society decided at a meeting Sunday to discontinue services in the present building after Jan. 14.

Annual reports were given by Mrs. Robert Stone, clerk, and Richard Neuman, treasurer.

Investigation will be conducted by the board members as to the possibility of holding services in another location. In the meantime, members will attend services held in the surrounding area churches.

Big Boiler Breaks, Movies Continue

Strand Theatre's large boiler broke Monday and threatened to close the local cinema.

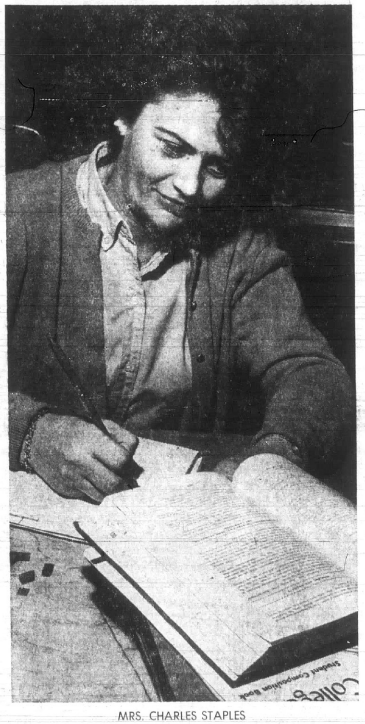
Repairs are being made, and John Truesdale, theatre owner, continues to show movies as scheduled.

32-Year-Old Dropout Earns THS Diploma

From a high school dropout to a college graduate! Few dropouts ever return to high school, let alone take on the challenge of a college education.

Sixteen years ago at Onsted, school officials there undoubtedly were dismayed when one of their best students quit to get married.

She was Alice Barrows, 16, and an A and B student. Today, she's a mother of a nine-year-old daughter, Linda; housekeeper for her husband, Charles, manager at Beach Bros., Inc. and an eager student.



MRS. CHARLES STAPLES

Friday, she completes her high school training at Tecumseh High, and Monday she starts working for a teaching degree at Siena Heights.

Mrs. Staples joined the teenage set here just one year ago, joining classmates half her age, and being tutored by teachers younger than her 32 years.

She didn't find schooling much different, but her attitude was much more objective with a college degree as a goal. Despite the "kids being much sharper and keener" than they were 16 years ago, Mrs. Staples has still been able to get her A's and B's.

Although all high school students will take semester exams next week, Mr. Hart has waived tests for Mrs. Staples so she can start at Siena.

By attending only the academic classes — no gym, chorus, band or other similar activities — and with cooperation at home and from school officials, she found the routine busy, but enjoyable.

Mrs. Staples can't praise Neville Hart, principal, and the teachers enough for their cooperation and encouragement. She also praises today's education program at the high school, and says the students are now "getting a much better education than what we used to receive."

For the record, school officials can't remember when anyone, being out of school so long, ever returned and earned a diploma.

She is officially a member of the Class of 1968 and will receive her diploma in June when commencement is held. Whether she participates in the exercises or not, has not yet been decided by the 32-year-old mother.

Obedience Classes Graduate Friday

Graduation classes for the Tuesday night obedience classes at the Community Center, will be Friday, January 12th at 7:30 for the adult class; and Friday, January 19th, at 7 for the 4-H class.

There will be a six week review class for members of these classes at the Community Center, starting March 8th.

City Defers Protection to Stauffer

Stauffer Chemical will have to wait almost a month, perhaps longer, if fire protection from Tecumseh is approved and granted.

Representatives of the city — City Manager Cal Zorn, Mayor Harold Easton and firemen, Wallage MacGeorge, Dick Purkey, and Ivan Maynard — toured the complex on Sutton Rd. Tuesday in an effort to determine what problems the city would encounter if it provided the company with fire protection.

No decision was reached after the tour and will not be made until after Graham Fleming and George Stewart, company officials, meet here with the firemen on Feb. 6.

Stauffer approached the city on Nov. 6 and asked that protection be granted. At that time, council tabled any decision until an inspection was made of company's buildings.

Local department is not equipped to handle chemical fires.

City officials were told Tuesday that the company was primarily interested in the Old Sutton Place, the company's offices, and buildings not directly involved in chemicals and chemical processing.

Excluded in the protection request are the large towers, adjacent to Sutton Rd., and the railroad.

Since the city's agreement with Raisin Township was cancelled, only property granted protection in the township is Fisher Body Plant on Occidental Rd.

Club Membership Voting on Project

Membership of the Tecumseh Country Club will vote this Thursday evening on a proposed $200,000 expansion project.

Under consideration is enlargement of the club house, swimming pool and completing watering fairways on the golf course.

Three fourths of the total membership or about 240 affirmative votes are necessary for approval.

If the project is approved dues will be increased to meet the added costs. Dues, however, are also apt to be increased, regardless whether the project is approved or disapproved.

9 Cited in 11 Accidents

Snow and icy streets accounted for several of the 11 accidents investigated by the Tecumseh police during the past week.

Nine motorists were arrested, and one of the mishaps involved injury. However, a driver and his passenger sought their own treatment and were not taken to Herrick Hospital.

Last Wednesday, Leroy V. Bowman, 48, driver from Monroe, and his passenger, William E. Terrell, 19, Britton, suffered minor injuries when they were involved in a three-car mishap on E. Chicago Blvd. at Maumee.

Bowman was stopped behind Richard A. Gartee, 19, of 1209 Shady Lane, when Don C. Mannor, 33, Petersburg, ran into the rear of Bowman's car. All three vehicles sustained damages.

Mannor was arrested for drunk driving and driving on a revoked license.

A resume of the other accidents is:

Jan. 3 — David M. Jedele, 29, of 504 Occidental, was cited for failure to stop within an assured clear distance after running into Lawrence R. Smith, 59, Tipton, on W. Chicago Blvd.

Jan. 5 — Gale E. Aungst, 22, Parma, was cited for failure to stop in time after an accident with Alfred L. Nester, 48, North Adams, at W. Chicago and Occidental Rd.

Jan. 6— Gloria F. Graham, 29, Adrian, was charged with an improper left turn after she turned into Erie S. Long, 16, of 107 N. Van Buren, on N. Ottawa St.

Jan. 6 — Harold Butler, Jr., 21, of 404 Adrian St., attempted to turn off W. Chicago onto Adrian St., slid on the ice and hit an auto driven by Willa S. McKeever, 28, of 7600 Clinton-Macon Rd.

Jan. 6 — Mike Cantrell, 17, of 5422 Centennial Rd., reported his car damaged in the Herrick Park area. He told police that another car sideswiped him and then drove off.

Jan. 8 — Frank E. Lasky, 53, of 720 Seneca, was charged with failure to yield the right of way after a collision at N. Evans and Herrick Park Dr. Other motorist was Marie E. Kershner, 38, of 11085 Clinton-Tecumseh Rd.

Jan. 8 — Lynelle E. Cook, 40, of 140 W. Brown St., slid on the ice and hit a stop sign at Brown and N. Evans St.

Jan. 9 — Barbara J. Williams, 18, of 207 N. Pearl St., was arrested for failure to control her car after she struck the rear of a car driven by Judy A. Fetty, 17, of 807 Russell Rd., at the intersection of Occidental Rd. and Russell.

Jan. 9 — Rickard L. Steele, 16, of 4734 Occidental, was cited for failure to yield after a mishap with Mary E. Hollar, 47, of 307 Chippewa. Accident occurred at W. Logan St. and N. Pearl.

Jan. 9 — Alice G. George, 44, Adrian, was cited for driving the wrong way after she ran into a car driven by John C. Vanlandschoot, 22, Ann Arbor. Accident happened in the middle of the Chicago Blvd. and Evans St. intersection.

Crowd Expected

Although Tecumseh Indians are not a powerhouse basketball team this year, the local gym will probably be packed here Friday night for the Blissfield Royals.

Fans, expecting a seat, should arrive early. A few years ago the gym was filled early and the doors closed to further spectators.

The Royals, Huron League leaders, are certain to bring a large following. They'll also be favored to whip the Indians.

If Tecumseh can repeat its performance against Grosse Ile, the Indians could pull off the upset of the season. GI was just hanging on Friday night when a last minute rally defeated the Indians.

This was the same GI team — minus two of its regulars — which nearly bumped Blissfield last month.

Spouse Finds Wife Dead

Mrs. Harold Lenheiser, 53, of 1018 River Acres Dr., was found dead at her home Tuesday about 4 p.m. by her husband.

Mr. Lenheiser was in Akron, O., on business at the time and called his home before boarding a plane to go to Detroit. Receiving no answer, he returned home.

Dr. Richard Coak pronounced the death was caused by a heart attack. She had been troubled with heart ailments previously.

Born Jan. 1, 1915, in Columbus, O., Jean Lenheiser was the daughter of Mr. and Mrs. Richard Ray.

She was graduated from Shady Side High School near Columbus and from the Grace Hospital,

City, Township Officials Meet

Art Eaton, Tecumseh Township supervisor, and Al Merz, clerk, met with the Tecumseh Planning Commission Tuesday night.

The two township officials told the Commission that they were happy to cooperate with the city in future zoning.

Township and city officials also discussed zoning of property along Occidental Rd., north of W. Chicago Blvd.

Gals, Men Contesting for Jaycee Honors

Eight men and four gals, representing various service clubs and organizations, are vying for "Big Chief" and "Little Squaw" honors for the Jaycee Follies, Jan. 27-28, at the Strand Theatre.

The money-raising project annually boosts proceeds for the Junior Chamber of Commerce, sponsoring organization.

Canisters, with the contestants' pictures, are now spotted in downtown Tecumseh stores. Each penny counts as a vote and the winners will be decided by the most money in each canister.

Folks will be able to vote in the stores until the morning of Jan. 27, when the canisters will be picked up and made available for further voting at the first showing of the Follies that evening.

Winners will receive a personal gift from the Jaycees, and the winners' organization, a $25 savings bond.

It is the first time that a "Little Squaw" contest has been conducted in the three years the Follies have been held. All proceeds from the show and canisters are used by the Jaycees for worthwhile civic projects.

Jaycees plan to start selling tickets to the show next week. Tickets also will be available at the door.

Plan Meetings For January 16

United Savings Bank will hold its annual meeting next Tuesday afternoon at the Tecumseh Country Club.

Adrian Federal Savings and Loan Association will hold its meeting next Wednesday at its offices in Adrian.

Michael Velandra Completes Studies

Airman Apprentice Michael R. Velandra, USNR, son of Mr. and Mrs. Paul D. Velandra, 2857 Russell Rd., studied the basics of piston-driven aircraft engines in Memphis, Tenn., as a student at the nine-week Aviation Machinist Mate (Reciprocating) School.

The school is taught by instructors of the Naval Air Technical Training Center.

In addition to studying the mechanics of engines, he became familiar with the reports and other administrative responsibilities of this rating. He also studied the procedures for conducting regular checks and inspections of the engines and their accessories.

In preparing for Aviation Machinist Mate School, he underwent two weeks of familiarization in the procedures and language of Naval aviation, and four weeks of studies in fundamental mechanics.

Mrs. Dernberger Wed Sept. 1st to Octave Fargher

Announcement is being made of the marriage of Margaret Marsh Dernberger to Octave H. Fargher Sept. 1 in Las Vegas, Nev. The bride is the daughter of Mrs. Fred Marsh and the late Mr. Marsh.

The couple are living at The Canterbury Apt., A-101, 900 East Blvd., South, Pontiac, Mich.

Mr. and Mrs. Clarence Natterstad of Occidental Hwy., announce the engagement of his daughter, Cheryl Ann, to Lincoln L. Loyd, Jr., son of Mr. and Mrs. Lincoln Loyd, Sr., of Dundee. Miss Natterstad is the daughter of the late Lois Natterstad. Cheryl is a 1965 graduate of Tecumseh High School and is in her junior year at Eastern Michigan University. Mr. Loyd is a 1963 graduate of Dundee High School. He was recently discharged from the army and is now assistant cashier at the United Savings Bank, Tecumseh. A wedding date has not been set.

Native of India To Speak to LCW

Mrs. K. S. Xavier will be the speaker at the meeting Jan. 15 of the LCW of the Gloria Dei Church. Mrs. Xavier is a native of India and will lead a discussion concerning Christianity in that country.

Her husband is an assistant professor at Adrian College.

The meeting was postponed due to a conflict with the council meeting of the church.

Members will work on a project for the Luther Haven home following Mrs. Xavier's address. Mrs. James Colson, president, asks that members bring hand towels and dresser scarves to the meeting.

Mrs. Arthur Baaske and Mrs. Lamar Rufner will serve refreshments at the 7:30 session.

Michael T. Wilson Gains Promotion

Boatswain's Mate Third Class Michael T. Wilson, USN, son of Mr. and Mrs. Howard R. Wilson, 203 E. Kilbuck St., and husband of the former Lynn A. Kitson, 1109 E. Maumee, Adrian, was advanced to his present rate while serving aboard the anti-submarine warfare support aircraft carrier USS Lexington.

His advancement was based on time in service and rate, military appearance, performance of duties and passing the Navy-wide test for promotion.

The Lexington, home-ported at the Naval Air Station, Pensacola, Fla., conducts her operations in the Gulf of Mexico.

There she provides carrier services for basic and advanced Navy and Marine Corps student pilots as well as services for carrier qualifications of Atlantic Fleet Squadrons.

Sue Illeck, daughter of Mr. and Mrs. Stephen Ileck, was elected to serve on the spring semester of the judicial counsel at Eastern Michigan University.

Our Readers Write

To the Editor:

Is there anything that can be done about the lack of heat in our schools? Our children come home day after day and report that the furnace was not working again, and that they sat wearing their coats in the classrooms.

Apparently it is not any one furnace in any one building that is at fault, but rather a situation common to all buildings. One recent very cold day children at Sutton crowded together in rooms that did have heat. Patterson has a notoriously balky heating plant. Herrick Park and Tecumseh Acres are also periodically cold. The high school has some rooms that perhaps cannot be heated.

Tecumseh is fortunate to have well-equipped, well-staffed school buildings. Why can't they be equally well maintained?

Sincerely,
A Concerned Parent

To the Editor:

We would like to extend our deepest and most sincere appreciation to all the volunteer fire departments and rescue squads in helping search for our son, Mike. Words can't express the thanks we have for all the people who extended a helping hand.

Mike had a true love of nature and saw its beauty to the fullest extent. Game for anything that meant adventure, he excelled in sports, went camping, did anything that meant a challenge. A good Scout, wanting to fulfill his scouting with more activities than could be offered, he proved to be a good leader. Mike belonged to the Methodist Church in Dundee, active member of the community, extended a warmth of friendship through everyone he came in contact with. He delivered papers for the Monroe Evening News, was active in Scouts, achieving first class, also had a love for constructing model cars and canoeing. He participated in the high school band as a drummer and also played guitar in a teenage band.

We feel that Mike found the true meaning of life in his fifteen years, enjoying close family love for which we can all thank God. Our deep feeling of sorrow and gratification goes out to the Williams' families, as their loss was felt as much as ours knowing his effort in finding our son. Again thanks for the many efforts in our search as God will bless them and guide us in finding Mike.

To the Editor:

Isn't the Veterans of Foreign Wars an organization for men that have served their country and their flag? If so, why don't they show some respect to the flag they fly over their building here in Tecumseh.

There are only four places in the United States that the flag is allowed to fly for twenty-four hours. Yet, I have been by the Tecumseh VFW many times way after sunset, and their flag is still flying. If this Post would show some respect to their flag, maybe more people in town would respect the VFW.

Sincerely,
Patti Mull

Young Mothers See Educational Sex Movie

An educational movie on sex was presented as the program for the Young Mothers' Club Jan. 3 at the home of Mrs. Hafford Young.

It was guest night and plans were made for the members to go bowling with their husbands Jan. 27.

Refreshments were served by the hostess, assisted by Mrs. Thomas Kampmueller and Mrs. Harry Keller.

Mrs. Franklin Smith will be the hostess for the February meeting, assisted by Mrs. John Stevens.

Lenheiser

Continued from page 1

School of Nursing, Detroit. She did post graduate work in neurology at the University of Michigan.

Her marriage to Harold W. Lenheiser of Detroit took place Aug. 5, 1940, in Ann Arbor.

Mrs. Lenheiser was a member of the Presbyterian Church and the Herrick Memorial Hospital Auxiliary.

Besides her husband, she is survived by one son, Pfc. Robert W., a United States Marine at Arlington, Va.; one daughter, Mrs. John (Barbara) Kantner, Long Beach, Calif.; and a sister, Mrs. Raymond (Margaret) Guetchoff, of Detroit.

She was preceded in death by her parents and one brother, John Ray.

Services will be held Friday at 1:30 p.m. at the Proctor Funeral Home with the Rev. Julian Gresham officiating. Interment will be at White Chapel Cemetery in Birmingham.

Simpsons Observe 40th Anniversary

CLINTON — Mr. and Mrs. Harlan Ruhl entertained at a family dinner Sunday honoring the 40th wedding anniversary of her parents, Mr. and Mrs. John Simpson, of Twin Lakes, Tipton.

Among the 25 guests present were the Simpsons' sons and daughters-in-law, Mr. and Mrs. John Simpson and son of Detroit, and Mr. and Mrs. David Simpson and family of Tecumseh, and Mrs. Helene Beckett of Inkster, sister of Mrs. Simpson, Sr.

Mr. and Mrs. Simpson lived most of their lives in Detroit, where he was employed at Bundy Tubing Company for 30 years until his retirement four years ago, when they moved to their present home.

Volunteer Service Hold Meeting

The January Volunteer Service Council meeting will be held in the Community Relations Conference Room at the Ypsilanti State Hospital Jan. 15, at 8 p.m.

Two Cited For Failure to Yield Right-of-Way

CLINTON — Driver of a Clinton School bus, Wayne Hulet, 50, of Clinton, was given a summons for failure to yield the right-of-way, as the result of a bus and auto collision on Clinton-Macon Rd., Monday afternoon.

The accident occurred at 4:40 p.m. as the empty eastbound bus was turned left in the path of a westbound car driven by Delbert Tallman, Jr., of 517 Sunset Dr., who was unable to stop in time to avoid a collision.

There were no injuries.

Larry Lee Oechsle, driver of an Onsted School bus, was given a summons for failure to yield the right of-way, when he left-turned a westbound bus from M-50 onto Onsted Hwy. at 4:15 p.m., Monday, into the path of an eastbound car driven by James C. Blakley, 20, of 9560 Sand Lake Hwy., Onsted.

Mr. Blakley lost control when he applied his brakes to avoid a collision, and his car struck a pole.

There were no injuries.

Snowmobile Accident Injures 15-Year-Old Boy

CLINTON — Randy Ackley, 15, son of Mr. and Mrs. Robert Barron, 131 E. Michigan Ave., remains in serious condition at University Medical Center, Ann Arbor, with internal injuries received in an accident Sunday.

Randy was driving a snowmobile near Monroe, when he came over a hillcrest and struck a picnic table.

You Told Us

By DOROTHY GRIGG

Herald Women's Editor

Barney Mensing is in Vietnam, arriving there Dec. 13, just in time for the holidays and now he gets to celebrate his birthday anniversary over there on the beautiful blue China Sea, too. Working in electronics, he is stationed at the Chu Lai Air Force Base, about 50 miles south of Da Nang.

Since Christmas and New Years were just words for our fellow Tecumsehite and it's doubtful that the commanding officer will give him the day off Jan. 22 to celebrate, perhaps a card shower is in order. Barney's address is:

Sgt. John B. Mensing 2146762, USMC
H and S. Btry., 2nd light AA Missile Bn WSM
FPO San Francisco, Calif. 96602.

Marine Cpl. George Heeman left Tuesday for Camp Lejeune, N. C., after spending a New Year's leave with his parents, Mr. and Mrs. George Heeman.

Linda Easton returned to classes at Western Michigan University Sunday. She was accompanied by her father, Mayor Harold Easton.

Mrs. Percy Bowen returned home Sunday from Fort Lauderdale, Fla., where the temperature was 89 degrees.

Airman Harold G. Corbell left Sunday after spending a 34-day leave with his wife, the former Vera Fisher. He completed a tour of duty in Vietnam Dec. 4, and is now stationed in Miramar, Calif.

Mrs. Fred Marsh, formerly of 702 Center Drive, is living at The Lourdes Nursing Home, 2300 Watkins Lake Rd., Pontiac, Michigan.

Maureen McLain has returned to her home in Denver, Colo., after visiting her mother, Mrs. Elliot McLain, and aunt, Mrs. Maude Fisher. While Miss McLain was home the three attended a family gathering at the home of Mr. and Mrs. Warren J. Williams in Dearborn. Mr. and Mrs. Williams have returned to Dearborn after spending the past week with her sisters, Mrs. McLain and Mrs. Fisher.

A baby boy, Steven Andrew, was born Dec. 30 to Mr. and Mrs. Daniel J. Kozera, Jr., nee Mary Colgrove, at Butterworth Hospital, Grand Rapids. Tecumseh's newest grandma, Mrs. P. G. Colgrove, returned to the city Tuesday after spending the past week with the Kozera family at their home in Wyoming.

Mrs. Dale Tingley returned Jan. 3 from Salem, Ore., where she spent the holidays with her son and wife, Mr. and Mrs. Dale Tingley, Jr., and their family.

Mr. and Mrs. Roy Jewell of Washington, D. C., and Helen Jewell of Port Huron, spent the holidays with their mother, Mrs. Alfred Jewell, and sister, Kathy. Other guests were Mr. and Mrs. Floyd Mahle of Manchester, Mrs. William Every of Tipton, Pearl Ash of Britton and Mr. and Mrs. Roy Gillman of Willis.

Mr. and Mrs. Clare Gillespie left Jan. 11 for New Port Richey, Fla., to spend the winter.

Mrs. Richard Godwin, nee Chris Kelley, left by plane Friday night to join her husband who is stationed about 100 miles south of Frankfurt, Germany.

Harold Naser has gone to La Mesa, Calif., to join his wife after he retired from the Tecumseh Products Co. Jan. 1. Mr. Naser has been employed there since 1952.

Wayne Brooks was called home from Sanford, Fla., by the death of his father, Milburn Brooks.

Exchange Club Visits Robinson Planetarium at AC

Tecumseh Exchange Club members visited the Robinson Planetarium in Peelle Hall on the Adrian College Campus following the regular dinner meeting at the Odd Fellow Hall Monday evening.

Joseph Noffsinger of the Physics Department gave an interesting and informative talk about the stars, the moon, and the sun. He used the Planetarium projector to illustrate the interrelated movements of these celestial bodies with the planet Earth.

Rev. Dolfison, president, announced that the Exchange Club would participate in National Crime Prevention Week, February 11 to February 17, and appointed George Choske as chairman for the project.

Pvt. Gary E. Fisher completed his Army basic training at Ft. Knox, Ky., Dec. 15. He spent a 17-day leave with his parents, Mr. and Mrs. Leland Fisher of 508 Parkway Ct. He left last Wednesday for Ft. Holabird, Md., where he will begin training as an Intelligence Analyst.

Tom Simmons Is New State Trooper

Thomas C. Simmons, 1962 graduate of Tecumseh High School, is among 42 Michigan State Police officer candidates graduated as probationary troopers in ceremonies Friday afternoon at the National Guard Auditorium in Lansing.

TOM SIMMONS

Trooper Simmons is the son of Lt. Harold W. Simmons, assistant commander of the civil defense division of the state police at East Lansing.

The Simmons family lived in Tecumseh while Lt. Simmons was stationed at the Clinton Post. Their home is now at 2124 Vassar Dr., Lansing.

Trooper Simmons and the other new officers will report to their stations Jan. 15. He goes to Traverse City.

Eighty candidates were notified to report for recruit school Jan. 8 at the East Lansing headquarters.

Mike DeLisle Given Promotion At Ft. Knox, Ky.

Michael J. DeLisle, 18, son of Mr. and Mrs. Edward W. DeLisle, 502 W. Pottawatamie St., was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Knox, Ky., Dec. 15.

The promotions were awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.

As many as half the trainees in each training cycle are eligible for the early promotion, based on scores attained during range firing, high score on the physical combat proficiency test, military bearing and leadership potential.

Susan Wentz Is Sophomore at IAA

Susan Wentz, daughter of Mr. and Mrs. Howard Wentz, 2615 Tipton Hwy., is a sophomore at the Interlochen Arts Academy near Traverse City, currently featured in the magazine, "Life."

Miss Wentz is not pictured in the 12-page spread, but is majoring in drama at the high school.

She is home for the holiday until Jan. 15.

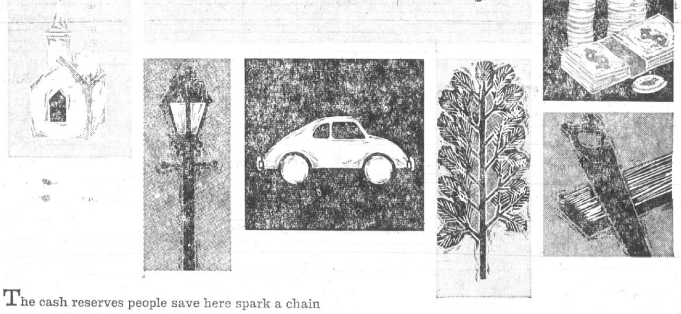
serving the needs of the whole community!



The cash reserves people save here spark a chain reaction of progress. We invest them . . . along with other millions of dollars yearly . . . in prime quality first mortgage loans to folks who want to buy or build homes.

As a result our savers' funds safely earn top returns, are always "at par" and ready whenever needed. Monthly loan repayments, our strong reserves and our ample cash holdings make sure of that.

These saved dollars work hard, circulate everywhere locally. In checks to home-builders and realtors . . . wages of construction workers and suppliers . . . grocery store cash registers . . . department store payrolls. Some even return to the saver!

Through this unending cycle thousands of people own homes, earn full paychecks, buy the necessities and good things of life. You can help make wonderful things happen to yourself and to your community by joining our band of savers in 1968 . . . or by becoming a home owner with our help, if that's what you have in mind.

Mrs. C. Byrum Speaks to WSCS

BRITTON — Members of the Woman's Society of Christian Service of Grace Methodist Church met Jan. 4 at the home of Mrs. Howard Haas, Jr., with Mrs. Richard Linn co-hostess.

The society was honored to have as their guest — devotional seaker Mrs. Claude Byrum from Garden City, who gave an inspirational message on the topic 'Letting Jesus Enter Our Hearts.' Mrs. Byrum is the district Secretary of Spiritual Life Cultivation and was accompanied on her trip by a friend, Mrs. Childs.

Mrs. Julian Strong presented the program entitled "Africa Seeks a New Identity." Those assisting her were Mrs. Ellsworth Robison and Mrs. Andrew Crutchfield.

Mrs. Edward Bailey gave the devotions based upon the parable of the great supper. She presented thoughts and scripture pertaining to the excuses used for not doing the Lord's work.

During the business meeting, it was voted to send $5.00 to the Frank Laubach Society for a year's supply of books and chalk. It was announced that 19 cheer boxes were packed for Christmas, and nine gifts were sent to the Ypsilanti State Hospital.

Also, the group was reminded to have their health kits ready by June 1 for the migrant workers.

Priscilla Circle Make Packets For Missions

BRITTON — Ten members of the Priscilla Circle met at the home of Mrs. Elmer Eberhardt Tuesday evening.

During the business meeting, led by the president, Mrs. Martin Ivan, the circle voted to give $10 to the Building Fund. Mrs. G. O. Hannevik had charge of the devotions.

Mrs. Lowell Bush planned the work period which consisted of making utility packets for missions. The girls chose their loveliest Christmas cards, lined them with outing flannel and fastened buttons, pins, needles and thread to it.

Mrs. Howard Rhora assisted the hostess with refreshments.

"Prognostications" Is Sunday Topic at Bethel Baptist

BRITTON — "Prognostications" is the subject Sunday at the 11 a.m. worship service of the Bethel Baptist Church. Based on Bible fact, the Rev. Duane McNeil will tell what will or will not or what may happen in 1968.

Sunday School for all ages begins at 10 a.m.

Young people and adult Bible study groups meet at 6:30 p.m.

Pastor McNeil's topic is "Life In the City" for the 7:30 evening service.

Mid-week prayer meeting is held each Wednesday at 7:30 p.m.

Meeting Of Mary-Martha Circle Held

BRITTON — Members of the Mary-Martha Circle met at the home of Mrs. Kenneth Zeemer last Tuesday evening.

Mrs. Zeemer showed pictures of Germany for the program.

Mrs. Richard Bruce, Jr., gave the devotions and conducted the meeting.

The ladies made out program books for the coming year.

This circle will work in the dining room for the coming Donation supper February 1.

The next meeting will be at the home of Mrs. Beryl Albring, when a kitchen shower for the church will be held.

Devotion based on Book of Judges

BRITTON — "For a Christian's light to shine, his pitcher must be broken," said Mrs. Milburn Preston at the Ladies Missionary Society meeting of the Bethel Baptist Church Thursday evening at the church. Mrs. Preston based her subject for the devotional on the seventh chapter of the Book of Judges.

Mrs. Duaine McNeil, Mrs. Calvin Grounds, Mrs. John Williams and Mrs. Alva Clark brought pitchers from home and related their sentimental value.

Mrs. Jack Hintz presided and Mrs. Grounds led in prayer.

It was voted to continue in the monthly support to the Shepherd Home in Wisconsin. The motion was also made to send $10 to the Gerald Eaton family, missionaries in Cleveland.

Mrs. Earl Caswell read thank you letters from the Eatons and the George Rendel families for the Christmas gifts sent them.

A discussion followed concerning the making of a quilt and kitchen items for the Lake Ann Baptist Youth Camp.

Following the meeting the group made Christmas card posters to be used as awards and mailed them to a girls home in Nigeria and Ethiopia.

Sandwiches, assorted fancy crackers and cheese were served to the sixteen women present by Mrs. Grounds and her committee.

The next meeting will be held Feb. 1 at the church with Mrs. Preston in charge of refreshments.

The engagement of Peggy Jean Tuberville to Richard Lowell Skelton, is announced by her parents, Mr. and Mrs. John A. Tuberville, 12370 Preston Rd., Britton. The bride-to-be is a 1967 graduate of Britton-Macon High School and is employed at the Fisher Body plant, Tecumseh. Mr. Skelton is the son of Mr. and Mrs. Bill Skelton, 10653 Pocklington Rd., Britton. He is employed by the A. Z. Schmina and Sons Company in Ann Arbor. A March 9 wedding is planned.

Village Official Election To Be Write-in Vote

BRITTON — Write-in votes will be necessary again this year at the annual Spring election in March held to elect village officials, because the party filing did not have a full slate of candidates.

Filing nominating petitions under the Republican party name were incumbents Warren Lewis for the office of president; Rosemary Auten for clerk; Christine Fairbanks for treasurer; and Andy Crutchfield for assessor; also new candidate James Lister as a trustee.

Also needed to complete the slate were three other trustees.

No other nominating petitions were filed with the village clerk.

Lee Taylor Sells Out

BRITTON — Max Larson, of Larson Transportation of Coldwater has purchased the stock of the L & I Leasing Company from Lee and Irene Taylor.

The Taylors have built up the leasing company over the past six years until it is now the largest employment business in the village, with the exception of the school.

The company, with a fleet of 12 trucks and 22 trailers, provides employment for 11 drivers and three mechanics. Its main customer for leasing the big trucks has been the Tecumseh Products.

Business will continue as usual under the name of L & I Leasing.

Mr. Taylor will act as consultant for a time, but he is planning to expand his farming operations. He currently has 450 acres of farm land under production.

Tories To Be Back In Action

BRITTON — The Tory basketball quintet will resume River Raisin League action this coming weekend with back-to-back encounters Friday and Saturday nights, both of them against Monroe County teams.

They have not been scheduled since the Deerfield Christmas Holiday Tournament.

Friday they travel to Ida to face the Bluestreaks for the first time this year.

Ida, like Britton, is at the .500 mark in league play, with two wins and two losses.

Saturday night's contest pits Britton against Whiteford, currently leading the River Raisin loop with a 3 and 1 mark.

This is also an away game. The Junior Varsity contests begin at 6:30 p.m.

Housing Is Topic for MSU Expert at Adrian Session

The largest expenditure and often one of the greatest decisions a family makes is when they purchase a home.

Are you trying to make this decision? If you are you will want to attend a workshop on housing being sponsored by the Cooperative Extension Service.

"The Changing Scene in Housing" conducted by Dr. Carlton Edwards, a housing specialist from Michigan State University, will be held January 16, 23 and 30 at 7:30 p.m., at the Southeastern Mutual Insurance Building, 3000 W. Beecher St., Adrian.

Dr. Edwards says, "few people figure what it really costs to own your home." He also says all families should not own a home. With the present economic conditions, should you rent?

There is no enrollment fee for the workshop.

TECUMSEH

THS Falls to GI

Tecumseh, faltering Friday night at the final 1:40 mark against Grosse Ile, fell 77 to 67, but bounced back Saturday evening for an easy 61 to 48 victory at Hudson.

The Indians turned in one of their best games to date against the Red Devils. During the final minute, Tecumseh simply couldn't put the ball through the hoop, although the Indians had several excellent shots.

After trailing 65 to 59, Tecumseh caught fire, tied the score at 67-67 with 1:40 left. GI then rolled off 10 straight points to hand the Indians their second league loss.

GI, who gave Blissfield, Huron League favorite, such a battle before losing, trailed Tecumseh at the end of the first two quarters, and then rallied for a 42-point barrage in the second half.

Jim Upell, averaging nearly 16 points per game, paced all scorers with 25 points. Teammates Ken Pieh and Gus Bishop tallied 12 and 10 points respectively.

Against Hudson, the Indians came on strong in the second quarter behind Pieh and won going away. Pieh, who finished the game with just 10 points, collected eight in the second period when Tecumseh outscored Hudson, 22 to 13.

Falling behind 14 to 12 at the end of the first eight minutes, the Indians led, 34 to 27, at halftime, then 47 to 37 at the end of three periods.

Tecumseh stretched its winning margin in the final eight minutes with Upell scoring eight of his total 20 points.

As in several past games, the Indians ran into foul trouble against both of their weekend opponents. They lost Upell and Jim Hunt against the Red Devils, and Upell, Pieh and Mobley fouled out against Hudson.

If Hudson had been hitting at the free throw line, the game could have been tight. The losers hit just 22 of 40 attempts while the Indians connected on 21 of 28 attempts.

Hudson scored only 13 goals during the game, and John Davis, top Tiger scorer with 12 points, picked up five goals by himself.

Boysville Wins League Game

By GREG KOVACS

The Fighting Knights of Boysville took their first River Raisin Conference victory as they rolled over Deerfield with a score of 74-57. The game was thought to be one of the toughest for the Boysville five as they had only one day of practice previous to the game because of the Christmas holidays vacation.

Boysville was the first to score as the Deerfield team sent them to the charity line which gave them an early lead. As the first quarter progressed, the Knights found themselves plagued with poor ball control and handling which resulted in the opposing team outscoring them by two points, 15-13.

The second quarter was a battle for both teams to see which could keep the leading score for the longest. Neither team managed to keep the lead for over a minute as they fought and again the Knights found themselves to be outplayed, 32-29.

In the third quarter the Knights took over the ball game. The opposing Deerfield seemed to threaten the Knights' lead a few times, but the Knights overcame their faults and never let Deerfield outplay them. At the end of the third quarter the Knights had control of the game for the first time with a score of 51-46.

The fourth quarter it was the Knights all of the way as they managed good ball control which had hurt their scoring ability earlier in the game, thus, winning their first league game, the Knights defeated the Deerfield team 74-57.

Elbert Neal was the star for the Knights as he paced the brings the Knights to a 2-3 won-Knights 24 points. This game loss record so far this season.

Score by quarters: Final

Boysville	13	16	22	23—74
Deerfield	15	17	14	11—57

The Junior Knights won their game against Junior Deerfield, 44-40. Tim Malenfant starred for the JV with 14 points.

Sunday Sermon

"Sacrament" is the subject of the Bible Lesson this week as Communion Sunday is observed in all Christian Science Churches.

The Golden Text is from I Peter: "As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God."

New Officers Are Installed

The Daughters of St. Peters installed new officers at their last meeting on Tuesday, Jan. 2.

HERALD PHOTO BY BILL WHITING

'67-68 THS VARSITY — After seeing the Indians open their season against a weak Ann Arbor Huron five, and barely winning, who would have thought Coach Vic Lawson's club would be sporting a 4-3 mark at this point during the season? The Indians have won on scrap and hustle and have improved vastly in recent games. Varsity members are, from the left, Buddy Work, Mike Kane, Wally Quinn, Gus Bishop, Steve Dalton, Jim Upell, Bill Puffer, David Lord, Jim Hunt, Ken Pieh, John Kennedy and Jim Mobley. Down front are Randy Disbrow, Coach Lawson and Chuck Gurtzweiler.

Federal Checks Completed

Frank Light, chairman of the Michigan Agricultural Stabilization and Conservation State Committee, reports that the compliance checks for Federal farm programs have been completed in Michigan for the 1967 crop year. The Federal farm programs which this office administers are the wheat and feed grain programs, the sugarbeet program, Conservation Reserve, Cropland Conversion, Cropland Adjustment and Agricultural Conservation programs.

Approximately 1,500 farmers participated in the wheat and feed grain programs in 1967. The entire southern peninsula was using the farmer certification method for compliance purposes. On this basis, the participating farmers report and certify to their planted and diverted acreages at the local ASCS county office. About 12,000 of these farms were visited and spot checked for compliance purposes. As a result of the compliance checks, less than 1% of these farmers were not eligible for Government payments.

Since Michigan farmers are doing such an accurate job of reporting their acreages and complying with the requirements of participation, Mr. Light has determined that the entire state will use this farmer certification method in 1968. This method has greatly reduced Government cost in administering farm programs.

Blow your horn without lifting a finger.

Only Olds dealers have it. A horn control that extends all the way around the inside of the steering wheel. Think of it. You sound your horn with the simple reflex action of your fingers. It's part of Oldsmobile's Tilt-and-Telescope Steering Wheel*—one of the exclusive Olds availabilities for '68. Olds also offers a button that pops open your trunk lid from inside the car. A switch that lets you lock all doors with a single click. Even a buzzer that warns you when you're about to nudge the speed limit. And they're all further proof that, for '68, the young ideas belong to Oldsmobile. GM MARK OF EXCELLENCE

we care

A&P

how many ribs in a pork loin rib portion?

We think there should be seven.
Not five or six.
With A&P's seven-rib portion, you get more of the select meat.

How can you tell how many ribs you're getting?
It's easy.
With your fingers, you can feel and count
the rib bones in the package.

Next time you're buying a Pork Loin Rib Portion, check it.
If you can't count one, two, three, four, five,
six, seven ribs, you're missing select meat.
You're not getting the best value for your meat dollar.

Seven-Rib Pork Loin Portions are just one example
of the full value A&P meats offer.

We think that caring like this about fair portions
has helped make A&P America's largest meat retailer.

When you think about it, shouldn't A&P be your store?

American Legion Hears District President Speak

CLINTON — Mrs. Hollis Cogwill of Morenci, district president, addressed the meeting of the American Legion Auxiliary, last Thursday.

Mrs. Cogwill announced the next district meeting will be held Jan. 28, at 2:30 p.m., at the Brooklyn Legion Hall.

Those planning to attend may call Mrs. Junior Feldkamp for transportation.

The meeting was held at the Community Center with 12 members present.

The refreshment committee included Mrs. Charles Noragon, Mrs. Everett Philo, Mrs. Fred Schultz, and Mrs. Roscoe Parker.

Mrs. Charles Voll reported that Christmas greetings were sent to 28 servicemen.

The next meeting will be Feb. 6 at the Community Center.

Correction of Village Candidates

CLINTON—The Village Clerk, John Fox, has made a correction in the announced candidates for village office.

The name of Dorothy Hunt should have been listed as a candidate for the office of trustee of the Smith-Kimball Community Center, instead of Dorothy Smith.

Resignation

CLINTON — The resignation of the Rev. Paul McKenna was accepted with regret at the annual meeting of the United Church of Christ, Monday evening.

The resignation, effective next summer, will climax eight years of service as pastor. Future plans have not been completed by Rev. McKenna and his family.

Mrs. E. John Hoelzer, chairman of the board of trustees, presided at the meeting attended by 41 members.

A budget of $12,400 was adopted for the general fund, and a $2,000 budget for Our Christian World Mission was approved.

Annual reports were given by each of the church boards and committees.

Ben Mahrle, a member of the committee which has mimeographed the church bulletins for eight years, asked that a new crew be trained for the task. Mrs. George Baldwin and Mrs. Ed Bihlmeyer volunteered to assist with the newsletter publication and two more persons are needed.

The report of the nominating committee was approved and the following officers elected:

Moderator — Robert Vogel.

Clerk — Clarence Heimerdinger, Sr.

Treasurer — Mrs. Roy Porter.

Auditors — Arthur Shuler, Mrs. Ben Mahrle, II.

Church School Superintendent — James Curth.

Asst. Superintendent — Mrs. Robert King.

Board of Trustees — Tracy Zick, David Pratt.

Deacons — Clarence J. Heimerdinger, Donald Corwin, Harold Calhoun.

Deaconesses — Mrs. Paul Dunham, Mrs. Allen Wise.

Christian Education Committee — Mrs. James Heimerdinger, Mrs. Roscoe Parker, Mrs. Wyman Rhoades.

World Missions and Christian Concerns — Mrs. David Pratt, Mrs. Thomas Pence, Mrs. Martin Hoelzer, Mrs. Walter Geiger.

Music Committee — Mrs. John Fox, Mrs. George Heimerdinger, Linda Corwin.

Nominating Committee — Mrs. Donald Corwin.

Delegate — James Heimerdinger.

Alternate — Mrs. Linn Weaver.

The Rev. McKenna briefly reviewed the progress of the church, called attention to the fact of the church's 125th anniversary, which will occur in April, and made several suggestions for needed improvements in the operation of the church.

The engagement of Gerry Lynn Eddy to James D. Tallman is announced by her parents, Mr. and Mrs. John Eddy of 108 Washington St., Clinton. Miss Eddy is a 1966 graduate of Clinton High School and is attending Michigan State University, majoring in elementary education. James is the son of Mr. and Mrs. Delbert Tallman, Sr., of 208 E. Church St. He is a 1964 graduate of Clinton High School and is attending Michigan State University, majoring in physical education. An Aug. 10 wedding is planned.

OES Observes Star Point Night

CLINTON — Members of the Golden Rod Chapter OES observed Star Point Night, at the meeting Thursday, with present and past matrons in attendance.

The chapter emblem colors were used in ribbons which formed a star point on the refreshment table and ribbon bookmarks inscribed with Bible verses were given as favors.

Mrs. William Stout and daughter, Cheryl, served refreshments.

The Feb. 1 meeting will honor past matrons and past patrons and will begin with a potluck supper at 6:30 p.m.

Feb. 15, the chapter will be hosts at a Friendship Night with guests invited from the Lenawee-Monroe district.

Members are to bring articles of food or handicraft for a country store to be a feature of the Friendship Night.

Pricilla Miller, James Hottenstein Married Dec. 28

CLINTON — Mrs. Pricilla Miller of Clinton and James Frederick Hottenstein of Petersburg were married Dec. 28 at the Clinton Methodist Church by the Rev. David Liscomb.

Their attendants were the bride's sister, Mrs. Gary Poore, and Roger De Serrano, of Blissfield, a friend of the bridegroom.

Attending were the bride's parents, Mr. and Mrs. Robert Herman, and the parents of Mr. Hottenstein, Mr. and Mrs. Frank Hottenstein.

The couple has returned from a wedding trip to Florida, where they visited the bride's grandparents, Mr. and Mrs. Jack Riggall, at Orlando, Fla.

Mr. and Mrs. Hottenstein will make their home at 118 Franklin St., Clinton.

FFA To Sponsor Donkey BB Game

The Clinton Future Farmers of America will sponsor a donkey basketball game in the high school gym Friday, Jan. 12, beginning at 8 p.m.

Clinton FFA members will play Manchester FFA members preceding a surprise half-time show.

The second game will be the State Police vs. the faculty and former FFA members.

Jim Welch will be master of ceremonies.

Redskins Down Columbia 64-61

By GINA GREEN

A record crowd was brought to its feet in the final moments of an exciting battle Friday which saw Clinton outpace previously undefeated Columbia Central, 64-61.

The first half was no prediction of a hard-fought climax as the Redskins jumped to a big lead and bottled up the Eagle offense to take a 34-21 halftime lead. Leading by as much as 18 points at one time in the third quarter, it seemed as if Clinton was not going to have much trouble. But rebounding and a sharpened shooting attack brought Central back in the game. Three of the top six men on the Redskin squad fouled out in the last two stanzas and the Eagles were able to take advantage and even the score in the fourth quarter. Then with the score tied 61-61, Kel Bennett sunk a tie-breaking free throw, but Central grabbed the rebound on the next shot and drove frantically for their goal. After several missed shots, Butch Hoelzer pulled the Redskins out of hot water with a vital rebound. Pressing hard to get a chance at the ball, the Eagles fouled Jake Schwab with only two seconds remaining. The senior guard, who led all scorers with 17 points, swished both shots to put the game on ice.

Although Coach Dick Content's team played "a real good game," the Redskins shot only 37% from the floor and made good only 20 of 37 free throws. But they were never behind and hustled themselves out of a tight squeeze.

Schwab tallied 17 points in another of his fine efforts and Butch Hoelzer followed closely with 16. The Eagles were led by Kirk Green with 12 markers.

The Redskin Junior Varsity also defeated the Junior Eagles with an exciting 69-62 overtime victory. Jim Clause paced Clinton with 24 points.

Varsity scoring:

Through My Window

CHANGES IN THE BILL-OF-FARE

Until watching the birds and squirrel feast over the New Year's weekend, I had not really thought much about what an important role food plays in our holiday festivities. Diets are tossed out the window and weight-watching is put aside until it can be included in that long list of New Year's resolutions.

Turkey, dressing, ham, fancy breads, breakfast rolls, sweet potatoes, pie, cake, candy and cookies, cookies, cookies — I can feel the pounds come on just thinking about all of the big meals and the nibbling.

As long as we can go all out on this eating kick, why shouldn't our outside-the-window friends celebrate the holidays with a few extra goodies, too? Dad started the fancy offerings to the free-loaders by bringing home a bag of roasted peanuts.

Often we string these nuts but, time was at a premium and besides, it is always fun to try something new so try something new is exactly what we did.

The peanuts were in a mesh sack and Dad simply used a wire to hang the whole bagful from the arm of the awning. Hopefully, the squirrels would find them out of reach while the birds would discover an easy way of breaking through the shells to get at the tasty nuts inside.

We scored on both counts. The squirrels were most frustrated and, although they tried everything from jumping at the peanuts from the feeding tray to shinnying down the little wire which held the bag, they never solved the puzzle.

The birds, however, had not the least bit of trouble — the perky little tufted titmice and the up-side-down nuthatches' long bill was especially good at chipping out a small hole and then reaching in to grab hold of a half a peanut. The gray titmice usually carried away a whole peanut but the nuthatches just took half a load.

★

PEANUTS, BEING relatively soft, are quickly eaten and it was fun to see the many many trips the birds made per lunch. We did not see where the nuthatches dined but often the titmouse flew to one of the lower limbs in the nearby maple tree.

Holding the nut against the branch with his feet, it took the bird surprisingly few peck-bites to gobble the peanut down and zoom back for another helping.

Please don't feel sorry for the squirrels — although they were not invited to share the birds' bag of nuts, they had their own holiday treats. Girl Scout Troop 92 came to the rescue with a nice bagful of peanut, popcorn and cranberry strings.

By rationing them out, one string at a time, the squirrels had good free-loading and we had great looking. Actually, they were most cooperative — Dad tied one end of the string to the feeder and seldom did the squirrels bite through, as they could so easily have done, and take the whole thing away. Instead, they sat right in the middle of the tray and used their front paws to hold the nuts up to their mouth.

★

IT IS ALWAYS good for many laughs to watch a squirrel manipulating roasted peanuts. Their paws become almost hand-like. It is also good for picture-taking. I don't even dare think of how full our bird and squirrel slide films are of the same picture.

A big, fat, winter fur-coated squirrel sitting sort of hunched up on the feeder and holding a roasted peanut in his front handpaws.

The camera was out of operation over the holidays; we needed the room for other things. But with life quickly creeping back to normal, one of the first orders of the year involves seriously re-entering the picture-taking business.

There are still some cranberry, popcorn and peanut strings left — the camera should be busy.

So it is that the bird feeding watching has been good lately, they seem to appreciate changes in the bill-of-fare.

The Fun Continues

OES Have Memorial Service

Thursday evening at the meeting of Chapter No. 51, OES a charter was draped in memory of Mrs. Myrtle Luce who died Dec. 29. A memorial verse was read by Mrs. Calvin Dixon and Mrs. Glenn Driscoll played an appropriate selection.

The meeting was opened by Mrs. Dixon reading a poem entitled "Good-bye Old Year." Mrs. Dixon and James Tonneberger presided over the meeting.

An invitation was read for dinner and reception for Lillian Snyder, chairman of the Villa Committee of the Grand Chapter of Michigan, in Adrian on January 29. Reservations are to be made by January 22.

The Degrees of the Order were conferred on Mrs. Edgar Buttolph, with Mrs. Wayne Smith as pro-tem candidate. The obligation ceremony was read by Mrs. Dixon, then all members formed a circle around the altar and repeated their obligation led by Mr. Tonneberger.

Refreshments were served in the dining room from tables decorated with arrangements of fruit by Mr. and Mrs. Harry Beland and Mrs. Bert Ousterhout.

The next meeting, January 11, will be Friendship Night with Lenawee-Monroe County Association officers as guests and there will be a country store. All members are requested by the officers to furnish items for the store.

Don Moffatt Will Attend Conference

Don Moffatt, Tecumseh Recreation Director, will be among the more than 250 recreation and park administrators from the state expected to attend the annual conference of the Michigan Recreation and Parks Association to be held at the Industrial Mutual Association Auditorium in Flint, Jan. 15, 16 and 17.

Judd Arnett, Detroit Free Press columnist, will be among the featured speakers.

A variety of subjects will be discussed including "Small Town and Limited Staff," "Ice Rink and Pool Maintenance," "Community Spirit Activities and Festivals," "Golf Course Maintenance," and "Senior Citizens Activities," and many others.

2 Contributions Made to Fund

Recent contributions to the Herrick Memorial Hospital Auxiliary Heart Fund were made in memory of Mrs. Ward G. Cobb by Mr. and Mrs. Neville Hart.

A contribution in memory of Mr. and Mrs. Ellsworth Collins was made by P. E. O. Chapter, A. J., Tecumseh.

Sgt. Gerald Honeycutt and his wife, the former Kay Southwell, moved Sunday to Sault Ste. Marie where he will be stationed at Kincheloe Air Force Base. Sgt. Honeycutt has been home on leave after serving the past year in Vietnam. He is the son of Mr. and Mrs. E. C. Honeycutt, 734 S. Union St.

Extension Club Have Lesson In 'Treatment No. 2'

"Windows and Window Treatment No. 2" was the lesson given by Mrs. Wilbur Boyce and Mrs. Ellsworth Robison recently at the meeting of the Northeast Tecumseh Extension Club.

The meeting was held at the home of Mrs. Fred Helm.

Various types of windows were shown in pictures as well as different types of curtains and drapes that could be used for them.

Another meeting will be held Jan. 23 at the home of Mrs. Raymond Bird.

Meadows Is New Bank Board Chairman

J. W. "PAT" MEADOWS

J. W. "Pat" Meadows, president of United Savings Bank since April 16, 1962, was elected chairman of the board and president by the bank's directors, Tuesday afternoon at the Tecumseh Country Club.

Robert H. Moore, board chairman since January, 1963, did not stand for re-election but will continue as a director.

All other officers of the bank were re-elected, and Mrs. Mary M. Kovach was elected to an assistant cashier's position.

Prior to the director's organizational session, a stock dividend was approved at the annual shareholders' meeting. The dividend, amounting to 25,000 new shares, hikes the bank's capital stock to $1,250,000.

The dividend amounted to one share for each existing four shares.

Mr. Meadows explained to approximately 60 shareholders that a $52 value had been placed on the new stock, and that fraction-shares could be bought or sold. Fractions of shares may be purchased at the rate of $13 for one-fourth of a share.

New certificates for the stock will be available Feb. 10, and it will not be necessary for shareholders to turn in their old stock certificate.

Mr. Moore addressed those present with a review of the business economy and a prediction that inflation will rise in 1968 by three to four per cent. With tongue-in-cheek and reference to President Johnson's State of the Union speech, he suggested listening to LBJ and "your headaches will be over."

The bank's president and new chairman, thanking the directors and officers of the bank for their support and cooperation, painted a rosy picture for the local bank.

Mr. Meadows projected gross earnings for 1968 at $1,535,000, operating expenses at $1,330,000, with a net earning of $320,000.

He said his net earning figure was conservative, although it would show a considerable increase over 1967.

He also reviewed the bank's record for '67, reminding shareholders that the Herrick Park Branch was opened on May 1 to better service the bank's customers.

All directors were present for the meeting except Rollo Conlin, who was ill.

Shareholders present accounted for 41,549 votes and there were 31,547 proxies, according to Perry Satterthwaite, who, with Mrs. Gertrude Schneider, were tellers for the tabulation.

The bank needed about 66,000 votes to approve the stock dividend.

CONSTRUCTION STARTS IN SPRING FOR $ 400,000 COMPLEX FOR FRIENDS CHURCH

Friends Church To Build

A new Friends Church and Fellowship Hall, estimated to cost nearly $400,000, are planned here on a 41-acre site, just north of River Acres along River Raisin.

A fund-raising drive will start Monday, Jan. 22, following an informative - type dinner - meeting Saturday evening at the Tecumseh Products Union Hall.

Church officials anticipate construction to start this spring with a completion date within a year.

An Early American theme has been used for the new church and hall with brick, paned windows, pillars and other decor associated with the adopted styling.

The new nave will have a seating capacity of 494, plus a choir section for 35 and a balcony for 88. It will practically double the capacity of the present Friends Church at 212 S. Van Buren.

The main church building will include 36 classrooms, library, offices, nurseries, two large assembly rooms, music room, pastor's study and counseling room, and restrooms and storage areas.

Exterior dimensions of this T-shaped building are approximately 128x120 feet. Many of the classrooms and the two large assembly rooms will be located in the basement.

The proposed Fellowship Hall will be similar in exterior appearance, but will be about half the size of the main church building.

It will include a large lounge, a fellowship or recreation center — big enough for basketball and other similar activities—kitchen, garage for church vehicles, showers, restrooms and storage rooms.

Officials of the church feel there is a potential here for a much larger membership than the current 320, and have planned facilities for future growth and a larger congregation.

Over 400 members and friends of the church are expected at Saturday evening's meeting, when plans and details of the project will be discussed and questions answered.

William Bruce, church building consultant from Winona Lake, Ind., is scheduled to be present at the meeting.

The Rev. Paul Brantingham and officals of the church have worked towards a new church and other facilities for the past four years.

About three years ago, the church purchased the site which borders River Acres on the south, River Raisin on the west and the Tecumseh-Clinton Rd. on the east.

Three Tecumseh Pastors Take New Assignments

Three Tecumseh pastors, two with 16 and 10-year stays here, are leaving the community for other churches.

Fr. Thomas Collins of St. Elizabeth Catholic Church has been assigned to Wyandotte St. Patrick, and Fr. Leon J. Begue, his assistant, who came here last year, has been transferred to St. Francis Xavier, in Ecorse.

The Rev. Kurt F. Koeplin, pastor of the Grace Evangelical Lutheran Church, has resigned to accept a pastorate in Milwaukee, Wis.

He will be pastor at the Atonement Lutheran Church and superintendent of the church's elementary school there.

Mr. Koeplin came to Tecumseh from Williamston in August, 1958, and was installed as pastor here on Aug. 31. During his nine and a half years as minister, his church grew from 167 communicants to almost 400.

The Rev. Koeplin's new congregation will number 1,200 communicants, and the elementary school serves 240 youngsters. A principal and eight teachers will be under his administration.

Fr. Collins has been head of the Catholic Church for the past 16 years, a period which saw a major growth in the parish.

About 21 years ago when the late Fr. Michael Collins was here and helped build a new church and rectory, the parish numbered just over 75 families. He left in 1952 for Harper Woods.

Today and under Fr. Thomas Collins, the church has 576 families. During his stay here, an elementary school and convent were constructed and other physical improvements include expansions to both the school and the church.

Fr. Collins' last Mass here was Monday. He moved to his new pastorate Tuesday afternoon.

According to a Catholic newspaper, Fr. Robert J. Handley will succeed Fr. Collins here and was expected at the church and rectory Wednesday.

3 Re-Appointed

Council re-appointed three citiens to positions on two different boards Monday night.

T. J. Wagner was returned to the Board of Review and Perry Satterthwaite and Cecile Smith to the Election Commission.

Schools Close Next Tuesday

Snow and ice not only closed the Tecumseh schools Monday and Tuesday, but upset the semester exam schedules, particularly for junior and senior high students.

Since the schools were originally scheduled to be closed Friday for grading, the two-day closing this week by the snow, has pushed back the day for grading to next Tuesday.

Schools will operate Friday and next Monday as usual, so exams may be given, but students will have the day off next Tuesday, Jan. 23.

Most of the snow hit here Sunday and early Monday, clogging many rural roads and making some city streets difficult to get around on.

Although the snow quit by Monday noon, strong northerly winds caused roads to drift again Monday evening, when word went out that Tuesday classes were cancelled.

Supt. James McDowell says a check early Monday evening by transportation officials showed 10 rural roads blocked by snow drifts. Some of the roads were not passable until Tuesday afternoon, and then it was one-way in some stretches.

This week's cancellation of classes raises the total to four days that school has not been in session this school year. An ice storm slickened roads earlier, preventing buses from going out on schedule.

The ice did not clear until about two hours after the buses would normally have been on the roads. Cutting of wires in 11 school buses forced cancellation of another day.

Kohler Honored for Completing Realtor Course

A certificate, "Graduate Realtors Institute of Michigan," was presented to Glenn Kohler, Tecumseh realtor, last week at Lansing.

Certificates were awarded to realtors who completed 240 hours in the school of business administration at the University of Michigan. Courses included real estate business, finance, building, appraisal, law and management.

Renovation Voted Down

A $200,000 expansion project at the Tecumseh Country Club was voted down by its membership last Thursday night.

Although a majority favored the plans, 106 to 86, the vote fell far short of the necessary total needed. For approval, the club needed 240 yes votes, 48 more than the actual number balloting.

The plans included expansion of the club house facilities, swimming pool and finish water fairways on the golf course.

New members elected to the board last week were Virgil Tucker, Frank Rice, Charles Butler and Frank Stanton of Milan.

1.5 Mills Asked for New School

Tecumseh and county voters will be asked to approve 1.5 mills for a new county vocational school on the June 10 ballot.

Officials of the Intermediate School District expect Federal and state monies to provide $1 million, or half of the $2 million cost.

Accident Rate Low Despite Icy Streets

Despite snow and icy streets, only eight accidents were investigated by the Tecumseh police during the past week. None involved personal injury, but five drivers were cited for infractions.

A resume is:

Jan. 10 — Frances J. Hewlett, 70, of 4508 Macon Rd., was cited for making an improper turn in front of Clarence J. Dorer, 24, Jackson. Mishap occurred on N. Evans at Logan.

Jan. 10 — Julia L. Newton, 1643 Sutton Rd., reported her auto damaged while parked in front of Lamb's Rexall in downtown Tecumseh.

Jan. 10 — Arthur Kunkle, 501 Seminole Dr., reported that he was struck by a car, coming out of an alley. He was walking on a sidewalk when hit. Driver and occupants of the care are not known.

Jan. 13 — Harley L. Mills, 22, Adrian, was arrested for failure to stop within an assured clear distance after running into the rear of a car driven by Herman E. Bates, 43, Britton, on W. Chicago Blvd., at Union St.

Jan. 14 — Lorenz Gomez, N. Union St., slid off M-50 into a ditch, near Matthews Hwy.

Jan. 15 — Gillis L. Turner, 18, of 1205 Shady Lane, slid into Mary S. Davidson, 62, of 227 Herrick Park Dr., on E. Chicago near Ottawa. He was arrested for following too close.

Jan. 15 — Emma M. Partridge, 82, of 206 W. Chicago, was cited for failing to control her car. She scraped a parked car, owned by Raynor C. Kerr, in downtown Tecumseh.

Jan. 15 — Larry E. Beckey, 18, of 412 E. Logan, was cited for failing to control his auto when he slid off E. Shawnee St. and into Dr. Carlton L. Cook, 41, of 140 Brown St. Tecumseh physician was traveling south on N. Maumee St.

$112,500 School Site Approved by Board

It became apparent Monday night that the next new school in Tecumseh will be built on 75 acres of what is known as the Robert Fuller farm, located between Brown St. and W. Chicago Blvd., in the west section of town.

Only legal procedures are delaying the signing of a purchase agreement with Mr. Fuller.

At Monday night's School Board meeting, various sites were discussed. They included property between Burt St. and Macon Rd., the Hewlett farm on Macon Rd., property owned by William Powell along Conklin Rd., and 38 acres north of the Methodist Church, along River Raisin.

Aden Mead, board president, discussed the sites and explained how school officials selected the Fuller farm, up for sale for the past three years, according to Mr. Fuller.

Supt. James McDowell says the schools actually need only about 40 acres but Mr. Fuller will not sell a portion of his property. Price per acre for the 75-acre site is $1,500, with total cost at $112,500.

School officials intended to have a main entry to the property off W. Chicago Blvd., but were discouraged Tuesday morning in a meeting with Cal Zorn, city manager.

Entry onto the boulevard could present a traffic problem.

The schools are now contemplating a new street off N. Union St., on the north edge of the Patterson School property. An entry from the north, according to officials, would be made by extending Brown St. about three block west and then building a new street south towards the boulevard.

If land adjoining Occidental Rd. is developed, officials are hoping a street will be installed to connect with school property and Occidental Rd.

School Board has not decided whether a new high school or a middle school will be built. However, a decision is expected by June and a bond issue in the near future.

Supt. McDowell says a new school building is likely within two or three years.

Neville Hart, high school principal, explained needs at the present high school to the Board Monday evening. Principal David Dick and Wayne Kaiser, curriculum coordinator, previously explained needs for a middle school.

If a middle school is built, according to Mr. McDowell, there will also have to be improvements at the high school.

An elementary school on the northern portion of the 75 acres is a future possibility, say school officials.

The Board passed a resolution to bond the district in April up to $900,000. Voters will not be asked to approve the expenditure, since Tecumseh is a third class district and the Board can bond the district up to 2% of state equalized valuation.

Part of the $900,000 will be used to build a new Sutton elementary school and the rest for improvements at the high school.

Court to Hear City, Citizen Case Tuesday

Tecumseh's condemnation of approximately 25 acres, owned by George Underwood, local resident and Clinton auto dealer, goes to court next Tuesday morning in Adrian.

The site, along River Raisin, just north of the city limits, comprises a new well field for Tecumseh.

Mr. Underwood and the city differ on the value of the property, basis for the condemnation suit.

Tecumseh Township became an interested party in the suit last fall and has opposed the condemnation. Township objections arose when the city failed to notify its officials of the city's intentions, including necessary right-of-ways through township property.

James Beardsley will represent the city in the suit, and Mr. Underwood has employed two attorneys from Ann Arbor.

PTA Meeting Is Postponed

BRITTON — Due to the slippery road conditions, the PTA meeting, scheduled for last Monday evening at the school, was postponed.

The date is tentatively set for next Monday night, Jan. 22, weather permitting.

An announcement will be made at school as to the actual date.

BEHIND PAGE ONE

Score one for Tecumseh's teen agers. **Jerry Holly** came to the rescue of a stuck **Smith-Douglas** pick-up Monday morning and when his pushing didn't move it, the young man went for a couple of friends, **Keith Richardson** and **Mike Simpson.** The three gave the snow bound truck a big shove and away it went. Three cheers.

The newest addition to **Don's Beef Buffet** is an elegant gold carpet covering the entire floor. Now going to dinner at **Don's** will be like eating right in your own dining room.

Some young men have compassion, like **Billy Jennings,** son of **Mr. and Mrs. Clarence A. Jennings,** 1104 Willow St. He found a white cat with gray markings that had been hit by a car on W. Chicago Blvd. When he wasn't allowed to use a nearby phone, he carried the kitty to the residence of **Mr. and Mrs. Jens Touborg** where he called the police who in turn took it **Dr. Carlos Knisely.** Hit with "No" again, (regulations prevented his riding in the scout car) the youth took the ankle express to the veterinary's office to check on the cat's welfare.

Gin Murray has theatre in her blood. She is working again this winter in repertory theatre at the **Stone Village Theatre,** in Jackson. She is in "Bidermann and the Fire Bugs," by **Max Frisch,** which is playing Jan. 12, 13; Feb. 16, 17; March 22, 23 and April 5, 6.

Who has lost a beautiful young male **Siamese** cat? There is one howling, like only a **Siamese** can, in the W. Chicago Blvd. and N. Van Buren area and it's been there since November. **Mrs. Richard Egli,** 615 W. Chicago Blvd., and phone 423-4557 would be happy to have someone claim it.

Rehearsals for Musical Underway

Rehearsals have started here for the sixth musical production by the Tecumseh Players.

Janie Tinker, Adrian College student, and Dick Egli, have taken lead roles in the musical hit, "Finian's Rainbow," which will open at the Community Center Feb. 15.

The Players have scheduled nine showings. Tickets will be on sale soon in the downtown area.

"Finian's Rainbow" will be under the direction of Mrs. Donald Geiger. Clinton music teacher, with Roland Von Kalor assisting.

Mrs. William Flanders is in charge of the music. Pianist will be Helen Bendes, Tecumseh music teacher, and Mrs. James Mull will handle the choreography.

Mrs. Geiger has worked with the Players on stage, back stage, and as director of "State of the Union." Mrs. Flanders, working with the Players for the first time, is remembered for her Jaycee Follies' appearances and radio program.

Miss Bendes and Mrs. Mull have participated numerous times with the local theatre group.

Technical director for the musical will be Mrs. Glen Harbough of Adrian.

All major singing and speaking parts have been cast; however, chorus and dancing positions and a number of Negro parts still remain open.

Anyone interested should call 423-7350.

Bazaar Held By Child Study Club

A bazaar was held by nine members of the Child Study Club attending the meeting Monday evening at the home of Mrs. Carson House Jr.

Members will decide at the February meeting how the proceeds will be used. Last year profit from a similar sale was donated to The Protective Service.

A discussion was held concerning a membership drive. Anyone interested in learning more about the group may call Mrs. House Jr. 423-4166, Mrs. Stephen Fulop, president, 423-2833 or Mrs. Wayne Kaiser, 423-3010.

Snowmen favors were presented to the members made by Mrs. Fulop.

A dessert gelatin was served by Mrs. Kaiser and Mrs. Richard Clute.

ESTHER VAN BRANDT

JUDY K. BALL

Engagements and fast approaching wedding dates are the order of the day at the William Ball residence, 131 E. Chicago Blvd. They are announcing the engagement of their daughter, Judy Kay, to Steven Alpaugh, son of Mr. and Mrs. Stuart Alpaugh, of Adrian. Mr. and Mrs. Morris Van Brandt, of Morenci, are announcing the engagement of their daughter, Esther, to Stanley (Jim) Ball, son of the William Balls. Judy is employed at Buckeye Products in Adrian and Miss Van Brandt at Schippers, Klintner and Robertson, CPA office. Both of the young men are employees of Tri-State Engineering in Adrian. Jim and Esther plan to be married Feb. 3 and Judy and Steven, March 9.

Mrs. H. Carney Excellent Chief

Mrs. Harry Carney was re-installed as most excellent chief of the Josephine H. Hall Pythian Sisters Wednesday evening. Others installed were:

Excellent Senior — Mrs. Opal Brady.

Excellent Junior — Mrs. Carl Thompson.

Manager — Mrs. Cecile Smith.

Secretary — Mrs. C. B. Brock.

Treasurer — Mrs. Erwin Buss.

Protector — Mrs. Walter Hizer.

Outer Guard — Mrs. David Criss.

Altruistic Chairman — Mrs. Arthur George.

Flower Chairman — Mrs. Lewis Schultz.

Program Chairman—Mrs. Guy Nixon.

Mrs. Lynn Hubbard, Mrs. Carl Kempf and Mrs. Robert Wood were the installing officers.

Members voted to purchase a chair for the Michigan Pythian Recreation Center. They cooperated with the Grand Temple Ways and Means project, giving a penny for each letter in their proper names.

The charter was draped in memory of the past supreme chief, Mrs. Bertha Lynn, who died Dec. 24.

Strawberry salad and wafers were served by Mrs. Brock and her committee.

Norman Bless Is Lay President

The name of Norman Bless, newly-elected lay president of the Gloria Dei Evangelical Lutheran Church, was omitted from the list of new officers who assumed their duties last week.

The new council will preside at the Annual Congregational meeting Sunday, Jan. 21, after the worship service.

New Airlift Service Starts

A new airlift service went into effect Jan. 7. It was authorized under the postal rate bill signed into law Dec. 16 by President Johnson. Packages up to 30 pounds and 60 inches in length and girth for American military personnel served by Army and Fleet Post Offices overseas can be sent by air transportation at special low rates.

"Area residents using this new airlift service will get much faster delivery on parcels to military personnel overseas," Postmaster Metcalf stated. He said the airlift is available on a space-available basis upon payment of the domestic parcel post surface rate plus a flat $1 fee which covers the complete transportation.

Postal patrons can get the airlift service on packages mailed to all military personnel at APO and FPO addresses overseas, and in Alaska, Hawaii and Puerto Rico. This also applies to parcels mailed back to the States by servicemen.

Postmaster Metcalf pointed out, however, that it is not always to the mailer's advantage to use the airlift service. On some light packages air parcel post rates may be lower than the airlift charges.

Until Jan. 7 airlift parcels to servicemen overseas were restricted to packages weighing up to five pounds. There is no charge for this partial airlift and overseas parcels weighing up to five pounds will continue to receive this service.

"Postal patrons should check with the Post Office for information on the best way to mail parcels to servicemen overseas," Postmaster Metcalf emphasized.

Our Readers Write

January 4, 1968

TO THE EDITOR:

After reading the letter from the Michigan State Agricultural Stabilization and Conservation office last week thanking the news media for having done such an amazing job in 1967 in spreading their messages of good cheer to the poor sucker farmer and general public, I would like to take this opportunity to explain some of the basic and more important parts of this story that has not been told as it exists.

In the first place I see no reason in giving the paper credit for the "look ahead!" in order that they, the farmers, might receive a reasonable income. It seems that this person doesn't know what a proper income is in agriculture.

Mr. Quirin also mentioned in his very gracious thank you note that he hopes the farmers will achieve that "pie in the sky", 90% parity of income, that our leadership has promised for so many years, but never fulfilled. It seems this gentleman is quite confused since our present parity of income has reached its lowest point since 1939, or 72%.

Our Secretary of Agriculture, Mr. Freeman, recently described our parity of income formula, that Mr. Quirin is still dreaming about, no longer realistic, obsolete, impractical, and ancient. This confusion in the U.S.D.A. department reminds me of the difficulties the poor souls had when they attempted to build the Babylon Tower. Is it any wonder we are going backward in the farm programming?

The best the U.S.D.A. can do anymore is to exhibit confusing and distorted propaganda which is hard to sell to us who understands the parity formula. Certainly after all these years of waiting we know this cannot become a reality as long as our government controls this possibility.

Our Representatives in Washington must have had a very bad night to have so poorly constructed the last Omnibus Farm Senate Bill number 1702, passed in 1965, using this admitted obsolete and unrealistic parity formula to construct this very important document, giving our politicians a legal right to barter our wheat on the common Market for $1.25 a bu. What other segment of our economy stands still for this kind of treatment?

After three years of short-changing the farmers, Mr. Freeman is still able to spread this propaganda the latest being there is now a study conducted to clarify the parity formula. This phony parity, by the way, is 2% below the prices we received in. 1947-49. Today, the farmers receives 5.4% of consumer-earned income for his products, one-half of the share he received in 1947, after we have become efficient and our farm machinery prices have risen 24% and labor costs are up 35%.

Spending for farm-originated foods have increased by 40 billion dollars since 1947, less than one-fourth of this increase has gone to the farmer. The farmer now receives 32c of the dollar spent for food, 10c less than he received in 1947.

Our leadership has the pricing and production controls, therefore, they have no excuse for the poor economy we have in agriculture. We farmers have taken a 10% drop in income and are being warned of another drop for '68, part of this loss because of the U.S.D.A. department tactics of consistently lowering the feed grain yields.

This old and worn out parity record being played by the Administration is a foregone conclusion and they better wake up before it's too late. There is a saying that if you want to make money in agriculture "farm the farmer", this seems to become more true every day.

TO THE EDITOR:

As a wife of a charter member of the Veterans of Foreign Wars, I feel compelled to write in response to the letter written last week by Patti Mull. In my opinion this was a low blow to the many veterans who make up the membership of this organization.

If this individual had taken time to check with an officer of the V.F.W., she would have learned that they had received permission to install a light that would shine on the flag all through the night as an act of respect for our men and boys fighting in the present conflict. To me this is a beautiful sight when passing after dark.

I also question the part of her letter, "More Respect". Being a charter member of the auxiliary to the Veterans of Foreign Wars, I have every reason to believe we are respected. The men in the Veterans' Hospitals respect us for the parties we give them and the Veterans who will spend the rest of their lives in the hospitals, due to injuries received serving this country to make it a better place to live, respect us for selling the poppies they make. Needless to say, the widows and children of the fallen comrade respect the Veterans of Foreign Wars for the beautiful V.F.W. Home at Eaton Rapids.

The schools and churches in Tecumseh must respect us for the flags we present to them for outdoor and indoor use, whichever they request. I have a large envelope bulging with "thank you" notes from the teachers and pupils of Herrick Park School for giving them seven of the best flags money can buy.

Our organization responds to the Community Drives. We put on special activities just to make our donations as large as possible. These are only some of the reasons we know we are respected.

In closing and in view of the fact that this organization does know their flag etiquette and are also respected in this community, I believe in all fairness, that an apology is in order to the Veterans of Foreign Wars from Patti Mull.

Mrs. Walter Mueller
President of V.F.W. Auxiliary.

TO THE EDITOR:

In response to a letter written by a Patti Mull, as to showing respect for the Flag of our country, who knows more respect than the Veteran himself. Who fought for the rights to fly the American Flag and died for it?

We of the V.F.W. have information that has been obtained to explain why we do fly that Flag at all times, (lights, etc.).

And, it is the concensus of the National Organization and the United States Government that it is permissible to fly the Flag at nights, with lights, etc.).

The following letter explains what has been questioned.

Public Relations Officer

"Gaza Kish, Commander
"Hall Slater Post No. 4187 VFW

"Tecumseh, Michigan 49286

"Dear Comrade Kish:

"In answer to your letter concerning the 'Flying of the Flag at Night' the following information has been obtained from Kansas City and Washington, D. C.

"Technically under the Flag Code the flying of the American Flag at night is frowned upon except on special occasions. There is no specific law prohibiting it although it's always been the custom to fly the flag from Sunrise to Sunset. However, under the special occasions, the Vietnam war is construed to fall in that category, and there is a lot of sentiment at this time to fly the American Flag under circumstances such as you described, lights, etc.).

"Therefore, it is the concensus of the National Organization and the United States Government that in your particular case it would be permissible providing that care is exercised in making sure the flag is taken down during any rain, snow or storms, as this could be viewed as neglect and then would nullify all the good your post has done.

"Hope this answers your questions and keep up your fine work.

"Sincerely yours in Comradeship,
"Ernie Stratychuk.

TO THE EDITOR:

Since we have been on your subscription list for nearly two years, I must write and tell you how much we look forward to the arrival of The Herald.

Even though it is almost time for the next edition of your paper, we wondered if, maybe, someone was reading it between here and Michigan. But after reading several letters in the paper from other Florida residents, we decided it must be the mail. Nevertheless, it is the best reading material, late or otherwise.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

President Johnson promised better days ahead for farmers over the National Educational Television network recently. He said that if the farmer will unite and give some of his hard-headed thinking to this subject the "better days" will soon be coming.

Sounds like the epitome of irony to me.

Mrs. James Kirk, nee Sue Hammack, will leave Friday by plane to join her husband in Wurzburg, Germany. He has recently received a promotion.

√

Mr. and Mrs. Marvin Johnson have moved from San Antonio to Mission, Tex., only two miles from the border into Mexico. The couple left here early in December, visiting relatives en route. They stayed with their daughter and husband, Mr. and Mrs. Tom Rufner, in Huntington, Ind., until Dec. 15 and then stopped off to see the Ron Johnsons in Lawrence, Kan., before going on to Texas. The report is that they are enjoying fresh citrus fruits and vegetables in great abundance.

√

Sp/4 Gene McCollum has returned to Dexhiem, Germany, after a 30-day leave at the home of his parents, Mr. and Mrs. Wilford McCollum, at Tipton. Specialist McCollum has been in Germany for 15 months with the United States army. He is studying finance. A Clinton High School graduate, he was employed at the Hydramatic department of the General Motors plant in Ypsilanti before entering the army in April, 1966.

√

Mr. and Mrs. Paul Breitenwischer left by plane Tuesday for a 15-day vacation in Hawaii. En route home they will spend a week in California visiting his brother and her cousins.

√

Mr. and Mrs. Gary Mueller have moved to their newly-purchased home at 1104 Holloway Rd. The residence was formerly owned by Mrs. Barbara Prochaska.

√

Mrs. William Mackey spent the weekend here but was in Ann Arbor last week and again this week to care for the family of her daughter and husband, Mr. and Mrs. Wayne Castledine, who are the parents of a baby girl, Lisa Jo., 6 lbs., 8 oz., born Jan. 8 at St. Joseph Mercy Hospital. Little Lisa just missed being her Dad's birthday present the day before and her big sister, Laura Ann, will celebrate her first anniversary this week. Grandpa Mackey didn't get in the running. He was looking for a grandson. Better luck next time, Bill.

What's for Lunch at THS

Jan. 22 - 26

Monday — Chili and crackers, vegetable, fruit, bread and butter and milk.

Tuesday — Turkey gravy on dressing, vegetable, apple crisp, bread and butter and milk.

Wednesday — Marzetti, tossed salad, fruit, rolls and milk.

Thursday — Hamburg gravy, mashed potatoes, relishes, chocolate pudding, bread and butter and milk.

Friday — Buttered potatoes, cheese salad or peanut butter sandwiches, apple sauce cake and milk.

Evel Garrido Spends Week In New York

Evel Garrido, couture designer of EvelDean salon, spent last week in New York City, where he had an opportunity to meet Bill Blass and several other New York fashion designers. Model Deborah Earling accompanied him and stayed with relatives in Clifton, N. J. The EvelDean originals were modeled by Deborah at private showings.

Evel toured the fabric houses and returned with a quantity of luxury materials for creation of the spring couture collection, which is expected to be ready for the April opening of a boutique in the Tecumseh salon.

Cat With Nine Lives

You've heard about the proverbial cat with nine lives. Well, there really is one here in Tecumseh. His name is Tuffy and he is owned by the Harland Parker family, 408 W. Pottawatamie. He earned his name when he survived an attack by a big dachshund and a St. Bernard when he was just a kitten. He had more encounters with near death when he and another cat were poisoned and only Tuffy survived. Some time later he was shot with a B-B gun. He also developed an allergy which affected his tail to such an extent that it had to be removed.

Last fall he became ill, and after several weeks with no improvement and having lost his hair, the Parkers decided to have him put to sleep. He was given to the former dogcatcher, John Conklin, in October to be taken to the pound in Adrian.

One day, before Christmas, Tuffy appeared on the window sill at the Parkers' home. The family have no idea how long he had been gone from the pound or how he found his way home. Mr. Parker stated that Tuffy seemed even healthier now than he ever was before. It appears that two months on the run did wonders for Tuffy's health.

JOHN PARKER AND TUFFY

Guest of Honor Not Present

Mrs. Albert Williams was hostess for a cradle shower Sunday afternoon but the honored guest, Mrs. John Wotring, was unable to be present.

She gave birth Sunday morning to a daughter, Judith Lynn, who weighed 6 lbs., 12 oz.

Twelve guests came from Ypsilanti, Britton, Sand Creek and Tecumseh.

The pretty baby gifts were opened by Mrs. Wotring's sister-in-law, Barbara Wotring, of Sand Creek, and the gifts were taken to the hospital, along with the floral centerpiece which decorated the refreshment table.

A date-nut graham cracker roll, made by Mrs. Ann Rozelle, was served.

Mr. Wotring, the new baby's father, is being processed at Ft. Dix, for his release from the Army, after serving in Germany.

Seaman and Mrs. Leonard Lendon, nee Beverly Miller, and son arrived home early this week from Quonset Point, R. I. Seaman Lendon is going out on a year's sea duty and his wife and baby will remain here with her parents, Mr. and Mrs. Stanley Miller.

√

Neil DePuy has added a fifth to his list of great-grandchildren. An eight-pound girl, Wendy Sue, was born Jan. 10 to Mr. and Mrs. Gary Michael, of Olivet. Mrs. Michael (Sandra) is the daughter of Mr. and Mrs. Wendell DePuy of Charlotte.

Orville Bishop is a patient at the Roswell Memorial Hospital, Room 6W, Buffalo, N. Y. His wife, Ruth, accompanied him there Jan. 9 and expects to return home this weekend. Mr. Bishop will probably be in Buffalo for the next couple of weeks. Mail would certainly be welcomed.

√

Mr. and Mrs. John Hamilton and family of Lansing, expect to move to their new home in Worthington, O., over the weekend of Jan. 27. En route they will visit her parents, the Wilfred Waldrons, and his parents, the Thomas Hamiltons, and other relatives.

Scene: a typical family home, early Monday morning. Mother and Father are seated at the table, having a quiet breakfast. Outside, it is snowing and blowing.

Mom: "It's almost seven o'clock; turn on the radio and let's hear the news."

Dad: "It's just the same old stuff, politics, Vietnam and weather. Hey, maybe there won't be school today — the drifting must have been pretty bad last night."

Mom: "Don't mention it — those kids have been under my feet all weekend as it is."

Dad: "Well, let's listen."

Radio Announcer: " That concludes the national and state news. And now the school closings. All the schools in the county are closed today, due to the drifting snow and slippery roads. We repeat — all county schools are closed today."

Mom: "Oh great; here we go again. Pour me another cup of coffee. Black."

Dad: "I don't know why you get so shook just because the kids are home again another day."

Mom: "You men wouldn't understand."

Dad: "Seems like you can get them to help you while they're home."

Mom: "Are you kidding" With help like that, it takes twice as long to get anything done. They keep telling me it's supposed to be a day off."

Dad: "Well, you can't do much about it — this storm is just an Act of God."

Mom: "Then it must be somebody up there doesn't like me!"

Youngest child wakes up and comes downstairs.

Mom: "How come you're up already — I usually have to drag you out of bed on a school morning?"

Miss Nine: "I want to go out and make a big snowman."

Mom: "In the dark? For heaven's sake, why don't you go back to bed for awhile, at least until daylight?"

Miss Nine: "Because I'm not sleepy."

Mom: "No, not on a vacation day you're not."

Dad: "I think I'll go to work."

Mom: "You're lucky — you can just put your coat on and leave."

Dad: "Say, how would you like to trade places with me right now? You can get dressed and go out in the cold, shovel a path to the car, and go to work in my place; and I'll stay in the snug, warm house in my pajamas, drinking coffee and gabbing on the phone."

Mom: "I have to have some adult conversation — I can't talk to children all the time."

Dad: "Goodbye, dear." He puts on coat and hat and departs into the snowy darkness.

Mom sits back down at the table, pours herself another cup of coffee. Weird sounds drift down from upstairs, as big brother awakens and starts the record player.

"Good grief," muses Mother, "The Rolling Stones so early in the morning!"

Miss Nine: "Where are my snow boots?"

Mom: "Take off your coat and hat and sit down here and eat your breakfast. You're not going out until it's daylight!"

Miss Nine: "Then can I have some of the kids over to play?"

Mom: "Why not? We might as well make a party out of it."

Miss Nine: "And then can we make some cocoa and have some cookies?"

Mom: "Sure; that'll mess up the kitchen just fine."

Mother puts coffee on to reheat, takes two aspirins, and heads for the phone.

"Hey, Shirley, have you heard the good news yet? What are you going to do with your family today? Why don't you come over and we'll have some coffee?"

Curtain falls.

Methodist Church Announces Plans

BRITTON — The financial Crusade of the Grace Methodist Church will be directed by the Reverend Kavanaugh A. Loy, who will arrive in Britton on Wednesday or Thursday of this week. Much time and effort has gone into the crusade prior to his coming. This work has been under the direction of the finance committee with Stewart Niblack as chairman.

The Official Board voted to combine the current expenses and building fund expenses into one crusade as an expression of our total mission to the Ridgeway-Britton community. The crusade thus will include funds for pastoral support, world service and missionary work, current expenses and new building.

Some of the items in the Crusade plans include:

1—Jan. 21, Sunday school and worship service with Rev. Loy preaching at the morning worship.

2—Following the morning worship on Jan. 21, there will be a potluck dinner and period of fellowship. Each family is asked to bring a passing dish and table service.

3—Jan. 24, Wednesday, worker's banquet and coaching conference.

4—Sat., Jan. 27, 12 hour prayer vigil from 10:00 a.m. to 10:00 p.m.

5—Sunday, Jan. 28, Rev. Loy will preach during the morning worship. In the afternoon and evening, visitation will be held by members of the church, as we will call into every home.

THE REV. K. A. LOY

Crusade Leader Finance Director

The Rev. Kavanaugh A. Loy is the Director for the Budget and Building Fund Crusade, the intensive phase of which will be held January 18 - 31, 1968. He is a fully ordained Methodist minister, appointed by his Bishop to the Board of Missions of the Methodist Church, field staff, to serve in the Department of Finance and Field Service of the National Division.

Rev. Loy writes: "Church Extension is 'The Growing Edge' of Christianity and 'The Cutting Edge' of Methodism — the essence of a Christian Stewardship Ministry of Church Finance — it is not the result of renewal or revival; it is renewal and revival."

The members of the field staff guide this "cutting edge" at work. In recent months, Rev. Loy has been privileged to participate in fund-raising programs which have taken him into churches in Florida, Georgia, Illinois, Missouri, Maryland, Indiana, New Jersey and Michigan.

In the words of a fellow-director, he reminds us:

"Time is short — the goal is great — the results will gratify." Success comes from tending to trifles, but success is no trifle! Hard work is the bridge between our wishes and their fulfillment!"

GRC Make Sewing Kits

BRITTON—Mrs. Robert Bush, assisted by Mrs. Harold Osterhout, served luncheon to nine members and one guest of the Golden Rule Circle of the Congregational Christian Church last Tuesday noon.

Mrs. LaVern Russell led the devotions with scripture reading, a poem, and the group repeating the Lord's Prayer.

Mrs. Jerry Benedict brought materials to make sewing kits to be sent to a mission in Africa, using Christmas cards as holders. The women worked on that project for the afternoon.

At the business meeting, it was announced that the Golden Rule and Priscilla circles will have charge of the dining room for the annual supper to be held February 1.

The next meeting will be at the home of Mrs. Henry Brown February 6, at 7:30 p.m.

Accident Injures Britton Residents

Four persons received bruises and minor injuries Saturday afternoon, when two cars collided on E. Monroe Rd., west of Billmeyer Hwy.

Francis C. Thigpen, 29, of Britton, had slowed his car behind another car which was making a turn.

Francis L. May, 47, of Britton, was unable to stop behind the Thigpen car, because of the slippery road conditions and struck the rear of the car ahead. May was given a summons for violating the basic speed law, driving too fast.

Treated at Herrick Memorial Hospital and released were Francis Thigpen, Dalton Thigpen, 11, Jerry Thigpen, 7, and Floyce Thigpen, 52.

New Officers Are Elected

BRITTON — The 119th annual general meeting of the Congregational Christian Church was held Sunday afternoon in the Fellowship Center, after a cooperative dinner at 12:30 p.m.

Roger Gillespie, chairman of the trustees, conducted the business meeting.

Elections were held, with the following new officers named:

Deacons: LaVern Russell and Ivan Olds.

Trustees: Douglas Fairbanks and Lawrence Hoagland.

Finance Committee: Douglas Palmer and John Keran.

Benevolence Committee: Mrs. Lowell Bush, Joe Hall, Mrs. Harold Rohrback.

Music Committee: Mrs. Paul Cook and Mrs. Joe Hall.

Deaconesses: Mrs. Raymond Auten and Mrs. LaVern Russell.

Board of Religious Education: Superintendent, Richard Bruce, Jr. Assistants: Mrs. Eldon Reeck and William Saxton.

Usher and Acolyte Committee: Lowell Bush and Ned Brown.

Altar Flower Committee: Mrs. Lee Benedict, Mrs. Ivan Olds, Mrs. Willard Exelby, Mrs. Wilmer Lorenz.

Youth Fellowship Sponsors: Mr. and Mrs. Henry Brown.

The proposed budget was approved as presented.

The Rev. Gustav Hannevik, pastor, stated he was pleased with progress over the past year. Sunday School attendance has increased, and the building of the new educational unit has been very beneficial.

William Raeburn was named to head a committee to select new songbooks for the Sunday School.

"History's Greatest Battle"

BRITTON — "History's Greatest Battle" is the sermon topic to be delivered by the Rev. Duane McNeil at the 11 a.m. worship service of the Bethel Baptist Church Sunday.

The schedule for the day includes Sunday School at 10 a.m., Youth groups and Adult Bible Study at 6:30 p.m.

Pastor McNeil has titled his subject, "Can I", for the 7:30 evening hour.

Mid-week prayer meeting is Wednesday evening at 7:30.

Sunshine Circle Meet

BRITTON — The Sunshine Circle met January 9 for a noon luncheon at the home of Mrs. Lloyd Rohrback with nine members and one guest present. The new circle books were finished and passed out to the members.

Devotions were given by Mrs. Harold Rohrback. Mrs. Lawrence Ash was in charge of the work program at which sewing kits were made to be sent to the World Relief Commission. Co-hostess for the luncheon was Mrs. Ash.

Tories Victorious

BRITTON — The Tories invaded Monroe County last weekend and returned triumphant after back-to-back wins over Ida, 64-53, and Whiteford, 60-56.

The double victories marked the third and fourth consecutive league triumphs for the surging Tories.

After dropping their opening games to Deerfield and Sand Creek, they have displayed an aggressive team play under Coach Jim Landfair in overcoming Boysville, Summerfield, Ida and now Whiteford.

The wins put Britton in a 4-way tie for first place in the tight River Raisin race, sharing 4 and 2 marks with Whiteford, Summerfield, and Sand Creek.

★

Friday night's encounter with the Ida Bluestreaks started slowly, with each team missing shots and losing the ball on turnovers. The score was only 9-7 at the end of the first period. Britton pulled ahead in the second period, outscoring Ida 18-8, and left the court at halftime with a 27-15 lead.

Both teams came back with a faster, harder game in the second half. Britton led by 18 points at one time, then Ida moved to narrow the gap. The determined Tories held onto their lead, however; and Ida just couldn't catch up. The final tally was 64-53.

Junior Center Dave Fairbanks pumped in 22 points to pace the Tory scorers, while teammates Jim Skelton added 14 and Jerry Korican 11. Korican and Fairbanks controlled the boards for the Tories, grabbing 19 and 12 respectively, as Britton out-rebounded Ida 42-34. Firestone was high scorer for Ida with 16.

BRITTON 64

Fairbanks 10-2-22; Korican 4-3-11; Skelton 4-6-14; Henning 3-0-6; Brown 4-1-9; Henry 1-0-2.

IDA 53

Firestone 7-2-16; Risner 3-1-7; Banas 4-2-10; Skampo 2-0-4; Hathaway 4-0-8; Leonard 3-0-6; Stotz 0-2-2.

★

Saturday night Britton upset the league-leading Whiteford Bobcats, in an exciting, hard-fought contest, winning by the score of 60-56.

Whiteford grabbed the opening tip-off and edged the Tories 14-13 in the initial period, then behind Koppleman stretched the lead to bring the score to 32-28 by the half-time intermission.

But the Tories came roaring back after the break to score six quick points. The game was tied at 42-all with 2:50 to go in the third quarter, when Fairbanks dropped in a basket to put the Tories in the lead, and they never trailed after that.

After a tremendous 22-point third quarter, during which Whiteford was held to only 14 points, Britton led 50-46.

This four-point spread proved to be the final scoring margin. Britton's strong defense kept Whiteford from scoring a point until midway through the final period. Both teams tallied ten points in a rousing climax, to give Britton the win, 60-56.

Rich Koppleman led all scorers with 24 points in a losing cause.

Fairbanks led the Tory attack with 21 points, followed by Jim Brown and Jim Skelton, each with 13. Once again the Tories out-rebounded their opponents, as Korican and Fairbanks each hauled down 16.

"The kids put everything together — I was really proud of them last weekend," commented Coach Landfair. "They are improving in all areas of play."

CHARLES BARRETT

Charles Barrett New President

BRITTON — Charles E. Barrett, 36, has been elected President of the First State Savings Bank of Gladwin. He is the son of Mr. and Mrs. Fenton Barrett of Britton.

Mr. Barrett was a 1950 graduate of Britton High School and a graduate with a BS degree from Eastern Michigan University in 1963. In 1966 he graduated from the Graduate School of Banking at Madison, Wis. He is married to the former Corrine L. Jenkins of Detroit and they have two children.

Mr. Barrett is president of the Four County Bankers Association, Director of Group Five of the Michigan Bankers Association, Treasurer of the Gladwin County Hospital and member of the Gladwin Development Corporation, Gladwin Rotary Club and Sacred Heart Church.

Mrs. K. Swain Extension Club New Member

BRITTON — Mrs. Keith Swain was welcomed as a new member of the Maconette Extension Study Club when the group met last Tuesday at the home of Mrs. Allen Wagenschutz.

Fourteen members were present to hear the lesson, "Window Treatment, Part Two," given by Mrs. Wagenschutz.

Mrs. Ellsworth Robison, who is International Chairman of the county council, was a guest.

Wall decorations were constructed by the ladies, by wiring plastic flowers to wicker mats.

Refreshments were served by the hostess, assisted by Mrs. Donald Schroeder.

The next meeting will be with Mrs. Harold Kopka February 8.

BRITTON 60

Korican 4-0-8; Fairbanks 10-1-21; Skelton 4-5-13; Brown 5-3-13; Henry 2-0-4; Henning 0-1-1.

WHITEFORD 56

Koppleman 11-2-24; Butz 2-0-4; Keller 3-0-6; Brenkhe 4-2-10; Huner 2-4-8; Simpson 2-0-4.

The Tories will host the Deerfield Minutemen Friday for Mom's Night, and travel to Waldron Saturday for a non-league encounter.

SELF-SERVICE, PRE-PACKAGED MEATS CAN BE A PROBLEM!

You can see the top side of the meat but not the bottom.
So you wonder.
The steak looks good, but is the bottom all bone and fat?

It's a problem...a problem we've given a lot of thought.
We think we have the answer.
We have a policy.
We put the best side down.
The side you don't see is guaranteed to be equal to or better than the side you can see.

Simple? as ABC.
Effective? No more gamble.
Fair and square? Sure because "We Care."

Is this a good reason for shopping A&P? It's one of many.

Elizabeth Ayres, John Swisher Wed

CLINTON — Elizabeth J. Ayres and John E. Swisher, III, both of Ann Arbor, exchanged marriage vows Friday afternoon, in a ceremony performed by the Rev. Malcolm Brown, in the First Presbyterian Church, Ann Arbor.

The bride is the daughter of Mr. and Mrs. Herbert Ayres of 6070 Clinton-Macon Rd., Clinton, and the bridegroom is the son of Mr. and Mrs. John E. Swisher, Jr., of Hermitage Rd., Ann Arbor.

The honor attendants were Kay Ann Roschelle, and Samuel Dean Swisher, brother of the groom, both of Ann Arbor.

Members of the immediate families, who attended the ceremony also attended a wedding dinner held at the Town Club in Ann Arbor.

The bride is a graduate of Clinton High School, attended Michigan State University and was employed in Ann Arbor.

The bridegroom is a graduate of University High School, Ann Arbor, and is a graduate of Michigan State University. He is associated in the family business, Swisher Realty Co.

The couple will reside in their new home at 1211 7th St., in Ann Arbor, after Feb. 1.

Land Taxation Topic at FAFB

BRITTON — Six families were present Jan. 9 when the Fertile Acres Farm Bureau met at the home of Mr. and Mrs. Allen Wagenschutz.

The discussion topic was "Land Taxation."

The members listened to a tape recording from the state Farm Bureau office on the main topic, and then discussion was held.

The Young Farmers meeting report on Marketing was given by Beryl Albring.

The next meeting will be at the home of Mr. and Mrs. Beryl Albring Feb. 13.

Wed Saturday

Wyona Vinze and Warren Filter were married Saturday evening by the Rev. Kurt Koeplin at the Grace English Lutheran Church.

Mrs. Mary Lou Fairbanks and Richard Ganun were the attendants.

A reception was held at the Hall-Slater VFW Post Home following the ceremony.

The couple are living at 110 Oneida St.

Gets Discharge

CLINTON — Specialist 4/c Tracy Matthews, son of Mr. and Mrs. Walton Matthews, of Washington St., has received a discharge after serving two years in the Army. He was inducted Jan. 4, 1966. Following basic training at Ft. Knox, Ky., he became a lineman for military telephone service. He served in Vietnam for a year, returning to the United States last August, and was stationed at Ft. Bragg, N. C. He was a 1965 graduate of Clinton High School. He has resumed his employment with the Ford Motor Co. in Ypsilanti.

THS Wrestlers Win

Tecumseh wrestlers upped their season mark to 2-2 here last Thursday when they trimmed Manchester, and have an excellent chance to win another match here Friday afternoon at 3:30 p.m. against Addison.

Matches are held in the high school gym and the public is welcome to watch.

Against Manchester, local wrestlers winning on pins were Merv and Marv Maynard, John Bolden, Gary Jones and Carlo Mobley.

Those winning decisions were Able Valdez, Steve Hinkleman, Dan Anderson and Jim Parros.

In a recent state novice tournament at Ann Arbor, Tecumseh matmen won 34 of 64 matches. The tourney attracted 27 teams and drew 405 boys.

Three Tecumseh wrestlers — Marv Maynard, Anderson and Mobley — won medals with Maynard copping a second place. Herb Bagby and Bolden also finished well up in the final standings.

Tecumseh's newest sport is coached by Pat Connors, assistant to Tom Fagan in football. Jerry Fox also has helped Connors since the matmen first started workouts in November.

While most folks picture wrestling as clowning, faking and showmanship, high school wrestling is a fast, exciting sport and bears little resemblance to TV exhibitions.

Home wrestling matches are:

Feb. 1—Monroe Jefferson, 6:30.
Feb. 6—Flat Rock, 6:30.
Feb. 22—Grosse Ile, 6:30.
Feb. 26—Madison, 7:00.

Although there is no admission to the matches now, the schools may charge a small fee for the evening bouts.

Knights Lose To Whiteford

By GREG KOVACS

The Fighting Knights of Boysville dropped a hard fought basketball game to the league leading Whiteford Bobcats by a score of 63-48.

The first quarter of play began with a slow start for both teams as neither managed to find range to the hoop. Late in the quarter Whiteford rallied to get the best of the Fighting Knights 14-9.

The second quarter found the Fighting Knights misguided by poor ball control and handling. The Bobcats of Whiteford took advantage of this and the Knights could not seem to overcome the power that they were displaying as they again found themselves outscored at the half, 32-25.

The second half started off with the Knights again the underdogs and could not get rid of the faults that hindered their abilities in the first half. The Knights could not keep up with the Whiteford Bobcats as they were again trailing 48-35.

The fourth quarter was the same doom for the Fighting Knights as they lost the hard fought ballgame to the league leaders of Whiteford 63-48.

Henry Bell starred for the losing Knights with 13 points.

Score by quarters:

Boysville	**9**	**16**	**10**	**13**	**—48**
Whiteford	**14**	**18**	**16**	**15**	**—63**

Junior Varsity score: Whiteford 56; Boysville 36.

COTE THIRTEEN MEET — Thirteen sons and daughters of Mr. and Mrs. Sylvanus Cote, Sr., of Adrian and their families were together for the first time in 14 years recently. A celebration honoring Robert, home from Vietnam, was held at the home of his sister and husband, Mr. and Mrs. O. W. Mueller, in Deerfield. From left, they are Leonard, of Brooklyn; Mrs. Ernest Peters (Connie), 206 Pine St.; Sylvanus, Jr., Adrian; Robert, Mrs. Duaine Hunt (Elaine) Onsted; Mrs. Walter Witt, Deerfield; Lawrence, 4393 Comfort Rd.; Mrs. Richard Megarah, Lansing; James Britton and Mrs. Mueller. Seated are Joel, of Britton; Mr. and Mrs. Cote, Mrs. Paul Forsthoefel, Grand Rapids; and Merle, Adrian. The Peters will accompany her parents to Charleston, S. C., Feb. 8 to visit Robert, who has been in the navy for 18½ years. The first great-grandchild of the Cotes was born Jan. 12, an 8-lb., 5-oz. boy to Mr. and Mrs. Kenneth Peters, of Lee Villa Mobile Court. The count on grandchildren is 49. "I sure thank God that we have been so blessed," was Mrs. Cote's remark concerning her large family.

Modern Telfarm

Keeping good farm records and using them for farm decisions can be a problem. According to Norman H. Bless, Extension Agricultural Agent, a new electronic system for computing farm records has brought some new horizons to Michigan agriculture. Telfarm, the modern farm record approach to business analysis, enterprise records, and financial management, has been responsible.

Telfarm will take your simple farm account entries into its memory bank and produce detailed records which are now helping over 1500 Michigan farmers to make major management decisions.

Many farms will remain in the family as the result of good Telfarm records kept by father and son. Farm business analysis, financial summaries and enterprise studies have proven extremely helpful. Adjustments in enterprises, volume and market systems have come from analysis of Telfarm records on these father-son or other type family operations.

Find out more about Telfarm and its possibilities for you. Plan to attend a special meeting on Telfarm to be held Friday, January 19, 1968, 1:30 p.m., in the Supervisors Room, Court House, Adrian.

Follies Preparation Begun

Preparations for the Tecumseh Jaycees' third annual home talent show have started with rehearsals for the Jaycee Follies of 1968 in full swing daily at the Tecumseh Grange Hall.

Follies director, representing the Jerome H. Cargill Co. of New York, producers of the show, arrived here Tuesday and outlined his plans for the production to committeemen from Jaycees and the Auxiliary.

Later that evening he ran through his program for guests at a Follies' kickoff party at the Grange Hall, recruiting many of his audience for roles in this year's musical-comedy revue.

Rehearsals began on Thursday morning. There's still time to sign up, according to Mrs. Kenneth Beevers, talent chairman. A call to her at 423-4549 will furnish all the details.

The Jaycee Follies, sponsored yearly by the local service organization for the benefit of its youth and community development programs, is a two-act variety show featuring Tecumseh performers in a variety of musical and comedy routines.

All material, arrangements, and costumes are furnished by the Cargill Co. Sets and lighting are done by Jaycees to the director's specifications.

Participants are people of all ages. The only qualification for a place in the Follies' cast is the desire to get up on stage and have fun.

Most of the chorines are housewives and mothers, many of them joining their husbands to sing and dance in the mixed chorus numbers. The show is designed to fit the demands of regular people's daily routines, and therefore rehearsals are held to a minimum.

It's possible to be in a couple of numbers and still rehearse only two or three evenings a week, or for an hour in the mornings.

This year's Follies will be held Saturday and Sunday, Jan. 27 and 28, at the Strand Theatre. In addition to the two evening performances, there will be a matinee at 2 p.m. on Sunday.

Tickets are available from any Jaycee or cast member, or at any of these local business places: Flanders Music, Helms Furniture, Holmes Pharmacy, Tecumseh Office Supply, F. W. Woolworth's.

Jeanette Mannino Plays in Concert

Jeanette Mannino, daughter of Mr. and Mrs. Joseph Mannino, 114 Park St., played the clarinet when the Eastern Michigan University Symphonic Band presented the first concert of the year Jan. 9 at Pease Auditorium.

Miss Mannino is a freshman at the university, majoring in early elementary education.

The 80-member band, conducted by Thomas Tyre, associate professor of music, is chosen by audition. All colleges of the university are represented although about 75 percent of the musicians are music majors.

The band will appear in Hill Auditorium at the University of Michigan Jan. 12 during the Midwestern Conference on School Vocal and Instrumental Music.

MACON MAXIMS

By MRS. HAMILTON MOORE

The general meeting of the Woman's Society of Christian Service will be held Tuesday, Jan. 23, at 8:00 p.m. Mrs. John Hewlett and Mrs. Herbert Morden will arrange the program and devotions.

√

There will be no junior choir practice next Saturday.

√

Mr. and Mrs. Gail Pants and family of Holland, O., spent Sunday with his sister and family, Mr. and Mrs. Walter Rowe.

√

Mr. and Mrs. Clare Gillespie left for sunny Florida last Thursday, where they will remain for several weeks.

√

The Rev. Larry Uhrig, of Alexander, Va., a junior at the Methodist Theological Seminary in Delaware, O., spent the weekend with Rev. and Mrs. Thomas Badley and daughter. He assisted with the Sunday morning service.

√

Kenneth Van Valkenburg and son, John, spent Saturday night with his parents, Mr. and Mrs. Russell Van Valkenburg. His wife, Alice, is a patient in Bixby Hospital, Adrian.

√

Mr. and Mrs. Richard Moore, of Grass Lake, spent Saturday night and Sunday with his parents, brother and family, Mr. and Mrs. Hamilton F. Moore, and the Dean Moores. Saturday evening the Richard and Hamilton Moores celebrated their anniversaries.

√

The Church Board of Christian Education voted to order a new American Flag for the children's department. Mrs. Harold Kuder and George Osborne are to look after purchasing it. A thank-you note was read from the Methodist Children's Village, for the Christmas gifts and the money they had received. An invitation to the Children's Village Open House, Sunday, May 19, 1 to 5 p.m., was read. Plans are being made for several to attend. Mrs. Paul Hover brought the record player that her husband had converted to play all sizes of records.

√

Ted Greenfield conducted the Official Church Board meeting last Monday. The Rev. Badley had opening prayer. Donald Sunderland, of Tecumseh, answered many questions in regard to their insurance policy. Mrs. Guy Zelluff reported that she had made a profit of over $150.00 from the greeting cards and etc., sold during the past year. The new curtains and rods for the sanctuary were purchased with the money and the remainder was given to the Sunday School treasurer. The board voted to have combined Lenten Service with the Ridgeway Grace Church. The services will be alternated between the two churches.

√

Mrs. Dean Moore and Mrs. Hamilton Moore were at the Stony Creek Methodist Church last Wednesday for a luncheon. Mrs. Moore spoke on the Responsibilities of District and Local Officers.

√

Dr. Joseph Edwards of Ann Arbor, the Ann Arbor District superintendent, conducted the Fourth Quarterly Conference last Sunday afternoon. Rev. Thomas Badley gave a resume of the past year's work. Church officers for the 1968-69 year were elected. Terry Roos is the Church School Superintendent; Lay Leader, George Osborne; Associate Lay Leader, Herman Mehler; Chairman on Christian Education, Mrs. Harold Ruhl; Chairman of Commission on Membership and Evangelism, Mrs. Edward Clark; Chairmen of Commission on Missions and Social Concerns, Mrs. Russell Van Valkenburg and Mrs. Ray Williams.

Mrs. Charles Gorton, Sr., Mrs. Clare Camburn, Mrs. Eugene Hill, Mrs. Russell Van Valkenburg, Mrs. H. F. Moore and Mrs. Dean Moore were luncheon guests of the Clinton Methodist Woman's Society of Christian Service last Tuesday.

√

Mr. and Mrs. Russell Van Valkenburg attended the funeral of his brother, Cecil, in Belleville.

√

William Gibson has returned home from St. Joseph Hospital, Ann Arbor.

√

Because of inclement weather, the Macon Community Club and the Hope Circle meetings were both cancelled till February.

Democratic Club Schedule Plans

The Democratic Women's Club of Lenawee County made plans for the coming year Wednesday night at the home of Mrs. Isabelle Psaute on Gorman Rd.

In May a dinner is planned with Mrs. Glenn Peck as chairman, in July there will be a picnic and at the Lenawee County Fair members will have a booth. A bake sale was set for February as well as later in the year.

Members will attend the Second District Democratic Committee meeting at the Milan Community House on Jan. 21. Mrs. Louise Wilson was named legislative chairman. Mrs. Psaute presided.

The mystery prize was won by Mrs. Alverdi Pickens.

Refreshments were served by the hostess, assisted by her sons.

Frans W. vanWestrenen, Fisher Body-Tecumseh plant manager, has been re-appointed chairman of the General Motors Tecumseh Plant City Committee by GM vice chairman, George Russell. The committee is made up of members of management from the Fisher Body plant and is responsible for guiding and coordinating GM's community relations activities in the Tecumseh area. Robert C. Hlavin, plant superintendent, and Herman List, resident comptroller, continue as committee members. Also named to the committee was Jerome P. Becker, personnel director, replacing Robert E. Webb, who was recently transferred to Chicago.

Improper Passing Summons Given

Edward Medvecz, 40, of 4003 US-12, Clinton, was given a summons for improper passing, Saturday afternoon, on Tecumseh-Clinton Rd.; north of Allen Rd.

Medvecz was passing a car driven by Roy A. Lundquist, 39, of 712 Seneca, Tecumseh, and pulled back into the right lane too soon, striking the left front of the Lundquist car.

There were no injuries.

"Half Notes" Entertain MC

The talents of some Tecumseh youngsters provided the program for the January meeting of the Tecumseh Music Club.

Fourteen members and nine guests met at the home of Mrs. Burton Wright with Mrs. Harold Smith, co-hostess.

Mrs. Wright, advisor for the "Half Notes," a music club for older elementary school children, was in charge of the program. Each child who performed was a member of the club.

Paula Brantingham presented a chalk drawing to illustrate a piano number entitled "May Night" which her mother, Mrs. Paul Brantingham, played on the piano.

Piano solos included "Christmas Carol" played by Debbie Fogelsong; "Kentucky Babe," by Darlene Smith; and "Hungarian Dance No. 5" by Sheryl Sheldon.

Sam Brantingham played "Afterglow" on the trombone, accompanied by Mrs. Brantingham and Judy Slagh played "Lullaby" on the clarinet.

To close the program, Paula Brantingham played "Sonatina in C" on the piano.

During the business session of the evening, club members finalized plans for the scholarship which they will offer in February to members of the junior Music Makers Club. Dan Bush of Britton was last year's winner.

The February meeting will be held at the home of Mrs. Perry Hayden. Helen Bendes will present the program, "Parade of American Music."

Add Contributions To Hospital Fund

Contributions to the Herrick Memorial Hospital Auxiliary Heart Fund were made in the memory of:

Waldo Papsdorf, of Clinton, by Mrs. Ruth Boyd.

John R. Keeney, of Tipton, by Mr. and Mrs. John R. Thomson, Milburn W. Brooks by Nellie M. Wilson.

A HOUSE IS NEVER TOO OLD FOR ELECTRIC HEAT

Call or write Consumers Power for your FREE ELECTRIC HEATING BOOKLET

Ask about $100 Installation Allowance

P.S. And when you talk with your dealer ask him about the SPECIAL ALLOWANCE for increasing your electric service entrance capacity

Owners of new homes aren't the only ones who can enjoy the modern comfort and convenience of whole-house electric heating. Today, families who live in houses of virtually any age or architectural style can convert to clean electric heat.

Electric heat fits into home remodeling plans because it's less expensive to buy and install than other heating systems, and the variety of electric heating systems available makes it easy to meet all kinds of remodeling problems.

Thanks to new materials, techniques and equipment, insulation that keeps heating costs down and family comfort high is easy to add to existing homes. And remember, the house insulated for electric heat is a breeze to cool with electric air conditioning.

Chrysler sales have climbed for eight straight years. And for 1968, we know it's going to be "business as usual"—strictly on the upside. You see, we have 15 beautiful new Chryslers to choose from. At prices that start just a few dollars more a month than some Fords and Chevys, comparably equipped. Besides, we like the look of our sales curve so much we'll do most anything to keep it climbing. So drop in and move up with us. Test price the best of the big ones — Chrysler '68.

The engagement of Jacqueline Cunkle to Robert E. LaPrad is being announced by her parents, Mr. and Mrs. Jack R. Cunkle, 255 S.Main St., Britton. Miss Cunkle is currently residing in Ann Arbor while she attends Eastern Michigan University. She is a 1966 graduate of Britton-Macon High School. Her fiance is stationed at Long Beach, Calif., fulfilling his enlistment in the navy. He was graduated from Tecumseh High School in 1962, attended Eastern Michigan University until his enlistment in January, 1966. He was formerly employed at Tecumseh Products Co. No date has been set for the wedding.

Mrs. W. Norris Speaks to WSCS on Girl Scouts

Mrs. William Norris, Tecumseh Neighborhood Chairman of the Girl Scouts, presented the program at the monthly meeting of the Woman's Society of Christian Service at the Tecumseh Methodist Church on January 3. Mrs. Norris described the work of the Girl Scouts and their leaders and showed a film entitled "This Is Girl Scouting." The movie illustrated the skills that Girl Scouting gives to the girl and how they relate to the woman she will become.

Mrs. William Steele, Jr., president, conducted the business meeting. Announcements were made regarding the Mission Study Classes to be held at the church each Sunday evening in February.

Devotions on a New Year theme were presented by Mrs. Gene Tuckey. Mrs. Clyde Bailey was the greeter, Mrs. Harry Snyder and Marvel Steinhoff served refreshments.

Question:
"Should all relatives be seated with the bereaved family during the funeral service?"

Answer:
It is the custom to seat closely-related relatives near the bereaved family. However, if there are vast numbers of distant cousins, etc., they should not be offended if asked to sit elsewhere.

William Warfield Performs at AC

By KAYE STEELE

William Warfield, a bass-baritone of unsurpassed quality, held the Adrian College Celebrity Series audience entranced as he moved through a program so complete and so magnificent that his listeners begged three encores.

Warfield's performance displayed his versatility as he sang selections from Brahms, Tschaikowsky, Ibert's "Chansons de Don Quichette," folk melodies, and spirituals, as he was accompanied by the talented Warren Wilson.

His deep baritone voice, muted or thundering, captivated the audience who heard and saw a man whose whole self reflected the mood of the music he sang.

Born in West Helena, Ark., Warfield early moved to Rochester, N. Y., where as a high school senior his classmates financed a trip for him to the National Music Educators' League program in St. Louis. His performance there won him a scholarship to the Eastman School of Music in Rochester where he earned a B.A. and later an M.A.

In March, 1950, a Canadian stockbroker provided Warfield with his debut in New York's Town Hall. Since that time he has performed from coast to coast in North America with concerts in South America, Europe, Australia, Africa, the Middle East, Asia and the Philippines. Twice in the past three years he has performed in Carnegie Hall.

Warfield's final curtain call, "Old Man River," received a tremendous ovation of appreciation from his delighted audience.

Three Are Baptized

Through My Window

THE FUN CONTINUES

The peanut-cranberry-popcorn strings, which the Girl Scouts thoughtfully strung for our birds and squirrels, are proving most successful. At first we used them, one string at a time, on the close-to-the-window feeder. I have always maintained that the fox squirrels are the clowns of my window show — the other day one of these characters out-did himself.

His actions were not too much out of the ordinary but oh, my, his apparence was something else again. Did you ever see a squirrel adorn himself with a necklace of bright red cranberries?

It happened at lunch time. Gertie had just gone to the kitchen for a sandwich and a glass of milk when I looked out to see Mr. Fat Squirrel scrambling up to the feeder.

An earlier squirrel visit had resulted in the peanut string being pushed from the feeding tray and dangling over the side. As our lunchtime freeloader scurried up the post, bang, there were goodies meeting him halfway.

It took some squirming, some stretching and reaching out, some twisting around but he managed. By hanging upside down — and fortunately those strong back feet held tightly to a secure foothold or we would have had one squirrel take a quick nose dive into a snowbank — but this didn't happen and, with his front hand-paws grabbing the peanuts and holding them to be shelled, he dined in style.

★

SOON HE had eaten the popcorn and peanuts within reach and only the cranberries were left. However, that part of the string which was fastened to the top of the feeding tray had nuts and so up came Mr. Fat Squirrel. (He really was fat, too, beneath his heavy fur coat there were rolls and rolls of fat.) And this was where Gertie's lunch was interrupted.

As the squirrel poked his head over the edge of the tray and scrambled topside, I burst out laughing. I also called for everyone to come see, it was simply too good not to share.

The squirrel had somehow managed to wind the cranberry string around his neck; such an elegantly dressed freeloader we have never had before — one handsome squirrel sporting a brilliant red cranberry necklace. For such clowning, shouldn't any peaceful lunchtime be disrupted?

★

AFTER MANY years of extremely hard use and much wear and tear, our original corn tree, the one that Mr. Waldron made for us, decided it could not take another winter and "gave up the ghost".

The Presbyterian's lovely big Scotch pine Christmas tree is temporarily filling in, several cut-off and sharpened lower branches are holding ears of corn and the Girl Scout holiday offerings are draped over some of the higher branches.

The bushiness of the tree affords much protection for the birds during the bitter cold weather and every morning it almost seems alive with sparrows.

The real fun, though, is watching the titmice and nuthatches. Nuthatches we expect to see upside down, it is almost their favorite position. But the titmice? On both the bag of peanuts hung from the awning arm and the peanut-popcorn-cranberry strings, they are performing the same way and that way is upside down.

They actually seem to go out of their way to secure a foothold on the bottom of both the bag and the strings — we are still not sure how they manage to grasp hold of the string — they must use the last peanut.

The agility they show at this upside down business and the fun they seem to have, puts us in mind of chickadees. And, speaking of chickadees, where are they? Has anyone been favored with a visit?

So it is that the birds and squirrels are still enjoying their holiday treats and as for our looking, well the fun continues.

NEXT WEEK:
"Anyone For Suet?"

YMCA Elects Board

Joe Fortunato and Richard Egli were among eight elected for a three-year term to the Board of Directors of the YMCA of Lenawee County at a meeting Thursday evening. Karl Schneider is also a member of the board.

Judge Rex Martin was the speaker for the evening, talking on "Christian Leadership."

He said that "youth are our most important product" and pointed out that volunteer leaders exemplifying Christian leadership are an important part of the program.

"Good leadership is contagious," the speaker stated, telling of the work of junior and high school workers at the Y.

About 100 adult members attended the dinner meeting in the new building. A change in the constitution moved the date for the annual event up from May to January.

Classes for women in slimnastics with Mrs. Richard Purkey as leader, will continue Thursday evenings at 8 p.m. Mrs. Purkey and members of the group will welcome others interested in muscle-toning, followed by a swim.

Lenawee-Monroe County officers were guests for the Friendship Night with about 130 members and guests attending.

Beth Frownfelder was a featured soloist twirler and the advanced class presented several numbers.

Lawrence Hoagland, chaplain of Tecumseh Chapter, led the members in the Lord's Prayer. The Pledge to the American Flag was given, led by James Tonneberger, worthy patron, followed by singing "God Bless America." The worthy matron, Mrs. Dixon, welcomed all with a poem of Friendship.

Mrs. Clair Morse presented the worthy matron, Mrs. Dixon, with a ribbon for her gavel and then a poem entitled, "Friendship's Road." Mrs. Dixon presented the association officers with gifts.

The project of the Fern Morse Club this year is the Villa Children and the DeMolay boys.

Mrs. Morse announced the Spring association meeting to be held in Clinton April 27. Friendship Nights were announced as follows: Palmyra, Jan. 22; Fairfield, Jan. 31; Clinton, Feb. 15; Blissfield, March 26; Adrian, March 18; Monroe, March 19; Addison, April 17; Samaria, April 22.

Receptions for Mrs. John Snyder, chairman of the Villa, in Adrian, Jan. 29 and Mrs. Delmar Manchester, in Clinton, Feb. 26; Rainbow installation in Adrian Jan. 13; and the Fern Morse Club meeting in Tecumseh, Jan. 18, at 8 p.m.

The meeting closed with all repeating the Mizpah benediction, led by Mr. Hoagland.

A country store followed and a cake made by Mrs. Dixon was won by Mrs. Stanley Miller. The door prize was won by Mrs. Clayton Heiss, worthy matron, of Monroe.

Refreshments were served in the dining room from tables attractively decorated with large and small snowmen, by Mrs. Robert Hunt. Those on the committee besides Mr. and Mrs. Hunt were Mrs. Ogland Lay, Mrs. Harry Stanifer, Mrs. Douglas Dunn and Mrs. Lyle Hayford.

Mrs. Meeks Talks To Woman's Club

CLINTON — "Every Child Deserves a Chance," was the title of a talk given by Mrs. James Meeks for the 22 members of the Clinton Woman's Club, at the Community Center, Wednesday afternoon.

Mrs. Meeks described her work as special education teacher in the Clinton Community Schools.

Mrs. Meeks said it is necessary to have the cooperation of the community, the teachers, and children, in order to be successful in teaching the educable mentally retarded children, and local parents have been especially cooperative.

If only one child in a class is prevented from going to an institution, special education can save the cost of the teacher's salary, she said.

Over 100 causes are known for impaired or incomplete mental development and another 100 causes are suspected. Mental retardation occurs at all social and economic levels regardless of race or nationality.

Mrs. Meeks said that if it were possible to get these children soon enough to educate, give them security enough, and do away with tension, they could become almost normal.

Among Mrs. Meeks' group, which numbers 12 to 16 children, there are three pupils who were 14 years old who couldn't read until they learned in her class. She teaches them to be neat and clean and to be self-reliant.

With special education many obtain jobs and many of the boys can pass the draft examination and serve their country. In a special group of this kind they find friends. Both boys and girls are taught to cook.

Mrs. Meeks exhibited some of the handicraft of her pupils and some of the books they read, including the special issue of the Reader's Digest adapted to the fourth-grade level.

She concluded her remarks by saying that, "With proper training and guidance 95 percent of the mentally retarded can learn to blend into the adult world if the general public will understand and help them. Only five percent are severely handicapped and require institutional care.

Mrs. Hans Schmidt, the president, announced plans to appoint a committee to work with other community organizations and the Community Chest to plan for ways to remember the senior citizens, the needy, and the unfortunate at Christmas time, as well as in other projects in their behalf.

A centerpiece of orange Japanese lanterns, money plants, and snow berries enhanced the tea table which was covered with a gold lace tablecloth. Those serving were Mrs. Dwight Service, Mrs. Paul Hoyt, Mrs. Harry Werth. Mrs. William Kershner poured tea.

The Feb. 14 meeting will be a "Fun Day" for the members.

Darlene Hahn Guest of Honor

CLINTON — Bride-elect Darlene Hahn was guest of honor at a pre-nuptial shower last Sunday, at the home of her sister, Mrs. Charles Escott.

Co-hostesses for the occasion were Mary Martiny, Virginia Wagner of Adrian, and Judy Robison, who will be bridesmaids.

Miss Hahn, daughter of Mr. and Mrs. Frank Hahn of 204 Litchfield St., will become the bride of Robert Wagner, son of Mr. and Mrs. Milton Wagner, of Adrian, in a ceremony Saturday in St. Dominic's Catholic Church, Clinton.

A variety of pretty gifts were presented to Miss Hahn by the 25 friends and relatives present.

A tiered bridal cake was a feature of the refreshments.

News From Boysville

A new radio has been installed in Dettman Recreation Hall. Brother James Spooner made adapters for the speakers so that the sound could be heard from anywhere in the hall. The maintenance men installed the radio in the closet of the Rec Hall and the speaker boxes on the wall.

Brother James Bergman, the person in charge of Dettman Rec Hall, said that the radio is permanent and that it will be taking place of the juke box.

Last week the new weights that were ordered by Head Coach of Football, Mr. Alan Burnett, arrived for the use of the upcoming varsity football squad.

The weights were placed in the gymnasium and groups of boys have been assigned for various times to "work-out" in hopes that it will strengthen the future varsity squads for the Fighting Knights.

The weights consisted of 12 fifty-pound plates and 3 weight bars. It was stressed by Mr. Burnett that only the boys that are coming back next school year for football are to use them.

On January 22nd the second semester for the '67-'68 school term will begin here at Boysville's Thomas More High School. On January 18 and 19th all of the students will be engaged in taking semester exams. This year classes will be passed on a semester basis which means that if a person should do poorly the first semester he does not have to worry about losing a credit because if he can bring his grade up to passing in the second semester he can receive a half a credit instead of losing a full credit for one semester of poor work.

Holy Rosary Chapel on the Boysville Campus received a new organ brought from Wurlitzers in Detroit. The new Allen Organ embodies a concept of traditional organ design and registration, together with the most outstanding tone that can be received from an organ of this kind. This type of organ is the only kind of organ with stop specifications that include practically all of the most traditionally used voices.

The organ that duplicates a pipe organ as this one does includes eight full octaves of pipes, starting from the deep 16 pedal tones and continuing through the high pitched two steps.

The organ was placed down with the congregation of the church and the speaker boxes, which number three, were placed in the balcony in the back of the chapel. The organ will be used to assist in the singing at Sunday Mass here on the Campus of Boysville.

In the most recent issue of the "Campus Info," the Thomas More High School newspaper, Brother Alexander Buckley has entered an account of the life of Mr. John Milner. Mr. Milner retired from the maintenance department on October 1, 1967 after long years of work for the interest of Boysville.

Mr. Milner also worked here on the campus when it was owned by Henry Ford before it became "Boysville."

The engagement of Trina Ann Mattis to Robert Saul is announced by her parents, Mr. and Mrs. Merval Mattis, 601 Jackson St., Clinton. Miss Mattis is a graduate of Clinton High School. She attended Ferris State College and is a graduate of Cleary College. She is employed as a bookkeeper by the Satellite and Discount Photocopy in Ann Arbor. Mr. Saul is the son of Mrs. Rollin Saul of LaSalle and the late Rollin Saul. He is a 1965 graduate of Ferris State College in Mechanical Drafting and is employed by Toledo Scale Co., Toledo. A fall wedding is being planned.

FORTY YEAR WATCH — Fred C. Dickinson was the surprised recipient of a self-winding gold watch with the Masonic emblem on the face at the regular meeting of Lodge Chapter 69 F. & A. M. Jan. 12. [illegible] master, made the presentation to honor the secretary for his 40 years in that office. Mr. Dickinson took over from his father, Willis S. Dickinson, who served 25 years as secretary. "I was stunned, I couldn't say anything," remarked the elated Fred. He later commented that the thing he treasured most about his years with the lodge was that he was allowed to confer all three degrees of the Blue Lodge on his son, Fred F. Dickinson.

City-Underwood Trial Postponed

Tecumseh's condemnation suit against George Underwood, local resident and Clinton auto dealer, may not go to trial until March, if a resolution passed by Council Tuesday night is accepted.

Due to illness of Mr. Underwood's attorney, a request was made to the city for re-scheduling the jury trial, which will determine if the city gains possession of approximately 25 acres for a new well field.

Tecumseh's resolution allows for extending the trial date, if Mr. Underwood will allow the city to put down some more test wells on the property. One observation well is already down.

The trial was originally scheduled for Tuesday, but the attorney's illness forced postponement until next Tuesday, Jan. 30. Even then, the case may not be heard as it's listed as an alternate on the court's agenda.

Another problem confronting the city are bids for construction. They were received last fall, and when the city was unable to obtain possession of the property, contractors were asked to hold them until Feb. 1.

City Manager Cal Zorn believes most of the bids will be honored until Feb. 5. However, if the trial is not heard until March, he says the bids will probably be voided.

Mr. Underwood, who does not want to sell or depart with the 25 acres, is opposing the condemnation. If the suit is successful, it will split a portion of his property along River Raisin.

The site is just north of Tecumseh and west of the Kaiser and Loveless Rd. subdivision. City reportedly offered Mr. Underwood $1,000 per acre for the land.

When the car dealer declined the offer and said he didn't want to sell, City officials authorized condemnation. At this stage Tecumseh Township, in which the site is located, entered the case since local officials had not discussed right-of-ways and other factors, related to the township and its residents in the subdivision.

Credit Union Open House Is Saturday

The Tecumseh Products Credit Union will hold open house Saturday, Jan. 27, from 10 a.m. to 4 p.m., to celebrate the completion of its new addition and modernization of its present facilities at 417 South Maumee St.

The new addition has a board meeting room, posting and equipment room, offices for the manager and treasurer, storage space in the basement. The addition was necessitated by the rapid expansion of services, lack of storage facilities and to provide for the future growth of the Credit Union. The building now has 2240 square feet of office area.

The Credit Union was organized in July of 1956 with 38 members and $352.00 in assets. In the following 12 years, through the cooperation of the Tecumseh Products Company and its employees, the Credit Union has grown to nearly 3,100 members and about $1,900,000 in assets. A total of $8,400,000 in loans have been made to members since organization. Approximately 70% of the Products employees are members.

Raymond Frost, president of the board of directors, is the only member of the original board of directors still serving. His first position being secretary until his election to the present post in 1964. Joe Dziachan was appointed treasurer in September of 1956 and still serves in that capacity.

The open house is for the Credit Union membership and the general public. There will be refreshments, favors and door prizes.

It has also been announced that the next annual meeting dinner is scheduled for Feb. 24 at the Union Hall.

Jaycee Follies Open Saturday at Strand

By CAROL HOWELL

Advance tickets are still on sale for the third annual Jaycee Follies, which plays this weekend at the Strand Theater. In addition to 8 p.m. shows on Saturday and Sunday, a matinee is scheduled for Sunday at 2.

Names of several of this year's comedy headliners are familiar ones. Ginny Snyder, Alda Pickard, Dorothy Hoffman, Myrna Harris, Louise Lawson and John Howell have been seen in many other local productions.

They are joined in specialty numbers by Lillian Bilby, Theresa McComb, Ann Hartwig, Brenda Johnson, Carol Howell, Della Beevers, Norma Wonderly, Ann Osburn, Jan Slusher, Kathy Locker, Sandy Harris, Ron Albert, Ray Shelton, Dave Henning, Earl Harris, Webb Slusher, Dennis Bryan, Jerry Ford, John Wakeford, Darrell Staup, Dean Sheldon, Fred Johnson and Charles Robinson.

Equally familiar are the talents of the musical soloists: Betty Flanders, Dennis Bryan, Patti Mull, Mary Dagnon, Jamie Danforth and Dave Wood.

Additional musical numbers feature Gerri Comfort, Donna Butler, Brenda Johnson, Pat Hike, Jane Keller, Rosemary Harrold, Jan Slusher, Carol Baker, Phil Baker, Dinah Wakeford, Millie Albert, Kay Force, Myrna Harris, Kathy Locker, Jo Force, Vickie Ford, Claire Helms, Norma Wonderly, Maria Schoonover, Charles Robinson, Ray Shelton, Fred Johnson, Jerry Ford, Sandy Harris and Ron Albert.

Junior Rockettes, Tecumseh High School students who form a precision dance line, are: Teresa McClain, Sandy McKenzie, Jane Abner, Ruth Ann Velandra, Debbie Cote, Melanie Hensen, Erie Kelly, LeeAnn Schneider, Mary Pat Puffer, Diana Dunbar, Jamie Danforth and Marie Hoffman.

The Follies is a peculiar phenomenon.

There are those, in fact, who wonder at the enthusiasm generated by several dozen non-performers who, after only two weeks of rehearsal, consider themselves ready to appear on stage before the entire town for the purpose of singing, dancing or otherwise cutting up.

However, the admittedly-inept (for the most part) Follies "stars" don't seem to be bothered by their lack of experience.

One reason, of course, is that it's all for a good cause. Follies profits always go toward Jaycee-sponsored community service (notably, in the past, the campaign for new lights for the high school athletic field).

But there's more to it. Perhaps, behind every exterior, there beats a heart of purest ham, and the Follies provides an opportunity to indulge it.

Whatever the reason, those who do find themselves a place in the Jaycee Follies (and most of those beyond the footlights) enjoy the experience.

Professional direction is largely responsible. Nobody but a veteran choreographer could simplify a dance routine to the point where it can be mastered by a group of amateurs in so short a period of time.

Nobody but an experienced performer could successfully stage and direct non-actors in the variety of musical and comedy

Commission OK's Speedway Stock

The Securities Exchange Commission on January 23 authorized the over the counter public sales of stock in the Michigan International Speedway, Inc.

The stock is being offered in units consisting of 20 shares of Common Stock valued at $5 per share and a $400 debenture. The stock will be limited to 6,000 units at the $500 per unit value.

The speedway to be located near Cambridge Junction will soon be under construction according to officers of the corporation in Detroit. The final design has been completed and plans are moving ahead with the first race to be scheduled for the raceway on October 13.

Considerable work already has been completed at the Speedway site, just west of Cambridge Junction.

Approximately 80 acres, including a swamp, have been cleared and a drainage ditch of almost one-half mile constructed.

The modified oval and road course tracks have been staked out.

Holloway Construction of Wixom is expected to start actual construction, including additional grading and clearing, within the next week or two. In the road course, many of the dips and slopes are expected to be retained.

First race has been scheduled for Oct. 13 and will include about 15 Indianapolis-type racers.

Perspectus and purchase of stock are available in Tecumseh through an agent of a brokerage firm.

7 Accidents Investigaed by Police

Tecumseh Police investigated seven accidents during the past week, one involving minor personal injury. Seven drivers were cited for driving infractions. The investigations included:

Jan. 13 — A car being driven by Bradley S. Hoffman, 17, 206 Democrat, struck a car being driven by Patrolman Gerry E. Greene, 27, 500 Outer Dr., in the rear. Patrolman Greene is with the Tecumseh Police. Hoffman was cited for failure to stop in assured clear distance ahead.

Jan. 17 — On S. Oneida St., Ethelyn Claxton, 61, Brooklyn, backed into a car owned by Edward Solarski which was parked at the time.

Jan. 17 — S. Pearl St. at W. Chicago, Billie L. Chapman, 30, 109 Burt St., was cited by police for failing to yield the right of way as his car struck a car being driven by Earl N. Opel, 48, 303 W. Maple St., at the intersection.

Jan. 18 — Felipa Rodriguez, 38, of Adrian, traveling on Russell Rd., at Union, was struck by another auto driven by Eldon L. Walker, 33, also of Adrian, causing extensive damage to both cars. Walker was arrested for failing to yield the right of way and for no insurance on his car.

Jan. 18 — N. Evans St. was the scene of an auto mishap when a car being driven by Jesus Guizar, 19, 704 S. Pearl St., slid across the center line and struck another auto being driven by Florine E. Purkey, 33, 208 Ma-

Council Petitions To Be Available on February 5th

Petitions for Council will be available at city hall on Feb. 5, Ver Zornow, city clerk, announces.

Dealine for filing is on Feb. 19.

Four seats are up for the April election. They are presently held by Mayor Harold Easton, Don Sunderland, George McCombs and Dr. Carlton Cook.

Other councilmen are William Holmes, Ray Puffer and Gene Tuckey.

New Priest Is Installed

An installation mass was held Sunday at St. Elizabeth Catholic Church for Fr. Robert J. Handley, successor to Fr. Thomas Collins, who was transferred last week to Wyandotte.

Tecumseh's new priest arrived here last Wednesday.

Fr. Handley was born Sept. 29, 1921, at Port Huron, the son of Fred and Mabel Handley. His early education was at St. Joseph Elementary and St. Stephan High School in Port Huron.

After attending the University of Detroit for one year, he entered Sacred Heart Seminary, and following graduation, he studied theology at Mt. St. Mary Seminary of the West at Norwood, O.

Fr. Handley was ordained a priest at Blessed Sacrament Cathedral at Detroit by Edward Cardinal Mooney.

He has served as assistant pastor at several churches, and was senior assistant to the late Fr. Michael Collins, former Tecumseh pastor, at Harper Woods.

During Sunday's special service, nuns and officers of the various church organizations participated in a processional. That evening, a parish reception was held for him.

The personable Fr. Handley has already met many Tecumsehites and considers the community a "superior" town, and is pleased with his new church assignment.

THE REV. FR. R. HANDLEY

Obedience Class Holds Graduation

Graduation exercises were held for the Tuesday night dog obedience classes taught by Mrs. James Mull. The adult class exercises were held Jan. 12 and 4-H class Jan. 19.

The top four in each class with a possible score of 170 were:

Adult Class

Mrs. Ivan Maynard — sheltie — 165½.

Mrs. Robert Williamson — schnauzer — 164.

Mrs. John Thompson — cocker spaniel — 157½.

Mrs. Dale Clark — poodle — 113½.

4-H Class

Jill Barton — cocker spaniel — 141.

Laura Purkey — poodle — 140½.

Diane Pentinas — mixed — 138½.

Michele Tate — poodle — 136.

Two Are Elected

Allan C. Graybiel was re-elected president at the annual meeting of Adrian Federal last Wednesday, Jan. 17, 1968.

Also re-elected was John M. Surratt, vice-president and secretary. He is the manager of Adrian Federal's Tecumseh office.

Other officers re-elected were: Roy McPhail, chairman of the board, emeritus; Malcolm J. Linehan, chairman of the board; John P. Farrell, vice-president; Harold E. Baily, vice-president; Harold W. Near, treasurer; Helen V. Dyer, assistant treasurer; and Marie E. Itter, assistant secretary.

Re-elected to the Board of Directors for third terms were Kenneth A. Wassink, John L. Tuttle and Dr. William H. Hewes.

'Pit' Unsafe for Skating

"The Pit is unsafe for skating," Don Moffatt said Monday.

The parks and recreation superintendent was most emphatic about his warnings to parents to keep youngsters away from the treacherous ice.

OPEN HOUSE SATURDAY — Wayne Zettel, manager here of the Tecumseh Products Credit Union, and other officers and personnel will host guests and visitors at an open house, Saturday. An addition has been constructed, plus modernization of the offices.

Haeussler Quits City Street Post

Wes Haeussler, former building contractor who became Tecumseh's street superintendent in 1963, resigned Friday, according to Cal Zorn, city manager.

Mr. Zorn said there was no explanation given with the resignation and does not know why Mr. Haeussler is quitting.

He is now interviewing applicants for the position at city hall.

BEHIND PAGE ONE

Julie's going to be there and so is **Bill Thomas**. Navy man Thomas sends the news that **Julie Parrish**, Tecumseh's own **Joyce Wilbar**, is expected to attend the San Diego Indoor Games at the Sports Arena there Feb. 3. "I hope I get to talk to her," Bill wrote. He is the son of **Mrs. Elsie Thomas** who lives with her daughter and husband, **Mr. and Mrs. Glenn Tirb**, 7421 Clinton-Macon Rd.

One never knows what's just around the corner. **Mrs. Richard Wright**, 212 E. Logan St., had 35 answers to her classified ad for a baby sitter. "I found a wonderful person, just around the corner," she remarked as she happily paid the $1.29.

"Hank," the Siamese cat can howl at home now. His mistress, **Mrs. LaMar W. Rufner**, 217 W. Pottawatamie St., was glad to have him back and **Mrs. Egli** was just as happy that the insistent kitty was found. Sidebar — **Mrs. Albert Caesar** warns area residents to get their dogs licensed before the deadline March 1 and also to be sure and have his identification on the animal. She bemoans the fact that the county has no means of caring for a strayed pet and they are promptly destroyed.

"Well, you didn't die after all," said **Christine Fairbanks**, Britton editor as she shook hands with **Bill Sanford**, newly installed on the staff of The Tecumseh Herald. Mrs. Fairbanks was referring to the role of **Lachland MacLachlan** Bill played in the **Tecumseh Players** production of "The Hasty Heart."

Wedding anniversaries are remembered in many ways, glass, silver, gold, however, the **H. J. Heinz Co.** may just be adding another remembrance symbol to marriage anniversaries—pickles. **Mr. and Mrs. Myron P. Dermyer**, 307 W. Cummins St., received just that this week from the soup company. The couple will celebrate their 57th wedding anniversary Sunday. Friends may call on the couple, who are lifelong members of the community and sample their package. Pickles as the symbol of 57 years of marriage? Some people just might be somewhat soured on that idea.

Mrs. Fred Johnson asks us to point out that seats for the **Jaycee Follies** are reserved this year. So, after buying your ticket, be sure to call her at 423-7071, to assure yourself of a good seat on the day you want to attend.

Diogenes, you can put out your light. Personnel at The Tecumseh Herald now know of the honest woman. She came to the office Friday to pay for an extra copy of the paper that she accidentally picked up at the Kroger Store. Now thats about as honest as you can get. Wish we knew her name.

Prizes are needed "to brighten the lives of old people" according to **Mrs. Neville Hart** who conducts games for the patients at Herrick Nursing Home frequently. Auxiliary members assist with the program when the people at the Home win five or six times each. **Mrs Hart** needs a new idea in men's gifts as well as colognes, hand creams and lotions, stamps, etc. for the ladies. "Anyone is welcome to donate articles," **Mrs. Hart** said.

Some fish for a beginner. **Douglas Downard**, 15, was an excited boy Jan. 23 when he pulled from the water beneath the ice on Hoxie Lake, near Hayes State Park, a 15-lb. pike measuring 39 inches long. "I wish you could have seen his eyes," remarked his grandfather, **Fred Handy**, of the Wamplers Lake area, who took **Doug** on his first ice fishing excursion. **Doug** is the son of **Mr. and Mrs. George Downard**, d6919 Green Hwy.

Special Series Of Talks At Local Church

Monday, January 29, at 7:30 p.m. a special series of talks entitled "seminars for Concerned Churchmen," will begin at the First Presbyterian Church. Under the auspices of the Session, the three meeting series will provide the congregation with the opportunity to hear and discuss work and service with persons who are involved in specific ministries today. The talks are scheduled that the church family may better understand how to minister to one another.

The first meeting, Monday, will involve the Reverend Miss Florence M. Lewis, one of the Chaplains at the University Medical Center, Ann Arbor. The Reverend Miss Lewis will discuss her ministry to the patients at the hospital, the feelings of those who are ill, the place of faith in the healing process and what individuals may do in calling on those who are sick.

The series is open to any member of the community who would like to attend. On following Mondays, the Reverend Jack Teague, charlain for the Council of Churches of Jackson, will talk of his ministry to shut-ins and R. D. Mayo, a layman of Westminster Church, Jackson, will consider new life calling and the avenues open to members for the sharing of faith and concerns with the community.

Missionary Speaks To Altar Society

St. Elizabeth Rosary Altar Society members recently heard Mrs. Robert White whose husband, now practicing in Adrian, was a medical missionary in Africa.

Mrs. William Holmes, a member, gave a talk on the benefits she derived from taking part in the pre-synod speak up meetings held recently in the parish.

Methodist School To Be Held Soon

A School of Missions will be held on Sundays during the month of February in the Tecumseh Methodist Church with the Rev. John Lover of the Grace Methodist Church in Ridgeway as co-ordinator.

In addition to Grace Methodist and Tecumseh Methodist, the Methodist churches in Clinton and Macon will participate in the sessions beginning February 4 at 6:30 p.m. Each session will close approximately at 8:15 p.m.

Guest speakers including Dr. Wendell Bassett, executive Secretary of the State Council of Churches; Miss Vivian Otto, former missionary; Dr. Stanley Parkner, E.U.B. Christian educational director; and several Japanese students from Ann Arbor, will open each session with informative talks. Areas of concern for the school include Ecumenicity, Japan, and the Town and Country Church.

Following the speakers those attending will be able to join discussion classes: Ecumenicity led by Aden Mead of Tecumseh Methodist, Japan led by Mrs. James Meeks of Clinton Methodist, and Town and Country Churches led by William Lutz, Detroit Conference religious leader of Town and Country Living.

Classes for children will study Japan with Mrs. Carl Duda and Mrs. Curtis Randell teaching four year olds and kindergartners, Marvel Steinhoff teaching grades one through three, and Mrs. Pat Hatch and Mrs. Robert Bristol teaching fourth through sixth grades.

Youth fellowship groups will be included in the adult opening sessions and will then join their own discussion group to be led in turn by leaders of the participating churches' youth fellowships.

Special additions for the children's division will include the Rev. Thomas Badley of Macon, Miss Otto, the Japanese students, and Mrs. Donald Porteous. Their talks will be designed especially for the elementary school age.

A nursery will be provided each evening for small children.

At the conclusion of each session light refreshments will be served with each participating church serving in turn.

"Finian's Rainbow"

A lively and amusing adventure with an Irishman, a lovely daughter and Fort Knox in the plot will soon be coming to the Glass Room stage of the Tecumseh Community Center. If thus far you have thought it might be the President speaking on the gold drain, you're mistaken. It is a tuneful saga entitled, "Finian's Rainbow" now in rehearsal by the Tecumseh Players.

The casting of the leading characters in the play is now complete according to the director, Mrs. Donald Geiger. Cast in the principal roles will be Dick Egli, who has served as director and actor with the group, John Raymond, WLEN-FM radio personality and one of the pros of the group, and Dr. Richard Hammell remembered as a music man of a couple seasons ago. Returning after his debut with the group last fall in "Hasty Heart," Redmond Burkholder of Palmyra. Portraying the Finian of the title will be Craig Collicott of Jackson, last seen on stage here in "The Tender Trap." The role of Finian's daughter, Sharon, will be an attractive addition to the talent of the group, Janie Tinker of Adrian College. Completing the cast of characters will be new faces Willard and Frances Southwell of Tecumseh, Margene Frownfelder, Chuck Wilder, and Dorothy Wetter.

"Finian's Rainbow," a Broadway hit back in the fifties, will be in rehearsal until the curtain goes up on its opening Feb. 15. The play will run for nine performances.

Season ticket holders may make their reservations now by phoning Mrs. Al Snyder 423-7291 or Mrs. Duane Steele 423-4814. Individual tickets go on sale Feb. 1 at Flanders Music Store.

Mothers March January 30

The Mother's March of Dimes for Birth Defects will get underway Tuesday, January 30, from 5:30 p.m. until 9:30 p.m. In case of inclement weather, marchers will try again January 31.

The drive is being organized by Mrs. Robert J. Koffron Sr., president of The American Legion Auxiliary.

The engagement of Brenda Schneider to David L. Cain is announced by her parents, Mr. and Mrs. Kenneth Schultz, 217 Maple St. The bride-elect is a member of the senior class at Tecumseh High School. Mr. Cain is the son of Mr. and Mrs. Albert Cain, 602 Union St. He attended Tecumseh High School and is employed at Ford Motor Co., Saline. An August 10 wedding is planned.

Linda L. Dean and Steven J. Moore Wed

The Grace Methodist Church, Ridgeway, was the setting on Dec. 30, for the twilight wedding of Linda Lee Dean and Steven J. Moore. The ceremony was performed by the Rev. John D. Lover and Rev. Robert A. Mitchinson.

The bride is the daughter of Mrs. Dale Dean of Ridgeway, and the late Mr. Dean. The bridegroom is the son of Mr. and Mrs. John J. Moore of Bryan, Ohio.

Mrs. Fred Schober accompanied the soloist, Dennis Bryan.

Given in marriage by her brother, James Dean, the bride entered the sanctuary in a floor length A-line gown of slipper satin and re-embroidered Alencon lace. The lace empire bodice featured a high scalloped neckline and long fitted sleeves, with accents of pearl and crystal at neckline and wrists. A chapel train accented the skirt.

The bride's bouffant illusion veil was held to a cluster of silk organza flowers.

She carried an arrangement of a single orchid and stephanotis with moss green velvet leaves.

Matron of honor, Mrs. Link Young of Montpelier, Ohio, was attired in a floor length sleeveless A-line gown of deep ruby velvet. Wide tailored satin bows at the shoulders was the only trim.

Bridal attendants, Mrs. Don Meckstroth of Florence, Ky., and sister of the bride, Cynthia Dean, wore identical gowns. Their headpieces were formed of wide loops of ruby satin forming a bustle effect of tiered illusion veiling. They carried cascades of pink and deep red sweetheart roses with tufts of pink netting.

David Moore, Columbus, Ohio, served as his brother's best man.

The ushers were Patrick O'Neil, Southgate; William Isaac, Worthington, Ohio; David Nofziger, Stryker, Ohio and Lt. John Adams, Quantico, Va.

Francis Allen and Jeff Lett greeeted guests at the church and Margaret Phillips was in charge of guest registration.

Immediately following the ceremony, the bride's mother, assisted by Mrs. Raymond Bird, entertained at the Dean home for local guests who were unable to attend the reception in Ohio.

Mrs. Julian Strong presided at the coffee service and Mrs. Robert Ries served punch.

Later an evening candlelight reception was held at Santa's Lounge, Montpelier, Ohio, hosted by Mr. and Mrs. Robert Robison.

The bridal cake was decorated on alternate tiers with fresh flowers of deep pink sweetheart roses, pale pink miniature carnations and nosegay bouquets.

Fred Dickinson and the Lamplighters of Tecumseh, played for dancing.

Mr. and Mrs. Moore have returned from a wedding trip to Florida and are at home at 224 Cherry St., Bryan, Ohio.

The bride is a graduate of Tecumseh High School, attended Adrian College and is now employed as a receptionist at Mohawk Tools, Inc., Montpelier, Ohio.

Mr. Moore is a graduate of Bryan High School, attended Ohio State University and is a graduate of Electronics Computer Programming Institute, Ft. Wayne, Ind. He is employed by River Steel Construction Company.

VOICE of THE HERALD

Site Is Prohibitive

Should a school building site, costly to develop, be purchased by the Tecumseh School Board?

Development costs — which could run as high as the $112,500 expenditure necessary to purchase the site — seem prohibitive and a waste of tax money.

When the Board signs a purchase agreement for 75 acres of the Robert Fuller farm, it will initiate a program that will be the costliest in the Tecumseh School history.

If authorities proceed with their original plan, one or more bridges will be constructed over Evans Creek. Although a foot bridge should be relatively inexpensive, a bridge to carry buses and other vehicles will be expensive.

A bridge, comparable to the N. Maumee St. bridge, which cost $39,000 about seven years ago, would be necessary and the cost would probably run today between $50,000 and $60,000.

Also included in the original plan is a half-mile stretch of road, running from Brown St. to W. Chicago Blvd. If made a public street and built to city specifications, this cost will exceed $25,000.

Not only does one add in the cost of sewer, water mains and construction of parking lots, the building site might also be included in a special assessment plan for extension of the Evans Creek Interceptor Sewer, possibly, more costs for the schools.

School officials say the site is advantageous as many students will be able to walk. If the building happens to be a middle school — grades six, seven and eight — the number walking would only be about 350. And, this figure came from the schools!

Within a couple of years, Tecumseh will need another building, whether it be a new middle school or high school.

When that time comes, we doubt that the taxpayers will forget the exorbitant purchase price and development cost probabilities.

We would rather see our tax monies used for education, not bridges and streets.

'Young Men of Action'

National headquarters of the Junior Chamber of Commerce must have had the Tecumseh Jaycees in mind when it promoted "young men of action" for its slogan this year.

Local Jaycees have earned the title and should toot their horn this week — National Jaycee Week.

So much of their work goes unnoticed that many in the community fail to realize the benefits derived from their endeavors. Their projects are many, ranging from Little League to purchasing a heart-patient bed for Herrick Hospital.

Admittedly, much of their success is derived from outside support and cooperation — including their wives; however, it takes some elbow grease and some organization to make a project successful.

Tip-of-the-hat this week goes to the Jaycees.

We hope that the community and area residents become fully aware of their efforts and goals, and help them by attending their annual Follies this weekend at the Strand Theatre.

You'll not only have a good time but also support an outstanding organization.

CLOWNING AROUND — The Follies will have funnymen, too, in their upcoming show. They will add many a laugh to the entertainment. From left to right, John Wakeford, Rick Creswell and Phil Baker. Curtain time is 8 p.m. Saturday evening, and 2 p.m. and 8 p.m. Sunday, Jan. 27 and 28.

Wiggins Family Moves to Keokuk, Ia.

Mr. and Mrs. Richard Wiggins and three daughters left Saturday to move to Keokuk, Ia., where he is associated with Sheller-Globe Corp., as director of Industrial relations. Mrs. Wiggins is the daughter of Mr. and Mrs. Earl (Sugar) Woods.

Nancy, 20, a student at Ferris State College, will begin the second semester at the Community College in February. Mary Ann will be in Junior High there and Pamela, a third grader at Tecumseh Acres, will attend elementary school in Keokuk.

"The town is about 18,000 population and situated where the states of Missouri, Iowa and Illinois meet, along the Mississippi River. St. Louis, Mo., is the nearest large city, about 175 miles away," Mrs. Wiggins said. Her husband was formerly associated with Revco in Deerfield.

News From Boysville

The Shop and Drafting classes of Thomas More High School toured the Hydra-Matic transmission plant in Wayne on Jan. 18. The students went through the different departments of the General Motors Division plant. While touring, it was explained to them how the different mechanisms in the automatic transmission are produced and put together. After they toured the production department they then were shown how the transmissions were assembled.

After the tour the boys were addressed on how the apprentice program for General Motors operates.

After leaving the Hydra-Matic plant the students were then treated to a luncheon at Aunt Jemima's in Saline.

★

On Jan. 19, thirty of the Thomas More students traveled to Tecumseh to view the motion picture Dr. Zhivago at the Strand Theatre.

The students who went claimed that they liked the movie very much and thought it a wonderful way to spend an evening after the semester examinations.

★

On Jan. 20, eighty of the Thomas More Fighting Knights attended a dance on the campus of St. Joseph Academy in Adrian. The Girls Athletic Association sponsored the evening of dancing under the theme of "Up, Up, and Away."

Disc jockeys for the casual dance that went from 8:00 to 11:00 were Lynne Quatman from the Academy and Nick Carroll from Thomas More. Midway through the evening refreshments were served by the Hostess Club from the Academy in the form of punch and potato chips.

★

On Sunday, Jan. 21, one-hundred of the Thomas More students traveled to Adrian for an evening of roller skating at the Skate Arena.

The skating party was from 6-8 in the evening. For many of the students, it was the first time that they have ever put on a pair of roller skates and they learned that roller skating can be fun.

Among the activities at the Roller Rink were skating races in which the winners were awarded with a ticket to get a free soft drink at the concession. The evening was enjoyed by all, even Brother Robert Hormann, the Director of Boysville of Michigan.

★

The Thomas More Fighting Knights basketball squad were idle this weekend as they had no scheduled game.

On Jan. 26 they play their last home game of the 67-68 season against the Summerfield Bulldogs.

To date, they have posted a 2-5 won-lost record.

★

The students of Thomas More had no classes this Monday because of the Semester change.

Instead of classes, the students participated in Intramural basketball and those that wished to add or drop a class from their curriculum were given the chance to discuss scholastic standings with Brother Edward Overstreet, Principal of the High School.

On Jan. 13, seven of the Thomas More seniors, Tim Collins, Al Rockwell, Bill Kostka, Mike Connors, Don Goff, Rick LaPalm and Greg Kovacs, scraped the sleep from their eyes at 6:45 in the morning to ready themselves for the trip to Ann Arbor High School to take the College Entrance Examinations Board's Scholastic Aptitude test.

After the test the illustrious seven returned back to the Boysville campus confused, hungry, and mentally fatigued from the 3 hours that composed of English and Math tests. They ate a large meal and went off to rest their minds in the way of sleeping for the rest of the day.

"Stop and Frisk" Law Introduced

State Representative Robert C. Stites (R-Manitou Beach) has introduced in the state legislature a "stop and frisk" law.

The Stites bill would give law enforcement officials authority to stop a person reasonably suspected of having committed a felony or suspected of intending to commit one. Rep. Stites explains that the key word in the bill is "reasonably" and that the responsibility would be placed on the officer to take the action. He went on to explain that the bill was designed to protect society at large and not intended to embarrass anr harass the citizenry.

Stites is a former sheriff of Lenawee County and past executive secretary and legislative aide for the Michigan Sheriff's Association.

Change In THS Schedule

Donald Brazee, athletic director of Tecumseh High School, announces a change in the Varsity and Junior Varsity Basketball schedule.

The Jackson St. John's High School game originally scheduled for Saturday, Feb. 3, will be played at Jackson on Friday, March 1.

A Salute to Our Young Men of Action

NATIONAL JAYCEE WEEK—JANUARY 21-28

Yes, Young Men of Action.... Thanks to You!

In observance of National Jaycee Week, the Tecumseh Jaycees thank Tecumseh's business and professional people, manufacturers, The Herald, local government, civic and religious organizations and the townspeople for their generous support of our community service activities. Only through your assistance can the Tecumseh Jaycees truly adopt the "young men of action" slogan. Foundation of the Jaycee structure — whether it be in Tecumseh or one of the 6,000 plus chapters in the United States — lies in the community and its local chapter, providing young men with leadership and organizational training through community service activities. From its founding in 1915, the strength and vigor of Jaycees has been recognized both nationally and internationally, encompassing such communities as Tecumseh and many worthwhile projects. Here, your Tecumseh Jaycees have participated in building new parks, leading a drive for new football lights, purchase of a new heart-patient bed for Herrick Hospital, sending boys to Boys State, conducting the annual Jaycee Relays for hundreds of high school tracksters, participation in area and regional conferences, donating two fire sirens to the local fire department, and other contributions deemed worthwhile. Your Tecumseh Jaycees did these and other things . . . as "young men of action" with your generous support and cooperation. Your Jaycees are on the move and will continue to strive for worthwhile projects for Tecumseh and its citizens.

He majored in Economics with minors in Management and English. Before entering EMU in the fall of 1966 he attended Ferris State College and Western Michigan University. He will continue his work on a Master's degree in Economics and Business Administration at EMU.

New Minister Has Arrived

BRITTON — The Rev. Kavanaugh A. Loy has arrived in Britton to assume leadership of the Financial Crusade of the Grace Methodist Church Building Fund.

Rev. Loy was guest preacher at the morning worship service. As part of his message, he announced that the church has already received many fine subscriptions to the building fund and the drive is well underway. However, there is need for more special gifts.

A large attendance enjoyed a fellowship dinner after the worship service. Mrs. Howard Haas, Sr., was in charge of preparations.

Following the dinner, a workers' meeting and instruction period was conducted by Rev. Loy. Additional training will be held Wednesday, when a workers' banquet and conference will be held in the church social room.

Saturday, a 12-hour prayer vigil will be held at the church. Pastor John Lover has encouraged everyone to come and spend a few minutes at prayer.

Sunday morning, the Rev. Loy will again preach at the worship service. Sunday afternoon will be visitation.

Five Tories Hit In Double Figures

BRITTON — Five Tories hit in double figures Friday night as Britton posted a league victory over the Deerfield Minutemen, 71-65, for Mom's Night.

The Tories were led by their co-captains, Dave Fairbanks and Jerry Korican, who scored 24 and 14 points, respectively. Sophomore Jim Brown contributed 11, and Jim Skelton and Gordon Henning each added 10 to round out the balanced attack.

Mothers of the junior varsity and varsity players and cheerleaders were honored in special ceremonies, as they were each presented with a red and white carnation corsage and introduced at the half-time break.

Britton took the lead early in the game and led all the way, but it was nip-and-tuck as the Deerfield squad threatened constantly. Britton finally opened up an 11-point lead in the 4th quarter, their biggest of the evening, and then held on to down their traditional rivals by the final 6-point margin.

Doug Duval led the Minutemen with 21 points and 20 rebounds. Lenawee County scoring leader Tom Forche added 19 points for the losers.

The win keeps Britton in the scramble for 1st place in the River Raisin League. Sand Creek and Summerfield also won Friday, to keep them in a 3-way tie at the top.

The Tories face two league encounters next weekend, as they travel to Sand Creek Friday night, and meet Boysville at home on Saturday.

Sand Creek, like Britton, has a 5-and-2 record in league play, while Boysville is 1-and-5.

BRITTON

Fairbanks 12-0-24; Korican 4-6-14; Henning 3-4-10; Skelton 4-2-10; Brown 3-3-11; Henry 0-2-2.

DEERFIELD

Duval 9-3-21; Forche 5-9-19; Gilson 3-1-7; Piotter 5-0-10; M. Seiser 4-0-8.

Tories Win Fourth Straight

BRITTON — The Britton cagers continued their winning ways when they traveled to Waldron Saturday night for a non-league tilt, as they overcame the Spartans 62-53.

It was the fourth straight win for the Tories in the last two weeks.

The tall Tories over-ran the Spartans in the first quarter 20-9, and were never threatened by the outcounty team.

Coach Jim Landfair got a good look at his second line as he substituted freely throughout the rest of the game. Eight Tories landed in the scoring column.

Britton's junior center Dave Fairbanks pumped in 10 points against the hapless Spartans, followed by Jim Skelton with 10; Jim Brown, 8, Lynn Palmer, 4; Don Reeck, 2; Jim Henry, 2; Tom Schroeder, 4; and Gordon Henning, 2.

Senior forward Jerry Korican was side-lined with an ankle injury and did not play.

Britton now holds a 7-and-4 record overall.

Circles To Hold Turkey Supper

BRITTON — The Priscilla and Sunshine Circles will be in charge of the kitchen for the public Turkey supper to be held at the Congregational Christian Church on Thursday, Feb. 1.

The circles are led by Blanche Ivan and Phyllis Patterson.

The Golden Rule and Mary-Martha Circles will handle dining room arrangements. Serving will begin at 5 p.m., with tickets selling at $1.75 and 75c.

"What Do You Think"

BRITTON — "What Do You Think?" will be the sermon subject of the Rev. Duane McNeil for the Sunday morning worship service at 11 a.m. at the Bethel Baptist Church.

He will speak on the second chapter of Ruth, "Handfuls of Purpose" for the 7:30 evening hour.

Sunday school begins at 10 a.m. followed by the worship service.

Youth groups and adult bible study is held at 6:30 p.m.

Mid-week prayer meeting is held at 7:30 Wednesday evening.

The regular monthly meeting of the Women's Missionary Society will be held at the church Thursday, Feb. 1 at 7 p.m.

40 Guests At Party

BRITTON — Forty guests were present Sunday in the Henry Stewlow home to celebrate the birthdays of Mr. Stewlow and Mrs. Mildred Burkett.

Guests included Mr. and Mrs. George E. Burkett and sons of Dearborn; Sgt. and Mrs. Mervin Nye and daughter of Selfridge Air Force Base; Mr. and Mrs. Everett Nye, Dearborn Heights; Mr. and Mrs. Frank Hill, Mr. and Mrs. Donald Stewlow and daughter, and Mrs. Jaye Stewlow and daughters, all of Adrian; Mr. and Mrs. Dewey Gaydosh and family of Onsted; Mr. and Mrs. Richard Johnson and family and Mr. and Mrs. Doug Randolph and daughter, of Tecumseh; and Mrs. Harold Stewlow and family and Mr. and Mrs. Carl Gubbe and family of Britton.

JV Tories On Winning Streak

BRITTON — The Junior Tories have been racking up some wins since the first of the year, taking three out of their last four games.

Against Ida, Britton won, 44-42. Rick Maska was high scorer with 19, including four straight free throws in the last minute of the game.

They lost to Whiteford, 40-48. Maska again was high with 13. Coach Palka is confident they will win over Whiteford the next time they meet.

The Little Tories beat Deerfield, 52-46. High scorer for this contest was Bill Tuberville with 18. Maska and Hetrick each got 6.

Against Waldron last Saturday night, Maska, with 19, and Tuberville, with 14, paced the Tories to a 50-46 win.

Coach Paul Palka has been using a platoon system, playing at least 12 boys per game. He feels this is giving more boys a chance to play, and developing talent for the future varsity.

The JV record stands now at 5 wins and 3 losses.

BRITTON BRIEFS

Sunday dinner guests of Mrs. Clyde Brown were her daughter and family, Mr. and Mrs. Robert Goetz and sons of Ann Arbor.

The annual meeting of the Ridgeway Cemetery Association will be held Feb. 1 at 2 p.m., at the new town hall. Election of officers will be held.

Mr. and Mrs. Bert Moore were Sunday guests of Mr. and Mrs. Tom Gittus and sons in Lambertville.

Tom Korican, Sr., is recovering satisfactorily in Herrick Memorial Hospital after undergoing major surgery last Tuesday.

Annual Yukon Gold Rush To Be Held

To most people the thought of more snow is an unpleasant thought indeed, however, to the Wolverine Council of the Boy Scouts of America, Saturday, Jan. 27, more snow and cooler weather would be nice. That is the date for the Annual Yukon Gold Rush. More than 100 patrols are entered to take part in the event which will take place at Camp Kanesatake at Washington Lake.

The patrols follow a prescribed trail pulling their own sleds. Yukon sleds are built according to specifications developed by the Wolverine Council. Snow sakes the sledding easier, but the Gold Rush is held regardless of whether there is snow or not.

The patrol teams start out on the trail at 9 a.m. and make their stops at 10 stations to demonstrate their proficiency in various scouting skills. Gold nuggets are given at each station, the number depending upon the ability of the patrol.

Local troops taking part in the event will be Troop 4 with 18 members entered. Their leader is James Chambers, also Troop 73 with leader, Tom Cook, and his assistant, Harold Warren, taking 27 members on the venture. Wendell Disbrow of Tecumseh will be in charge of one of the stations along the trail.

● **O. M. (Mac) POWELL**

Services were held Saturday at the Dunn Funeral Home for Mac Powell, 76, of 316 North Pearl St., who died Thursday morning at his residence.

He had been in failing health for the past five years.

Born July 17, 1891, in Meigs County, O., he married Edith Kalpenbach Dec. 23, 1917.

She preceded him in death in November, 1966. He married Mary Baily June 2, 1967. She survives.

Mr. Powell had resided in Tecumseh since 1919 and was a farm machinery mechanic for many years.

From 1956 to 1966 he was a radio dispatcher for the Tecumseh police force.

He attended the Friends Church, was a past commander of the American Legion Post here and a veteran of World War I.

Survivors include two sons, William, Occidental Rd., and John, 303 E. Logan St.; three daughters, Mrs. William (Kathleen) Osburn, 4350 Rogers Hwy., Mrs. John (Josephine) Thomas, of Jackson, and Mrs. Raynor (Pauline) Van Valkenburg, 7764 N. Adrian Hwy.; 23 grandchildren; a stepson, Duane Derbyshire, of Tampa, Fla.; and a stepdaughter, Mrs. Robert (Lenore) Binns, of Ann Arbor.

A sister, Mrs. Leila Johnston, Columbus, O., also survives.

He was preceded in death by two brothers.

The Rev. Paul Brantingham officiated and burial was in Brookside Cemetery with members of the Underwood-Orr American Legion Post assisting.

● **MARION L. DANNELLS**

Funeral services were held Monday in St. John's Episcopal Church, Decatur, Ill., for Marion L. Dannels, 54, of Decatur, who died suddenly early Thursday in Downey, Calif., where he was on business.

Mr. Dannells, a former resident of Tecumseh and Clinton, was president and director of branch plant operations of the York Division of Borg-Warner Corp., and was head of the York plant in Decatur.

Mr. Dannells was born in Toledo, O., July 29, 1913, the son of Marion L. and Gertrude Shapland Dannells. Mrs. Dannells lives in Clinton.

He graduated from Hillsdale High School in 1933, and graduated from Hillsdale College in 1937.

He lived in Tecumseh for five years and on Pennington Rd., Clinton, for four years, and was employed with the Tecumseh Products Co., Philco Refrigeration Corp., and Quaker Oats Co.

Mr. Dannells was a member of the Masonic Lodge Chapter 69, F. & A.M., and the Kazim Shrine in Roanoke, Va. He was the first commander in the new American Legion Home in Tecumseh.

He was active in Boy Scouting, and was the holder of the coveted Silver Beaver award for outstanding adult service to Boy Scouts.

He moved to Decatur in 1961.

He was married to Garnet I. Sleman in Farragut, Ida., Jan. 20, 1945.

Besides his wife and mother, he is survived by two sons, Marion L. Dannells, III, in school at Madison, Wis. and Michael L. Dannells, a student at Bradley University in Peoria; a stepson, Gordon Riemann, Iron Mountain; a brother, Burton C.; and a sister, Mrs. John Truesdale, both of Clinton, and two grandchildren.

Burial was in Decatur.

Mr. Duncan is survived by two sons, Leroy and James, of Tecumseh; and three daughters, Mrs. Betty Lamb of Tecumseh, Mrs. Mary Ingman of California and Mrs. Alice Gonsales of Texas.

The Rev. Paul Brantingham officiated and burial was in Brookside Cemetery.

● **MRS. GENERAL SHERMAN RICHARDS**

Services were held Monday at the Niblack Home for Funerals for Mrs. General (Lucy C.) Richards, 62, of Azalia, who died Friday night at Herrick Nursing Home, where she had been a patient since March 7, 1965.

She had been in ill health for five and one-half years, but death was unexpected.

A lifelong resident of Azalia, she is survived by her husband, two sons, Gerald W., of Britton and Louis E., of Saline; five grandchildren and three great-grandchildren.

The Rev. G. O. Hannevik officiated and burial was in the Azalia Cemetery.

Methodist Youth Host Potluck

Members of the Youth Fellowship of the Tecumseh Methodist Church will host a family potluck supper Sunday evening at 6 p.m., in the Fellowship room of the church.

The event is being sponsored by the youth in answer to many requests to show the films from their summer work project in 1967 at Scott's Run Settlement House, in Osage, W. Va. It is expected that some preliminary plans for this year's missionary work project will also be presented.

Those attending are being asked by the committee to bring a dish to pass, table service and milk for the children. Coffee, tea and cream will be provided.

Anyone interested in the activities of this ambitious youth group are encouraged to attend and to support them in their efforts for odd jobs inside or outside homes.

The money earned from these jobs will be directed to the special needs of the youth. Their services are available by calling the church office or Mrs. Robert Meads, advisor, 423-3064.

State Police To Speak At Men's Club

Troopers and dogs, stationed in Grand Rapids, will appear before the Men's Club of the Tecumseh Methodist Church Wednesday evening at 7:30 p.m., in the Fellowship room of the church.

Arrangements for the program were made by William Norris, president pro tem, with the cooperation of the Clinton State Police Post.

It is expected that methods of dog training for protection and against crime will be the main subject.

All men associated with the church are invited to join the growing membership of the men's organization.

MR. AND MRS. LYLE WHELAN

People-to-People Goodwill Tour

Friday afternoon, Jan. 26, Mr. and Mrs. Lyle Whelan of 3450 Whelan Rd., Tipton, will leave from Metropolitan Airport in Detroit along with forty other members of a twenty-one-day People-to-People goodwill tour which will take them to Peru, Argentina, Chile, Uruguay and Brazil.

The Michigan Citizens will take part in interviews, meetings, and receptions with United States and Foreign Government officials. They will also meet with their occupational counterparts at each stop in the journey. The purpose of the visit will be to learn in person different methods and working conditions in each country they visit and to promote understanding and improve relations between America and people abroad.

The mission by the Michigan delegates is privately sponsored and organized under the People-to-People Travel Program and is endorsed by the National Office of People-to-People, Inc., of Kansas City, Mo.

Heading the Michigan Delegation will be Orville Walker of Boyne City.

Mr. and Mrs. Whelan, the Tipton delegates, live on a centennial farm in Franklin Township, their grandchildren being the 6th generation to have lived on the site.

Mr. Whelan is a director of the Farm Bureau, a past master of the Tipton Grange. He is also a trustee of the Franklin Township Board. Mrs. Whelan is a member of the Minnehaha Temple and is district deputy of the Pythians.

They, along with their son, Wesley, operate a dairy farm, milking between 60 and 70 cows in their present operation, while also engaging in general farming.

They also have a daughter, Joan, now Mrs. Bill Starkey, who with her husband, has spent the past five years living in Alaska. Mr. and Mrs. Whelan visited the Starkeys in Alaska in the summer of 1966. Mrs. Starkey will be home in March as her husband expects to be assigned to Vietnam. He is making a career of the Air Force. They have a small daughter, Fayette.

When asked what special preparations they had made for the trip the Tipton couple remarked that they had purchased a new camera, plenty of colored slides and enough film to last them through their visit to South America.

Republicans Meet

At a well-attended meeting at the city hall Jan. 16, two new officers were chosen to fill vacancies caused by persons moving from the area.

Tecumseh area includes the townships of Tecumseh, Clinton, Macon, Britton and Raisin. County Republican Chairman Mills Swick presided at the election, which saw Mrs. Lynn Hubbard elected area chairman and Mr. and Mrs. James Dahlke treasurers.

Hugh Walter resigned to become more active in the District Two Executive Committee, which consists of Lenawee, Monroe, Washtenaw, Livingston and a portion of Wayne Counties.

It was announced that Mr. and Mrs. Charles Latham and Gary Hanna will be working as co-sponsors of the high school age group, Teen-Age Republicans, or TARS, recently organized in the area.

Senator Gilbert Bursley of the state legislature, spoke on items which are soon to be before the new session. Major topics were the Fiscal Reform Bill, which resulted in the state income tax, the Gas and Weight Tax or the Good Roads Package as it is commonly referred to, Sunday Liquor legislation, the State-wide Lottery, Daylight Savings Time, Fluoridation of Water Bill, Legalized abortion, Court Reorganization, particularly as affects the present justice of the peace system, Open Housing, Greyhound Racing and the revenue from the new state income tax as of the end of the year.

Senator Bursley also said that State Representative Robert Stites had been commended by a member of the opposite party at a recent meeting. This man spoke highly of Rep. Stites, complimenting him for "objectivity and clarity" in the "remarkable job" he is doing in representing his district.

More crises in the school aid situations around the state may be imminent, according to Senator Bursley; and as a recent example he cited the difficulty the area schools of Inkster are having with budget problems, a meeting on which was just that day held in Lansing. Senator Bursley is co-chairman on the committee which will be hearing these problems.

Senator Bursley concluded with the remark that he is available as time permits to visit with any group that may call upon him. Address requests to Senator Gilbert E. Bursley, 2065 Geddes Ave., Ann Arbor, telephone NO 5-7280.

It was announced that the annual Lincoln Day Banquet will be held February 17 at Siena Heights in Adrian, with Lt. Governor Robert Milliken as the speaker. Tickets may be obtained from Gerald DeYoung or Mrs. Hubbard.

You Told Us

By DOROTHY GRIGG

Herald Women's Editor

When all around the wind doth blow, draw the curtains, build up a roaring fire, light lamp and candles and — think of spring, for certainly our January thaw caught cold.

The Sunday evening farewell dinner for Pastor and Mrs. Kurt Koeplin and their family at the Grace English Lutheran Church was attended by 225 people with Ed Mengerink as master of ceremonies.

Arrangements for the event were handled by the Ladies Aid of the church and the dinner featured a decorated book cake initialed with a Bible passage. It was made by Mrs. Arthur Sommers. Mrs. David Youngiove, president, presented a gift of lingerie to Mrs. Koeplin from the Aid.

Gift of luggage was presented to the Koeplins from the congregation by Merrill Gray and a reading lamp from the Boy and Girl Pioneers by Gaza Kish.

Mr. E. O. Keiswetter of Adrian, new representative of the Aid Association to Lutherans, spoke about the pleasant relationship he has had with the pastor.

Pastor Koeplin responded by thanking the church for their kindness and cooperation during his term of service here and for the gifts. He told of the work he will do in his pastorate at Milwaukee, Wis.

John Saling Is Speaker At Legion Auxiliary

John Saling, Lenawee County Civil Defense Director, was the speaker at the January meeting of the American Legion Auxiliary.

He was introduced by Mrs. Richard Eggleston, Civil Defense chairman. Mr. Saling told what the organization is doing in this area to save as many lives as possible in case of a nuclear attack.

He suggested that homes have a food and water supply for 15 days in a basement shelter, where all walls should be impenetrable by dust and any openings such as windows should be covered with sandbags.

Members of the Unit voted to subscribe for the magazine, "Firing Line" for use in the Tecumseh Public Library.

The District President, Mrs. Hollis Cowgill of Morenci, was introduced and spoke stressing getting the membership completed before the Jan. 25 deadline.

Mrs. Kenneth Herrick displayed Christmas cards of thanks from servicemen for the remembrance at holiday time.

The date for the annual Legion birthday banquet was set for March 23.

Cake, Jello and coffee were served.

Top County Dairymen Are Honored

More than 100 persons attended the dinner meeting of Lenawee DHIA at Rome Grange Tuesday afternoon.

Featured speakers were Boyd Rice, Michigan director of the American Dairy Association, and Martin Wilson, field dairyman from Michigan State University.

Among the top 10 dairymen members in Lenawee County who were honored for their DHIA records were:

- James Squires, Squire Ridge Farm, Britton, whose 35 cows produced an average 15,142 pounds of milk and 558 pounds of butterfat.
- Raynor Van Valkenburg of Tecumseh, whose 29 cows produced an average 15,325 pounds of milk and 557 pounds of butterfat.

Assisting here in the distribution at the Tecumseh plant are Kathy Diedrich, payroll secretary, and Karen Bruce, personnel secretary.

District Nurses Meet

Preceding the business meting of the Lenawee District Nurses Association held Jan. 18 at Bixby Hospital, Dr. Robert Greiner gave an instructive talk about cystic fibrosis: symptoms, diagnostic tools, treatment and research.

During the business meeting, President Edith Guss announced that a drive to buy bonds to support the Michigan Nurses Association building fund will be emphasized during Michigan Week.

An M. N. A. Gram has been sent to Mrs. Lavern Moll, Director of Nurses and to all the nurses at Herrick Memorial Hospital, congratulating them on achieving 100 percent membership in their professional association.

Plans are in the offing for a card party to be hld April 24 in the Blue Flame Room. Tickets will be $1.00 per person and will be available soon.

If any Lenawee nurse is interested in running for a position on the state association level, ballots are now available.

Beginning Feb. 28 and for each Wednesday thereafter until Dec. 3, one-day conferences will be held in Lansing for nurses in each section. It is hoped that some of the Lenawee nurses will be able to attend these sessions and report on them at the monthly meetings.

Refresher courses for inactive nurses will be offered beginning Jan. 29 for four days a week, 9 a.m. until 2:30 p.m., for a total of 12 weeks or 240 hours. The program is supervised by the Washtenaw Community College and the clinical work is done at the Veterans' Hospital. There is no charge, textbooks are supplied. A minimum of 15 nurses is required. Anyone interested is asked to contact Mrs. John Hathaway, 929 W. Beecher, Adrian, 263-5145, or Mrs. Robert Guss, 328 N. Maple Grove, Hudson, 448-8090.

The next meeting will be Feb. 15 at 7:30 p.m., in Bixby Auditorium and will highlight the work of the Public Health Department.

Ernest Oliver Speaks At Tourist Assoc.

Ernest Oliver spoke to 85 persons attending the meeting of the Irish Hills Tourist Association Jan. 18 held at Carmers Restaurant in Brooklyn.

Members of the Brooklyn Tourist Association were guests when geographical boundaries of the area were discussed as well as [illegible] board locations in conjunction with those of the Michigan International Speedway.

Fred Bahlau, president, said that the plan for lighting is to use mercury vapor lights from Egan Hwy. at the south end of Wamplers Lake to Breman Hwy. at the east end of Evans Lake involving both Franklin and Cambridge Townships.

Committees were appointed following the meeting to handle the lighting as well as the sign board situations.

Exchange Clubs Hold Mid-Winter District Meeting

The Hon. Edward S. Piggins, circuit judge of Wayne county, was the speaker at the Annual Mid-Winter Conference of Michigan District Exchange Clubs. He called on all delegates to become more involved in crime prevention activities in their home communities. Ray Dollison and Robert Ries attended as delegates from Tecumseh Exchange Club.

The next meeting of the club will be Jan. 22, at 6:30 p.m., at the Odd Fellow Hall when further plans for Crime Prevention Week, Feb. 11 - 17, will be discussed.

Seaman Tracy Oliver, son of Mr. and Mrs. Ernest H. Oliver, 201 Maple St., spent Christmas holidays with his parents. He returned to Treasure Island near San Francisco for further training in advanced electronics.

Judy Wilson Is HS Homemaker

By RUTH HOOVER

Because she finished first in a written knowledge and attitude examination for senior girls Dec. 5, Judy D. Wilson, daughter of Mr. and Mrs. Arnold Wilson of West Clinton, has been named 1968 Betty Crocker Homemaker of Tomorrow for Clinton High School.

Judy's achievement has made her eligible for state and national scholarship awards and has earned her a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search. This is an annual event, with 603,798 girls from 15,079 schools participating this year.

Judy is in her fourth year of 4-H work and is very active in the Friend's Youth Fellowship of the Tecumseh Friends Church. She was a delegate to the Leadership Training Conference of the Friend's Church Youth in Colorado Springs, Colorado in the summer of 1966 and at present is secretary of the Tecumseh Friends Youth.

Classmates at Clinton High voted Judy "Miss Congeniality" in the mock elections held this fall. She plays the piano as a hobby, has played the French horn in the school band and has been a member of the Art Club, the Spanish Club and the French Club at C.H.S. She assists Mrs. Ruth Brown in the Clinton elementary school as a first grade student teaching assistant one hour each day.

Judy has plans for college next year at Michigan State but hates to leave her quarter-horse "Redman" behind. Judy has been a homemaker for many years, according to her mother, yet has found time for swimming, skating and other active sports which created a good balance.

Funloving, athletic "tomboy"

JUDY WILSON

Judy Wilson quietly took the Betty Crocker Test given all senior girls last Dec 5 and finished first at Clinton High School, which makes her Clinton's Homemaker of Tomorrow for 1968.

Judy's mother, Mrs. Arnold Wilson, was not too surprised when told that the sterling silver charm award represented "not the practical skills of cooking and sewing," important as they are, but the outstanding qualities and understanding of fine homemaking values stressed in the hour-long test.

For Judy, according to her mother, has been assuming all aspects of homemaking and childcare as part of her basic training for life since she was a little girl.

Judy's life has been well rounded and balanced between school work and extracurricular activities, the Tecumseh Friends Youth Group, her 4-H club and her hobbies of horseback riding and care of her horse, swimming, skating and other water sports.

Memoriam

In loving memory of Raynor S. Ross who passed away one year ago Jan. 31.
I cannot speak your name Dear
Love but that the tear drops start.
God has you in His keeping. I still have you in my heart.
My tears have fallen on your grave in deepest grief and sorrow,
And they will, Beloved, 'til we meet again on the Great Eternal Morrow.
Loved, remembered and sadly missed by a friend. 1-25p

Novi Scalped

By GINA GREEN

CLINTON — Coach Dick Content's entire Redskin squad manhandled Novi, Friday, to the tune of a 70-53 victory.

All it took to get the Redskins rolling was a good start from the first string and, from then on, the second and third strings were allowed to show their stuff.

They did just that — carrying the load for most of the game, which saw everyone in the action and 14 of 15 players adding to the total.

Novi was allowed to come no closer than they were at halftime when the Redskins had a 35-27 lead.

Mike Jurasek was the only Clinton player in the double figures column with 11 points, but with 14 men scoring, little else was needed.

Novi was led by Mark Gilbert with 14 points while teammate, Gary Boyer, added 10.

Clinton Topples Addison, 62-51

By GINA GREEN

CLINTON — The Clinton Redskins continued their winning ways last Tuesday when they invaded Addison for a 62-51 victory.

Maintaining a balanced attack throughout the game enabled the Clinton squad to widen the margin, which, at halftime, had been narrowed to a single point.

Butch Hoelzer led the Redskin scorers with 27 points, aided by Paul Papsdorf with 12 and Jim Schuler who pitched in 10.

Panther top scorers were Steve Prange, Jim Ray, and Bill Edison with 12, 10 and 10 points respectively.

Dennis Pickford also added 11.

GAA Varsity Win 39 Straight

Girls Athletic Association basketball teams have had two successful victories over Madison's girl's teams.

Jan. 10, Tecumseh Varsity won 53-10, paced by Peggy Martinus who scored 15 points.

The Junior Varsity defeated their opponents 32-5 with an outstanding performance by forward Jackie Rodgers.

Second meeting with Madison at Madison proved to be stiffer competition for the JV's who squeezed through with a final score, 16-13. Polly Fielder and Linda Marine played fine defensive games.

In the second meeting, the Varsity girls went for their 39th straight win. Peggy Martinus, with 19 points, was again high scorer as the score tallied 36-21.

GAA met Napoleon January 24 at 7 p.m. at Napoleon.

State Examiner To Aid Taxpayers

Starting next Tuesday and each Tuesday thereafter through April, an examiner for the Michigan Department of Treasury, revenue division, will be in the Lenawee Courthouse for the purpose of assisting taxpayers in preparation of their Michigan income tax and intangible tax returns.

The examiner will be in the supervisors' room from 9 a.m. to 5 p.m. The assistance is free.

Three In YMCA Meet

A competitive swim meet will be held Monday at the YMCA in Adrian at 7 p.m. Three Tecumseh swimmers will be participating in the meet. They are: Laurie Hohenstein, Doug Eggleston and Dennis Kaechelle.

THS Racks Up Highest Total

The Tecumseh High School Indians no longer find themselves as the tenants of the Huron League basement. In a fine display of a full court press and team depth, the Indians downed the Airport Jets on their home court, 102-80, Friday night. It was the highest total by a Lenawee County team thus far this season, also the highest combined total. The point total also stands as the highest made by a team under the coaching of Vic Lawson, and one of the highest in the school's history.

The Indians mounted a scoring attack at the outset and maintained it throughout the game. The first period saw them leading by a 22-13 score. By employing a full court press, the team simply outran and outshot the Jets and pulled to an even bigger margin at the midway point, leading 51-32.

The Indians, behind their well-balanced attack, managed to stay ahead by 10 points or more throughout the contest, with the only Airport threat coming late in the third period when the Jet team warmed and out-scored the visiting Indians, 17-4, over a four-minute interval. The Indians came back to outshoot their opponents, 32-18, in the final stanza to insure them of their finest effort thus far this season.

Their superior depth paid off in the box score also, as the Indians were able to place seven men in double figures with Jim Upell leading the way with 17 points, followed closely by Jim Mobley's 16. High point honors for the event, however, went to the Jet's Gary Conant and Wayne Hamilton as each dropped in 19 points in the losing cause.

It was an overall victorious evening for Tecumseh fans as the Tecumseh Jayvees also registered a win, downing the Airport Jayvees in a convincing fashion, 61-32.

Navajo Indian Relief Project

In response to a cry for help from the Navajo Indians in Shiprock, N. M., and Window Rock, Ariz., the Commission on Missions of the Tecumseh Methodist Church has initiated a Relief Fund to be sent to these areas to aid in the basic needs of these people, many of whom are still quite primitive.

In answer to a letter sent by Mrs. Carroll Sprague, chairman of the commission, Rev. Maurice Haines of the Shiprock Methodist Church stated that Indian rescue workers had never encountered anything like this plight before but they had done a marvelous job.

Initially, aid was offered in food for the people themselves, fuel for their stoves and fireplaces, and feed for their livestock, many of which were snowbound to the point that they were unable to move. Airlifts eased the situation somewhat, but the fact that many of these Indians live in hogans, whose location is only known by friends or relatives, has complicated the rescue. Many of the Navajos speak no English nor do they provide for their own needs more than a day in advance. So the storm, which paralyzed the area, caught many Indians with few or no provisions.

Government aid has eased the situation for the moment but another severe storm is predicted for the area and thaws will uncover losses yet unknown. With these needs in mind, any other organizations which might like to contribute could send gifts to Navajo Tribal Headquarters, Window Rock, Ariz. For further information contact Mrs. Sprague, 423-3024, who reports that approximately $185 has been collected this week.

Yearly Program Outlined

Programs for the coming year were outlined Jan. 16 at the annual meeting of the Little Garden Club of Tecumseh.

"Joy" will be the year's theme, covering such as the joys of new plants, old and familiar — even ancient — flowers, and the joy of learning new ways to grow and use gardens.

With spring will come a class in flower arranging, followed the next month by a mock flower show, when members will both make and judge arrangements.

Two members of the Tecumseh Garden Club will contribute their knowledge and experience. Anne Carson will talk on "Joy in the Old" in describing biblical plants and flowers. Mrs. Neil Pearson will offer both a tour of her own gardens and a talk on English gardens she has visited.

Little Garden Club also will host the annual district meeting of the Federated Garden Clubs of Michigan in October.

Officers installed at the annual meeting are:

President — Mrs. Owen Merrill.

Vice-president — Mrs. Wilbur Andrews.

Secretary — Mrs. William Adams.

Treasurer—Mrs. Carson House, Jr.

Membership secretary — Mrs. Gordon Comfort.

In other business, the group accepted a contribution from the Business and Professional Women's organization toward sending a Tecumseh teacher to a conservation school at Higgins Lake. Mrs. Donald Moffatt, outgoing president, gave an annual report of club activities.

The program included slides of the 49th International Flower Show in New York, presented by Mrs. Carlton Cook, and of the club's own "Bells of Yuletide" flower show in December. Members discussed judges' comments from the Yule show.

Mrs. House was hostess, assisted by Mrs. Laszlo Gero and Mrs. Paul Henning.

Next meeting will be Feb. 20, with Mrs. Morgan Ford as hostess, assisted by Mrs. Robert Bagdon and Mrs. Richard Gobba. The program will be "Joy in the New," with descriptions of new seeds and plants being offered to home gardeners.

save $25
ON INSTALLATION OF A FAST RECOVERY ELECTRIC WATER HEATER
* THIS OFFER APPLIES ONLY TO RESIDENTIAL ELECTRIC CUSTOMERS OF CONSUMERS POWER

ELECTRIC WATER HEATERS CAN BE INSTALLED ANYWHERE

Adaptability—that's one of the outstanding features of a compact, fast-recovery Electric Water Heater. Because it requires no air circulation—no flues or vents—it can be put back under a stairway or even inside a closet or under a counter. That means you can save valuable floor space by tucking the water heater back out of the way. It also means you can install it near the point of greatest use and thereby eliminate long pipe runs and wasted water.

Of course *adaptability* is only one of the many advantages of an Electric Water Heater. It's clean, dependable, fully-insulated and, most important—it will keep you in plenty of hot water!

MRS. CHARLES M. MANLEY SHOWS LATEST RESTORATION PROJECT.

Manley's Restore Old Tipton Home

By MAXINE CALHOUN

George Washington slept here — that's George Washington Allen, and the house is the one with the green glass diamond window, at 3820 Monroe Rd., near the eastern edge of Tipton.

If one buys an old house to restore, it's an added fringe benefit if it has an interesting history, too.

That's what Mr. and Mrs. Charles Manley began to discover as they started to restore the house to the way it looked when it was built in 1906.

The old house was in pretty sad shape after a series of renters had lived there, according to Mrs. Manley, but is now beginning to show the results of the vicorous do-it-yourself style remodeling which the Manleys have undertaken.

"Our friends thought we were crazy when they saw what we had moved into from our nice home in Tecumseh," Mrs. Manley said.

Now, she says, they keep popping in to see what we're doing next.

Even before their marriage 19 years ago, Alice Everlove and Charles Manley visited abandoned houses and day-dreamed about fixing them up.

Way back then, they noticed the house with the "green diamond window" as they went past.

After the Palm Sunday tornado three years ago, when many nearby houses were leveled, the Manleys joined many area residents who came and pondered the freakish results of the storm.

While all the other windows in the house were shattered, only the green glass window was intact, and little else was damaged.

When it was offered for sale last March the Manleys "just had to have it."

When Alice Manley began steaming off the seven layers of old wallpaper, "the years rolled back," until the original paper was revealed.

Gold medallions on a brown and green striped paper, suggested an elegance which gave a clue to the taste of that original owner.

That's when the ghosts of the past began to stir.

The house was built in 1906 as a retirement home for George Washington Allen and his wife, Cynthia.

Mr. Allen's family had come from Massachusetts in 1828 to settle in Franklin Township on Taylor Rd. George was 30 when he married the 15-year-old Cynthia, and they lived on the family farm near Tipton for 42 years, and raised four children, Leon, Nina, Earl and Rena.

Nina Allen married Cecil Billington, who became well known for writing a resource book on "Trees and Shrubs of Michigan." He attended Cleary College, and later helped found Cranbrook Institute. He was employed by the Detroit News.

Cecil Billington built a new home for his wife, Nina, in Detroit, and it was "the last word," according to her mother, Cynthia Allen.

When George and Cynthia Allen decided to retire, they hired the Luce Brothers of Tipton to build an exact duplicate of their daughter, Nina's, home.

A lot of loving care went into the house, according to Raynor Hardy, a neighbor, who told Mrs. Manley he recalled how Cynthia Allen supervised the use of each piece of lumber as it went into the construction of the two-story house. The timbers came from the family farm.

There were closets in every room — a rarity at the turn of the century.

An original feature still remaining is the built-in hutch in the dining room. The original clear glass has been replaced by amber glass doors and new drawers.

The entrance hall is impressive with its handsomely-carved oak railing leading up the open stairway to the landing where the green glass window sheds a soft glow.

It took a lot of digging, scraping, and sanding by Mrs. Manley to remove the several layers of stain and varnish from the railing, but now, that she has uncovered the rosette design in the newel post and the polished natural beauty shows through, it's her pride and joy.

Mr. Hardy told her that Cynthia Allen was just as insistent on perfection when she was overseeing the building of the house.

Another touch of luxury was the dumb waiter in the back stairway, where water from the flowing well in the basement could be brought up in a pail to the kitchen. The dumb waiter has been replaced by a more useful heating duct now.

However, Mrs. Manley laments the fact that the double layers of hardwood floors are covered by asphalt tile, beyond redeeming.

It has been learned that Cynthia Allen brought all new furniture to the house, much of it was wicker, so fashionable in that era, brass beds and birdseye maple dressers, but no antiques.

A focal-point of interest in that long-ago living room was the green glass shaded electric lamp, one of the earliest in the area. It matched the diamond window glass.

Granddaughter, Mrs. Ivan Hunt still has the lamp and many pieces of that early furniture. Mr. and Mrs. Hunt, of Onsted, lived in the house for many years.

Charles Manley is a sales supervisor at Tecumseh Products. The couple has five children, Victoria, 18, attending Siena Heights College; Kathryn, 16, attending Michigan School for the Deaf at Flint; James, 10, Mary, 8, and Robert, 7, all attending Tipton Elementary School.

It was the Manley youngsters who turned over the stepping stones in the back yard and discovered they were really cemetery headstones — for the two wives of the same man.

That seemed a bit too spooky for the family until recently, when it was learned that George Washington Allen had served as sexton at the Tipton Cemetery, and probably brought home the old stones when they were replaced with new ones.

As the Manleys learn more and more about Cynthia and George Allen, the more they have begun to feel as though the house is haunted by their ghosts.

"They must be friendly ghosts who are pleased with what we're doing to the house, because we really feel at home here," Mrs. Manley said.

Mrs. C. Garrison Shows Gold Angel Decorations

CLINTON — The construction of gold angel wall decorations was shown by Mrs. Carl Garrison to the 14 members of the Friendly Gals Craft Club at her home Friday.

Contrived of bits of cardboard, a coat hanger, and miscellaneous materials, then sprayed with gold, the angels are a decorative item to make.

Other members are making the embroidered shopping bags from upholsterers webbing.

Assisting the hostess with the planned luncheon were Mrs. Edward Anglemyre and Mrs. Thomas Pence.

The Feb. 16 meeting will be held with Mrs. Orville Bohnenstiehl.

St. John's Holds Annual Meeting

CLINTON — The annual meeting of St. John's Episcopal Church followed a cooperative supper in Lyster Hall, Sunday evening.

The new officers elected to the Bishop's Committee are: John Mabry and Robert Winder for three-year terms; Mrs. Thomas Carleton, two-year term.

Mrs. Donald Houghton, superintendent, reported for the Church School department, Mrs. John Mabry gave the report for the Episcopal Church Women, and it was announced that the group will sponsor a bake sale at Driscoll's Garage at 10 a.m., Feb. 10, with Mrs. Donald Cutler and Mrs. Fred Wegner in charge.

A budget was adopted with few changes from the previous year.

Duplicate Bridge Club Met In Tecumseh Home

CLINTON — The Duplicate Bridge Club met last Tuesday at the home of Mrs. William Moeller in Tecumseh.

Dessert was served and games were played.

The winners were Mrs. Fred Geiger, Mrs. William Reyner, Mrs. Edward Hunt of Tecumseh and Mrs. Charles Wilson.

Mrs. Arthur Rudel will host the next meeting on Feb. 13.

Darlene Sue Hahn and Robert E. Wagner Wed

CLINTON— Nuptial vows were exchanged by Darlene Sue Hahn and Robert E. Wagner at a 11 a.m. ceremony Saturday in St. Dominic's Catholic Church. The ceremony was performed by the Rev. Fr. Joseph B. Noelke.

The bride is the daughter of Mr. and Mrs. Frank Hahn of 204 Litchfield St., Clinton, and the bridegroom is the son of Mr. and Mrs. Milton A. Wagner, 490 N. Scott St., Adrian.

Wallace Whiting of Tecumseh was the soloist.

Given in marriage by her father, the bride wore a traditional gown of delustered satin with heirloom lace and pearl appliques. The A-line gown featured a chapel length detachable train.

A crystal crown and matching satin petals held the bride's veil of French illusion. She carried a cascade of white carnations and roses centered with a white orchid.

The bride's sister, Mrs. Charles Escott, of Tecumseh, was the maid of honor. The bridesmaids were Virginia Wagner, of Adrian, sister of the bridegroom, Judy Robison, of Clinton, and Mary Martiny of Kalamazoo.

The attendants were gowned alike in Venetian rose crepe, with scooped necklines accented with lace. Matching bows held their circular veils. Their bouquets were formed of shell pink carnations and roses accented with blue hyacinths.

The flower girl was Charlene Escott of Tecumseh, niece of the bride.

Michael Wagner of Albion was his brother's best man.

The ushers were Eugene Hahn, of Clinton, and Mark Hahn, of Sawyer Air Force Base, brothers of the bride, and Charles Escott, of Tecumseh.

The bride is a graduate of Clinton High School, and attended Cleary College. She was employed at St. Joseph Hospital, Ann Arbor.

A wedding reception was held at Leutheuser's restaurant in Saline for 150 guests, Saturday evening.

Following a wedding trip to New Orleans, La., the couple will be at home in Adrian.

The bridegroom's parents entertained at a rehearsal dinner at Bauer Manor.

School Plans Are Explained

CLINTON — The Board of Education met with more than 20 members of the Clinton Chamber of Commerce last Monday evening for an informal discussion of plans for the new school facilities which are being developed.

The school board members answered questions about the plans, and asked for suggestions from their audience concerning the citizens' view of the proposals.

The board plans to schedule meetings with several other groups in the next few weeks, to discuss the school plans.

New Officers Are Installed

Mrs. Edwin McClain installed the officers for the Garden Club at the meeting Friday afternoon at the home of Anne Carson.

Those installed are:

President — Miss Carson

Vice President — Mrs. Neil Pearson

Recording Secretary — Mrs. Doug Sisson

Corresponding Secretary — Mrs. Marshall Coulter

Treasurer — Mrs. Al Helzerman

The Misses Laura and Flora Smith were guests.

Mrs. H. H. Hanna, scheduled to speak, was unable to be present but will be the speaker at the February meeting.

Mrs. Pearson told about the new flowers for 1968 and also the old favorites, petunias, marigold and zinnias.

She told of a new geranium grown from seed that is supposed to bloom the same year it is planted. She plans to raise some.

Miss Carson told of new vegetables and recommended several of her favorites. She told about space age vegetables, a new cucumber named the gemini, a tomato called super-sonic and a carrot, the high pack.

A fresh strawberry dessert was served, to 11 attending, from a lace covered table with Mrs. Coulter pouring beverages. Mrs. McClain and her committee provided the dessert.

Sp/4 Ronald J. Forsyth, the son of Mr. and Mrs. Glenn Forsyth, 3402 Ridge Rd., is on active duty with the 39th T. C. Dir. 3/17 Air Cav. Ron received his boot training at Fort Leonard Wood, Mo., and completed a nine-week air frame repair course at the Army Transportation School, Ft. Eustis, Va. He left California Dec. 6th for Vietnam. He is a 1966 graduate of Tecumseh High School and attended Michigan State University. He was employed with Tecumseh Corrugated Box Co. before enlisting in the Army in Jan., 1967. His brother, Sgt. Jerry Forsyth, was discharged last August after serving 13 months in Vietnam.

Henry Klee Speaks On Poison Control

The Medical Assistants Society of Lenawee County learned surprising facts at the meeting Tuesday night when Henry Klee of Hudson, spoke on Poison control. He told of many household chemicals that the public know as poisonous but there were so many items brought out as harmful that are used daily, yet are not known as poisonous.

Mr. Klee spoke of the treatment used when such substances are taken internally.

Mrs. Gertrude Russell conducted the meeting held at the Adrian Federal Savings and Loan Building. Reports were given and a discussion of the forthcoming trip to the Upjohn Company in Kalamazoo was held.

Refreshments were served by Audrey Mapes and her committee. The next meeting will be Feb. 20 at the Southeastern Mutual Insurance Building with Dr. Locke as the speaker.

Sweet Clovers 4-H Club Hears Hans Hager

Hans Hager, of Holland, spoke at the meeting of the Onsted Sweet Clovers 4-H Club meeting Jan. 8 when 42 members and 37 guests were present.

Hobby Club Make Coat Hangers

TIPTON — The Franklin Hobby Club was held at the home of Mrs. Melburne Smith, 8500 Pentcost Hwy., Thursday, Jan. 18.

Eleven members were present.

Making coat hangers was the feature of the afternoon. Mrs. Barbara Carson brought a quilt block animal pillow and Mrs. Alberta LaPearl brought a swan made from a chlorox bottle and directions for making it. Mrs. Richard Eisenminger won the mystery gift furnished by Mrs. Dorothy Gebarowski.

A birthday cake was made by Mrs. Smith for Mrs. Kenneth Ernst and Mrs. Walter Bale.

The next meeting will be held at the home of Mrs. Barbara Carson Feb. 15, with lunch being served at 12:30. The hostess will be Mrs. LeRoy Heistand.

Big Chief Entries

Entries in this year's Jaycee Follies-sponsored Big Chief contest have been announced.

Selection of the Big Chief is an annual Follies feature. Contestants are representatives of various community service clubs and other local organizations.

Voting is done by the public on the basis of cash donations in specially-marked canisters placed throughout Tecumseh. Each penny counts one vote.

Winner is announced at the final performance of the Follies, Sunday, Jan. 28. Prize is $25 to the sponsoring club, plus a personal gift to the Big Chief himself.

Honors formerly have been limited to men, but the ladies will have a chance to compete this year in a separate, Little Squaw, contest. Voting is done the same way, and another $25 prize will go to this winner's organization.

The Little Squaw will be named, also, at the final Follies performance.

Following contestants are competing for the titles. Location of their canisters is listed after each name.

For Big Chief:

American Legion — Dick Hyatt (Tecumseh Office Supply, Gambles)

Chamber of Commerce — Joe Hayden (Adrian Federal Savings, Eggleston's)

Exchange — Ray Dollison (Van's Bakery, Decorating Center)

Grange — Dean Moore (Flanders Music, Joe's Barber Shop)

Jaycees — Jim Bashore (Kenray's, Green's)

Kiwanis — Harvey Frankhouse (Holmes, D & C Store)

Police Department — Doug Aylesworth (Helms Furniture, Proctor Shoes)

VFW — Warren Filter (Pickard's, Woolworth's)

For Little Squaw:

American Legion Auxiliary — Amy Koffron (Lamb's, Fabricare)

Hospital Auxiliary — Nan Rudd (Colonial House of Beauty, Osborne's)

Jaycee Auxiliary — Vickie Ford (Ousterhout's, Mary Sanchez Beauty Salon)

VFW Auxiliary — Pauline Mueller (Larry's Grill, Gaston's)

The contests are features of the Jaycee Follies. All proceeds from both go to Jaycee-sponsored youth and community development projects.

The 1968 Jaycee Follies will be held at the Strand Theater Saturday and Sunday, Jan. 27 and 28, with an additional matinee performance on Sunday.

Solicitation Notice

Postmaster General Lawrence F. O'Brien says the promoters of phony business directories will find 1968 an ever "rougher" year than 1967.

"Last year two persons were convicted in a U. S. Court for fraudently mailing solicitations which appeared to be invoices for legitimate directories, four other operators were indicted, and several promoters quit to avoid possible prosecution or because public exposure of such schemes reduced their profitability," Mr. O'Brien said.

A recent check by the Postal Inspection Service indicates that the number of fake business directory operators in Southern California—the area from which nearly all of these promoters work — declined from about 20 in January, 1967, to less than 10 in December.

Mr. O'Brien hopes that the Department can virtually eliminate this racket in 1968 as a result of the Inspection Service's stepped-up drive and a provision in the Postal Revenue and Federal Salary Act of 1967. The amendment declares that solicitations in the guise of bills or statements of account are non-mailable unless they contain on their face in large and conspicuous type the following notice:

"This is a solicitation for the order of goods and/or services and not a bill, invoice, or statement of account due. You are not under obligation to make any payments on account of this offer unless you accept this offer."

The amendment will become effective March 15.

Businessmen receiving solicitations which appear to be bills that do not carry this warning are urged to send the proposal and envelope in which it was mailed to the Chief Inspector, Post Office Department, Washington, D. C. 20260.

"We are confident," Chief Inspector H. B. Montague says, "that if the required notice is conspicuously displayed on these bogus invoices it will take the profit out of the racket.

"The sooner we receive evidence that the law is being violated the sooner we can check the fly-by-night promoters who will attempt to ignore the requirements of the Act."

Mr. Montague also anticipates the promoters of fake directories operating from foreign countries will flout the new law.

In the case of foreign promoters the Post Office Department can frequently move promptly to curb a racket of this type. When the Department's General Counsel finds, on the basis of evidence submitted by inspectors, there is reason to believe a promoter in another country is deceiving U. S. mail patrons, he petitions the Department's Judicial Officer to issue a foreign fraud order against the promoter. Through such procedure the Post Office Department denied last year the use of the U. S. mails — and the receipt of funds — to seven directory promoters working from other countries.

Mr. Montague said that through interviews with business and professional men sending checks to the questionable directory promoters "we have found that in almost every instance payment had been made in the belief that it was for listings previously ordered in Yellow Pages or similar legitimate directories."

The promoters of fake directories send out millions of solicitations to businesses large and small, hospitals, churches, attorneys and other groups listed in classified directories. While a directory is usually published, copies are sent primarily to those buying listings. A directory has little or no advertising value for the firms paying up to $85 for a four-line listing, according to the Inspection Service.

When Woman Marine Jane Jenkins and her Marine brother, Larry, were home at 4251 Sutton Rd., they were "ribbed" by family and friends about rank. Jane, pfc, outranked brother, a pvt. Entering the Marine Corps first, Jane enlisted in the Women Marines in June, 1967, through the Marine Recruiting Substation in Jackson, and completed her seven weeks of recruit training at the Marine Corps Recruit Depot, Parris Island, S. C. Jane is assigned to the Parris Island disbursing office and was promoted to pfc in October. Larry enlisted in the Marines last August and completed his eight weeks of recruit training at the Marine Corps Recruit Depot in San Diego, Calif. In addition, he also completed two weeks of advanced combat infantry training at Marine Corps Base, Camp Pendleton, Calif., and is currently attending the Personnel Administration School there. Upon completion, he will be transferred to the Marine Corps Air Station, El Toro, Calif. Both Larry and Jane are graduates of Tecumseh High School. Their parents are Mr. and Mrs. Arthur F. Jenkins. The two Marines were home in December but since they returned to their bases, Larry has been promoted to pfc.

Men's Club Will Meet

The newly-established Men's Athletic Club will meet for the first time Thursday, Jan. 25, at the Junior High School from 7 till 9 p.m.

The club is holding a 10-week session beginning this Thursday for only $5. The club is open to all interested men in the community. Wreckers Level Kuehmann Farm

Wreckers leveled a large basement barn on the former Kuehmann farm, now owned by George Underwood, last week.

A stark wooden skeleton was all that remained of the century-old landmark between Tecumseh and Clinton, since the Palm Sunday tornado three years ago. Known as the 'section farm' for many years, it was one of the show places of its day.

Touch of Past

1858

J. E. Hall has moved into his new brick store. It is a beauty. We understand O. G. Adams will commence repairing jewelry there in a few days.

David Marshall is selling a patent fence, which is far superior to any fence we have yet seen. It is designed for everybody and is portable.

1888

D. Harrison and Son have their ice house filled with a fine quality ice for their use next season in the butcher business.

Frank Wallinger visited his relatives in Clinton Tuesday.

The thermometer registered 4 to 10 below this week.

1898

Call on Will Gray for hand fence weavers and everything in the line of bicycle repairs.

Feed grinding every day at Heck's Steam Mills.

Special invoice sale at Tansley's china store for two weeks.

Captain Chilson went to Detroit Wednesday to attend the meeting of the Lake Carriers Association.

1908

Donald Wright and Mark Mills, members of Tecumseh's Rifle Club, went to Manchester to attend a shoot this week.

Mrs. Jennie Law Hardy returned last night from St. Louis, Mo., where she gave a lecture on Australia, its woodlands, scenery and people.

1918

Fine switches made from cut hair and combings at Miss J. A. Hough Millinery store.

1928

J. J. Belcher, former Tecumseh merchant, died recently in Lansing at 73.

The Rev. and Mrs. Escolme moved this week to their new home, the house being turned over to the Friends denomination Saturday.

1938

"The Beauty Contest," an operetta, will be presented by the Girls Glee Club and the Boys Glee Club at the high school, Jan. 27.

Alva Spayde observed his 91st birthday Jan. 17.

1948

Dr. H. H. Hammel was the speaker at the PTA meeting at the high school. He told of the need for Universal Military Training.

The Michigan Department of Health's blood bank received 54 pints of blood from Tecumseh area residents last week. The blood will be returned to this area in the form of plasma.

Too many dogs are "on the loose" in Tecumseh and police warn they will be impounded unless kept under control.

Earl Updike retired after operating the Mobilgas station at Chicago and Ottawa Sts. for 29 years.

City of Tecumseh population, as of Nov. 1, 1957, was 6,178. Total area population is 8,604.

The Automobile Association of America will conduct a complete survey of parking needs in downtown Tecumseh. Bill Wright is chairman of the off-street parking committee which plans to give Tecumseh downtown area more than 500 parking places.

"Who Am I"

The Rev. Fr. Leon Begue spoke to the Woman's Association of the Presbyterian Church on new changes within the Catholic Church. In asking the question, "Who Am I?" the church is taking a somewhat different direction. He mentioned the increasing role of the layman in Catholic affairs and the Synod "speak-up meetings" which provide an opportunity for clergy and laymen to share their views on the future direction of the church. An interesting question and answer period followed. This program was the first in a series in which the women will further explore the mission study "Christ and the Faiths of Men."

Devotions were given by Mrs. Margaret Kidman. Her theme was "Who Am I?"

The business meeting was conducted by the new president, Mrs. Ernest Lamkin. Other officers included:

First vice-president — Mrs. Fred Feight.

Second vice-president — Mrs. John Lott.

Recording secretary — Mrs. Mendal Decker.

Corresponding secretary—Mrs. John Hopson.

Treasurer — Mrs. Russell Hyatt.

The women agreed to buy a wet-dry vacuum, two magnesium ladders, and seven flower containers for the church. The recent bake sale money will be used to purchase these items.

Mrs. Carlton Cook recommended the reading of "The Passover Plot" by Dr. Hugh Schoifield. There will be several discussion and study session of this book during the Lenten season.

Announcement was made of a series of meetings for interested persons from the community entitled "Seminars for Concerned Churchmen." The first one will be in the Fellowship Center Jan. 29 from 7:30 to 9:30 p.m. The Rev. Florence Lewis, assistant chaplain at University Hospital, Ann Arbor, will be discussion leader for this meeting.

Dates for work meetings at the church were scheduled.

The officers served refreshments. The next association meeting will be Feb. 21 with the Rev. Paul Brantingham of the Friends Church as speaker.

Foundation Accepting Applications

The Niels Hansen Memorial Foundation has announced that it is now accepting applications from high school juniors who are interested in participating in student exchange programs this summer.

The Foundation, established in 1966, to honor the memory of the late Niels Hansen, a German exchange student who attended Tecumseh High School in 1961-62, was killed in an auto accident in Germany in November of 1966, granted scholarships to two Tecumseh High School students last spring.

Arthur J. Collingsworth, chairman of the board of directors of the Foundation, announces that students in the program may obtain more information and application forms as follows:

Tecumseh high school students should contact Mrs. Mervyn Boltz; Adrian high students, Mr. Mark Renfro; and Clinton high school students are urged to write to the Niels Hansen Memorial Foundation, P. O. Box 234, Tecumseh, Michigan 49286.

It has also been announced that at the December meeting of the board of directors, Mrs. Mervyn Boltz, a member of the Tecumseh high school faculty,, submitted her resignation as treasurer.

Elected to replace Mrs. Boltz on the board was Mrs. Wyman E. Service, a retired member of the Tecumseh high school faculty. Mrs. Boltz will continue to assist the Foundation as consultant on secondary education.

Mrs. Service was graduated from Calumet High School and the University of Michigan. She taught for 31 years in the school system before her retirement. She is also a member of the board of governors of the University of Michigan Club of Lenawee County.

Persons and organizations interested in making it possible for more students to participate in the student exchange programs are asked to send their contributions to the Niels Hansen Memorial Foundation, P. O. Box 234, Tecumseh, Michigan 49286.

Suzanne Illeck On Hall Council

Suzanne L. Illeck, 1967 graduate of Tecumseh High School, has been elected to the judicial council of Goodison Hall for the spring semester at Eastern Michigan University. Sue is a future teacher at the University now with a student count of 14,000.

The engagement of Jackee Lynne Jennings to Gary A. Arbogast is announced by her parents, Mr. and Mrs. Clarence Jennings of 1104 Willow St., Tecumseh. Miss Jennings is a student at Tecumseh High School. Gary is the son of Mr. and Mrs. David Arbogast of 100 N. West St., Hillsdale. He is a 1966 graduate of Hillsdale High School. He was discharged from the United States Air Force in Dec. and is now employed at the Ford plant in Saline. A July 27 wedding is planned.

Glenn Schmidt Is In Vietnam

Machinery Repairman 3/C Glenn E. Schmidt, USN, son of Mr. and Mrs. Herman H. Schmidt of 208 W. Cummins, has returned to "Yankee Station" off the coast of North Vietnam following a one-week rest and relaxation period in Subic Bay, Republic of the Philippines.

He is a crew member aboard the 75,000-ton attack aircraft carrier USS Ranger on its third cruise with the U.S. Seventh Fleet and seventh deployment to Southeast Asia.

The Ranger arrived in Subic Bay in time for the New Year's holiday. Many crewmen took the oportunity to visit Manila and other areas of the island during the in-port stay.

The carrier launches its aircraft primarily at supply routes and transportation points in North Vietnam to help impede the flow of supplies to the south.

Talented Director

Preparations for the third annual Jaycee Follies to be held Saturday and Sunday, Jan. 27 and 28 at 8 p.m., at the Strand Theatre, are in full swing. In addition, a matinee performance is scheduled for Sunday afternoon at 2 p.m.

The director of this year's Follies, Vance Henry, of the Jerome H. Cargill Co., N. Y., is a veteran of 12 films, including "Annie Get Your Gun," and "Tea For Two." He also has appeared on the Hollywood stage in a number of musical productions, on television, and in night clubs here and in Europe headlining his own revue.

Singer, dancer, choreographer, director, and master of ceremonies, Mr. Henry brings an unmistakably professional touch to the Follies' production. It will be his 94th show for the Cargill Co.

All material, arrangements and costumes are furnished by Cargill. Sets and lighting are done by Jaycees to the director's specifications.

Tickets are now on sale at Flanders Music, Helms Furniture, Holmes Pharmacy Tecumseh Office Supply and F. W. Woolworth's.

All proceeds from the Follies go toward Jaycees' youth and community development projects.

Holiday Ball Nets $650

Mrs. Thomas Rudd announced a profit of approximately $650 from the holiday ball at the January meeting of the Herrick Memorial Hospital Auxiliary.

Mrs. Albert Caesar, first vice-president, conducted the session when it was announced that volunteers are needed for the visitor's check at the hospital. Mrs. Cal Zorn, 423-4986, will be happy to schedule anyone with some free hours.

Mrs. Wayne Gillespie accepted dues of auxiliary members at the bank during the past week. A change has been made in the By-Laws concerning membership: Anyone three years in arrears of payment of dues (due to first of the calendar year) will be suspended from membership.

Program Chairman Mrs. W. E. Haselwood announced that the March speaker may be a veteran from Vietnam, most interesting to hear.

Cards were played after the business session, with refreshments served by Mrs. William Adams, Mrs. Wilbur Andrews and Mrs. Charles Gross.

Marda Gene Duncan's

Through My Window

ANYONE FOR SUET?

Put four pieces of one by ones, a short dowel, two sheets of coarse mesh wire, a hook and eye fastener, and a small hinge into the clever hands of a Smokey Mountain craftsman. Then put two bird-oriented people into the Highland's Craft Festival. Result — Marda has a new suet feeder. It is a dandy one, too.

After looking at several likely tree limbs, we decided that one of the lower branches of the walnut tree should wear the new feeder. Five minutes after hanging, the first patron came and it has been busy ever since. Nuthatches, the little battleship gray tufted titmice, both male and female downy woodpeckers, and almost the most exciting of the lot, Mr. and Mrs. Hairy Woodpecker, are all daily visitors.

The feeder itself is of a simple design — the one by ones form a box frame, the screen covers the sides while the dowel, placed about half way down and running across, makes a perch.

The ingenious feature is the hinged top which fastens with a hook and eye, just as our old screen doors did, and, which allows for easy refilling. Dad appreciates this, especially since the feeder is so high that only by 'precariously perching' at the very top of our tallest step ladder can he reach it.

Another thing which suits his fancy is the amount of suet it holds — almost a two weeks' supply. It has been such a joy to watch the birds enjoying their new lunch counter. One day, for instance, a dapper downy woodpecker was nibbling and just a few feet away, sitting on a smaller branch which stems from the larger limb to which the feeder was hung, were two tufted titmice.

They were patiently waiting and, when finally their black and white friend finished, one bird took his place while the other dined on the opposite side. When they line up like this, a lot of suet is gobbled down.

THE HAIRY woodpeckers are exciting freeloaders. First of all, their size is always a thrill — nine inches long. Colorwise, they are just about a giant version of the cute downs. Black and white striped heads and backs and white fronts; also like their cousins, the males sport the bright red caps pushed to the very back of their heads while the females go bare headed.

I do believe that the hairy's bill is larger, in proportion to his size, than the downy's. When they sit on the tree limb, trying to decide whether they are hungry or not, I have a good silhouette view of those tremendous beads — wow, that big and heavy bills!

★

THIS IS A big feeder and it seems to attract big birds. Beating the hair's overall length by a half an inch — neither my eyes or judgment are that good, I am going by the size charts in the bird books — but anyway, a bit larger than the hairy woodpecker is the red-bellied woodpecker. His zebra-striped back and bright scarlet head are gorgeous and, as he clings to the wire mesh, we have, oh, such a good view.

The construction of the feeder with the mesh sides is ideal for the woodpecker clan. They all scorn the dowel perch and go right to the business of eating. The pert little tufted titmice, however, show a bit more finesse and, if the suet level is exactly right, they 'sit at the counter'. So do the bluejays when they forget themselves and drop in for a short suet snack.

Perhaps our funniest client is the flicker — he just can't make up his mind whether he likes this new tangled way of eating suet or not. None of his relatives have trouble; upside down, sideways or even right side up they chisel out bites of suet with gusto.

The flicker, though, seems awkward and looks ill at ease. He simply has not mastered the fine art of hanging his 13-inch body on that "thing" and eating. After just a few quick little nibbles, he comes down to our old "tried and true" near the window tray.

So it is that with all of the activity centering around our newest feeder, I am sure the word has gone out and the invitation extended is, "Anyone for suet?"

NEXT WEEK
"I Apologize."

Robert Mason Is Outstanding Crew Chief

Sergeant Robert R. Mason, son of Mrs. Sylvia Mason, 6501 Ridge Rd., Britton, has been named Outstanding Crew Chief of the Quarter of his unit at Tan Son Nhut AB, Vietnam.

Sergeant Mason was selected for his leadership, exemplary conduct and duty performance as supervisor of a maintenance crew. He is assigned to a unit of the Pacific Air Forces.

The sergeant was graduated in 1957 from Brackenridge High School in San Antonio, Tex., and attended San Antonio College.

His wife, Rushelle, is the daughter of Mrs. Doris Courtney, of San Antonio.

Paul Johnson Will Speak To Laymen

Paul H. Johnson, a building contractor from Detroit, has been selected as the speaker for the Ninth Annual Church Laymen's Banquet to be held in St. Peter's Episcopal Fellowship Hall Feb. 22. The banquet planning committee, under the direction of Harry Farrell, met Tuesday evening, Jan. 9, to work out detailed plans for holding this annual inter - church Laymen's event. The ladies of St. Peter's Episcopal Church will serve a roast beef dinner at 6:30 p.m.

New Forwarding Address Charge One-third Lower

Postmaster General Lawrence F. O'Brien announced today a new low charge of 10 cents each for obtaining forwarding addresses from the Post Office.

A 10-cent fee, effective immediately, cuts by one-third the 15-cent charge applying since Jan. 7.

The new law increasing postal rates established the return address service for all classes of mail. This is the first time such a service has been available for mailers of regular letters and other first-class mail.

Mr. O'Brien said the rate may be adjusted again after additional operational experience has indicated costs even more precisely. The charges will be based on the costs to the Department.

Earlier, provisions were available under which mailers of second-class matter (publications) and third-class material (largely advertising) could obtain forwarding addresses. The charge was a minimum of 10 cents each on second-class mail and 8 cents on third-class mail.

It was also possible for those sending fourth-class matter (primarily parcel post) to obtain a forwarding address under limited conditions where the parcel was undeliverable at the given address. Thus, the total cost of getting a return address was variable, depending upon the charges involved in returning the parcel to the sender.

Under the new uniform regulations, in order to obtain a forwarding address, a mailer must endorse the envelope or cover "Address Correction Requested."

The destination post office then will determine whether a forwarding address has been left on file by the addressee, and provide it to the sender upon payment of the fee.

Youth Choirs Resume Practice

Members of the two children's choirs of the Tecumseh Methodist Church will resume practice this Thursday. The Carol Choir will meet at 3:45 p.m. The members of the Youth Choir will practice at 6:30 p.m.

The Chancel Choir will meet as usual at 7:30 p.m.

All the choirs are under the direction of Mrs. James Danforth who urges children, youth, and adults who like to sing to join one of these choirs.

DR. CARL S. WINTERS

Annual Dinner Speaker Will Be Dr. C. S. Winters

Dr. Carl S. Winters will be the guest speaker for the Wolverine Council Boy Scouts of America annual recognition dinner Feb. 3 at the Dundee High School.

Dr. Winter is a former crime commissioner in Michigan, skid row chairman in Chicago and radio minister for 24 years. He is known as a modern jet circuit rider, having given more than 1800 keynote addresses on five continents in the last 10 years.

A recognition ceremony for 23 boys, 10 of them from Lenawee County, who became Eagle Scouts during the year, will be held.

Mrs. Wendel Disbrow is one of the committee to make the dinner arrangements with serving to begin at 6:45 p.m.

H.J. Res. 359

Joint Resolution approved June 22, 1942.

Section 2 (a) It is the custom to display the flag only from sunrise to sunset on buildings and on stationary flagstaffs in the open. However, the flag may be displayed at night upon special occasions, when it is desired to produce a patriotic effect.

(b) The flag should be hoisted briskly and lowered ceremoniously.

(c) The flag should not be displayed on days when the weather is inclement.

(d) The flag should be displayed on all days when the weather permits, especially certain holidays.

There are two places in the United States where the Stars and Stripes is flown at night by specific legal authority, since Jan. 1960. Fort McHenry National Monument, and Flag House, Baltimore, Md.

In addition to these two places, a Presidential proclamation may be anticipated, which will require the flying of the flag of the United States, twenty-four a day over Independence Hall in Philadelphia.

At other places the flag is flown at night, when it is long established local custom, or under the authority of the language of the Joint Resolution of December 22, 1942.

The above is from "The History of the United States Flag," by Quaife, Weig, and Appleman; "The World Almanac," 1968; and "How To Respect and Display Our Flag," by The United States Marine Corp.

According to the above, and a portion of the letter written to The Herald, last week, by a member of the VFW; the flag may not be flown for twenty-four hours a day; as it must be taken down during bad weather. So, if it is left flying after sunset, and a snow or rain storm, etc., occurs, someone must go out in the middle of the night and take it down. Has this been done?

I am not criticizing the National Veterans of Foreign Wars Organization, as I know very well what a fine organization it is, and how much good it does for various groups of people. There should be more organizations like it. I am only saying that VFW Posts in OTHER towns are respected by everyone.

Sincerely,
Patti Mull

(Editor's Note: By tradition the American flag is flown 24 hours a day at the grave of Francis Scott Key; the War Memorial, Worcester, Mass.; The Plaza, Taos, New Mexico and a civilian cemetery in Deadwood, S. Dakota. By proclamation, it is flown at Fort McHenry, Maryland; Flaghouse Square, Baltimore; the Capitol and the Marine Memorial, Arlington, Va.)

TO THE EDITOR:
Dear Sir:

Today marks the FOURTH day that the Tecumseh Public School System did not open its doors in this 1967-68 school year. Closing school for yesterday's blizzard (and we have had worse) and one for the time when the wiring was cut on some of the school buses, seems to be justifiable.

How about today? How about the other day in question when the kids stayed home because of freezing rain (which had melted off by the time the buses started to make their rounds)?

Is it a winter more severe this year? The bus drivers that much more cautious? The County Road Commission lax in its duties? There must be a good reason, we would otherwise not treat State Aid that off-handedly.

Sincerely,
Fred E. Pokorny
9299 Tonneberger Dr.,
Tecumseh.

TO THE EDITOR:

I would like to know what to do with the 20 refuse sacks I had left over from last year. To throw them away would be like throwing money down the drain and I don't feel I can afford to do that. I like the sacks and don't object to using them, but I don't like being forced to buy more than I need. I would like to get my money out of them.

There must be widows living alone and other retired couples that have sacks left, also.

Signed:
A citizen.
Edward Klopp.

Sweet Critical After Mishap

Raymond Sweet, 25, father of a five-month-old baby, is in critical condition in University Hospital, Ann Arbor, following a train-car accident on Stony Creek Rd., shortly after midnight Saturday night.

Sweet was en route home from the Ford plant at Rawsonville when he drove into the side of a train at the poorly-marked crossing, just north of Moorevillo. He was thrown from his car, landing on his back and head.

Family sources report he suffered head and internal injuries, and as of Wednesday he had not yet regained consciousness.

Hospital doctors first thought he suffered a broken left arm but X-rays Tuesday showed no break.

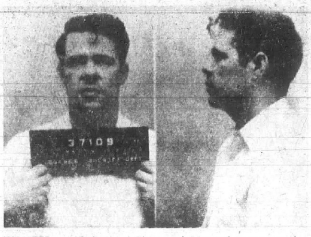
Sweet was an outstanding football player here in 1960, playing center on one of Tecumseh's fine teams. In 1961 he enlisted in the Navy, serving four years. He now works for Ford and part time for Ed's Standard Service.

His parents are Mr. and Mrs. Raynor Sweet, Ives Rd.

His accident was the second in three years to a Tecumsehite. About two and a half years ago, on Nov. 16, 1963, Jeff Osburn was hit by a train at the same crossing and was nearly killed.

In Sweet's accident, fog shrouded the highway and two motorists behind him reportedly did not see the train either. His late model auto was a total loss.

RAY SWEET



WANTED — Police in Ohio and Kentucky are on the lookout for Troy Martin, 41, an ex-convict who lived in the Tecumseh area. He is accused of shooting Ed Spivey. Martin, 6'2" and weighing about 220 pounds, was arrested here about 10 years ago on bad check charges.

Murderer Still Sought for Killing Local Man

Murderer Saturday night of J. Edward Spivey, 58, Paul's Trailer Court, is still being sought. He is thought to be Troy Martin, 41, and is now hunted by Ohio and Kentucky authorities and the FBI.

Martin, 41, about 6'1" and 220 pounds, is believed to have fled to southern Ohio or Kentucky.

He is a former convict and has a record here with the local police.

Funeral services were held Wednesday afternoon for the victim at the Niblack Funeral Home in Britton.

Spivey and Martin were known to have been together Saturday afternoon and early evening, and Martin reportedly fits the description of Thomas Cyr, County Line Rd. resident, who was forced at gun point to drive Martin to Toledo.

Although details of the murder are yet unknown, Spivey is believed to have driven his pickup truck into the front yard of the Cyr farmhouse, northeast of Britton and about one-half mile south of Ridge Road. Apparently an argument had preceded Spivey's turning off the gravel road.

Spivey, a slight, elderly man, is then thought to have jumped out of the truck, in getting away from Martin, taking the truck keys with him. He then crawled under the pickup where Martin supposedly shot him.

Martin then approached the farmhouse, pulled a pistol on Cyr and ordered him to drive to Toledo. In Toledo, Martin hailed a cab, leaving Cyr unharmed, and then caught a bus for southern Ohio.

In the meantime, Mrs. Cyr had returned home, discovered her husband missing and finding a truck in her front yard.

She found the truck's registration papers in the glove compartment, listing the pickup with Ed Spivey at the trailer court. She called the Spivy trailer and talked with Lonnie Newsome, son-in-law, who was looking for Mr. Spivey.

Mr. Newsome contacted Arlis Spivey, the victim's son, and they went to the Cyr home. After checking the cab, Arlis discovered his father under the truck.

He had been shot with a 22 caliber pistol. The slug was removed at a Monroe hospital.

Mr. Spivey, born in Dorchester, Va., April 1, 1909, had lived in Michigan for the past 15 years, and was an employee at the Tecumseh Products.

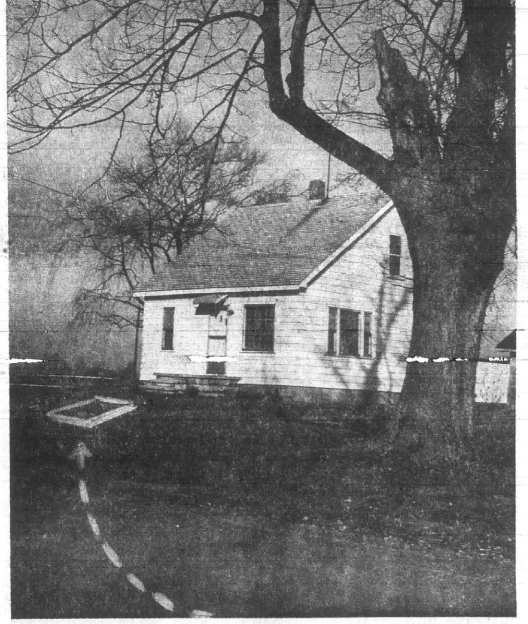
On Oct. 18, 1930, he married Pearl Bradford in Weeksbury, Ky.

Survivors, besides the widow and son, Arlis, are four daughters, Mrs. Joanne Kelley, Britton; Mrs. Lonnie Newsome, Dundee; Mrs. C. F. McDonald, Ypsilanti; Mrs. Gary Decker, 309 N. Pearl St.; [illegible] grandchildren.

Three brothers, including Clyde Spivey, 1001 Russell Rd., and three sisters also survive. He was preceded in death by his parents, one daughter, three sisters and a brother.

The Rev. Alfred Sheley, pastor of Tecumseh's Church of God, and the Rev. Woodrow W. White, Toledo, officiated at his services.

Burial was in Ridgeway Cemetery.



HERALD PHOTO BY BILL WHITING

MURDER SITE — Ed Spivey is believed to have been killed in the front yard of the Thomas Cyr home on County Line Rd., northeast of Britton. The dotted line shows the path in which Spivy drove off the road and into the front yard, stopping 10 to 15 feet from the home's front stoop. Trov Martin reportedly murdered Spivey after he fled from the pickup with the truck's keys. Spivey then crawled under the vehicle, spot marked by white box, where he was found by his son, Arlis Spivey, of Tecumseh.

Melissa Hanna Is THS 'Homemaker'

Tecumseh High School's Betty Crocker Homemaker of Tomorrow for this year is Melissa Hanna, the daughter of Mr. and Mrs. Jack Hanna, 610 Murray Dr. Melissa won the award by ranking first in a written knowledge and attitude test given senior girls at the high school Dec. 8.

MELISSA HANNA

Melissa remains in contention for state and nation scholarship awards and will be awarded a specially-designed silver charm to mark her local achievement.

A state Homemaker of Tomorrow will be selected from the winners in high schools of the state in the program's next step. A record number of girls registered for the program sponsored by General Mills.

Melissa plans to enroll in Eastern Michigan University with the hopes of becoming an Elementary teacher.

Miss Hanna is enrolled in the Home Management course for seniors at Tecumseh. She enjoys baking cakes, and helps her mother with the cooking. Another of the busy Homemaker of Tomorrow's interests is sewing and she hopes to make her own clothing after the second semester.

When Melissa isn't baking, cooking or sewing, she finds time to ski and is a member of the Ski Club. She also belongs to the Future Teachers, the Spanish Club and the G.A.A.

Fisher Workers Back on Friday

All employees of Tecumseh's Fisher Body Plant are scheduled to be back to work Friday, according to Jerry Becker, personnel director.

Lay-offs started last Friday with approximately 310 sent home. About 150 more were laid off Monday, 65 Tuesday, and a few more were scheduled for Wednesday.

Material shortages accounted for lay-offs here. Now that three foundries are back in operation and other GM plants are going back to work, material shortages here are expected to be eliminated.

The local GM plant employs over 1,000.

About one year ago when a GM plant at Mansfield, O., went out on a wildcat strike, Tecumseh's plant was forced into laying off some personnel.

Each year in July, for a period of one to three weeks, Fisher Body lays off workers due to changes in equipment for accommodating new model cars.

Becker is the third personnel director at the local plant since its opening here in 1965. Harvy Vogt was the first, followed by Bob Webb. Becker succeeded Webb in December.

F. W. vanWestrenen is plant manager.

School Sites Still Studied

School officials are still contemplating a future site for a new school — middle school of grades six, seven and eight, or a new high school.

As of Tuesday, a purchase agreement with Robert Fuller for 75 acres had not been signed.

Tuesday morning, officials met with William Powell, local real estate broker, in regards to development of the Fuller area and adjacent land.

City Receives Partial Payment

Tecumseh received a partial payment Monday of $17,500 for the purchase of Tecumseh Park, formerly known as the Pit.

City Manager Cal Zorn says a check of $18,625 was received from the state, and the balance promised by the state after it is compensated by the Federal government, which approved the purchase and loan.

Officials had expected to receive payment last year but an appraisal of the property was rejected by the government on the grounds that it was too high.

Break-In Is Foiled

Only a couple cartons of pop were the reward for robbers Monday night who attempted to break into Joe's Market on W. Chicago Blvd.

A large plate glass window in the front was smashed along with breaking glass in the front door. Neither permitted entry into the store.

An attempt to enter by a rear window also failed, as the window was barred years ago after a previous break-in. The front door also is barred.

Apparently, in frustration, they broke the large glass window and grabbed two cartons of pop, one off the window ledge and another from several pop stands, just inside the building.

Joe Mannino, owner, discovered the attempted robbery about 7:30 Tuesday morning.

City Trial Is Postponed

Another postponement in Tecumseh's condemnation suit against George Underwood, car dealer, was made last week by a joint agreement of both parties.

Trial is not expected to be held now until sometime in March or April.

Illness of Mr. Underwood's attorney in Ann Arbor has forced a change in lawyers, and Robert Baker, Adrian attorney, is now expected to oppose the condemnation of 25 acres of Mr. Underwood's property, just north of the city.

The trial was originally scheduled for Jan. 23 and then postponed to Jan. 30.

T.E.A., Secretaries Plan Negotiations for New Salaries

Tecumseh Education Association, representing school teachers here, and school secretaries have notified the Board of their intentions to negotiate new salaries for the 1968-69 term.

The School Board's next regular meeting is Feb. 19.

HONORS CO-CHAIRMEN — Ron Bontsema, field representative for the Michigan United Fund, presented achievement plaques to Carl Lamb, left, and Stu Costigan for their outstanding leadership in Tecumseh's recent Community Fund Foundation Drive. Foundation president, Robert French, and Merlyn Downing and Doug Dunn, directors, attended the presentation last week.

Tragedy Hits Follies

Saturday night at the Strand Theatre, approximately 500 spectators awaited the opening of the Jaycee Follies.

The variety show of local talent started a half hour late. It had reason to be late, but the show had to go on. Ginny would have wanted it that way.

Less than a half-hour before Follies were to start, Mrs. Virginia Snyder, 46, succumbed to a heart attack in a dressing room below the stage.

Although she was Tecumseh's most famous heart-troubled citizen, her death was sudden and unexpected. Ginny, as she was known by friends and folks who attended past productions of the Follies and Tecumseh Players, had regained apparent good health through the assistance of a Pacemaker, a transistor device which governs heart beats of afflicted individuals.

In the summer of 1965 while relaxing with a group at a friend's home, she suffered her first seizure. Tecumseh firemen barely saved her life then with the use of their resuscitator.

In the fall of '65 Ginny underwent an operation at University Hospital, Ann Arbor, for a transplant of the transistor. A wand was used to regulate her heart beats, which before was abnormally low and prohibited her from being active.

After the transplant, she lived a fairly normal life and just recently visited relatives in Texas.

She and her husband, Alton Snyder, manager here of the A&P store, took their first jet flight.

The Snyders moved here in 1958 from Monroe and resided at 3111 Pleasant Dr., in Brookmeade Estates.

Mrs. Snyder was born April 21, 1921, and was a graduate of Monroe High School and a member of the First Methodist Church there.

She was active here in the Herrick Memorial Hospital Auxiliary and was a former 4-H Leader.

She and Mr. Snyder were married Jan. 5, 1940, in Napoleon, O. They had a son, Roger, and a daughter, Mrs. Douglas (Barbara) Hoffman, all of whom survive, and live in Tecumseh.

Her father, Anthony B. Orzunati, Lake Worth, Fla., three brothers and three sisters, and four grandchildren also survive.

Funeral services were held Tuesday afternoon at the Proctor Funeral Home with the Rev. Donald Porteous, pastor of the local Methodist Church, officiating. Burial was in Brookside Cemetery.

$750 Raised by Jaycees

Tecumseh's Junior Chamber of Commerce netted almost $750 from the Jaycee Follies, held Saturday and Sunday at the Strand Theatre.

Approximately 700 attended, a figure less than expected, but one undoubtedly cut short by the death of Mrs. Alton Snyder, a member of the 100-cast production.

It was the third annual variety show sponsored here by the Jaycees.

In the spotlight today — **Betty Flanders** — celebrates two years on the air. This is 422 shows or 216½ hours. So-o-o keep smiling.

An exciting exhibition of the works of **Vincent van Gogh** is now on display at the Toledo Museum of Art. The show will continue until March 3. This is an exhibition of drawings and water colors, including nearly 100 major works. The Toledo showing is the only midwest appearance of this particular collection. It is being circulated by the artist's nephew and only living relative, **Dr. V. W. van Gogh.** Exhibition hours are Sunday and Monday, 1 p.m. to 5 p.m., Tuesday and Thursday 9 a.m. to 9 p.m., and Wednesday, Friday and Saturday, 9 a.m. to 5 p.m.

Harold Lewis at the **Decorating Center** was telling us the other day of the Astrodome in Houston, Texas and of the fabric which is used on the playing field for football and baseball games. It seems grass won't grow in the enclosed confines of the stadium, so a fabric was perfected which could serve as well as grass. The poly propylene is a sturdy fabric to withstand the cleats of the big pros. **Harry** also tells us that the fabric is available commercially, so all you mothers of 75 pound "pros," here might be one way to save some of the headaches that occur following that afternoon milk and cookie time.

John Saling pulled a "wrong way Corrigan" Saturday night as he drove the Fire Department tanker to answer the alarm from Billmyer Hwy. He was nearly a mile west toward Billington's Corners before he realized that he was going the wrong direction.

It had to be the meanest person in the world who dumped four puppies about six weeks old in a cornfield at the corner of Munger Rd. and Matthews Hwy. **Mrs. Albert Caesar** took them to the **Humane Society Shelter,** where they stand a chance of adoption.

According to American folklore, the ground hog or woodchuck awakens from his long winter sleep on Feb. 2. He sticks his head out, looks around and if he sees his shadow, crawls back into his hole, indicating another six weeks of winter.

Wilfred Waldron confirms the fact that the ground hog does come out as he has seen them. About 30 years ago while he was cutting wood in timber on the Waldron farm, he saw the "little fella" come and clean out his burrow.

Friday will tell the tale depending on whether one wants to believe the ground hog or the weather bureau. I'm a "little fella" fan myself.

Fred Withrow, son of Mr. and Mrs. Harry Withrow, left Jan. 22 for Vietnam where he is with the Seabees in construction.

√

Mrs. Elmer Buehrer entered Bixby Hospital for major surgery on Jan. 10. Her son, Lt. jg Dean P. Eddy, was 25 on Jan. 11 and entered the Naval Hospital at Corpus Christi, Texas, Jan. 16 for identical major surgery. Mrs. Buehrer arrived home Sunday and Dean expects to go to his home by the end of the week. Dean's father, Paul Eddy, and Mr. and Mrs. Henry Crawfis flew to Texas to be with Dean and his family for a week. His address is 1409 E. Corpus Christi St., Beeville, Texas 78102. His mother said that Dean would enjoy hearing from his Tecumseh friends.

√

Dr. Harry M. Currier, chiropractic physician, 725 S. Union St., recently returned home from St. Joseph Hospital, Ann Arbor, where he was a surgical patient since Jan. 4.

Dr. Currier says he is feeling much better now, and would like to have his friends call. He plans to open his office soon for limited practice. His patients will be notified through The Herald.

Mrs. Maude Cummings, a 50-year member of the Tecumseh Chapter No. 51, OES and longtime resident of this city, will observe her 85th birthday anniversary Feb. 10. Fellow members are advocating a card shower for her. Her address is Michigan Masonic Home, 1200 Wright Ave., Alma, Mich. 48801.

√

Mr. and Mrs. Charles Thumser and family, of Birmingham, were weekend guests of her mother, Mrs. Percy Bowen.

√

Mr. and Mrs. Carl Schomburg returned last Wednesday from St. Louis, Mo., where they had been visiting since the middle of December with his two sisters.

√

Mr. and Mrs. Al Merz went to Chicago Tuesday for a couple of Days to attend a meeting for the International Harvester dealers demonstrating new equipment.

Mr. and Mrs. Raymond Pask were honored on their 43rd wedding anniversary Jan. 27 when Mr. and Mrs. Calvin Pask, Mrs. Henry Strand and Carroll Conklin entertained them for dinner at the Country House. The group went to the home of Mr. and Mrs. Fay Greene, where a surprise card party was held for the anniversary couple. They were presented with a money gift. Two heart-shaped, decorated cakes were served for refreshments.

Mrs. Frank Gottschalk entertained Sunday with a dinner for the Pasks. Other guests were Mr. and Mrs. Fred Everhart of Sand Lake and Mr. and Mrs. Clair Britton of Jackson.

√

Mr. and Mrs. Charles Hendershot and family, of Garden City, visited relatives here over the weekend.

√

Mrs. P. G. Colgrove accompanied Mr. and Mrs. Jens Touborg to Grand Rapids where she visited her daughter and husband, Mr. and Mrs. Dan Kozera, and their new baby son, Steven. Mr. and Mrs. Touborg accompanied her mother, Mrs. A. R. Shigley, to her home at Fremont and picked up Mrs. Colgrove en route home Monday.

Teen Life Crusade Rally to be Feb. 3

The Rev. Gary Dausey, Associate Director of Leadership Training for Youth for Christ International will be featured in Teen Life Crusade's Feb. 3 rally in Dawson auditorium. The rally will begin at 7:30 p.m., with the music of the Teen Life Chorale with Mrs. Ronald Bleeker directing. Mrs. Leatha Davenport and Mrs. Paul Brantingham will be at the piano and organ.

Dynamic teens who have found real purpose in living will be participating in the rally and vying for a place on the big high school competition board.

The Rev. Dausey is a veteran youth speaker who has addressed young people in camps, conferences, high schools college campuses church and youth rallies. He studied at Moody Bible Institute, is a graduate of Taylor University in Upland, Ind., and received his master's degree from the Wheaton College School of Theology.

The Rev. Dausey's voice has been heard weekly by thousands over 30 radio stations coast to coast. He has served as a church youth director, Youth for Christ director, pastor, staff member of the Moody Bible Institute, and has broad experience as an audio-visual specialist.

Rendezvous, his devotional youth column, appears monthly in the Campus Life Magazine.

Grange Hosts Card Party

TIPTON — The Tipton Grange will sponsor a public card party Friday night, Feb. 2, at 8 p.m., for the benefit of the March of Dimes. A late lunch will be served. The committee for the party is Mr. and Mrs. Wesley Whelan and Mr. and Mrs. Edgar Randall.

Signup Dates Scheduled For Farmers

Signup dates for farmers in Lenawee County who wish to take part in the 1968 feed grain and wheat programs have been announced by Roland Russell, chairman, Agricultural Stabilization and Conservation Committee.

All commodity program signups will be held during the same period, Feb. 5 through March 15. Signup applications indicate the farmer's program intentions, including the extent of his participation in the programs.

Under the feed grain program for 1968, farmers may earn diversion and price-support as well as qualify for price-support loans on their corn and grain sorghum crops; feed grain diversion payments will be available to all program participants in 1968.

The wheat program provides price-support loans and marketing certificates to bring returns up to full parity on the part of the wheat crop allocated for domestic use; no diversion payment is available for wheat.

While the signup period for 1968 commodity programs will extend through six weeks, the chairman urged that farmers who wish to take part in the program file their applications as soon as they decide on 1968 production plans.

The engagement of Nancy Ann Walker to Tim Baker is announced by her parents, Mr. and Mrs. William B. Walker of Onsted. Miss Walker is a 1967 graduate of Onsted High School and is attending Cleary College. Mr. Baker is the son of Mrs. Guy Cox of Tipton and S/Sgt. Robert I. Baker, serving in Vietnam. He is a 1967 graduate of Tecumseh High School and is now employed at the Ford Motor Company, Saline. A March wedding is planned.

Council Director Will Be Speaker

Wendell C. Bassett, executive director for the Michigan Council of Churches, located in Lansing, will be the initial speaker for the Mission School being held the four Sundays in February at the Tecumseh Methodist Church.

Dr. Bassett, who believes that there is unity in diversity, has chosen "Ecumenicity In Our Times" as his subject. Since he respects and cherishes the traditions of the constituent bodies, Dr. Bassett undoubtedly will emphasize the unity in the spirit of Christ which, he says, will manifest itself in the many ecumenical services possible through the program of the Council of Churches.

After receiving degrees from North Central College and the Evangelical Theological Seminary of Naperville, Illinois, Dr. Bassett served pastorates for 20 years. In 1955 he was selected conference superintendent for the Michigan Conference of the EUB Church and served as executive officer until 1965.

In 1963-64, Dr. Bassett served as president of the Michigan Council of Churches and is now serving as the first full time executive in 14 years.

The Rev. Bassett's other interests include member of the Chaplain's Advisory Committee for the State Department of Corrections, member of the Governor's Ethics and Morals Committee, member of the Michigan Welfare League,

WENDELL C. BASSETT

a trustee for the Youth for Understanding Program, member of the Health and Welfare Department of his denomination, and numerous other groups.

Following the message of Dr. Bassett classes on numerous subjects will be conducted for the adults and youth.

The children's division, studying Japan in special classes, will hear Rev. Thomas Badley of Macon in a program for them in the fellowship hall.

The Mission School will begin at 6:30 p.m. and conclude with refreshments at approximately 8:15 p.m.

A nursery will be provided.

Past Chiefs Club Elects Officers

TIPTON — The Past Chiefs Club met recently at the home of Mrs. Dale Cook, 3854 Monroe Rd. Mrs. John Cook received the mystery gift. Election of officers was held and Mrs. Dale Cook was re-elected president and Mrs. Howard Luce, secretary-treasurer. It was voted to hold the family night in May as so many are away in February.

Euchre was played and Mrs. Grover Swarts received the lone hand prize and the high prize and Mrs. Rollo Thielan the low.

Mrs. Cook, assisted by Mrs. Lyle Whelan and Mrs. Richard VanSickle, served refreshments.

Club Bowls

Nine members of the Young Mothers Club and their husbands bowled Jan. 27 at the Airport Bowl, with prizes awarded in various silly categories.

The members will meet Feb. 7 at the home of Mrs. Franklin Smith to make centerpieces for the patients at Herrick Nursing Home. Members are also accepting donations of baby clothes for needy mothers. Anyone wishing to contribute may call Mrs. Smith, 423-4282, who will pick them up.

New Members

The reception of new members was observed Sunday morning at the Tecumseh Methodist Church with the Rev. Donald Porteous officiating.

Mr. and Mrs. Fred Seal and Mr. and Mrs. James Danforth were received into the membership during the worship study. Accompanying them to the altar were Mr. and Mrs. William Schooley and Mr. and Mrs. Guy Siedel, who will act as their fellowship friends.

Income Tax Meetings For Farmers

Farmers are invited to a special meeting sponsored by the Cooperative Extension Service to review reports of Michigan Income Tax and Federal Income Tax.

The meeting will be held Tuesday, Feb. 6, from 1:30 to 3:30 p.m., and will be repeated from 8 to 10 p.m., the same evening in the supervisors' room in the Court House, Adrian.

This is planned to assist farmers who are preparing records for a tax consultant and farmers who file their own returns.

Our Readers Write

DEAR EDITOR:

Three articles in the Herald recently disturbed me:

One received considerable space on the front page of the Jan. 11 issue concerning the 32-year-old drop-out. More power to her for having the courage to return to school, but suppose there are many who wish to return now that they are mature enough to realize that they should have stayed in school. Her case is an invitation for them to do just that. For several years there has been a cry that the classes are over-crowded, so what will we do with the adults returning?

Adult Education classes meeting in the late afternoon, evenings, and Saturdays should be organized and geared for drop-outs paying sufficient tuition for teachers. School facilities could be used most of the summer, too.

In the same issue and in the first column of page one is an article having to do with the decision of the Planning Board and City Officials ruling out future ice rinks. Isn't that short-sightedness on their part? I don't believe the taxpayers would object to $1,000 a year being allotted for ice skating. It seems to me that the winter sports program is as important as the summer program. Furthermore, who gives you a greater lift than the rosy-cheeked children with hefty appetites after skating and also with a desire to retire early for a night of good sleep and rest. Authorities would agree with us in its safety and therapeutic values as far as delinquency and crime are concerned. Ice skating is an excellent family sport, too. Tecumseh is large enough for all of these skating spots plus the "Pit" area.

In the Jan. 18 issue is an article about the Board of Education buying 75 acres of ground for $112,000. Why are 75 acres needed? In my travels through several countries of the Orient this past summer the areas where I visited had many new, modern schools on less ground and three stories high. Apparently the children and teachers could take the climbing. Their new high rise apartment buildings had more stories and I am sure that the buildings had no elevators. How much of these unnecessary expenditures can we stand? The Voice of The Herald is well worth reading to get an insight to the other expenses regarding bridges, roads, buses, etc. If I am right, and I am very often wrong, the City of Tecumseh would lose 75 acres of taxable property and would have to make it up some way. Therefore, you and I will catch it again. I'll check with the City Manager on that point.

Elections of all kinds are coming up this year, so let's be on guard and get dollar value for the dollar. By doing that maybe we shouldn't have to lean so heavily on Federal Aid and THAT is out of our pockets, too, indirectly.

Let's hear from others.

Only one person's opinion,

P. S. — It's time for the Kiwanis Club to provide us with a "Speak-Up" meeting.

o

DEAR EDITOR:

No one asked for my reaction to the Jaycees' Follies which I attended Sunday afternoon, but I would feel remise, if I didn't comment, especially after all of my hollering about the need of the various forms of entertainment and mental refreshment in these times of stress and strain.

It was a pleasure to be comfortable in a theatre seat while enjoying the Follies. Also the acousties at the Strand Theatre are very good. The production was laugh-provoking from start to finish and I knew very few in the cast. I can still hear the children laughing and there were many of them at the matinee performance. The noticeable part was that the "many" participated in the Follies and all ages, too. That was on the good side and, of course, added to the fun.

I will have completed 30 years of residence in Tecumseh this fall and have contended from the beginning that Tecumseh is lousy with talent, if you could get them to perform. So maybe the Jaycees together with their Auxiliary and the Theatre Players are accomplishing much along that line.

This is not an appeal for an auditorium — no hurry about that — but it is an expression of my thanks to those who gave long hours to the production in order to raise money for improvements of our community. Now, don't tell me that they didn't have fun in so doing!

Sincerely,
Ruth V. Rentschler,

TO THE EDITOR:

The January issue of the Michigan Overseas Veteran published a picture of a lighted flag flying at night above the V.F.W. Post 3323 in Westland. The article stated that the practice started a few weeks ago and will be continued as long as they think an extra demonstration of patriotism is appropriate. Protocol requires that the flag be lighted when it is flown on the extended schedule. It concluded that many Posts are doing the same throughout Michigan and the nation.

If the flag was left out during inclement weather at our Hall-Slater Post, is was unintentional on the part of its members.

Since Hall-Slater Post and Auxiliary follow the rules and by-laws of the National V.F.W., I am happy we are a part of this fine organization.

Sincerely,
Mrs. Walter Mueller
(Pres. of V.F.W. Aux.)

o

TO THE EDITOR:

I agree very much with Mr. Klopp. What are we supposed to do with all the extra refuse sacks and why do we have to buy more when we don't need them?

I would like to get money back from them, too.

Another citizen,
Irene Schomburg.

Adult Farmers Meet Feb. 5

BRITTON — Glenn Diesing, technical representative for the Borden Chemical Company, will present the program at the Adult Farmer class to be held for farmers in the Britton-Tecumseh area Feb. 5.

The class will be held in the Britton School Ag room at 8 p.m.

The outline for the program is: "What's Ahead in Agriculture?"

A. Fertilizer Trends
   1. Handling
   2. Application
B. Row Widths
C. Tillage
D. Crops
E. Yields

A look at some new development and some futuristic ideas.

All area farmers are welcome.

Hillsdale Here Friday Night

Tecumseh's scheduled game for Saturday night against Jackson St. John has been changed to a later date.

The Indians are hoping for a repeat victory over Hillsdale here Friday evening. Tecumseh upset the Hornets earlier in the season.

Norman E. Beal Is In the Navy

SAN DIEGO—Seaman Recruit Norman E. Beal, USN, son of Mr. and Mrs. Edward T. Beal of 505 S. Evans, Tecumseh, Michigan, is undergoing nine weeks of basic training at the U.S. Naval Training Center here.

He is receiving instructions in Naval customs, courtesies and organization, ordnance and gunnery, seamanship, damage control and other indoctrination courses of Naval life.

His Navy classification tests will determine whether he will be assigned to a school, shore station or ship after his graduation.

Son Born

A son, Kurt Alan, was born Sunday to Mr. and Mrs. Charles Fretwell, of Inkster, at Annapolis Hospital, Wayne.

The paternal grandparents, Mr. and Mrs. Elvin Fretwell, 311 E. Shawnee, have noted the coincidence that they now have the exact same assortment of grandchildren — four boys and a girl — as they have children.

Services will be held Friday at 10 a.m. at St. Dominic's Catholic Church, Clinton, for Charles A. Kane, 68, of 214 East Michigan Ave., Clinton, who died at Herrick Memorial Hospital Tuesday morning.

He had suffered a heart attack at his home two hours earlier.

Mr. Kane was supervisor of shipping and receiving at the Ford Motor Co. in Rawsonville for many years, retiring three years ago.

He was born March 3, 1899, in Adrian.

A graduate of Adrian High School, Mr. Kane worked in Detroit, New York and Denver before returning to Clinton.

On June 30, 1934, he was married in Clinton to Leora Reiser.

He was a member of St. Dominic's Catholic Church, the Frederick Pieper Post of the American Legion, a past president and member of the Clinton Village Council.

In addition to his wife, he is survived by one daughter, Mrs. Thomas (Mary Suzann) McKeever, of Cadillac; two granddaughters and two sisters, Mrs George (Genevieve) Johnson of Tucson, Ariz.; and Mrs. William (Mildred) Dwyer of Denver, Colo.

One brother and two sisters preceded him in death.

The Rosary will be recited Thursday at 8 p.m., at Proctor Funeral Home, Clinton, with the Rev. Fr. Joseph Noelke officiating. Burial will be in Riverside Cemetery.

o

● **THOMAS H KNOWLAN**

Services were held Wednesday at the Proctor Funeral Home for Thomas H Knowlan, 90, a retired farmer who lived most of his life in the Onsted area. He died Sunday at the Wotring Nursing Home, Adrian, where he had been for several months.

He was born in Dover Township Feb. 23, 1877, and was preceded in death by both his wives.

Mr. Knowlan is survived by three sons, Elwood, of Pittsford; Wilmer, of Coldwater; and Norman Knowlan, of Silver Springs, Md; three daughters, Mrs. Lester (Alice) Fogelsong, of Englewood, Fla.; Mrs. Richard (Irene) Roney, of Monroe, and Mrs. Ruth Lane, of Adrian; 18 grandchildren; a number of great-grandchildren; and 12 great-great-grandchildren.

Besides his two wives, Mr. Knowlan was preceded in death by two sons, four grandchildren, two brothers and a sister.

Burial was in Maple Shade Cemetery, Onsted.

o

● **LILAH J. HOWELL**

Services will be held Thursday at 1:30 p.m., at the Niblack Home for Funerals for Lilah J. Howell, 78, of 7900 Clinton-Macon Rd., who died Monday soon after noon at Herrick Memorial Hospital, where she was admitted a few hours earlier.

She had been in ill health for about one month but death was unexpected.

Born March 14, 1889, in Macon Township, she was the daughter of Charles and Annette Hand Hendershot.

She married Jay Howell in November, 1901.

Mrs. Howell attended the Ridgeway Church of the Nazarene. She was a member of the Macon Community Club.

Survivors include two sons, Charles R., of Macon, and Robert C., of Wayne; five daughters, Mrs. Charles (Alice) Burleson, of Dearborn, Mrs. Mary Pennington, of Britton, Mrs. Merl (Thelma) Hammons and Mrs. Leslie (Gertrude) Naugle of Tecumseh and Mrs. Ora (Ruth) Walcutt, of Manchester; 19 grandchildren and 27 great-grandchildren.

The Rev. Kermit Boyce of the Ridgeway Church of the Nazarene will officiate and burial will be in the Macon Cemetery.

Friends may call at the home of Mrs. Mary Pennington, 11310 N. Britton Hwy., until Thursday morning.

o

Annual Laymen's Banquet to Hear Paul H. Johnson

The Ninth Annual Tecumseh Area Laymen's Banquet will be held Thursday, Feb. 22, at 6:30 p.m. at St. Peter's Episcopal Church.

The speaker will be Paul H. Johnson, a building contractor from Detroit. He is a graduate of the University of Michigan, School of Architecture and Design and his firm is known as Paul H. Johnson, Inc., builders of churches, airport terminals, hospitals, and apartment buildings.

Mr. Johnson is active in many church affiliated organizations and recently returned from a trip to Japan, Taiwan and the Philippines in connection with the Far Eastern Gospel Crusade.

The Tecumseh area Barbershoppers will entertain with a variety of special songs.

"All men, high school age and older (no age limit) are welcome and urged to attend," according to Harry Farrell, general chairman of this year's event.

Friends Hold Loyalty Dinner

"God sends no churches from the skies, Out of our hearts they must arise." This from Edgar A. Guest is the inspiration behind the loyalty dinner held Jan. 20 at the Tecumseh Products Union Hall to spark the building and relocation program of the Tecumseh Friends Church.

Mrs. Floyd Shirley was chairman of the ham dinner attended by over 400 persons.

The Rev. William Bruce of Winona Lake, Ind., spoke on the opportunities of investing in the work of the church and its place in the community.

General chairman, Robert MacDonald presented the background on the purchase of the 41 acre tract of land and acquisition of the home on the southeast corner of the property.

Special music was provided by the men's quartet of the local church comprised of Clark Pearson, Ray Sommers, Ben Ross and Merle Hendricks.

Presenting the senior members point of view relative to the relocating program were Mrs. Jennie Slater and Floyd Avery.

The Rev. and Mrs. Paul Brantingham were presented with a boutonniere and corsage by the chairman of the hostess and invitation committee, Mrs. Clark Pearson.

Mrs. Perry Hayden was responsible for the brochures and Joe Hayden in charge of publicity and promotion.

Following the dinner, the children adjourned to the church for a program under the direction of Mrs. Harold Righter. She introduced Muriel Linton of Warren who performed feats of magic and ventriloquism.

ACCIDENTS

The Tecumseh Police had a quiet week in the accident investigation department, as only two auto accidents were reported.

Jan. 24 — S. Ottawa at Cummins was the scene of an accident when Juanita I. Lerma, 35, 607 S. Evans St., slid into the intersection and struck a car driven by Harry A. Keller, 54, of Adrian. Juanita Lerma was cited for failure to have her car under control.

Jan. 24 — Cass J. Duke, 50, of Grosse Pointe Park, attempted to turn into the alley behind the bank on N. Evans St. and another car driven by Glenn W. Kinney, 20, of Clinton, attempted to pass on the right and struck the Duke car. Kinney was cited for failing to yield the right of way.

Auto Destroyed By Fire Sunday

The Tecumseh Fire Department was called out Sunday afternoon 2 miles west of Tecumseh on M-50 to an auto fire. The fire was the result of a gas line break on a vehicle owned by Robert Brown, 510 E. Chicago Blvd. The car, a 1967 Olds Toronado, was completely destroyed as a result.

An oncoming motorist noticed the flames shortly before the car became engulfed with fire.

The department was also called Sunday to a home owned by Mrs. Murphy and resided in by Albert Liford, at 7996 Billmyer Hwy. No estimate of the loss was made and the fire stemmed from an unknown origin.

Jan. 29 found the firemen called out again for another fire involving an automobile, this time it was to the Tecumseh Products parking lot and a vehicle owned by Floyd Robinette of N. Adrian Hwy. The damage to his car interior was estimated at $300.

o

Mr. and Mrs. Ralph Dabe left Saturday for the warm sunshine and lapping waves of Florida. They plan to visit their son, Kim, and his wife, Jill, who live in Winter Park, Fla. Their daughter, Pam, remains here in town working for The Tecumseh Herald.

Hospital Chaplain Spoke to Church

Eighteen persons met in the Fellowship Center of the First Presbyterian Church Monday evening to hear the Rev. Miss Florence Lewis talk of her work as a Chaplain at University Hospital, Ann Arbor, and how individuals may best serve those who are sick.

From a background rich in education and hospital ministry, Miss Lewis spoke and answered questions for almost two hours for a relaxed, informative, enjoyable evening.

Feb. 5, the Rev. Bryan Teague, chaplain for the Council of Churches, of Jackson, will speak of his ministry to senior citizens and shut-ins. Mr. Teague has been serving as Institutional Chaplain for the Jackson Council of Churches since 1964.

A minister of the Quaker faith, he was organizing pastor of the Westchester Friends Church of Jackson before coming to his present position.

His work today is primarily visiting those who are residents of the nursing homes and institutions of Jackson County. There are over 60 homes and institutions for the elderly in various stages of aging in the county area, where he calls, in addition to visiting the Protestant children in St. Joseph Home for Children, inmates of the city and county jails and residents of the Juvenile Home.

All together, Mr. Teague serves a 1,000-member parish. It is of this that he will speak, along with suggestions as to how persons may minister and serve those who live in the home and institutions of the community. "All members of the community are invited to this informal seminar for coffee and conversation with Mr. Teague. The meeting begins at 7:30 p.m.," the Rev. Julian Gresham stated.

Geraldine Beal and Murell Clark Wed

BRITTON — The Congregational Christian Church was the scene of a simple candlelight wedding Saturday evening, when Geraldine Beal of Britton, and Murell Clark of Tecumseh were united in marriage.

The Rev. Gustav Hannevik read the double ring ceremony in the presence of the immediate families. Rev. Hannevik sang "The Lord's Prayer," accompanied by Mrs. Hannevik at the organ.

The bride wore a three-piece knit suit with a white Jaffet orchid corsage.

Mrs. Cal E. Rohrback, of Coopersville, daughter of the bride, was her attendant. She wore a light blue dress and a corsage of yellow sweetheart roses.

Mr. Dennis Bournes of Adrian was the best man.

Kevin Beal lighted the candles. Arrangements of white snap-dragons and tangerine carnations decorated the altar.

A wedding dinner was held at the Country House Restaurant immediately following the ceremony for 24 guests. A tiered wedding cake, topped with a fresh flower, centered the bride's table.

Guests were present from Adrian, Tecumseh, Ypsilanti, Dearborn Heights, Iron Mountain, Coopersville and Britton.

The new Mrs. Clark is a first grade teacher at Patterson School. Mr. Clark is Chief of Police in Tecumseh.

Mr. and Mrs. Clark are on a week's trip to the Bahama Islands. After their return, they will reside at 302 N. Van Buren in Tecumseh.

Tony Ivan Has Hole-in-One

BRITTON — The highlight of a three-week vacation trip to Florida for Tony Ivan of rural Britton, was hitting a hole-in-one at the Heather Hills Golf Club near Bradenton.

He was golfing with friends when he made a 109-yard drive on the 16th hole, which dropped in the cup. He used an 8 iron.

Tony was awarded a trophy for his feat, which was a first for him.

He and Mrs. Ivan spent their vacation with her parents, Mr. and Mrs. Albert Oulicky.

Church Class Meeting Held

BRITTON — Sixteen members were present for the meeting of the Baraca-Philathea Class of the Congregational Christian Church when they met at the home of Mr .and Mrs. Bert Moore Sunday evening.

After a cooperative supper at 6:30 p.m., the Rev. Gustav Hannevik gave the devotions and program on the topic, "The Church of Jesus Christ." A letter was read from Mr. and Mrs. Carl Auten in Florida.

The next meeting will be February 25 at the parsonage.

Tories Beat Sand Creek Five, 65-60

BRITTON—Sand Creek's plan to stop Britton backfired Friday night, as they didn't reckon on the hot hand of Jim Skelton. The junior forward netted 32 points to lead the Tories to their fifth straight victory, 65-60.

The Aggies put two men on Dave Fairbanks, the Tory's leading scorer, and held him to just 11 points. But this left Skelton open, and he couldn't miss as he connected on shot after shot, many of them long jumpers.

It was an exciting, close contest all the way. The score was tied at 18-all early in the second quarter, when a basket and a free throw by Jerry Korican put Britton in the lead. They were never headed after that, although Sand Creek stayed close. Sand Creek closed to within two points late in the third period, mostly on the outside shooting of Paul Bailey, but Skelton kept up the pace to protect the Tory lead.

Skelton led all scorers with his 32 points. Korican and Fairbanks each added 11 for the Tories.

Paul Bailey, with 21, and Harold Bailey, with 16, were high for the Aggies.

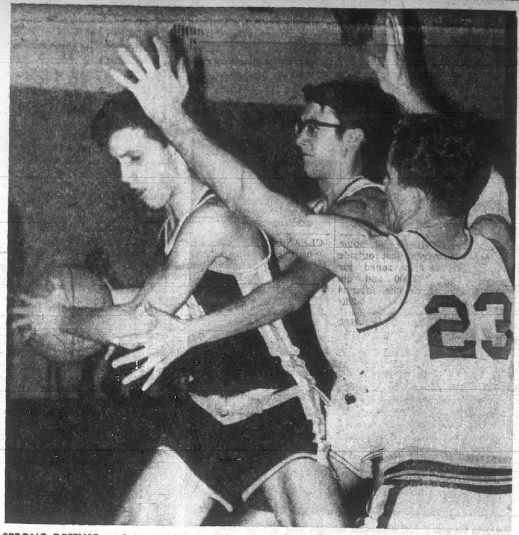
The win left Britton and Summerfield tied for first place in the River Raisin League at 6-2, while Sand Creek slipped to second place with Whiteford, both with 5-2 marks.

BRITTON 65

Skelton 14-4-32; Korican 4-3-11; Fairbanks 4-3-11; Brown 2-0-4; Henry 1-1-3; Henning, 1-0-2; Schroeder 1-0-2.

SAND CREEK 60 -

P. Bailey 8-5-21; H. Bailey 7-2-16; Hillard 5-2-12; VanNorman 2-1-5; Lopez 0-2-2; Risner 2-0-4;



STRONG DEFENSE — Britton's defense looks strong here against Boysville but it wasn't enough to help them win the game. The two Britton boys are, l. to r., Lynn Palmer and Tom Schroeder.

Junior Tories Win Two Tilts

BRITTON — The Junior Tories posted two victories over the weekend as they downed the Sand Creek JV's, 60-31, and overcame the Little Knights of Boysville, 75-53.

At Sand Creek, Jim Lister led the Tory scoring with 16. Bill Tuberville and Danny Warren each popped in 9.

Against Boysville, Jim Lister led again with 19 points, while Tuberville added 12 and Rick Maska 11 .

Coach Palka commented that all four guards did a great job. "I am extremely happy with the overall team effort," stated Palka. "We have had at least 10 boys scoring every game."

We face a big contest Friday night when we meet the Summerfield JV's; they are undefeated as yet.

Community Fund Re-elects Board

BRITTON — All the incumbent officers of the Britton-Macon Community Fund Board were re-elected at their regular meeting last Tuesday afternoon.

Re-elected were President, Neal Judkins; Vice-president, Urvin Reau; Treasurer, Mrs. James Shiels; and Secretary, Mrs. Tom Korican.

Three new members were elected to the Board of Trustees. They are Lawrence Ash, Allen Wagenschutz and Mrs. Loren Gall.

The retiring board members, Mrs. Harold Osterhout, Mrs. Lawrence Hoagland and Mrs. Douglas Palmer were thanked by the president for a job well-done.

The next meeting will be the second Tuesday in April in the Township Hall.

Extension Club Holds Meeting

BRITTON—Ten members and three guests enjoyed a Mexican dinner when the L and M Extension Club met last Thursday at the home of Mrs. Leslie Downing. The meal was prepared by the hostess, assisted by Mrs. Gustav Hannevik, Mrs. Gerald Benedict and Mrs. Orris Tubbs.

Mrs. Benedict and Mrs. Tubbs led the study on Mexico.

A gift was voted to the March of Dimes.

The next meeting will be held February 22 at the home of Mrs. Mills Swick.

Fighting Knights Stop Tories, 69-57

BRITTON—The Tory winning streak, which had run to five, was stopped cold Saturday night by the Knights of Boysville, who downed Britton, 69-57.

The Knights jumped off to an early lead, catching the Tories off-guard, and the first quarter score read, Boysville, 17, Britton, 9. Boysville continued to hit in the second quarter, and they controlled the ball, while Britton was unbelievably cold, tallying only three points in the entire period. Boysville led at the half-time break by 30-12.

The Tories did come back in the third quarter to score 25 points, and 20 more in the final period, but the damage had been done by then. Playing catch-up ball and trying to make up an 18-point deficit proved to be too much for the Tories, and they bowed to the Knights for their first defeat of 1968.

"The team was just flat — no hustle," commented Coach Jim Landfair. "I think they thought they had it made. They have won five out of their last six games, however."

Dave Fairbanks tallied 20 points for Britton to lead all scorers, while Korican and Skelton each added 9 for the losers.

Dave Rockwell, with 16 points, and Elbert Neal, with 14, led the Boysville scoring.

The loss puts Britton back in a three-way tie for the top spot in the league, as Summerfield also lost Saturday night to Sand Creek. The three contenders each won one and lost one over the busy weekend, and are now 6-3 in league play. Boysville is 2-6.

Britton will have an important encounter Friday night, when they travel to Summerfield to battle the Bulldogs as the title race remains tight.

Memoriam

In loving memory of our son and brother, Michael John McLoughlin, who left us one year ago, Jan. 30.
One year ago since that sad day
When one we loved was called away;
They say time heals all sorrows and helps us forget,
But time so far has only proved how much we miss Mike yet.
God gave us the strength to take it,
And courage to face the blow,
What it meant to lose him
No one will ever know.
Mother, Dad, and brothers, Mark and David, and sister, Lori. 2-1p

In memory of Harry E. Shea who passed away Jan. 27, 1952.
The years may wipe out many things,
But this they wipe out never;
The memory of those happy days
When we were all together.
Mr. and Mrs. F. E. Shea

Faculty Wins In Overtime, 51-47

Tecumseh High School managed one win in the basketball ranks last week. The faculty faced a tough opponent in the person of the faculty of Blissfield High School and had to go into overtime to do it, 51-47.

The elder statesmen of the Tribe played under the coaching of Joe Bagley. Jim Curth's assistant with the Jayvees. Coach Bagley managed the win without his "star" player, Pat Connors, who was busy that night coaching full Nelsons and such with his wrestlers.

County Drain Commissioner Is Club Speaker

TIPTON — The Franklin Twp. Republican Club will meet Sunday night, Feb. 4, at 7 p.m., at the home of Mr. and Mrs. Merrick Dibble with Mr. and Mrs. Wayland Kahle as assistant hosts.

Richard Platt, program chairman, has secured for his speaker, Don Mitchell, Lenawee County Drain Commissioner, who will present highlights of his office and some problems encountered in connection with the building of Lake Kingsley in Franklin and Cambridge Townships. All interested Republicans are invited to attend.

CONTRACT SIGNED — A 2¼ million dollar con struction contract was signed between Michigan International Speedway and Holloway Construc tion Co., for the beginning phase of building a 4½ million dollar auto racing facility west of Cambridge Junction in the Irish Hills. It will include a two-mile oval course plus a three-mile road course designed by the former British racing driver, Stirling Moss and Charles Moneypenny. Signing the contracts (l to r.) are: Daniel W. Holloway, president of Holloway Construction Co., Lawrence H. LoPatin, president of Michigan International Speedway, and Leslie Share, vice-president and secretary of MIS.

Indians Drop Two

The Tecumseh Indians couldn't get untracked as they took on the Rams of Flat Rock Friday night. They may have had upset on their minds but the bigger Rams out-shot and out-rebounded the Tribe to discourage any further thought of it.

Control of the boards by the Rams played a big part in the game as the Flat Rock team was able to maintain solid control. After being outplayed, 20-10, in the first period, and trailing, 37-23, at the midway point, the Indians came back with a stronger effort in the second half with the fourth period being Tecumseh's most productive as they outscored the home team, 21-11, but it was not enough and Tecumseh took its fourth loss in league play.

The Tribe played without the services of Jim Upell, their leading scorer.

Flat Rock player, Bob Moss, led all scorers in points with 27. Jim Hunt contributed 15 as top point man for the losers.

The Tecumseh Jayvees brought their record up to 8-2 with a squeaker over the young Rams, 48-46.

The Maples of Adrian ended the drought which had plagued them since the Holiday tournament of 1966, as they defeated the Tecumseh Indians Tuesday night, 81-69. It was the end of a 22-game losing streak and it was a Tecumseh team which was their last victim at the tournament in Adrian.

The Indians took an early lead, primarily on the shooting of Steve Dalton, who played his finest game to date. Steve scored the first nine points of Tecumseh and pulled his team into the lead.

The Tribe managed to stay in front throughout the rest of the first half and pulled to an 11-point lead at the midway point. But Adrian held the hot hand of the third period and poured 30 points through the hoop to narrow the lead to 1 point at the beginning of the fourth quarter. From then on Adrian was not to be denied its victory.

Foul trouble early in the game hampered the Indians and might well have been the determining factor. Steve Dalton scored 21 points for the Indians and played a good all-around game; he was also high point scorer for the evening. Bill Puffer also played a good game for the Tecumseh team and came up with 18 points. Carlson led the Maples with 18 points as the home team put six players in double figures.

It was a disastrous evening all around as the junior Tribe also lost, dropping its third game of the season to the Little Maples, 69-38.

Redskins Win, 92-80

By GINA GREEN

Clinton's powerhouse basketballers flexed their combined muscles at the expense of the Manchester Dutchmen Friday with a big 92-80 league victory.

The Redskins jumped to an early lead with Paul Papsdorf hitting for nine points in the first quarter, and led at the half 41-33. But the Dutchmen came back to outscore Clinton in the third quarter and managed a 56-56 tie.

Then it was the Redskins' turn to pour it on with a blitzing 36-point fourth quarter which gave them their highest season scoring total. Clinton's entire squad played a fantastic game both offensively and defensively, following the example of All-State senior Butch Hoelzer's blistering 27-point, 23-rebound pace. Playing their finest offensive games were Mike Jurasek with 22 points and junior Paul Papsdorf who finished with 20. All five starters scored in double figures in spite of foul trouble, including Jim Schuler who sank 13 points and swept the boards for 19 rebounds, and Jake Schwab with 10 points. Leading the Dutch scorers were Rick Lowery's 28 points and Dan Smith who added 20.

Fans got a double dose of exciting basketball as Clinton's junior varsity fought a tough battle in the first game, only to lose on a heartbreaking last-second long shot, 70-68. Coach Doug Decker's junior Redskins continue to provide their own brand of basketball thrills and offer several future varsity prospects from their crop of fine sophomore athletes.

Varsity scoring:

Bulldogs Trample Knights

By GREG KOVACS

The Fighting Knights of Boysville lost to the Summerfield Bulldogs Friday evening on their home court with a final score of 62-52.

The Knights got off to a good start early in the game, but fell apart with only seconds to go in the first quarter.

In the first quarter the Knights had trouble controlling the ball and finding the range on the hoop and found themselves trailing 17-9.

The second quarter the Knights outscored Summerfield, but not enough to make up for the deficit that was set in the first quarter and as a result they were again on the bottom of the scoreboard 29-27.

The third quarter found the Knights looking as though they had a pretty good pep talk during the half and fought like a real team determined not to take defeat. The Knights rallied and tied the game 44-44 and at the end of the third quarter the score was tied.

The fourth quarter meant doom for the Knights as bad ball handling set in because of their drive for victory.

The Knights played their best game of the season, to date, and really looked alive, but they could not overcome the power of the opposing Summerfield Bulldogs as they fell to them, 62-52.

Dave Rockwell starred for the losing Knights with 25 points and 25 rebounds.

The Junior Knights also lost a battling game with a final score of 53-42.

Knights Trip Tories, 69-57

The biggest upset in the River Raisin Conference took place Saturday evening as the Fighting Knights of Boysville romped over the league leading Britton Tories with a final score of 69-57.

The Knights started out in the game looking like a champion ball club as they managed to get rid of the poor ball handling that had plagued them earlier in the season.

The height of the opposing Britton team did not stop the Fighting Knights as they outplayed them and controlled the backboards. The roaring start that the Knights got off to paid off as the sound of the horn to end the first quarter of play sounded, the Knights were in the lead, 17-9.

The second quarter of play found the Knights with the same agility that they had in the first quarter, but only with a little more drive. The Knights would not give Britton the chance to threaten their lead. At the end of the first half the Knights had safe control of the ball game with a score of 30-12.

The Knights came into the second half of the ball game looking for a victory, but Britton came back with the same idea. Britton became a serious threat to the Knights' lead in the third quarter, but the Knights were more determined than ever for a victory. The Knights began to play basketball like they have never played; a different brand of toughness was needed to keep Britton trailing. The Knights came through with a tougher game and still had the lead on the league leading Britton Tories at the end of the third quarter with a score of 52-37.

Britton started playing much better when they realized that this game could take them out of the River Raisin Conference race for first place, but this did not bother the Knights as they progressed as the game went on. Even though Britton had outscored them for the second half, it was not enough to break the power of the Fighting Knights. At the sound of the final horn of the game, the Boysville Fighting Knights had defeated league leading Britton by a score of 69-57.

Dave Rockwell scored 16 points making him the star for the winning Fighting Knights.

The Junior Knights were defeated by the JV of Britton by a score of 75-53.

This game brings the Fighting Knights to a 2-6 won-lost record in league play in the River Raisin Conference.

Score by quarters:

Britton	9	3	25	20—57

Law Enforcement Program

Teen-age youths wanting to learn about law enforcement can get an inside look by joining a newly-organized Explorers' group sponsored by the sheriff's office.

All county youths of the 10th, 11th, and 12th grades will be welcomed.

No scouting experience is necessary.

The program of orientation will be an active one rather than a lecture-type experience.

The schedule will include fingerprinting, use of firearms and scientific equipment, a tour of the sheriff's office, a tour of the State Police Headquarters in E. Lansing, as well as other activities.

The first meeting will be Monday, Feb. 12 at 7:15 p.m. in the circuit court room, second floor of the courthouse. At this time, young men will decide whether or not they wish to participate. Parents are welcome at the first meeting.

The program will extend over a period of two months. Joining the group will cost not more than a dollar.

Area youth may contact Clinton State Police Corporal Stanley Gibbard for information.

Thomas Bell is committee chairman, and members are Howard Esterline of the sheriff's department, Robert Irish of the Adrian city police, Circuit Judge Rex Martin, attorney Ed Engle, Blissfield State Police Trooper Don Anderson, and Cpl. Gibbard.

RUBBER PRODUCED IN ONLY 60 SECONDS — Mix two liquids in a pop bottle, shake well and in one minute a mass of synthetic rubber 15 times the volume of the bottle leaps forth—that's the recipe for one of the fascinating sequences in the 40-minute General Motors' science show, Previews of Progress. The admission-free stage show dramatizes the wonders of science in non-technical terms before two million American students and adults each year.

What's for Lunch at THS

Feb. 5 - 9

Monday — Sloppy Joes, potato chips, vegetable, apple crisp and milk.

Tuesday — Chipped gravy on biscuits, vegetable, fruit and milk.

Wednesday — Marzetti, cabbage salad, pineapple upside down cake, date bread and milk.

Thursday — Hamburg gravy, mashed potatoes, apple salad, carrot sticks, brownie, bread and butter and milk.

Friday — Fish stick in bun, parsley, potatoes, vegetable, fruit and milk.

GM Science Show

Local students will look into the future when General Motors' "Previews of Progress' science show appears at Tecumseh High School on Feb. 9, at 1:40 p.m. Tecumseh High School is tentative site for a morning show on Feb. 9.

The non-commercial show, according to General Motors President Edward N. Cole, "seeks to inspire more student interest in science and engineering careers to provide the trained talent America needs to keep pace with the promise of the future."

Previews demonstrations depict work being done today in America's research laboratories and point out the contribution of research to modern living. A two-man team narrates the live show in non-technical language.

More than 30-million American students and adults have seen Previews since 1946. Millions more have seen the world-famed GM show in Canada and 25 foreign countries, including special presentations made overseas at the request of the U. S. Department of Commerce.

Featured in the current show are several energy conversion demonstrations — gas turbine engines, fuel cells and solar cells. Fuel cells convert chemical energy into electrical power and solar cells change sunlight into usable energy.

Another sequence, based on information obtained over the years in GM automotive safety engineering tests, emphasizes the importance of wearing seat belts when driving or riding in an automobile.

In all, students will see nine research - in - action demonstrations.

Previews has received wide acclaim from educators and civic organizations for its efforts in encouraging more student interest in technical car — opportunities.

Scouts Hold Pack Night

By MRS. RICHARD JAMES

Cub Scout Pack 32 held Pack Night Jan. 16, at the Lenawee County Conservation League Clubhouse.

Joe Brosamer was welcomed into the ranks of Webelo Scouts by Cubmaster Charles Skinner and Den Chief Dennis James. He was given an Akela arrow and new Boy Scout handbook.

Scoutmaster Richard James inducted four new Tenderfoot Scouts into Troop 32: Kevin Skinner, George Gartee, David Yoder and Brad Dillon.

Each were presented with the special neckerchief of the Troop.

A Pinewood Derby, with a field of 22 cars, was conducted with Charles Wilson as starter and John Phalen and Clarence Furbush of Adrian as judges.

Jerry Dillon and Wayne Bowerman inspected and weighed each car. Den Chiefs Dennis James, Gary Griewahn and Steve James assisted.

After a long and exciting race with several ties involved, Kevin Skinner came in first, winning a gold plaque and Billy Brosamer, second; Craig Slocum placed a close third. Royal blue plaques marked second and third place.

Tom Gordon, Donald Hildebrand and Keith Scheuerman judged the cars that were eliminated and awarded blue ribbons, topped by miniature racers, as follows:

Best design — Jon Anglin.
Best built — John Gardner.
Best painted — Jeff Shroup.
Most unusual — David Yoder.

The other boys who competed with their colorful cars were Bob James, Steve Long, Scott Griewahn, Ronald Pierce, Bobby Darm, Brad Dillon, David Cook, Mike Hildebrand, Tom Gordon, Mike Scheuerman, Larry Trull, Kerry Skinner, Nick DuShane, Kraig Skinner, Tim Martin, Jody Bowerman, Robert Guana, Charles Eberline, Joe Cissney, Karl Schamberger, Todd Griewahn, Richard Eberline, Walter Case, Mike Cook.

Den 2, under the direction of Mrs. Wayne Griewahn, was in charge of the opening ceremony and also displayed miniature custodian covered wagons and other items they have recently made.

Mrs. Jerry Dillon's Den No. 3 served refreshments to the large group of parents enjoying the race.

The Clinton, Ridgeway, Grace and Macon Methodist Churches are cooperating on this school. This is a churchwide program and a nursery will be provided. Dr. Wendell Bassett will be the guest speaker this Sunday. The school will be held each Sunday evening during February.

The Commission on Education will meet on Monday, Feb. 5, at 7 p.m. The Official Church Board will meet at 8:00.

Mrs. Charles Bigelow will entertain the Mary-Martha Circle Tuesday, Feb. 6, at 8 p.m. Mrs. Charles Gorton, Jr., will have the program.

The Joy Circle will meet with Mrs. James Thomas Wednesday evening, Feb. 7. Mrs. Carl Thomas will assist her and Mrs. Terry Ross will have the program.

The Macon Woman's Club will meet Thursday, Feb. 8, at 12:30. Mrs. Lilburn Burleson will be the host. Mrs. Floyd Barrett, Mrs. William Gibson, Mrs. Peter Golemi will be co-hostesses. Mrs. Charles Gorton, Sr., will have the devotions and Mrs. Arthur Hill the program. The County Officers will be guests.

Mrs. Dean Moore opened the general meeting of the Woman's Club with a poem, "Thy Guiding Hand." The program was arranged by Mrs. John Hewlett and Mrs. Herbert Morden on "Whither the Methodist Church'. Rev. Thomas Badley assisted with the program. The women have been invited to the Grace Methodist Church in Ridgeway for the World Day of Prayer on March 1, at 7:30 p.m. The date of the Mother-Daughter Banquet has been set for Saturday, May 4, at 6:30 p.m. A rummage sale will be held in the church dining room Thursday and Friday afternoon, April 18 and 19. The Credit Union dinner to be served by the group was discussed. Donations of home-made pie and workers are needed. Please contact Mrs. Ray Williams or Mrs. Dean Moore if you can help or furnish. Mrs. James Thomas and committee served Jello dessert, mints, nuts and tea.

Richard Zick spent Friday with Mr. and Mrs. Richard Moore near Grass Lake and then spent the night with relatives in Stockbridge.

The Annual Father-Son Banquet plans have been made. It will be served at 6:30 p.m., Saturday, Feb. 12. Tickets are on sale by Edward Zick, Guy Zelluff, George Osborne. The Faith Circle has charge of the decorating.

Mr. and Mrs. Carl Hintz and Mr. and Mrs. Russell Van Valkenburg attended the annual meeting and dinner of the Lenawee County Farm Bureau last Wednesday in Madison Center.

Mrs. Della Handley is at the Herrick Nursing Home, Tecumseh.

Mrs. Grace Bartels, mother of Carl Bartels, is a patient at the Herrick Memorial Hospital.

Mr. and Mrs. Ray Hendershot of Brooklyn; Mrs. Marie Lowery and daughter, Suzann, of Ann Arbor; Rebekah Bigelow, of East Lansing, were Sunday guests of Mr. and Mrs. Charles Bigelow, son, Robert, and daughter, Mary Beth. Rebekah returned Sunday evening to Michigan State University after spending the weekend with her parents.

Ray Gilmore was released from Herrick Memorial Hospital last Friday. He is spending a few days with his son and wife, Mr. and Mrs. Herbert Gilmore.

Ernest Waters, of Gregory, spent the weekend with his sister, her husband and sons, Mr. and Mrs. Edward Zick.

Mr. and Mrs. Hamilton F. Moore, Mr. and Mrs. Dean Moore and family spent Sunday in Ypsilanti with Mr. and Mrs. Gerald Carey, Sr., and daughter, Luella.

Mr. and Mrs. Alex Badley and son, David, of Port Huron, and Miss Barbara Dunn, of Ann Arbor, were Sunday guests of their son and family, Rev. and Mrs. Thomas Badley and daughter, Rebekah.

The Tecumseh High School Jayvees are showing a lot of poise this year and are the holders of a respectable 8-2 won-lost record to show for it. The scoring leader on the team is Mike Kennedy, who has scored 107 total points for a 10.7 per game average. The players are, standing from left to right: Tom Aiuto, Mike Kennedy, Bob Reed, Bruce Costigan, Bob Pettit, Jack Greenfield, Paul Burns, Jack Baker, Paul Hamilton, John Birchfield, Bill Damon. Oral Vaccine Is Available

Oral poliovirus vaccine is now available at the Lenawee County Health Department, Dr. Tom Hamilton announced this week. This vaccine is being offered in preference to the Salk injected vaccine because the oral type is more effective, easier to take, and long-lasting. Two doses, eight or more weeks apart, are necessary. The health department charges one dollar per dose for this immunization only. The quadruple vaccine, diphtheria, whooping cough, tetanus and Salk injected polio, will still be available free as are all other necessary immunizations.

Dr. Hamilton also discussed other services available from the health department, particularly home health care by nurses and nurses' aides for persons confined to home and requiring some skilled care, such as changing dressings, injections, bed bathing, physical therapy, assistance with crutches or walkers and similar help. Home care is an extension of, but not a substitute for a medical care facility. A charge is made for the services which is usually covered by insurance, medicare or medicaid.

The health department nurses also provide service without charge as they instruct patients and the family in the administration of injections, especially insulin, in the understanding of diabetic and other special diets, food preparation and economy for low income families.

Patrol Wins Gold Nuggets

The Falcon Patrol of Troop 73 Boy Scouts won 19 gold nuggets in the annual Yukon Gold Rush at Camp Kanesatake Saturday.

The Beaver Patrol was awarded 17 and the Elk Patrol 15.

All patrols started on the trail at 9:45 a.m. The Beaver Patrol finish time was 1 p.m.

Members of the Falcons are Leader Arthur Lewis, Jim Crandall, Terry Fowle, Robert Judy, Bob Meadows and Ray Winzler.

The Beavers finished at 1:20 p.m. They are Leader Richard Disbrow, Larry Bird, Mark Collier, Mike Collier, John Frownfelder, Ken Meadows, Richard Packard and Colby Welch.

The Elks finished in the shortest time at 12:35 p.m. They are Leader David De Groot, Dale Clar, Frank Hawthorne, Fred Morley, Rory Skinner, David Southwell, Jay Warren and Gary Wonderly.

Leaders taking part were Scoutmaster Tom Cook, Assistant Scoutmasters, Harold Warren and Raymond Winzler with committeeman Robert De Groot.

Each patrol, using scouting skills, covers a five mile run at ten different stations on the camp site.

Station No. 1 Claims Office (Camp Boyce Lodge) Each Patrol Leader was given instructions, claim sheets, trail map and poke bag for gold nuggets. If Patrol had Scout-built sled they were given one nugget.

Station No. 2 "Mush" Each Patrol must have all equipment and firewood on sled, line up six sleds on command, race to finish line. One gold nugget was awarded if each patrol had all equipment on check list, in addition three nuggets for finishing first, two nuggets for second and one nugget for third.

Station No. 3 "Claim Staking" All members of a team were to lay out a rectangular plot of a given dimension with one side to be a given degree of the compass. Skills of pacing and compass work are required. Three gold nuggets were awarded for (1) Participation (1) Correct measurements (1) Correct compass layout.

Station No. 4 "Tell Pine" Objects were pointed out to the members of the patrols and they were to judge the height of the objects, judge the distance of the objects and judge the height of the object provided. One gold nugget for correct height (within 5%), one nugget of distance (within 5%) and one nugget for correct weight (within 10%).

Station No. 5 Miner's "T" Members of the team built a fire large enough to burn a string which is holding a No. 10 can, suspended in the air. Upon bringing this No. 10 can to the ground the team will find further instructions in the can. These instructions must be followed in every detail. Three gold nuggets were awarded for cooperating all phases of this station. One for building fire, one for burning string and one for following final instructions.

Station No. 6 "Trapped Trapper" A trapper has fallen into Dead Man's Gulch in the dark and cannot get out. Each patrol must get him out before he freezes to death. For saving his life each patrol will be justly rewarded. They sent one of smaller team members to the bottom of the gulch to act as the trapper. He may groan but cannot talk. The rest of the team must put their neckerchiefs over their eyes as blindfolds. Take their six foot ropes and each Scout tied his rope to his partners with a square knot. Then tie a bowline around the trapper and haul him up. Throw the rope back down to the other prospector and haul him up. Award one gold nugget if all of the square knots are correct and one gold nugget for hauling up both the trapper and the prospector.

Station No. 7 "Fallen Factor" A miner is injured in a cave-in and is rushed to the First Aid Station. His injuries are diagnosed as a broken right arm and head injuries. Since no doctor is available the prospectors must apply first aid quickly. The broken right arm must be properly splinted and bandaged. The proper head bandage had to assume that the proper sterile dressings were applied to any wounds prior to applying the bandages. Two gold nuggets were awarded for proper splinting and bandaging of the arm and one gold nugget for bandaging of the head injury.

Station No. 8 "Timber" To get some gold nuggets for a new grub stake, three of the miners stopped to do some logging work. The three miners got nuggets for the amount of wood they could saw from a stick of wood in three minutes. One gold nugget for each miner that makes two cuts of wood.

Station No. 9 "Snowbound Miner" A miner was snow bound and trapped across the river and there was no way to get to him since the current was too swift to get across and there was no boat. The miner was in need of wood, clothing and medical supplies. Prospectors must build a catapult to get the supplies across the river. All pitched right in to this catapult because time was an important factor to the trapped miner. Two gold nuggets for building the catapult, two gold nuggets for correct lashings and two gold nuggets for catapulting supplies to miner.

Station No. 10 "Assay Office" Patrol Leaders take gold nuggets and claims packet to assay office for pay with trail patches and Gold Rush Awards.

QUESTION:
"Should we shield our children by having them visit with friends during bereavement in our family?"
ANSWER:
Leading child psychologists urge parents to refrain from over-protecting the child during bereavement in the family. Do not overburden the child with long explanations about death. Simply answer the child's questions briefly, as they are asked.

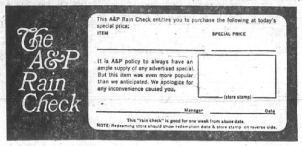
we care

we never "run out" on a sale!

We never advertise a special sale item unless we have an ample supply. Once in a great while, the special is more popular than we imagined. So occasionally, we do run out of the item.

But we never "run out" on a sale.

If the item is sold out, just ask the manager for a "RAIN CHECK".



An A&P Rain Check is a certificate that entitles you to buy the item at the same special price, the following week.

We think that's the fair thing to do. We think that shows "WE CARE".

Not every store can care that much. A&P can...and does.

Shouldn't A&P be your store?

Through My Window

I APOLOGIZE

One of the quickest and easiest ways I can work myself into just lots of trouble is to make a definite statement about our birds and squirrels. What they are going to do or what they are not going to do, what they like or what they dislike, what they can or what they cannot, what they will or what they won't.

As soon as I become positive, they become obstinate — whether they read over my shoulder or have their own subscription to The Herald, I'm not quite sure. I only know that in the past few weeks I have been contradicted time and time again.

EXAMPLE: In our article of December 15, I came right out in black and white and wondered why a red-bellied woodpecker was so named when neither Mom nor I had seen the faintest trace of red on the tummy of the new bird who had made a Sunday so interesting. A few weeks ago he was back and this time his visit covered many days and afforded many good looks. He inspected all the trees, the fence and the feeders.

It was while hanging on side of the near-the-window feeding tray that we saw it — in fact, it was quite noticable. The red-bellied woodpecker does, indeed, have a red belly. Not bright red but there was most definitely a reddish wash on his front side.

★

EXAMPLE: On January 11, while describing what fun the pert little tufted titmice and the upside-down nuthatches were having with our mesh bag full of peanuts, I casually mentioned that we had outfoxed the squirrels by hanging the peanuts out of their reach. I should have known better. Given time and motivation a squirrel will solve any problem.

There finally came the day when one of our squirrels could simply not stand that full bag of peanuts any longer. Gertie and I laughed as he worked himself into a regular frenzy, oh, how he did want to get at those nuts. All day he worried on the problems with frantic tail-flipping and foot stomping, he stormed about the top of the feeder trying to work up enough courage to jump to the bag.

It wasn't until the next day that, with a great deal of determination, the jump was made. It wasn't that the distance was so great, the difficulty lay in the landing field — a bag of peanuts does not offer too much in the way of secure footholds. This was more than apparent on the first few leaps when the squirrel failed to hang on and fell. At last he mastered the art and, from then on, our bag of peanuts was a fast-diminishing commodity. The antics of peanut stealing were hilarious to watch but that is a story for another time.

★

EXAMPLE: In several different articles I bemoaned the lack of even a single chickadee appearance. Well, the new suet feeder came to the rescue and it did attract a cute little black-capped chickadee.

He seemed happy and we certainly were. He made a near-perfect picture — the sun shone brightly on our snow-covered window world and there sat the long-awaited chickadee.

Using the dowel perch which the woodpeckers scorned, he smacked at the suet. Who could ask for much more?

I could — I could ask for some repeat visits. The chickadee was back the next day but we have not caught the slightest glimpse of him since.

Chickadees like a variety of food; on his second visit the suet was apparently not a bit attractive and so he dined on sunflower seeds.

Both are still most available as are generous helpings of scratch feed — where is the chickadee?

★

EXAMPLE: This did not find its way into an article but a letter did tell about the starlings not being able to manage the new suet holder. Even though I did not use this brilliant observation, I am quite sure it was tucked back in the corner of my mind some place and, had I not been so quickly proved wrong, the no-starling gem would certainly have burst into print soon.

Oh, yes, I was most assuredly wrong — as soon as the letter was mailed, the starlings started flocking to the new suet holder. It is their favorite cafeteria these days.

So it is that to my flying, jumping and reading friends — I apologize.

Dr. Coak to Speak at Child Study

Dr. Richard Coak will speak to members attending the Child Study Club meeting Feb. 12 at the home of Mrs. LeRoy Titley.

A film will be presented and a discussion led by the doctor.

The Club is conducting a membership drive and members invite all interested women to the forthcoming session.

This is not a money making group but meet to study and discuss matters relating to home living, raising children, community activities and services and educational facilities.

Anyone interested may contact Mrs. Carson House 423-4186, Mrs. Wayne Kaiser 423-3010 or Mrs. Steve Fulop 423-2833.

Vicki Lynne McVay received a bachelor of arts degree, Sunday, Jan. 21, at Eastern Michigan University. Miss McVay, a 1963 graduate of Tecumseh High School, was an honor student on the Dean's list. Her parents, Mr. and Mrs. Merle McVay, 7754 Tipton Hwy., Tipton, entertained at a buffet supper at their home following the ceremony honoring their daughter. Guests were present from Jackson, Michigan Center, Clinton, Adrian and Tipton and attended the reception which featured a cake decorated in blue and white. Miss McVay has accepted a position at Millington Public Schools, Millington, where she will be teaching English, beginning Monday

NANCY THIELAN

Ag. Student of the Month

The agriculture student for the month of February is Nancy Thielan. Nancy lives on a small farm with her parents, Mr. and Mrs. Rollo Thielan, of West Munger Rd., Tipton.

Nancy's hobbies are cooking, sewing, taking care of animals, and working in the FFA's greenhouse. She hopes to work in a greenhouse after she graduates. Her ambition is to become either a florist or an interior decorator.

She has raised five sheep, four of which she has sold this summer, keeping the youngest one for a pet. She is planning to have broilers and a garden for FFA project this year.

Mr. and Mrs. Ralph Comfort had their son and wife, Mr. and Mrs. Robert Comfort, of East Lansing, for Sunday guests. They also spent time with her parents, Mr. and Mrs. Eugene Vaughn.

OFF the TOP

This week marks the 10th birthday anniversary of our daughter, and I was struck with the difference between her childhood and mine when we asked her what she would like for her birthday gift.

She mused a moment, then replied, "I don't know of anything." We urged her to think of something she would like, and she said she would. But when we asked her again later, she said she couldn't think of anything.

Poor child of today, unable to dream up a request for her birthday! We are not a wealthy family, but like millions of other middle-class people, we have been able to provide the necessities and some of the little luxuries for our children, and in our efforts to give them more than we had when we were young, we have, perhaps, unwittingly cheated them of an important phase of growing up.

Life does not always go smoothly; we do not always get everything we want; and we must accept disappointment sometimes.

How will our children learn these lessons if we constantly smooth the way for them? Not only do we want to give them what they ask for, we want to give them things they haven't even thought of. In our efforts to be good to them, we are too good. We deny them the experience of really yearning or longing for something; we fulfill their desires before they are even expressed.

The affluent children of today need to learn self-denial, and very few of the present-day youngsters are getting the chance. And if our children seem materialistic, it is because we have given them the wrong values. If we have put too much importance on things, they have mimicked us; and if children of today are selfish, it is because we parents have catered to them too much.

We must examine our own actions and motives. Many of the parents of today grew up in a much harsher world than our children know, and we are probably trying to shield them from the hardships we experienced.

We wouldn't want our youngsters to have to undergo real deprivation, and yet, is it fair to raise them in an atmosphere where wishes are always granted?

And there must be something wrong in a world wherein many a pampered housecat will turn up his nose at table scraps and eat only his favorite canned food, while somewhere children are starving; or where some children have only dirty, tattered rags to wear, while we make elaborate little dresses for our children's dolls.

Parents must set the example; we must put less accent on things and more on principle. We must say "No" some of the time; because the world will not always say "Yes". We must help our children to look beyond their own self-centered life, and make them more aware of others.

The building of a worthwhile life, or a worthwhile nation, does not come without effort and dedication. We must help our youngsters to be builders and sharers, and not takers only.

Patricia Vincent, Don Finkbeiner Wed On Jan. 20

CLINTON — St. James United Church of Christ, east of Clinton, was the setting for the marriage of Patricia Ann Vincent and Donald Finkbeiner, Jan. 20, by the Rev. Virgil King.

The bride is the daughter of Mrs. Charles Vincent of Hazel Park and the late Mr. Vincent. The bridegroom is the son of Mr. and Mrs. Warren Finkbeiner.

The bride was given in marriage by her uncle, John Vincent of Clinton.

The bride is a 1966 graduate of Hazel Park High School and a recent graduate of the Patricia Kelly School of Cosmetology in Hazel Park.

The bridegroom is a 1964 graduate of Clinton High School and is an employee of the Washtenaw County Road Commission.

Mr. and Mrs. Finkbeiner are residing at 101 Russell St., Saline.

Church Starts Building Phase

CLINTON — Another phase of the remodeling project at the United Church of Christ started this week.

A three-year remodeling program was begun in April, 1966.

Church men volunteers began working on the chancel area this Monday, in preparation for the moving of the organ and choir pews.

They plan to work each evening from 5:30 p.m. until 9:30 p.m.

During the past year the church and parsonage exteriors were covered with new siding and the dining room was completely paneled.

Plans were made for the meeting Feb. 14 when Grand Chief Mrs. Bernice Goodyear will be a guest.

Mrs. Whelan was presented with a trip record book from the local temple which she can use on her forthcoming trip to South America.

Refreshments were served by Mrs. Cecile Smith, Mrs. C. B. Brock and Mrs. Harold Kempf.

NEWS of CLINTON

A SECTION OF THE TECUMSEH HERALD
EDITOR — MAXINE CALHOUN

CROP Program is Described

CLINTON — The CROP program was described by Mrs. John Ruesink of West Adrian, for a meeting of the Women's Fellowship of the United Church of Christ, Thursday evening. There were 17 present for the meeting at the church.

Mrs. Ruesink is president of the Church Women United, and she explained the Share-a-Loaf project which her organization of county church women is sponsoring through their churches.

The donations of dollars and food given to the Christian Overseas Relief Program, CROP, is sent to areas of the world where the need is the greatest, and is administered through volunteer church workers so that it goes directly to the needy persons.

"Often those natives who are able to work are paid for their services with CROP supplies," Mrs. Ruesink said.

Others are taught to use donated seeds to cultivate food crops in their own lands.

Mrs. Ruesink showed colored slides which were taken by Russell Hartsler, Michigan CROP chairman, on a recent trip to areas in Africa.

The slides were of the delivery and dispersal of such CROP donations as Michigan navy beans, Gerber baby foods, and baby chicks at Ghana and Senegal.

Often as many as 7,000 natives of the Congo come to the centers for their weekly allotment of available supplies, Mr. Hartsler reported. He saw many families who had walked as far as 20 miles to receive a quantity of cooking oil, ground oats, wheat, and soap.

During the business meeting the Fellowship members voted to participate in the Share-the-Loaf project, at the cost of one loaf of bread a week, 25c, folders are to be filled and returned at the March meeting of the Fellowship.

Chairman Mrs. Robert Vogel announced committees to work on the father and son banquet March 23. The Priscilla class will have charge of the food; Mary-Martha Class, the dining room; and the Philathea Class will arrange the decorations.

It was voted to invite women from the neighboring community United Churches of Christ to a meeting March 21. Mrs. Elvira Vogel, president of the State Association of UCC Fellowships will be the guest speaker.

Mrs. Howard Hintz and Mrs. Clarence Heimerdinger, Sr., and Mrs. William Shelley, alternate, were appointed to the committee to meet with Mrs. Charles Knight of the Methodist WSCS, who will host the World Day of Prayer Service March 1.

On display were more than a dozen little girl dresses, made by Mrs. Paul Dunham, and several quilts, which were recently completed for the Material Aid project.

Mrs. Arthur Hill, chairman of the project, explained the continuing need for flannel sheets blankets, bedspreads or draperies to use for quilt backing, and for old sheets for leprosy bandages. Such articles may be left at the rear entry of the church at any time.

Mr. and Mrs. Richard Williams of Dimondale spent Thursday visiting her mother, Mrs. Ralph Halladay.

Band Boosters Purchase Oboe

CLINTON — Members of the Band Boosters voted at their meeting last Monday to purchase an oboe for the band.

A successful Christmas tree sale was reported and it was announced that a few of the Angel-Lites are still available from band members.

The Band Boosters will host a reception for all band members and their parents following the Feb. 29 Winter Concert. Mrs. Roland Redman was named chairman of the event.

Clinton Seniors Pick Class Play

CLINTON — Play chosen by the Senior Class for presentation in April is "Androcles and the Lion," by George B. Shaw.

The drama of early Christians thrown to the lions will be directed by Reginald Smith, who teaches business courses and has a major in speech.

The play will be staged at Clinton High School, April 3, 4 and 6.

Vietnam Is Full Of Adventure For Thomas Kish

Mr. and Mrs. Gaza Kish, 6911 Green Hwy., received a letter Wednesday from their son, Tom, at Dak To, Vietnam, telling of his promotion to specialist 5.

He volunteered in October to extend his stay in Vietnam and instead of a leave in February, he expects to be discharged May 23.

Mrs. Kish said that her son has greeted his experiences in that country as an adventure and has never complained. He is located 10 miles from Laos and 15 miles from the Cambodian border.

He is with the combat engineers and spent Thanksgiving at Tam Cahn, a little town about three miles from Dak To, that was completely wiped out at that time by the North Vietnamese.

He tells his parents in his letters about the search and destroy missions he goes on with a squad of about 12 men. In the latter part of November they built gun emplacements along the Cambodian border. It was their work to disassemble huge bulldozers, called DC 6's with caterpillar treads so that helicopters could move them from place to place. Each time, they were taken apart and assembled again.

Disappointment did catch up with Tom in December when he was given R and R (rest and recreation) in Thailand. He and Dale Close had planned to meet at Bankok and Dale was sent home Nov. 27, just three days before their rendezvous.

Swimmers Win

Three Tecumseh swimmers were among the winners in the swimming meet, Jan. 27, between Lenawee YMCA boys and Owosso YMCA boys.

Lenawee won 64 to 30.

Dennis Kaechele placed first in 25 yard freestyle, and first place in 50-yard breaststroke.

Doug Eggleston placed first in 50-yard freestyle, and Tom Fielder second.

WINTER SNOW BUNNY — During our last big snow fall the William Ross family, 308 Adrian St., sculptured this huge snow bunny to the delight of their daughter, Betsy. She sits upon her friend possibly wishing she would hop away.

Merz Elected Scout Head

Robert Merz was elected senior patrol leader of Boy Scout Troop 73 for a term from Feb. 1 to September. Others elected to office for the same term are:

Assistant senior leader — James Crandall.

Quartermaster—Richard Packard.

Scribe — Frank Hawthorne.

Librarian — Richard Disbrow.

Beaver patrol leader — David DeGroot.

Assistant leader—Jay Warren.

Elk patrol leader — John Frownfelder.

Assistant leader — Kenneth Meadows.

Falcon leader — Arthur Lewis.

Assistant leader — Lawrence Bird.

Tenderfoot rank was conferred on Dale Clark, Mark Collier, Terry Fowle, Robert Judy, Ray Winzler and Gary Wonderly.

Merit badges were awarded to Scoutmaster Tom Cook in drafting, Richard Disbrow in safety and Richard Packard in camping.

Tecumseh Payrolls Over $45 Million

Tecumseh's economy continued its upward surge during 1967 when payrolls in Tecumseh and area — excluding Clinton — topped the $45 million mark.

Based on reports from industry and many businesses, the '67 payroll total was $45,118,836, almost $1.7 million over the preceding year.

Payrolls were undoubtedly affected by inflation as companies increased salaries to help employees meet the rising costs. Total employment rose just slightly, reaching an estimated 6,485, an increase of about 125 over 1966.

In the past five years, Tecumseh's payrolls have nearly doubled, going from $25 million in 1963 to the current total.

In 1964, payrolls reached $29,276,630; 1965, $37 million; and last year, $43,460,690.

Major employer by far is the Tecumseh Products, which reported a '67 payroll of $27,300,000 — almost two-thirds of the area's total — and an employment of 3,200.

The company also predicts a good first quarter for 1968, reporting "the first three months look strong."

Most of the other businesses expect the economy to prosper in 1968, and most reported gains for last year.

Jack Metcalf, Tecumseh postmaster, said the mail volume in '67 was 10% above 1966. Christmas business in December was up 15%, and receipts for the year reached $198,000, an increase of $33,000.

Gray Manufacturing reported a below-average year, due to a mid-year sag brought on by customer curtailment of inventory. The company had a brisk final three months and predicts a "good year for 1968, and could be excellent, depending on overall business confidence to invest and non-residential construction."

Al Merz, owner of Tecumseh Equipment Company, says 1967 was the "best year we ever had, and '68 looks good, even though farm prices are bad."

Les Dallas, local auto dealer, reports '67 was excellent, despite rising costs which made profits more difficult to realize.

He says, "all indications point toward a good 1968."

Vescio's records show an increase for last year, and officials "project an increase in sales for 1968." The super market says the "first half of 1968 looks good, but the last half could be less than expected."

One of Tecumseh's major employers, and usually overlooked as such, is the school. Employment there numbers 260 and the payroll last year was almost $1.5 million.

Supt. James McDowell says the schools increased by 67 students, and it appears that this growth will continue with 1968 gains considerably greater than in the past few years.

The schools have planned a new elementary school on Sutton Rd., which is scheduled for completion by the fall of '69. The Sutton school will enable officials to abandon the West Branch elementary school.

Officials of many business and industrial plants report difficulty in obtaining satisfactory employees. At a meeting of businessmen and industrial officials last fall at the high school, indications were that employers were at the "bottom of the labor barrel."

Although Tecumseh has not experienced a rapid growth in residential development in the past few years, nearby townships have spurted, with the number of new township houses being constructed topping the number being built within the city limits.

For the past two years, total construction inside the city has fallen below $1 million per year.

HAROLD EASTON

Region II Elects Easton Chairman

Mayor Harold Easton of Tecumseh was elected chairman of Region II of the Michigan Municipal League at its annual meeting in Jackson Feb. 1.

Region II is made up of cities and villages in Hillsdale, Ingham, Jackson, Lenawee, Livingston, Monroe and Washtenaw Counties.

There are 440 member cities and villages, the area meetings serve to bring together officials of the members and provide for an opportunity for discussion of current municipal problems, exchange of ideas and cooperative action on matters of mutual concern.

This is the first time a Tecumseh official ever received such an honor.

Train Crash Claims Life of Ray Sweet

Services were held Monday afternoon at the Dunn Funeral Home for Raymond B. Sweet, 25, who died Friday afternoon at University Hospital, Ann Arbor, following a train-car accident shortly after midnight Saturday, Jan. 27.

He was en route home from work at the Ford plant in Rawsonville when he drove into the side of a train at the Ann Arbor Railway crossing, just north of Monroeville, on Stony Creek Rd.

There are no signal lights at the crossing, and at the time of the accident, it was extremely foggy.

Sweet was a fine football player here for the Tecumseh Indians in 1960 when the team posted a 7-1-1 season. He was first string center.

In 1961, he enlisted in the Navy and served four years, being discharged in 1965.

On April 8, 1967, he and Janet Pickford were married in the Friends Church.

Survivors include the widow, an infant son, Raymond S.; parents, Mr. and Mrs. Raynor Sweet, Ives Rd.; sisters, Gloria of Tecumseh, Barbara and Yvonne at home; two brothers, Richard at home and Nelson of Adrian; and grandparents, Mr. and Mrs. Donald Sweet of Adrian and Mrs. Norlene Lister, Holloway.

The Rev. Paul Brantingham, pastor of the Friends Church, officiated at the funeral service. Burial was in Brookside Cemetery.

The Underwood-Orr American Legion Post conducted a military graveside service for the veteran.

New Golf Pro Hired at TCC

Arthur R. Michalke, 53, of Saline, was employed last week as a golf professional at the Tecumseh Country Club.

During the past six years, he was assistant at the Fox Hills Country Club, Plymouth, and for Pat's Par 3 Golf Course and Range at Saline.

A World War II veteran, he is married, has two daughters, and one son, now in Vietnam, and two grandsons.

Mr. Michalke has been a resident of Saline for the past 22 years.

Troy Martin Still Sought

Troy Martin, 41, accused killer of J. Edward Spivey on Jan. 27, is still at large and is being sought by police and the FBI.

Martin, who supposedly shot Spivey on County Line Rd., northeast of Britton, fled to southern Ohio or Kentucky.

The FBI entered the case after Martin kidnaped Thomas Cyr, on whose property Spivey was killed, and forced him to drive at gun point to Toledo.

Spivey and Martin were good friends at one time. Although the accused murderer was said to be a relative, family sources report there was no connection.

Drive Starts for Bleachers

A second drive, sparked this year by the Tecumseh Rotary Club, will start next Tuesday for additional seats at the Tecumseh athletic field.

Only difference from the drive last year, when service clubs sold season tickets to Tecumseh's home football games, is the goal — portable bleachers.

Last year's drive raised funds for 540 permanent seats for Tecumseh spectators. The drive this year will provide bleachers for visiting fans.

Charles O. Butler, Rotarian, says bleachers for 500 to 1,000 people are planned, depending on the amount of monies raised. The bleachers will also be used at Tecumseh Park and for other civic activities which draw large crowds.

The School Board, administration and coaching staff have approved of the season ticket sale and project.

Other Tecumseh service clubs are expected to join the Rotarians in the project and help solicit the community.

Home games next fall will be against Hillsdale, Airport, Flat Rock, Monroe Catholic Central and Gibraltar-Carlson. Monroe CC was last on Tecumseh's schedule about 10 years ago, but GC is a newcomer.

Walt Daniels, Gray Mfg. executive, is chairman of the project for Rotary. Tickets will be available at Don's Beef Buffet, Greenwald Cleaners, Baldwin Hardware and Hite Hardware.

Cupid Scores in Florida

Cupid's arrow is sure and true. It struck in Florida and now Mr. and Mrs. Melvin Ruettinger and Mrs. Katharine Hunt are in Palmetto to attend the wedding.

Olive Upton, 71, and aunt of Mrs. Ruettinger, will become a bride for the first time Valentine Day when she speaks her vows with Maynard Darling, now retired from the Sparks - Worthington Corp. of Jackson.

The couple will be married at the Ellenton Methodist Church in Ellenton, Fla., and following the ceremony a reception will be given by the residents of The Coach House in Palmetta where the bridal couple and her sister and husband, Mr. and Mrs. F. S. McRae, are living.

MIS Session On Feb. 20th

An informative-type meeting about the Michigan International Speedway has been scheduled at the Holiday Inn in Adrian for Feb. 20.

Plans were completed Tuesday for a county-wide meeting with Don Moffatt, local Chamber secretary, and Mary Bowers, director, attending from Tecumseh.

Local and area businessmen and officials are urged to attend the meeting and luncheon at the motel. Reservations must be made by noon, Feb. 16, with any officer of the local Chamber or by calling The Herald, 423-2174.

Construction work is already well underway at the MIS site, just west of Cambridge Junction, and those in attendance on Feb. 20 will probably learn of the expected effect of the Speedway on this area.

George Kawamoto, MIS vice-president; John Marsh, Canadian broadcaster for sports car racing; and Diana Carter, Canada's top woman racing driver and three time winner of the Coup de Dame, will be featured speakers.

Hospital Hikes Room Rates $2

Council learned Monday night in a report from the Board of Herrick Memorial Hospital that room rates have again been hiked to meet rising costs.

Room rates were upped $2 per day, making private rooms now $34 per day; semi-private, $28; and ward, $25. The rates went into effect Jan. 1, and it is the second increase since a year ago, when room rates went up $5 per day.

The new rates were established to offset a 4% wage increase to hospital personnel — except registered nurses. RNs received an increase Jan. 1, 1967, another in July, and a third the first of this year, making their scale range from $500 to $600 per month.

Although the hospital has increased its rates, the cost per room per day is still less than other hospitals in this area. Some are considerably higher.

Another salary adjustment was effected with the Board approving a 15c per hour raise for afternoon and evening shifts, and an increase for head nurses and supervisors.

William Groover, administrator, says, "salaries are now more in line." Bixby Hospital, in Adrian, wages are about the same.

The administrator says the new increases are expected to cost about $47,835 for 1968. Rate adjustments last year cost approximately $70,000.

Hospital Board's action also included a small increase of 50c per day increase per room at Herrick Nursing Home.

The local hospital, which is operated without tax support from the city, has a full-time employment of 145. Part time employment numbers about 55.

Last year, its payroll totaled $714,982, one of the highest in the Tecumseh area.

Two Lucky To Escape Acid Fumes

The Rev. Herald H. Hendricks and his son, Stanley, of Adrian are most happy to be alive after a near-fatal mishap Friday afternoon.

They were cleaning a well at the home of the father, 2473 East Monroe Rd., just west of Tecumseh when they were both overcome by fumes from muriatic acid.

The Rev. Hendrick said Monday that they were using acid to loosen a joint in the pipe and the acid worked much faster than they had expected. It was down 60 feet in the pipe.

Feeling strange, he told his son that he was going to get out of the well and almost reached the top of the step ladder before he fell.

His son tried to catch him but was overcome just at that moment. The Rev. Hendricks regained consciousness but could not revive his son.

After a struggle to free himself from the ladder and Stanley's legs, the pastor was able to get out of the well and neighbors came to the rescue.

Tecumseh Fire Department answered their call for the resuscitator. The two men were taken to Herrick Memorial Hospital where they were released on Saturday.

The Rev. Hendricks was able to attend the meeting of the Stateline Gem and Mineral Society Sunday but his son did not recover as quickly.

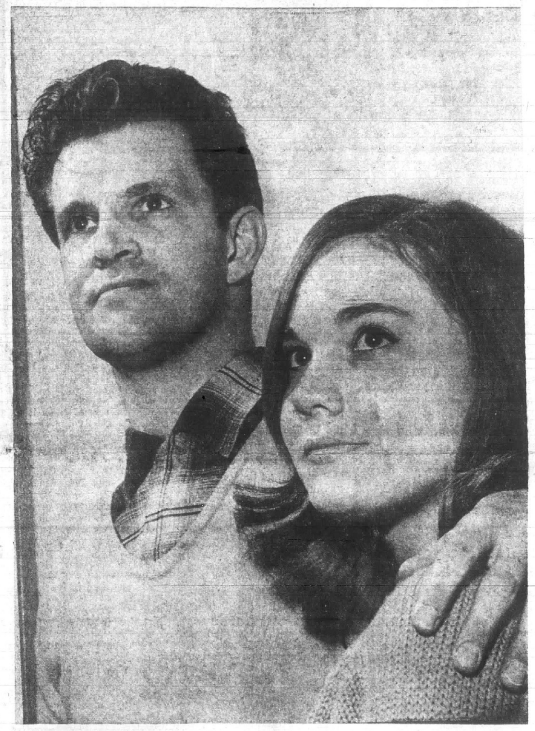
Stanley Hendricks has purchased the tools and equipment of the Fleming Heating Business, near Adrian, and will operate the Lenawee Heating Service as a division of the Adrian Oil Burner Service, where he has been employed a number of years.

Jim Lawson Is MI Director at Alma College

James Lawson of Tecumseh is serving as director of Men's Intramurals at Alma College this year.

James, a junior at Alma, is the son of Mr. and Mrs. Victor Lawson, 508 Cairns St. He is a 1965 graduate of Tecumseh High School.

He is also a member of Alma's varsity basketball team



LEADS IN MUSICAL — Janie Tinker and Dick Egli, pictured above, have the romantic leads in the new musical comedy about to open at the Community Center. The Tecumseh Players have been working since the first of the year in preparing the show. Some of the songs included in the delightful Burton Lane-E. Y. (Yip) Harburg score are "Old Devil Moon" and "How Are Things in Glocca Morra." At left is John Raymond, another of the amusing citizens of Missatucky.

'Finian's Rainbow' Is Musical Comedy Hit

By BILL SANFORD

The Tecumseh Players invite you to travel via Finian's Rainbow to Rainbow Valley in the State of Missatucky. Just a short trip to the Community Center, on Feb. 15, 16, 17, 22, 23, 24, 29 or March 1 and 2 will bring you to a valley of whimsical nonsense and moonlit romance.

The Players, for the first time, will be performing with a stylized exterior setting. The stylization is a non-realistic expression of color and line instead of a true representation. The sets have been designed by Mrs. Glen Harbaugh. Mrs. Harbaugh, whose husband is Director of Theatre at Adrian College, has much experience and interest in the theatre which is being utilized on the new style of sets on the Players' stage.

Mrs. Harbaugh will serve as technical director, assisting her in the various departments will be, lighting by Bill Frownfelder, properties by Judy Sherwood, costumes by Sue Utley, and makeup by Mrs. Roland Von Kaler. All are now busy putting the final touches necessary to sets and costumes. The entire production is under the direction of Mrs. Donald Geiger.

The chorus is being directed by Mrs. William Flanders, Mrs. James Mull is the choreographer.

The participants in this moonlit romance will be Dick Egli as Woody Mahoney, the girl Woody woos will be portrayed by attractive Janie Tinker of Adrian College. Chuck Wilder, in the show sings of loving the girl he's nearest, is a high school student from Clinton.

The Finian in the title will feature Craig Collicott of Jackson. Cast in supporting roles are Dick Boyd, John Raymond, Willard Southwell, Dick Hammel, Margene Frownfelder, Francis Southwell and Dorothy Wetter.

The Players' announce that there will be two evening performances with student tickets, Feb. 15 and 22. Tickets will be available at the door for $1.00 these nights.

Reservations for the show can be made by calling Mrs. Richard Egli 423-4557 or Mrs. Duane Steele, 423-4814. Tickets are also available at Flanders Music Co.

Auxiliary Collects $847 for M of D

Last Tuesday evening all participants in the March of Dimes Drive to prevent birth defects, covered the city during the most cooperative weather in several years.

The VFW and Auxiliary covered the city from Chicago Blvd. north and Evans St. west. Chicago Blvd. south and from Evans St. west, was covered by American Legion and Auxiliary. The half of the city east of Evans St. was covered by the following organizations: Exchange, Extension, Jaycees, Eagles Auxiliary, Child Study Club, Cabana Girls, Rotary, Hospital Auxiliary and Girl Scout Leaders. The following unaffiliated people also helped: Marge Edson, Madelon Van Riper, Gene Barton and Norma Holdridge. Mrs. Betty Flanders also gave considerable time on her daily program.

On Feb. 14 or 15, the canisters placed in about one hundred business places will be picked up by the Chairman.

Bank Will Be Closed

The United Savings Bank and Adrian Federal will be closed Monday, Feb. 12, in observance of Lincoln's birthday.

Both financial institutions also will close for Washington's birthday, Feb. 22.

Wrong Fire Dept Called Mistakenly

A call to the wrong fire department, and giving the wrong address was an unknown factor in a fire Thursday that accounted for nearly $7,000 damage to an apartment house owned by L. E. Reed at 307 N. Pearl St.

Mrs. Graham Morden, a tenant of the apartment building, went into her children's bedroom and discovered a fire in the closet. The call went out to the Adrian Fire Department which in turn went out in search of a fire on Pearl St. in Adrian. The time delay in responding to the call was undoubtedly a factor in the losses incurred.

It is presumed that the children had been playing with a cigarette lighter which resulted in the fire.

The damage to the Mordens' personal belongings was set at $3,000 to clothing and furniture. The fire damage was confined to the area of the apartment and was estimated at $4,000 to the building.

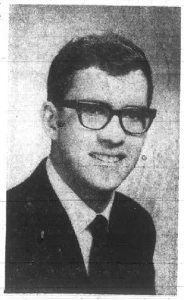
After the fire, firemen at the department wished to stress the importance of placing an accurate and complete call as to the location when seeking assistance from that department.

The firemen also answered a resuscitator call Friday afternoon when a father and son were found by members of their family overcome by fumes in a well, which they were cleaning.

The Rev. Herald Hendricks of 2473 E. Monroe Rd. and his son Stanley of Adrian were cleaning a well at the Hendricks home. They were working with muriatic acid at the time.

Firemen said the fumes gathered in the well and the men did not know of it until it was too late.

Both were taken to Herrick Memorial Hospital where after examination Rev. Hendricks was released and his son held overnight for observation and released in the morning.



Joseph Prochaska, son of Mr. and Mrs. Joseph Prochaska, Sr., 10124 Pennington Rd., received a B.S. in Forestry at Michigan State University in December. He was a member of the Alpha Zeta and Xi Sigma Pi honorary fraternities, Farm House social fraternity and was also active in MSU Forestry Club. He worked for the U. S. Forest Service in Colorado during the summers and is now a field representative for Geigy Chemical Corp., a Swiss-owned company, at Zanesville, O.

Gem and Mineral Society Meet

Larry Pate of Adrian presented a demonstration on faceting for the State Line Gem and Mineral Society Sunday at th Community Center.

Everyone attending tried using the methods that had been shown, using potatoes.

The next meeting will be held March 3.

Kathy Conway Receives Charm

Kathy Conway, daughter of Mr. and Mrs. Kenneth Conway, 9470 Clinton-Macon Road, Tecumseh, was awarded the Martha J. Allen Membership Charm, at the January 30 meeting of the Ridgeway Blue Birds. This award was made in recognition of her special work recruiting new members for the group. The membership drive, which started September 1, 1966 and will continue for four years, involves both girls and adults. The charm was named in tribute to Martha T. Allen, who recently retired as National Director of Camp Fire Girls. She had served in this capacity for the last 25 years.

Mrs. Terrence Griffin, Kathy's teacher at the Macon School, presented the charm, which is on a silver chain.

At the same meeting all members of the group received certification and charms in recognition of their participation in the Annual Candy Sale which was held last fall.

Since Christmas the group has completed tooled leather coin purses and made cut-out sugar cookies. They are looking forward to making "stone animals" to be used as door stops and learning Indian Sign Language, which was used in story telling.

During January, a survey was taken of members of the Adrian Council, concerning summer camp. The purpose was to ascertain the number of girls interested in either Day Camp or resident camp, so that adequate preparations can be made to accommodate the girls next summer.

Japanese Student Is Guest Speaker

A Japanese student, Mariko Ue, from the Protestant Foundation at the University of Michigan will be the featured speaker Sunday evening at the second session of the month long Mission School being held at Tecumseh Methodist Church and being sponsored by the area Methodist Churches.

Speaking on the "Church in Japan," the student will direct attention to the special adult class being taught by Mrs. James Meeks in which the response of the church in a changing Japan is being discussed. His views will clarify much of the textbook material.

This same class, attended by about 75 of the approximately 125 adults and children participating in the school, featured Rev. James Liesman of Hudson last Sunday who showed films of his past work in that country.

Other classes on "Ecumenicity" and the "Town and Country Church" were well attended also.

The children's division which is studying Japan exclusively also will hear a special talk prepared for them by this Japanese guest speaker.

These informative sessions are open to any interested persons and begin at 6:30 p.m. in the Fellowship Hall of the Church, closing at 8:15 p.m. with refreshments.

A nursery is available.

Chit and Chat To Hold Meeting

TIPTON — The Chit and Chat Tiltonaires will meet at the home of Mrs. Richard Platt on Wednesday, February 14. Instructions on making feather flowers will be given. Mrs. Wallace Wilkin, Health chairman, will present a program.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

Yes, you did tell us, Mr. YMCA, that there wasn't enough demand for an evening class of slimnastics to warrant offering one for women, but we just couldn't believe you.

Thursday night proved that there are more than Tecumseh and Irish Hills gals that want a chance to slim and trim and go swimming.

The dozen Adrian caperers joining the rest in the exercise room gave us a big thrill. We realized we weren't being discriminated against. They simply didn't know we are meeting and they, as members, have a right to use the place.

When the class appeared on the schedule, immediate response was shown. Mrs. Richard Purkey, our svelte and pretty instructor, does an admirable job, gratis, and welcomes any others who will appear on Thursday evening at 8 p.m.

Sp/4 John Belcher arrived home Feb. 1 after a long station in Berlin, Germany. He will remain in Tecumseh until March 7 and then he will leave for Oakland, Calif., and later on to Saigon.

Mr. and Mrs. Howard Zimmerman and son, Mark, of Sylvania, O., called on her mother, Mrs. Bert Creger, Saturday evening then they all dined at the Driftwood Inn, Clinton. The occasion honored Mrs. Zimmerman's birthday. Afterwards, they all visited at the home of Mr. and Mrs. Claude Creger and son, Ronald, and Mr. and Mrs. Thomas Adams and son, Scottie. The Claude Cregers had just returned from three weeks' tour of Florida.

Dean Jones and Mrs. Laine Holden attended the funeral service Wednesday afternoon for Mrs. Norman (Ethel) Thurston who died Monday in a nursing home in Toledo. Mrs. Thurston lived in Tecumseh until about 1912. She was a graduate of the University of Michigan Music School. Her husband survives.

Mr. and Mrs. Stuart McLain of Lafayette, nd., visited Mrs. Elliott McLain Sunday. They leave the last of the week for India on a business trip. En route home they will visit their son and wife, Mr. and Mrs. Douglas McLain and family at Auke Bay, Alaska.

The Rev. and Mrs. Harold Speer returned last weekend to Coleman, where he formerly pastored for five years. The Rev. Speer officiated at a wedding of a young couple of the congregation there and was also present for the Sunday worship service. Paul Speer filled in for his father here at the Assembly of God.

Mrs. Laine Holden entertained Saturday evening at a dinner honoring the birthday anniversaries of her brother, Dean, and his wife, Josie, whose natal dates are Jan. 29 and 31, respectively. Other guests were daughter, Debbie, and Jay Waddington, of Lansing, son, David, and Christine Lopinsky, of Detroit, and Mrs. Norman Groeschow, of Adrian.

Mrs. Donald Brazee was called to Mt. Dora, Fla., by the illness of her father. She returned Jan. 31.

Another little girl, Delynne Mary, was born Jan. 27 to Dr. and Mrs. Walter Elwartowski at St. Joseph Hospital, Ann Arbor. The couple have a quartette of feminity now.

Mr. and Mrs. Stanley Kruse will leave Saturday for a two-week tour of Florida. They will visit his mother at Avon Park, and other relatives and friends.

4-H Club Will Go Roller Skating

Plans for a roller skating party were made at the last meeting of the Roundtop 4-H Club. The West Adrian Livewires, the Onsted Sweet Clovers and the Tipton Jets, as well as other 4-H members, have been invited to the Skate Arena in Adrian Feb. 13, at 7 p.m.

Pat Johnson, extension leader and an IFYE member, entertained the members with an informative and interesting account of her life in Sweden. She had many items which she displayed.

Marcia Nelson gave a report of the officers' meeting, held at the Michigan Producers and Craig Gritzmaker reported on the Career Night of the Service Club.

The Sedelbauer, Fritz and Speller families served refreshments.

The next meeting will be in charge of the Archery Members and their leader, Ray Hammill.

Arrest Made On Alabama Charge

A man who moved to Tecumseh shortly after the first of the year was arrested by Tecumseh Police Monday on an Alabama warrant charging him with assault with the intent to commit murder.

Named in the warrant was M. C. Burnett, 42, of North Van Buren. The charges were brought against him on a complaint from his wife.

Tecumseh Police and Sheriff's deputies made the arrest Monday and booked him in the county jail. He is awaiting arraignment before a magistrate, he will then be turned over to Alabama authorities.

● **CARL CLARENCE CLARK**

Services were held Wednesday at the Proctor Funeral Home for Carl C. Clark, 67, who died at 11:05 p.m., Sunday evening at Herrick Memorial Hospital where he was admitted Jan. 5.

A resident of East Valley Rd., Mr. Clark had lived with a daughter, Mrs. Duane Simerson, since last October due to illness. He had been in failing health since 1962.

He retired from the Tecumseh Products Co. in January, 1967. He was a machinist and had been employed by the Products Co. since 1952.

Born Feb. 7, 1900, in Ohio, he married Georgia Ann Sheldon Sept. 29, 1922, in Kenton, O.

She preceded him in death in May, 1967.

Mr. Clark was a member of the Church of Christ.

Survivors include four sons, Carl J., 216 E. Chicago Blvd., and George H., 8466 N. Adrian Hwy., Dennis N., rural Adrian and Lawrence E. Clark of Brooklyn; two daughters, Mrs. Simerson (Rose) of Manchester and Mrs. Ralph (Delores) Lauer of Onsted; 26 grandchildren and six great-grandchildren.

Two brothers, Jack Clark of Kenton, O., and Orcie Clark of Fenton; three sisters, Mrs. Jessie Sheldon of Marshall, Mrs. Albert (Goldie) Chamberlain and Mrs. Lawrence (Lucy) Althauser, both of Kenton, O., also survive.

W. H. Driskill officiated and burial was in the Lenawee Hills Memorial Gardens, Tecumseh.

o

● **DONALD L. BROSAMER**

Services were held Jan. 29 for Donald L. Brosamer, 46, 3775 Ridge Rd., who died Jan. 26 at Veterans' Hospital, Ann Arbor, after an illness of two years.

He had been a patient only a few days.

He had lived at the same residence for the past 15 years.

A lifetime resident of the community, he was employed in farming and as a grain truck operator.

Mr. Brosamer had been self-employed since leaving the U. S. Army Engineers where he served from 1942 to 1945.

He was born March 15, 1921. He married Lucille Sattler Jan. 14, 1952, in Huntington Park, Calif.

He was a member of S. Elizabeth Catholic Church. He was a former member of the Adrian Eagles Lodge and of the American Legion at Britton.

Mr. Brosamer was active in the National Farmers Organization.

Survivors, besides his wife, are a son, Daniel, 12; two daughters, Patricia, 8, and Lisa, 6, all at home; four brothers, Roy Brosamer of Holloway, Harold of Huntington, Ind., Raymond of Devils Lake and Bernard Brosamer of Route 3, Adrian; two sisters, Mrs. Glenn Forsyth of Britton and Mrs. Max Hawley of Onsted, and his father, Joseph F. The Rev. Fr. Robert Handley officiated at St. Elizabeth Church and burial was in Brookside Cemetery. Arrangements were made by the Proctor Funeral Home.

o

● **ARVID E. SJOLUND**

Services were held Jan. 29 at the Proctor Funeral Home, Clinton for Arvid E. Sjolund, 79, who died Jan. 27 at Herrick Memorial Hospital where he had been a patient since Dec. 21.

Mr. Sjolund was a retired tool and die maker at the Ford Rouge Plant in Dearborn. He had been in failing health about six months.

Born Dec. 6, 1888, at Calumet, Mr. Sjolund married Belle Franckowiak Nov. 21, 1908, and she died June 26, 1962.

He was confirmed in the Lutheran Church at Calumet and in 1922 moved to Detroit, moving to Clinton in 1962 after the death of his wife, to live with Mrs. Orrin (Marion) Middlebrook, his only surviving child.

Mr. Sjolund was preceded in death by two sons, Edward and Clarence, and a brother.

He also is survived by a sister, Mrs. Clyde (Pekla) Robinson of Ferndale; two grandchildren and two great granddaughters.

The Rev. David Liscomb officiated and burial was in Grand Lawn Cemetery, Detroit.

o

● **AMANDA MAY FELDKAMP**

Services will be held Friday at 2 p.m., at the Proctor Funeral Home, Clinton, for Amanda May Feldkamp, 78, who died at 6:35 p.m., Tuesday, at Herrick Memorial Hospital, where she was admitted Dec. 9.

Her residence was at 116 E. Church St., where she had lived for the past 50 years.

Mrs. Feldkamp had been in ill health since last October.

Born March 22, 1889, the daughter of George L. and Caroline Voegeding Feldkamp, she married Otto B. Feldkamp Oct. 25, 1911, in Bridgewater.

They operated a hardware store for many years, selling it in 1944.

Mr. Feldkamp died May 11, 1966.

Mrs. Feldkamp was a past president and honorary member of Clinton Woman's Club and a past worthy matron and life member of the Goldenrod Chapter OES.

She was also a member of the United Church of Christ.

Survivors include one brother, Clarence Feldkamp, of Clinton; several nieces and nephews, of the Ann Arbor and Jackson areas.

The Rev. Paul McKenna will officiate and burial will be in Riverside Cemetery.

REV. MERLIN LUND

Assembly of God Hosts Convention

The Rev. Harold Spear announced that a missionary convention will be held at the Assembly of God Church next week with meetings at 7:30 p.m. Sunday, Tuesday and Wednesday.

The Rev. John Brown, under appointment of the Foreign Missions Department of the Assemblies of God for service in Indonesia, will be the speaker at the Sunday service.

The Rev. Merlin L. Lund will speak and show slides and curios of South Africa Tuesday evening and the Rev. Paul Brannan will tell of his work in Argentina Wednesday.

The Rev. Brown, formerly pastored in Baker, Montana. With him will be his wife, Marvellen, and their 21-month-old daughter, Francine Marie.

He is the son of the Rev. E. W. Brown, missionary to Indonesia for many years and now serving on the island of Sumatra.

The Browns will show colored slides and artifacts of Indonesia.

The Rev. Merlin Lund has engaged in the production and distribution of Christian literature in South Africa for the past 19 years. He is the co-founder and manager of the Assembly Press in Johannesburg and supervised the construction of the publishing house, press building and headquarters.

His experiences in helping to develop the reading habits of the South African people promise to provide an interesting evening, the Rev. Spear said as he cordially invited the public to attend the convention.

Local Youth Is Involved In Fatality

A Tecumseh youth, recently discharged from the Navy, was involved in a traffic fatality in Adrian early Saturday morning.

Ned B. Rosacrans, 21, 1014 Red Mill Dr., struck and killed Milbourn Arnold, 44, of Adrian, while he was crossing S. Winter St.

Arnold, father of 10 children, died shortly after the mishap, in Bixby Hospital. He reportedly was crossing in the middle of the block, and Rosacrans was said to be driving at a high rate of speed.

Adrian police said Tuesday they were still investigating the accident, and no charges have been filed.

The Rev. Teague Speaks

The Reverend Bryan Teague spoke to 21 persons at the Presbyterian Church Monday evening of his institutional ministry in Jackson County. Mr. Teague told of his visitations to residents of the 26 convalescent homes, 32 small nursing homes and three large homes for senior citizens. He spoke of ministering to patients at the four hospitals, inmates at the city and county jail and youth of St. Joseph's Home. In telling of his work, the Reverend Mr. Teague spoke of ways in which persons may serve those in nursing homes through visitation, letter writing, reading, parties, or a short drive on a pretty day.

Next Monday evening, Feb. 11, Mr. R. D. Mayo will talk to those assembled about new life calling. This will be the third and final meeting of this series concerned with different types of visitation. Mr. Mayo, who is in charge of Strategy for Planned Educational Change for the Jackson School system, is a member of the Westminster Presbyterian Church of Jackson. Mr. Mayo will speak of the church's ministry to itself and community in the field of evangelism or new life.

The meeting will begin at 7:30 and all are welcome to share in this hour and a half of informal discussion.

Our Readers Write

Dear Sir:

The Herald of Jan. 5 was in error when it reported that wrestling was a new sport this year at Tecumseh High School. This is the first year since the 1957-58 season that wrestling has been included in the athletic program. Wrestling was a varsity sport at THS for two years (1956-57 and 1957-58) under the coaching of Bob Breniff.

Sincerely,
Ron Johnson

DEAR HERALD STAFF:

Thank you for reminding us of our renewal.

We really look forward to receiving The Herald every week. Even though we are only 97 miles from Britton, it is still nice to read about people and activities from our home town.

Keep up the good work.

Faithful reader,

Main Mission of the Church Is Sunday Topic

BRITTON — The Rev. Duane McNeil of the Bethel Baptist Church will speak Sunday at the 11 a.m. worship servic on 'What Is The Main Mission Of The Church?" With so much controversy today concerning the involvement of the church in civil issues, Pastor McNeil will present these from the Biblical standpoint.

For the evening service at 7:30 Mr. McNeil will conclude his series on the Book Of Ruth with "A New Bride."

Sunday School meets at 10 a.m. with young people and adult Bible study meeting at 6:30 p.m.

Prayer meeting is Wednesday at 7:30 p.m.

The regular quarterly meeting of the Southern Michigan Association of Regular Baptist Churches will be held Tuesday, Feb. 13 at the Loomis Park Baptist Church, Jackson. The session will begin at 1 p.m. and continue through the evening service which begins at 7 p.m.

Get Acquainted Valentine's Day Tea to be Held

Presbyterian women, their friends and members of the community are invited to a Valentine's Day Tea to be held at the home of Mrs. M. R. Blanden sponsored by Circle 2.

This is an invitation to all women of the community to share in the coming Lenten Study Groups. Every year Presbyterian women give up a time out of each week of Lent for Bible Study. This year they would like to extend an invitation to Christians of all faiths to join them.

At the tea women who are interested may sign up for available study sessions to be held in homes or churches during the Lenten season. Tuesday, Wednesday mornings and afternoons are suggested. Progressive couple groups will meet in the evening, Monday, Tuesday or Wednesday. Groups will be formed from the registration and announced later. If unable to attend the tea, call the church office, Mrs. William Beagle, 423-3470 or Mrs. Fred Feight, 423-3853 or Mrs. Paul Henning, 423-4810, and tell them your choice of meeting time and study material.

Church Youth Will Attend Jazz Service

Presbyterian Senior Highs and Friends will attend an unusual "Happening" in Detroit Sunday, Feb. 11. The Teen and Twenty Chapel which holds monthly jazz services at the Fort Street Presbyterian Church will join with the St. Judes Ecumenical Guild and Temple Israels Men's Club to present "Three Faiths in Jazz" at the Henry Ford Auditorium. It will be conducted by The Reverend Derin J. Geard, Father Tom Grady and Cantor Harold Orbach.

Music will be provided by Jack Brokensha and The Youth for Understanding Chorale. It will be a service of worship based on relevancy, meaningful communication and unconditional concern with a respect of the authenticity and capabilities, the spiritual and intellectual integrity of these three great faiths.

Those wishing may call the church office, Miriam Puffer, Mrs. John Hopson or Mrs. Russell Hyatt.

Unlike the chapel services, tickets are necessary for the cost of renting the auditorium.

Wilfred Waldron Speaks On Stars

The Wit and Wisdom Club met at the home of Miss Clara Waldron Monday evening. She was assisted by Mr. and Mrs. Clarence Damon in entertaining the 14 guests present.

Mrs. Elizabeth Hayden, president of the club, read two poems appropriate for the month of February, both concerning Cupid's arrow and love.

A nominating committee was appointed by Mrs. Hayden for the nomination of officers: Mrs. Clarence Damon, Miss Waldron and Mrs. John Lott.

The program of the evening was led by Wilfred Waldron, and he selected as his subject, "Oh Heavens," concerning the planets and their relationship to each other.

Mr. Waldron used charts to illustrate their relation to the sun and elliptical path around the sun. He also spoke on the stars, their locations and when and where they can be found.

Refreshments were served at the conclusion of the evening's discussions.

Commissioner Speaks to Club

The Franklin Twp. Republican Club met at the home of Mr. and Mrs. Merrick Dibble Sunday with Mr. and Mrs. Wayland Kahle assisting.

A 7 p.m. buffet supper was served to about 40 members and guests.

Mrs. Clayton Greenwald, president of the club presided at the meeting and read a letter from Franklin's representative, Thomas G. Sharpe.

Faun Platt gave a report of 1968 Republican activities which included the following. Lincoln Day Banquet on February 15 at the Siena Heights College. A luncheon for Mrs. Marvin Esch in April will highlight the women's activities. The Lenawee Co. Convention at Adrian on March 27 was announced and delegates urged to attend. May will feature a fund raising luncheon at the Adrian Country Club.

Richard Platt, program chairman, introduced the guest speaker, Donald Mitchell, Lenawee County Drain Commissioner. He gave a very interesting and informative history of his office. During that time Franklin had two drain commissioners who served over a period of 20 years. Howard Evans served six years and Thomas Conlin who served for 14 years. He displayed a large map showing the new proposed Lake Kingsley, located in Franklin and Cambridge Townships. Mr. Mitchell explained step by step what had been done and problems yet to be faced.

Guests were Supervisor and Mrs. Ron Brown of Cambridge Twp., Mr. and Mrs. Clinton Greenwald of Adrian Township and Mrs. Don Mitchell of Raisin Twp.

The next meeting will be a public supper in March at the Grange Hall. All County Officials will be guests.

Memoriam

In loving memory of our Dearest Husband, Father, Grandfather, Great - Grandfather, Bert Creger, whom the Dear Lord called to His Heavenly Home on Sunday, Feb. 14, 1965, three long years ago. He alone knows the loneliness, heartbreak and the tears were shed while others were asleep in bed. The love we hold in our hearts today will stay forever and a day. God took you home — it was His will, but deep in our hearts you liveth still.
Sadly missed by his loving wife, Maude; sons, Leo and Claude Creger; daughters, Ruth Zimmerman, Margaret Service, Shirley Clemons and all their families, two daughters-in-law, two sons-in-law. 2-8c

Scoring Race Tight

The scoring race among high school basketball players from the county is proving to be an interesting one. Leading the scorers at the present is Tom Forsche of Deerfield. But challenging him every game is Butch Hoelzer of Clinton. Following Butch in the race is one of Britton's big assets, Dave Fairbanks.

Hoelzer, the 6'4", 200-pound Redskin, has been a mainstay with the team and has kept the Clinton team on top in the Lake-land Class C League. Butch is an excellent shot from the floor, connecting last Friday night at a 61% clip; he is also deadly at the free throw line.

So far in the season he has scored a total of 237 points in the 11 games he has played, averaging 21.6 points.

A resurrgence of basketball is happening at Britton. The Tories, after winning two State Class D titles saw a decline in their fortunes. This year's team, however, has shown some of the spark of those teams of old.

One of the primary reasons that Britton has stayed in the thick of the River Raisin League race is 6'5" junior, Dave Fairbanks. Dave is excellent on the backboards as well as scoring consistently. Through Friday night's game Dave had scored a total of 276 points at a 19.7 per game clip. With the thought of Dave being back next year adds even more to the Tories' hope of reclaiming their basketball prowess.

Hornets Sting Indians, 69 - 68

It was a tough game to lose, one of those old fashioned heart-breakers, but it happens in basketball. Hillsdale came to town Friday night and never gave up as it pressed for a tight 69-68 victory.

The Tribe led all of the way until within the last two minutes of the game, then the Hornets pulled into a lead. Bill Puffer with a desperation shot as the last seconds ticked away pulled the score even. At the end of regulation play the score stood 64-64.

In the first overtime Hillsdale pulled ahead up until another last second shot, this time by junior guard Steve Dalton knotted the score once more and another overtime was needed.

In the second overtime it was once more Bill Puffer giving the Indians a "breath of life" as he scored with a few seconds remaining. However the game was not over and a costly foul allowed Hornet Brook Ladd to make the charity toss which won the game for Hillsdale.

Dalton and sophomore Puffer have both shown promise for next year's Indians by keeping their team in close games of late.

Haynes, of the Hornets, took scoring honors with 23 big points, Brook Ladd followed with 21. In the Indians' teepee it was Puffer with 21 points, Dalton with 18.

The Indian JayVees also lost a contest Friday, losing to the sting, of the junior Hornets, 57-49.

Eagle Scouts Are Honored

Recognition of the Eagle Scouts, who achieved their highest honor during 1967, was a feature of the Annual Recognition Dinner of the Wolverine Council, Boy Scouts of America, Saturday in the Dundee High School. Over 700 Scouters, wives and guests were present for the occasion.

Each Eagle was presented an American Flag and a gift certificate from their Scout Distributor.

Area Eagle Scouts who were honored are:

Troop 73, Tecumseh

- David Frownfelder, son of Mr. and Mrs. William Frownfelder, 809 River Acres Dr.
- James Gates, son of Mr. and Mrs. Richard J. Gates, 9716 Tecumseh-Clinton Rd.

Troop 32, Birdsall

- Rick Griewahn, son of Mr. and Mrs. Wayne Griewahn, N. Adrian Hwy.
- Dennis James, son of Mr. and Mrs. Richard James, N. Adrian Hwy.
- Larry Marvin, son of Mr. and Mrs. James Marvin, E. Valley Rd.
- John Busch, son of Mr. and Mrs. Joseph Busch, Clinton
- James Blumhardt, son of Mr. and Mrs. Herbert Blumhardt, Clinton.

As a surprise, James Reed, Scout Executive introduced Roger Kapp and his wife, Debbie, as the new District Executive, who will replace Leonard Gamber in Lenape District, beginning March 1.

GAA Girls Victorious

The Tecumseh High School GAA Junior Varsity defeated Columbia Central, 25-19 in overtime Monday evening. Gail Green was the leading scorer with 10 points.

The Varsity squad lead all the way in downing the Columbia Varsity, 36-20. The local girls had been defeated by Columbia the previous week but came roaring back to take a victory.

Tecumseh will entertain Onsted next Monday and Napoleon the following week. The J.V.'s have won 2 and lost 1 while the Varsity have a 2-2 won-loss record this year after 29 straight wins previously.

DAVE FAIRBANKS

Jim Johnson Breaks Own Grid Record

Jim Johnson, flanker back for the Michigan Arrows of the Mid-West Conference, averaged 27.2 yards a catch this year while the Arrows posted a record of 11 wins and 1 loss.

Jim also placed fifth in scoring with 61 points and made the Second Team All-Star Squad.

In the 1966 season the Arrows finished with a 10-0-1 record to take the Conference Crown for the third time in a row. Jim won the scoring title with 81 points and was placed on the First Team All-State Squad.

This completes his third year in the league and he hopes to be traded to the Ypsilanti Vikings in order to be closer to his home in Tecumseh and work in Saline at the Ford Motor Co.

He has been with the Miami Dolphins of the AFL and the Akron Vulcans of the Continental League. The Mid-West Football League is a farm system for both the AFL and NFL leagues.

Wastes Must Go Through Plants For Treatment

Lenawee County Health Director, Dr. Thomas Hamilton, announced today that septic tank wastes must be disposed into municipal sewage treatment plants in compliance with recent state law.

Due to the cooperation of the cities of Adrian, Hudson, and Ann Arbor, this regulation applies to all of Lenawee County.

Since the treatment plant must charge for handling this material, the price for cleaning septic tanks may increase, but it will benefit all by stopping the dumping of domestic waste on the ground.

Fees are determined in a competitive manner, not by the licensing agency.

Another important element in the law requires that the cleaner give the homeowner a receipt showing the business name, address, ownership, and Michigan Department of Public Health license number. This receipt protects the homeowner should a problem arise.

Since unreliable and unlicensed cleaners occasionally operate in all areas, Dr. Hamilton pointed out, it is important to select a firm that is licensed and has a good reputation in the local area. He urged that any questions be referred to the county health department.

Birthday Celebration

TIPTON — On Saturday night, Claudia Vollmer was the guest of honor at a dinner given by her parents, Mr. and Mrs. William Vollmer, celebrating her 15th birthday. Guests included Jim and Gene Dull of Adrian and Jeff Westgate of Tecumseh. A decorated cake and ice cream was served after the dinner by her mother.

RIDGEWAY KIDS SAVE CHILDREN — Students of the Ridgeway School are participating in a "Clothing For Appalachia" project, under the sponsorship of the Save the Children Federation. Every class has contributed to the used clothing drive with youngsters sorting, mending and bundling the garments during noon hours and a t other odd times. The materials are shipped to the Federation warehouse in Knoxville, Tenn., a distribution center where hundreds of youngsters in the Southern Applachian Mountains rec eive suitable clothing for cold, damp, winter weather. Ridgeway students have enthusiastic ally pursued the work to help their counterparts in the mountains who otherwise may not be able to attend school. From left, the children are, Lisa Wilkie, fourth grade; Kurt Brown, sixth; John Kruse, fifth; and Linda Barnett, sixth.

Dates Set for District 20 Tournament

The District 20 Basketball Tournament will be held this year at Dundee Community High School March 4, 5, 6, 7 and 9. The drawings for the tournament will be held at the Dundee School at 3:00 p.m., Tuesday, Feb. 27.

The schools participating in the drawings will be Blissfield, Dundee, Erie-Mason, Ida, Milan and Tecumseh.

The winner of the District 20 Tournament will go on to the Regional Tournament No. 5 at Eastern Michigan University.

The admission prices have been set. Prices for the first four games will be 50c for students grade K through 12 and $1.00 for general admission. Tickets for the final game on Saturday will be 75c for students and $1.25 for all others.

All games will begin at 7:30 p.m., with the doors being opened to the public at 6:30 each evening.

Music Festival Is Mar. 9 at MSU

The Music Festival, sponsored by the National Federation of Music Clubs will take place on Saturday, March 9, in the music building on the campus of Michigan State University

To be eligible, a student must be not more than 18 years of age and a member of an active junior club or a junior special member of the sponsoring organization. Performers do not compete against one another, but are judged on individual merits and degree of accomplishment.

Master Mason Night Held

Tecumseh Chapter No. 51, OES met Thursday evening with Mrs. Calvin Dixon, Jr., and Mrs. James Tonneberger presiding. Mrs. Dixon welcomed all present with a Valentine Prayer. Mrs. Henry Kempf, formations instructor, of the Lenawee-Monroe County Association and Mrs. Stanley Miller, Mother Advisor of Rainbow Assembly No. 44, of Adrian, and Mr. and Mrs. Reno Besato and daughter, Linda, Associate Matron and Patron of Onsted, were introduced and welcomed.

The Altar was draped in memory of Past Grand Matron, Ruth Ludlow Bangham, who served in 1915-1916, and who died October 31, 1967, and Past Grand Patron, Glenn A Tupper, who served in 1934-1935, and who died November 8, 1967. A lovely memorial verse was read by Mrs. Dixon.

Messages from the worthy grand matron were read, as were invitations to Friendship Nights at Deerfield, February 7; Clinton, February 15; Dundee, February 19; Monroe, March 19; and a dinner and reception honoring Mrs. Delmar Manchester of Hands Committee, in Clinton, on February 29, at the United Church of Christ. Reservations must be made with Mrs. Donald LaBounty by February 24.

The Masons were honored with a program entitled Master Mason Night. It was recited in verse by the worthy matron, star points spelling out Mason in verse, the associate matron, Mrs. Robert Bonner, recited in verse the connection of Stars and Masons, and Mrs. Dixon read a poem entitled "Fraternity," then all members stood and sang "Bless Be The Tie." There were 15 Masons present.

Refreshments were served in the dining room, beautifully decorated in the Valentine theme, by Mrs. Ray Schlegel, Mrs. Cecil Viele, Mrs. Ted Ehinger, Mrs. James Quigley and Mr. and Mrs. John Lott.

The next regular meeting will be March 7 and all members are asked to bring a dish towel or dish cloth for the kitchen. Also that there will be something mysterious going on and for all members to attend.

BUTCH HOELZER SINKS ANOTHER SHOT

Redskins Drown Whitmore Lake

By GINA GREEN

CLINTON — Revenge is sweet, as any member of Clinton High School's basketball squad can testify, especially when it comes in the form of an 81-68 victory over Whitmore Lake.

The Trojans were the only blemish on the Redskins' record, handing them their only loss earlier in the season.

In fact, it almost seemed to be a re-run as Whitmore Lake gunned to a 23-12 first quarter lead. But, Coach Dick Content was not going to allow the same thing to happen twice.

Spearheading a 28-point assault, Butch Hoelzer pumped in 15 points in the second stanza to give the Redskins a 40-37 halftime edge.

Trailing by as much as 14 points, the Clinton platoon came from behind to win by almost as many points, fired by some great shooting by Hoelzer and senior guard Jake Schwab and bolstered by hustling back-up play from substitutes.

Ron Hintz and Kel Bennett, who came off the bench to fill in after foul troubles and an ankle injury to Jim Schuler, put forth fine efforts defensively and added 9 and 8 points respectively.

It was an especially fine night for Butch Hoelzer as he utilized some brilliant moves and talented shooting to chalk up his season high of 33 points.

Included in that total were 11 consecutive free throws, which added to the last two contests, gives Butch a total of 20 charity tosses without a miss.

Just to top it off, Hoelzer also pulled down 19 rebounds.

Close to Hoelzer's 61% from the floor came Jake Schwab, who hit for 54% and 19 points. Mike Jurasek added 12.

Heading the 'Trojans' scoring column were Kevin Caskey with 25 points, Dave Spicer with 21, and Mitch Caskey with 12.

Score by quarters:

Clinton	12	28	23	18—81
Whitmore	23	14	14	17—68

Scoring:

CLINTON	FG	FT	TP
Hoelzer	11	11	33
Bennett	4	0	8
Jurasek	5	2	12
Hintz	3	3	9
Schwab	7	5	19
Totals	30	21	81

WHITMORE	FG	FT	TP
Spicer	8	5	21
M. Caskey	5	2	12
K. Caskey	10	5	25
Dreffs	3	0	6
Reed	1	0	2
Allen	1	0	2
Totals	28	12	68

Percentages:
Shooting — Clinton 43%; Whitmore Lake, 36%.
Free throws — Clinton 75%; Whitmore Lake, 63%.

Clinton Accidents

Mrs. Walter Hochrein, 40, of 12139 Ford Rd., Clinton, was given a summons for making an unsafe start Sunday morning.

Mrs. Hochrein had stopped behind an auto driven by Thomas A. Swanston, 69, of Clinton-Macon Rd., which had stopped at the intersection of Ford Hwy., and Tecumseh-Macon Rd. She thought the Swanston auto had started up, and she started too soon, striking the car ahead in the rear.

Damage was slight and there were no injuries.

★

Mrs. Edward Solarski, 20, of Staib Rd., made a right turn on Newburg Rd. at Staib Rd. and was blinded by the sun, causing her to hit a mailbox on the edge of the highway. The box was owned by Earle McNeil.

This accident occurred at 10 a.m. Sunday.

★

Clifton Whitaker, 21, of Grass Lake, was the driver of an automobile which sideswiped a car driven by Donna Stephenson, 21, of 107 Currier St., Clinton, at 10 a.m. Sunday.

The Whitaker car was attempting to pass the Stephenson car on Clinton Rd., 200 feet north of Braun Rd.

Among the several visitors present was a representative of the Michigan United Fund, who suggested several ideas to the Board for the management of the accounts and possible distribution of the funds.

Richard Wegner, superintendent of Clinton Community Schools, was present to request the support of the Board, along with other civic and community groups, for a community recreational program, and specifically, the summer use of the school swimming pool.

The final allocation of funds will be made by the Board at a meeting Feb. 13, at 7:30 p.m., in the Community Center.

Organizations which hope to receive support, are to submit a financial request by that date.

Bride-Elect Peggy Jurasek Is Honored

CLINTON — Bride-elect Peggy Jurasek was honored at two bridal showers recently.

Miss Jurasek, daughter of Mr. and Mrs. Jerry Jurasek, of Clinton, will marry David C. Kohler, son of Mr. and Mrs. Clarence R. Kohler, of Monroe, Feb. 17, in a ceremony in the Holy Ghost Lutheran Church, Heiss Rd., Monroe.

Mr. Kohler's sister, Mrs. Jerry Woelmer, of Carleton, and his aunt, Mrs. Myron Rinehart, of Monroe, entertained in the Rinehart home last Sunday.

Among the 20 guests present were the mother of the bride-to-be, Mrs. Jurasek, and her two grandmothers, Mrs. Martin Jurasek, of Clinton, and Mrs. Nathan Brown of Manchester, and relatives of Mr. Kohler from the Monroe area.

A variety of household gifts were presented to Miss Jurasek.

Sunday afternoon, Mrs. James LeBarron of Tecumseh entertained at a kitchenette and linen shower for her cousin, Miss Jurasek.

Co-hostesses were aunts of the bride-to-be, Mrs. Bud Koebbe and Mrs. Richard Rowe.

CHS Student Honor Roll

CLINTON — Recent data compiled by the school staff shows Clinton High School students have achieved Honor status above the national averages.

Of all students at Clinton High School 108 students achieved an Honor status which is 21% of the student population or 1.3% higher than national averages. In addition, 54 students received a failing or near failing grade in one or more subjects which is 10% of the student population and 8% under the national norms. These norms are taken from the April, 1967, issue of the NASSP Bulletin.

Since September of 1967, Clinton High School has had two students withdraw from high school and not enroll in another system. This drop-out rate based on a yearly figure for the State of Michigan, 1965-66, is 27.6% lower in Clinton and 7.1% lower than average figures of Lenawee County for the same year.

New Eagle Scouts

CLINTON — John Busch and James Blumhardt are Clinton's newest Eagle Scouts, the first since May, 1964.

Their Eagle Scout awards were presented at a ceremony conducted by the district commissioners of the Wolverine Council at the dinner meeting of the sponsoring Rotary Club, last Wednesday.

Officers conducting the ceremony included James Reed, Wolverine Council Scout Executive of Maybee; Leo Swineheart, district advancement chairman; Larry Limbacher, Tom Frownfelder, Harley Robinette of Adrian, and Francis Packard of Tecumseh, district advancement committeeman; Garth Gottschalk, leadership training, Adrian, and Howard Thompson, Clinton scoutmaster.

The boys and their parents, and Wayne Balliet, neighborhood commissioner, were dinner guests of the Rotary Club before the ceremony.

An Eagle Scout is the highest rank offered by the Boy Scouts. After a boy becomes a First Class Scout, he works on his own, under qualified guidance in each field, on a series of merit badges. For Eagle rank, he must earn 21 merit badges.

The achievement by the two local boys was made possible by the leadership of local scouters: Ernie Breeding, the Rev. Paul McKenna, Rider Olsen, Robert Braden, Lawrence Gunn, Ray Williams, and Howard Thompson.

James Blumhardt, 15, is the son of Mr. and Mrs. Herbert Blumhardt, of Clinton-Manchester Rd. He is a sophomore in Clinton High School.

James came up through the ranks, beginning with Cub Scouts in October, 1960, then the Webelos for six months in 1963, and entering Boy Scouts in October, 1963.

He received the Ad Altare Dei Award, a religious award given by the Catholic Church, in March, 1966, the first boy from Clinton to receive it.

He earned the Freedom Trail award in October, 1967. He has several patches for attendance and proficiency at camp and troop activities, and has been active in troop, serving as senior patrol leader for several months.

John Busch is the son of Mr. and Mrs. Joseph Busch, 128 E. Church St. He is 16 and a junior at Clinton High School.

John joined Cub Scouts in April, 1960, and joined Boy Scouts in January, 1963, becoming a first class scout September, 1964.

He became a member of the Order of the Arrow June, 1966, for outstanding scoutsmanship and camping. He took part in the National Conservation training camp at Philmont Scout Ranch, Cimarron, New Mexico, in July, 1966.

He is a patrol leader at present.

He received the Ad Altare Dei award in May, 1966.

The Eagle Scouts were greeted by friends at a reception after the ceremony at the United Church of Christ dining room.

A Gold Eagle was used for the centerpiece on the table.

Mrs. Lewis Blaisdell and Mrs. Robert Vogel assisted Mrs. Blumhardt and Mrs. Busch with the serving of punch, coffee, and cookies.

Saturday, James and John were guests at the annual recognition dinner at Dundee, sponsored by the Wolverine Council, where they heard an address by Dr. Carl Winters of the General Motors Corp.

Heart Attack Victims Sought

Two University of Michigan doctors are seeking more than 100 heart attack victims in southeastern Michigan and the Toledo area.

Volunteer men patients are needed in a national study to help doctors find out whether drugs can protect against repeated heart attacks.

A volunteer or his physician may call Dr. Schoch at 761-8666 or write to him at C3258 University Medical Center. Men will be considered if they have their own doctor's permission, are between ages of 30 and 64, and have had at least one heart attack. Those with liver disorders or cancer, those taking insulin, psychiatric patients, and alcoholics are ineligible. Women, too, are ineligible because they are more resistant to heart disease than men.

"The Coronary Drug Project is designed to determine whether drugs that lower blood levels of calesterol and other fatty substances can improve long-term survival among heart attack victims," Dr. Schoch explained.

If one of these drugs proves effective, Dr. Schoch said, "it could be a blessing to an estimated 5½ million Americans with coronary heart disease.

The girls in Troop 94 have been busy the past few meetings. Popcorn was strung for the birds. A lesson on table setting was presented to the group. A surprise soup was prepared with each girl bringing a can of her favorite soup. Last week the girls enjoyed a sledding party. A scrapbook is being made for the children who are patients at Herrick Hospital by the girls in this troop.

Troop 93 has been stringing popcorn for the birds and presented them to Marda Gene Duncan to use in her bird feeders.

Beverly Kehoe is a new member of this troop. Mrs. Iffland was absent as she was vacationing in sunny Arizona. Slips were completed for the roller skating party.

Troop 147 planned a tobogganing party to be held February 1 from 6:30 to 8:30. There was a bonfire and hot dogs for refreshments.

Rick Teske on US Essex

Airman Richard K. Teske, Jr., USN, son of Mr. and Mrs. Richard K. Teske, Sr., 6779 Mill Hwy., and husband of the former Miss Patty L. Sparks, 17 Bank St., Brunswick, Me., participated in anti-submarine warfare operations off the Bahama Islands while serving aboard the anti-submarine warfare support aircraft carrier USS Essex.

The Navy's oldest aircraft carrier on active duty, the Essex serves as a mobile air base and logistic support center for a U.S. Navy Hunter Killer group.

The Essex is homeported at the U. S. Naval Air Station at Quonset Point, R. I.

Gem and Mineral Society Elect New Officers

New officers were installed by the State Line Gem and Mineral Society recently, following a banquet attended by 115 persons at the Community Center.

The officers are:

President — Richard DeYarmond, Adrian.

Vice-president — Roy Dahnke, Tecumseh.

Secretary—Frazier Tubbs, Adrian.

Treasurer — Elwood Canaan, Adrian.

Dr. William Parsons, professor at Wayne State University, showed color slides and spoke on "The Geology of New Zealand."

Mrs. Julian Strong was awarded a Brazilian agate as a door prize.

About 50 members and guests of the State Line Gem and Mineral Society visited at the homes of Mr. and Mrs. Louis Winters, Clinton; Mr. and Mrs. Roy Dahlke, 8400 Matthews Hwy., and Mr. and Mrs. Julian Strong, Ridgeway, Jan. 28, for the first Basement Tour of the year.

These trips, under the supervision of William Huston of Jasper, are to view the wide and unique collection of rocks and minerals of each member.

When the field trip was over all met at the Clinton Community Center for a potluck dinner.

'Cabana Girls' Here on Feb. 10

By JOANNE ROBINSON

The "Cabana Girls" are coming — back, that is — to Tecumseh, for another money-raising Saturday, Feb. 10.

We now number about 50 girls, instead of the 75 who started; but we 50 are all eager beavers, looking for work.

We do all kinds of odd jobs, from cleaning dirty ovens to shoveling snow. If you have something for us, would you please call 423-4165 or 423-4026? We are in town from 9 a.m. to 9 p.m.

Perhaps you are wondering what we've been up to the past few months? We have had bake sales, put on two pancake suppers, served the Council-Wide Girl Scout Annual Dinner, collected pop bottles, newspapers and clothes hangers, door to door, and all of us are now taking catalog orders for Tupperware Products. We have had a bazaar, have been baby sitting, and addressing envelopes. We are attempting to get enough samples of permanent social security cards so we can canvass the town and show you what we have to offer. These are really nice, and would make lovely gifts, too.

We wish we could find a group to cook and serve a dinner for, as we have a good friend, Mr. Raymond from the Cass Lake Boys Camp, who will go anywhere and cook a dinner for us. (He has a cute son who helps, too!)

We had our best money-making day in Tecumseh several months ago, and are looking forward to an even better one this time. We'd also like you to know, this day isn't all just work for us; in between jobs, we have a Spanish lesson, work in our groups planning what we can do in the coming months, manage to eat our sack lunch, and perhaps cook our dinner over an open fire, sing a few songs, and have a lot of fun, even while we're working.

If you have anything you'd like us to do for you, or if you have any ideas, we certainly would appreciate a call, and we'll see you Feb. 10!

EMILY MANWARING

Emily Manwaring On MSU Team

By SUSAN COURTNEY

Emily Manwaring, daughter of Mr. and Mrs. Vern Manwaring, 116 W. Pottawatamie St., is a sophomore member of the Michigan State University Women's Varsity Basketball Team. Miss Manwaring, who is in her second year as a roving forward for the team, was the only freshman starting member last year.

Miss Manwaring is a 1966 graduate of Tecumseh High School and is majoring in physical education at MSU.

She was a member of the girls' basketball, softball, touch football, bowling, tennis and track teams at Tecumseh High and was awarded the Girls' Athletic Association "Most Outstanding Senior Girl" trophy in 1966.

Miss Manwaring, who also was a freshman member of the MSU Women's Field Hockey Team last year, was selected as a member of the Michigan College Field Hockey Team this year. The team, composed of women from various colleges throughout the state, competed in the Great Lakes Sectional Tournament in Ann Arbor.

The MSU Women's Basketball Team went undefeated last year. Miss Manwaring also played in three undefeated seasons for the Tecumseh High girls' basketball team.

The opening game for the MSU team was Thursday, February 1, against Calvin.

One of the many hats of Consumers Power COMMUNITY PARTICIPATION

A. Frank Brewer, Division Manager, Consumers Power Jackson Division

The Consumers Power division manager has a big area to serve. But some of the ways in which he serves it may surprise you. Yes, he manages office operations. Supervises the people who perform their various jobs. Keeps a tight rein on expenses. Troubleshoots in emergencies.

It's an eight-hour day, plus. Plus Crippled Children's Society and Tuberculosis Association; plus service club and Chamber of Commerce and industrial development projects . . . plus urban problems and rural problems. Study committees, civic projects, advisory groups — all have a claim on this man's time.

The division manager is on the move, participating in community affairs, representing Consumers Power as a good citizen and neighbor. His example is followed by many other Consumers Power people, too. Besides working at their jobs, they work in their communities to help make them better places in which to live.

It's all part of the high standards of service that Consumers Power sets for its people. Plus the recognition of an old truth: what's good for the community is good for the businesses in it.

Adrian Federal Joins in a Salute of Tribute to Abraham Lincoln

THE GETTYSBURG ADDRESS

"Fourscore and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation or any nation so conceived and so dedicated can long endure.

We are met on a great battlefield of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live.

It is altogether fitting and proper that we should do this.

But in a larger sense, we cannot dedicate — we cannot consecrate — we cannot hallow this ground. The brave men, living and dead, who struggled here, have consecrated it far above our poor power to add or detract.

The world will little note nor long remember what we say here, but it can never forget what they did here.

It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced.

It is rather for us to be here dedicated to the great task remaining before us — that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion — that we here highly resolve that these dead shall not have died in vain — that this nation, under God, shall have a new birth of freedom — and that government of the people, by the people, and for the people shall not perish from the earth."

Through My Window

SQUIRREL BUSINESS, 1968 STYLE

Each year from about the middle of January and on through most of the Valentine month, we expect good squirrel watching — especially on the days which occasionally break the winter monotony; the days when the sun shines brightly and the temperatures are on the warmish side.

On such mornings, when a quick look out our window shows two or three squirrels tearing around, we are fairly sure of a good squirrel-watching day.

So far this year our squirreliest day saw five of the long-tailed, heavy fur coated acrobats performing. And what a performance it was.

Up and down the trees, back and forth across the yard, they raced at breakneck speeds along their tree roads and made daredevil jumps from one tiny twig to another.

The boys were showing off with reckless abandon and the girls were playing coy with their come-on chases. Yes, it is the picking-out-a-mate time of year.

★

BUT ALL OF our squirrel watching fun just lately has not centered itself around 'the mating game'. The bag of peanuts, which we have mentioned before, is a great fun promoter.

Gertie's little squirrel, the one she adopted who has exceptionally big eyes, light, soft fur on his tummy and seems just a little cuddlier than the rest of the gang — this character has no trouble at all with the peanut bag.

One graceful leap from the feeding tray, a firm grasp and at the same time a peanut is pulled through the coarse mesh, an agile scramble to the awning arm and then it is up to the flag awning itself. What could be simpler.

Unfortunately his brother squirrel is not so talented. He passed the jumping test but flunked hold and grab. In fact, he failed so completely that he fell — not once but many times.

Usually squirrels have the agility of falling and doing no damage, after an accident they pull themselves together and scamper off as if nothing out of the way had happened at all. This is pure speculation on our part but I believe that Mr. Awkward did not make such a perfect recovery from one unsuccessful try-for-a peanut.

★

AFTER SLIPPING from or losing his hold on the bag of peanuts, he fell either to the ground or into one of the spreading yews.

We paid no particular attention because this sort of thing had been going on for several days. What was unusual and what did catch our eye was the slow, almost hesitant manner of the squirrel, oh, so carefully climbing back up the post and onto the feeding tray.

Once up, he sprawled flat on the feeder and rested for a while. Words could no more clearly have spoken, "Oh, my aching back!"

By the next morning Gertie and I had almost forgotten the incident. A pair of long-lost blue jays had appeared and we were wondering where they had been for so long, cardinals were busy picking scratch feed out of the soft, limp snow, the titmice had an assembly line operation going between window feeder, peanut bag, new suet holder and tree.

With all this to watch plus a pretty half-frozen-over creek scene, it hardly seems necessary to say that much of our time was spent looking through my windows.

★

WE THOUGHT we were keeping track of things but, all of a sudden, there on a limb of the maple tree was the saddest, most dejected looking squirrel you can imagine.

He was stretched out on the limb, both front and back legs were tensed into practically a death tight grasp, his breathing was almost a frantic gasping for breath and he was all wet. He was soaked to the skin.

By the time the poor thing had recovered enough to come up to the feeder for lunch, ice was clearly visible on his side and most of his tail. Such a pathetic looking sight. Could this have been Mr. Awkward and could his sore back have been responsible for an unexpected dunking in the creek? Our guess is yes.

So it is that whether boy and girl chasing, peanut stealing, unsuccessful jumping or unseasonable swimming, there has been plenty of action with squirrel business, 1968 style.

Pack Welcomes New Members

CLINTON — Five new members were welcomed into the Cub Pack 5 by Cubmaster John Shear, at the meeting last Tuesday.

The new members are Tracy Pratt, Roger LaSovage, Walter Heimerdinger, Kevin Nighswander and Arnold Withrow.

The following awards were presented:

Gregory Jaqua — Wolf badge, gold arrow, 2 silver arrows.

David Mowery—Wolf badge.

Wilbur Reiser, Webelos leader, presented a Craftsman badge to the Webelos Scouts: Terry Higgins, Sammy Marcum, James Mattis, James Peters, Mark Russ and John Shear. Each boy had to display the article they had made to earn the badge.

Mrs. Joseph Busch's Den 2 presented a skit titled, "Communications."

The annual Blue and Gold banquet will be held Feb. 21 at 6 p.m. in the high school cafeteria.

Redskins Topple Roughriders, 62-63

By GINA GREEN

CLINTON—Wednesday night, the Eastern Michigan University fieldhouse was the scene for an easy Redskin victory over Ypsilanti-Roosevelt, 62-33.

Clinton jumped to an early lead and maintained it with tight defensive playing as the second and third teams saw a lot of action.

Scoring 11 points each were Butch Hoelzer and Jim Schuler, followed closely by Jake Schwab and Mike Jurasek with 10 each.

Following in the footsteps of the first stringers, Ron Hintz led the subs with 8 points. Vic Swanson topped the Roughriders with 12 points.

Score by quarters:

Clinton	16	14	13	19—62
Ypsi-R.	8	7	11	7—33

Chrysler sales have climbed for eight straight years. And for 1968, we know it's going to be "business as usual"—strictly on the upside. You see, we have 15 beautiful new Chryslers to choose from. At prices that start just a few dollars more a month than some Fords and Chevys, comparably equipped. Besides, we like the look of our sales curve so much we'll do most anything to keep it climbing. So drop in and move up with us. Test price the best of the big ones — Chrysler '68.

Vietnam's Average Soldier

(Editor's Note: The following article was sent to the Herald by Sp/4 Dan VanSickle of Tipton. Spec. VanSickle has been in the Army just over a year now and for the past six months has served in the Republic of Vietnam. He is a crew member of the Army's UH-1B "Medivac" helicopters. Dan has served in the Central Highlands and along the 17th parallel. From what he has seen and heard and been a part of, he felt that the people back home would like to read this account of the average soldier in Vietnam that was published in one of the Army newspapers. Spec. VanSickle is the son of Mr. and Mrs. Richard VanSickle, 8988 Tipton Hwy.)

By LT. R. L. KELLEMEYER
Ft. Knox, Ky.

Feeling in Vietnam is that most back-homers, including lawmakers, do not understand or accept the truth that the conflict in Vietnam is war. That the bulk of America considers Southeast Asia with confusion and mild contempt.

A soldier returning home from Vietnam will find that people can't yet point the country out on a map, can't guess the number of weekly casualties there, can't figure out who the enemy is, and can't understand what it's all about except they guess freedom is involved.

"You think Vietnam is bad?" a statesider will grin. "Brother, you should have been in New York during the blackout."

"Too bad you're home," another adds grimly. "Traffic's terrible."

"Ia Drang?" a third will say. "Nothing. You should'a seen the Battle of the Bulge. Now that was real war."

Vietnam is still a pop art oddity 12,000 miles away.

The public worries more about living with a possible tax increase. Officials worry about living with world opinion. The GI worries only about living.

His world there is nightly blackout and mortar traffic. It's alive with booby traps that can blow his legs or his life to shreds. It's occupied with an enemy and an ally that look exactly alike.

He would give a month's pay for a sound sleep.

And 10 years of his life for a night at home.

He is not a bit player in a comic opera conflict, not the trump in an international card game and not 12,000 miles away but as near as the muddy and bloody pictures in the newspapers.

Moreover, he is usually a very young American citizen in a hell of a fix. The average age of a combat GI in Vietnam is 18½.

But what a man he is!

A pink-cheeked, tousled-haired, tight-muscled fellow who, under normal circumstances, would be considered by society as half-man, half-boy, not yet dry behind the ear, a pain in the employment chart.

But right now, he is the beardless hope of free men.

He is for the most part unmarried and without material possessions except for possibly an old car at home and a transistor radio here.

He listens to rock 'n' roll and the 105mm howitzers.

He has just got out of high school within the past year, received so-so grades, played a little football, and had a girl who broke up with him when he went overseas or who swears that she is still faithful although he is half the world away.

He has learned to like beer by now because it is cold and because it is "the thing to do." He smokes because he gets free cigarettes in his C-ration package and it is also the thing to do.

He never cared much for work, preferred waxing his own car to washing his father's, but he is now 10 or 20 pounds lighter than before because he is working or fighting from dawn to dark, often longer.

He still has his trouble spelling, and writing letters home is a painful process. But he can break down a rifle in 30 seconds and put it back together again in 29. He can describe the nomenclature of a fragmentation grenade, explain how a machinegun operates and, of course, utilize either if the need arises.

He obeys now, without hesitation. But he is not broken.

He has seen more suffering than he should have in his short life. He has stood among hills of bodies and he has helped to construct those hills.

He has went in public and in private, and he is not ashamed in either place, because his pals have fallen in battle and he has come close to joining them.

And he has become self-sufficient: he has two pairs of fatigues, washes one and wears the other. He sometimes forgets to brush his teeth, but not his rifle.

He keeps his socks dry and his canteen full. He can cook his own meals, fix his own hurts and mend his own rips — material or mental.

He will share his water with you if you thirst, break his rations in half if you hunger, split his ammunition if you are fighting for your life.

He can do the work of two civilians, draw half the pay of one and find ironic humor in it all. He has learned to use his hands as a weapon and his weapon as his hands. He can save a life, or most assuredly take one.

Eighteen-and-a-half years old.

What a man he is . . . already.

The engagement of Mary Katherine Ries of San Diego, Calif., to Maurice R. Redman of the same city is being announced by her parents, Mr. and Mrs. Robert Ries, 9246 Tonneberger Dr. Mr. Redman, the son of Mr. and Mrs. B. D. Redman of San Diego, was graduated from San Diego State College where he was affiliated with Lambda Chi Alpha fraternity. He is presently employed as a stockbroker with the E. F. Hutton Co. Miss Ries is a 1964 graduate of Michigan State University, where she majored in elementary education. She is a teacher in the San Diego city schools. An April 6 wedding is being planned.

Esther Van Brandt Becomes Bride of Stanley Ball

Esther Van Brandt of Adrian became the bride of Stanley (Jim) Ball in a double ring ceremony performed Saturday afternoon by the Rev. Fr. Harold Wolf at St. Joseph's Shrine in the Irish Hills.

Gladioli and chrysanthemums were used in the altar vases.

The bride is the daughter of Mr. and Mrs. Morris Van Brandt of rural Morenci and the groom is the son of Mr. and Mrs. William R. Ball, 131 E. Chicago Blvd.

The bride chose a floor length gown of taffeta and lace fashioned in A-line with a chapel train.

Her veil of illusion fell from a crown adorned with pearls. She carried long stemmed white roses.

Mrs. Marvin Brehm, sister of the bride, of Fayette, O., was matron of honor in a floor length gown of red and white velvet and crepe with empire waist.

She carried red and white roses.

Gary Ball, brother of the groom, of Manitou Beach, served as best man and the guests were seated by Cyril Van Brandt, brother of the bride, and Steve Alpaugh of Adrian.

Judy Ball, sister of the groom, registered the guests. The wedding cake, made by Mrs. Joseph Lakatos, aunt of the bride, was cut and served by Mrs. Sally Deck.

Mrs. George Childs, Mrs. Douglas Putnam, Violet Van Brandt, Mrs. Jim Cox, Mrs. Gary Ball, Mrs. Jim Knisel, Mrs. Arthur Lips, Mrs. Marvin Bragg and Pat Lakatos also assisted at the reception.

A reception for 150 guests was held at the R & B catering Co. immediately following the ceremony.

Mary Ann Caterina was the organist accompanying Sylvia Sims, soloist, of Morenci. The bride placed a rose of her bouquet on the altar of the Virgin Mary as Miss Sims sang.

The bride, a graduate of Morenci High School, is employed at the office of Schippers, Kintner and Robertson, C.P.A.

The groom, a graduate of the Tecumseh High School, served three years in the navy and is employed by Tri-State Engineering Co.

The couple will live at 2960 Howell Hwy., Adrian.

The rehearsal dinner was given Friday evening at the Birch Room of the Big Boy Restaurant by the groom's parents.

o

Mr. and Mrs. Lawrence Holdridge spent a recent weekend with their son and wife, Mr. and Mrs. Rick Holdridge and children in Sydney, Ohio.

QUESTION:

"Would we offend the bereaved family if we were asked to be a pallbearer and we requested to be relieved of that honor for health reasons?"

ANSWER:

You certainly would not offend the family by not serving as a bearer for health reasons. You would only add to the family's grief if you impaired your health while assisting them.

OFF the TOP

Mr. Jim Lincoln
Editor, Tecumseh Herald

Dear Boss:

You may have wondered why I didn't write my column this week — well, it's like this. You've heard of The Week That Was — believe me, I've had it! There are some weeks a mother would like to run away from home.

It's not that there was any major crisis — it's just that there were so many minor ones, the accumulation was too much for my frazzled nerves.

Would you like a partial listing of the frustrating events of the week? Grab a crying towel and sit down.

To start off with, one evening last week our Miss Ten called from her bed that she couldn't get up — that she was caught. I couldn't imagine why or how, but upon investigation, discovered that she was, indeed, stuck to the sheets. It developed that she had dropped her wad of bubble gum unnoticed just before bedtime; it had fallen on her nightgown, and as she rolled around in bed, the sticky mass gummed up into long stringy, sticky shreds, gluing her to the bed so that she could hardly raise up. And all this on new sheets, just purchased at the January White Sales! What a job to get that gum scraped off everything.

Got runners in three stockings — one of them in a brand new pair.

Lost my good winter driving gloves.

Didn't notice that a pair of dark trousers in the wash had a tube of Chap-Stick in one pocket; and consequently, all the items in that load came out with greasy spots all over them.

Watched the local basketball team lose a hard-fought game by just one measly point.

Tried to teach the multiplication tables to our fourth-grader; and discovered I wasn't too sharp on some of the eights and nines myself

Endured criticism of my cooking by two teen-age sons. Would like to send them out to eat, but can't afford it — they eat too much, in spite of the complaints.

Was depressed by all the rain and fog of last week.

Then when the sun came out, was still depressed by the sight of the dirty windows and the dusty corners that showed up in the house.

Had two people phone to say they couldn't take their parts at a meeting of the circle of which I am leader.

The drive belt came off the dryer just when I had a big washing to take care of.

When I took daughter to stay at a friend's house in the country while I was to wait on table at a church dinner, my car got stuck in the yard, and I had to call for help to pull it out. There I was, wading around in ankle-deep water, trying to get the car out, when I was supposed to be on duty at the church.

The cat came in from being out in the rain and mud, and before I could stop him, jumped up on my clean bedspread with muddy feet.

Had to call hubby home from work to perform minor surgery on daughter's foot — I couldn't remove an imbedded sliver, and his steady hand was needed. Besides, I couldn't stand the screaming!

Like I said, it isn't the big problems that getcha down, it's all the little annoyances. I hope life goes a little more smoothly next week, although this does seem about par for anyone raising a family.

The brightest spots of the week came when son's first college grade report arrived, and proved to be more than satisfactory; and when same son said, "Hey, you're getting thinner, aren't you, Mom "

Well, boss, it's too late for New Year's resolutions, but I will try harder to get my work out on time from now on.

Sincerely,
Your sometimes reporter,
Christine Fairbanks.

Bulldogs Squeak Past Tories 71-70

BRITTON — The Summerfield Bulldogs gained revenge for an earlier season loss to Britton as they nipped the Tories 71-70 in a thrilling River Raisin contest Friday night. Glenn Wagenecht popped in the winning basket in the closing minute of the game to cinch it for Summerfield.

Both teams played at a fast pace in the battle to remain at the top in the league scramble, and the score was tight all the way. It was an exciting, well-played game between two top-notch teams, and a heartbreaker to lose. A standing-room-only crowd was packed into the cracker-box gym in Petersburg to see the contest.

Summerfield took an early lead in the first quarter, as Britton started off missing several shots, but the Tories got going in time to bring the first quarter score to 14-14.

In the second quarter, Britton went to the press, and the two teams traded baskets, the score never more than two or three points apart. Two free throws by Skelton put Britton ahead, then a bucket by Wagenecht at the buzzer put Summerfield ahead 33-32.

The fast pace continued after the half-time break, and Britton led 50-49 at the end of the third stanza. Tension mounted on the floor and in the stands, where the screaming fans on both sides were near hysteria. Neither team could open up a big lead, and with 1:27 to go in the game, Skelton's basket put Britton ahead 70-67.

But then a bucket by Bob Brunt brought Summerfield with in one point, and in the final seconds, Wagenecht connected to go ahead, while the Tories could not score again, making the final score 71-70.

There was only one substitution in the entire game, as both coaches stayed with their starters. Coach Cliff Smith had five seniors on the floor throughout.

The Tories junior center Daye Fairbanks led all scorers with 26 points, followed by Skelton with 18, Jim Brown with 12 and Jerry Korican with 10.

Wagenecht led the Summerfield scoring with 21, followed closely by Brunt with 19.

—o—

Mr. and Mrs. Douglas Fairbanks and daughter were Sunday guests of Mr. and Mrs. Allen Hosler and family of Portage Lake, Mich.

The loss drops Britton out of the 3-way tie at the top in the River Raisin League. It is now a 2-way tie between Summerfield and Sand Creek.

The Tories are now 6-and-4 in league play, and 8-and-6 overall.

They travel to Grass Lake Saturday night for a non-league encounter.

David, Dan, Mike, Jim and Marianne Bush presented several instrumental selections.

Mrs. Kenneth Smith's room won the attendance award.

Baptist Society Holds Meeting

BRITTON — "The Message of Love," was the topic chosen by Mrs. Walter Stutesman for presentation at the meeting of the Ladies Missionary Society of the Bethel Baptist Church, Thursday evening at the home of Mrs. H. S. Fish of Tipton.

Mrs. Stutesman chose the devotional theme from the scripture reference in the Book of Colossians. She said that the best Valentine God gave the Christian is the Bible. She decorated a large Bible picture as a Valentine, mentioning the Bible and God should be "first in one's life, then friends, and others."

There were 20 members present for the meeting.

Edna Bryant, who was home from Eastern Michigan University for the semester vacation, attended and sang a solo, "There is No Greater Love."

Mrs. Alva Clark reported that she has found a place that needs bandages. There is a quantity of bandages rolled and ready to be sent out. Material is needed for more bandages to be rolled at the next meeting.

Mrs. Duane McNeil was appointed to a committee to find an appropriate mural to be placed in the back of the baptistry.

The president, Mrs. Jack Hintz, read a note of thanks from Rev. G. A. Cave of Shenandoah, Va., for used clothing sent to them and stressed the need for more clothing there.

The Southern Michigan Association of Regular Baptist Churches will meet at Loomis Park Baptist Church in Jackson, Tuesday. The theme for the day will be "Sowing the Seed."

During the evening, the women tied two quilts, and Mrs. H. S. Fish donated two quilts. The quilts will be sent wherever they are needed.

Mrs. Fish served refreshments.

The next meeting will be held March 7 at the church. Is is planned to cut quilt blocks, and make pot holder mitts for the kitchen at Lake Ann. Mrs. Milburn Preston is in charge of refreshments.

Woman's Guild Elect Officers

BRITTON — Members of the Emmanuel Lutheran Women's Guild answered roll call with a Bible passage when they met at the church Thursday evening.

Mrs. Charles Hagans presided over the meeting. Plans were discussed for the Father and Son Banquet, which will be Feb. 24 at 6:30 p.m.

Tickets for the banquet are available from the ticket chairman, Mrs. Fred Meyers, or guild members, at a cost of $1.75 for adults and $1 for children.

Officers for the coming year were elected. Mrs. Gerald Schultz is president; Miss Helen Bendes, secretary; and Mrs. Ralph Schafer, chairman of Christian Growth.

Mrs. Gaylon Furgason led the devotions. A new missionary, the Rev. Elmer J. Bergt of Japan has been assigned to the missionary league.

Miss Bendes presented a program on music. Hostesses for the evening were Miss Ilene Schafer and Mrs. Joseph Schafer.

Weekend Guests

BRITTON — Staff Sgt. Charles W. Anspach, his wife and their three children spent the weekend with his parents, Mr. and Mrs. Charles E. Anspach.

This was Sgt. Anspach's last leave before leaving for duty in Vietnam sometime this month. He has been in the Army 13 years.

His parents entertained at a family dinner Sunday. Present were Mrs. Raymond Hayford and family, Tecumseh, Richard Anspach of Grand Rapids, Mr. and Mrs. Walter Anspach and children of Clinton, and Mr. and Mrs. Glen Dowell and children of Samaria.

Sunday afternoon, Sgt. Anspach and his family called on his grandmother, Mrs. Daisy Ostrum of Adrian, and also Mr. and Mrs. Bert Ostrum and children, also of Adrian.

Mrs. Anspach and children will remain in Wilmington, Ill., for the year he is gone.

CCC Dedicates Lighted Bulletin

BRITTON — A new lighted outdoor church bulletin board was dedicated Sunday at the Congregational Christian Church in memory of Mr. and Mrs. G. L. Gripton and Mrs Glen Gripton. The bulletin board was given by the Gripton family.

Following the service, Mr. and Mrs. Ronald Frayer and family entertained in their home with a family dinner.

Attending were Mr. and Mrs. Henry Lewis, Mrs. Edward Gripton and Mary Kay, and Mrs. Charles Gripton, all of Dearborn; Mrs. Bernard Waterbury and Jeff of Ypsilanti; and from Britton, Mr. and Mrs. Gerald Benedict, Rev. and Mrs. Gustav Hannevik, Glen Gripton and Mrs. Delta Croll.

BRITTON SCHOOL MENU

BHS Homemaker Is Announced

BRITTON — Martha L. Wetter, daughter of Mr. and Mrs. Roland Wetter, 1871 Taylor Rd., Tecumseh, has been named the 1968 Betty Crocker Homemaker of Tomorrow for Britton-Macon High School.

Miss Wetter finished first in a written knowledge and attitude examination for senior girls held last Dec. 5.

Martha's achievement has made her eligible for state and national scholarship awards and also has earned her a specially-designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow program.

A state Homemaker of Tomorrow and runner-up will be selected from the winners of the schools in the state. The state winner will receive a $1,500 college scholarship, and her school will be awarded a set of the Encyclopedia Britannica. The runner-up will earn a $500 educational grant.

The state winners will join in an expense-paid educational tour of Colonial Williamsburg and Washington, D. C., next spring.

The national winner will be announced at a dinner in Minneapolis, Minn., and her scholarship will be increased to $5,000.

This is the 14th year of the Betty Crocker Search, and the 603,789 girls registering for the 1968 Search established a new record for the program.

As We Remember Her

(Editor note — Tom Riordan, former co-publisher of The Herald, now writes a three-times-a-week column for the Jackson Citizen Patriot We thought Herald readers would find this column of particular interest and pulled out the "Short and Long of It" for memory's sake.)

This was to have been a gay-rib-tickling report of last weekend's Tecumseh Jaycee Follies, a variety show featuring local people, making nutty on-stage appearances.

But my wife and I couldn't bring ourselves to attend the Sunday evening performance as we had planned.

One of our biggest reasons for going was to see a close friend, who lived for her chance to cut up before an audience. She was a natural comic, who had made quite a reputation locally as a well-qualified stage performer.

But as Ginny Snyder, age 46, stepped onto the stairs from the dressing room, leading to the stage of the Strand Theatre for the Follies' opening night Saturday, she fell over dead.

Few people probably realized that Ginny had been living, more or less, on borrowed time for over one year. She belonged to the elite Pacemaker Club, which meant her heartbeat was controlled by a tiny battery, which was sewed into the right side of her body, powering a wiring system which led to her heart.

It's an amazing apparatus, with about 12,000 people throughout the nation being kept alive with them. Ginny once told me the Pacemaker can be speeded up for work or dancing, slowed down while sitting quietly or sleeping, simply by rubbing the skin over the battery with a "magic wand", which was a magnet.

Doctors at University Hospital in Ann Arbor, who have installed Pacemakers in 100 persons with weak hearts, explained to Ginny that she and members of this exclusive club could lead near-normal lives after being wired. This certainly proved true in Ginny's case. She kept house, got her husband's meals, baby-sat for her grandchildren, was out and about the community visiting friends and shopping.

Ginny was a great story teller, whether before an audience of 600 in the theatre or with two friends in their living room. She loved to hear them, too. In fact, just the other day, I had heard a cute one about Italian cement workers (she was of Italian extraction and could Ginny cook spaghetti!) and would she have roared at it.

Being a crackerjack seamstress is what led Ginny into amateur theatre. Back in the early Sixties, when the Tecumseh Players began rolling, she was invited to work on costumes and Ginny helped create batches of originals for several of the early shows.

But she wasn't backstage long. In 1962, when the Players did "You Can't Take It With You," Ginny was given her first role, that of the Russian countess, and she was magnificent. It was a small part, but believe me she stole every scene she was in.

For the musical comedy, "Pajama Game," in the winter of 1964, Ginny played one of the production workers in the Sleep Tight Pajama factory. How she loved that part, singing and dancing with great gusto.

That was the same year the Tibbits opera house in Coldwater was remodeled for stage productions and reports of the Tecumseh musical reached there. The "Pajama Game" cast was asked to hit the road for two offerings in Coldwater. The Players were thrilled to accept and none more than Ginny.

The following winter, she really hit her peak in "The Music Man" as Ethel Toffelmier, one of the old biddies living in River City, Ia. Playing opposite her was Dan LaBumbard, a Jackson jeweler and avid little theatre performer, who did Marcellus Washburn, the livery station owner.

Ginny and Dan stopped the show with their "Shippopi" dance. When they swung into that number, each of them being of ample proportions, the stage floor creaked in protest, but it couldn't be heard — being drowned out by gales of laughter from the audiences.

When the Jaycees announced plans to produce a Follies three years ago and asked for performers, Ginny was one of the first to volunteer I'll never forget one of her turns.

With the curtains closed, the band went into a grand opera number, then they slowly parted and there was Ginny, standing majestically in a gorgeous, full length, silk evening gown, arms folded at her waist, looking like a genuine Italian operatic star.

She wore a sober, haughty facial pose and I began to wonder if maybe she actually had a classical voice and was going to do something from "Carmen". Everyone else must have suddenly felt the same way because the first mild, stifled laughter at just seeing Ginny, gradually fell off. Complete silence engulfed the theatre.

The orchestra paused, then began again.

"Me, me, me, me, me, ..." she started. Pause. "Me, me, me, me, me . . " She couldn't seem to get the proper pitch. "Me, me, me, me, me, . . . "

Six hundred people were offering silent sympathy.

Finally, a fourth time. "Me, me, me, me, me, . . . aw, to hell with it."

At this point, Ginny reached down, tugged up her long gown and roller skated off stage, It seemed as if the roof was going to tumble in on us all as we roared and applauded a full two minutes.

That's the way most of us will remember Ginny, having a ball while making people laugh.

The engagement of Patricia Ann Lee to Airman Apprentice Robert D. Proctor, USN, is being announced by her parents, Mr. and Mrs. Richard H. Lee of Birmingham. Miss Lee is a 1966 graduate of Wylie E. Groves High School in Birmingham and is a secretarial science major at Northwood Institute in Midland. The groom-elect is the son of Mr. and Mrs. Wesley G. Proctor, Clinton. He graduated from Clinton High School and also attended Northwood Institute. Currently he is based at the United States Naval Air Station in Sanford, Fla. He is assigned to Reconnaissance Attach Squadron Five. The couple plan a 1969 wedding.

Mrs. P. Hayden To Assist With Michigan Mother

Mrs. Perry Hayden, Michigan's first mother of the year in 1945, has offered to assist anyone interested in nominating a candidate for the 1968 outstanding mother.

She will be glad to send for nomination blanks to be filled in and returned before Feb. 29.

Any recognized organization may sponsor a candidate. Qualifications require someone in the community:

- ► Who is a successful mother and homemaker — as evidenced by the character and achievements of her children?
- ► Who is an active member of a religious body?
- ► Who embodies traits such as courage, cheerfulness, patience affection, understanding and homemaking ability?
- ► Who has a sense of responsibility in civic affairs and has been active in public service to society?
- ► Who has no children younger than 15 years of age?
- ► Who is not a divorcee?
- ► Who would be fully qualified to represent the mothers of Michigan in all responsibilities attached to her role as Michigan Mother?

Final selection will be announced in April. The 1968 Michigan Mother will go to New York City in May when the American mother of 1968 will be named.

MSU to Honor Lloyd Ruesink for Management

Lenawee County dairyman, Lloyd W. Ruesink, 5252 Knight Hwy., Adrian, was among 20 outstanding Michigan farmers who were honored recently by Michigan State University as "Outstanding Farm Managers of the Year."

The awards were presented during the annual Farm Management Banquet, a part of Farmers' Week, to farmers who "managed" to stay in the top 1.5 per cent of the 1,431 TelFarm cooperators in the Michigan Farm Record Project, based on records of the past three years.

Milking 60 Holsteins and cropping 130 acres, Ruesink has coupled labor efficiency and controlled investment for a profitable operation. He averaged 13,000 pounds of milk per cow last year with a minimum of purchased feed.

A long-time supporter of soil conservation programs and activities, he presently serves as a member of the Governor's State Soil Conservation Committee.

CP Week Feb. 11-17

The 21st annual National Crime Prevention Week, Feb. 11-17, will be sponsored locally by the Exchange Club of Tecumseh, Ray P. Dollison, president, announced today.

Murell Clark, Tecumseh Chief of Police, will be the main speaker at the Feb. 12 meeting of the Tecumseh Exchange Club His talk on Crime Prevention will be open to the public at 7:15 p.m., at the IOOF Hall on Green Hwy.

"Major aims of the observance, conducted by Exchanee Clubs throughout the United States and Puerto Rico, are to mobilize public reaction against the avalanche of crime and terrorism eroding our society and to create a climate of faith and trust between the police and the public," Mr. Dollison said, "Law enforcement cannot effectively wage the fight against crime without the wholehearted support of the citizens of our community."

President Dollison enlisted the cooperation of all Tecumseh citizens in the upcoming campaign and expressed hope that they would enthusiastically support the joint efforts of the Exchange Club and the police so that real progress can be made in reducing the menace of crime.

Mary-Martha Class Meets

CLINTON — Mrs. Arthur Hill hosted the meeting attended by 15 members of the Mary-Martha Class of the United Church of Christ Monday evening.

Mrs. Ben Mahrle presented the devotions on the theme, "The Widow's Mite."

Mrs. William Kaiser presented the study on the Book of Matthew, which dealt with the lineal descent of Jesus.

Notes of thanks were read from the 20 girls in Palmer cottage at Girls' Training School for the Christmas party which the class put on there.

The group will serve a dinner March 14 for 25 members of the Delta Kappa Gamma sorority.

A $10 gift for the Material Aid quota of the Women's Fellowship was voted.

It was voted to have a public jewelry party later in the spring.

Mrs. Harold Calhoun will be hostess for the March 4 meeting.

A&P

A BARGAIN... A REAL VALUE IS NOT A MATTER OF PRICE ALONE!

It's what you get for what you pay.

The house dress or shift at $1.98 is no bargain if—
the seams pop the first time you wear it
or it shrinks inches the first time you wash it.

A cheap product just for the sake of low price is no bargain.
A quality product at a low price,
that's a bargain... that's a real value... that's our A&P Brands.

More than a century ago we decided
our own brands would be our finest values.
They are... and we're proud of it.
So proud... so sure,
we unconditionally guarantee your full satisfaction.

Are A&P Brands a good reason for shopping A&P?
They're one of many.

Business and Professional Women Meet

An original skit written by Mrs. Albert Todd entitled "Sunshine Day at the Home" was presented at the meeting of the Business and Professional Women's Club Jan. 22.

Those in the cast were Mrs. John Teufel, Mrs. Katharine Hupp, Ruby Preston, Mrs. David Watson, Mrs. Albert Todd, Mrs. William Flanders and Mrs. Richard Purkey.

Thirty-six members and three guests were seated for the chicken dinner served by the ladies of the Methodist Church. Mrs. Richard Purkey, Mrs. John Smith and Mrs. Glenn Critenden were the guests.

Mrs. George French conducted the meeting in the absence of Mrs. Cecile Smith, who was ill. Mrs. Hazel Ward was welcomed as a new member.

Hostesses were Mrs. Kenneth Hunter, Sr., Mrs. Reginald Dixon, Mrs. Frank Creger, Mrs. LeRoy Titley and Mrs. Duaine Service.

Larry Hartwig Completes Two Week Training

Airman Apprentice Larry E. Hartwig, USNR, son of Mr. and Mrs. Fred R. Hartwig of 115 W. Pottawatamie, has completed two weeks annual active duty for reserves at the Naval Air Station, Grosse Ile.

He and 41 members of Air Transport Squadron 731, Naval Air Reserve Division 732, and Naval Air Reserve Maintenance Unit 735 functioned as an active squadron, performing maintenance, technical and clerical tasks and attending technical skill training classes.

Throughout the rest of the year he will drill on weekend a month at Grosse Ile.

The air station at Grosse Ile is on of 18 installations strategically located across the U.S. and is under the leadership and control of the Naval Air Reserve Training Command.

Lt. Gov. Milliken To Keynote Lincoln Day

The annual Lincoln Day Dinner will be held Thursday, Feb. 15, at Siena Heights College, it was announced by Mills Swick, Lenawee County Republican Chairman.

The keynote speaker at this year's event will be Lt. Gov. William B. Milliken.

A reception preceding the dinner will be held at 6:30 p.m., in Ledwidge Hall on the campus. Legislators to be present will be U. S. Congressman Marvin Esch, State Senators James Fleming and Gil Bursley, State Representatives Robert Stites, James Folks, Frederic Marshall and Thomas G. Sharpe.

Tickets for the dinner are available from Mrs. Pat Johnston, County Clerk; Sheriff Richard Germond and Dr. D. F. Sarapo.

Luncheon Is Planned

Mrs. Byron Goodman and Mrs. Richard Eggleston are planning a salad luncheon to be held Tuesday, May 7, at the Underwood-Orr American Legion Home.

As ways and means committee, the ladies decided to try this method of earning money for the American Legion Auxiliary treasury.

They will be assisted by Mrs. John Snyder and Mrs. J. D. Cook.

Anyone wishing to play cards following the luncheon is welcome to remain and do so.

NEW EDITOR — Edwin F. Walters (left), Adrian, has been named editor of the new "Fisher Body Craftsman" newspaper to be published at the Tecumseh plant. He is shown above discussing the paper with Joe R. Hainline (right), general director of public relations and advertising for Fisher Body Division, and Morley Shortt, Addison, a member of the plant's personnel department. Walters and Shortt were in Detroit last week for an editorial planning conference of Fisher Body editors held at the General Motors' training Center in Warren, Michigan.

News of Boysville

By GREG KOVACS

By GREG KOVACS

Thomas Mullen, a member of the Boysville Fighting Knights Varsity cheerleading squad, fractured his wrist during the half time show put on by the cheerleaders during the Summerfield basketball game.

Tom sustained his injury when he jumped from the mini-trampoline and landed wrong. He was kept for the night at St. Joseph Hospital in Ann Arbor and returned Saturday afternoon after being put under general anaesthetic to set the severe fracture.

★

Eighty students from Thomas More High School on the Boysville Campus traveled to the United Artists Theatre in Detroit on January 25 to view the motion picture "Camelot."

The trip to the movie was a government project whereas they financed the whole thing. The boys traveled by Greyhound Bus Lines and were treated to a smorgasbord dinner at Murio's in Dearborn.

Many trips of this nature are made possible by the government. They are made available only to students who meet certain specifications set by the federal government. The trips are for student enrichment.

Sunday evening the boys that went on the trip were asked to report to the library and some questions were asked of them such as, "How did they like the movie" and, "If the music does anything to rthe movie."

The students concluded that they very much liked the movie and that the whole afternoon was very entertaining.

★

Brother Leonard Siwierka C.S.C. has taken the position of Director of Food Services for Boysville of Michigan. Brother Leonard will be replacing Brother Donald Kuehnemeister who has taken charge of the Detention period for three days a week and also in charge at the Cardinal Mooney Dormitory

★

At the end of the third six-weeks' marking period at Thomas More High School many of the students earned a place on the Honor Roll. Those making High Honors were: Bill Kostka and Don Lowe, 12th grade. Tony Betke, 11th grade. Bert Darling and Dave Kostka, 10th grade, and Joseph Fortin, 9th grade.

Those making Honors were: Tim Collins, Mike Connors, Greg Kovacs, Nick Orlando and Allen Rockwell, 12th grade. Nich Carroll, Marsh Carter, Bob Pitylak, and Cliff Reynolds, 11th grade. Brian Nelson and Bill Sacks, 10th grade, and Ron Condon, Mike Lanham, and Mike Pitylak, 9th grade.

Eighth graders Rick Eberline and Peter Slane also earned Honors.

Thirty-one other students found a place on the Honor Roll making Honorable Mention.

Applications for "Miss Lenawee" Are Available

The third annual Miss Lenawee Pageant will be held at the Croswell Theatre in Adrian Mar. 22 this year.

General Chairman for the event, Jim Welch, reports that applications are now available and will remain open until Feb. 28.

Contestants must be between 18 and 28 years of age, never have been married, a resident of, or studying in Lenawee County and a high school graduate no later than September, 1968.

The winner will be awarded a scholarship and will advance to the Miss Michigan Pageant in Muskegon in the summer.

Radio personality Jimmie Launce of WJR, Detroit, will act as master of ceremonies.

Cub Pack Attends Methodist Church

Boys in Cub Scout Pack No. 72 will attend the morning worship service at the Tecumseh Methodist Church this Sunday morning. This participation, arranged by the leader, Robert Hyde, is part of the observance of Boy Scout Week.

Late Alarm Is Fatal As Mansion Burns

By MAXINE CALHOUN

Fire, aided by a half-hour delay when a party was unable to summon the Clinton Fire Department via telephone, ravished one of Clinton's and the area's oldest landmarks Sunday morning.

Flames and smoke devastated the village's old stately mansion, known as the Smith-Kimball Community Center, with estimated damages running as high as $100,000.

Insurance covered $75,000 on the building, but only $2,000 on the contents.

Residents of Clinton were awakened about 8 a.m. Sunday by a fire siren, which signaled the death-knell of the mansion, located just two blocks south of the downtown section on Tecumseh St.

Apparently the fire began in, or near a chimney at the part of the building nearest the Harry Werth apartment.

Mr. and Mrs. Werth, custodians since 1966, were in the building Sunday morning, preparing for a breakfast meeting of the Clinton Gun Club.

When Mrs. Werth discovered smoke, about 7:30, she attempted to telephone the Clinton Fire Department.

Delayed by no dial tone, she tried to call for a few minutes, then ran to the nearby Al Fox home. Unable to awaken him, she went to the home of Mrs. Nina Stewart on E. Church St.

Still unable to summon the firemen, Mrs. Stewart then placed calls to several persons, including Harlan Ruhl, Clinton fireman.

It was after eight o'clock when the fire trucks reached the scene, and flames and smoke were already pouring forth from beneath the entire roof.

Fire Chief Arthur Schuler was out of town and Russell Rider, assistant chief, was in charge.

Tecumseh Fire Department, called at 8:30, responded with a pumper and emergency vehicle and seven men. They gave assistance until about 12:30 noon.

Entire roof on the mansion collapsed about 9:30. The worst damage was to the attic, kitchen and apartment sections, which were completely gutted by flames. All of the Werth's belongings were destroyed.

Mrs. Werth was burned slightly on the arm and head when she first tried to use the phone in her apartment.

Except for the caved-in roof, damage to the front sections on the first and second floors in the main building was confined largely to smoke and water.

The fire, one of the worst in the history of Clinton, occurred in bitter, cold weather with the temperature hovering just above 10 degrees.

Firemen's helmets and coats were caked with ice, which formed rapidly from the mist of water poured on the burning building. Trees and bushes likewise were coated.

Tons of water were used to fight the blaze, and considerable water either froze on the mansion's front yard or dribbled into Tecumseh St., where it formed a glaze of ice.

Fire destroyed Girl Scout records, Cub Scout materials and flags, and pool tables in the rooms above the kitchen.

A valued silver tea service — engraved in memory of Mrs. Louise Kimball — china, flatware, and a silver candelabra, all belonging to the Clinton Woman's Club, were found unharmed.

The Kimball grand piano, also owned by the women's organization, was water soaked, but not burned. It remained in the building until Tuesday when it was moved to the Kirker room in the United Church of Christ.

During the afternoon, chairs and tables were removed to the Firemen's Cabin and the former post office building, now vacant.

Throughout the day householders, churchwomen and restaurant owners kept the shivering firemen supplied with kettles of hot coffee and sandwiches.

*

Built in 1840 by Jira Payne, one of the early settlers in Clinton, the house was bought in 1862 by Mrs. L. W. Kimball's grandfather, John Smith. In 1955, Mrs. Kimball gave it to the community.

Bricks used to build it were made at "The Common," old historic Clinton locale. Brick floor in the mansion's basement is the original flooring.

The four white pillars at the front still stand. Two are Doric, which are the oldest, simplest and strongest of the Greek order, and two are Ionic, the second of the Greek order.

The pillars are hand-hewn, cut from whitewood trees taken from the backyard of the mansion's lot.

Some years ago, the house was called "a most distinctive mansion," and the portico, "one of the most monumental in Michigan," by Professor Emeritus Emil Lorch of the University of Michigan, a director of the Historical Society of Michigan.

After it was given to the community in 1955, it was refurbished at considerable expense. In 1966 the kitchen was completely remodeled and a modern apartment for a custodian was added at the rear of the mansion.

The apartment and kitchen cost $10,000.

FIRE OUT OF CONTROL — This photo, taken about 8:15 Sunday morning, shows the old mansion engulfed in smoke as flames started to spread into the old building's attic. At this time firemen were stringing out hoses to battle the blaze, which had a head start due to difficulties in sounding an alarm.

Car Hits Rail, Flies 50 Feet

An accident, occurring just after school let out, could have spelled tragedy on North Ottawa St. Friday afternoon.

Paul E. Underwood, 25, of 301 E. Pottawatamie, was traveling alone and at a high rate of speed when he came upon the curve at the south end of the Tecumseh High School athletic field. He lost control of his car while trying to make it around the curve, just before traffic merges with N. Evans St.

The car struck a curb, causing him to skid across the street and through a guard rail.

The car continued skidding and over the edge and onto the athletic field, stopping when it struck the backstop on the baseball diamond.

It was estimated that the car traveled 50 feet in the air over the embankment. It was a total loss.

Many students from the high school and junior high walk along the curve on their way home from school.

Fortunately, there were no students on the walk at the time. However, some saw the accident and were first at the scene. They were that close.

Underwood was cited for reckless driving and littering the streets. Shortly before the accident, witnesses saw him stop and throw beer cans from the car on N. Ottawa.

Underwood sustained minor injuries in the accident and was taken by police to Herrick Memorial Hospital, where he was treated and released.

However, he later returned to the hospital and was held for observation.

Tecumseh installed a guard rail on the curve to protect youngsters and drivers after a double fatality there. Underwood hit the guard rail with such force that he literally splintered a four-by-four-inch post.

If the rail and post had swerved him, he probably would have hit a large tree that claimed two young women's lives.

9 May Run For Council

A race looms for four seats on the city's Council in the April election.

As of Tuesday, nine residents had taken out petitions, and one petition for George McCombs, incumbent, had been returned and filed.

If the other eight petitions are returned, the candidates will include three incumbents besides Mr. McCombs. They will be Harold Easton, Dr. Carlton Cook and Donald Sunderland.

Seeking election to the four posts also will include Norman Feller, Ivan Maynard, James Palmer, Robert MacLean and David Schoonover.

Gordon Garlick, Tecumseh insurance representative here for 20 years and active in several local organizations, died here Friday in Herrick Hospital after a six-month illness.

FIRE STARTED NEAR REAR — Clinton's disastrous fire at its Community Center started near the rear of the building and then spread before firemen could bring it under control. Destruction to the rear portion was almost total, leaving just the walls as the interior sections were gutted. Fire started below chimney, between apartment and kitchen.

Local Youth Is Charged in Fatality

A Tecumseh youth faces a charge of negligent homicide in the death of an Adrian man. Charged in the warrant was Ned B. Rosacrans, 21, of 1014 Red Mill Dr.

Rosacrans is accused of driving a vehicle that struck and killed Milbourn Arnold, 44, of Adrian. The accident occurred on Feb. 3, at about 2:30 a.m. Arnold, the father of 10 children, died shortly following being struck.

According to witnesses to the fatality the Rosacrans car was traveling at a high rate of speed and did not see Arnold who was crossing Winter Street in the middle of the block.

Adrian police made the arrest Friday. Rosacrans demanded examination before Justice Lorraine Seaman. He is free on bond, pending trial.

Red-Faced Official Rebates Township Property Owners

About this time of year, a bit earlier perhaps, property owners write out checks to pay their winter taxes.

This year, Art Eaton, Tecumseh Township supervisor, is returning the favor and writing out checks to approximately 300 township property owners — and his face is a mite red.

Last year when he figured out the tax statements, he inadvertently slipped in too much for the schools. He caught the goof shortly after the statements went out.

Township officials huddled and then decided — to avoid any confusion — not to say anything until after Feb. 15, when taxes are due without penalty.

So this week, township tax payers will start receiving checks from the township with a rebate of $3 per thousand assessed valuation.

Cigarette Causes $1,500 Damages

Early last Thursday, the Tecumseh fire department was called to the Richard Kelly residence at 115 W. Logan St.

A cigarette left burning was the determined cause of a fire that started on a davenport and coffee table.

Damage to the building was set at $500 and to the contents, $1,000.

The building is owned by Howard Truesdale, 408 W. Kilbuck St.

Players' Musical Could Be Best Yet

By BILL SANFORD

When the house lights dim on the new production of the Tecumseh Players on the Glass Room stage at the Community Center, the players will be setting two precedents.

First of all the stage will draw comments through the new style of staging which Mrs. Glen Harbaugh and her assistants have created for the musical "Finian's Rainbow." The non-realistic colors and lines of the set give an added dimension to the glass room setting.

This will be the first time that the Tecumseh group have used such staging. The interesting contrasts of the realistic costumes and the colors of yellow, pink and green, meld into an imaginative and colorful scheme.

Also for the first time boys from the school, Boysville of Michigan, are cast in the musical. Mrs. Donald Geiger, director of the show, explained that arrangements were made through the school and with Brother Donald and Brother James.

At first the Brothers of the Holy Cross transported the boys to rehearsal, shortly the players made plans to accept the responsibility of seeing that the boys were taken to and from rehearsal.

There were obstacles at first, such as a 9:15 curfew. Rehearsing beginning at 7:30 did not leave the group much time. Later in the preparations however, the boys were excused from the 9:15 and given permission to remain with the Players for the time necessary to complete run-throughs of the play.

Cast in the play are Clifford Reynolds, Nicholas Carrol, and Alton Hines as three Gospelers; also cast are Gilbert Jackson as Howard, and Larray Mack as the second Geologist.

Mrs. Geiger and the members of the cast indicated how much they have enjoyed working with the boys and of how they provide some comedy on their own to break the long hours of rehearsing.

The boys expressed their delight at working with the players and have shown their enjoyment throughout the rehearsals.

The delightful story of the madcap Irishman and his daughter in Rainbow Valley will open this Thursday evening for a nine-performance run.

The songs by Burton Lane and E. Y. Harburg are memorable and nostalgic, such as "How Are Things In Glocca Morra," "That Old Devil Moon," and "Look to the Rainbow." The songs go with the humorous adventure of an elderly Irishman who thinks he can plant a pot of gold and make it grow, like it does at Fort Knox.

Tickets are selling fast for the show that will run Feb. 15, 16, 17, 22, 23, 24, 29 and March 1 and 2. Student tickets are available for the 15 and 22 for $1.00 at the door.

For reservations call Mrs. Richard Egli 423-4557 or Mrs. Duane Steele 423-4814 or by stopping at Flanders Music Co. in downtown Tecumseh.

YOUNGSTERS WRESTLE — One of Tecumseh's newest sports was demonstrated during half-time of the Tecumseh-Grosse Ile basketball game Friday night. Although wrestling is now a varsity sport, youngsters from the grades put on quite a show for the fans.

Police Pursue Runaway Girls

Two young girls who were apprehended by the Tecumseh Police Sunday evening are in the county jail charged with stealing an automobile.

The youths re Charlene Miller, 17, of Lowell and a 16-year-old companion. The two allegedly stole a car from the Lawrence Carpenter residence on Gady Rd.

Tecumseh Police noticed the car and gave chase. The high speed pursuit by the local authorities ended when the girls went off the road at Russell and Mill Rds. The girls then ran on foot, stopping when the officers fired several shots into the air.

After the arrest was made and they had been booked in the county jail, it was discovered that they had escaped from the Girl's Training School in Adrian.

Werths Staying With Their Son

CLINTON — Mr. and Mrs. Harry Werth are staying with their son and daughter-in-law, Mr. and Mrs. Hadley Werth, on Sunset Dr., since they lost all their household effects in the fire at the Smith-Kimball Community Center, Sunday.

Mrs. Werth, has expressed her gratitude to everyone who has been helpful since the mishap. All their clothing was lost, and Mrs. Clyde Greenfield, Sr., was already busy sewing some dresses for Mrs. Werth by Tuesday.

"We haven't made any plans, yet," Mrs. Werth said. "When you lose all your personal papers and everything, there is an awful lot to tend to, before you can plan anything."

CHURCH NOTES from TIPTON

The Women's Fellowship will meet Tuesday, Feb. 20, at 8 p.m., at the home of Mrs. Grover Swarts.

The Junior Choir will meet at 3:45 p.m., Wednesday and the Youth Choir at 7 p.m., Wednesday.

Robert Platt, Mike Wilkin, Kathy and Candy VanSickle, Vicki Cook and Jan Wilkin accompanied by Mrs. Dean Cook and Mrs. Wallace Wilkin, attended the Youth Fellowship Colony meeting held at St. Paul's United Church of Christ in Chelsea Sunday afternoon.

The Youth Fellowship met Monday evening at the church for a pizza party.

Man's Condition Rated Critical After Accident

A three-car accident on M-52, just north of the city limits of Adrian Saturday night resulted in a near fatality to Murvin J. Engstrom, 120 S. Evans St.

Engstrom was traveling north on the highway when he came upon slow moving traffic. He was unable to control his vehicle and crashed into the rear of an auto being driven by Ronald L. Rice, 6223 US-12.

The Rice auto then struck a third car driven by Bernice S. Boone.

Mr. Rice and his wife, a passenger, were taken to Bixby Hospital and treated and released. Mrs. Boone and two children, Walter, 16, and Lisa, 3, were also taken to Bixby and treated for minor injuries, then released.

Engstrom was taken to University Hospital in Ann Arbor with massive head and internal injuries. His condition is critical.

The sheriff's department has the accident under investigation.

Fire Alarms Are Close Monday

A trash fire at 742 S. Union and a truck losing a wheel almost simultaneously, sent alarms to the Tecumseh fire department Monday afternoon.

A trash burner at the S. Union address caused the grass around the container to catch fire. There was no damage to the area.

Minutes later an alarm was sounded from Carl's TV that a truck owned by the Penn Oil Co. was smoking. The brakes were on fire, caused by a loose wheel. Damage to the truck was not estimated.

Adrian Youth, 25, Collects 3 Tickets After Accident

Larry J. Miles, 25-year-old youth from Adrian, picked up three citations here last Thursday after a minor accident on S. Ottawa St. at E. Chicago Blvd.

Miles, driving north, clipped the left rear fender and bumper of a parked car, owned by Madonna R. Groves, 1205 Murray Dr.

Police arrested Miles for leaving the scene of an accident, no proof of insurance, and for driving while under the influence of alcohol.

Two other mishaps checked here during the past week were:

Feb. 7 — Felipe Valdez, 217 Herrick Park Dr., reported to police that his car was damaged while parked in a Tecumseh Products parking lot.

Feb. 11 — Elizabeth A. Rainey, 18, Britton, was charged with failure to yield the right of way after she turned in front of Michael Allen, 18, 931 Occidental Rd., on Adrian St.

Barking Dog Saves Barn

It usually happens in the movies where dog named Red would warn his master of impending disaster, however, Saturday night it was for real.

A fire started in the tack room of the barn at the Thomas Neill residence, 9555 Newburg Rd. Mr. and Mrs. Neill were not at home at the time.

The dog began barking and their son, Thomas, Jr., who was at home, looked out of the window to see what had upset the dog. He noticed smoke coming from the barn and turned in the alarm.

The Neills returned home at about the same time. Mr. Neill and a neighbor poured water on the blaze on one wall of the tack room. It was nearly extinguished when the fire department arrived.

There were 10 horses in the barn at the time of the fire and some damage resulted to their stalls, due to their excitement caused by the smoke.

The probable cause of the fire was determined to be in the electrical wiring. Estimates of the damage were not complete.

$500 Donated By Jaycees

Jaycees have announced that $500 of the funds raised at the recent Follies has been donated toward a new public address system at the athletic field.

This latest gift to the community makes a sum in excess of $25,000 raised here and returned in community development projects in less than three years by the Jaycees.

The Band Boosters have also donated $500 for a new public address system.

Jaycees are now considering other projects, including a design contest for an entrance to Tecumseh Park, ice skating facilities, and a downtown face-lifting.

Post Office to be Closed

Postmaster Jack Metcalf announced that the post office will be closed on Washington's Birthday, Feb. 22. There will be a mail box pickup at 3:30 on that day. All special delivery packages will be delivered.

FIREMEN ARRIVE — Clinton's Community Center was really ablaze when Clinton firemen arrived at the scene about 8 a.m., Sunday. Failure to sound the alarm a half hour earlier gave the fire in the mansion such a head start that neither Clinton nor Tecumseh firemen had much chance in saving the historical structure. As the photo shows, the fire originated near the rear of the building and spread upwards and towards the front. Hundreds gathered throughout the morning to watch.

GOP Girls To Welcome Lt. Governor

The blue clad GOP girls will be in Adrian Thursday evening to welcome Lt. Governor William G. Milliken, speaker for the Lincoln Day dinner at Siena Heights College.

The reception for Lt. Milliken and all office holders will be at 6:30 p.m. The girls will meet Mrs. Yale Kerby, chairman, at 905 W. Chicago Blvd. at 6 p.m.

Mike Home

Pvt. Michael Fero came from Ft. Knox, Ky., Feb. 5 to visit with his brother, Tim, in Tecumseh, until Feb. 29. Then he will leave for assignment in Korea as a personnel specialist. Pvt. Fero was with the Peace Corps in Brazil for two years until September, when he entered the Army. His parents are Mr. and Mrs. Bernard Fero of Cardoba, Argentine, formerly of Tecumseh.

And Now, Vietnam

By HERB DAVIS of Birdsall

Fisher Body Plant Employee

The doughboys of World War I were a magnificent sight to see:
Marching to Europe's battlefields, they fought and died for democracy.
In World War II our Marines, Sailors and Eagles of the sky
Went all over the world to fight, kill and die.
Russia was our ally—England and the grand nation of France;
Our young men died this time so freedom could have a better chance.
Korea came—and our boys went into the violence pit anew;
This time to contain communism and thereby save I and You.
The Korean war was not won despite the politicians' victory shout—
Our boys are still over there, waiting for a new war to break out.
Castro took over Cuba, and Russia entered the scene;
John Kennedy stopped this one by a show of force with the Soldier, Sailor and Marine.
Our boys have been sent forth to all strange nations of the earth . . . . .
Suez Canal, Congo, Geermany, France—and even Australia's Perth.
The results today—so far as I can see—
Have not brought peace, progress, or even victory.
Along came this thing called Vietnam—a small agrarian country;
Our boys went forth this time to protect the South Vietnamese people's liberty.
We heard this on television and radio, both day and night;
Surprisingly enough, their own "liberty" the[illegible]namese would not fight.
First we built up a force of 10,000 men; then sent 500,000 more.
Now it looks as if another 30,000 will have to land on the Vietnamese shore.
As the casualties mounted and more of our boys did die,
The politicians tried to find new reasons—for these deaths to justify.
All kinds of tales have been told—but one question is very clear:
Why are our boys dying for a people who do not hold our principles dear?
Is it possible that the Vietnamese see things from a different day?
And, after all our killing, dying for "them" they'll solve their problems in their own way?
These questions may not be answered until time decides to tell—
But we can decide right now, whether to let our boys continue to die in this hell.
We are there now whether we should be or not—
Right now some unlucky G. I. is dying humbly on some filthy field hospital cot.
Whether our reasons are right or wrong—there is one thing on which we all agree—
We'd hate to be over there ourselves if the entire country was not backing we.
The entire nation should use all its power to save each serviceman's life;
To bring a speedy end to their trials of death, pain and end this wasteful strife.
We sent them there as a nation—most against their will;
They're doing their job over there—and dying, while storming some soon-to-be-forgotten hill.
Can we sit by, live normal, and on Sunday sing some religious hymn?
Unless since we sent our boys there, we share the risk with them?
Sweep aside the politicians' tales and look the true situation in the face . . . . . .
When we let our boys die without risk to us all—this is the national disgrace.

You Told Us

Herald Women's Editor

Sometimes little things mean so much. Perhaps area residents and friends of Mr. and Mrs. Harry Werth, might like to do a "little thing". One of the personal belongings of this excellent cook that went up in smoke in last Sunday's fire at the Clinton Community Center was recipes.

Collecting them again would be like gathering feathers unless those persons to whom Mrs. Werth gave her choice instructions might be glad to take the time to type or write them on a 3 x 5 card and put them in the mail — Clinton 49236.

We will provide the box, along with some of our own favorites since we weren't fortunate enough to have any of hers. We hope soon the Werths will be safely settled in a new or restored Community Center. Clinton people so long enjoyed the meticulous care given their beloved Smith-Kimball house by the Werths that they will miss meeting there AND the goodies prepared by Susie.

Mr. and Mrs. Harlan Boyes and Mr. and Mrs. Fred Bryan returned home from Florida by plane Sunday but at different times. As the four vacationing friends were about to board the plane, Mrs. Bryan suffered some kind of illness and had to be admitted to the Tampa Hospital. She and her husband came back on a later plane and she is presently a patient in Herrick Memorial Hospital.

The Boyes and Bryans went to the Michigan picnic while in Florida. Also attending were the Ted McConnells, the Floyd Bryans, Mrs. Louis S. Schneider and Mrs. E. J. Aebersold.

The Harlon Boyes visited her mother, Mrs. Bert Warren, and the Thomas Weatherwaxes at Largo. While they were there, the horse sponsored in the Florida Downs race by the McDonald hamburger unit operated by the Weatherwaxes, won and the group had pictures taken in the winner's circle.

GIRL SCOUT NEWS

An important date in the Girl Scout year is February 22, "Thinking Day," celebrated world wide by all Girl Scouts and Girl Guides to commemorate the birthday of Lord and Lady Baden-Powell, the founders of the Girl Scout movement.

On this day Girl Scouts join their thoughts and send them around the world as a powerful prayer that all men shall be friends. In each [illegible] Scouts and Girl Guides give money to the Thinking Day Fund which is used to start Girl Scout troops in countries where people need help.

The Tecumseh Neighborhood of the Irish Hills Girl Scout Council is celebrating Thinking Day with the third annual neighborhood-wide dinner for Girl Scouts and their mothers.

It will be held Monday, Feb. 19, at 6:30 p.m., at the Tecumseh [illegible] Union Hall.

The theme is Mexico with table decorations, entertainment and food all with a "taste of Mexico."

A family style dinner will be served, with each troop will provide for itself.

Music will be by Flanders Music Company and films will be shown on Mexico.

National Heart Month

By MARIE YOUNG, R.N.

February, a month known to commemorate Lincoln's and Washington's birthdays, with Valentine's Day in the middle of it, has also been designated as National Heart Month.

With all the research and study about the heart, we are fortunate to live in a community where an Intensive Coronary Care Unit has been set up in our local hospital.

Many hours of study, work and much generosity has helped Herrick Memorial Hospital Auxiliary to bring to a realization such a facility in 1968.

We hear so much nowadays about heart, or coronary attacks, that it is no wonder people are more conscious about them. Researchers have found that a drug long used as anesthetic is finding a new role in saving lives

The drug, lidocaine, similar to novocaine, has been found to be effective in subduing heart irregularities following a heart attack and in cutting the frequency or preventing the occurrence of such arrhymthias in the first place.

Another research item is a system being experimented to use the body itself as battery to power artificial pacemakers.

The unit could be made as small as a kidney bean and implanted on the heart, with no wires to break or batteries to replace, as is the case with pacemakers now in use.

With all the heart research and advancement we hear about, we can all take pride and satisfaction in the progress and growth of the medical up-to-date facilities in our community.

Herrick Memorial Hospital Auxiliary recently pledged to purchase new beds for the Intensive Coronary Care Unit to help facilitate better care of patients.

So let everyone stop and think, "it could be me or a loved one in need of this care," and again support the Auxiliary to boost its fund for the Intensive Coronary Care Unit when "Tag Day" is held this year.

Laymen's Banquet Slated for Feb. 22

Paul H. Johnson, a building contractor from Detroit, will be the guest speaker at the Ninth Annual Tecumseh Area Laymen's Banquet Thursday, Feb. 22, at 6:30 p.m., at St. Peter's Episcopal Church.

The combination of a roast beef dinner prepared by the ladies of St. Peter's Church, a timely talk by Mr. Johnson, special music by the Tecumseh Area Barbershoppers, and organ music by Jack Tonneberger should provide an interesting evening.

Dinner reservations will be made by February 19 and are available through laymen of the participating churches.

Mr. Johnson was chairman of Christian Businessmen's Committee for three years and later served a three-year term on the International Board of CMBC. He is presently chairman of the Board of Directors of the Winona Lake Bible Conference and a member of the Board of Trustees of his own church. He is married, has three children, and has lived in the Detroit area all his life.

Ticket salesmen are asked to meet with Harry Farrell, general chairman of the banquet, Monday, Feb. 19, at 8 p.m., in the Episcopal Church.

Parish and Vestry Officers Elected

The Parish and Vestry officers of St. Peter's Episcopal Church were appointed on Monday with the election of Russell Cheever as Senior Warden and Bruce Corle as Junior Warden.

New members of St. Peter's Vestry attending their first regular meeting were Mrs. Wilbur Andrews, Mrs. Rita Blake, Charles Goodacre, Fred Lewis and Mrs. Rosemary Niblack. Mrs. Andrews will serve as secretary of the Vestry.

Continuing their terms as Vestry members are Mrs. Charles Mensing, Glenn Driscoll, William Wright, Seymour Barritt and Norman King. Charles Mensing is Treasurer of the Parish.

The other staff of the parish include Mrs. Russell Cheever, parish secretary Ennis Fruhauf, organist and choir director. The Rev. Frank W. Hawthorne is Rector and the Rev. Russell J. Cooper is Deacon.

PACES ATTACK — Leading Indian scorers in their 72-64 loss to Grosse Ile Friday night was junior forward, Jim Hunt, with seven goals and two free throws for 16 points. Most of his buckets came on 15-footers from the side.

TIPTON BRIEFS

Sunday dinner guests of Mr. and Mrs. Richard Vollmer and Mr. and Mrs. William Vollmer and family were Mrs. Anna Swartz of Adrian, Francis and Dorothy Baker of Adrian and Mr. and Mrs. Clair Force of Fairfield, honoring the birthdays of Claudia and Billy Vollmer.

Steward Bilby of Hudson was a recent caller of his sister and husband, Mr. and Mrs. Fay Dowling. Sunday, Mr. and Mrs. Dowling called on an old neighbor, Clyde Huffman, of Addison.

Mr. and Mrs. Keith Hill of Pontiac were weekend guests of Mr. and Mrs. Bruce Norton and son, Danny.

Mr. and Mrs. Guy Cox and family were guests of Mr. and Mrs. Robert Baker at New Baltimore Sunday.

The Past Chiefs Club will not meet in February.

Mrs. Harold Radant, Truman Sisson, Mrs. Hadsell, Clifford Hardy and Harold Radant won prizes at the public card party held at the K of P Hall in Tipton last Saturday night. There will be another party in two weeks.

Township Board Met

TIPTON—The Franklin Township Board met last Tuesday night for their regular meeting.

John Bratten, County Equalization Director, was present and addressed the Board on "Equalization and Appraisals." William Burchfield was present and spoke on Township roads. They approved a resolution for an April election concerning a franchise for Citizens Gas and Fuel of Adrian, to run gas lines into the township.

Guest Speaker

The guest celebrant and preacher at the 10 a.m. parish communion at St. Peter's Episcopal Church Sunday, Feb. 18, will be the Very Rev. Milton Austin, Dean of the Southwest Convocation and Rector of St. Aidan's Episcopal Church at Michigan Center.

Auxiliary Helps March of Dimes

Assistance to the Cancer and March of Dimes Drives took up much of the time of the members of the Hall-Slater Auxiliary to Post No. 4187 at the meeting recently.

Members voted to give $42 for the Lenawee March of Dimes and President Mrs. Walter Mueller thanked all those who helped with the Mother's March.

They also voted to renew Cancer Insurance on all members.

Anyone wishing to join and have cancer coverage along with the membership may contact a member mentioned in this article.

The Auxiliary members gave $94 to the Cancer Aid and Research program, and a like amount for the Health and Happiness Fund for the National Home at Eaton Rapids.

Mrs. Lloyd Stites, auxiliary cancer chairman and Lenawee County co-chairman for this year, asked that the group host the Cancer-Kick-Off Breakfast here April 2.

The Auxiliary is sponsoring the drive. Mrs. Stites and Mrs. Richard Eisenminger attended the District Cancer meeting at Holiday Inn in Jackson. Lenawee County has a quota of $16,000 for 1968.

New members are Mrs. Art Sommers, Mrs. Eugene Froelich and Mrs. Floyd Sharp.

Mrs. Melvin Wegner asked members to send individual letters to Cong. Marvin Esch and Senator Robert Griffin stating their thinking on the Vietnam situation. She distributed stationery for ten letters.

A report was given by Mrs. Stites on the sixth District Rally held at Dundee last week. Those attending from the auxiliary were Mrs. Stites, Mrs. Walter Mueller, Mrs. Eisenminger, Mrs. Norman Sisty, Mrs. Henry Strand and Mrs. Phoebe Rorke.

The next rally will be in Holt with the Mason Post as hosts, May 5. The auxiliary received a citation from National for having 100% membership by Dec. 31, 1967.

Mrs. Eisenminger, membership chairman, and Mrs. Stites, treasurer, received special ball point pens with the Liberty Bell and Spear head with the flag pledge on them.

Memoriam

In loving memory of my dearest Mother, Mary Pauline Jones, whose 62nd birthday would have been Feb. 17, 1968.
I shall never lose
The sweet memories of the one
I love so much
My dearest beloved Mother.
Forever in our hearts, still
greatly missed by daughter,
Lee Horton, and family. 2-15c

In loving memory of our beloved son and brother, Ricky Frank Horton, whose 19th birthday would have been Feb. 13, 1968.
As we journey toward life's sunset,
Mourning him who went before
Faith keeps saying, "You'll be with him
When you reach the other shore".
Forever loved and remembered by Mother, Dad and Brother. 2-15c

TOO BIG — Bob Solomon, 6'4" center for Grosse Ile, used his height to advantage in scoring 22 points and leading the Red Devils past Tecumseh. Bill Puffer (40) and Jim Hunt (50) of Tecumseh attempt to block his shot here—but it was two points for GI.

GI Is No. 1 Team

Best basketball team in the Huron League — Grosse Ile!

The Red Devils proved its caliber here Friday night, shutting off a late Tecumseh rally to win, 72-64. Only a surge in the final minutes by the Indians prevented the game from being a rout.

Complete control of the boards and a fast break that Tecumseh seemingly couldn't cope with were the two principal factors leading to the Indians' downfall.

Bob Solomon, 6'4", and Tom Lyons, 6'3", dominated the boards for GI against the smaller Indians, particularly in the second quarter when the winners poured 21 points through the nets to just 11 for Tecumseh.

Leading by 14 midway through the final quarter, GI saw its big lead whittle away with the Indians dropping in 11 points to GI's five.

With 2:33 left, Steve Dalton hit to close the gap to eight points. After the visitors scored two, Jim Hunt and Wally Quinn combined for four points, narrowing the margin to six with still 1:11 showing on the clock.

This was as close as Tecumseh could come as GI slowed the game down, and then picked up a couple of free throws by John Hackett to end the scoring.

The second period proved to be Tecu[illegible] as the Indians outscored their opponents in the second half, 39-35. However, GI appeared to be headed for an easy win in the third quarter when the Red Devils stretched their margin to 15 points.

Each time Tecumseh started rolling, GI either broke loose on a couple fast breaks, or Solomon worked himself in close for a short jump shot.

Underclassmen carried the load for the Indians with four scoring in double figures.

Hunt collected 16, Kenny Pieh 15, Quinn 12, and Steve Dalton 10. Bill Puffer, a sophomore, connected for nine.

Solomon paced GI with eight goals and six foul shots for 22 points. John Hackett hit for 18. Lyons managed 12 and Bob Wischer, 5'10" guard who can dunk the ball, scored 10.

Fighting Knights Outscore Deerfield

By GREG KOVACS

The Fighting Knights of Boysville traveled to Deerfield High School to oppose the Minutemen.

Deerfield was the first to put a marker on the scoreboard, but the determined Fighting Knights with a quick basket evened the score. In the early minutes of the first quarter it looked as though it was a scoring spree for each team as the score teetered. The Knights began to fight as if victory meant life and controlled the ball with agility and were just too hot to hold as they dominated the first period 22-14.

In the second quarter the opposing Minutemen of Deerfield began to be a serious threat to the Knights' margin as they became very strong. The Knights found themselves on the short end of the scoring as the Minutemen only let them have 8 points. The power of the Deerfield team became so evident that the Knights had found out that the game would have to be fought for as the score at the half showed that both teams had 30 points.

Neither the Knights or the opposing Deerfield Minutemen were determined to take a defeat as both teams fought desperately to obtain a safe lead. The only lead the each team could get on the other was one point as they both fought in desperation for the lead. At the sound of the horn the Knights had happened to be the lucky ones getting the last chance to score and were ahead 50-49 at the end of the third period of play.

The fourth quarter found the Fighting Knights coming on the floor in determination to bring home a victory and began to fight for the game as hard as they could. With good ball control they managed to keep the Minutemen in check, but not without careful handling as the Minutemen were also looking for victory. Again the game became a scoring spree as both teams began hitting well, but the Knights of Boysville fought harder and found that they could beat Deerfield and at the sound of the final buzzer, the Deerfield Minutemen had fallen to the Fihting Knights by the close score of 70-66.

Elbert Neal starred for the Fighting Knights with 18 overall points.

Score by quarters:

Boysville	22	8	20	20—70
Deerfield	14	16	19	17—66

The Junior Varsity Fighting Knights were also victorious against the Junior Minutemen, taking an easy win, 59-19. Junior Knights turned in the best game that they have had for this current season as they played the strongest defense ever witnessed and also managed to hit for a better percentage of their shooting.

Pam Dabe returned home Sunday afternoon after spending the weekend at Michigan State University. She stayed with her former roommate, Susan Bottorff, of Tecumseh. She spent most of her time with her pearl-mate, Doug Hall, of Ridgeway, who will be a junior at MSU at the end of the term.

Knights Bow to SC High By 20 Points

By GREG KOVACS

The Fighting Knights of Boysville could not get untracked as they took on the Sand Creek Aggies at Sand Creek.

In the first half the Fighting Knights looked like spoilers out to defeat the league leading Sand Creek ball club and outscored them in the first quarter.

The second quarter found the Fighting Knights on their way to another upset, but turnovers and bad ball control plagued the Knights, and the Aggies of Sand Creek were even with them at the half, 23-23.

The second half meant further tragedy for the Knights as the [illegible] Sand Creek Aggies took a slight lead as they began shooting better and the Knights weakened. The Knights perked up and again tied the score but the overpowering of Sand Creek proved to be disastrous. The Knights literally fell apart early in the third period and the Aggies of Sand Creek dominated the game right up until the sound of the final horn and the Knights found that they had again lost a hard fought ball game that they had almost taken, by a score of 64-44.

JV's Lose in Closing Seconds

Two mistakes in the last 42 seconds of the Tecumseh JVs' game with Grosse Ile Friday night cost them victory.

Leading, 49-46, and with control of the ball, a stolen pass by Chuck Mauch narrowed the lead to 49-48, then with 7 seconds remaining Rick Wykiel was fouled and he connected for two free throws to put his team ahead by one point, 50-49, and the Junior tribesmen last another tough game.

Tecumseh led most of the way through the game. Wykiel scored 25 to lead in that category. Bob Reed for Tecumseh had 17 to top Indian scorers.

Fifth Mat Win Posted by THS

One of the brighter lights on the Tecumseh High School Athletic scene of late has been the wrestling team. After returning to a wrestling squad after ten years, thus far the Indian matmen have posted a respectable 5-4 record.

February 8 the team met Monroe Jefferson in a match at the high school gym and came away with a convincing 40-15 victory.

Mary Maynard at 103 won on a pin, 112 saw Abel Valdez pin his opponent, Herb Bagby at 127, Bill Gibson at 138, Dan Anderson with 154, and Jim Parros in the heavyweights also scored pins over their Jefferson opposition.

Pat Murphy took a forfeit in his match, and Carlo Mobley a decision. Doug Swartz wrestling at 180 settled for a draw.

Tecumseh's next match will be with Willow Run Tuesday and will travel to Addison Thursday for a match.

Tories Scalped By GL Warriors

BRITTON — A cold first quarter spelled doom for the Britton cagers Saturday night as they lost to the Warriors of Grass Lake, 77-65, in a non-league contest.

The Tories repeatedly missed the mark early in the game and tallied only four points in the initial period, while the Warriors chalked up 14.

Britton finally got untracked and put together 20, 20 and 21-point quarters, but couldn't catch the Jackson County team. Grass Lake emploved an effective fast break which the Tories couldn't handle.

Dave Fairbanks led all scorers with 24 points for the Tories. Teammates Jim Skelton and Jim Brown added 16 and 12, respectively.

Jack Schroen was high for the winners with 19 points, while Don Kimball and Doug De Verna each added 15.

The Junior Tories also lost, 78-51. Rick Maska was high scorer with 20, and Bill Tuberville added 14.

★

AFTER POSTING five straight wins in 1968, the Tories have dropped their last three games, two of them in league play.

Currently in fourth place in the River Raisin standings with a 6-4 mark, they face Ida at home Friday night and then host Whiteford the following week, to complete the second round of league action. In their final home game, the Tories will host Adrian Catholic Central on March 1.

GAA Varsity Win, 48-12

The Tecumseh GAA Varsity Basketball Team rolled over Onsted Monday night with a score of 48-12.

Jane Beasley paced the "Female Indians" with 16 points, which is her season high. Vivian Williams netted 10 points and Peggy Martinus dropped in eight.

Being parents' night, all players saw action in the game.

Coach Theresa Wells commented, "I think the girls played a real good game. I hope they play that well next week."

Next Monday the girls host Napoleon, the team that posted a 38-33 upset in their last encounter.

Clinton Outpaces Warriors, 78-69

By GINA GREEN

Grass Lake's Warriors were itching for another upset Friday but Clinton's Redskins just were not generous to give them such a treat. The Warriors, who last week knocked off contending Columbia Central, were foiled in a second attempt as they rallied but bowed, 78-69.

Bowing to a big 50-30 margin at the half, it looked like another easy one for the Redskins, enabling free substitution and still maintaining the lead. Then with a late fourth-quarter rally, Grass Lake pulled to within three points of matching Clinton's pace, only to be subdued as the starting five came in to put the game away. Again leading the Redskin charge was All-State center Butch Hoelzer's 27 points and 20 rebounds. Senior guard Jake Schwab swished for 18 markers. Grass Lake was led by Dave Kimball with 14 points and John Schroen who added 12.

Seated on the left is Sonia Linzmayer of Santiago, Chile, and Claudia D'Angelo of Rio De Janeiro, exchange students.

THS Exchange Students

Two exchange students who arrived in Tecumseh four weeks ago are busily learning of the American way of life.

Claudia D'Angelo of Rio De Janeiro, is staying in the United States as a participant of the Youth For Understanding Exchange Program, at the home of Mr. and Mrs. John Hopson and their daughter, Natalie, 13, 413 E. Shawnee.

Miss D'Angelo, who will be 18 in May, is the daughter of an attorney in Rio, Mr. and Mrs. Francisco Eutimis D'Angelo. She has one sister, Helena, 13.

Claudia's likes are much like her American counterparts in the teen-age world. Sundays she likes to go to the beach, the cinema, or listen to music.

Of the many reasons she has for wanting to go abroad, is to know foreign people and habits, to make relations with other persons, to know other countries and their views, mostly to learn.

The young girl from Rio wants to study to become a lawyer with the hopes of entering the diplomatic field.

Staying at the home of Mr. and Mrs. Laverne Moll, 5800 Holloway Rd., Britton, is Sonia Linzmayer from Santiago, Chile. Like Miss De'Angelo, Miss Linzmayer will be 18 later in the year. She is the daughter of Mr. and Mrs. Jose Linzmyer of Santiago, a stock broker.

She has three brothers and two sisters, Jose, 27, Rebeca, 24, Patricia, 19, who is married and has a small child, Carlos, 15, and Guillermo, 11.

The young aunt came to America wanting to know our way of life and to learn to speak English. She wanted to come to Michigan for many reasons, one of which was to see the Great Lakes. Mr. and Mrs. Moll have taken her to see the lakes in Lenawee County and will soon take her to see the Lakes surrounding the state.

Miss Linzmayer likes to ski, read, listen to records, dancing and relaxes playing the guitar.

She wrote to her family that she fits in beautifully with the Molls, as they have three children, Barry, 16, Rodney, 15, and Cheryl, 12.

Miss Linzmayer is interested in studying medicine. She hopes some day to come back to this country for further studies. When she returns to Chile she will have one more semester of school. She will return the latter part of June.

Sonia is also sponsored by the Youth for Understanding organization.

Bride-Elect Is Complimented

BRITTON — Miss Lois Auten was complimented with a pre-nuptial shower Sunday afternoon, given by Mrs. Herman Miller and Mrs. Ronald Leonard at the home of the bride-elect.

The Valentine color theme of red and white was used throughout in decorations and refreshments.

Twenty-seven guests played Bingo, with prizes being awarded to the winners and the guest of honor. Miss Auten was presented with a red and white corsage.

Refreshments of cake and ice cream, coffee and tea were served. The honored guest opened many lovely gifts.

Miss Auten will become the bride of Russell Lutton March 23 in the Congregational Christian Church.

Hair Style Show Planned

BRITTON — The Woman's Society of Christian Service of Grace Methodist Church met last Thursday at the parsonage with Mrs. John Lover, with Mrs. Robert Malloch as co-hostess.

During the business meeting, it was announced that the "Hair Style Show" to be given by Mrs. Jane Thomas, will be held March 11 at 7:30 at the school. WSCS members have tickets to sell, and they will serve refreshments. Proceeds will go to the church building fund.

The World Day of Prayer will be at Grace Methodist March 1, at 7:30 p.m., with the Tecumseh and Macon Methodist churches invited guests.

Items for health kits are to be purchased by the society and given to missions.

Devotions were given by Mrs. Wendell Birdsall based upon 1 Corinthians, Chapter 13, closing with a prayer and the group repeating the Lord's prayer.

The Rev. John Lover presented the program entitled "The Modern Bridge Between Judaism and Christianity." The purposes of the program were to "heighten awareness of some of the basic points of unity of Judaism and Christianity, which are rooted in the Hebrew Bible and in the Biblical understanding of man, and to examine the I-Thou concept of Martin Buber as a basis for effective dialogue between Judaism and Christianity today."

Priscilla Circle Hold Meeting

BRITTON — The women's circles of the Congregational Church met last week.

Fifteen members and four guests of the Priscilla Circle met at the home of Mrs. Mills Swick Tuesday evening, where they heard Mrs. Paul McKenna of Clinton give a moving story of the life of Mary Todd and Abraham Lincoln in her review of the book, "Love Is Eternal" by Irving Stone. Mrs. McKenna was introduced by program chairman Mrs. Donald Berkley. Thelma Younglove gave the devotions from Matthew and an article by Norman Vincent Peale.

Thank you letters were read from the World Relief Commission and the Adrian probate court.

Mrs. Gerald Richards assisted the hostess in serving dessert, which was topped with miniature silk flags.

★

THE WORLD Vision program, and the story of its president, Dr. Bob Pierce, were reviewed at the Golden Rule Circle meeting Tuesday evening by Mrs. Douglas Fairbanks and Mrs. Joseph Hall. World Vision is a non-denominational missionary support program which is especially active in Southeast Asia. Mrs. Henry Brown gave the devotions.

The Golden Rule Circle will have charge of the program and luncheon arrangements for the March Woman's Fellowship meeting, to be held March 6.

Hostesses Mrs. Henry Brown, assisted by Mrs. Ned Brown, served refreshments.

★

MRS. HAROLD Rohrback was hostess for the Sunshine Circle Wednesday at a noon luncheon with 12 members and one guest present.

Mrs. Charles Patterson presented the program, highlighting the lives and careers of Abraham and George Washington, and also read an article on why we celebrate Valentine's Day. She closed with the reading of the Gettysburg Address.

Devotions were given by Mrs. Virgil Bortel with a reading of "Don't Make Waves," by Bob Crane. Thank yous were received from the World Relief Commission.

Mrs. Leslie Downing assisted the hostess.

Methodist Church Pledges Double

BRITTON — "We are well on our way in this important project to provide new and more adequate facilities for the Methodist community in Ridgeway township," stated the Rev. John Lover, at the conclusion of the recent Financial Crusade. "About $43,000 was pledged, which is more than double the present rate of support to the church; $33,000 pledged to the building fund, and around $10,000 to the budget."

The goals of the crusade were several. First, to contact every person who calls Grace Methodist Church his church home. These persons were contacted by mail and by personal calls. About 50 people assisted with the calling.

Second, to make these people aware of the church's program, including current budget and future building plans.

The third goal was to double the present rate of support to the church,and this was exceeded. There were many who said they would not pledge, but would support both funds, indicating that these amounts will go much higher. There are still some out-of-town members and friends to be heard from.

"To begin construction of the new building," continued Rev. Lover, "we would need to have around $70,000, so we are well on our way We feel that to more than double the present rate of financial support was a great success."

District Festival

BRITTON — Band members from Britton-Macon High School received four No. 1 ratings and 16 No. 2 ratings in the District Solo and Ensemble Band Festival held at Addison last Saturday.

Mrs. Sari Rynew, band director, reported that 90 percent of the eligible band members from Britton participated in the event.

Britton-Macon had 21 groups and 5 soloists entered in the various competitions. There were 34 schools competing in the day-long festival.

Linda Seagert and Peggy Taylor received a No. 1 in tenor sax duet; Gary Check and Jim Brown, No. 1 in cornet duet; and Dan Bush and Peter Forgacs, No. 1 in cornet duet.

A mixed brass and woodwind octet, composed of Dan Bush, Peter Forgacs, Mike Bush, Karlene Prielipp, David Bush, Tom Schroeder, Gary Spohr and Jim Bush; also received a No. 1.

Mrs. Rynew, in her first year as director of the Britton band, stated, "It was a wonderful experience — I was very proud of all the students. The judges gave many worthwhile comments for the students, and it was an opportunity for them to hear many other groups as well."

The band members all plan to go to the State Solo and Ensemble Festival on March 23.

Extension Group Presents Lesson On Mexican Food

BRITTON—Two lessons were presented for the members of the Maconette Extension Group when they met at the home of Mrs. Harold Kopka last Thursday evening.

The lesson "Foods and People of Mexico," was given by Mrs. Wesley Gilmore and Mrs. Louis Loesch. The lesson on "Michigan's Health Department and Water Pollution" was given by Mrs. LaVern Weyher.

After the lessons, a luncheon of Mexican food was served. Mrs. Gilmore, Mrs. Loesch and Mrs. Weyher had prepared enchiladas, tacos, bizocochos, mexicanos and quesadillas.

A bowling party will be held in March for husbands and wives. The next meeting will be with Mrs. Keith Swain March 14.

Shower Honors Bride-To-Be

BRITTON — Wedding bells will chime in March for Peggy Tuberville, of Britton, who was the guest of honor at a miscellaneous bridal shower given by Suzanne Kotlarczyk, Linda Mann and Rachael Roberts last Sunday in the Mann home.

Pink and white streamers lent a decorative note to the living room where the guests played games. An elegant buffet luncheon was served from a table centered with a miniature bride.

The seventeen guests who arrived with gaily wrapped gifts for Peggy, were former classmates.

Peggy will become the bride of Richard Skelton, also of Britton, on March 9 at the Church of the Nazarene in Ridgeway.

RICHARD AND DONNA

Richard Seagert Donna Glasgow To Wed in June

BRITTON—Mr. and Mrs. Howard Glasgow of Sidney, Ia., announce the engagement and approaching marriage of their daughter, Donna Eileen, to Richard Ray Seagert, son of Mr. and Mrs. Raymond Seagert of Britton.

Miss Glasgow, presently of Davenport, is a teacher in the Pleasant Valley Community School District. She is a graduate of the State College of Iowa, and a member of Pi Theta Pi local social sorority.

Mr. Seagert is a chemist with Pacific Resin Company. He is a 1961 graduate of Britton-Macon High School, and Adrian College in 1965, where he was a varsity basketball squad member and a member of Sigma Alpha Epsilon social fraternity.

The couple is planning a June wedding.

"READY ON THE FIRING LINE," comes the final command time after time each Monday evening at the Community Center as members of the Tecumseh Rifle and Pistol Club meet. Members of the group take turns calling the commands as the others fire five rounds, re-load and fire another five before checking their targets. Pictured are George Racey, above, Robert Cheers and Jack Curtiss, right, steadily squeezing the trigger for a perfect bull's eye. Mr. Racey has been instructing boys and girls, 11 to 18 years of age, in the art of shooting for a number of years. He has openings for more students to meet Saturday afternoons for shooting. They may register Saturday between 3 and 5 p.m., or call the Racey home, 456-4040. He will be assisted by Don Geringer and his son, David, and Lynn George. The group will start training Feb. 15.

Two Sailors Graduate

Seaman Apprentice Richard A. Nighswander, USN, 20, son of Mr. and Mrs. Gilbert J. Nighswander, 1201 Russell Rd., and Seaman Apprentice Gary H. Dauber, USN, 18, son of Mr. and Mrs. Franklin H. Dauber of 1296 Munger Road, and husband of the former Beverly A. Warnick of 793 Murray Drive, have been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Illinois.

In the first weeks of their naval service they studied military subjects and lived and worked under conditions similar to those they will encounter on their first ship or at their first shore station.

In making the transition from civilian life to Naval service, they received instruction under veteran Navy petty officers. They studied seamanship, as well as survival techniques, military drill and other subjects.

Mothers Club To Keep Fund

At the last meeting of the Young Mothers Club it was voted to keep a reserve fund on hand to purchase baby clothes for needy mothers. This had previously been done by taking money out of the club treasury and by members donating clothes.

The meeting was held at the home of Mrs. Franklin Smith with Mrs. John Stevens serving as co-hostess.

The members voted to hold a card party in March and to include the husbands.

After the meeting the members made Valentine center pieces for the Herrick Nursing Home and refreshments were served.

The next month's hostess will be Mrs. Harold Offland and the co-hostess will be Mrs. Frank Geigler.

News of Boysville

By GREG KOVACS

At the change of the second semester Mrs. Constance Owen was added to the Thomas More High School faculty.

Mrs. Owen graduated from Eastern Michigan University in Ypsilanti in January of this present year. She has a Bachelor degree in Art Education.

She will be teaching all of the Art classes in the renovated De-Paul Hall which has been made into an art studio.

★

Music lessons for the second semester are being given privately by Brother James Bergman, head of the Music Dept. at Thomas More High, in the music hall for those students that are interested. Also he is offering an evening course on Tuesdays and Thursdays that is based on Music Theory for those students who wish to further their knowledge in music.

In his music classes all types of instruments are represented. Among these are saxophone, clarinet, trumpet, piano, organ, drum and voice.

Greg Vogt, president of the Glee Club, announces that the Glee Club and Drum and Bugle Corps are starting preparations and rehearsals for Spring concert which is to be held in late April or early May.

Six or seven of the private music lesson students are busily working on solos that they hope to use for the N.C.M.E.A. District Music Festival which will be held at Immaculate High School in Detroit in the Spring.

Carol Riordan, a student at St. Joseph Academy in Adrian, has been busily writing articles of interest to the Thomas More High School students which are being published in Thomas More's school newspaper the "Campus Info." Miss Riordan had asked if she could write articles for the Thomas More school newspaper and the "Info" was very pleased to have a student from another school take an interest in its publication.

★

Last week, the seventh and eighth grade basketball teams of Thomas More were unable to go to Deerfield and take on the Junior Minutemen because of a flu epidemic that had hit Deerfield.

★

Mrs. Alan Burnett, wife of Thomas More High School head football coach, was recently employed by Boysville of Michigan as a secretary. Mrs. Burnett is secretary to the Director of Admissions and Social Services, Mr. Robert Devlin.

★

Thomas More High School's video tape-recording machine that had been purchased earlier in the year, has finally been returned from the Ampex Corporation with the loose connection in the camera fixed correctly.

The tape-recording device had a problem in recording ever since it was bought and at first it was thought that it was just a "lemon," but the fault was found to be that a loose connection obtained during shipment was responsible for the malfunction.

★

Some sixty of the freshmen students of Thomas More High traveled to St. Joseph Academy in Adrian for a casual dance with the freshman girls. The evening of dancing was enjoyed by the Junior Knights as they made their debut at the Academy, on Feb. 10.

ANNUAL TAX SALE

STATE OF MICHIGAN

SCHEDULE "A"

TAXES OF 1965 AND PRIOR YEARS

In the Circuit Court for the County of Lenawee

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

No. 1969

On reading and filing the complaint of the State Treasurer of the State of Michigan, praying for a judgment in favor of the State of Michigan, against each parcel of land herein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each respective parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March term of this Court, to be held at Adrian, in the County of Lenawee State of Michigan, on the 11th day of March A. D. 1968, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of said term, and a copy of said complaint, and that in default thereof, such lands will be taken as confessed and a judgment will be taken, and process prayed for in said complaint. And it is further ordered that in pursuance of said judgment the lands described in said complaint for which no redemption or sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, beginning 10 o'clock a.m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer; or if such convenient place as shall be selected by him at the county seat of the county of Lenawee, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the judgment shall be separately offered for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest quantity of fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being and shall, on the succeeding day, or before the close of the sale, be offered, and if on such second offer, or during the sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall sell off the same in the name of the State.

Witness the Hon. REX B. MARTIN, Circuit Judge, and the seal of said Circuit Court of Lenawee County this 24th day of January A. D. 1968.

(s) REX B. MARTIN,
Circuit Judge.

Countersigned,
Patricia J. Johnston, Clerk.

Marda Gene Duncan's

Through My Window

WHO IS WHERE

Marion Hayner King does some interesting "Mostly About Nature" things in her column which appears each week in Brooklyn's paper, The Exponent. Just lately she has been reporting the results of her annual "readers' bird count." On a specific Sunday her friends took particular note of who their freeloaders were. As she tallied up the score and recorded the results in recent articles, the bird population thus revealed was surprisingly familiar. It is a peculiar winter all over.

Chickadees are scarce to non-existent everywhere. The gaudy, big evening grosbeaks are not showing up and there are few cedar waxwings. It has been years and years since we have either heard or seen pheasants in the yard and, although the cute striped-head quail occasionally bob through, we have seen none just lately.

According to Mrs. King's information, both species are down from last year. Tecumseh tops the Brooklyn area in grackles, though — of course I realize why none were reported up there. They are all down here! Ditto the cowbirds. For the first time ever I am hearing from Gertie T. about a flock of 23 plus cowbirds who are making a nuisance of themselves in her back yard and raiding her feeder.

★

STARLINGS, mourning doves and juncos are also doing better in Tecumseh. Our doves, by the way, are unpredictable this year — today the gang may be huge but tomorrow there will perhaps be only four or five. They do much moving around — they do much talking, too. On those bright warm mornings last week, the doves were just more than cooing.

It could easily have started us thinking springtime thoughts. Juncos are apparently spotty, they are not necessarily inhabiting familiar haunts but here, along Evans Creek, we are blessed with them and several of Mrs. King's friends reported the same.

Fortunately, cardinals, bluejays, titmice, nuthatches and woodpeckers are in good supply. We are having extra good luck with woodpeckers of all kinds and even their cousins, the flicker and brown creeper, are quite faithful.

One of The Exponent's readers reported squirrel trouble. Her supposedly squirrel-proof feeder wasn't. Via the grapevine, I hear that several Tecumseh residents are having similar difficulties. Mike and Phyl are being consistently out-foxed — no matter what they do, the squirrels manage to raid the food supplies put out for the birds.

My only advice is to "quit fighting city hall" Forget about excluding the squirrels and just enjoy them Really, they are great fun to watch, so speaks a squirrel watcher of many, many years.

★

GETTING BACK to the bird counts — the following information is taken from an article which appeared in a Laurel, Md., newspaper and, what could be more appropriate, was written by a woman named Eleanor Robbins. Perhaps we should all adjourn to Maryland for our bird watching. A dickcissel, house wrens, mockingbirds, catbirds, a brown thrasher, robins and, their cedar waxwings were more down, we probably have theirs, abundant than ever.

The grackle population was too, and of two Baltimore Orioles spotted last year, only one was seen on this count. Well, Tecumseh can help out there, too. Until several weeks ago, a male Baltimore often visited Neil DePuy. My thanks to Mary Jo for the Maryland bird news, I think. Pileated woodpeckers, towhees, bluebirds and the like have me green with envy.

Clara brought me up to date on some recent bird news according to Bud Guest's Sunny Side of the Street Club. The vice-president in charge of Feathered Friend Watching and All Allied Activities checked in with the by-now-familiar lack of usual winter bird news.

In addition to chickadees and evening grosbeaks, he added rose-breasted nuthatches to the absent list. At least there is some comfort in knowing that we are not alone in not having some of these absentees.

So it is that this is the time of year when the bird-count tallies come flying in and we have the fun of finding out who is where.

"Looking Ahead."

GM Presents Progress Show To Students

"We have engineered in the United States the most progressive land on the face of the earth, but many challenging questions remain to be answered by the scientist and engineers of the future."

That message of opportunity was presented to local students when General Motors research-in-action stage show, "Previews of Progress," appeared at Tecumseh High School and Junior High School on Friday, February 9 at 9:35 and 1:40 p.m. respectively.

The non-commercial show seeks to encourage more student interest in science and engineering careers. It was presented in non-technical language by Previews lecturers Mr. Steven Harris and Mr. Stephen B. Gain.

A highlight of the 40 minute program was the Sunmobile, a 15-inch model car that runs on sunlight. Eight button-like solar cells on the car's hood convert energy in sunlight into electricity. A 300-watt lamp, simulating the sun's rays, powered the car across a table top during the show.

Students also saw three fuel cells convert chemical energy into electricity. The small fuel cells, made with chemicals during the show in containers the size of paper cups, provided enough power to operate a portable radio.

One way to move heavy loads with little physical effort was illustrated by an "air bearing" platform. A small vacuum-cleaner type motor provided a thin film of air under three large circular pads supporting the platform. This air-cushion reduced friction between the floor and the pads enabling finger-tip movement of the platform carrying about 200-pounds.

Two novel experiments involving "man-made" molecules indicated modern chemistry's contributions to progress. Synthetic rubber was manufactured in a bottle in just one-minute and a foam plastic cake "baked" itself in only two-minutes.

The importance of seat belt protection for vehicle occupants was dramatized by a model impact sled, a device automotive safety engineers have been using to test the structural integrity of car bodies and components.

Other demonstrations in the Previews show covered the use of gyroscopes in modern navigation systems for space vehicles, aircraft and submarines and an explanation of how a gas turbine engine operates.

The Previews team that appeared here is one of seven two-man units now touring the country. About 1,500,000 students and adults will see Previews this year.

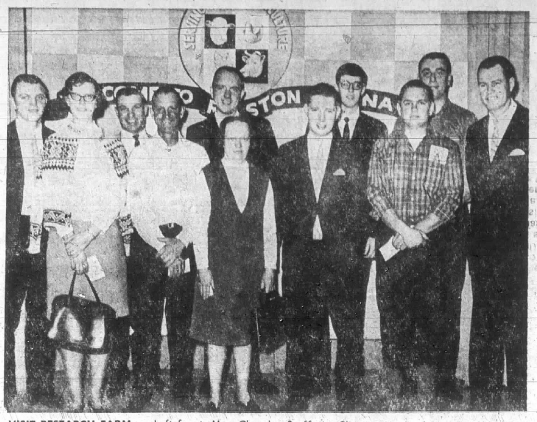
Raul Rodriguez Is Promoted Sp/4

Raul Rodriguez, 23, son of Mr. and Mrs. Juan M. Rodriguez, R. 1, was promoted to Army specialist four Dec. 18 while serving as a fire direction control specialist in Howitzer Battery of the 11th Armored Cavalry Regiment's 2d Squadron at Camp Blackhorse, Vietnam.



VISIT RESEARCH FARM — Left front, Mrs. Char les Steffens, Clinton; Mr. and Mrs. Paul Jedele, Saline; Ron McCaller, Ann Arbor; James David, Tecumseh; William Hamilton, Manchester. Back row, Charles Steffens, William A. Wiedmayer, Saline; Richard Knouse, Manchester; Charles T. Hamilton, Manchester; and Edsel Brooks, Tecumseh. These area residents are shown in the Ralston Purina Company offices in St. Louis, Mo., where, with 350 farmers from this section, they visited recently. They spent a day at the Purina Research Farm at Gray Summit, Mo., seeing the research laboratories. The 778-acre farm is devoted entirely to farm research projects.

Father and Son Banquet Is Held

MACON — The Annual Macon Methodist Church Father and Son Banquet was held in the dining room Saturday evening.

The Women's Society served a delicious fried chicken supper under the supervision of Mrs. Ray Williams. Mrs. Russell Van Valkenburg and the Faith Circle decorated the dining room with fire engines, flames and nut cups to represent the firemen.

The Rev. Thomas Badley gave the invocation, Mr. Guy Zeluff was toastmaster, Robert Haines gave the toast to the fathers. Edward Clark gave the tribute to the sons.

Gifts were presented to Ray Hendershot for being the oldest Father present, Mr. Alex Badley of Port Huron for coming the farthest and Mr. Floyd Rhoades for having the most sons present.

A movie on Science of Fire was shown by Mr. Lester Clark, manager of Dundee-Petersburg Office of Detroit Edison.

The program closed by everyone singing "How Great Thou Art."

School Given Flag

A request for a new flag from Ridgeway School was answered by the Tecumseh Post of the VFW. The flag was presented to the school on Monday, Jan. 29, with Gaza Kish, commander of the local post, presenting the flag to Mrs. Graham Fleming, Mrs. John Surratt and sixth grader, Joe Lopez, accepting for the students.

The new 4x6 flag was given to the school to replace a torn and well-used one, the suggestion coming from the students.

In a response to the gift made to their school, 28 children wrote letters to the VFW thanking them for the flag. The letters spoke of patriotism, how beautiful the flag was, Betsy Ross, of how, "he was a friend of the boy who had his picture taken," how do you take care of the flag and a particular one that spoke in eloquent sixth grade honesty and frankness.

The letter is as follows:

"Dear Sir:

"I thank you for the beautiful flag you have given us. I use to be the guy that put up the flag for Ridgeway but sometimes I forgot and they kicked me off the job.

"Yours truly,

"Scott Sears."

Other students that wrote were: Beverly Miller, Sheila Fredericks, Candie Miller, Joe Lopez, Vickie Perkins, Norleen Swift, Jim Cote, Douglas Lembrick, Deborah Withrow, Jimmy Brown, Cindy Pinter, Floyd Miller, Debra Warren, Kim Slocum, Steven German, Charmaine Griffin, Sue Smith, Samuel Head, Kenneth Thompson, David Black, David Bishop, Sallp Valdez, Louis Ganzalez, Jr., Norma Williams, Debbie Cox, Rosemary DeJonghe, and Curt Brown who puts up the flag now.

Youth Have Bake Sale

A bake sale will be held Saturday in the former location of the Decorating Center in the Adrian Federal Savings building beginning at 9 a.m.

Sponsored by the Senior High Youth Fellowship of the Tecumseh Methodist Church, the proceeds will be added to the fund for their second missionary project. It is hoped the members will help the Navajo Indians in New Mexico or Arizona this summer.

Electricity POWERS Progress

NATIONAL ELECTRICAL WEEK

FEBRUARY 11-17, 1968

DEMONSTRATION!

Reddy Kilowatt is leading a "demonstration."

His "cause." He's for Better Living for all of us, for a Better Community, for a Growing Economy, and for a Stronger Nation.

How will he help attain these goals? Electrically . . . because Electricity powers progress.

Think about it! Isn't Electricity one of the greatest sources of energy for turning American dreams into reality?

How can you get in on Reddy's March to Progress?

You're already in on it! But to enjoy the benefits of Electrical living to the fullest you need Full HOUSEPOWER. Full HOUSEPOWER simply means that your home has enough wires of sufficient size to operate not only all of the Electric appliances and equipment you have today, but any you may want to add in the foreseeable future.

Ask your appliance dealer or electrical contractor about the SPECIAL ALLOWANCE for increasing your Electric service entrance capacity.

GHOSTLY PORTICO — Grecian pillars were still standing in icy splendor after Sunday's fire in Clinton, recalling the 123-year history of the red-brick mansion. Mist from tons of water, sprayed on the burning building, coated trees, bushes and firemen, who battled the blaze for five hours. Firemen had to return again Monday afternoon.

FFA Hold Banquet

The Tecumseh FFA held their twenty-seventh annual parent and son banquet on Monday, Feb. 12.

The high school cafeteria was decorated with hyacinths, daffodils, and crocuses which the boys forced in their new greenhouse.

Southern fried chicken was prepared by the students' mothers. John Kotts raised the chicken as an FFA group project.

Charles Wagner gave the treasurers report. Bill Mukensturm the commercial sheep chain report, and John Kotts gave a report on the broiler project.

Robert La Prad, Coordinator of Agricultural Technology Programs at Michigan State University, showed slides and discussed "Technical Training Programs for High School Graduates."

Mrs. Kenneth Munger is president of the Mothers Club. Mrs. William Sisson is vice-president, and Mrs. Carlton Stretch, secretary-treasurer.

Paul Burns is the adviser to the Tecumseh Future Farmers of America.

PTA to Sponsor Britton-Macon Card Party

BRITTON — The annual benefit card party, sponsored by the Britton - Macon PTA for the March of Dimes, will be held February 22 at the school at 8 p.m.

Mrs. Rosemary Niblack is general chairman.

One dollar donation tickets are available from Mrs. Niblack, Mrs. James Arft, Mrs. Richard Bruce, Mrs. Ken Bortel, or may be purchased at the door.

Prizes will be donated by local businessmen. Refreshments will be served.

DAR Girls Honored

Good Citizenship girls and their mothers were guests at the meeting of the Abi-Evans Chapter, DAR, Friday afternoon at the home of Mrs. Charles Mensing.

Mary Burns and Mrs. Paul Burns representing Tecumseh High School, Ilene Perry and Mrs. Peter Perry of Britton-Macon and Cindy Mohr and Mrs. Robert Mohr of Clinton and Cindy's grandmother, Mrs. Waldo Mohr, all were present.

Regent Mrs. Arthur Brown conducted the meeting as Mrs. Mensing presented the girls with special DAR pins, the chapter's recognition of their outstanding qualities. Each will receive a copy of the book, "The DAR Story," through the mail.

Mrs. Cecile Smith, Mrs. Ellsworth Robison and Mrs. Mensing were nominated to select a slate of officers for the coming year.

Announcement was made of the state convention at Hotel Hayes in Jackson March 12, 13 and 14 with the local chapter serving as one of the hostess chapters.

Mrs. Edwin McClain presented "American Indians," a DAR special project, as the program. She called attention to the need of the Navajo's during and since the recent snow storms and said that money has been sent by the Methodist Church for the relief of the Indians.

She also reviewed the book, "Indian Lore" by Wendell Lamb and Lawrence W. Shultz. It stated that Oklahoma has the largest population of Indians

Mary Burns told of her experiences in Mexico this past summer.

Mrs. Richard Carter poured tea and served cakes.

The March meeting will be held at the home of Mrs. Fay Whelan.

Britton-Macon PTA To Hear Drama, "The Glass Wall".

BRITTON — The February program of the Britton-Macon PTA will be presented by the Rev. John Lover, pastor of Grace Methodist Church, Feb. 19, at the school.

The program will include the reading of the play "The Glass Wall." Those participating will be members of the young adult Sunday School class of Grace Methodist Church.

"The Glass Wall" is a play by Nora Stirling dealing with the importance of maintaining sound communications among family members. When communications break down, people are unable to cope with every-day problems. The family in the play could represent any family in our community or among our friends.

A sound religious program by a local church is indicated, to prevent serious moral problems. However, the lack of communication can also be seen in a church's youth ministry which does not meet the needs or answer the questions facing the young people of today.

A question and answer period will follow if time permits.

'Devil's Paradise' Is Sermon Topic

BRITTON — The sermon subject for the morning worship service of the Bethel Baptist Church is "Devil's Paradise."

The schedule for the day is Sunday School at 10 a.m., worship service at 11 a.m., young peoples and adult Bible study at 6:30 p.m., evening service at 7:30 p.m., and Cantata practice at 8:30 p.m.

The Rev. Duane McNeil will speak on "A Tepid Temple" at the 7:30 p.m. service.

Mid-week prayer meeting is Wednesday at 7:30 p.m. This will be led by James Squires in the absence of the pastor, who, with his family, will be attending the ninth annual Seminary Conference at the Grand Rapids Baptist Bible College and Seminary in Grand Rapids.

Others attending from the church are Mr. and Mrs. Art Mann and Mr. and Mrs. Alva Clark. Several of the young people will attend for one of the sessions which begin Feb. 19, and continue throughout the week.

Lincoln Dinner

Hugh Walter, Republican area representative for District Two, urges all local Republicans to attend the Lincoln Day dinner at Siena Heights Thursday evening.

Tickets are available from Mrs. Ned Baldwin, Mrs. Stella Hubbard or Sheriff Richard Germond.

The engagement of Julie Ann Mudgett to John P. Phister is announced by her parents, Mr. and Mrs. Ford Mudgett, 1220 W. Maple Ave., Adrian. Julie is a graduate of St. Elizabeth's School, Tecumseh, and St. Mary's Academy, Monroe. She is a junior at Michigan State University. Mr. Phister is the son of Mr. and Mrs. L. C. Phister, 1052 W. Maumee St., Adrian. He is a senior in pre-law at Michigan State University. The couple has chosen June 22 for their wedding date.

Macon CC Luncheon

MACON — Mrs. Dean Moore will entertain the Macon Community Club Tuesday, February 20, with a cooprateive luncheon at noon. Each member is to bring a friend and something to contribute to the program. The Dean Moores are living at 9840 Clinton-Macon Road, formerly the Clayton Bigelow home.

Mrs. Robert Kerr and children left by plane Tuesday for Warren, Pa., to visit her parents, Mr. and Mrs. Augusta Bova, and other relatives. The family will return with her husband by car Wednesday.

Mr. and Mrs. John Young, Mr. and Mrs. Albert Williams of Tecumseh and Mr. and Mrs. Worthy Swift of Palmyra were supper guests of Mr. and Mrs. Carl Schneider of Riga Friday. Mr. Schneider is Mrs. Young's brother.

Mr. and Mrs. John Young visited Mrs. Hazel Blessing and Mrs. Amelia Engel of Monroe Tuesday.

Mrs. Walter German entertained at a luncheon at her home Wednesday. Guests were members of the Women's Association. After a business meeting, members sewed for the missions. In the evening the Class Party of Holloway Presbyterian Church was held at the German home.

Donald E. Mitchell was elected state president of the Michigan Association of County Drain Commissioners at the annual meeting in Lansing Friday. Mr. Mitchell has been Lenawee Drain Commissioner for eight year.

Mr. and Mrs. Arnold Reister and family of Sand Creek and Rolland Reister of Adrian, were dinner guests of Mr. and Mrs. Wilson Sawyer Sunday.

Ruhl Wotring and Bertha Kafer of Gorman, were Sunday afternoon callers at the Wilson Sawyer home.

Woman's Club Is Luncheon Hostess

MACON — The Woman's Club was the hostess for the Lenawee County Federation of Woman's Club Officers last Thursday. Mrs. Lilburn Burleson, Mrs. Floyd Barrett, Mrs. Peter Golema and Mrs. William Gibson served a chicken luncheon to 31 members and guests. There were nine county officers present.

Mrs. Charles Gorton Sr. gave the devotions, using "The Talents of David" as her theme. Mrs. Warren P. Van Orten of Adrian entertained the group with "Analogy of Paul Revere." She is Chairman of Health and Welfare for the county.

A surprise clothing shower was held for underprivileged children of Lenawee County.

QUESTION:
"If we were to meet a funeral procession on a main street or highway, should we stop and wait until all cars in the procession have passed us?"

ANSWER:
Traffic officials suggest that oncoming cars use caution by slowing down on speed, but urge motorists not to stop unless they are interfering with the forward progress of the funeral procession.

Redskins Feel Saline's Sting

By GINA GREEN

Tuesday night the Clinton Redskins felt the sting of Saline's Hornets, 62-53 in a non-league battle. It was the Redskins' second loss in fourteen tilts.

Jumping to an early lead, the Red squad was unable to stop Saline's surge which overcame Clinton's 35-31 halfway lead. Fourteen Hornet markers to the Redskins' six in the final quarter clinched the game for Saline. They were led in a balanced scoring attack by Fred Franz with 13 points and 12 each from Gary Ferguson and Dale Wilson.

Butch Hoelzer led all scorers with 20 points, with help from Redskins Jake Schwab with 16 and Mike Jurasek's 10 tallies.

Township Board Discusses Junk Auto Problem

CLINTON — Methods of controlling the problem of junk cars were discussed by the Clinton Township Board at a meeting last Monday.

The board wishes to use the power of the ordinance only as a last resort. Therefore, it is appealing to those having the accumulation of junk cars and other discarded refuse on their property to clean it up at once.

The clerk was directed by the board to obtain opinions in writing from the local Veterans organization and the Michigan Townships Association concerning the proper length of time Memorial Day flags are to be left on graves.

Other matters discussed included housetrailer permits, condemned property, building permits and a review of new legislation.

Shower Tuesday For Mrs. Werth At UCC Church

CLINTON — The Woman's Fellowship of the United Church of Christ will host a miscellaneous household shower for Mrs. Harry Werth at the church Tuesday, Feb. 20, at 8 p.m., it was announced by the president, Mrs. Robert Vogel.

All the church women and friends of Mrs. Werth are invited.

All of the Werths' linens, china, and kitchen equipment, as well as their apartment furniture, were lost in the fire Sunday at the Smith-Kimball Community Center.

Baptists Host Local Cub Scouts

CLINTON — The Clinton Baptist Church was host to the local Cub Scout troop, Sunday morning, in observance of National Cub Scout Recognition Day.

Accompanying the troop was Cubmaster John Shear, District Counselor, Wayne Balliet; Webelos leader, Wilber Reiser; Den Mothers, Mrs. John Busch, Mrs. John Eddy, Mrs. Junior Feldkamp, and Mrs. Douglas Blasius.

Church members voted to make a monetary donation to the Cub Scouts.

American Legion Orders Poppies

CLINTON — A white elephant sale was a diversion at the meeting of the American Legion Auxiliary last Tuesday, at the Community Center.

Members decided to order 1,400 poppies for the May Poppy Days, and voted a sum of money for the March of Dimes.

A Valentine theme was used on the refreshment table by the hostesses, Mrs. May Treat, Mrs. R. C. Stauffer, Mrs. Lena Stein and Mrs. Wendell Smith.

The next meeting will be March 5 at the center.

Gary Couture Has Enlisted

CLINTON — Gary Couture has enlisted in the Army and left Sunday for basic training at Ft. Knox, Ky. He expects to be sent to Ft. Lee, Va., for special training in memorial activities.

Gary has been employed at Proctor Funeral Homes for 2½ years.

His wife, nee Sheryl Olson, is attending Ferris State College, Big Rapids. His parents are Mr. and Mrs. Kenneth Couture.

Ancestor Data Not in Library

Editor's Note: Clinton history buffs may be able to answer an inquiry which has been received by the Lenawee County Library and forwarded to the Clinton Township Library. Clinton librarian, Mrs. Janet Welch, reported that she was unable to find any specific reference to the people mentioned in the letter in any history books in the library.

Dear Librarian:

My ancestors, Pontius Hooper and Lydia (Clark) Hooper lived in Clinton, Mich. Their daughter, Hannah, married Allen D. Hurd.

Allen D. Hurd was a school tacher and farmer.

I received recently some notes taken from Michigan Historical Collections at McLean County History Museum, from a cousin in Bloomington, Ill.

Vol. 2, Page 386: First school teacher in Clinton, Mich., says, "I got along except to one of the sons of Pontius Hooper at whose hotel I boarded, etc. That was 46 years ago. Last I heard of him he was in Illinois keeping a hotel. Written Feb. 7, 1878."

Forty-six from 1878 would have been 1832. Evidently Allen D. Hurd hadn't married Hannah as yet by boarding in the hotel.

Lydia (Clark) Hooper is buried in Clinton cemetery.

Can you please find me any data on this Hooper and Hurd family? If so please advise me as to cost in getting a copy of records.

I would especially like a marriage record of Hannah Hooper and Allen D. Hurd.

Their oldest son, John Henry Hurd was born in Lenawee County 1832.

Do you have any history of your Clinton first school and Hooper Hotel?

Any help will be greatly appreciated.

Organizations Offered Space

CLINTON — Churches in the village have offered the use of their facilities to organizations who are left without a meeting place since the loss of the Smith-Kimball Community Center.

St. John's Lyster Hall is available by calling the Rev. Charles Sturm, 456-4828, or Mrs. John Mabry, 456-4640.

The dining room and kitchen of the United Church of Christ are available by calling the Rev. Paul McKenna, 456-4363, or Parish Chairman, Mrs. Clyde Greenfield, Jr., 456-4745.

Last to Meet At Clinton CC

CLINTON — Members of the Clinton Baptist Church held a potluck summer meeting and program in the Smith-Kimball Community Center, the last organization to do so before the disastrous fire Sunday.

The supper was followed by a spiritual chalk talk by Mrs. Clark Pearson, accompanied by gospel singing by Mr. Pearson, of Tecumseh.

Clinton Game to See Faculty Face Canadian Team

The Clinton High School Faculty will meet Canada's Harlem Diplomats in a basketball game at the Clinton gym Feb. 17. The game is being sponsored by the Clinton cheerleaders to raise money to send them to cheerleaders' camp and to buy new uniforms.

Many people refer to the Diplomats as Canada's version of the Harlem Globetrotters. The team played in eight countries last year.

The Diplomats boast of two comedians, Vernon "Showboat" McDonald, a young player known for his ball handling ability, and Johnny "Lark" Moore, known for his baseball ability as well as basketball.

"Showboat" McDonald, with a rare assortment of shots from set shot to drop kick, is referred to as "Mr. Diplomat." "Lark" Moore, who attended Ohio State, has great dribbling ability and passing skill. He is a favorite of the fans.

Tickets are available from any cheerleader and are priced at $1.75 for adults and $1.50 for students. Game time is 8:00 p.m.

WSCS Presented African Program

CLINTON — Africa was the subject for an interesting program presented by Mrs. Roy Williams for the meeting of the Women's Society for Christian Service at the Methodist Church last Monday.

Recorded African music provided background for the presentation.

A sum of money was voted to the building fund, at the business meeting conducted by Mrs. Charles Knight Sr.

It was reported that 54 calls had been made to the sick and shut-in during the month.

The WSCS will have charge of the annual Father-Son Banquet, Feb. 26. The banquet program will feature a State Police Trooper Ed Kayser and his tracking dog, Odie.

Paving Bids Requested

CLINTON — At the regular meeting of the Village Council, last Wednesday, it was voted to request bids for paving Edgar and Coman Streets, and paving the south alley behind the business block.

Bids are also to be requested for a new pickup service truck for the light department.

Bids will be opened at the March meeting.

Plans were made to have Kehoe Rd. surveyed and it will be properly laid out and graded to the east village limits.

Chrysler sales have climbed for eight straight years. And for 1968, we know it's going to be "business as usual"—strictly on the upside. You see, we have 15 beautiful new Chryslers to choose from. At prices that start just a few dollars more a month than some Fords and Chevys, comparably equipped. Besides, we like the look of our sales curve so much we'll do most anything to keep it climbing. So drop in and move up with us. Test price the best of the big ones — Chrysler '68.

Kronbergs Tour Silver Springs

Mr. and Mrs. Howard Kronberg, 9440 Tipton Rd., Tipton, were recent visitors at Florida's Silver Springs where they explored the exciting mysteries of the underwater world through the magic of the famous Glass Bottom Boats.

Silver Springs comprises the largest group of natural springs in the world and has, for years, been known as the underwater film capitol and home of such famous TV subjects as Sea Hunt, The Aquanauts and many other feature pictures.

They began their trip Jan. 6, 1968, and expect to return home in April, after touring other places of interest in Florida.

Scout Troop 76 Selects New Patrol Leaders

On February 5, Troop 76 selected new patrols and patrol leaders.

Patrol 1 chose the name "Deb-Mic-Ther-Lis-Cin" for their group. (The syllables represent the first letters of each girl's name.) The scouts are working on the Troop Dramatics Badge. Debbie Burkhard was elected Patrol Leader.

Patrol 2 will be known as the "Agonizing Alligators." They, also, are working on the Troop Dramatics Badge. Krystal Merillat will serve as Patrol Leader.

Patrol 3 members are "Happy-Go-Lucky Girl Scouts." Under Linda Naugle's leadership, the girls will be concerned with The Writer badge.

The troop is anticipating the skating party scheduled for February 10, and it is ready to sell quantities of Girl Scout cookies during the campaign which begins on February 12.

Men's Club to Hear Race Car Driver

Marv Pifer, a race car driver, will be the featured speaker at the February 21 meeting of the Men's Club of the Tecumseh Methodist Church. His presentation will include a film of the famous Indianapolis Speedway with which he has been associated.

Attendance at these meetings has been increasing and William Norris, president pro tem, states that such programs as this one are responsible. All men of the church are invited to the Fellowship Hall at 7:30 p.m.

OUR READERS WRITE

TO THE EDITOR:

My sister, Mrs. Josephine Hagen, Falls Church, Va., gave me my subscription to The Herald last year for a Valentine Gift. I enjoy reading the paper very much and look forward to receiving it every week.

My father, Ernest Daisher, celebrated his birthday anniversary on Valentine Day.

I do miss my home town and all my friends and relatives that are still in Tecumseh. How Tecumseh grows I'm now 78 years old and recall those happy days on Celery Farm and in Tecumseh.

I still live and work in Toledo and walk two miles on many a day. Good luck to The Herald.

Sincerely,
Miss Elsha Daisher
2804 Laurence Ave.
Toledo, O. 43610

To The Editor:

Congratulations! My seeing a PICTURE of the Britton Tories in action is a rare sight — but very well appreciated. And also the write ups of their games these past few weeks have been stimulating. As an ex-cheerleader and one who cannot enjoy the exciting games first-hand, I certainly appreciate any and all the support your paper gives our boys. I'm right behind them too, cheering for their victory in the league tie.

Thanks again for the write ups and the picture. Keep up the good work!

A fan,
Mrs. Larry M. Robison,

VIVIAN OTTO

Vivian Otto Speaks to Mission School

A Methodist missionary educator to Rhodesia, Vivian Otto, will be the guest speaker Sunday at the third session of the Mission School held in the Tecumseh Methodist Church from 6:30 to 8:15 p.m.

Miss Otto, whose subject will be "The Church Today In Rhodesia," is presently on a year's furlough from active missionary service.

Since 1948 she has been serving primarily as a teacher for training in schools at Old Umtali, Mutambara and Nyadiri — all in Southern Rhodesia. From 1958 until 1966, she also served as headmistress at various schools there.

Born in Saginaw, Miss Otto is a graduate of Eastern Michigan University and Asbury Seminary. She also has studied at Yale University and Garrett Theological Seminary.

Her message will be a part of the well-attended general portion of the Mission School. Following her talk to the adults and youth, who will adjourn for individual teaching sessions, Miss Otto will present a talk to the children's division.

Participating churches in the school include Clinton, Macon, Ridgeway and Tecumseh.

A nursery is available for young children.

Friendly Class Hold Meeting

Fifteen members and one guest, Mrs. O. M. Powll, attended the Friendly Class meeting of the Friends Church Feb. 6 at the home of Mrs. Oscar Mead.

Mrs. Bertha Hoag led the devotional period including the recitation by all of Psalm 23.

Mrs. Roland Mohr presented a program centered around two great Americans, Lincoln and Washington. She read a Valentine poem also.

Mrs. Charles Manley Sr., Mabel Lockwood and Mrs. Perry Hayden were awarded small gifts for winning in Bible quizes.

Mrs. Mohr read "A Morning Prayer" and fruit dessert was served by the hostess assisted by Mrs. Manley.

Ticket Is Dismissed

A summons for failure to yield the right of way issued to Glenn Kinney of Clinton, Jan. 24, was subsequently dismissed upon further investigation by Tecumseh police.

Kinney was southbound on N. Evans St. and started to make a right turn into the Riley behind the bank, when a car driven by Cass J. Duke, 50, of Grosse Pointe Park, in the left lane, beside the Kinney car, also started to turn right into the alley.

Marvin Esch Demands Answers about Pueblo

U. S. Representative Marvin L. Esch (R.-Michi) today released the contents of a letter he sent to President Johnson. The letter demands answers to 14 questions concerning the Pueblo incident and recent developments in Vietnam.

The full text of the letters follows:

"I write to you today as a concerned citizen and as a Congressman — concerned over the crisis of confidence so evident in our nation today. Mr. President, the communications from the people of my District, and, indeed throughout the country, reflect the doubt and the concern of a people who are willing to believe, yet do not know what to believe.

Certainly this country is willing to support their Chief Executive in a time of grave international conflict, yet the people are losing faith and confidence in the face of great differences between what is said and what appears to be happening.

"It is in this context that I write, urging you to give an immediate and full reply to the questions below. These questions reflect conflicting testimony and statements by members of the Defense and State Departments and White House officials. They arise not only out of the seizure of the Pueblo, but also from the greatly increased activity and strength of the widespread enemy attacks in South Vietnam. To this date, neither the public utterances by you or these two departments have provided satisfactory information. Moreover, the private briefing which was afforded to Members of the House by the Department of State on January 31 was a sham.

"Although many inquiries have been answered in a piecemeal fashion, during the past few days, I firmly believe that clearly-delineated and well-supported replies to inquiries, such as these I make, are demanded if your Administration can hope to overcome the crisis of confidence rampant in our land today.

"Recognizing the limitations of military security, I request that you make public your replies, wherever possible, and where not possible that you present your answers to Members of the appropriate committees in the Congress.

"1. Was the Pueblo in international waters when she was seized? Had she previously intruded on North Korean Territorial waters? There was direct conflict in the U. S. position between the first statement by Ambassador Goldberg before the United Nations that we had 'never' intruded on Korean territorial waters and the subsequent doubts raised by Mr. Rusk and Mr. McNamara on February 4. If there was serious doubt, as reflected in the Rusk-McNamara statement on February 4, why did we take a categorical stand before the United Nations indicating otherwise? Does this not lessen our stature among other nations and reduce our ability to deal with them on a basis of mutual trust?

"2. It has been reported that there were a number of clear warnings that action of this type might be taken by the North Koreans. In light of this, what action was taken to prevent this incident? Were contingency plans made to handle a renewal of hostilities in Korea?

"3. There have been seemingly contradictory statements by Ambassador Goldberg and Secretary Rusk regarding the nature and frequency of communications between the Pueblo and American sources before and during the capture. What was the exact nature of those communications from the first approach of the North Korean patrol boats until the docking at Wonsan Harbor?

"4. It has also been charged that high government officials with decision-making power were not informed of the crisis until the capture was a fait d' accompli. What provisions are made for delegation of authority to protect our forces, or to assure that decision-making officials are promptly informed?

"5. There has been considerable concern regarding the valuable monitoring and top secret equipment aboard this vessel. Were provisions made to destroy sensitive equipment? Have any efforts been made to prevent the North Korean government from conducting salvaging operations at the site of the seizure or have we attempted to salvage the equipment ourselves — both to protect the secrets it may contain and to prove the location of the seizure?

"6. Is there any definite evidence to connect the Pueblo incident with the greatly stepped up Viet Cong activity and attacks? Was this an effort on the part of the Communists to divert our attention and to sap our strength in Vietnam?

"7. Is there any information which leads to the supposition that further Communist aggression and incidents are to be expected in other SEATO nations?

"8. Do you envision any changes in policy regarding the protection and armaments and deployment of other intelligence ships?

"There are also serious questions regarding the stepped-up Communist activity in South Vietnam, the Viet Cong capture of a number of provincial capitals, and the apparent failure of the Thieu government to maintain the stability of South Vietnam.

"9. To what degree does the current crisis in South Vietnam reflect the lack of political and military stability? How could our previous assessments, including your optimistic account in your State of the Union address, be so inaccurate?

"10. Why do discrepancies in casualty figures continue to exist? What assurances do we have that the number of 'enemy' killed does not include South Vietnamese civilians? Are we to believe Defense Department spokesmen in Vietnam who have consistently maintained that the casualty figures were actual body counts or Mr. McNamara's admission that they are only our best estimates under battle conditions?

"11. Has there been a direct effort to minimize the civilian casualties during the past several days? What action is being taken to relieve the suffering and hardships of South Vietnamese and restore the confidence of the people in the ability of the government to defend them?

"12. The summary trial and execution of a non-uniformed Vietnamese shown on American television last week is appalling to the American conscience. In what way are we working with the South Vietnamese government to demand that the Geneva Convention articles regarding prisoners of war be observed? I fully recognize that there are atrocities perpetrated upon American military personnel and Vietnamese civilians by the enemy, but do not believe that this gives us the license to commit or condone willful atrocities of our own or of the South Vietnamese.

"13. Reports of widespread corruption, extensive blackmarket dealings and failure of the government to heed the need for social reform are commonplace and have not been contradicted. There is also deep concern about the failure of the Thieu government to commit its own troops to battle and the extensive practice of South Vietnamese young men avoiding military duty by bribing their way out. These problems have grown worse, not better, through the four years of the war. What, if any, action has the South Vietnamese government taken to correct these deplorable situations?

"14. Are we, or are we not, continuing private negotiations with North Vietnam regarding possible settlement of the Vietnam conflict? The statement by the Secretary of State on February 4 implies that we have broken off all diplomatic contact with the North. Is this a correct assumption?

"Mr. President, while 500,000 American young men serve their country in the cause of freedom in Vietnam, the events of recent days raise serious questions as to the reasons for which they serve. If the cause for which they are fighting has not brought about the beginnings of a stable and free Vietnam—free from corruption, free from fear, and free from authoritarian executions — they surely serve in vain. If the South Vietnamese do not have the will to survive as an independent nation, surely our defense of that independence is in vain. If our government cannot be forthright and honest in its communications to the world and to its people, then surely our troops serve in vain.

"Such a crisis demands an answer."

Rumpf Honors Truck Drivers

Rumpf Truck Lines surprised four truck drivers Saturday noon at a Safety Award Luncheon at Leutheusers Restaurant in Saline.

Drivers and other personnel know only that the company was having a safety meeting, but did not know that recognition was to be given four drivers.

Richard Upell, 1206 Murray Dr., received the top award for driving 20 years without an accident. Officials estimated that he has driven over a million miles without a mishap.

Another outstanding driver was Bill Sisson, driver for Rumpf's for 17 years and also without an accident to mar his record. The company says he has driven about 300,000 city miles over the 17-year stretch.

William Pagel of Blissfield and Robert Pate of Toledo also were honored for 18 and 15 years of non-chargeable accidents.

Carl Rumpf, safety director, presided at the session, and Marvin Rumpf, truck line president, presented the awards — plaques, certificates, and pins from an insurance company.

Upell's record almost earned him state recognition by being named "Driver of the Month."

Saturday's event was the first of its kind for Rumpf Truck Lines, which now plans to hold the event annually.

The Tecumseh trucking firm employs 52 drivers and maintains terminals at Toledo and Ann Arbor, besides the home office terminal here.

It operates 50 tractors for 120 trailers, and serves the Toledo-Tecumseh-Ann Arbor area.

Bauer Manor Is Expanded

"It should be completed in two weeks," said Mrs. Kenneth Van Doren of Bauer Manor Wednesday as she told about the new dance floor being added to the century-old stage coach inn on Evans Lake.

The new addition is 42 x 36 feet with 400 square feet devoted to dancing. The banquet room will seat 175 and has a large wood-burning fireplace, measuring 12 feet across, and a bar.

After a grand opening the fore part of April, music for dancing will be provided nightly from 9 p.m. to 1 a.m.

Mrs. Van Doren hires college students as waitresses during summer vacation, and will be needing some extra help this year, she said.

The enterprising "inn keeper" is already taking reservations for private parties for early spring and summer.

Fire Calls Galore

The Tecumseh Fire Department is ahead of last year in the number of calls which it has answered. As of Feb. 21, the department had answered a total of 21 fire and emergency vehicle alarms.

Trash burners and false alarms dominated the scene during the past week. Thursday, steam from a clothes dryer caused neighbors alarm at Kilbuck and Union. An investigation of the scene indicated no damage.

Friday afternoon the firemen were called to 1100 Willow Ct. where a trash burner set a small area of grass afire.

Shortly after the Willow Ct. alarm, the firemen were called to the Keith Bailey Motor Sales, 1207 W. Chicago Blvd., where another trash burner had set the field at the rear of the auto sales showroom on fire. Neither grass fire reported any damage.

Also on Friday a false alarm was sounded at 402 Outer Dr. An investigation showed only an over-heated oven as the result.

Sections of City Hit by Blackout

Shortly after 11:00 p.m., Tuesday parts of Tecumseh experienced a black-out due to a power failure.

Areas concerned in the black-out were from Evans St. downtown on both sides, and north of Kilbuck.

There were parts of the area which were in darkness until nearly 2:15 a.m., however, the downtown portions on Evans St., were in the dark for only approximately 15 minutes while repairs were made. One phase of the three-phase line was out for the entire three-hour period.

Consumers Power Co. officials placed the blame on a mechanical failure caused by the cold weather putting added stress on weakened conductors which the power company had no way of detecting.

Commission to See New Master Plan At March Session

A preliminary master plan for development of Tecumseh will be presented at the March 12 meeting of the Planning Commission.

Developers and planners are city consultants, Vilican-Leman and Associates.

Reviewer Praises 'Finian'

By ELLEN MASON

"Talent is bustin' out all over" when the Tecumseh Players present their new musical "Finian's Rainbow" in the Glass Room of the Community Center.

Roses to Peg Geiger, Betty Flanders, Diana Harbaugh, Patti Mull and all the production staff! The job of casting was handled by experts. Not always do the players fit their parts so well.

A third dimensional effect was cleverly achieved in the fanciful setting of Rainbow Valley. The charming flower and fence background made the purple tree even more fantastic.

Choreography and costuming could easily rival anything done in larger cities.

The plot evolves around Finian McLonergan, an eccentric Irishman played by Craig Collicott, who tries to get rich quick by planting a pot o' gold. Mr. Collicutt has the ability to delve deeply into the Finian character and make the audience feel as he wants it to feel.

Mr. "O' Me Arthritis" Finian does a fine piece of acting in Act I, Scene II, when "under the influence" he sees Og, the leprechaun, for the first time. We would be privileged to have Mr. Collicutt return for future productions.

Chuck Wilder, portraying Og, was as cunning a leprechaun one could hope to meet. Also an actor of top quality, his "doom and gloom" lines were a riot! The tryst with Susan the Silent in the wooded section of the hills was cleverly handled.

The fragile and exquisite Susan was convincingly played by Linda Yoder.

Romance blossomed when Sharon, Finian's daughter, laid eyes on Woody Mahoney, a handsome resident of Missitucky. The Irish lass was acted by pert and pretty Janie Tinker, who possesses a ringing musical voice, especially nice in the higher register, in addition to her acting ability.

The most refreshing, unforced vocal work was done by Dick Egli as Woody. Although light, his voice was used correctly, and was nearer a true vocal line. Dick's charming personality suited the part — again, fine casting.

A seasoned player, evident to any novice, was Dick Hammel. He jumped into the ribald Senator Billboard Rawkins character with both feet, regardless of skin color. His song and dance routine with the Passion Pilgrim Gospelers "begat" the huge applause it deserved.

The Gospelers, Clifford Reynolds, A. J. Hines, and Nick Carroll from Boysville performed like veteran showmen.

The best laugh of the evening was produced by another young man from Boysville, Gilbert Jackson as Howard, Larrayal Mack from Boysville was the Second Geologist.

The character performances of Buzz Collins (John Raymond), the Sheriff (Dick Boyd), the Preacher (Erven Schotka), Third Sharecropper (Dorothy Wetter), and Henry (Willard Southwell) were most commendable.

Special mention must be given to Joe Cherry and Jaci Dage, Sharecroppers, for staying in character throughout the performance.

For the most part, the chorus blended well. "When the Idle Poor Become the Idle Rich" and "On That Great Come and Get It Day" were favorites.

Background music and accompaniment were more than adequately handled by Helen Bendes, pianist, and Don Osgood, percussion, who at times transposed the music to suit the vocalist — no small task.

The voices of the cast were well produced and enunciated, sometimes too projected for the size of the room. The audience has to sit close to the players, which is a disadvantage to both in many respects.

In spite of these visible handi-

THE LUCK OF THE IRISH — Craig Collicott, as he appears as Finian McLonergan in the musical comedy "Finian's Rainbow," sits beneath a tree with a pot of gold, which he believes—if planted in the ground—will grow like "it does at Fort Knox." With the help of a jug he contemplates his harvest.

MIS Plans Revealed

At a noon luncheon held at the Holiday Inn in Adrian Tuesday, Michigan International Speedway officials outlined plans for the new racing complex now under construction near Cambridge Junction.

In a program to introduce area businessmen to the project, Vice President of MIS, George Kawamoto outlined some of the activities which will take place. Art Schergin, an information official with the new undertaking, spent some time devoted primarily to the economic aspects to the surrounding areas and of the entire undertaking.

Also on hand to speak about technical racing points of the tracks was Miss Diana Carter, a leading woman driver of racing cars.

Miss Carter emphasized that the 18' banking of the Lenawee track compared with the 9' ascent of the Indianapolis Speedway would give the racers a 10 mph increase in speed.

She also spoke of the Motor Racing Stables LTD., located at Brands Hatch, England, which will also have a school in the infield of the local course.

Mr. Kawamoto went on in terms of economics saying that the driving school has been committed to the track for at least 250 days per year. The school gives instructions in the driving of Grand Prix types of racers.

Mr. Schergin pointed out figures from the U.S. Internal Revenue, putting attendance figures for auto racing in the U.S. at nearly 55,000,000 in 1966. He also went into the revenue which the Speedway will bring to the community through the people that attend the races.

Four types of racing cars are expected to participate when the track is ready for a full season of racing: formula, sport car prototypes, Indianapolis types and stock cars.

Mr. Schergin pointed to the fact that of the top drivers interviewed concerning tracks indicated that the 18' bank was ideal. When completed this will be the only 2 mile high speed oval track to be located within the United States.

Mr. Kawamoto also discussed plans for building a restaurant with a view deck located between two of the most difficult turns in the three mile road course.

When asked of the employment totals for the speedway upon completion, he went on to assert that a great deal yet had to be taken into consideration before any certain numbers could be arrived at.

He did however, speak of the need for a great deal of people from the community during a race week and especially during the day of a race. The need for people with some training in handling crowds and experience in traffic control will be most vital.

Negotiations are underway to bring to the track testing of all types of automotive equipment and accessories. The track is also being considered for use in commercials, thus offering a nearly full time project to the area.

Nearly 180 area businessmen attended the luncheon. Later in the day the group spoke before supervisors and local government officials and in the evening held an informal gathering for sports car and racing enthusiasts in the area.

The meeting was the inaugural of what will be a planned effort to promote MIS in cities in Michigan, Ohio, Indian and Illinois, securing interest in the speedway.

Shop Closing To Remodel

Eggleston's Jewelry in downtown Tecumseh will close next Monday for extensive remodeling of the store. It will re-open on March 8.

Dick Eggleston, owner, says a new ceiling will be installed along with new lights, new paneling and a completely carpeted floor.

The store expanded about two years ago when a back entrance and show window were built and added on. Other remodeling for an office and watch repair center was done about the same time.

Harold Black is in charge of the remodeling.

Golf Lessons Start Feb. 27

Second and final sessions of golf lessons at the Tecumseh Community Center will start next Tuesday evening.

Instructions of the one hour periods begin at seven o'clock and 8:30.

Deed Eldridge is the instructor.

Parish Reception Sunday Evening for Fr. Collins

Fr. Thomas Collins, former pastor here at St. Elizabeth Catholic Church, will be the honored guest Sunday evening when upwards of 500 parishioners are expected for a farewell reception.

He was assigned last month to a church in Wyandotte.

A church committee is in charge of the reception, and the Rosary Altar Society is handling the refreshments. The reception is scheduled from six to eight o'clock at the school.

Dr. and Mrs. Carlos Knisley will fete Fr. Collins and 15 other guests at dinner at their home on S. Maumee St. Guests will include Fr. Robert Handley, present pastor, and Fr. C. J. Holton, retired pastor, formerly of Adrian.

The altar boys who served under Fr. Collins and many individual families are expected to honor the former Tecumseh pastor with gifts at the reception, which is open to the public.

Fr. Collins was one of the senior pastors of the community until his transfer last month. He served the local parish for 16 years, starting in 1952.

Under his pastorate, the rectory, school and convent were built, and the parish grew from 76 families to the present count of nearly 800.

A recent contribution to the Herrick Memorial Hospital Landscaping Fund was made in memory of Gordon Garlick by the teachers of Patterson School.

The engagement of Sharon Ann Nykodym to Wendell Lee Williams is being announced by her parents, Mr. and Mrs. Joseph Nykodym, 214 W. Kilbuck St. Mr. Williams is the son of Mr. and Mrs. Howard Williams, 110 E. Kilbuck St. The couple both attended Tecumseh High School. She is employed at the Quick Lunch and he at the Saline plant of the Ford Motor Co. The wedding date has been set for June 1 at St. Elizabeth Catholic Church.

Mrs. Hugh Hanna Spoke To Garden Club Last Friday

Mrs. Hugh Hanna of the Tecumseh Protective Service Program spoke to 15 members and one guest, Mrs. Wayne Kaiser, of the Tecumseh Garden Club Friday afternoon.

She stressed that all children need love, acceptance, security protection and independence. If all these things are satisfied, they will grow up to be stable citizens. A parent must set a good example and if needed, get professional help, she concluded.

Mrs. Hanna remarked that the number of court referrals has decreased considerably since the program has been instituted.

Mrs. Edwin McClain was the hostess, assisted by Mrs. E. C. Love.

President Anne Carson conducted the meeting and announced that her committee chairmen are:

Mrs. McClain and Mrs. Love — Ways and Means

Mrs. Robert McCoy — Conservation and Horticulture

Mrs. Arch Wray — Sunshine

Mrs. Marshall Coulter — Corresponding Secretary

Mrs. Oren Feight — Library

Mrs. Waldo Mohr — Publicity

Mrs. Neil Pearson invited the members to visit her aunt, Miss Alice Johnson, on her 91st birthday anniversary, Feb. 20.

Mrs. Pearson also presented Mrs. Hanna whose subject was "Human Conservation."

Sheriff Germond To Speak To PTO

TIPTON — There will be a PTA meeting at the Tipton School Monday, Feb. 26, at 7:30.

Refreshments will be served. A program will be presented by Sheriff Germond consisting of a film, "Every Hour Every Day," narrated by Danny Thomas. Also a rescue breathing demonstration using resuscitator Annie.

Final Mission School Session To Be Held

Dr. Stanley H. Fofkner, director of Christian Education for the Michigan Conference of the Evangelical United Brethren Church, will be the guest speaker at the final session of the Mission School being held this month at the Tecumseh Methodist Church.

Dr. Forkner, speaking on "The Young Churchman in the Ecumenical Age," is a graduate of United Theological Seminary and has special training in counseling and group life.

Well versed on ecumenicity, especially as it concerns the forthcoming merger of the Methodist and Evangelical United Brethren churches, Forkner's experiences include serving as a Chaplain in the U.S. Army in the Philippines and participating with an evangelistic team to West Africa. He has served on several state and general church committees and is currently chairman of the Christian Education Division of the Michigan Council of Churches.

The final session of the Mission School, sponsored by the area Methodist churches under the direction of Rev. John Lover of Ridgeway, will include a special program for the children's division conducted by Mrs. Donald Porteous.

Each session includes three adult classes in addition to the children's classes.

A nursery is available, also.

The session will begin at 6:30 p.m. and close with refreshments at 8:15 p.m.

The engagement and approaching marriage of Linda Louise Curtis to Larry Allen Wilson is being announced by her mother, Mrs. James E. Curtis, 307 Russell Rd. Mr. Wilson is the son of Mr. and Mrs. Roscoe Wilson of Clayton. A May 25 wedding is being planned by the couple.

MYF Sponsors Spaghetti Supper

A spaghetti supper will be held in the Fellowship Hall of the Tecumseh Methodist Church on Saturday, March 2, from 5 until 7 p.m. Tickets may be obtained at a cost of $1.25 for adults and $.75 for children 12 and under.

Sponsoring the dinner is the Senior High Youth Fellowship who will prepare the meal under the direction of Mrs. Robert Meads, advisor, and Mrs. Donald Porteous. All of the youth, working to raise funds for their summer missionary projects to the Navajos, are selling tickets. The public is invited.

The engagement of JoAnn Brown to William D. Danley is announced by her parents, Mr. and Mrs. James W. Brown, 424 N. Evans St. Miss Brown, a 1966 graduate of Tecumseh High School, is employed at United Savings Bank. Mr. Danley is the son of Mr. and Mrs. R. C. Danley, 555 W. River, Deerfield. He is a 1962 graduate of Deerfield High School, attended Western Michigan University, and then served two years in the Army. He is employed at the United Savings Bank. A late summer wedding is planned.

Leaders Attend 4-H Conference

On Feb. 16 and 17 Lenawee County 4-H club leaders participated in the Poultry and Rabbit Leaders Conference at Camp Kett, near Cadillac.

Representing Lenawee County were Elwood Bush of Tecumseh, Keith Etter of Onsted and Mike Bush of Tecumseh, a teen leader.

Demonstrations were held in teaching aids, project and program development and new projects. An exchange of ideas was held, giving the leaders a chance to reflect on their own local programs.

The conference was sponsored by the Cooperative Exension Service of Michigan State University.

Narcotics Film Shown to Nurses At Auditorium

The film, "Narcotics: the Decision," was shown at the meeting of the Lenawee District Nurses Association, Thursday evening at the Bixby Hospital Auditorium.

The film is one being shown by the Public Health Department to students and adult groups throughout the county.

Mrs. Mildred Bauer reviewed some of the other services offered to residents of Lenawee County by the Health Department.

Michigan Nurse Week will be April 1 to 7. During that week the sale of bonds to support the building fund of the Michigan Nurses' Association will be emphasized.

Next month's meeting will feature Barclay Hayes, pysio-therapist for Bixby and Herrick Hospitals, speaking on Tractions.

The engagement of Pamela Kay Brooks to Dennis F. Bryant is announced by her parents, Mr. and Mrs. Thomas H. Brooks, of 501 Parkway Ct. Miss Brooks is a 1966 graduate of Tecumseh High School and is a sophomore at Eastern Michigan University. Mr. Brooks is the son of Mr. and Mrs. Frederick Bryan of Britton. He is a graduate of Tecumseh High School and is employed at Ford Motor Company of Saline. An August 10 wedding is being planned.

Grand Chief Is Honored At Pythian Potluck

Seventeen members of the Josephine Hall Temple Pythian Sisters were seated for the potluck dinner Valentine's Day honoring the grand chief, Mrs. Bernice Goodyear, of St. Louis.

Mrs. Goodyear was accompanied by her dauhter, Mrs. Margaret Gilhouse, and Mrs. Lillian Benedict, both of the Minnehaha Temple at Tipton.

Mrs. Harry Carney, most excellent chief, presented Mrs. Goodyear with a corsage.

Tables were decorated in the Valentine motif with a floral centerniece.

Those on the committee were Mrs. Carney, Mrs. Arthur George and Mrs. Grace Rehberg.

DIANNE DOWNING

LYNNE PALMER

Top BHS Scholars Have Been Named

BRITTON — Lynn Palmer and Dianne Downing have been named the two top students of the 1968 class of Britton-Macon High School, announced Superintendent William Saxton.

Highest scholastic honors go to Lynn Palmer, valedictorian, who is the son of Mr. and Mrs. Douglas Palmer, 8542 Centennial Rd., Britton.

Besides maintaining a high average in his classwork, Lynn has been active in the student council and is currently the president. He is a member of the National Honors Society, was in the Junior class play, and active in basketball, baseball and track. He was Britton's representative to Boys' State last summer.

He is a member of the Congregational Christian Church.

Lynn plans to attend the University of Michigan, where he will major in engineering.

★

DIANNE DOWNING, daughter of Mr. and Mrs. Leslie Downing of 6736 North County Line Hwy., Britton, is salutatorian.

She has been active in FHA, Campfire Girls, cheerleading; was a member of the cast of the Junior Class play, and was Class Queen in the 11th grade.

Dianne attends the Congregational Christian Church.

After graduation, she plans to attend either Western Michigan or Eastern Michigan, and major in education.

Polar Bear Campout Is Successful

The Polar Bear Campout for Troop 32 of Birdsall was a complete success. The thermometer on their red and white patch will be marked to the 5° above zero mark.

To qualify, the Troop must sleep in tents overnight and cook three meals out of doors while the temperature stays below 32°.

A total of 21 boys in three patrols and four men camped out in the Breckel Woods on Valley Rd., under the guidance of Dick James, scoutmaster and James Marvin, assistant scoutmaster, last weekend.

Other winter activities of the Troop have included participation in the recent "Yukon Gold Rush" with the "Buffalo" patrol bringing in 21 gold nuggets, the "Beavers" followed with 20, and the "White Dragons" brought in 18, allowing each patrol to qualify for the "Prospector" white ribbon.

The annual winter campout was held at Camp Kanesatake during a heavy snowstorm which didn't put a damper on the participation by the large group of men and boys as they took advantage of the winter sports available at the camp on Washington Lake.

A trail hike has been proposed for the March monthly campout the weekend of March 8, 9 and 10.

MINT JULEP ANYONE? — Dr. Richard Hammel as Senator Billboard Rawkins in "Finian's Rainbow," the Pdayers' musical, reaches for a mint julep held by Howard, the butler, played by Larryl Mack; Gilbert Howard, playing a geologist in the show looks on. There will be six more performances at the Community Center.

Church Shows Film on Bible's Origin

A documentary film "Our Bible: How It Came To Us" is being shown in three parts at the Assembly of God, 210 W. Bidwell St.

Part 1, "The Formation of the Bible" was shown last Sunday evening to a good attendance.

Feb. 25 at 7:30 p.m. "The Bible Spreads Across Europe" will be presented in sound on black and white film.

The concluding chapter, "Making of the English Bible" will be shown March 3 at the same time by the Rev. Harold Speer, pastor of the church.

The film traces the history and development of the Bible from the first century A. D., up to the present time.

The Christ's Ambassadors Youth group of the church will host like groups from 10 area churches Saturday evening at 7:30 p.m.

A film entitled "They Have Overcome" telling the story of the first martyr of the Assembly of God in the Congo at about the time of the Dr. Paul Carlson tragedy in Stanleyville will be featured.

The story in sound and color is filmed in the Congo and missionaries attending the convention here a year ago, now back in the Congo, are shown.

Obituaries

● **HOWARD R. WILSON, SR.**

Services were held Wednesday at the Dunn Funeral Home for Howard R. Wilson, Sr., 71, 8327 East Monroe Rd., Ridgeway, who died at 12:30 p.m. Sunday at St. Joseph Hospital, Ann Arbor. He had been a patient three weeks this time during a three-month illness.

Having headed all of the Masonic bodies, Mr. Wilson was eligible for the York Cross of Honor which had not been presented.

Mr. Wilson was born Sept. 24, 1896, in Tecumseh. On March 20, 1916, he married Doris Ferman. She died Nov. 25, 1963.

A retired toolmaker, he was a past master of the Tecumseh Masonic Lodge, a member of the Putnam Council, and a past commander of the Adrian Commandery Knights Templar.

Mr. Wilson was serving as high priest of the Tecumseh Chapter R & AM, and as a district deputy instructor. He also was a member of the York Rite College, a member of the Order of Eastern Star and the Ridgeway Methodist Church.

He is survived by a son, Howard Wilson, Jr., 203 E. Kilbuck; two daughters, Mrs. William (Helen) Rice of Denver, Colo., and Mrs. Russell (Frances) Collins of Macon; eight grandchildren and one great-granddaughter.

ducted a Knights Templar service Tuesday evening at the funeral home.

Burial was in the Brookside Cemetery and the Rev. John Lover officiated.

● **MRS. ARCHIE DUNSMORE**

Services were held Thursday at 1:30 p.m. at the Proctor Funeral Home for Mrs. Archie Dunsmore, 73, who died Monday at 9:13 p.m. at Herrick Memorial Hospital where she was admitted Feb. 9. She had been in failing health for two months.

Mrs. Dunsmore and her husband had lived at 304 N. Van Buren St. since 1958, coming here from the Detroit area.

She was employed as a secretary for Wilson Truck Line Co. in Detroit.

Helen Dunsmore was born Aug. 11, 1894, near Clayton. She was graduated from Adrian College and married Mr. Dunsmore June 30, 1923, in Adrian.

A past president of Chapter AJ, PEO and the Tecumseh Garden Club, she attended the Presbyterian Church. Mrs. Dunsmore was also a member of the Devils Lake Club where they spent the summers.

Besides Mr. Dunsmore, there are only nieces and nephews surviving.

One brother preceded her in death.

The Rev. Julian Gresham will officiate and burial will be in the North Dover Cemetery near Clayton.

● **MRS. GERTRUDE STOCKINGER**

Services were held Friday in Manchester for Mrs. Gertrude Stockinger, 81, of that village, who died Tuesday night at Herrick Memorial Hospital.

She is survived by a daughter and two sons including Raymond Stockinger, 9561 Carson Hwy.; eight grandchildren; five brothers and one sister.

Burial was in Oak Grove Cemetery, Manchester.

—o—

● **MRS. HARRIET C. BLOCHER**

Graveside services were held Wednesday at Brookside Cemetery for Mrs. Harriet C. Blocher, former Tecumseh resident, who died Friday in Lawrence, Kan. The family had lived there many years.

Mrs. Blocher is survived by a son, John, of Lawrence and a grandson, James, of Birmingham.

The Rev. Charles Sturm officiated and arrangements were made by Dunn Funeral Home.

—o—

● **ROY C. HESS**

Services were held Wednesday in Brooklyn for Roy C. Hess, 56, of Brooklyn and Tipton, who died of apparent heart failure at Herrick Memorial Hospital Sunday evening.

He is survived by his wife, two daughters, his parents and two brothers, including Carrol Hess, Clinton.

Burial was in the Lenawee Hills Cemetery, Tecumseh.

Montis Merrillat Retires After 22 Years of Service

H. W. Tuttle & Co., manufacturers of electric duct heaters and compressor crankcase heaters in Tecumseh, announce the retirement of Montis Merrillat effective March 1.

Mr. Merrillat has been employed by the company for over 20 years, starting in the Tool and Die Department in 1946, when the plant was still in Adrian. For the past 18 months "Monty" has been wearing two hats, for besides being Personnel Manager, he has also been responsible for all tool design at the company.

Tooling has always been a major interest of Mr. Merrillat. In January of 1955 he became supervisor of the Tool and Die Department. After eight years in that capacity he was promoted to Plant Superintendent. He continued as Plant Superintendent until 1966 when he assumed his present position.

Although he reached retirement age early last year, "Monty" continued on the job for the company until a replacement could be found.

"There are a lot of places I've wanted to go and a lot of things I've wanted to do," said Monty, "and now I'm going to see and do them."

Willing Workers To Hear Counselor

Mrs. Paul Koehn of Adrian will be the guest speaker for the Willing Workers Class of the Friends Church Saturday, Feb. 24, at a salad luncheon from noon to 2 p.m.

Mrs. Koehn has been counselor for girls at the Lenawee Youth Center for 2 years. She received her masters degree in counseling from the University of Michigan and has been guest lecturer for the University of Toledo.

Her husband is a professor at Adrian College. The couple have four children.

Dr. Larry Copeland To Speak to Area Farmers on Seeds

In cooperation with the Tecumseh-Britton Adult Farmer Program, Dr. Larry Copeland of the Michigan Crop Improvement Association in East Lansing, will present a program for area farmers on the selection and use of certified seeds in crop production. Dr. Copeland will discuss the reasons for using certified seeds rather than last year's harvested crop for seeds. He will also discuss insects and diseases of small grains in and around Lenawee County.

The meeting will be presented at the Britton High School Ag room Monday, Feb. 26, at 8 p.m.

All area farmers are invited to attend the evening program.

Minister Presents Pictures

The Rev. Lawrence Cox, pastor of the Raisin Valley Friends Church, presented pictures of his recent trip to members of the Missionary Society of the Tecumseh Friends Church Tuesday evening.

The Rev. Cox and his wife were presented with $2,500 at Christmas time to be used for travel, especially to see his brother in California whom he had not seen in 13 years.

The couple were pleasantly surprised when the gift included a trip to Hawaii and also to the mission fields in Formosa.

Tea and cookies were served after the colorful pictures had been shown.

QUESTION:

"If we were to relocate in another state and desire services and interment here, what should we do?"

ANSWER:

Regardless of where you may be residing, one phone call to us will relieve you of all responsibility of making arrangements with another funeral director and will greatly reduce your total expenditure.

Miscellaneous Shower Given For Harry Werths

CLINTON — Mr. and Mrs. Harry Werth were honored at a household shower, given by the Woman's Fellowship in the United Church of Christ Tuesday night.

Nearly 60 persons attended the event arranged by Mrs. Robert Vogel, the president; Mrs. Robert King, and Mrs. Nora Beach.

A few games were played with the prizes of kitchen accessories presented to Mrs. Werth.

Mr. and Mrs. Werth opened a large variety of useful gifts. They were assisted by their daughter, Mrs. Joan Studnicka, and daughter-in-law, Mrs. Hadley Werth.

Granddaughter, Mrs. Cynthia Chase, who has been confined to a wheel chair for several months, is now able to walk about a bit, and she attended the party.

Among the gifts were many bed linens, towels, cooking utensils, a set of Melmac dishes, a beautifully restored antique chest of drawers, a basketful of money gifts and many other articles, which will help to replace the Werths' possessions lost in the fire at the Smith-Kimball Community Center.

A gift of $100 for Mr. and Mrs. Harry Werth, was voted at a meeting of the Golden Age Club, Tuesday afternoon.

The Werths are staying at the home of their son and daughter-in-law, Mr. and Mrs. Hadley Werth, on Sunset Dr.

DECISION — Will it be candy, homemade cookies or shaving lotion this time. Mrs. Kenneth Munger, of the Hospital Auxiliary, offers William Weasel his choice of a cartful of prizes at the Valentine party given Feb. 14 at Herrick Nursing Home. Fred Waring, on the left, won his share that day, too. Members of the Auxiliary provide an afternoon of fun for residents at least once a month.

Valentine Party

Bingo is the magic word at the Herrick Nursing Home at least once a month on a given Wednesday.

These Bingo parties are planned by a committee from the Herrick Memorial Hospital Auxiliary and have been going on for the past year.

The Bingo Committee is a part of the Nursing Home Committee, providing weekly entertainment in the home. Co-chairmen are Mrs. William Murphy and Mrs. Richard Platt.

Chairman of the Bingo Committee is Mrs. Neville Hart assisted each month by four of the following members: Mrs. Glenn Driscoll, Mrs. Charles Gross, Mrs. R. D. Eggleston, Mrs. Ralph Helzerman, Mrs. Stella Hubbard, Mrs. Charles Mensing, Mrs. William Murphy, Mrs. William Macbeth, Mrs. William Moeller, Mrs. Ralph Lochridge, Mrs. Kenneth Munger, Mrs. Benjamin Ross, Mrs. Robert Sage, Mrs. Richard Platt and Mrs. Donald Young.

Mrs. Irene Merx, Supervisor, at the home tells how much the patients look forward to Bingo Day. She once said "They may forget when it is time for their medicine but never when it is time to play Bingo."

They play in the Activities Room at the home and there are usually 12 players. All the prizes are displayed on a cart easily moved to the player for selection when "Bingo" is heard above the happy chatter of the players and the caller's voice.

Sometimes refreshments are served as at the Valentine Party, punch and cookies after the game.

All the players receive five or six prizes each month. The prizes are usually jewelry, greeting cards, postage stamps, cologne, talcum, after-shave lotion, hand cream, perfumed soap, note paper, candy, gum, tobacco, handkerchiefs, home made cookies and miscellaneous items donated by the auxiliary members. The members have also given money to buy prizes that are not donated.

Many are responsible for the prizes. The druggists have given cosmetic articles and a discount on other items. Eggleston's Jewelry closed out their greeting card department and gave their entire stock of cards to the committee for prizes.

The Tecumseh Credit Bureau is now donating $5 a month for prizes. Jean Colgrove, Jessie Sluyter and Goldie Watkins have donated prizes from their gift stocks from time to time.

The Colonial House of Beauty and Gayle's Town and Country Beauty Salon have donated sample cosmetic articles.

The Republican Women's Club relieved the Bingo Committee last summer for two months and furnished all the prizes and refreshments. Stella Hubbard and Helen Sisson were in charge.

The Tecumseh Ceramic Club, Mrs. Lester Ruhl, president, has made many ceramic items for gifts to all the patients at the home.

The Bingo Committee of the Herrick Memorial Hospital Auxiliary extends sincere thanks to all auxiliary members, the merchants, business people and the clubs mentioned for their generosity and thoughtfulness. Without their support these happy monthly Bingo parties would not be possible.

Skit Amuses Monday Club

"Enjoying Poor Health" was the title of a skit presented under the direction of Mrs. Frank Hoagland, for members of the Monday Club, Monday afternoon, in the First Baptist Church.

The skit cast included Mrs. C. B. Brock, Mrs. Walter Prill, Mrs. William Grigg, Mrs. R. C. Pennington and Mrs. Earl Caswell.

Mrs. Naomi Sallows, Laura and Flora Smith were accepted as new members.

Mrs. Clyde Bailey reported on the recent meeting of the Federation Board in Adrian.

Mrs. Lee Purkey was chairman of the hostess committee. Presiding at the silver service were Mrs. Caswell and Mrs. Thomas Hamilton.

Card Party

TIPTON — A public euchre party will be held at the K of P hall Saturday, Feb. 24, at 8 p.m. Bring sandwiches or cookies.

Attend Career Night In Adrian

Nearly 40 members of the Lenawee County 4-H Service Club attended Career Night held recently at the Southeastern Mutual Insurance Co. Building in Adrian.

A film, "A Step Ahead," published by New Holland, was shown before the group separated into special interest areas led by people in that field.

Robert Eggert of Michigan State University introduced Agri-Business, a new field open to both men and women in positions associated with agriculture. Others presenting careers were:

Alice Epple — Extension Home Economist.
Rosalie Warrick — Child Development, Adrian College.
Dr. Blance Wise — Nutrition, Adrian College.
Robert Whitman — Interior Design, Adrian College.
Cindy Rose — Education, Senior at Siena Heights.
Jake Venema — Vocational Ag Education, Blissfield.
Dr. Howard Pennington — Veterinary Medicine, Adrian.
Frank Gigler — Communications, Ann Arbor.
John Boudreau — Conservation.
Douglas Boyse — College Admissions, Adrian.

Members attended three sessions and then met for discussion.

FLOWERS FROM HAWAII — Birthday greetings with flowers from Hawaii topped the festivities in celebration of the 91st anniversary of Miss Alice Johnson at the home of her niece, Mrs. Neil Pearson. Another niece in the Islands sent the bouquet airmail Wednesday morning. It included birds of paradise, anthirium and ti leaves. Spry Miss Johnson has friends around the world as was evidenced in the bower of flowers and cards at the Pearson residence. She spent 28 years in the graduate reading room in modern languages of the University of Michigan. Living most of her life in Ann Arbor, she came to Tecumseh last October.

Easier To Claim Reimbursement

Changes in the Social Security Law makes it easier to claim reimbursement for medical expenses, but sets a time limit on such claims.

Before this year, the Medicare beneficiary had to submit an itemized receipted bill when claiming reimbursement for medical expenses.

Now Medicare beneficiaries need only an itemized bill to claim reimbursement. It is not necessary the bill be paid. Reimbursement may still be made by assigning payment to the doctor or by the patient submitting an itemized receipt.

Claims for medical services furnished in July, August, or September, 1966, will have to be filed by April 1, 1968. Claims for services furnished in the period from October 1, 1966, through September 30, 1967, must be filed by December 31, 1968.

The Social Security office at 536 N. Jackson St., in Jackson, is most happy to assist Medicare beneficiaries with their claims for reimbursement.

Birthday Party

Mrs. Roy Brosamer held a Valentine and birthday party Wednesday evening for Mrs. Ida Grandstaff who will be 85 years young Feb. 26. She received many cards and gifts from the group. There were nine different church denominations represented showing a brotherhood of unity among the 26 present. Each one read a Bible verse. Refreshments served were coffee, tea, candy, nuts, cookies, nut browns ies and strawberry parfait. The late comers stayed till 9:30 p.m.

The club will meet at the home of Mrs. Larry Reichenbaugh in March and then go to Weinlanders in Blissfield.

Council Asks City Ordinance To Be Enforced

Folks who have old automobiles on their properties without current license plates will soon be in trouble unless they dispose of them.

Council Monday night approved taking action against such vehicles parked in residential areas, and in violation of city ordinance.

Problem arose when Ivan Maynard, Fleet-Wing service station operator, complained to Council that he was forced to move some used cars while others were not.

Officials told him this was not fair and that others would also have to abide by the law. Attorney James Beardsley said residents could be fined up to $100 for the misdemeanor.

Mr. Maynard told Council that old automobiles may be hard to dispose of since junkyards do not want them, unless there are some salvageable parts.

City cannot accept them at the dump unless accompanied by a title. Officials, however, did discuss having the cars hauled to dump property and stored until a title is obtained.

Birthday, birthday, birthday anniversaries. Some have more meaning than others and there are several of great import this week besides that of the first president of this country, George Washington, who was born Feb. 22, 1732.

Ed Leighton, 205 E. Pottawatamie St., was 83 and the family, with the exception of only one daughter, celebrated with a potluck dinner at his home Sunday.

Alice Johnson, formerly of Ann Arbor, now at the home of her niece, Mrs. Neil Pearson, was feted on her 91st anniversary Tuesday with cards, mints, flowers and birthday cake.

Most important of all is the 17th anniversary of the natal date of Herald Photographer Bill Whiting on Wednesday. We had a party and Karen Bishop baked a cake.

Guests at the dinner for Mr. Leighton were John's family from Port Clinton, O., Mr. and Mrs. Philip Futcher, Chelsea; Mr. and Mrs. Patrick Henry and family, Macon; Charles Wilson, Ann Arbor; Mrs. Ruth Townsend, Marshall; Mr. and Mrs. Larry Kendall and family, Allen Park; and the Dwight Hodges. Three cakes were served, made by Mrs. Hodges.

√

Mr. and Mrs. Harvey Gatt were in Milwaukee, Wis., with the Rev. and Mrs. Kurt Koeplin and family Feb. 10 and 11. The Rev. Koeplin, former Grace English Lutheran pastor here, was installed as pastor there Feb. 11.

√

Pvt. Paul Covell, son of Mr. and Mrs. Paul Covell, of Britton, has ben promoted to Pfc. and is stationed at Ft. Eustis, Va.

√

Mrs. Herbert Murphy entered University Medical Center Tuesday for surgery. Her room number is 8 East.

√

Mr. and Mrs. Dow Bilby, Mr. and Mrs. Earl Bilby and Mr. and Mrs. Walt Wonderly and family were in Toledo Sunday to celebrate the second birthday anniversary of Carla Wilt at the home of her parents, Mr. and Mrs. Carl Wilt.

√

Mrs. Philip Colgrove and Mrs. Jens Ingborg returned Tuesday from Chicago where they attended the gift show.

√

The three daughters of Mrs. P. G. Colgrove are expected at her home this weekend. Mrs. Dan Kozera, Jr., and son, Steven, arrived from Wyoming, Mich., Wednesday. Jane at Lon Island, N. Y., will be here from Tuesday through Sunday and Barbara, at Michigan State University, will be home Friday. Dan Kozera, Jr., is coming Saturday to take his family home.

√

Trooper Richard Hilderly, formerly of Clinton and now of Warren, has been promoted to Corporal and transferred to the East Lansing State Police Post. Cpl. Hilderly and his wife, the former Maryann Proctor, have sold their Warren home and will move to a home near Williamston.

April 11 — 7:30 p.m. Maundy Thursday. Holy Communion.

Sunday services during the Lenten season will follow the meditation "Questions Related to Christ's Passion." During this time a unique "Fill-a-Pew" program will be attempted by the Commission of Membership and Evangelism to encourage active participation by all church members in this meaningful season.

Mrs. Robert Bonner and her commission members have been working for several weeks organizing this effort.

Tipton Jets 4-H Collects $181.65 For Campaign

TIPTON — The Tipton Jets 4-H Club, under the chairmanship of Norman Ries, have collected $181.65 during their March of Dimes campaign.

The members canvassed Franklin Township and canisters were placed in all the business establishments. Donations were also received from several organizations. The Tipton Jets do this work as part of their community project.

Clinton Fire Puzzles Many

Finding out exactly what happened and what caused the delay in summoning the Clinton Fire Department to a disastrous Community Center fire last week, is like fitting a picture puzzle together without all the pieces.

However, it appears that two employees of General Telephone in Adrian should be commended for their action and finally alarming the village.

Diana Ryder, an operator, accepted the initial call — one from Leonard Benjamin at the Clinton light plant — and a request to trace a fire call, apparently from Mrs. Harry Werth, who had dropped her receiver. After the operator told him that it was impossible to trace the call, she then got another call from a man in the village, telling the location of the fire.

At this moment, the operator motioned to her supervisor, Mrs. Marge Relyea, to listen in on the emergency call. Mrs. Relyea, a Clinton resident, knew the fire phone and light plant phone were located in the same building.

Although the fire phone was tied up — the phone at the Community Center was off the hook — Mrs. Relyea was able to call Benjamin and inform him as to the location of the fire.

The telephone log at Adrian was written up at 8:18 a.m., a few minutes after the Clinton firemen arrived at the $100,000 fire.

Two Accidents Are Investigated By Local Police

Only two accidents were investigated by the Tecumseh police during the past week, and though a youngster suffered a minor injury in one mishap, neither were considered serious.

Linda L. Underwood, 28, Clinton, and Marguerete A. Frayer, 35, 1104 Murray Dr., collided in the intersection of E. Pottawatamie and S. Oneida St.

Mrs. Underwood's six-year-old son, Louis, Jr., sustained a cut lip.

In the second accident, Eric Long, 16, 107 N. Van Buren, was charged with improper overtaking and passing after running into Judy Ann Fetty, 17, 807 Russell Rd.

Miss Fetty was making a left turn at the time of the accident on S. Occidental Rd.

Plans Incomplete For New Complex

Plans to operate a restaurant-motel complex are still incomplete, according to Dr. Robert Murray, local dentist, who recently incorporated with two others under the name, Dalmur Associates, Inc.

Mr. Murray says selecting a satisfactory site, one which would be attractive for both Tecumseh and Adrian bowlers, has been one of the main problems.

Frank Dalton, 906 W. Pottawatamie, and Wilfred Kasko of Birmingham are also directors of the new corporation.

Indians To Host Airport Team In Home Finale

Tecumseh Indians close the home season here Friday night against Airport with the winner escaping the cellar of the Huron League.

Although the Indians trounced the Jets at Airport, 102-80, Airport surprised everyone by coming back and knocking Blissfield out of the league lead.

The game will be the home finale for Jim Upell and Jim Mobley, only seniors on the squad.

Tecumseh finishes its regular season March 1 at Jackson St. John.

Council Requests Sheriff Patrolmen To Drive Slower

Complaint from Councilman William Holmes Monday night that sheriff department patrol cars drive unnecessarily fast through the downtown section resulted in officials asking the Adrian department to slow down.

Councilman Dr. Carlton Cook questioned that such speeding through the downtown area was warranted on emergency blood runs to Herrick Hospital.

Murell Clark, police chief, said he would ask the sheriff patrolmen to heed Council's recommendations and drive slower upon entering the congested area.

Indians Bow, 83 to 60

The Blissfield Royals, still harboring hopes of a share in the Huron League title race, downed the Tecumseh Indians Friday night, 83-60.

The title hopes went down the drain, however, as the Grosse Ile team downed Airport, 79-66, to capture the crown.

It was a solid defense that took the floor for the Royals. Playing tight, Blissfield forced Tecumseh to make errors and 11 times were able to turn them into points.

Tecumseh trailed in the opening moments, 7-1, but warmed as the period ticked away until they left the floor with an 18-17 lead at the end of the stanza.

The second period saw early action by both teams, the lead changing hands at first, then the Royals pulled ahead, 27-22, and the Indians were unable to head off Blissfield. The half saw Blissfield ahead, 41-32.

Tecumseh managed to play even in the scoring column in the third period, trailing going into the fourth period, 60-50.

The fourth stanza was completely dominated by Blissfield as they outscored Tecumseh, 23-10. The well-balanced scoring, pressing defense, and a field goal percentage of 47% were too much for Tecumseh.

Tecumseh managed to salvage an excellent foul shot average of 70% for the game. The tribe connected for 14 straight before missing, ending the game with 18-26, compared to Blissfield's 11-32.

All five Blissfield's starters scored in double figures, with Doug Bateson leading with 24. Fatchett added 16, Dave Fritz, 15. Tecumseh scorers were led by Jim Hunt with 17, Dalton 13 and Quinn, 10.

With the Huron League title securely held by Grosse Ile, Blissfield and Tecumseh will have to echo the old refrain, wait'll next year.

It was again a double loss for Tecumseh teams as the Blissfield JV's led their seniors in a victorious night, 52-43, over Tecumseh reserves.

SCORES ANOTHER — John Kennedy, junior, reaches out for another score in Tecumseh's battle against the Blissfield Royals last Friday night. Although Tecumseh came on strong in the first half, they were out-maneuvered on the boards and dropped its second game of the season to the Royals.

Boysville Is Bumped by Whiteford, 63-59

By GREG KOVACS

The Fighting Knights of Boysville traveled to Whiteford High School to take on their league leading Bobcats, only to see defeat after a hard fought contest, by a score of 63-59.

In the first quarter the Fighting Knights got off to a roaring start, but the rival Bobcats of Whiteford were determined not to let the Knights get the best of them. As the quarter progressed both teams had a problem in trying to get control of the game as the battle of the scoreboard began. At the sound of the final horn for the first quarter neither team had managed to stay on top as the scoreboard read that each team had 15 points.

The second quarter meant tragedy for the Fighting Knights as they began to weaken and the Bobcats of Whiteford took advantage. The Bobcats rallied as the Knights began to loose control of the ball and could not overcome a ball control difficulty. At the end of the first half the Fighting Knights found themselves trailing the Bobcats 39-24.

As the second half got under way the Knights could not leave the problems of the first half behind as they fought hard, but the overpowering Bobcats of Whiteford were still as hot as ever as they took advantage of the Knights difficulties of ball handling. Late in the third quarter the Knights began looking like a ball club as they got rid of the controling problems and rallied to outscore the Bobcats, but it was not enough to make up for lost points suffered earlier in the game as they were again on the bottom, 50-39.

The third quarter the pressuring back court defense the Knights had used in the third quarter became very effective as the Bobcats became stunned on their offensive play and the game began to be exciting as both ball clubs fought for control of the game. Late in this final period of play the Fighting Knights of Boysville had become a serious threat to the River Raisin Conference leaders of Whiteford, but it looked as though Whiteford was not ready for defeat as they began to try to break the power of the Knights attack.

In the final seconds of the game the Knights had fallen apart as the Bobcats succeeded in breaking their attack. For awhile it looked as though Boysville had taken another upset, but Whiteford had dumped them with only 33 seconds showing on the clock, and after a rebound from the Knights, they stalled and at the sound of the final horn the Bobcats of Whiteford had defeated the Fighting Knights of Boysville by the score of 63-59. Although the Fighting Knights had outscored their opponents, they could not make up for their mistakes made earlier in the game.

Henry Bell turned in a hard fought game even though he fouled out in the last minutes of the game as he starred for the Knights both on defense and offense as he tallied 20 points and brought many turnovers for his teammates.

Score by quarters:

Boysville	15	9	15	20—59
Whiteford	14	24	11	13—63

The Junior Knights also met defeat at Whiteford by a score of 43-34.

Knights Outscore St. Mary's, 53-52

By GREG KOVACS

The Fighting Knights of Boysville traveled to Wayne to play the Blue Knights of St. Mary's on February 12. Boysville's Fighting Five managed to overcome the powerful St. Mary's ball club in the last seconds of the game and found that they had another victory as they beat their opponents, 53-52.

The first quarter started as St. Mary's sent the Fighting Knights to the charity line for the first three points. The overpowering St. Mary's squad did not give the Fighting Knights much of a chance to get rid of their shooting problems. Although the St. Mary's team was plagued with fouls, the Knights still could not get rid of their shooting difficulties. At the end of the first quarter of play the Knights were on the short end of the score board, 15-10.

The second quarter meant further tragedy for the Fighting Knights as they could not control the ball and many turnovers kept them from being an attack to the opposing St. Mary's team. Late in the second period the Knights became a strong contender for the lead, but they could not manage to make up for the deficit in the score that was set in the first period as they again were trailing, 27-25.

The Fighting Knights came into the second half looking for victory as in this period they had for the first time in the game been on the top of the score board. The Knights became determined that in order to outplay St. Mary's they had to play a rough brand of ball to overcome their problem of shooting and get control of the game. The Fighting Knights fought hard as the score board showed that each team was looking for victory as the score teetered back and forth and with just seconds remaining in the third period St. Mary's sent the Knights to the charity line which tied the game. At the sound of the horn the game was tied 37-all.

In the fourth quarter the Fighting Knights got off to a roaring start as they scored two quick baskets. St. Mary's was determined to keep the Knights from remaining in control of the game as they became a serious threat to the Knights' control of the game. As the quarter progressed, mistakes set in for both squads and the game became a battle for a lead. The score was never once a safe lead for either team and it looked as if the game was going to be a "Beat the Clock" contest.

Late in the game the Knights were down by four points, but determination for victory led them to a tie with St. Mary's and at the sound of the final horn the Fighting Knights had won the battle as they were on the top of the scoreboard, 53-52.

Score by quarters:

Boysville	10	15	12	16—53
St. Mary's	15	12	10	15—52

★

The Junior Fighting Knights also brought home a victory in a thrilling game between the Junior Varsity of St. Mary's. In the final seconds of the game the Junior Knights played the hardest they had all evening and tied up the score 43-all, which was the score at the end of the game. As the Knights brought the game into a three minute overtime they left the Junior St. Mary's team scoreless as they capitalized and fought throughout the overtime to carry the momentum in their favor as they won the game with the score of 47-43. Rich Monfett led the Junior Knights with seventeen rebounds and 10 points.

GAA JV Squad Victorious Over Napoleon, 25-13

The Tecumseh GAA Junior Varsity Basketball team were victorious over Napoleon Monday night, 25-13. Gail Greene was the leading scorer with 10 points. Linda Marine played her best game of the year by scoring 8 points. Shelia Carr connected on three field goals for 6 points.

The Varsity squad could not find the basket and only connected on seven field goals compared to 23 in the last game. Napoleon made 5 field goals and 10 free throws to win. The female Indians connected on 5 of 24 free throws and that was the game.

Jane Beasley and Peggy Martinus led the Indians scoring with 8 points each.

The next game will be Thursday against Onsted.

Two Privates In Training At Ft. Knox

Army Privates Richard L. Brighton and Sheldon L. Pease are assigned to Company D, 19th Battalion, 5th Brigade, in the United States Army Training Center at Ft. Knox.

They will spend the next two months learning the fundamental skills of the soldier in today's modern, action Army — firing live ammunition under simulated combat situations, learning protective measures and first-aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern arms.

Interspaced with constant emphasis of proper physical conditioning, diet, rest and health habits, will be ample opportunity to utilize USATCA's many and varied recreational and religious facilities.

Following the completion of basic training, Pvt. Brighton, who is the son of Mr. and Mrs. Richard Brighton of 210 W. Killbuck St., and Pvt. Pease, who is the son of Mr. and Mrs. Marion L. Pease of 736 N. Union St., will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify them in a specialized military skill.

Mrs. Journey Stoner, Jr., left Sunday by plane for El Cajon, Calif., where she was called by the death of her father. Mrs. Stoner is expected home this weekend.

8th Graders Cop Tourney

It took the Tecumseh Jr. High Basketball team a year to make amends for their only lost last season, but they did it in overtime Saturday night 31-27, to grab the Jr. High invitational tournament.

Last season the team went into the championship with a record of 10-0, only to lose to Airport, but history was not to repeat.

The hero of the night went to Rich Bunch who tossed in four charity shots in the overtime period to give Tecumseh the four point margin, while a tight defense held Airport scoreless. It was a good defense that kept the team in the game, plus some hot foul shooting.

Bunch scored 8 points to lead Tecumseh, Mike Tilton had 7, Mike Steele 7, John Curth 5 and Sam Whitney 4 to round out Indian scoring.

High point honors went to Baker for Airport who scored 12.

The Jr. High team finished with a 7-3 record, for their two years of Jr. Hi they were 17-4.

The seventh grade team was not so fortunate as to make the championship, but was able to grab the consolation game 32-11.

5-Year-Old Box 'Baby' Is Amazing

It doesn't seem possible that Tecumseh Corrugated Box, the city's newest industry, is five years old this month. It doesn't seem possible that is, unless you've had an opportunity for a tour through its plant.

Growth has been tremendous, quite evident in such a tour.

Starting here just five years ago with a handful of employees and a minimum of equipment, Tecumseh Box is a bustling plant, handling approximately 15,000 tons of corrugated material a year and supplying companies in Michigan, Ohio and Indiana.

One of their main customers is Tecumseh Products, which sold the former Quaker Oats building to Box officials back in 1963. Since the Products uses corrugated material for shipping their compressors, Tecumseh Box containers are now used throughout the world.

Growth also is apparent in employment and payroll, too. Beginning here with 20 workers, Tecumseh Box now employs roughly 125. The annual payroll has jumped from under $100,000 to almost $1 million a year.

Unfortunately, the first five years of the company may be its best ever here. A request to expand facilities here three years ago was turned down by the city. Expansion plans were dropped for Tecumseh and new plants developed at Van Wert and Jaite, both in Ohio. The local plant has 70,000 square feet of floor space.

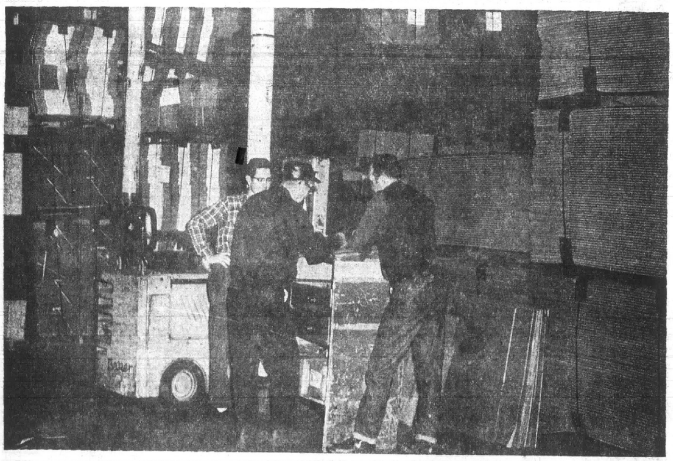
The Van Wert plant is a fabricator, like the home plant here, but at Jaite, the company has a mill producing container chip and corrugated medium, plus container fabricating facilities in a second operation.

The men who founded the brand new corporation here in 1963 were Fred Attwood, president; Jim Robideau, vice president and general manager; Clarence Hanthorne, vice president for engineering; and Gerald H. Schuster, vice president and treasurer.

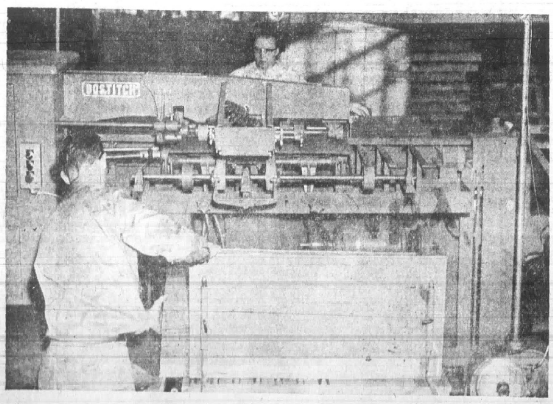
The firm was incorporated at $175,000.

Officers here at Tecumseh Corrugated Box have done a tremendous job in a short span of just five years. Kneeling is Herb Brooks, plant superintendent. Other officials are Clarence Hanthorne, Ted Pilat, James Robideau, Jerry Schuster and Fred Attwood, president.

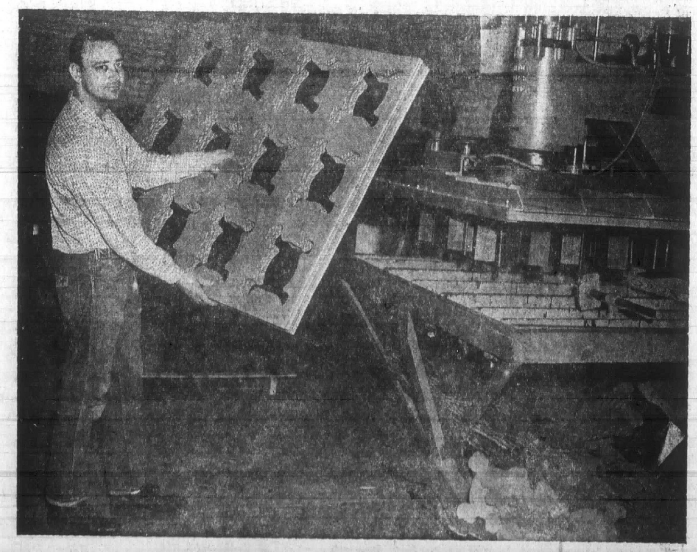
A recently-acquired press — automatically prints and slots in a continuous operation — keeps Bill Work busy with the stacker-conveyor. This giant press takes a large corrugated sheet, prints it, slots it — and at the rate of 12,000 pieces an hour! Tecumseh Box boasts of several large presses, all needed to produce an unlimited variety of containers for their customers.



Today's truck shipments are far different from the beginning. Tecumseh Box has increased its original fleet of two tractors and eight trailers to eight tractors and 31 trailers. Containers go to many plants in Michigan, Ohio and Indiana. Here, Kenny Jacobs and Floyd Sager of the shipping department check papers with Bob Hall, truck driver.



Ruby Trettin and Ed Gray operate this big stitching press which is being fed by Mrs. Trettin. The stitcher is adjustable for a variety of sizes of corrugated materials.



Tecumseh Box makes its own dies for the presses. The example here, held by George Hoag, is a section of base pads for compressors manufactured by Tecumseh Products. George can produce about 150 knock-out pads per minute on this automatic press.

Steam Burns Businessman

Cal Damon, owner of Cal's Tog Shop, suffered first, second and third degree burns last Thursday afternoon in a steam room at the Roman Bath House, Toledo.

He and three other Tecumseh businessmen — Don Smith, Roger Linger and Bill Hanna — were just entering the steam room when a blast of steam hit and scalded Mr. Damon.

Taken to a Toledo hospital, he was treated and then released so medication could be continued here. The hot steam burned him over his chest, abdomen and arms.

Mr. Damon had just returned from visiting his daughter in California.

Mrs. Edmund Mueller received word Monday of the death of her sister in Indiana. Her husband, Edmund, remains a patient at St. Joseph Hospital, Ann Arbor.

WASHINGTON'S BIRTHDAY

Nearly 200 years ago a struggling young nation discovered a leader on the banks of the Potomac River to guide it through peril after peril. This Virginian led his country to freedom and became the most outstanding general of his time. After the Bill of Rights and the writing of the Constitution, he was elected the young nation's first president. He was George Washington. No American since has attained the lasting stature of this man, who came to the front and led his countrymen along the path of freedom. We at Adrian Federal join millions of others in paying tribute to this great man . . . "Father of Our Country."

Tories Fall, 56-52

BRITTON — First half hustle brought Coach Jim Landfair's Tories to a 31-23 half-time lead when they hosted the Ida Bluestreaks Friday night, and they led, 40-30, with 2:50 to go in the third quarter, but then they relaxed a bit too much, and the final score gave Ida the victory, 56-52.

After gaining a 10-point lead, the Tories' pace slackened and the Bluestreaks made their move. In three minutes, the Bluestreaks had fought their way to within two points of the Tories, and then a long jumper by Tim Leonard tied it up 42-all.

From then on the lead changed hands several times, with Ida going to the full court press. Britton led for the last time, 52-51, with 1:32 remaining in the game, when a free throw by Tom Firestone tied it up once again, 52-52.

The Tories tried desperately to regain possession of the ball, but only succeeded in fouling the Bluestreaks, who converted 10 out of 13 free throw attempts in the final period.

The game was lost at the charity stripe, as Ida made a total of 16 out of 20 free throws, and 20 field goals.

Britton made 21 field goals, but only connected on 10 free shots out of 19 attempts.

Hank Banas led all scorers with 21 points for Ida, followed by John Reisser and Terry Hathaway, each with 11.

Dave Fairbanks led the Tory scoring with 19, while Jerry Korican and Gordon Henning each tallied 12.

Fairbanks played a strong defensive game for the Tories, blocking many Ida shots and pulling down 17 rebounds. Korican also grabbed 12 rebounds, as Britton bested Ida on the boards, 37-34.

The Junior Tories also dropped their game to the Little Bluestreaks in a squeaker, 48-47. Jim Lister, with 19, and Rick Maska, with 17, were Britton's high scorers.

The Britton cagers have lost their last three River Raisin League contests, and have only one league game remaining, with Whiteford Friday night. They need the win over the Bobcats if they are to remain above the .500 mark in the league. Britton is currently 6-5 in River Raisin play, and 8-8 overall.

BRITTON—52
Korican, 5-2-12; Fairbanks, 7-5-19; Skelton, 0-3-3; Brown, 3-0-6; Henning, 6-0-12.

IDA—56
Banas, 8-5-21; Reisser, 5-1-11; Hathaway, 5-1-11; Leonard, 2-4-8; Firestone, 0-2-2; Scampo, 0-2-2; Lerch, 0-2-2.

Score by quarters:
Britton ..... 13 18 11 10—52
Ida ..... 10 13 15 18—56

PUT 'ER IN — Gordon Henning prepares to add another point to his game total of 12 in last week's game against Ida. The Tories fought hard but didn't score enough points to win.

National FFA Week, Feb. 17-24

BRITTON — Vocational agriculture students in Britton-Macon Area High School will join Future Farmers of America members throughout the nation in activities to focus attention on the importance of agriculture during National FFA Week, Feb. 17-24.

"Challenging Youth in Agriculture" is this year's FFA Week theme. The message that these young agriculturists are trying to impart to the nation is simple. They seek to inform the public of the importance of the agricultural industry to America and to the world, the value of good citizenship development, and the role of Future Farmers of America in helping meet the challengers in world food production that faces America today.

"It is estimated that the world as a whole will need 50 percent more food just two decades from now," stated Paul Marks, vocational agricultural teacher and FFA advisor. "Meeting this challenge will be in the hands of young agriculturists now being trained and developed in such an organization as the FFA."

Membership in the FFA is made up of students of vocational agriculture in high school. The organization's activities are designed to help develop rural leadership and good citizenship and to stimulate the students to better achievement in their study and work toward successful establishment in farming and other agricultural occupations.

The Britton-Macon FFA chapter has 42 members.

Officers are president, Les Rowe; vice-president, John Rowe; sentinel, Louis Wagner; treasurer, Tom Schroeder; secretary, Doug Steinman and reporter, Ron Eldred.

The national FFA organization has approximately 450,000 members with 9,000 local chapters in the 50 states and Puerto Rico.

WELCH CLEANERS

108 SOUTH MAUMEE ST., TECUMSEH, MICH.

Christine Fairbanks'

OFF the TOP

One of the chores regularly delegated to the children on Saturday morning is cleaning up their rooms, when your offspring are old enough to share the responsibility.

Around our house, the biggest part of the job is getting the kids started. They are always too tired, or have something else to do, or some place they have to go when it comes time to clean rooms. It would be simpler to just go ahead and start digging out myself, but that wouldn't help their sense of responsibility, and besides, I have several other rooms to take care of.

Our daughter is a past-master in the art of simply re-arranging the clutter. I had naively supposed, after having two sons who kept rock collections, sports equipment, comic books, etc., in their rooms that a girl would be different. In my dreams, when she was yet a babe in the cradle, I pictured a pink and white room, full of ruffles and lace, with everything in place like an illustration in Better Homes and Garden.

But it develops that I was living in a dream world. Instead of the dainty boudoir I had pictured, she manages to keep as much, or more, clutter than her brothers. And when I goad her into cleaning up the untidy mess, she has a sure-fire method. She just opens all the dresser drawers and throws everything into them, then shuts them back and says she's done. When I go up to check, I try not to notice the bedspread which droops precariously off one corner, nor the edges of doll clothes and/or coloring books peeking out from under the edge of the bed or chest of drawers. The dresser tops are bare of all the recent confusion, but inside! Wow! I try to suggest to her that perhaps she might straighten her closet as well, and did she check under the bed?

Our sons do have a housekeeping problem, as two of them had to share one room for years, and there never was enough room for everything. But I did insist that when I looked in and could no longer see the floor, they had to get busy and clean up the "pen," as we affectionately referred to their room. Of course, in those days they could always blame each other for the chaos, saying "I picked up my stuff—that junk's all his!"

Now the eldest has journeyed off to the halls of higher learning, but I can't see that it's made much difference. Their room is a veritable electronic jungle, and I am fearful of entering, lest I should become entangled in the maze of wires which are festooned here and there and wind dangerously around the floor. Would you believe a TV set in one corner, which is currently on the fritz; a record player, which is hooked up to a total of 14 — count 'em — 14 speakers; a tape recorder, a radio, twin beds, plus piles of Sports Illustrated and Motor Trend magazines, a guitar and guitar case lying around, and then throw in a few stray socks and bath towels for good measure, all in one room? That's before the boys get in there, too! It is almost impossible to keep it all straight.

But I crack the whip every now and then, and son must pick up all the clothes, books, papers, pliers, gum wrappers, guitar picks, empty pop bottles and other sundry items from the floor, and try to bring some semblance of order. Soon he has made things look fairly presentable, and then he is out the door in a hurry, off to more pleasurable pursuits, before Mother can devise some other household chores for him.

After they are through "cleaning" their rooms, I sit down to have that second cup of coffee, wondering to myself what it will be like a few years from now when their rooms are empty, and always painfully neat. It will be like a ghost house — and I'd rather have it like it is today, mess and all!

Meeting Conduct Was 4-H Clubs' Discussion Topic

The North Franklin Hustlers 4-H Club held a meeting recently at the home of Patty and Carl Aebersold to discuss the proper way to conduct a meeting.

Club officers, Barbara Vincent, Greg Williams, Joyce and Sharon Richardson and Jane Woodward attended the Lenawee County session on the topic Jan. 20. They assisted with the meeting at Aebersolds.

Miss Vincent gave a demonstration on "How To Give a Demonstration."

Teen leaders will attend a county meeting at the Michigan Producers Dairy in Adrian Feb. 21, at 8 p.m.

Mrs. Thomas Adams, Mrs. Claude Creger, Mrs. Kenneth Munger and Barbara Vincent attended the banquet at Sand Creek when Mrs. Munger received her first year pin. Miss Vincent was a delegate for junior members of the 4-H Council, supported by the Lenawee Bankers Association.

Veterans Loan Hall to Pack 32

The Disabled American Veterans generously opened their hall in Adrian to Pack 32 of Birdsall February 12 for the Pack meeting.

In keeping with the theme of "Freedom Festival" for February the Webelo Scouts portrayed the famous flag raising at Iwo Jima while the group stood at attention and sang "The Marines' Hymn."

Cubmaster Chuck Skinner welcomed three new boys into the Pack and presented Bobcat pins to Roger Pryor, Gene Trull and Marty Perkins. Grant Underwood received a Wolf and Bear badge and Ron Pierce was awarded a Lion badge.

Mr. Skinner, assisted by Den Chief Gary Griewahn, inducted Kerry Skinner into Chuck Wilson's new Webelo Scout Den. They will begin their meetings Thursday.

Den 2 presented the values and ideals of American freedom while spelling the word "Americanism" with large red letters on white cards. Each Cub spoke a verse beginning with the individual letter until the complete word was before the audience.

Den 3 brought a "Growing Machine" to the meeting and amused the group by adjusting dials and enlarging various objects including boys!

There is a need for volunteer help in teaching Webelo Activity Badges. Each father was given a form asking him to help with any of the badges that fit his talents or hobbies while each Webelo Scout read the requirements of the Activities.

Bernard Wolcott of Adrian presented the Den Mother's Training Award to Mrs. Richard James. To earn this award one must be a Den Mother for at least two years and attend the complete training sessions including a Pow Wow, the Wolverine Council makes available.

Valentine refreshments of red Jello, heart cookies, Kool-aid and coffee were served by the mothers of Den 2. Den 3 won "Cubby" with another 100 percent attendance.

Our Readers Write

TO THE EDITOR:

In the past few weeks we have read a number of articles in the local newspaper concerning the display of the National Colors at night in front of our Post Home.

It is well established that this type of display of patriotism is approved by our government, our National Headquarters of the Veterans of Foreign Wars and other organizations who wish to proclaim their loyalty and devotion to their fighting men. This is protocol established by Congress and based on Public Law 829, 77th Congress.

I feel, and believe that all Veterans are with me, that we should show respect for our sons and fellow veterans who are now fighting for our cherished freedoms, as their fathers and grandfathers have done in the past, that we must foster patriotism and respect for our society or become degenerate and Communistic. We of the V.F.W. are sworn to uphold our Constitution and Laws of the Land.

Too often some people have a large, loud voice when it comes to protocol in displaying our National Emblems but do not realize, or do not care to think, what these emblems mean to that person who has heard the shots fired in anger (and I might add, been hit by some of them) what those emplems mean are the rights we hold so dear. Too many people, standing along the roadway as we go marching to the cemetery to pay our respects to our comrades who have given their all; fail to show even the slightest respect for our National colors or even respect for the dead and those now willing to die for their God and Country.

These dissenters, these people who complain, could show respect for the things we of the V.F.W. hold dear, by the simple expedient of taking off their hat, holding their hand over their heart and engaging in silent prayer for those who are missing from our ranks as our National Colors go by in a community parade.

We do not set ourselves above anyone but, ask only that respect be shown to our God, our country and those who have and are fighting and dying for the right to enjoy our rights of free worship, freedom of speech, and freedom to dissent. These things we hold dear, and, if necessary, will again don our uniform to protect them.

Respectfully,
Everett E. Fielder

TO THE EDITOR:

Hi — Tons of applause and great roars of laughter for the Tecumseh Players' presentation of "Finian's Rainbow." We were first nighters last Thursday evening and the chuckles of amusement and smiles of pleasure have not yet died away. It was a great play!

Truly, the Players are to be congratulated. "Finian's Rainbow" is, of course, a most fun packed musical with laughs aplenty and such a lovely score. It was exceptionally well cast and directed — the costuming and stage designs were imaginative — the dancing fun to see and oh, what a joy was the singing. Everyone seemed to be having such a good time and, while I cannot say for sure, during several of the chorus numbers the roof of the glass room must have raised itself several inches.

Tecumseh is fortunate in having such a dedicated group of Players who will work so hard to provide an evening of such first rate entertainment. They deserve to play to a packed house every night —

Thanks to everyone from Finian himself to the smallest of the sharecroppers for a grand and glorious time.

School Bond Election Set For April 15

CLINTON — The Board of Education voted to call for an election on April 15, for approving a bond issue to finance a local secondary building program.

Citizen's meetings are being held throughout the school district at which the building program is being explained to small groups of people, and discussions are held.

At this time the exact amount of the bonding proposal has not been finalized for publication.

The last day to register for this school bond election is March 15.

The board discussed at length the proposed school site.

An explanation was given of the National Defense Act, Title III, by which the school will receive $2,200 in Industrial Arts Equipment and $1,900 in maps, etc., for the elementary program.

It was announced that all county school board members are to attend a joint meeting Feb. 27 at 8 p.m. at the Lenawee Institute to discuss Vocation and Technical Education in Lenawee County and facts will be presented about the June 10 election for establishment of such a center in this county.

Card Party Postponed To April 20

CLINTON — Because of the recent fire in the Community Center, the St. Dominic's Altar Society had to cancel their card party scheduled there last week.

At their meeting last Monday evening at the home of Mrs. William Kershner, the group decided to hold the card party April 20 in the high school cafeteria.

Mrs. E. J. Kehoe distributed some men's shirts for the members to take home and make into hospital gowns.

Mrs. Kehoe was named chairman of a bake sale to be held Feb. 24. It was also voted to sell stationery.

An invitation was read from the Methodist Church women to take part in the World Day of Prayer service March 1 at 2 p.m. in the Methodist Church.

Mrs. William Kroger and Mrs. LaSovage were named hostesses for the March 11 meeting with the place to be announced.

Redskins Win Title Crown

By GINA GREEN

CLINTON — Happiness is winning league championships in two sports within a year, and happiness to Clinton High is drubbing Columbia Central 73-57 in the process.

There was joy to spare as Clinton's Redskins, who have won football titles in all four years of the existence of the Lakeland C Conference, finally won their first league trophy in basketball, Friday.

The Golden Eagles began the season as defending champions and appeared to be strong contenders for the 1968 crown, but sank to a 7-3 league record while Clinton closed with 10-1.

Columbia Central turned back 64-61 earlier in the season on the Redskin court, also failed to click on the home floor, as Clinton took a 26-18 first quarter lead.

Pressing strongly and taking advantage of Eagle bumbles and heads-up defense, the Redskins charged to a big lead, which was only whittled down to 13 points at one time and mounted as high as 23 points early in the fourth stanza.

Coach Dick Content surely hadn't expected to use many players against Columbia, but he was cheerfully able to clear the bench in the final minutes and still stash away a very gratifying victory.

Again, the Eagles were unable to counteract the shooting of Redskim ace Butch Hoelzer, who poured in 14 points in the opening frame and led all scorers with 23 points.

More trouble came from senior guard Jake Schwab's triple threat of unbeatable ball handling, well-timed assists, and polished shooting. Schwab added 15 points to the Redskin total, followed by Mike Jurasek's 12 points and Jim Schuler's 10 tallies.

Miller and Thacher led Columbia with 12 and 10 points respectively.

Clinton's JV's fared well on their own, coming from behind to win a 10-point victory over the little Eagles. Leading the attack were Jim Claes, Ron LaSovage, and Mark Wegner.

Woman's Guild Honors Member For Active Duty

CLINTON — Mrs. George McDermott was honored for her active service to the church and Woman's Guild by the members of the Episcopal Church Women, at a meeting last Wednesday at the home of Mrs. David Van Tuyle.

Named "Queen of Hearts," Mrs. McDermott was presented with valentines from each member and also received a heart-shaped box of candy. The red and white centerpiece on the refreshment table was presented to her.

Attending were 23 members and the Rev. Charles Sturm.

The lesson on Jeremiah was presented by Rev. Sturm.

Mrs. Fred Wegner, Mrs. Thomas Karapas, Mrs. Donald Cutler and Mrs. Anna Mae Waterman were named to a committee to plan a bake sale in March.

Mrs. Sturm and Mrs. Donald Houghton were named co-chairmen of the Christmas bazaar.

A sum was voted toward the remodeling of the parish hall.

The Episcopal women were invited to participate in the World Day of Prayer service March 1 at the Methodist Church.

Mrs. George Lancaster will be hostess for the March 13 meeting.

Dairy Herd Is Up For Auction

CLINTON — Mr. and Mrs. James Brown and his parents, Mr. and Mrs. Leroy Brugger, are discontinuing their dairy farm partnership on Clinton-Macon Rd.

The 105-cow herd and tools will be sold at auction Thursday.

Mr. and Mrs. Brown have purchased the William Neblo farm, located four miles east of Clinton and will move there in a few days.

Board Makes Allocations

CLINTON — The Clinton Community Chest Board met Tuesday evening at the United Church of Christ and made the following allocations from the 1967 Chest Fund Drive:

Wolverine Boy Scouts	$650
Salvation Army	$450
with compliance regarding special appeals	
Girl Scouts	$350
Family Counseling Service	$500
Huron Valley Child Guidance	$ 75
Michigan United Fund	$988
Representing Clinton's fair share to Heart Association, USO, Cerebral Palsey, Kidney Foundation, Arthritis Foundation, Diabetes Association and 30 other agencies serving all the area.	
Red Cross, Lenawee County	$325
Red Cross, Washtenaw County	$125

The remainder of the budget is earmarked for local projects, programs and needs.

Lois Lancaster and Leslie Pierce aided the board in making allocations, and the Red Cross, Family Counseling Service, and the United Foundation had representatives present to explain their needs.

Several new members will be elected to the board at the next meeting, March 5, at 7:30 p.m., in the United Church of Christ.

Readings Are Presented By Forensic Society

CLINTON — The Friendship Night program of the Golden Rod Order of Eastern Star, held in the chapter room, Thursday evening, was attended by 110 persons representing nearly all the Lenawee-Monroe Association Chapters.

Robert Tallman introduced three members of the Adrian College Forensic Society, Roger Chapman, Philip Emerson and Charles Fowler, who presented a program of humorous readings.

Mrs. Delmar Manchester, grand committeewoman on the Hands Committee, made the presentation of plaques to chapters who had completed the every-member project for grand chapter charities. Receiving the plaques were the chapters from Addison, Adrian, Dundee, Fairfield, Tecumseh and Clinton.

Twelve association officers were introduced.

Mrs. Clair Morse, of Fairfield, president of the Lenawee-Monroe Association, was presented with an honorary membership in the Golden Rod Chapter.

The collection received will go to the scholarship fund of the DeMolay.

Clair Morse received the door prize.

The evening's diversion was a highly successful Country Store sale of hand-made articles.

The lasting floral arrangements, used to decorate the pedestals were won by several of the guests.

Mrs. Gus Smith and Mrs. Norman Campbell served cake and cookies.

Six Win Prizes At Bridge Club

CLINTON — Red and white carnations and Valentine place mats graced the tables for the serving of dessert preceding the games at the meeting of the Duplicate Bridge Club, last Tuesday evening, at the home of Mrs. Arthur Rudel.

Tied for north-south prize were Mrs. Fred Geiger, Mrs. Clyde Miller, Mrs. William Driscoll and Mrs. Rudel. East-west prizes were won by Mrs. Edward Hunt of Tecumseh and Mrs. E. John Hoelzer.

Substitutes for the evening were Mrs. John Hoelzer and Mrs. Kenneth Geiger.

Mrs. Hunt will be the next hostess on March 19.

Specialist 5 Richard L. Faust, has been assigned to Headquarters Troop, First Cavalry in Chu Lai, Vietnam. His wife, nee Donna Sackett, resides in Clinton, and his father, Otto Faust, lives at 8901 Holloway Rd., Britton. Richard entered the Army in October, 1966, and spent 16 months at Ft. Hood, Tex., before leaving for Vietnam, Jan. 20.

Daytime Thefts

CLINTON — Dearborn Steel Tubing Company reported the theft of a heavy duty starter motor, valued at $60, some time Thursday, from inside the plant.

Hubert Van Camp, operator of the Trading Post at Evans Lake, reported the theft of an electric adding machine sometime Friday night or Saturday.

Since there is no evidence of a forced entry, it is possible the machine was taken while the store was open and Mr. VanCamp was working in the back room, State Police said.

Church to Hold Meeting Feb. 25

CLINTON — An important meeting of the members of the United Church of Christ will be held Sunday, Feb. 25, at 11 a.m., following the service.

Decisions are to be made about the completion of the sanctuary remodeling and purchase of chancel furnishings.

Considerable progress has been made by several men volunteers who have rebuilt the chancel floor area, moved the organ, and moved the rear entry wall in the past two weeks.

Moderator Robert Vogel asks anyone interested in the remodeling program to be present at the meeting Sunday.

Big Pow Wow Held

CLINTON — Attending the Purina Big Pig Pow Wow at Fort Wayne, Ind., Wednesday were James Darish and Murl Henricks of Tecumseh, Bill Hamilton of Manchester, Charles and Max Steffens, and Harold Calhoun of Clinton, and other swine farmers from Chelsea, Manchester and Ann Arbor area.

During the day-long seminar, hog experts discussed nutrition, hog health and farm management from various segments of the hog industry.

Goes To See New Baby

CLINTON — A daughter, Jennifer Ann, was born Feb. 7, to Mr. and Mrs. Joseph O'Donnell of Alexandria, Va. The maternal grandparents are Mr. and Mrs. Hans Schmidt. Mrs. Schmidt is spending some time in Alexandria getting acquainted with the newest member of the family.

Peggy A. Jurasek, David C. Kohler Wed

CLINTON — Nuptial vows were spoken by Peggy Ann Jurasek and David Clarence Kohler in the Holy Ghost Lutheran Church, Monroe, Saturday.

The ceremony was performed by the Rev. Richard at 7 p.m.

The bride is the daughter of Mr. and Mrs. Jerry Jurasek of 218 Locust St., Clinton, and the bridegroom is the son of Mr. and Mrs. Clarence Kohler of Monroe.

Given in marriage by her father, the bride approached the altar wearing a colonial styled lace gown with a square-necked, fitted bodice, long sleeves, and accented with a tiered lace skirt. An overskirt of lace was edged in rhinestones and ended in a chapel train.

A lace crown, trimmed with seed pearls and sequins held her elbow-length veil. The bride's bouquet was white carnations centered with pink rosebuds.

The bride's attendants were gowned alike in floor-length light blue, Empire cage dresses of nylon net over taffeta.

Their headdresses were matching circlets of veiling and they carried bouquets of pink and white carnations.

The maid of honor was Barbara Smith of Milan, and the bridesmaids were Sue Smock of Tecumseh, and Pamela Sweet of Clinton. The junior bridesmaids were Elaine Kohler of Monroe, sister of the bridegroom, and Janice Rinehart, cousin of the bridegroom. The flower girl was Debbie Kohler of Monroe, and the ring bearer was Kevin Edict of Chelsea.

Donald Kohler of Monroe was his brother's best man.

The ushers were Jerry Vollmer of Monroe, brother-in-law of the groom and Randy Dotson of Tecumseh. Junior ushers were Gary Rinehart of Monroe, and Danny Jurasek, of Clinton, brother of the bride.

A reception at the Tecumseh Products hall was attended by 450 guests.

The bride is a 1967 graduate of Clinton High School, and is employed at Ford Motor Company, Saline.

Mr. Kohler is a graduate of Monroe High School, and is employed at Monaghan Bronze Company, Flat Rock, while also attending Toledo Technical Institute.

A rehearsal dinner was given by the bride's parents, at the Golden Drumstick, Monroe, last Monday.

Following a southern trip for a week, the newlyweds will be at home in Flat Rock.

Fire Destroys Bristle Barn

CLINTON — There were 80 sheep, nine head of cattle, a combine and assorted tools, and a quantity of hay lost in Clinton's second big fire, within a week.

The fire at the farm owned by Mr. and Mrs. Frank Fitzpatrick, and operated by Robert Bristle, at 10075 Fisk Rd., was discovered about 3:20 a.m., by Knowlton Brown, a neighboring farmer, to the west.

Strong winds carried sparks to three other buildings on the Bristle farm, and set small blazes on four buildings at the Brown farm, located at 9905 Fisk Rd. Clinton firemen stayed at the scene until 7:15 a.m., and were able to save all the small buildings on both places, but were unable to save the big Bristle barn.

Firemen were called to the Thomas Stadler residence, on Clinton-Manchester Rd., at 1:15 p.m., Sunday, to put out a stump fire which had gotten out of control, and burned some grass near the house.

what does A&P stand for?

(Besides The Great Atlantic and Pacific Tea Co., Inc.)

Fairness, honesty, dependability and quality.
Our founder established these business guides for A&P over 100 years ago.

It is from this basic foundation that so many of our current-day policies have grown:

Our Raincheck policy, for example, which assures you that you will never miss out on an advertised item.

Our policy of packaging meats, that guarantees that the side you can't see is equal to or better than the side you can see.

Our complete and unconditional guarantee of anything you buy at A&P, no matter who makes it.

Our dedication to quality in the production of our own brands. Quality standards so high that we guarantee any product bearing the A&P Seal is equal to or better than the nationally famous brands.

You can probably sum it up in one word, "CARE." We care about you

When you think about it... shouldn't A&P be your store?

Troop 73 Camps Out For Weekend

The weatherman cooperated with two of the coldest, windiest days of this month when members of Boy Scout Troop 73 and their leaders went on a "Polar Bear Camp-out" over the weekend. The group went to "The Pines" owned by Robert DeGroot and about five miles south of Tecumseh on Kopke Rd.

Skills in setting up and taking down tents, maintaining camp and cooking all meals outside in temperatures hovering near zero were completed by all scouts and leaders.

The boys and leaders were awarded their Polar Bear badges.

Members of the group are:

Gerald Beaubien, Larry Bird, Jim Crandall, David DeGroot, Richard Disbrow, Terry Fowle, John Frownfelder, Jeff Green, Frank Hawthorne, Bill Jennings, Fred McKeever, Ken Meadows, Bob Meadows, John Merz, from Troop 4; Bob Merz, Fred Morley, Richard Packard, Tim Rutherford, Stan Samonek, Rory Skinner, Jay Warren, Colby Welch, Ray Winzler and Gary Wonderly.

Tom Cook, Scoutmaster.

Harold Warren, Assistant Scoutmaster.

Robert DeGroot, Committeeman.

Surprise Party Held to Celebrate 61st Anniversary

"We told little white lies for two weeks," said Mrs. Austin Partridge as she told of the conspiracy to surprise Mr. and Mrs. M. G. Partridge on their 61st wedding anniversary.

A planned potluck dinner was held at the home of Mr. and Mrs. Allan Barrett and six children, Mary Jo, Michael, Mark, Matthew, Martin and Malcolm.

Twenty-six guests were seated at a long table centered with white snapdragons, pink carnations and daffodils with gold and white streamers down the length of the table.

Pink tapers filled the gold candelabra matching the floral vase.

Mrs. Forrest Barrett of Britton made a decorated cake with miniature bride and groom and yellow and white accents.

Out of town guests included Milton Partridge of Plymouth, Electa Stephens of Windsor, Canade, the Forrest Barretts, Mr. and Mrs. Austin Partridge and Arnold of Tipton, Elaine Dempsey, Adrian and Mickey Partridge, Deyo Tallman, Mr. and Mrs. Roger Partridge and Shawn and Rodney and the Rev. and Mrs. Blair Bashore, all of Tecumseh.

Mr. Sisty is the son of Mr. and Mrs. Raymond Sisty, 3841 Kaiser Rd., Tecumseh. Mr. Sisty is a 1967 graduate of Clinton High School and is employed at Ford Motor Company, Saline. A September 27 wedding is being planned by the couple.

Keith E. Swain Completes State Farm Training

Keith E. Swain, now of Saline and formerly of Tecumseh, has returned home after completing four weeks of technical study at his firm's home office in Bloomington, Ill.

He is a claim representative for State Farm Mutual Automobile Insurance Co., working out of the Ann Arbor service office on Packard Rd.

The Swains sold their home here and moved to Saline before Christmas. Mrs. Swain taught last semester in the Tecumseh Acres School. She has taught in Tecumseh system previously.

The couple have one daughter, Adrienne.

Sgt. Leroy King Is Recognized For Helping Unit

Staff Sergeant Leroy W. King, son of Mr. and Mrs. Herman R. Radant, 210 Iroquois Dr., has been recognized for helping his unit earn the U. S. Air Force Outstanding Unit Award.

The sergeant, a flight engineer in a unit of the Atlantic Aerospace Rescue and Recovery Center headquartered at Ramstein AB, Germany, will wear a distinctive service ribbon as a permanent decoration. He is on duty at Hahn AB, Germany.

The unit was cited for maintaining a sustained search and rescue commitment with a perfect flying safety record.

In addition to the normal planned precautionary support of Air Force operations, the center provides extensive coverage to the National Aeronautics and Space Administration (NASA) space program, and flies numerous humanitarian assistance missions for civilian agencies of the United States and foreign nations.

The center's area of responsibility encompasses four continents.

Sergeant King is a 1959 graduate of Tecumseh High School.

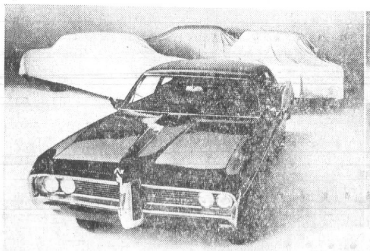
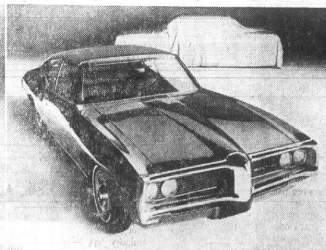
If we weren't sure of winning, we wouldn't be making comparisons.



Pontiac vs the so-called low-priced cars.

You might find a better description for them when you know Catalina has a 400-cu.-in. V-8, 121-inch wheelbase, Wide-Track, and all for a price you might have to pinch yourself to believe.



Pontiac vs economy cars.

All Tempests come with an OHC Six developing 175 hp on regular. If that isn't enough, V-8's go to 320 hp. Tie that to Wide-Track and find out what an economy car can be.

FUND GIVES $12,500 — Robert French, second from the right, presents City Manager Cal Zorn a check for $12,500 from the Tecumseh Community Fund Foundation. The payment is the Foundation's gift to the city for construction of a $55,000 building — seen in the background — at the Tecumseh Park. An open house for the new structure is tentatively planned for spring, probably about the time the swimming season opens. Looking on here are Don Moffatt, city recreation director, and Merlyn Downing, Foundation director.

4-H Club Leaders Honored

The 4-H Club Leader Recognition Banquet was held Feb. 14 at the Sand Creek High School. The banquet is sponsored annually by the Lenawee County Banker's Association.

Bill Walter, county extension agent, praised the efforts of all leaders, saving special praise for those in their first year.

Justin Sutton, who recently retired from the Consumers Power Co., and who has taken a large part in club activities over the years, was awarded a plaque for outstanding service to the 4-H Program. Mr. Sutton is from Morenci.

Those from the Tecumseh and surrounding areas receiving awards were, for five years: Mrs. Jack Allen, Tipton; Mrs. John Gautz, Holloway; Richard Gentz, Tipton; Mrs. Orrie Gilbert, Tecumseh; Mrs. Charles Irelan, Tecumseh; Mrs. Robert Osburn, Tipton; Mrs. Ray Schlegel, Tecumseh; Mrs. Max Skinner, Tecumseh.

For 10 years of service as a leader, pins were awarded to Mrs. Russell Mitzner of Tecumseh and Mrs. Glenn VanVleet of Ridgeway.

Receiving a pin for 15 years as a leader was Mrs. William Osburn of Holloway. Also given mention for her work as a leader was Mrs. Robert Ries of Tecumseh, who has, for 27 years, served in that capacity. Mrs. Ries made the presentation to Mrs. Osburn.

Elections were held for the 4-H Club Council of Lenawee County. Both junior and senior members were elected.

State Police Recruiting Troopers

Young men who want challenging careers as troopers in the Michigan State Police are advised by Sgt. Henry Louwerens, commander of the Clinton post, that opportunities to enlist in the department never were better.

The need for officers was occasioned by recent legislative approval for 225 more trooper positions.

With this objective, specialist recruiters are intensifying their efforts to locate qualified applicants while the department plans overlapping of recruit schools to graduate as many troopers as possible by mid-year.

Eligible to apply for enlistment are men, 21 to 30 years old inclusive, who are high school graduates or the equivalent, and who are American citizens at least 5 feet 9 inches tall, weighing at least 150 pounds with weight in proportion to height.

Sergeant Louwerens said that complete details on trooper careers may be obtained at any State Police post or by writing to the Michigan Civil Service Commission at Lansing.

"The pay schedule, job security, pension and many other benefits and advantages make State Police careers rank with the best in the police profession," the Clinton Post Commander pointed out.

Trooper pay begins at a bi-weekly rate of $257.60, starting with recruit school, and then through automatic steps climbs to $361.60 after six years. A proposed pay raise would increase these levels to $272.88 and $383.20 if approved by the legislature. Troopers also have opportunity to take examinations for promotion which bring pay increases.

Sergeant Louwerens added that uniforms and equipment are provided, and other benefits are paid vacations, paid sick leave, and longevity pay after six years. Cost-shared insurance plans are available.

He noted that the State Police pension plan enables an officer to retire at half pay after only 25 years of service, still young enough to start another career if he desires.

ANNUAL TAX SALE

STATE OF MICHIGAN

SCHEDULE "A"

TAXES OF 1965 AND PRIOR YEARS

In the Circuit Court for the County of Lenawee

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

No. 4005

Office Supply

On reading and filing the complaint of the State Treasurer of the State of Michigan, praying for a judgment in favor of the State of Michigan, against each parcel of land hereinafter described for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such parcel be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March term of this Court, to be held at Adrian in the County of Lenawee State of Michigan, on the 11th day of March A. D. 1968 at the opening of the Court on that day, and that all persons interested in the said lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file within three days thereof their answer thereto, or on before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgment will be taken and entered as prayed for in said complaint. And it is further ordered that the proceeds of such judgment the lands described in said complaint for which, or any part thereof, sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, beginning at 10 o'clock on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and parcels and execute the deeds, at the office of the County Treasurer, or such convenient place as shall be selected by him at the county seat of the county of Lenawee, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the judgment shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire interest, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the accounting before the close of the sale, be reoffered, and if on such second offer, no bidder offers to sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. REX B. MARTIN, Circuit Judge, and the seal of said Circuit Court of Lenawee County this 24th day of January A. D. 1968.

(s) REX B. MARTIN,
Circuit Judge.

Countersigned,
Patricia J. Johnston, Clerk.

STATE OF MICHIGAN

In the Circuit Court for the County of Lenawee

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Lenawee:

ALLISON GREEN, State Treasurer of the State of Michigan, respectfully shows unto the Court:

1. That he is the State Treasurer of the State of Michigan and makes and files this complaint for the purpose of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893 as amended, Act No. 126 of the Public Acts of 1933, as amended, and Act No. 380 of P.A. 1965, as amended.

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes were heretofore assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of such lands in said county heretofore bid off in the name of the State and thus held and upon which taxes have been reassessed subsequent to the tax for which such were sold to the State have likewise remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county upon which delinquent for any installment of taxes under the provisions of Act 126, P.A. 1933, as amended.

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description, (b) interest for non-payment of which the same may lawfully be said at the rate annual rate, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $3.00 for expenses, all in accordance with the provisions of the act first above mentioned.

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and a valid undivided delinquent and unpaid for sufficient time to entitle the same to be provided by the foregoing acts, the sale of the aforesaid parcels of land upon which they were assessed and as extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which by this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended.

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the several sums for said taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment ordered to be extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold at the law premises.

d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc.

ALLISON GREEN
State Treasurer of the State of Michigan, for and in behalf of said State.

What's Going on at BOYSVILLE

By GREG KOVACS

On Tuesday, February 13, there was an excursion to the Fisher Theatre in Detroit for seventy-six students and four brothers. At this excursion the students attended the musical comedy "George M", in which Joel Grey portrayed the life of the late George M. Cohan, a great musical composer of the early 20th Century.

This trip was another of the federal government cultural enrichment programs whereas they pick up the tab for the evening. The students traveled by chartered Greyhound buses and were treated to a turkey supper at the Showboat in Detroit.

The students left the Boysville campus at 5:00 p.m. and returned from the joyful evening of entertainment at 12:30 a.m.

This excursion is the last that the students of Boysville will be involved in for this year, but the students are looking forward to these trips again in the future years.

One-hundred and fifty of the Thomas More High School students traveled to the Tecumseh Community Center last Wednesday evening to view the Tecumseh Players' version of the Broadway hit musical, "Finian's Rainbow."

The play was very exciting to the students as they wondered when they were going to get the chance to see their fellow classmates perform.

Five students of Thomas More High School were associated with the play as they acted out bit parts. Nick Carroll, Al Hines, Gil Jackson, Larryal Mack, and Cliff Reynolds, all students from the Boysville campus, made the play a bit more exciting for the Thomas More students as they didn't think that anyone on campus had any acting ability, but after the performance it was commented that the boys had played a good part, and were glad that the students of Boysville are taking part in local activities.

The students who witnessed the performance wish to extend appreciation on how well the boys had represented our campus.

Brother William Easton, C.S.C., a native of Iowa, has been added to the faculty of Thomas More High School on the campus of Boysville of Michigan. Brother William came here from the faculty of Gibault Home for Boys in Terre Haute, Ind. He attended Saint Edwards University in Austin, Texas where he was a major in French. In the future, Brother William hopes to continue his education and become associated with social work.

Brother William has taken on the duties of being the World Geography instructor, and has taken charge of the Dettman Recreation Hall.

Along with his assigned duties he will be aiding Mr. Robert Devlin, Social Services Director, in the Social Services Department.

On Sunday, February 18, the students of Thomas More High School were entertained by a group of four girls from Marygrove College in Detroit. The Airates, as they call themselves, performed a "Hootenanny." The girls are all sophomores at Marygrove and enjoy entertaining people in the way of folk music.

During a break for the guests, Ken Atkins, MC, introduced some of the local talent of the school as a freshman group pantomimed and an upperclassman group led the audience to a clapping spree singing "Amen."

When the Airates returned for the second half of their performance, they were pleased with the way their audience was clapping and with the aid of a few Thomas More students they put on a little skit involving Mother Nature. After the skit was over they began a sing-a-long in which everyone exercised their vocal chords and thanked the girls for the wonderful evening of entertainment.

Capt. Richard W. Sunderling is the anesthesiologist at the 67th evacuation hospital at Qui Nhon, Vietnam. He left his practice at Bethlehem, Pa., and went to Vietnam Dec. 27. His wife, the former Sharon Claxton, and two children, Julie, almost 5, and Sandra, almost 3, are living with her mother, Mrs. W. T. Claxton, at Vineyard Lake. The Sundlings occasionally took over for the late Dr. Claxton in his Britton office.

Open House

BRITTON — Mr. and Mrs. Murell Clark will hold Open House Sunday, Feb. 25, from 2 to 5 p.m., at their home at 302 North Van Buren St., Tecumseh.

The couple left immediately after their recent wedding on a trip to the Bahama Islands.

Sweet Clovers Host Skating Party at Arena

The Onsted Sweet Clovers 4-H Club were hosts to 125 guests and members Feb. 13 for a roller skating party at the Arena on M-52.

Members of other clubs were from the West Adrian Livewires, Tipton Jets and the Round Top Club.

The next meeting will be held March 4 at 6:30 p.m. in the Onsted School multi-purpose room. A dinner will precede the achievement night awards.

Dundee To Host Understand-In

A Parent-Teen Understand-in will be held Feb. 24 at the All-Purpose Room of the Dundee Elementary School, Dundee.

The objectives of the program are to enhance better communications between parent and teen.

The Cooperative Extension Service of MSU, which is sponsoring the Understand-in, invites anyone, 12 on up to come, emphasizing that only parents who bring their teenagers should plan to attend.

The program is scheduled to last from 9:30 a.m. until 4:00 p.m., with members of the staff being furnished by the university. Among those participating will be Bill Walter and Patricia Johnson of the Lenawee Extension office.

Further information can be obtained by calling 265-5108 at the courthouse in Adrian.

Professor Writes Research Article

Dr. Alfred O. Dick, assistant professor of psychology at Lake Forest College in Illinois, is co-author of an article, "Order of Report and Processing in Tachistoscopic Recognition," in the December Perception & Psychophysics, published in California by the Psychonomic Press.

Dr. D. J. K. Mewhort, of the University of Waterloo and Professor Dick prepared the article as a report on part of a research project being conducted at Waterloo supported by the Defense Research Board of Canada. Some of the data were presented at meetings of the Canadian Psychological Association at Ottawa last year.

The tachistoscope, an apparatus which operates like a camera shutter to expose visual stimuli for extremely brief periods, was used in the study. Results indicate that people perceive numbers differently from the way in which they perceive letters.

Professor Dick is a 1963 graduate of Dartmouth College and received his Ph.D. from the University of Waterloo in 1967.

Dr. Dick's parents are Mr. and Mrs. Herman Dick, 1109 Dinius Rd.

Pondering their homework in a new country and a new language are four students of the senior class at Tecumseh High School. The young people are in America as exchange students sponsored by Youth for Understanding. Left to right, they are Else Vestergaard of Denmark, Hans Peter Larsen also of Denmark, Sonia Linzmayer of Santiago, Chile, and Claudia D'Angelo of Rio de Janeiro.

Share Experiences

By BILL SANFORD

The Tecumseh High School senior class has four exchange students among their members. Two represent Denmark, one Chile and one from Brazil.

Hans Peter Larsen is a tall young man from Copenhagen, Denmark, who thinks America is "groovy." Hans has been in Tecumseh since Aug. 18 of last year. He is staying at the William Murphy residence at 4055 Monroe Rd., Tipton.

Hans' stay in America has been "wonderful," and he explained that he was fortunate to stay with a "very special family." Together they have visited the cities of Michigan and have gone to museums, which he enjoys doing very much.

The young Dane is musically inclined as is evidenced by his participation in the high school band. First he played the trombone, just recently switching to the baritone. He likes listening to music. Among composers he mentioned Beethoven as his favorite, although he continued to say he can appreciate the newer style of music which started with the Beatles.

He had high praise for the school system and of the facilities which they provide for the assistance given to the exchange student.

At home in Denmark he lives with his mother and a 23-year-old sister. Upon his graduation from high school Hans' goal is to become a teacher, one of his primary goals while in America is to become more acquainted with the English language and to learn as much as he can of the American form of education.

Another student left a dream situation, or what would appear to be to most people in the wintry north, Claudia D'Angelo left Brazil when it was 96 degrees. She likes the snow of Michigan, which is one of her new experiences.

Claudia's music likes range around the bosa nova and other Brazilian music, one of her secret desires is to be able to play the guitar.

Also coming to America from Denmark is Else Vestergaard, her Danish home is in Farstrup. In her homeland she lives with her mother, father, who is a dairy owner, and two older brothers.

"Everything in America is great, different and great," according to the Danish lass. She makes her home here with Mr. and Mrs. William Ferow, 7098 E. Monroe Rd., Tipton. The Ferows have a son and daughter, Gary and Audrey.

The Ferows do everything to make her feel at home, as a member of the family. Else likes the weather, although it is some colder here than in Denmark.

Else is a member of the Latin Club, plays some volley ball and enjoys the high school basketball games. Her music interests lie mainly in folk music and modern types of music.

Miss Vestergaard found big cars, young drivers and the amount of homework with which she has been assigned from school, as some of the experiences which she is learning to cope with in America.

Sonia Linzmayer of Santiago, Chile, 18 years old, is staying at the home of Mr. and Mrs. LaVerne Moll, 5800 Holloway Rd., Britton. Sonia's first observations of America and the people of Tecumseh was that "The Americans are nice, winsome people."

Some of the differences between America and her homeland were experienced rather soon. Miss Linzmayer found it rather difficult to accept fruit in her salad which was one of the many differences in the food of the U. S. and the Chilean food to which she was accustomed. She likes the American style and is enjoying learning of the customs.

The question, what do you think of American boys, or in Hans' case, girls? was put to them. Their replies were: Hans likes the American girl, but "would like to take them home with me and show them how informal we are in Denmark." Else thinks the American boy is polite but still prefers Danish boys.

Sonia, too, prefers boys from her homeland, but thinks the boys she has met are friendly and nice.? Claudia believes the American boy is gentle and kind, though different in many ways from those at home, and they have longer hair.

The students are sponsored by the Youth for Understanding organization. They will be leaving for home the latter part of July. While in classes here the students are made honorary members of student council and also of the National Honors Society to help them further to participate in school activities.

Sings Along With Helen

"Sing Along With Helen" was the format for the February program of the Tecumseh Music Club.

Helen Bendes, program chairman for the evening, got the group singing old American songs, as she accompanied at the piano.

She chose the music of such composers as Stephen Foster, William Kindt, Woody Guthrie and Daniel Emmett. Before each number Miss Bendes presented facts and anecdotes concerning the writing of the music.

Twelve members and two guests met Tuesday evening, February 13, at the home of Mrs. Perry Hayden. Mrs. Clarence Brock was co-hostess.

Mrs. Owen Merrill, president, announced that the next meeting will be held March 12, at the Friends Church. This will be the auditions by the Music Makers for the scholarship awarded jointly by the Music Makers and the Tecumseh Music Club.

Serving as judges for the evening will Mrs. Harold Davidter and Roger Marrison of Manchester, and Richard Perkins, of Clinton.

Methodist Church Baptizes Six

The sacrament of Christian Baptism was observed Sunday morning at the Tecumseh Methodist Church by Rev. Donald Porteous. Receiving the sacrament were Bryan Scott and Lisa Michelle Perry, children of Mr. and Mrs. Dale Perry; Brian Lee Duckworth, son of Mr. and Mrs. Warren Duckworth; Michael Sean Kussmaul, son of Mr. and Mrs. Raymond Kussmaul; Annette Deane Carpenter, daughter of Mr. and Mrs. Duane Carpenter, and Gayle Yvette Mabrey, daughter of Mr. and Mrs. James Mabrey.

The Raisin Sewing Circle met with Mrs. Florence Gafmer with 12 members present. Mrs. Ruth Palmer joined the circle last week. Refreshments of Jello, cookies and coffee were served. The next meeting will be held at the home of Mrs. Irene Rouget of Palmyra Friday, March 8.

Mr. and Mrs. Wilson Sawyer and Mr. and Mrs. John Becker were dinner guests Saturday night of Mr. and Mrs. Jack Banfield of Jackson.

Mr. and Mrs. Richard Damon of Adrian visited Mr. and Mrs. Ralph McGuire Wednesday night.

The Round the Block Extension Club will meet at the home of Mrs. William German Feb. 26, at 7:30 p.m. The lesson will be "Understanding Color and How To Use It In The Home."

Mrs. Lorrie Wilson and children of Mason visited Mrs. Harold Sackett Thursday.

James Welch, who lived with James Flotte on Roger Highway, moved to Adrian last Saturday.

Mrs. Roy Brosamer and daughter, Mrs. Dennis Irelan, picked up Dennis' grandmother, Mrs. Rena Clark of Tecumseh, Sunday. She had been visiting her sister, Mrs. Glenn Pepper. Dennis Irelan is attending Eastern Michigan University in Ypsilanti.

Mr. and Mrs. Donald Mitchell attended the Lincoln Day Banquet at Siena Heights Thursday night.

Mr. and Mrs. Wilson Sawyer attended a birthday party recently for the great-granddaughter, Audra Jayne, at the home of her parents, Mr. and Mrs. David Heimerdinger, Clinton.

Mr. and Mrs. Allen Reister of Onsted were dinner guests of Mr. and Mrs. Wilson Sawyer Sunday.

Mrs. Mamie Gritzmaker returned home from University Hospital in Ann Arbor Sunday.

YOU NEED A HOME
FIRE EXTINGUISHER

Safety of home and life is of vital concern to all of us. In 1966, a fire broke out in a home every 49 seconds. Every 43 minutes fire claimed a life . . . that's 12,000 deaths . . . and half of these occurred in homes . . . Another staggering statistic was fire damage to dwellings . . . $325,000,000.

We know you share our concern in the prevention of this unfortunate waste of human life and property. It is entirely possible that some of this tragic loss could have been averted if immediate first aid in the form of a home fire extinguisher had been available. It takes only 10 seconds to control a small kitchen fire provided they are the first 10 seconds and provided a good fully-charged fire extinguisher is readily at hand.

With this in mind, we have made special arrangements with a representative of American LaFrance to make available an Underwriter Laboratory approved fire extinguisher at an extremely attractive price. We recognize that this is not the ultimate in home protection; but at this price, there can be little reason not to have one or more extinguishers in every home.

COST TO YOU IS ONLY $5.50 EACH

VOICE of THE HERALD

Where Are We Headed?

Within the next three or four months, taxpayers in the Tecumseh school district will focus much attention on the operation of our schools.

Taxpayers will benefit from 5.1 mills dropped from the rolls, the end of the $1,900,000 building program approved in the mid-fifties.

This could mark the end of any decrease in school taxes for a long, long time, and start an era of frustration and austerity for the local schools.

School officials will have to spend their monies frugally and with goals of a fine education program in mind. Next Monday night could be a step backwards, one which could lead to defeat after defeat in seeking funds at the polls.

We do not believe that taxpayers will support school policies which dictate building bridges, building roads and other related incidentals, by purchasing a $112,-500 future school building site.

Costs alone in developing 75 acres in the west section of Tecumseh could soar.

Development of the future building site could range from $50,000 to $100,000, or more. These sums several years ago would have prevented the schools from adopting an austerity program, one which curtailed our educational programs and even had an elementary grade on half-day sessions.

Other, less costly sites are available with sewer and water lines nearby—and no bridges to build, less roads, less traffic congestion, and possibly more adaptable for the future.

With over five mills coming off in April, one would think the future a bit on the rosy side. It's not.

The schools can — and probably will — bond the district up to 2% of its equalized evaluation in April, or for about $900,-000. This could mean a couple of mills being tacked back on the rolls.

In June, the schools will have four mills expiring, and these mills are for operation. Instead of having the four mills renewed, taxpayers will probably be asked to approve a couple more, making a total of six mills.

With salaries rising throughout the state, teachers and other school employees unquestionably will be seeking higher salaries for the 1968-69 term. The Board already has been notified that teachers and secretaries want to negotiate soon on wages. These and other related factors will make additional millage necessary.

If this is the case, and it seems likely, what confidence will the Board merit from the taxpayers when monies are spent on bridges, development of streets and non-educational facilities?

The Board says the proposed building site will reduce the number of students being bused. How many? 300? 400? How much money will be saved — $10,000 or $20,000 or less per year?

Before the Board takes any action by signing a purchase agreement, we would like to see in black and white just what savings could be realized.

We would also like to know if parents want their youngsters to walk along a portion of W. Chicago Blvd. and other streets where there are no sidewalks and the traffic is heavy — and at 7 a.m. or earlier on the dark winter mornings.

It will be the taxpayer and parent who will make the final decisions, and we're afraid their response to additional millage will be negative if we have unwarranted, costly expenditures.

Through My Window

LOOKING AHEAD

The sleepy little ground hog saw his shadow several weeks ago, the thermometers are shivering at their low readings, gritty snow showers swirl through the air almost every day, the wind is still bitter and raw as it whips out of the frigid northwest and the calendar insists that we are still firmly anchored in winter.

My wayward mind, however, persists in thinking warm weather-type thoughts. Spring is just bound to come tiptoeing in one of these days—isn't it?

It was handling our deep freeze season quite well, it wasn't too bad until that tautalizing warm spell the first of the month. Even with all of the rain and the fog, the warmer temperatures were what made the impression—they were almost spring-like. And any discontent with winter was not helped any when, on Sunday the fourth of February, Mom made the astounding announcement, "The crocuses are up!"

Good gracious, they really were. The bright green little leaf spears were showing, oh, they must have been three or four inches high. Had not the cold weather made a quick return, the Duncans would have had crocus blossoms. As of this writing, Gertie T. reports that the overly eager ones are snugly tucked beneath a blanket of snow.

★

I AM NOT wishing for a big snowbank to dump itself on my bed, but it would help a little if these warm weather thoughts—dreams — wishes, which keep haunting me, would cool off a bit.

Sometimes though everything seems to conspire against me — even my reading material becomes uncooperative. An article about baby birds and their care just flew across my reading table. Misery loves company so will you please join me?

There are certain things which are just bound to happen come the warm and beautiful days of late spring. After all the fun of watching the birds select their mates, pick out a home-site, build the nest and patiently wait for the hatching, then the immediate problem becomes providing food for the youngsters.

When the kids are ready to leave home, and sometimes even before, the problem of lost, injured or abandoned baby birds arises. The Massachusetts Audubon Society bemoans this as the season when "helpless young birds meet equally helpless rescuer".

★

BECAUSE SAD, as it seems, taking pity on a nest drop-out is seldom successful. In the first place, young birds must be fed at least every 30 minutes during the daylight hours and how many of us can maintain that kind of a schedule for long. Then there is the problem of what to feed — the New Englander says that the most obvious is the worst and, by all means, baby birds should never be given milk.

Kidney or liver cut in worm-like strips sometimes works as does canned dog food. Water need not be given — there is usually enough moisture in food young birds gulp down. However, raisins, soaked in water, can be fed providing the bird is big enough to swallow them.

The swallowing bit presents a problem, too. It is apparently a reflex action with a trigger lying deep in the throat. Therefore, the food must be placed as far down as the parent bird's bill would place it for the kid to be able to swallow.

The Massachusetts people offer no hard and fast rules for rearing baby birds but they do stress the enormity of the undertaking and the slim chances for success. Even parent birds can expect to rear only about half of their family. Veteran bird people, who have knowledge, equipment and facilities, consider a 10 percent success good.

I am sometimes queried about what to do for baby birds and there really isn't a very satisfactory answer. Discourage prowling cats, put the youngster in a nearby bush or just leave them alone. Often the parents are close and keeping track of the situation.

So it is that there may be a blizzard howling outside, but I am achingly anxious for spring and all of these articles about springtime happenings merely add fuel to the fire of my thinking ahead.

Dr. Helzerman Is Re-e lected To The AAGP

Dr. Ralph F. Helzerman, 112 S. Ottawa St., has been re-elected to active membership in the American Academy of General Practice, the national association of family doctors.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. The Academy, the country's second largest national medical association, is the only medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., currently is spearheading a movement to create a new specialty of family medicine that will enhance the ability of the family physician to provide comprehensive, continuing care to the public. The foundation of this new specialty will be the Academy's postgraduate education program.

Strand Theatre Closed; Gambles in Big Expansion

Plans were announced this week by Don and D. J. Martin, owners of Tecumseh's Gamble store, to tear down the Strand Theatre for a 13,000-square-foot addition to their present store.

Their decision to expand resulted after a series of troubles plagued the operation of the theatre, including forcement of the operator, John Truesdale of Clinton, to quit business.

Last week, Mr. Truesdale was told by his doctors to give up all of his business interests, including operation of the Clinton Theatre.

Although he does not own the theatre building here, the Martins bought it last December, he does own the facilities at Clinton and plans to sell them as soon as possible.

Whether the Clinton theatre will be continued as a movie house will depend on who buys it and whether the new owner elects to run movies.

The Strand has struggled here for a number of years. When Mr. Truesdale began operating it for the Martins, he featured top movies and drew sizable crowds.

However, in recent weeks he encountered difficulty in securing top movies and attendance dropped off. This occurred after a boiler blew up and had to be replaced at considerable expense. At the time, the theatre was closed for a few days for repairs.

*

GAMBLES' new addition, which will extend along the boulevard to Bancroft Cleaners, will enable the proprietors to expand existing departments and to display their furniture on the first floor.

At the present, this department is located on the second floor in a 3,000-square-foot room. Present store covers 7,500 square feet on the first floor, plus the furniture department.

Just when the theatre will be torn down and when construction for Gambles' addition starts have not been determined. The decision — made this week after Mr. Truesdale's health problem became evident — was reached after the owners studied the theatre's problems.

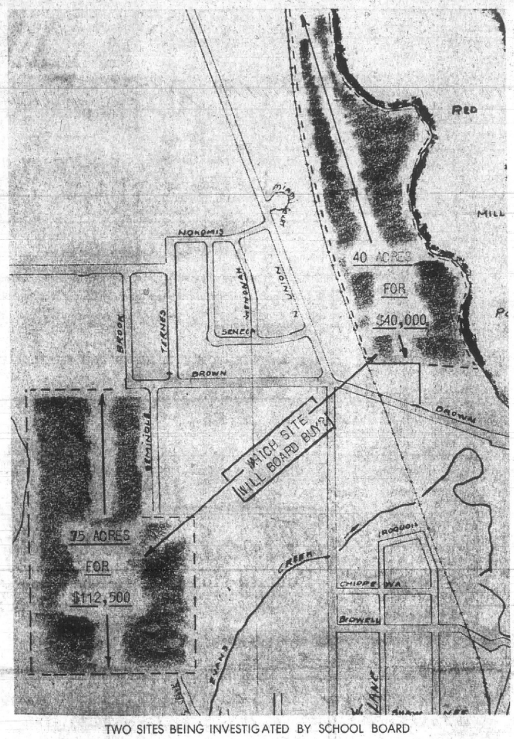
They originally intended to remodel and redecorate the theatre with Mr. Truesdale as the manager.

It is doubtful that any demolition will start for several weeks.

According to Tecumseh historian, Clara Waldron, a subscription drive to raise $5,000 at $500 per share was started in 1877 for a "Social Hall." The drive was filled in two weeks and work started in early 1878.

It was the beginning of what is now the Strand Theatre.

MOVIE ERA ENDS — Problem after problem has finally signaled the end of a movie house in Tecumseh. Final and decisive blow fell last week when doctors advised John Truesdale, operator, to give up all business interests. A 13,000-square-foot addition to the present Gamble store will take the place of the Strand. Upper section of the building here was started in 1877 and finished in 1878. Front part and marquee added much later.



TWO SITES BEING INVESTIGATED BY SCHOOL BOARD

Board Tables Buying School Building Site

Plans to purchase a $112,500 site for a future school building were tabled Monday night by the School Board, when members asked that another site be investigated.

The other site, about 40 acres owned by the Tecumseh Products and located just north of the Methodist Church, can be obtained for about a third of the other site's cost.

Aden Mead, Board president, told other members that he had talked with Products' officials and was told the site was available for about $40,000.

The Products' property, considered a few years ago for a school site, runs north from the church and is bounded on west by a railroad line and on the east by River Raisin.

Sewer and water are available practically at the property line, and two streets could easily be constructed into the area.

Only drawback to the property would be the necessity of building a lift station to a nearby existing sewer. Cost, according to city officials, would be less than $10,000.

The 75-acre and $112,500 site, owned by Robert Fuller in the west section of town, is still being considered and a purchase agreement is ready for Board signatures.

In a review of the sites, Supt. James McDowell said an engineer from Lansing had inspected them and had estimated some costs in development.

Mr. McDowell said the engineer's report showed that a three-tube, culvert-type bridge for Evans Creek would cost about $22,500. Construction would consist of large corrugated steel tubes for creek water to pass through.

However, this type of bridge, according to the superintendent, would not be approved by the city if built for the public.

A conventional bridge, similar to the one constructed over the creek on N. Maumee St. and approved by the city would cost about $48,500. No bridge is necessary on the Products' property.

In regards to streets for the Fuller property, a plan showed extending Seminole Dr. south to a point just west of the Patterson School property. A street here could be built west from N. Union St., along the north edge of the school property, to an intersection with the south extension of Seminole.

Such a street, according to city maps, would be approximately a half mile in length. At today's costs for a street with proper width for bus and vehicle traffic, the approximate cost would run upwards of $30,000.

The street and bridge alone into the Fuller property, therefore, could cost nearly $80,000.

Mr. Mead pointed out that the school would not have to build a street to city specifications and could even build a gravel road with school employees maintaining it.

Other Board members did not approve of his idea.

No mention was made of widening Seminole Dr., which is only 26 feet wide from curb to curb, if it were to be used for an entry to the Fuller property and future school site. Other city streets, such as Brown St. and one which would be the principal street leading to the Products' property, is about 10 feet wider than Seminole.

As to building a street from N. Union across Patterson property, it was pointed out that it would bypass some private property and these owners could help pay for the expenses.

In regards to sewers to the two sites, the Fuller property would incur building one for possibly 1,000 feet. City officials also say that the schools would have to pay its share of running a sanitary sewer westward for future residential development of the northwest section of town.

If the schools declined to participate in such an expenditure, it was said that the schools would be forced to pay a sewer tap comparable to the cost of its share of extending the sewer.

A sewer into the Products' property would only run a few hundred feet. A lift station, however, would be necessary to force

Young Girl Is Killed

Services were held Sunday afternoon at the Macon Methodist Church for five-year-old Lucinda Louise McKeever, who was killed last Thursday when hit by a car while crossing the road in front of her home.

The little girl was the daughter of Mr. and Mrs. Ronald McKeever, 7600 Clinton-Macon Rd.

State Police said that the child ran out of the driveway at her home on the north side of the road toward the mailbox on the south side.

She apparently did not see a westbound car driven by Lloyd D. Schafer, 52, of Ida. The impact carried the girl's body about 200 feet west of the driveway. She was pronounced dead at the scene by Coroner Edward Braun.

Investigating police exonerated Schafer of the blame. He said that he was unable to see the child because of a hill.

Born Dec. 13, 1962 in Tecumseh, Cindy was a member of the Macon Church and attended the nursery class.

Besides her parents, she is survived by two brothers, Frederick, 12, and Mark, 8; three sisters, Betsy, 11, Tammy, 6, and April, 2; her grandparents, Mrs. Lucinda Wurster and Mr. and Mrs. James McKeever, all of Manchester, and Mr. and Mrs. Fred Schwartz of Clinton.

Arrangements were made by the Proctor Funeral Home and burial was in Riverside Cemetery.

Man Foiled In Robbery At Tavern

Richard Rupert, 31, of Detroit, was arrested by State Police at the scene of a hold-up attempt at Clinton's Wagon Wheel Tavern last Thursday afternoon.

According to witnesses, Rupert had been drinking at the bar until about 3:30 p.m. He then told the waitress, Mrs. Mary Aho, that he wanted the money from the cash register. Rupert appeared to be holding a weapon in his pocket.

Mrs. Aho told Rupert she didn't have authority to open the cash register, and went to ask the owner, Walter Miller. When she informed Mr. Miller in the rear of the building, he was able to call the police.

They arrested Rupert within minutes and discovered he was not armed.

Rupert was placed in Lenawee County Jail. He was charged with unarmed robbery and waived examination.

Shotgun Ends Discussion In A Hurry

Morris Flint, 37, 122 Michigan Ave., Clinton, knows how to settle an argument in a hurry.

He became involved in a heated discussion at the Bucket Tavern in Clinton last Friday and then walked out. When he returned, the discussion ended — abruptly!

Flint had gone out and purchased a shotgun and some shells, and was ready to argue again.

Michigan State Police settled the issue, however, and arrested Flint before any harm was done.

He was charged with felonious assault and a misdemeanor, pointing a gun at another person. Arraigned before Justice Ernie Oliver, he posted bond of $10,000 and was released, pending a hearing.

Tecumseh Products Strike Vote Is Scheduled Sunday by Union

Unless there is a prior settlement, members of the United Products Workers Union have indicated that the Union's membership will cast an overwhelming vote Sunday afternoon in favor of a strike against the Tecumseh Products.

If the Union votes to strike, date of the strike is expected to be set next Wednesday.

Grievances, one which resulted in the discharge of 13 Products employees, are the basis for a strike.

A mass meeting of the Union will be held this Sunday afternoon at the United Products Workers Union Hall for the purpose of taking a strike vote.

Monday, after discussing the grievances with company officials, the Union filed a 10-day strike notice with the company and with the State Labor Mediation Board.

Most of the trouble apparently rose last Friday night when additional manpower was sought for loading compressors into ovens. According to Union information, the men became fatigued, gave a half-hour notice that they would work only according to contract, and then quit work.

They reportedly were discharged later.

Other grievances are said to be unsettled and the Union hopes to settle all problems at one time. Tecumseh Products has an employment of approximately 3,200 and is the largest employer in this area. For a company this size, relations between management and employees has generally been considered far above average.

The Union has never struck, though there have been a few walkouts on occasions.

'Any Wednesday' Try-Outs Will Begin March 6

Try-outs for the Tecumseh Players' spring production of the comedy "Any Wednesday" will be held Wednesday, March 6, at 8 p.m., and Sunday, March 10, at 2 p.m., in the Tecumseh Community Center. This recent Broadway hit offers two parts for women and two parts for men. Thelma Hollenbeck of Adrian will be the director.

This adult comedy will go into rehearsal beginning March 18 and will be presented April 19, 20, 25, 26 and 27. Anyone who is interested in theatre production, whether in behind-stage work or acting, is urged to attend the above try-outs. New faces are always welcome, experienced or not.

For information concerning the Tecumseh Players, call 423-4557 or 423-4814.

Four Killed Tuesday, Including Tipton Boy

Four persons — including a baby from Tipton, — were killed and two injured in a truck-car crash on Mull's hill, US-12, just west of Sharon-Hollow Rd., at 7:55 Tuesday evening.

The fatalities, all in the car, included the driver, Robert C. Rosenberry, 22, Gady Rd.; his wife, Carol; and son, Steven, age 2; and Douglas Bannister, age 1, son of Mr. and Mrs. Richard Bannister, 1046 Breyman Hwy., Tipton.

Two other passengers in the car, Mrs. Richard (Lynn) Bannister, and son, Donald, age 3, were given emergency treatment at Herrick Memorial Hospital and then transferred to University Hospital in Ann Arbor.

Wednesday morning, they were reported in fair condition. Both have head injuries, and Donald, a broken right leg.

Driver of the tractor-truck, Norris B. Lynn, 28, of Wayne, was only shaken up.

The driver of the westbound truck told Clinton State Police that the eastbound Rosenberry car crossed the centerline and the two vehicles collided.

The bodies of Mr. and Mrs. Rosenberry and Steven were removed to the Everiss Funeral Home in Adrian and on Wednesday they were taken to the Jenkins Funeral Home at Union City.

Mr. Bannister is employed on the second shift at the Tecumseh Products Co. Arrangements for his son's body had not been made at press time.

Fire Protection To Fisher Body, Stauffer Offered

A plan to provide Fisher Body Plant and Stauffer Chemical with fire protection has been submitted to the companies for their appraisal and approval.

Annual rates of approximately $4,000 for Fisher Body and $1,000 for Stauffer have been approved by Council.

Rates were based on one mill for the assessed valuation of the two plants, located just south of Tecumseh in Raisin Township.

The one-mill rate was used since property owners inside city limits pay about this amount annually.

Riverview Is Exchange City

Tecumseh and Riverview, a Detroit suburb, were paired last week for Mayors' Exchange Day during the 15th annual Michigan Week.

City officials will exchange visits on May 20.

Clinton was paired with Dagget, and Britton with Minden City.

ACCIDENTS

The Tecumseh Police Department investigated five auto accidents over the past week, one involving minor personal injury and the total loss of a 1961 automobile.

February 22 — Clarence H. Randolph, 50, 6918 Close Rd., ran into an auto being driven by Chancy H. Ashenfelter, 63, 209 W. Cummins St., at the intersection of W. Pottawatamie and S. Pearl St. Randolph was cited for failure to yield the right of way.

February 22 — Chicago and Union was the scene of a minor damage accident when Dennis J. Smith, 19, of Jackson, made a left turn in front of a car being driven by Joyce E. Costigan, 40, 711 W. Pottawatamie. Both cars were headed west at the time. Smith was cited for an improper left turn.

February 22 — Susan Owen, 23, 711 Outer Dr., ran a stop sign and collided with a car being driven by Karen L. Oswald, 23, 3620 Pennington Rd. The Oswald car was a total loss in the accident. Both drivers suffered minor injuries and sought their own treatment after the accident. Susan Owens received a summons for a stop sign violation.

February 25 — John J. Harrison, 47, 1104 Sunset Dr., backed into a car owned by Salome Herrara, 219 E. Cummins. There was no charge made.

February 26 — The alley behind Wright's Drug Store was the scene of an accident when Clifford E. Rusling, 72, 213 W. Logan, backed into a car owned by William A. Wright, 53, 810 Outer Dr. Rusling was ticketed for improper backing.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

It's leap year and Thursday is the extra day, Feb. 29. The leapingest creature we have seen thus far is Chuck Wilder as the leprechaun in "Finian's Rainbow." He certainly did a superb job as the little green man of Irish folklore, dooming and glooming all over the scenery. Don't miss it. The play is great.

Among other eligible bachelors in the city is Bill Sanford, latest comer to The Herald office. He is not only handsome, well-groomed and rich, but he is extremely intelligent.

Mr. and Mrs. Harry Beland are planning to drive to Alma Thursday to have dinner with their birthday gal, Nancy, now Mrs. Varn Renwick, and her husband. The Belands will be accompanied by Mrs. Terry Beland and Silas and Mimi Vallelunga.

Mrs. Gordon Garlick, Mrs. Graham Fleming and R. T. Gillam, principals in the Tecumseh school system, attended the 42nd annual state convention this week of the Michigan Association of Elementary School Principals at Grand Rapids. Dr. David Smith of Michigan State University and Lloyd J. Haynes of Michigan Bell Telephone Co., were the keynote speakers.

Pvt. Ronald Andrews, son of Mr. and Mrs. Robert Sinclair, is training at Fort Knox, Ky. He has been assigned to the Amar Training Center where he will receive his initial eight weeks training as a member of Company D, 19th Bn., 5th Brigade. Pvt. Andrews is a 1967 graduate of Tecumseh High School.

Clara Waldron is recovering from a severe case of the flu at her home.

Mr. and Mrs. Lonal Bishop and family were in St. Johns Sunday to attend a birthday anniversary celebration for his father, Chester Bishop.

Mr. and Mrs. Elvin Fretwell accompanied by Mr. and Mrs. J. M. Fretwell and family of Adrian, were guests, Sunday, of Mr. and Mrs. Charles Fretwell and infant son, Kurt, of Inkster. The gathering was for the baptismal ceremony for the baby conducted by The Rev. Edward Zell at the Iola Park Lutheran Church. Mr. and Mrs. Ron Dixon and Eileen Fretwell acted as sponsors.

After the ceremony they all returned to the Charles Fretwell home for a co-op dinner.

Diane Dospoy of Britton and Stephanie and Randy Hoehrein of Macon became official members of the Polar Bear Club Saturday at the annual Perch Festival in East Tawas.

Membership in this exclusive club is gained by taking a swim — after a large hole is cut in the ice to reach the cooling waters of Lake Huron.

The swims of all three were of short duration, just long enough to earn their official towels and certificates of membership.

Mr. and Mrs. George Meads were hosts for a dinner Sunday honoring their granddaughter, Jana, daughter of Mr. and Mrs. Gerald Penrod, who will be five years old Wednesday. Other guests were the little girl's brothers, Eric and Kirk, and Mr. and Mrs. James Dart of Clinton, Mrs. Allen Abner, Mrs. O. W. Meads and Mrs. Ida Grindstaff.

Mrs. Howard Zimmerman, of Sylvania, O.; Mrs. Raymond Service, Mrs. Claude Creger and daughter, and Mrs. Thomas Adams, Clinton, held a birthday luncheon at the Country House, Tuesday, to honor their mother, Mrs. Bert Creger's 72nd birthday anniversary. A pretty birthday cake topped off the occasion.

Sunday, Mrs. Creger was entertained by her granddaughter and husband, Mr. and Mrs. Jerry King and son, Joey, at their home in Brooklyn. Other guests were Mr. and Mrs. Frank Davis of Brooklyn.

Mr. and Mrs. Albert Williams have had as their house guests the past two weeks, Mrs. Glenn Williams and children, Tim and Rita, from Aberdeen, Md., while Mr. Williams attended a management conference of the Metropolitan Life Insurance Co. in New York City. He has been an agent with the company since Feb., 1964, and was promoted January 1 to agency manager. Following the conference, Mr. Williams surprised the family by flying into Detroit for the weekend prior to returning to Aberdeen on Monday with his family. Mr. and Mrs. Gary Williams of Grand Rapids spent the weekend here, too. Sunday evening the family telephoned Mr. and Mrs. Gordon Williams in Houghton, since they were unable to come home.

1st Lt. Michael Tucker, in Hawaii for rest and relaxation, was joined there by his wife Feb. 13. Lieut. Tucker is stationed in Pleiku, Vietnam. Mrs. Tucker returned home Feb. 20.

Marrianne Johnston, daughter of Mr. and Mrs. Ernest Johnston, of Ridgeway, flew home from Falls Church, Va., to spend a long weekend with family and friends in Ridgeway, Tecumseh and Ann Arbor. Miss Johnston is employed with the CIA in Washington, D. C.

Richard Purkey, Robert Williamson, Jim Mull and Dean Downing flew by jet Friday to Atlanta, Ga., to play some golf.

Seaman Apprentice Richard Nighswander will report Friday to Davisville, R. I., for training in construction electricity after spending 14 days' leave with his parents, Mr. and Mrs. Gilbert Nighswander.

Siena Heights To Construct New Art Center

Through the benevolence of a friend of Siena Heights College a new art center will soon be underway. The anonymous donor has agreed to underwrite the cost of the new building.

The architects of the new structure are Marr and Marr of Detroit. The contract for the building of the center will be awarded to Krieghaff-Lenawee of Adrian. Construction will begin hopefully in the spring.

The building, to be located northwest of the new Ledwidge Hall on the campus, will house the various art forms taught at the college. The Siena Heights department is well noted for its instruction in ceramics, painting, sculpturing and other art forms.

The new building will house the facilities which now occupy Studio Angelico, current home of the art department.

The engagement of Jeanne Blumer to Steven Mikil Laskey is being announced by her parents, Mr. and Mrs. Raymond O. Blumer of Chatham, N. J. Mr. and Mrs. Frank E. Laskey, 720 Seneca St., are the parents of the groom-elect. Miss Blumer is a senior at Adrian College and a member of the Sigma sorority. Her fiance, a graduate of Tecumseh High School, is also a senior at Adrian College and a member of Pi Kappa Alpha Fraternity. The couple is planning a July 5 wedding in the Chatham Methodist Church.

Mother-To-Be Honored Guest At Cradle Shower

Mrs. Gary MacKenzie was the honored guest at a cradle shower given Feb. 22 by Mrs. Larry Coscarelli, assisted by Mrs. Carlos Knisley.

Games were played with prizes awarded. A stork was featured on the refreshment table where Jello and cake were served.

Sixteen friends and relatives were present including Mrs. MacKenzie's mother, Mrs. F. M. Murphey, Jr., Mrs. Francis Hazen, Mrs. Carlo Herd, Adrian, and Mrs. Richard Ely of Sylvania.

Sp/4 Gary MacKenzie is serving with the 2nd Infantry Division in Korea.

Dr. Don Phelan and Fred Freeman both asked that site development costs be checked before proceeding with acquiring either site.

Another meeting, at which action will be taken, will be held within a couple weeks.

Supt. McDowell reported that Mr. Fuller had been in to see him and that he was concerned as to what the Board intended to do.

Strand Had To Go

Some tears will be shed over the passing of the Strand Theatre, but it was inevitable. Only surprise was that its passing came so soon.

For the past several years, attendance did not warrant movies here. It seemed impossible that a living income could be realized from the revenue taken in.

Still, the movies were held and mostly for the youngsters, it seemed. Saturday and Sunday matinees were popular. Last December and early January when well-known flickers were being shown, many adults attended.

The era of the Wallace Beerys, Marie Dresslers, Nelson Eddys, Clark Gables and hundreds of other famed movie stars is over. After World War II, the writing was still on the wall — TV was the coming thing and folks were staying home to watch the tube.

It is much better to remove an old movie house, then let it stand to deteriorate over the years and become an eyesore. The Strand had to go.

Early this year, Tecumsehites will have an opportunity to read the history of the old "opera house", when Clara Waldron's history of the community is published.

WINNING SMILES — 530 Fisher Body-Tecumseh employees have a reason to smile as winners of over $15,000 in the 1967 General Motors Suggestion Plan program. Pictured are Tom Grills (left), 7505 Verna, Lambertville; Lois Aten, Route 3, Adrian; William Perry, 215 N. Oneida; Lillian Dewey, 11827 Tipton Hwy., Tipton; William Kaizer, 515 N. Evans; Gladys Warner, 534 Grand, Adrian; and Sam Fagan, 6650 Green Hwy. Their ideas were for improving the quality of auto upholstery which the plant manufactures.

Pack 23 Welcomes Six Cubs

BRITTON — Six new members were welcomed into Cub Pack 23 when they held their regular Pack Night Monday evening at Grace Methodist Church in Ridgeway.

Larry Lorenz, Ronald Moore, Jim Geigler, Larry Haas, Ricky Stewlow and Ricky Mason each received their Bobcat pins from Cubmaster William Gorton.

The local pack is in the process of reorganizing. There are two dens for 8 and 9 year olds, led by Den Mothers Mrs. Frank Gorton and Mrs. Frank Geigler, and a Webelos den for 10-year olds, led by Mr. and Mrs. Doug Hintz and Mr. and Mrs. Mary Rayburn.

There are more boys who would like to join, but more Den Mothers are needed.

The Webelos boys had a display of various engineering projects they have been working on. They received their books and the engineering badges.

Mrs. Ronald Frayer is the new Pack secretary.

Refreshments were served by Mrs. Geigler's den.

It was announced that there will be a meeting of the Cub Scout Committee next Monday evening at 7:30 p.m., at the home of Mr. and Mrs. Ron Frayer. This will be a planning session for committeemen, den mothers and the Cubmaster.

New Site Has Advantages

When the Tecumseh School Board voted Monday night to study development costs before purchasing a future school building site, proper steps were being taken.

When the two sites — 75 acres in the west section of town and 40 acres north of the Methodist Church along River Raisin — are studied by the Board and development costs totaled, we're sure school officials will select the 40-acre site as the most advantageous.

The 75-acre site necessitates an expensive bridge and nearly one-half mile of street construction. It will involve a busy thoroughfare on the south, and a narrow entrance at the north for buses and vehicles.

The other site, owned by the Tecumseh Products, is isolated between the river, the railroad and the Methodist Church. No bridge will be necessary, no lengthy sewer and water lines will be needed, no half-mile of street construction.

In view of development costs, we hope and anticipate that the Board will alter its plans and select a site favorable to the school district and the growth of the community.

Scouts of Pack 73 Presented Awards

Approximately 150 Cub Scouts and parents of Pack 73 enjoyed a Blue and Gold potluck banquet in the Fellowship Center of the Presbyterian Church on the February Pack meeting night.

Seven Scouts of Troop 73 served coffee, milk and dessert; Robert Merz, James Crandall, Frank Hawthorne, Colby Welch, Richard Packard, Gary Wonderly and Robert Meadows.

At the conclusion of the dinner, the flags were presented by Webelos Tom Cook and Mike Ocamb. George Brady, neighborhood commissioner, presented the 1968 Charter to Duncan Oliphant, institutional representative from the sponsoring organization. Mr. Brady then presented the Break-through Award to Francis Packard, pack committee chairman. Mr. Brady concluded by presenting registration cards to the adult leaders.

Group singing with Mrs. Dow Bilby at the piano, followed with several songs being sung. Joe Murphy of Webelos Den played a piano solo of "Sound of Music." Den 3 presented a skit about an event in the life of Lincoln. Tim Packard of Den 4 sang a solo, "Oh What a Beautiful Morning", accompanied by Mrs. Bilby.

Russell Johnston, awards chairman, presented the following awards—

Joe Murphy—Rear badge, gold and silver arrows.

Mike Ocamb — Lion badge, gold and silver arrows.

Lawrence Johnson — Lion badge, gold arrow.

David Smith — Wolf badge.

Bobby Clark — Silver arrow under wolf.

Dale Johnston — Denver Bar.

Athletic and Citizen Badges for Webelos — Lawrence Johnson, Mike Ocamb, Randy Knight, Joe Murphy and Tom Cook.

1-year service pins — Mark Deming, Tim Packard, Bobby Clark, Dale Johnston, Jeff Rumpf, Mark Keller, Tom Cook, Todd Johnson, Joe Murphy and Brian Knight.

2-year service pins — Mike Ocamb, Donnie Garrison, Randy Knight and Lawrence Johnson.

Adult service pins

► 1-year — Harry Keller, James Keller and Russell Johnston.

► 7-year — Ruth Packard.

► 16-year — Duncan Oliphant.

►17-year — Francis Packard.

The Cubmaster presented each Cub his registration card.

Bobcat pin — Terry Fox and Jeff Rea.

Den Mother pin — Mrs. Harry Snyder, Mrs. Harry Keller, Mrs. Jonathan Birchfield, Mrs. John Deming and Mrs. Walter Wonderly.

2-year Den Chief pin — Richard Packard.

Dens 3 and 4 tied at 100% attendance of cubs and parents to win the Cubby Award.

The March Pack meeting will be held March 19 at 7:30 p.m. and will be a Pinewood Derby. Car kits may be obtained from Cubmaster Wonderly, 710 S. Union, or Committeeman Fred Johnston, 600 Stacy St.

YOU NEED A HOME FIRE EXTINGUISHER

Safety of home and life is of vital concern to all of us. In 1966, a fire broke out in a home every 49 seconds. Every 43 minutes fire claimed a life . . . that's 12,000 deaths . . . and half of these occurred in homes . . . Another staggering statistic was fire damage to dwellings . . . $325,000,000.

We know you share our concern in the prevention of this unfortunate waste of human life and property. It is entirely possible that some of this tragic loss could have been averted if immediate first aid in the form of a home fire extinguisher had been available. It takes only 10 seconds to control a small kitchen fire provided they are the first 10 seconds and provided a good fully-charged fire extinguisher is readily at hand.

With this in mind, we have made special arrangements with a representative of American LaFrance to make available an Underwriter Laboratory approved fire extinguisher at an extremely attractive price. We recognize that this is not the ultimate in home protection; but at this price, there can be little reason not to have one or more extinguishers in every home.

COST TO YOU IS ONLY $5.50 EACH

SPEEDWAY CONSTRUCTION BEGINS — The calm and serenity of the winter scene in the Irish Hills is being shattered by the roaring of high powered earth-moving equipment which is a part of a 4.5-million dollar construction program to build the Michigan International Speedway. The track to be built near Cambridge Junction is being constructed by the Holloway Construction Co. of Detroit. There are nearly fifty pieces of equipment in use pushing toward a projected completion date of Sept. 1.

Fire Department Has Busy Month

The month of February has been a long month for the Tecumseh Fire Department. This has been one of the busiest months the local firemen have worked, being called upon 17 times so far.

Grass fires have played a large part in the number of times which the firemen have been called out. So far this month alone they have extinguished five fires caused by dry grass and trash burners.

Last year the men saw service in fighting grass fires only five times.

So far the fires have caused little damage, including a grass fire in the rear of Clauda Plumbing at 1108 W. Chicago Blvd. The trucks were called there Friday afternoon. No damage was reported.

Sunday the trucks were called to the Jack Osburn farm on Munger Rd., in Tecumseh Township to extinguish a grass fire which originated from unknown sources. Again there was no reported damage.

Due to the rise in alarms the local fire fighters have answered 24 runs this year which is ahead of last year's total for the same period of time.

Schools Order 6 School Buses From Dealer Here

Tecumseh Equipment Company was low bidder for chassis for five regular school buses and one special education bus.

School Board reviewed the bids Monday night and awarded a contract to the local dealer.

Other bidders were Schneider Chevrolet-Buick and George Underwood Motor Sales.

Wayne bodies will be attached to the chassis, and the schools anticipate delivery before the 1968-69 school term. After delivery, the schools will sell five old buses.

Including special education buses, the local schools operate a fleet of 29 buses.

● **MRS. AERICH ZIMMERMAN**

Services were held Tuesday at the Proctor Funeral Home, Clinton, for Mrs. Aerich Zimmerman, 79, who was found dead in bed Saturday morning at her residence on Twin Lakes by her grandson, Robert Scheytt of Clinton.

Dr. William Purfield, a Washtenaw medical examiner, said Mrs. Zimmerman died during the preceding night of natural causes.

Born in Leipzig, Germany, Oct. 22, 1888, Mrs. Zimmerman moved to the United States in 1923 and to Twin Lakes in 1949.

She married Aerich Zimmerman in 1913. He died in 1948.

Mrs. Zimmerman is survived by a son, Rudi, of Tipton; a daughter, Mrs. George (Erna) Scheytt of Detroit, formerly of Clinton; two sisters in Germany; four grandchildren and four great-grandchildren.

The Rev. Blair Bashore officiated and burial was in White Chapel Cemetery at Royal Oak.

THS Art Club Creates Table Decorations

Table decorations at the meeting Monday of the Business and Professional Women were made by the members of the Tecumseh High School Art Club under the supervision of Mrs. John Westdyke.

They were clever abstracts in red, white and blue of artistic scatterings of different proportions of stars and tubes and rockets.

Members of the club were most appreciative to the students. Thirty-eight members and two guests were served a ham dinner by women at the Methodist Church.

Mrs. Harlon Boyes was welcomed as a new member and the members voted to sponsor a student to attend Wolverine Boys' State.

Mrs. Ann Waterman introduced Mrs. Paul McKenna, who gave a review of the book, "Love Is Eternal," by Irving Stone.

Taking the role of Mary Todd Lincoln, Mrs. McKenna told the life story of Mrs. Lincoln.

Mrs. Roy Cadmus was also a guest.

Mrs. Reginald Dixon, Mrs. Kenneth Zornow, Mrs. Steve Illeck, Mrs. John Westdyke and Mrs. Curtis Wright were on the hostess committee.

Father-Son Fete Held Saturday

TIPTON — The Father and Son banquet was held at the Tipton Community Church Saturday evening with nearly 110 present.

The invocation was given by Rev. Phillip Rustin. A roast beef and pork dinner was served by the women of the church.

Wallace Wilkin was toastmaster and introduced Dean Cook, who led group singing. Raymond Jackson gave the toast to the fathers, and Ray Jackson responded with a toast to the sons.

Vocal solos were by Bradley Becker and Billy Spycher, accompanied by Mrs. Lester Munger. Rev. Phillip Rustin presented a film, with music, titled "The Happy Wanderer." This film was taken on his trip last summer to the northwest.

Gifts were presented to Henry Baker, the oldest father present; Danny Norton, son of Bruce Norton, the youngest son present; Fay Luce, the most sons present, and William Cannon, who traveled the farthest distance to attend.

Holds Meeting

BRITTON — The L and M Extension Study Club met at the home of Mrs. Mills Swick Thursday with 12 members and two guests present. The hostess, assisted by Mrs. Elmer Eberhardt and Mrs. Bert Moore served luncheon from a table decorated in the patriotic theme with American flags.

Contributions were voted to the Heart and Cancer funds.

Mrs. Orris Tubbs and Mrs. Edward Kanous led the lesson discussion on "Color in the Home."

The next session will be at the home of Mrs. Howard Heiden Thursday, March 28.

Ernie Topps Is Installed Royal Patron

Ernie Topps was installed royal patron of the Kindness Court No. 27, Order of the Amaranth in ceremonies held recently in the Hudson Masonic Temple.

Others from Tecumseh and the surrounding area installed were:

Associate Matron — Mrs. Bryon Francouer, Britton.

Associate Patron — Walter Fraver, Britton.

Treasurer — Mrs. Ernie Topps.

Secretary — Mrs. Guy Nixon.

Associate Conductress — Mrs. Harold Hicks.

Mrs. Walter Fraver, Britton, is the standard bearer among the appointed officers. Mrs. Grace Osterhout, Britton, is historian and Mrs. Alice Murdock, Ridgeway, is the flower girl.

Out-of-town guests included Mrs. Bernice Daniels of Detroit, grand associate matron, and Donald Miller, of Redford, grand associate patron and Leone Hall of Jackson, grand secretary.

Mrs. Fraver and her committee served refreshments.

Mr. and Mrs. Fraver, Mrs. Francouer, Mrs. Nixon and Mr. and Mrs. Topps attended the installation of officers in Leslie Saturday evening.

Paul H. Johnson Speaks At Annual Layman's Banquet

"My life is empty and has no meaning." These are the words of a successful business executive as related to Paul H. Johnson, speaker at the Ninth Annual Tecumseh Area Layman's Banquet, held Feb. 22 in the Fellowship Hall of St. Peter's Episcopal Church.

"Only through a personal experience with Jesus Christ can a man come to know the love of God and the power of the Holy Spirit," said Mr. Johnson.

A roast beef dinner was served to 136 men by the ladies of St. Peter's, following the invocation by Harry Stanifer. Charles Mensing of the host church welcomed the men to St. Peter's and introduced Harold Wolf, an outstanding master of ceremonies. The Tecumseh Area Barbershoppers entertained with special music.

Ralph Comfort led group singing with organ music provided by Jack Tonneberger and Flanders Music Co. Harry Farrell served as general chairman and thanked all the men who helped in the planning and in any other way to make this year's banquet the most successful of all.

Schools To Get $9,000 State Aid Despite Vandalism

Tecumseh school officials learned last week that they will receive state aid monies, amounting to about $9,000, for a school day lost last fall when vandals cut school bus wires.

Authorities first feared that the monies would be withheld since the cause for canceling school did not fall within acceptable reasons for closing school.

School officials still expect to prosecute if the vandals' identities are learned. Police have questioned several juvenile suspects but have no confessions.

Fire Causes $1,000 Damage

The eighteenth alarm which the Tecumseh Fire Department has answered in the month of February came Tuesday afternoon from the Richard Chessor residence at 705 N. Union.

The cause of the fire was a girl's dress in a gas stove. The dress caught fire and ignited some books and papers which were collected in the kitchen.

Damage caused by the fire was restricted to the area of the kitchen. An estimate of the immediate damage to the dwelling was placed at $500 to the contents and $500 to the structure.

The Chessors have lived only a short time at the Union St. address.

Judo Club To Begin On March 7

A Judo Club is being organized in Tecumseh, with the first classes scheduled for Thursday evening, March 7. The classes will be open to anyone in this area interested in learning something of this ancient Japanese sport which is becoming increasingly popular in this country. In recent years, clubs have been organized throughout the country for learning and competition and the sport is rapidly finding its way into college athletics and varsity sports.

Local sponsors of the club will be Tom Fagan, Ted Todd and the Rev. Julian Gresham, who have been members of the Ann Arbor Judo Club for several years.

The instructor for the class will be Shunichi Namba, a graduate student at the University of Michigan, a former champion in his native Japan. Mr. Namba, a 5th degree black belt, was co-captain of the Chuo University Judo team which won second place in the all-Japan Collegiate Tournament and participated in training for the Japanese Olympic team which won first place in Olympic competition. He is eminently qualified to teach the sport and is one of the few 5th degree black belts in this part of the country.

Class will be held for youth beginning at the age of 10 up thru high school age. Additional classes will be held for girls and women and a class for men. The schedule for the program which will be held in the THS gym, beginning Thursday, March 7, is as follows:

Girls and women, 6:30 p.m.

Boys, 10 thru high school, 7:30 p.m.

Men, 9 p.m.

Those interested in this program may pre-register with Mr. Fagan, (423-2355), Mr. Todd (423-4056) or Rev. Gresham (423-3361) or wait and register the first night. Until Judo suits are purchased, old clothes (sweat shirts, etc.,) would be suitable apparel.

Op-Hop to Drama Are Activities At High School

Op-Hop, psychedelia, and "Death of a Salesman." These are a part of the Tecumseh High School activities coming up in the next few weeks.

March 2 the Student Council is sponsoring an Op-Hop to highlight a week of unusual activities. Two bands will play at the turnabout dance where the girls ask the boys.

Each day this week features a different highlight, from History day, psychedelic and slave day to dress-up and student-teacher day.

The Junior Class is in rehearsal for the play, "Death of a Salesman." The classic play, by Arthur Miller, has cast in it Bill Whiting as Willy Loman, the salesman and Diane Dunbar as his wife, Linda. Sam Brooks and Dan Anderson will portray the two sons.

The powerful drama by Miller, of a salesman running out of life, is difficult to present and Junior Class is busy preparing it for their opening, March 28, 29 and 30. The play is being directed by Wallace Mollema.

YMCA Swim Club Meet

Lenawee YMCA Swim Club lost to strong visitors from Ft. Wayne, Ind., Saturday, but is doing very well for a first year team. Diligent practice and good coaching have cut down steadily and the individual times of most of the young swimmers. The four from Tecumseh turned in good performances Saturday.

Tom Fielder came in third in the 25-yd. free-style. Doug Eggleston took a first place in the 50-yd. free-style, and a second place in the 25-yd. breast stroke. Dennis Kachele won first place in the 50-yd. breast stroke and second place in the 110yd. free-style. Laurie Hohenstein won both of her events, coming in first in the 100-yd. individual medley and in the 50-yd. breast stroke.

Sunday School Contest Begins March 3 – May 5

BRITTON — "Net Ten for Ten" is the theme for the Sunday School contest this year at the Bethel Baptist Church. Sponsored by the General Association of Regular Baptist Churches, the contest will begin March 3 and continue through May 5.

The aim is to reach the community for Christ with a 10 per cent gain in every church. Britton church will compete with 13 other churches in the Association located in southern Michigan. Based on last year's average attendance of 170, it will be necessary to make a gain of 17 persons.

"The need of the hour is going, glowing and growing Sunday Schools," said the pastor, Duane McNeil.

State Trooper And Dog, Odie, At Banquet

CLINTON — State Police Trooper Ed Kayser of Jackson post and his tracking dog, Odie, held an audience of 80 in spellbound attention, at the Father-Son banquet in the Methodist Church, Monday evening.

He presented colorful, exciting slides depicting the training of the police tracking dogs at State Police posts throughout Michigan. The beautiful dog, Odie, was an instant hit with the youngsters.

Mike Snyder was toastmaster of the program.

The Swiss steak dinner was served by the women of the WSCS at tables decorated with dog sketches and clever stand-up dogs.

A prelude or organ music by Glenn Kinney preceded the program.

Charles Wilder sang two solos from "Finian's Rainbow," and David Hawkins presented a trumpet solo. They were accompanied by Mrs. Paul Hawkins.

Especially honored were:

The oldest father present, Leon Boyd, 83.

Father with the most sons present, four, David Bivens.

Youngest son present, Gregory, son of Glenn Kinney.

Son who came the farthest distance, Walter LaSovage, Jr., from Ohio.

Father who came the farthest distance, Stanley Gibbard, who has been working in Lansing for two weeks.

Mrs. E. Rapin Is Surprised On Birthday

Mrs. Edward B. Rapin has decided to eliminate any future birthday anniversaries because she so much enjoyed a recent one.

Monday as she was preparing to scrub her kitchen floor, 10 friends knocked at her door, bringing coffee and goodies for a brunch in her honor.

"I'm never going to get any older," she remarked Wednesday, "I'm just going to remember this one." Her natal date is Feb. 25.

Those coming to the Rapin home were Mrs. William Holmes, Mrs. Robert Sage, Mrs. Murray Palmer, Mrs. Richard Klught, Mrs. Richard Crampton, Mrs. Ray Matoon, Mrs. George Eidson, Mrs. Carl Albaugh, Mrs. Robert Duhan and Mrs. Larry Bilkie. Mrs. Orville Bishop stopped by later in the afternoon.

OFF the TOP

At this time of the year, when the temperatures hover near the zero mark and the wind whistles sharply on every street corner, many a some-time gardener will be studying the extravagant illustrations in the seed and bulb catalogs, planning for the coming abundance of summer as he pours over the bright and promising pictures.

He seems deaf to the demands of his children or wife and ignores the television set, in favor of his happy daydreams. As if in a trance, he will lean back in his easy chair, and see his yard or garden, growing profusely with every kind of plant, bush and tree in the warmth of the coming summer.

Or maybe he is a golf nut, and has already been out studying the local courses, and comparing golf stories with his friends. Or perchance he is looking forward to fishing, and has brought down his fishing gear from the attic, and is busy planning fishing trips for next summer.

But for the female of the species, the long-awaited first sign of Spring is the sudden blossoming of new Spring clothes in shop windows and catalogs, in pattern and yard goods departments.

What a bright and tempting array is set out to snare the ladies, as surely as the apple tempted Eve! Just when we're getting so tired of our winter-weary woolen skirts, sweaters and slacks; fed up with boots, shaggy hats, gloves and the rest, the Madison Avenue fellows give us the full treatment. We are beset on every side with temptation, and don't even try to put up a fight against it!

Young mothers with little tots climaing to their skirts are seen standing dreamily outside store display windows, impervious to the snow falling 'round them, staring at the gaily colored styles on the mannequins within.

Moms and grandmas alike, who may have been more or less hibernating through the harsh winter weather, seem propelled by some unknown instincts and plan an extensive shopping trip.

Almost overnight, the yard goods departments are humming with activity. Gray-haired matrons and teen-ager alike pore over the latest pattern books, and then gravitate to the tables piled high with bolt after bolt of bright, new materials. Some of the shoppers wander absentmindedly, feeling the material as they pass each bolt, envisioning themselves draped in this or that color. Others march purposefully through the tempting array, knowing exactly what they want for that new Spring outfit.

Even the youngsters are susceptible to the eternal feminine compulsions, and may be heard to inquire, "May I have a new dress for Easter?" And some orange shoes, too?"

Each changing season we welcome the new as we cast aside the old. And this year, the new is brighter than ever before. From all indications, it will be impossible to buy a plain colored, conservative dress this spring. Bright orange, hot pink, lemon yellow, lime green, yes: but nothing dull.

But just now, when the winter doldrums are getting us down, we need a lift; and so we welcome the appearance of these enticing heralds of Spring.

Go ahead and study seed catalags and clean your golf clubs, Dad; we gals are going shopping!

Question:
"Why are funeral charges lower at some funeral homes than others?"
Answer:
It is possible for a funeral director to purchase inferior quality merchandise which looks good to the average person. Quality may cost a few dollars more, but you will never be embarrassed by it.

Vocational Curriculum Explained to Students

The guidance department sponsored an assembly for the ninth, 10th and 11th graders, Monday. The assembly, under the direction of Mr. Poluda, was to inform the students of the course offerings and opportunities in the various vocational areas of instruction in Tecumseh High School.

Paul Burns, the vocational agriculture instructor, presented the following information to the students.

In choosing the vocational agriculture curriculum the following basic principles should be considered by the student:

1. Agriculture is more than farming. It includes over 500 occupations.
2. Both boys and girls may enroll.
3. Students are expected to join the F.F.A. The F.F.A. is an extra-curricular activity.
4. Agriculture is a vocational subject.
5. A productive project is required. (a small garden-flowers-crop-livestock)
6. Any vocation one is interested in can be done in agriculture, and there is a greater demand because of the lag caused by people thinking that agriculture is only for farming.
7. You should use Vocational Ag. as a stepping stone for such occupations as:
   Commercial floriculture
   Landscape and nursery work
   Elevator and farm supplies
   Farm equip. and sales
   Food processing
   Turf management
   Soil technician
   Pesticide technician
   Farming
   Professional Agriculture such as:
   Forestry
   County Agent
   Conservationist
   Agriculture teacher
   Veterinarian
   Agronomist
   Soil scientist

There is a job on all levels of ability and interest in agriculture.

At the technical level, most jobs have been starting at $6,000-$8,000 and higher.

In Tecumseh we are offering the following courses for one credit each year:

Horticulture: primarily for ninth grade students. Includes basic cultural and management problems associated with fruit, vegetables, flowers, and ornamental plants. Propagation of plants and greenhouse management is included.

Landscaping: 10th grade. Includes identifying, cultivating and managing trees, shrubs, flowers, and turf. Home ground design and practices are included. Practical experience is provided through the use of the greenhouse and some work on the school grounds.

Soil Science and Plant Technology: Grade 11 and open to students who have completed at least one of the above courses. The origin, formation, and composition of soils. Soil management, tillage methods, fertilizing, and farm crop practice are included.

Agricultural Business and Livestock: Grade 12, and students completing Soils Science and Plant Technology and one other of the above courses. Application of agricultural principles to the farm and agricultural businesses. Livestock includes breed identification, management, disease prevention, and feeding livestock.

Farm Mechanics: Is offered two years for Soil Science and Ag. Business students. This includes all the unspecialized mechanical activities related to the farm and home and includes such areas as:

1. Farm buildings and conveniences
2. Soil and water management
3. Farm machinery and equipment
4. Electricity
5. Farm shop work

Most instruction is related to the F.F.A. activities. The Chapter has an $8,000 inventory and carries on such activities as: farming 13 acres, have a greenhouse, a broiler project, sheep chain, feeder pigs. They attend the state convention, officers go to leadership training camp. The students also take part in speech, demonstration, parliamentary procedure, and farm forum contests.

Tournament

The drawings were held for District 20 Basketball Tournament on Feb. 27 at the Dundee Community High School. Tecumseh drew Dundee as its first opponent. The game will be played at the Dundee school Tuesday, March 5.

Also participating in the drawing were Erie-Mason and Ida who will square off on Monday, March 4. The two other schools participating in the tourney are Blissfield and Milan, Tuesday both teams drew byes.

Dundee is the winner of only four games over the season while Tecumseh has managed five.

The winner of the Tecumseh-Dundee game will then advance to play Milan on Thursday, March 7. The winner of the Erie-Mason game will, in turn, face Blissfield on Wednesday, March 6.

The district winner will be decided on Saturday, March 9. All games are at the Dundee school. Game time for the tournament, including the championship game is 7:30 p.m.

Tickets are 50c for students K through 12 and $1.00 general admission with the exception of the final game where tickets will be 75c for students and $1.00 for all others.

THS Wrestlers Win Eighth, 24-19

The Tecumseh High School wrestling team scored a close 24-19 victory over Adrian Madison for their eighth victory of the year.

After drooping the first two matches to the Trojans, Ralph Miller held Jim Fine to a draw and put Tecumseh in the point column. Mary Maynard and Herb Bagby managed back to back pins over their opponents to give the Indians their 12-8 advantage.

Bill Grover, at 138 was awarded a decision in his match as was Dan Anderson, at 154. Doug Schwartz and Jim Parros, at 180, and heavyweight, respectively, came back with decisions to give Tecumseh the meet.

Tecumseh's record stood 8-5 as the season closed.

The Tecumseh grapplers will be participating next in the State Tournament, their first match being at Parma Western High School, near Jackson. The meet will be held on March 1 and 2.

Knights Tame Wildcats 68-66

By GREGG KOVACS

The Fighting Knights of Thomas Moore High School traveled to Novi Feb. 20 to defeat the Wildcats, in a non-league contest, 68-66.

The Knights controlled the first quarter of the game as their defensive back-court press became effective against the opposing Wildcats, who put up a fight, but could not manage to overpower them. At the end of the first quarter, the Wildcats trailed by two points, 14-12.

The second quarter brought trouble for the Knights as poor ball handling resulted in too many turnovers which benefited the Wildcats. Taking advantage of the Fighting Knights' difficulties they became a serious threat. The score began to teeter as both teams fought for control. Neither team could manage to gain a lead as the half ended, 30-30.

Coming into the second half, the Wildcats left the Fighting Knights cold in their tracks. Although the Knights perked up, managing to tie the score, 42-42, the score teetered, and it looked as though it was to be a contest against the clock. The quarter ended, 49-46, Novi.

As the fourth quarter got under way, Novi dominated the game. It looked as though the Knights had to look defeat in the eye, but with 3:02 remaining, the Fighting Knights came on strong and pulled a one-point lead on the Wildcats.

Time ticked away, the score tied, 66-66, Novi had possession of the ball and it looked as though the Knights were doomed. The Wildcats took a shot and missed, committing a foul on the rebound, giving the Knights two free shots.

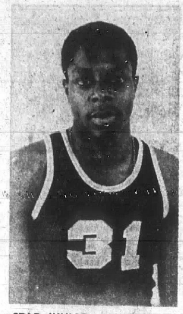
The Knights sank them both as the horn sounded. Final score: Boysville 68, Novi 66.

Henry Bell starred for Boysville, turning in 20 points.

Score by quarters:

Boysville	14	16	16	22—68
Novi	12	18	18	18—66

The Junior Knights lost to the Junior Wildcats, 62-58.



STAR JUNIOR—Elbert Neal has been a powerful asset to the Fighting Knights of Boysville this season. Elbert is a junior and has one more season with the Fighting Knights.

Mary-Martha

MACON — The Mary-Martha Circle will meet Tuesday, March 5, at 8 p.m. Mrs. Charles Gorton Jr. and Mrs. John Hewlett will be the hostesses. Mrs. Herbert Morden will present the program.

Jets Bomb THS

The Airport Jets landed in Tecumseh Friday night and took off with a 70-59 victory. A bad first quarter led to the Indians' downfall.

The first quarter ended with Airport in command, 16-9; the seven-point lead was too much for the Tribe to surmount for the rest of the game.

The half saw the visitors claim three more points to their lead and left the floor leading by 10, 35-25.

The Jets led throughout the game, although the Indians did manage to pull within three points of the leaders. It was, however, two fouls and costly back-to-back three-point plays that put the game out or reach.

It was this same Airport team against which Tecumseh played its finest game of the season. Earlier the local team defeated the Jets by 102-80 on the Jets' own court.

Phil Smith of the Airport team led all scorers with 21, Malone and Hamilton countered with 13 and 14 respectively.

Bill Puffer and Jim Hunt, both scoring 16, led Tecumseh's scoring column, with Jim Upell coming up with 13.

With one game remaining, that against Jackson St. John's there Friday, the local team faces a losing season.

Knights Score in Final Seconds

By GREGG KOVACS

The Fighting Knights of Thomas More High School traveled to Ida to win their last River Raisin Conference game of the 1967-68 basketball season against the Bluestreaks, 47-46.

The first seconds of the game looked bad for the Fighting Knights as Ida managed to steal the ball from them and work in to score an easy two points. The Knights just could not get fired up as the Bluestreaks dominated through the first quarter to take advantage of the faults of Boysvilles' difficulties in controlling the ball. The Bluestreaks outplayed them, leading 11-8.

As the second quarter got under way the Knights became a bit stronger, but could not break the margin that was set by the overpowering Bluestreaks earlier in the game. Although the Fighting Knights became a strong contender for the lead, the Bluestreaks began to fight harder to keep the strong Boysville team from catching up.

The Knights had great determination to be on top of the game, which brought the contest to a tie, but as the seconds ticked away, the Bluestreaks had outscored the Fighting Knights with the scoreboard reading, 25-22.

The Knights came into the second half determined not to let the Bluestreaks of Ida get the best of them. Boysville started to look like a great ball club when they managed to overtake Ida. The Bluestreaks could not manage to break the powerful attack of the Fighting Knights as they slowly pulled into the lead.

For the first time in the game, Boysville held a lead over Ida, 36-33, as the quarter ended.

The fourth quarter found the Knights itching to take this game as they came on stronger than ever. The Bluestreaks began a press which left the Knights cold. The press posed a serious threat to the Knights. The game was now up for grabs and the Bluestreaks took over control.

The Fighting Knights were not ready to give up and the final few minutes saw Boysville come from behind to tie the game.

With less than 30 seconds remaining in the contest, Ida managed to have a one-point lead and began to stall in hopes of having the last shot of the game, but with 13 seconds left they took a shot and missed and on the rebound committed a foul in favor of Boysville.

When Dave Rockwell stepped up to the line to collect these two shots, the crowd became tense as the game rested on his shoulders. As the referee handed Dave the ball, he became agile in his shot and sank it, tying the game, 46-46. The second shot, also good, gave the Fighting Knights a slim one-point lead, with only nine seconds remaining. The horn sounded before either team could score again.

Score by quarters:

Boysville	8	17	11	12—47
Ida	11	11	11	13—46

The Junior Fighting Knights were not as fortunate as the varsity, losing to the Junior Bluestreaks, 40-31.

Garden Club Greets Spring

Spring arrived last week for the Little Garden Club of Tecumseh, with a forecast of summer.

Spring came with a flower-arranging demonstration using bright yellow tulips and summer came to view with a talk on new plants available for gardeners this year.

Mrs. Owen Merrill announced that in a new program feature during her term as president, club members will demonstrate at each meeting of some facet of flower arranging. This will serve as a lesson for newer club members and a review for the more experienced.

In the first such demonstration, Mrs. Charles Gross discussed modern Japanese flower arranging. While still making use of the traditional trial of "man, earth and heaven," the newer style is more "real," giving the impression that flowers and greens are actually growing in the arrangement.

Mrs. Gross used yellow tulips and dried pods and stems from oriental poppies in her demonstration. She also reminded members that this is the time to force flowering branches into bloom. Well-budded branches of pussy willows, forsythia, flowering quince, flowering peach and dogwood may be brought indoors, placed in water and will begin flowering in a few days.

Mrs. Gordon Comfort presented a talk on this year's new plants and seeds that had been tested at Hidden Lake Gardens.

Illustrated with pictures, the descriptions also covered all-American selections, plants judged by a national panel of growers and gardening experts to be the best in their fields.

One of particular interest was the new pelargonium (large-flowering geranium) series known as Carefree. Then can be potted for indoor plants. The Carefree series will be tested this year at Hidden Lake Gardens.

These test gardens are open to the public for viewing.

Posters with illustrated descriptions of both Hidden Lake Gardens' tests and all-American selections, were donated to the Tecumseh Public Library by the Garden Club, and are on display there for interested gardeners.

During the club's business meeting, Mrs. Ronald Wisner was welcomed as a new member, and the group decided to donate a book to the garden center at Tecumseh Public Library in memory of Mrs. Archie Dunsmore.

The meeting was at the home of Mrs. Morgan Ford, who was assisted with refreshments by Mrs. Richard Gobba and Mrs. Robert Bagdon.

Hostess for the March 19 meeting will be Mrs. William Holmes, assisted by Mrs. Donald Moffatt and Mrs. Jerry Eggleston. Guest speaker will be Anne Carson, who will speak on plants and flowers of the Bible.

Faith Circle

MACON — The Faith Circle will be meeting on Thursday, March 7, at 1:30 p.m. Mrs. Lyle Riddell will be the host. Mrs. Dean Moore will lead the devotions and Mrs. Truman Jordan will have the program.

Through My Window

IS EVERYONE PACKED AND READY FOR THE TRIP?

A quick look at the calendar and please join me in a long, loud resounding hooray! Our third month is tensely poised on the threshold and will come marching in at the stroke of midnight. With January and February out of the way, we are just that much closer to spring and warm weather.

I am still mired down in last week's mood of fed - up - to - the - eyebrows - and - sick - to - death - of - winter - hurry - hurry - spring. Borrowing from the positive thinkers, I shall not dwell on winter miseries though, but will, instead, continue thinking ahead to all of the nice warm things to come.

I hope there are some birds who are thinking, too. Many of them should be preparing for that long trek northward to their summer breeding areas. Of course, as we have said practically every other day, this has been a peculiar winter. Two birds, whom we should be looking forward to greeting, never left — grackles and cowbirds have been with us right along. It's a shame, too, because really about the only time either are truly welcomed with open arms is at that first sighting. When they could be greeted as early harbingers of spring, it was exciting but as year-'round residents this year their appearance in our window pictures is merely a nuisance.

Weather is an extremely important factor in bird migration. So, if conditions are right and if the weather man cooperates, we should be seeing some of the earliest returnees in the next few weeks.

Any day now the exciting honking of the big Canada geese could be heard. Say, that is nice to contemplate, isn't it? There is something wild and independent in that unmusical honkers' talk, it is always a thrill.

★

AND PEOPLE fortunate enough to play host to blue birds should be getting their little houses out and properly positioned. These birds, if you remember, readily accept help and in fact, man-made blue bird houses are necessary for the species to survive. There simply are not enough natural home sites available any more. To discourage uninvited sparrows — or, at least say it tends to discourage them — the blue birds' house should be mounted about four feet from the ground. The supporting post, if wood, could have a metal guard to discourage sneaky cats. The door opening should be less than one and one-half inches in diameter.

★

RED-WINGED blackbirds are due to arrive this month also. Or, like the stupid cowbirds and grackles, did some of the red-wings winter over here? We have not taken many leisurely drives through the country just lately and so cannot, from first-hand experience, report the winter status of these birds.

If we are due to throw out the welcome mat for the red-wings, it will be the pretty red-shoulder-patched males who arrive first. They beat their dull brownish mates back by several weeks. There is undoubtedly a very important reason for this. By arriving early, the males get all territorial rights straightened out and, with the coming of the ladies, can get right to the business of selecting a mate and raising the family.

★

OF COURSE, this morning, Wednesday, the 21st, with the temperatures nudging zero and the ground covered with snow, it is hard to believe that spring really will come sashaying in one of these days. Marda, remember your resolve to think positive thoughts. Things can change fast — and they usually do, don't they?

One of the things which must change before another March returnee makes an appearance is the Creek. The belted kingfisher should be anxious but, until the ice goes out of the creek for good, they will find the fishing mighty poor I'm afraid.

So it is that while we eagerly wait for their arrival, it is nice to think about our summer birds scurrying around their winter headquarters and asking each other, "Is everybody packed and ready for the trip?"

EDGAR L. PEAVEY

Peavey Seeking State Position

Edgar L. Peavey, Adrian, will oppose Robert Stites, Republican incumbent, for State Representative from the 40th District.

Mr. Peavey, active in county Republican circles, sought the position in 1964, when Mr. Stites won the Republican nomination, defeating long-time incumbent Rollo Conlin.

He is a life-time resident of Adrian and immediate area, a veteran of WW II, holds offices in several organizations and is presently employed by the Lenawee Road Commission.

Hope Circle

MACON — The Hope Circle was entertained Wednesday morning at the home of Mrs. Dean Moore. Mrs. William Swanston had the program entitled "New Math in Modern Life." Members had a special invitation to attend the General W.S.C.S. meeting to be presented with their Membership cards. Hot biscuit and muffins were served by the hostess.

Teen Crusaders To Hold Rally At Adrian College

Teen Life Crusade will present on March 2, at 7:30 p.m., in Dawson Auditorium the Rev. Tunis W. Mouw, an outstanding pastor from Kalamazoo.

The Rev. Mouw is well known for his Biblical preaching and presents a dynamic message for today's teens. Currently he is pastor of the Kalamazoo Calvary Bible Church, and also national president of the Independent Fundamental Churches of America.

Formerly he served as professor at Northeastern Collegiate Bible Institute. He is in wide demand as a youth and Bible conference speaker.

In addition to the featured speaker of the rally there will be the continued Teen High School Competition and the unique Teen-to-Teen ministry in word and song of the Teen Life Chorale.

Chrysler sales have climbed for eight straight years. And for 1968, we know it's going to be "business as usual"—strictly on the upside. You see, we have 15 beautiful new Chryslers to choose from. At prices that start just a few dollars more a month than some Fords and Chevys, comparably equipped. Besides, we like the look of our sales curve so much we'll do most anything to keep it climbing. So drop in and move up with us. Test price the best of the big ones — Chrysler '68.

what kind of coffeemaker do you use?

It really doesn't matter.
Any coffeemaker can give you a good cup of coffee, providing you use a fine fresh coffee that is ground exactly right for your coffeemaker.

We've always known that the correct grind is important to coffee flavor.
That's why, years ago, we developed Custom-Grinding.
That's why we don't have just one or two grinds but seven different grinds... to fit any coffeemaker, including electric percolators, of course, (Ask for medium-fine grind for electrics).

Custom-Grinding means a little extra work for us and a little extra time for you.
(It takes 15 seconds to grind a pound).
But what a difference in flavor those few seconds make.

You know, there's only one reason we insist on selling custom-ground bean coffees... WE CARE.

ROGER KAPP

Roger Kapp Is New District Scout Executive

Roger B. Kapp of Flint, is the new District Scout Executive for Lenape District (Lenawee County) of the Wolverine Council, Boy Scouts of America. The announcement was made by the Scout Executive, James F. Reed and the Council Executive Board. Mr. Kapp will start his duties on March 1, 1968 and will live in Tecumseh.

Mr. Kapp is a graduate of Alma College attaining his degree in Health and Physical Education. He has completed one year in the Army and is now on Reserve Status.

Active as a boy in Scouting, Roger was a Cub Scout for 2 years, a Boy Scout for three years. He attained the Eagle Rank and served in many leadership positions.

Mr. Kapp is married to Deborah and they are members of the Presbyterian Church. He leaves the position of Physical Therapist Assistant at Hurley Hospital in Flint to assume his duties in the Wolverine Council.

World Day Of Prayer March 1

Mrs. Paul Brantingham announced that March 1 a special observance of the World Day of Prayer will be held at the Tecumseh Friends Church.

"Abide in My Love", is the theme for the program with the Missionary Baptist Church, the Tecumseh Church of the Nazarene and the Assembly of God participating.

The prayer booklet to be used as a guide, was written by Charlotte B. Meredith and contains devotional thoughts, responsive readings and hymn selections. It is prepared and issued by the National Association of Evangelicals, representing 42 church denominations and conferences.

Mrs. Brantingham invites the public to attend.

Ash Wednesday Services Begin Lenten Season

One of the most sacred seasons observed by the Christian Church begins on Ash Wednesday, Feb. 28.

The Gloria Dei Evangelical Lutheran Church — faithful to its tradition — will have its Vespers Services every Wednesday during Lent, at 7:30 p.m. The Chancel Choir will participate in the services.

The sermons will bring closer to the Christian minds and hearts the real meaning of Christ's saving work." He laid down his life for us".

On Ash Wednesday evening and on the first Sunday in Lent, March 3, the Holy Communion will be administered.

ANNUAL TAX SALE

STATE OF MICHIGAN

SCHEDULE "A"

TAXES OF 1965 AND PRIOR YEARS

In the Circuit Court for the County of Lenawee

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Lenawee:

ALLISON GREEN, State Treasurer of the State of Michigan, respectfully shows unto the Court:

1. That he is the State Treasurer of the State of Michigan and makes and files this complaint under the direction and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, Act No. 126 of the Public Acts of 1933, as amended, and Act No. 380 of P.A. 1965, as amended.

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned, and contains a true description of all lands in the aforesaid county upon which taxes have been assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent for taxes, and the description of all lands in said county heretofore bid off in the name of the State and not redeemed and upon which taxes which were assessed subsequent to the year in which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are returned subsequent for any installment of taxes under the provisions of Act 126, P.A. 1933, as amended.

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of taxes assessed upon said description for the non-payment of which the same is sought to be fully be sold at the next annual tax sale, (b) the amount computed thereon as provided by law to May 1, 1968, and (c) May, next ensuing, (d) a collection fee of four per cent and (d) $4.00 for expenses, all in accordance with the provisions of the act first above mentioned.

4. That all of the aforesaid taxes, interest and charges are valid, due, unpaid and unpaid, and have remained delinquent and unpaid for more than one time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule as herein and annexed each extended in favor of the people of the State of Michigan, the assessment of which liens this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as herein extended.

b. That within the time prescribed by law this court make its final judgment in favor of the plaintiff and against each parcel of land described in said schedule against the payment of the several amounts of taxes, interest, collection fee and charges, expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment as aforesaid of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides.

d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc.

ALLISON GREEN
State Treasurer of the State of Michigan, for and in behalf of said State.

MACON MAXIMS

By MRS. HAMILTON MOORE

Terry Ross, Edward Clark, Robert Osborne, George Osborne, Edward Ziek, Robert Haines, Herman Mehler and Donald Mueller attended the Layman's Banquet last Thursday evening at the St. Peter's Church in Tecumseh.

Scot Cook was a Saturday afternoon guest of Perry Moore.

Mr. and Mrs. Richard Van Valkenburg and son were Sunday callers at the home of Mr. and Mrs. Russell VanValkenburg.

Mr. and Mrs. Ernest Carothers were callers at the home of their daughter, Mr. and Mrs. Wesley Gilmore and family.

Judi Hembaugh of Battle Creek spent this last week at the home of Mr. and Mrs. Harold Ruhl.

Mrs. Mills Swick entertained the Britton Extension Club Thursday afternoon.

Mr. and Mrs. Jerry Carey of Ypsilanti and Mrs. Dean Moore were Thursday luncheon guests of Mr. and Mrs. Hamilton F. Moore.

Sherri Hover was a Friday afternoon guest of Margaret Moore.

Mr. and Mrs. Charles Bigelow and daughters entertained 22 Tau Kappa Delta fraternity brothers of their son, Bob, as supper guests. The evening was spent in singing songs.

Community Club

MACON — The Macon Community Club met last Tuesday at the home of Mrs. Dean Moore. A dinner was served to 21 members and guests attending.

The business meeting was opened with the Pledge of Allegiance to the Flag and the Lord's Prayer being repeated in unison. A tribute was given by Mrs. Ray Hendershot to Mrs. Lilah Howell. Mrs. Hamilton F. Moore paid tribute to Mrs. Ray Hendershot and Mrs. Lilah Howell. Both were faithful members of the Community Club and will be missed.

Mrs. James Thomas read "History of the American Flag"; Mrs. Gertrude Birdsall read comparisons and sayings of Washington and Lincoln and the Rev. Rial Simons recited several original poems that he had written. Other poems were read by Mrs. Ralph Halladay, Mrs. Dean Moore, Elmer Pocklington, Charles Bigelow, and Mrs. Clayton Bigelow. Mrs. Lilburn Burleson, Mrs. Thomas Badley and daughter of Macon, the Rev. and Mrs. Rial Simons of Flat Rock, formerly of Clinton and Macon, were visitors.

The March meeting will be with Mr. and Mrs. Charles Bigelow.

Joy Circle

MACON: Mrs. Harold Ruhl will arrange the program for the Joy Circle, which will be on Wednesday, March 6, at 8 p.m. Mrs. Carl Thomas and Mrs. Guy Zelluff will be the hostesses.

Vandalism Is Investigated

Clinton State Police are investigating malicious destruction which occurred Sunday morning. A picture window was broken at the home of Harold Mattis, 1054 Lake Shore Dr., Wamplers Lake.

Larry Sanford, 409 E. Logan, Tecumseh, reported the theft of a tool box and tools while working Saturday night.

Two mail boxes were knocked down along Tecumseh - Clinton Rd., Saturday night. They belonged to Walter Zick and Ella VanGieson.

World Day Of Prayer

MACON — The World Day of Prayer at the Grace Methodist Church will be observed Friday, March 1, at 7:30 p.m. All women of the Macon area are asked to join. The program is written by Mrs. Rathie Selvaratnam of Ceylon, chairman of the Asian Church Women's Conference. She chose the theme "Bear One Another's Burden." It was taken from Galatians.

Gem and Mineral Society to Meet Sunday at CC

A colored slide show with tape narration, put together by Roy Dahlke, will be presented at the meeting Sunday of the Stateline Gem and Mineral Society at the Community Center.

"What a Rockhound Is" is the name of the program. It is about all the activities in which the rockhound participates with the accent on safety and courtesy.

Guests will be welcomed to the meeting at 2 p.m. Refreshments will be served.

World Day Of Prayer Service

CLINTON — "Bear One Another's Burdens" will be the theme of the World Day of Prayer Service to be presented in the Clinton Methodist Church, Friday, at 2 p.m.

The service was prepared by Mrs. Rathie Selvaratnam of Ceylon, chairman of the Asian Church World Conference, and it will be used in churches throughout the world in observance of the occasion.

Participating in the program are Mrs. Lawson Ward of the host church; Mrs. Charles Sturm and Mrs. Lawrence Van Giesen of St. John's Episcopal Church; Mrs. William Shelley and Mrs. Howard Hintz of the United Church of Christ, Mrs. Paul Klanke of the Assembly of God, and Mrs. Jack Brooks and Mrs. Elmer House of the Clinton Baptist Church.

A special invitation has been extended to the women of the St. Dominic's Catholic Church, and all area women are welcome to attend.

Mrs. James Danforth of Tecumseh will be the guest soloist.

Group Attends Review Seminar In Marshall

CLINTON — Several area men were at Marshall Friday, to attend a Board of Review seminar, sponsored by the Michigan State Association of Supervisors in cooperation with the State Tax Commission.

Those attending included Clinton Township officers: Martin Halley, supervisor; James Meeks, board member, and Harold Calhoun, board of review; and Macon Township officers: Charles Bigelow, supervisor; Carl Hintz and Joseph Schafer, members of board of review.

Attending from Tecumseh Township were: Art Eaton, supervisor; James Rundell and Glen Hendershot.

Fire Calls

CLINTON — The village fire department was called at 4:30 p.m. Friday to put out a grass fire along Matthews Hwy., just back of the Kitchen Nook on US-12.

Apparently a fire started from a trash barrel.

Another grass fire got out of control, Sunday, about 2:10 p.m., while Mrs. Ella Van Gieson was burning grass north of her home on Tecumseh-Clinton Rd.

By the time firemen were able to get it stopped, about two acres had been blackened, and flames had come dangerously close to several small buildings.

Area Rotary Club Sponsors Banquet

CLINTON — The Blue and Gold banquet was marked by an attendance of 230 last Wednesday night at the high school cafeteria.

Attending the potluck dinner were Cub Scouts, Boy Scouts, their parents, and the sponsoring Clinton Rotary Club.

The invocation was given by the Rev. David Liscomb.

Awards were presented to:

Terry Reiser, bear.

David Tallman, wolf.

Gregory Busch, silver arrow.

Service stars were presented to the following: Gale Patterson, two-year pin; one-year pins to Randall Breeding, Jeffery Miller, Kenneth Roberts, David Mowery, and Billy Schmidt.

Mrs. Joseph Busch received a seven-year pin, for her services as Den Mother of Den 2.

Cubmaster John Shear thanked the Rotary Club for providing five new uniforms for the Cub Scout leaders, and he introduced Rotary Club President Ray Williams.

John Busch and James Blumhardt, who recently achieved the Eagle Scout rank, talked on the merits of joining the Boy Scouts.

Clinton Chatter

Mr. and Mrs. Frank Weaver of Greeley, Colo., arrived by plane Wednesday at Metropolitan Airport. They were en route from a business trip to New York City, and they visited until Saturday with his mother, Mrs. Linn Weaver.

Mr. and Mrs. Delbert Tallman will leave this weekend for Florida for two weeks in their pickup camper.

Mr. and Mrs. Howard Parker of Saline, returned last week from a six-weeks' trip to Australia. Upon their return to the States, they called on Mr. and Mrs. John Brown at Palo Alto, Calif. Mrs. Brown is the daughter of Mr. and Mrs. Roscoe Parker.

Annual School Concert

CLINTON — The Clinton Cadet and Concert Bands, under the direction of Richard Perkins, will present their annual winter concert Thursday, at 8 p.m., in the high school gym.

The 38-piece cadet band will perform the music of Handel and Mozart and a suite of Irish tunes.

The concert band will perform the popular Billboard March, the music they will play at the District Band Festival, and will close with selections from the recent Broadway musical, "Man of La-Mancha."

Also featured will be the brass sextet which received a First Division at the recent District Solo and Ensemble Festival.

Sixteen members of the Clinton Senior Band participated in the Festival, Feb. 10 at Addison.

Those receiving first division ratings were: Joanne Sharpe, clarinet solo; Becky Reed, clarinet solo; Don Osgood, permussion solo; Kris Humble and Judy Hoyt, flute duet; Barbara Hawkins and Linda Rynd, flute duet; and a brass sextet composed of Jerry Porter, Loren Werth, Sheila Girbach, Herbert Ayres, Marilyn Girbach and Dave Herndon.

These students are eligible to participate in the State Solo and Ensemble Festival to be held at Muskegon March 23.

The Concert Band will participate in the District Band Festival at Hudson, March 9.

Each band will perform a 25-minute program consisting of a march, a required concert number and a concert number of their own choosing.

Fans of the band are welcome to attend the Festivals.

School Proposal To be Explained By Superintendent

CLINTON — The proposed school building program will be explained by Superintendent Richard Wegner at the March meeting of the Mary - Martha Class, Monday, March 4.

Husbands of members will be guests at the meeting scheduled for 8 p.m. in the dining room of the United Church of Christ.

The Board of Education is sponsoring as many small group meetings as possible prior to the April 15 school election, and it is expected that most of the voters in the school district will be able to attend one in their neighborhood.

Mrs. Milton Grossman and Mrs. Glen Bihlmeyer are on the refreshment committee.

Champs Easily Tame Wildcats

By GINA GREEN

Clinton's Lakeland C Champs had very little trouble with basement-dwelling Novi Friday night as they took an easy 78-56 victory.

Even without the help of senior ace, Butch Hoelzer, who suffered an ankle injury early in the game, the Redskins started off big with a new set of starters, took a 41-25 lead at the half, and relaxed for most of the remaining stanzas.

The Wildcats did manage to outscore Clinton, 19-16, in the third frame, but the game was out of reach and the entire Redskin squad came off the bench in the final quarter to polish it off.

Leading the winning scorers was Jim Schuler, returning to form after an ankle sprain, to pump in 19 points and pull off 12 rebounds. Jake Schwab had another fine game with 14 points, and Bob Ehnis, in his first starting assignment, added 11.

All-Stater Hoelzer made only one trip up and down the court before spraining his ankle, but Coach Dick Content expects, and hopes, that he will be back in shape in time for tournaments.

Jon Van Wagner sank 20 points for Novi, 12 from the free throw line, and teammate Lee Snow tossed in 13.

Redskin JV Coach Doug Decker and team finished a fine season with a 74-62 win over the Little Wildcats. Tim Merritt led the Junior Redskins with 17 points and 27 rebounds, followed by Mark Wegner with 14 points and 17 rebounds. Two other Redskins, Jerry Porter and Jim Claus, made the double-figure column, sinking 12 and 10 points respectively.

Whiteford Shares Title

BRITTON — The Whiteford Bobcats earned a share of the River Raisin League championship title Friday night as they posted a convincing 89-71 win over the Tories on the Britton court.

The Tories, right in the thick of the title race a month ago after posting five straight wins in January, have skidded into a five-game losing streak, and ended up in 4th place in the league standings with a 6-6 mark. Whiteford ends the season tied with Summerfield at 9 wins and 3 losses.

The score was tied at 8-all midway through the initial quarter, then the Bobcats began to prowl, and were never headed from then on. They scored easily and often on the fast break, and by half-time were leading 41-31.

The second half was more of the same, as the Bobcats, determined to hang onto a share of the league title, romped over the Tories. They were led by senior center Terry Brenke, who scored a total of 38 points in the contest, while teammates Dave Simpson and Rich Koppleman each added 16.

Junior center Dave Fairbanks paced the Tory scoring with 28 points, followed by Gordon Henning with 16 and Jim Brown with 13.

Henning played his finest game of the year both in ball-handling and scoring, as he popped in seven field goals and two free throws.

The final game for the Tories before district tournament play March 6 will be a non-league encounter Friday night against Adrian Catholic Central, the champions of the LCAA league. The two teams may meet in the Class D tournaments, which are scheduled for March 6 and 8 at Adrian High School. Pairings were to be drawn Tuesday.

FFA Team Wins First

BRITTON—The Parliamentary Procedure team from the Britton FFA Chapter won first place at the Regional FFA Leadership Training Contest which was held at the Hudson Community Schools last Thursday. There were eleven schools represented at the event.

The win at the regional level gives the local chapter the opportunity to send their team to the state FFA contests in March.

This is the first Parliamentary Procedure team to go to the state contest from Britton since the local chapter was formed in 1952. A Demonstration team went in 1957.

Members of the winning team are Les Rowe, Gary Spohr, Tom Schroeder, Larry Bush, Ron Eldred, Louis Wagner and John Rowe.

The winning teams in the four contest categories will go to the State FFA Convention to compete against seven other regional winners in the state. The convention will be held March 21 and 22 on the Michigan State University campus.

Britton also won a third place rating at Hudson with their demonstration team, composed of Dick Schroeder, Doug Wielfaert and Pete Forgacs.

The schools entered in the Hudson regional contest were Britton, Chelsea, Dexter, Dundee, Hillsdale, Ida, Onsted, Reading, Saline, Waldron and Whiteford.

The Reading chapter won first in Public Speaking, while Onsted placed second. Hillsdale won the Demonstration contest with Saline second. The Farm Forum contest was won by Onsted, with Waldron earning a second place.

Paul Marks, vocational agriculture teacher and advisor of the Britton FFA chapter, said he was very proud of the great representation the local teams have shown in recent months.

JV Tories Win In Overtime

BRITTON — The Junior varsity team provided some thrills to the fans Friday night, as they tamed the Whiteford Bobcats' reserve team 51-46 in an exciting overtime contest.

The game was close in the final minutes, and was tied up at 41-41 with a minute and 16 seconds to go. Whiteford moved ahead, and seemed certain to have the game in their pocket as the score was 44-42 in their favor in the last few seconds.

But a last-second 25-foot jumper by Dick Schroeder, his only score of the evening, saved the game for the Tories, as it put the game into overtime.

In the final overtime period, baskets were scored by Jim Lister, Gary Check and Lister again, and Rod Taylor added a free throw while the little Bobcats could only muster one basket. The win puts the junior Tories at the 8-6 mark for the season, with one game remaining against Adrian Catholic Central Friday.

Jim Lister led the Britton scoring with 23 points. "He showed real hustle," commented Coach Palka, "and was playing most of the second half and the overtime period with four personal fouls." Palka also pointed out the freshmen who played well: Rodney Taylor, Gary Check and Dan Warren.

Joint Lenten Services

BRITTON — The pastors and congregations of Grace Methodist Church in Ridgeway and Macon Methodist Church in Macon are planning a series of joint Lenten services to be held each Sunday evening before Easter, beginning March 3rd.

The two churches will alternate as hosts, with the visiting minister bringing the message each week.

The series will be on the theme "Conflicts at Calvary."

The first service will be held in the Macon church, with the Rev. John D. Lover preaching "Judas, Who Betrayed Him." The services all begin at 7:30 p.m.

Three Local Boys Injured In Accident

BRITTON — Three local high school boys, all members of the basketball team, were injured Friday night when their car was struck head-on by another in downtown Britton.

Howard Schroeder, the driver, Gordon Henning and Jim Henry were all taken to Herrick Memorial Hospital, where they were treated and released.

The accident occurred about 12:40 a.m. as the boys were traveling east on M-50 near the Wabash railroad tracks, when a car driven by Lappe Casanova Gonzales, 26, of Ypsilanti, approached from the east. Gonzales, whom a witness reported had been driving "all over the road" from Dundee, crossed the center line and hit the Schroeder car head-on. The impact drove the boy's car back 93 feet, into a parked pickup truck.

Schroeder suffered head and side injuries, and Henning, a front seat passenger, suffered head and neck injuries when he was thrown forward, breaking the windshield. The rear-seat passenger, Jim Henry, sustained a sprained ankle.

Gonzales was issued a ticket by Britton police for driving to the left of the center line and causing an accident.

Breakfast To Begin Prayer Day

BRITTON — The World Day of Prayer on Friday, March 1, will be observed by Congregational Church women beginning with a breakfast at the parsonage at 9 a.m. All women are invited to attend. Several leaders of the Women's Fellowship will conduct the devotional prayer service.

The Lenten services in the church will be conducted by Pastor Hannevik beginning Thursday, March 28, and continuing April 4 and April 11.

A filmstrip on the last week of Christ's life will be shown at the first service. Meditation themes will be "They Sang a Hymn," "Some Observations," and the last, to be held on Maunday Thursday at the Communion Service, "Glorying in the Cross."

The church choirs will participate. All are welcome to share in all services of the church.

RE-ENLISTS — M/Sgt. Wayne H. Hintz (left), son of Mr. and Mrs. Edward M. Hintz, of Britton, receives the oath of enlistment at Edwards AFB, Calif., from Major General H. B. Manson, Air Force Flight Test Center commander. Sgt. Hintz is a personnel technician at Edwards with a unit of the Air Force Systems Command. He previously served at Tan Son Nhut AB, Vietnam, and is a veteran of World War II and the Korean War. The Britton High School graduate is married to the former Ethel I. Fry, daughter of Mrs. Gertrude Hillman, of Ypsilanti.

BRITTON BRIEFS

Products, Union Still Negotiate

Negotiations between officials of the Tecumseh Products and the United Products Workers Union are still being held in hopes of avoiding a strike, now scheduled for next Monday morning at 9 a.m.

The Union held a strike vote Sunday afternoon at the Union Hall with 1,256 voting in favor of a strike and 232 against it. There were 23 invalid votes.

The company is hopeful about settling differences with the Union before the strike deadline, and "will continue bargaining in good faith with Union representatives."

Products officials have declined to discuss the problems except to confirm that daily negotiations are being held. They hope to reach an agreement with the Union, which has reported several existing grievances.

Apparently, the Union decided to strike when the company discharged 13 employees last week over a working dispute. Although the Products rehired the men later in the week, the Union went ahead with its strike vote Sunday, citing other grievances which have not been settled.

Gene Williams, Union director, says the grievances have not been settled and everything is at a standstill. He said negotiations ran all day Monday and Tuesday, and Wednesday is expected to be the same.

If a settlement is not reached and a strike goes into effect, it will be the first actual strike in the Tecumseh Products' 34-year-old history.

Walkouts have occurred, but the differences were solved quickly.

The local company is the largest employer in the county and this area with about 3,200 employees. It is the world's largest manufacturer of compressor units for refrigeration and is a major supplier to many nationally and internationally known companies.

Fire Loss Is $5,500

A fire in the early evening, Monday, at the Arthur Bowser farm at 1351 E. Monroe Rd., destroyed a barn, Cub tractor and tools all estimated at $5,500.

The fire started in the rear of the quonset structure and went unnoticed for some time.

Danger developed when flames were near a propane service truck which Mr. Bowser kept in the barn. The truck carried tanks of the volatile gas.

Mr. Bowser and a neighbor started pushing the truck out of danger and were aided by two motorists who stopped to help. The truck was scorched in the rear.

Two smaller tanks of propane were unretrievable from the the barn and exploded. Another large tank adjacent to the building remained intact in spite of the intense heat.

Also in the barn at the time of the fire were a registered Mexican donkey and a Welch pony, both were saved.

Mr. Bowser had also purchased three tons of hay a few weeks prior to the fire, about two and one-half tons were destroyed in the blaze.

The metal building did not allow the heat to escape, making all efforts to save the tractor and tools impossible.

The building was valued at $4,500, the tractor and tools at $1,000.

Cause of the fire was unknown.

Nine Apartments Are Planned For S. Evans St.

A change in zoning for construction of nine one-bedroom apartments on S. Evans St., was sought by William M. Powell, local real estate businessman, at Monday night's Council meeting.

In a letter to the city, Mr. Powell asked that the zoning be changed to multiple dwelling. His request was referred to the Planning Commission.

The site is two blocks south of Chicago Blvd., at the intersection Evans and Kilbuck.

Four other apartments are just north of the site.

New Vocational County School Contemplated

By BILL SANFORD

A proposed county-wide vocational-technical training center was discussed at a meeting last Tuesday at Sutton School. At the meeting were members of the boards of education, county school officials and representatives of government.

The success or failure of the vocational center hinges on the outcome of an issue which will go before the voters on June 10. On the ballot will be a 1.5 mill county-wide levy for the construction and maintenance of the center.

Government funds are available on a matching fund basis for the original construction and equipping. Based on comparative centers such as the one proposed for Lenawee County, it would amount to 45% or possibly more.

Funds are also obtainable from the Federal government for the annual operation, although in lesser amounts. These funds could not be obtained if the millage issue fails in June.

Total cost of construction has been estimated at $2,275,000, of which the expected Federal share would be $1,025,000. On the annual operation of the area center, costs are estimated at $385,000. The Federal share would amount to $61,000 and the county share $324,000.

A breakdown of the millage was explained at the meeting to be 1.2 mills for annual operating purposes. The charter mills, like the county-wide special education millage, would continue to be levied for as long as the program lasts.

The .3 mills would continue on the tax rolls for 15 to 25 years, depending on how fast the county valuation increases. This millage will be used for the overall debt retirement of the county's share of capital outlay.

William Ross, director of county vocational education, stressed the fact the center was aimed at employability of Lenawee youth who do not finish high school, or who graduate and do not go on to college.

Mr. Ross also pointed out the fact that over 60% of Lenawee youth who start the ninth grade enter the labor market at or before high school graduation. Lenawee County ranks seventh in the state concerning high school drop-outs.

Clinton Is Estimating Seven-Mill Increase

By MAXINE CALHOUN

CLINTON — School building plans were outlined at a meeting hosted by the Mary-Martha Class in the United Church of Christ, Monday evening.

Superintendent Richard Wegner, and school board members, James Woodward, president; Mrs. Marilyn Vogel, secretary; Rex Winchell and Lester Proctor, members of the class and their husbands were among the 30 present.

Using illustrated charts, Mr. Wegner explained how the present elementary school building has become outgrown, and three elementary grades are presently housed in the Methodist Education building.

Likewise, the secondary school building is filled to capacity at present, he said.

Projecting elementary needs for just five years, four sections will be necessary at each grade level. Many grades are already in the 85- to 100-student range.

Plans call for the projected use of the present elementary building for kindergarten through grade 3, and possibly part of the fourth grade.

The secondary building was built in three sections: the oldest built in 1905 "has to go" because of its hazardous and high-maintenance condition. It now contains eight classrooms, including the library.

The second section, built in 1920, houses four classrooms and the girls' gym. Plans call for modernization and a new heating system.

The newest addition, built in 1957, and containing several classrooms, gym and cafeteria, needs little more than ventilators in the rooms to make it more efficient for use by upper elementary, grades 4, 5 and 6.

Costs of demolition of the 1905 section and remodeling of present sections were estimated at $150,000 by the school board.

Because of limitations of space at the present site, and the grading expense of adjacent property, the board has determined the advisability of building on a completely separate site for grades 7 through 12.

The district is faced with the trend toward more and more centralized school operation, as evidenced by the county-wide services which are being initiated. Mr. Wegner talked briefly of the new data processing center which is to be established by the Intermediate School District in the Birdsall School, near Adrian, which will facilitate the handling of all county school payrools, schedules, test scoring, census, operating expenses and general business record-keeping by computer.

Since possible reorganization of school districts is an ever-present possibility, the board has planned a new building which will have an immediate capacity of 500-600 pupils, enough for present enrollment only. Stressing flexibility in the design, the board expects that the building would be fully functional as a junior high school facility if reorganization becomes a necessity, and high school students are bused to a centrally-located site elsewhere.

Incorporated in the projection would be a centrally-located instructional materials center of 5,400 square feet, surrounded by library, electronic and language labs, audio-visual center and faculty rooms.

Functioning around this key center would be 27 teaching stations.

While an auditorium and swimming pool have been deleted from the plans, due to financial limitations, a cafetorium would comprise a lecture hall and cafeteria to provide room for small or large lecture areas, stage and band area, and a large gymnasium, without stage, would be used for physical education.

Clinton's 53-square-mile district has approximately $14,010 state equalized valuation behind each student, more than the state average.

Pending the most recent state equalized valuation figures, not yet released, the board at this time, is unable to put an exact dollar amount on the bond issue, which will be requested on the April 15 election ballot. However, estimates are that the bonding maximum will be around $2,300,000, to be raised with a millage increase of about seven mills. Exact amount is to be announced before the election, Mr. Wegner said.

Clinton school millage at present is:

Operating	19.22
Debt retirement	2.50
Building-site	2.00
Total	23.72

Questioned about increased operating costs with the new building plan, Mr. Wegner said one mill would probably be required for operating. However, at this time, it is impossible to foresee the impact of teacher and custodial contract bargaining will have on operational costs, which will have to be taken into account as they arise.

Regarding the proposed site, the option which the board has taken on the 95-acre Halladay property, will expire March 22, and can be renewed for one year. At this time, no final site choice has been determined, pending analysis of preparation costs of alternate sites by the architects.

Property owners only will be eligible to vote in the April 15 School Election, and they must be registered with the Clinton Township Clerk, Ben Mahrle, II, by March 15.

Socializing over dessert and coffee, board members and Mr. Wegner were able to answer many more informal questions from those present.

Mary - Martha members will serve a sorority dinner Thursday evening at the church. Members brought gifts for a cheer box to be taken to a hospitalized member, Mrs. James Draper.

Typewriters Are Stolen At School

Burglars, breaking an upstairs rear window, entered and robbed Tecumseh High School of five typewriters, either late Tuesday night or early Wednesday morning.

After gaining entry into a study hall, another window was smashed to get into the typing room, where classes for beginners are held. All typewriters in the room — 35 total — are manual, as electric ones are used by the advanced students in another room.

Principal Neville Hart estimates value of the typewriters at over $500.

Electric Blanket Causes Fire

A fire in an upstairs bedroom caused considerable damage to the Russell Miller residence at 305 W. Russell Rd. Tuesday.

An electric blanket had been left on in the room and was listed the probable cause of the fire.

Damage to the home was confined to the area of the bedroom. The entire contents of the room were destroyed in the fire.

Damage estimates were $500 to the contents and $500 to the house.

The Tecumseh Fire Department answered the call at 2:55 p.m.

Ordinance Snags Expansion Plans

Plans to add approximately 12,000 square feet to Tecumseh's Gamble store hit a snag here Monday night when the owners were told that additional parking facilities must be provided.

Don and D. J. Martin, owners of the store, were told by Council that a city ordinance provides for new off-street parking stalls in ratio to the number of square footage.

Early in the discussion at the Council meeting, 40 new stalls were suggested. Later, just before adjournment, it was understood that the requirement could be 10 or less.

This, however, may be difficult. All parking facilities now owned or leased by the city are practically developed to capacity. For the store to provide more parking spots, property would have to be purchased, leased or given to the city.

It was mentioned that in lieu of the parking stalls, a $1,000 fee to the city, per parking stall, was a figure once considered for another prospective new business. Such a figure and if Gambles has to provide 40 stalls, there could be an added charge of $40,000.

Both Martins indicated that such a sum was out of the question and indicated that they would first change their development plans.

In an announcement last week, they proposed tearing down the Strand Theatre building and erecting a new 12,000-square-foot addition. It would give their store approximately 20,000 total square feet.

A new Gamble building would extend to Bancroft Cleaners and then back and north toward the parking lot to within six feet of the present building. The Martins offered to exchange property with the city to further the site development.

Several businessmen — Cal Damon, Carl Lamb, Dike Helms and Dave Schoonover — spoke favorably for the enlargement, and at the same time, questioned the restrictions of the existing ordinance.

All spoke against the law, implying or stating that it also stymied growth of present and existing businesses.

It was pointed out that under the conditions of the ordinance, an entire city block could burn down and owners could not rebuild their individual stores to original size without enlarging parking facilities.

Although no action was taken, except under advisement, Councilmen William Holmes and George McCombs spoke against the ordinance and for making a change.

City Manager Cal Zorn remarked his hands were tied and he could not issue a building permit as long as the present ordinance exists. James Beardsley, city attorney, told officials that the ordinance was either right or wrong for existing downtown businesses, and that Council's primary concern was whether to do anything about it.

A suggestion to have the Planning Commission review it apparently fell by the wayside when Council told the Martins that it would have a decision at the March 18 meeting.

The ordinance pertains to expansions and new buildings. If Gambles were to clean out the interior of the Strand, leaving the exterior as it now is, the store would not be required to provide new parking stalls.

Council huddled late in the meeting and discussed applying the law only to the difference in size between the present Strand and the planned Gamble addition.

The new addition would be approximately 4,000 square feet bigger. This could reduce the number of stalls to about 10 or less.

Trial Date Scheduled For Monday

City Attorney James Beardsley told Council Monday night that a court date will be set Monday for condemning approximately 25 acres for a new city well field.

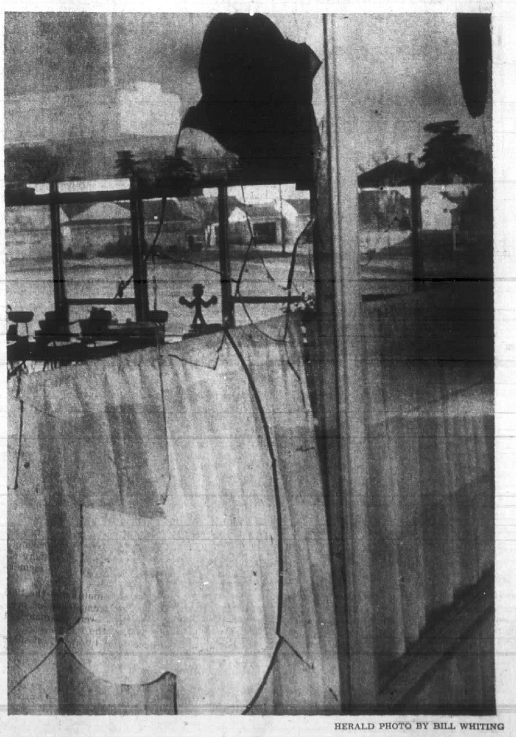
The announcement was made after Cal Zorn, city manager, told officials that two new test wells in the area were completed and a third nearing completion.

He said each well should be test-pumped for 12 hours. It was learned Wednesday that pumping tests would start either Wednesday or Thursday.

Mr. Beardsley said he should have the reports on the wells by the end of the week. Previous test wells and pumping showed an excellent supply of water, according to Ann Arbor engineers.

The property is owned by George Underwood, Clinton auto dealer, who does not want to sell and is opposing the condemnation.

The trial was originally set for Jan. 23.



HERALD PHOTO BY BILL WHITING

HAPPENS TOO OFTEN — Vandalism at the Tecumseh schools takes a costly toll every year, and they're back at it again. Over the weekend, five windows at Herrick Park, and two at Tecumseh Acres, including one large window, were targets of vandals. In the past, rocks were generally used. This time empty and full bottles of beer were the missiles. It's almost a hopeless task of tracking the vandals,, but police are investigating. One wonders if vandalism wouldn't stop if the papers were allowed to print the vandals' names, along with their parents'! Vandalism of this type and other law violations by the younger set might not only be embarrassing but also curtailed.

BEHIND PAGE ONE

Cal Damon was faced with an unusual situation one day last week. A man came into his women's apparel shop, walked back to the counter and asked Cal if he still carried TACKS! Obviously the man had not been in Tecumseh since Cal moved to the present building and thought he was in the old **Brandt's Dime Store.**

The **freshman class** of Tecumseh High School were victorious in capturing the **Spirit Trophy** at the pep meeting Tuesday, March 5. Throughout the year, points are scored to the various classes for their yelling capacity when each class is placed in opposition to the other. The **freshmen** had totaled up a score of 119 points.

Dick Carver — What are you doing?

An exhibition by **Evelyn Wentz** is in progress at the Little Gallery at Studio Angelico, Siena Heights until April 13. Displayed by **Jane Archambeau, Nanci Durst, Linda Eicher** and **Andrea Kotecki,** the showing is open from 1 to 9 p.m. daily.

AREA OBITUARIES

● **ARTHUR H. CONNIN**

Services were held Saturday in Adrian for Arthur H. Connin, 84, of that city who died Wednesday after more than two years of ill health.

He is survived by his wife, two sons, Earlyn Connin, 6860 Occidental Hwy., and Arthur Connin of Fort Meyers, Fla.; one stepson, Harold McMunn of Adrian and 18 grandchildren.

Mr. Connin was a life member of the IOOF Lodge and in 1959 was presented a pin for 45 years of continuous membership. He was also a member of the Lenawee Encampment IOOF and the Rebekah Lodge of Tecumseh.

Burial was in the Oakwood Cemetery with members of the Lodge conducting committal services.

● **ROSENBERRY FAMILY**

Funeral services for Mr. and Mrs. Robert Rosenberry, of Gady Rd., Adrian, and their son, Stephen, were held Saturday at 2 p.m., at the First Congregational Church in Union City with the Rev. Thomas Warke officiating.

The family was killed in a car-truck crash on Mulls hill, US-12, just west of Sharon-Hollow Rd., Feb. 27.

Robert Rosenberry, 22, was born Sept. 12, 1945, the son of Elwin and Bernice Swinart Rosenberry. He married Carol Scharf June 27, 1967. He was employed by the Ford Motor Co. in Saline.

He is survived by his mother, one sister and a brother, paternal grandparents and other relatives.

Carol Rosenberry, 20, was born April 10, 1947, in Coldwater. She is the daughter of Charles and Margret Albright Scharf. She is survived by her parents, now living in Florida; two brothers, maternal grandparents and other relatives.

Stephen Rosenberry, 1, was born July 7, 1966, in Adrian. He is survived by his grandparents, aunts, uncles and other relatives.

Building

MACON — A special building committee meeting will be held Friday, March 8, at 7:30 p.m., to discuss the financial aspects of the new building program.

Speaker To Be Feature At Next Auxiliary Meeting

Mrs. Parker Tagsold of Blissfield will be the speaker March 12 at the meeting of the Herrick Memorial Hospital auxiliary at 8 p.m. at the Community Center.

"The Use and Effect of Narcotics on Our Youth" will be the subject of Mrs. Tagsold's talk. She will present films to illustrate her presentation.

Mrs. Tagsold is a graduate of the Alumnae Board and of the executive board of the Lenawee County Youth Center. She is also educational director of the Michigan State Women's Christian Temperance Union.

She travels extensively to present her message and is considered an excellent speaker.

The meeting is open to the public and other groups and interested individuals.

Mrs. Fred Geiger, Mrs. William Driscoll and Mrs. Carlton Cook are the hostesses.

MR. AND MRS. STANLEY PACKARD

Packards to Be Honored After 50 Years of Marriage

Open house will be held Sunday in honor of the 50th wedding anniversary of Mr. and Mrs. Stanley Packard, 401 S. Pearl St. Friends, relatives and neighbors are invited to join the family between 2 and 5 p.m., in the First Baptist Church Youth House.

Mr. Packard was married to Pauline Filber of Manchester, March 11, 1918, in Adrian. Mr. and Mrs. Packard have spent most of their lives in the Tecumseh area. The reception is being planned by their nieces and nephews. The couple request that gifts be omitted.

Holds Meeting

"Color in the Home" was the lesson topic presented by Mrs. Ellsworth Robison and Mrs. Raymond Bird at the meeting of the Northeast Tecumseh Extension Club Feb. 27 at the home of Mrs. Elmer Wilt.

Nine members and three visitors, Mrs. Edward Stoelt, Mrs. Elmer House and Teresa Aguayo answered the roll call, "Something You Don't Like."

VOICE of THE HERALD

Ordinance Needs Change

An ordinance, possibly written and approved for shopping centers or development of new retail areas, is crippling Tecumseh's downtown district.

If such a city law is continued in effect, it could deal a fatal blow to present Tecumseh business. It is as simple as that.

This ordinance stipulates that businesses must provide additional parking facilities, if a current business wishes to expand, or tear down an existing building and rebuild. Additional parking facilities are based on the square footage of a new building.

Such a law is now prohibitive to a proposed Gamble expansion. If it goes unchanged without Council action, it will also prevent other businessmen here from improving their stores.

The law will not only encourage retail development beyond city boundaries, it will make it mandatory. After that, city loses its business section — and a large taxpaying group within its limits.

Council can and should amend the zoning ordinance in the best interests — not only for its merchants — but for the welfare of the community.

Since such action was not taken Monday night, a motion to amend the law is in order for the March 18th meeting. Passage of the motion is a must.

Vocations

(Continued from page one)

School administrators agreed that their subject offerings, budgets, equipment and facilities are inadequate to provide the programs needed for employment-bound youth.

The citizens advisory committee, who conducted the 1966 Lenawee Area Vocational and Technical Education Survey, recommended that an area center be established.

Under its recommendations, the center would serve as the vocational department for all area high schools — including parochial — and would be a vocational-technical center, not just another high school.

Students would remain as a part of their home high school. They would take part in all of the students activities and would attend the center for their specialized vocational courses.

Transportation to and from the center would remain the responsibility of the home high school. Legislation is pending in the state legislature which would allow funds to be available for transportation.

In the 1966 survey, Lenawee employers stated that local occupational training needs improvement. Only a small percentage stated that business and industry should be left to such training.

The actual site of the center will be determined by the County Board of Education, but is expected to be in or near Adrian. It will not be determined until the outcome of the June 10 ballot.

Cookies to Arrive Sat.

Mrs. Stanley Kruse announced Tuesday that the Girl Scout cookies would be delivered at her home Saturday for girls to deliver the fore part of next week.

Thus far they have sold 605 cases, exceeding their total sales of last year.

Anyone who would still like to order cookies may do so by calling Mrs. Kruse 423-4186.

Just 2 Accidents Are Investigated By Local Police

Only two accidents were investigated by Tecumseh police during the past week, and though both were minor, one was a bit hazardous.

Last Wednesday morning, Gerald R. Beekel, 17, of 2567 Sutton Rd., and a high school student, lost control of his car on N. Maumee St.

He ran into the edge of the bridge and then flipped into Evans Creek below. Neither Beekel nor a passenger were injured, and after the car was pulled from the creek, Beekel was able to drive it away.

He was charged with driving too fast for conditions and for defective tires. They reportedly were very smooth.

In the other mishap, Tuesday of last week, Charline Adams, 31, of 107 W. Pottawatamie St., was cited for an improper left turn after she turned into an auto driven by Sharon K. Hudson, 24, Adrian.

Friday, Michael G. Sneary, Adrian, reported his car damaged while parked in the Tecumseh Products parking lot.

MRS. EUGENE REBOTTARO

Church Spaghetti Dinner, March 13

By ALICE HENEHAN

It takes at least four hours of simmering and just the right amounts of herbs and spices to bring spaghetti sauce to the peak of delicious flavor. Check with the Rebottaros! For 10 years now Rose Rebottaro has been making the sauce for St. Elizabeth's annual spaghetti dinner, and most often on hand to help in dinner preparations have been her husband, Eugene, and her three sons, Louis, Tony and Charlie. The sons' wives, Martha, Joanne and Brenda, frequently help with either preparing or serving the meal. This dinner is not only a sampling of Italian cooking, but of generous family effort, too! Roses to the Rebottaros!

This year's dinner will be held on Wednesday, March 13, at St. Elizabeth Parish Hall on N. Union, near Brown St. The menu will include spaghetti, salad, rolls, beverages, and a variety of desserts.

Carryouts will also be available.

The event not only raises funds for parish provisions and activities, but offers an occasion at which parishioners can make new acquaintances and visit with old friends from throughout the community and from neighboring towns.

Chairmaning the dinner are Mrs. James Knickerbocker, Mrs. Edward Rapin, and Mrs. William Warner. Dining room chairman is Mrs. Robert Laidlaw. Hostesses are Mrs. Robert Sage and Mrs. Elmer Spreeman.

Special thanks go to Mrs. Robert McCrate, Mrs. Ted Golat and Mrs. Thomas Bruce, who have helped in preparing for all 10 spaghetti dinners.

Fire Board Discuss System Improvements

CLINTON — Representatives of the village fire board attended the meeting of the Clinton Township Board, Monday evening, to discuss improvements in the fire call system.

Various areas of pollution in the township were considered and a course of action was decided upon in accordance with County Health Department regulations.

Eddie Kirkland of Tecumseh Rd. was present to request an interpretation of the zoning ordinance.

Several building and electrical permits were issued. Note was made of the fact that the township is presently issuing more such permits than the Village of Clinton.

The date was announced for the annual meeting, or "settlement day" on March 19, at 7 p.m. Also the Annual Township Day, March 30, at 7 p.m., will be held in the Township Library. On the latter date, the annual budget will be adopted and all residents of the township are welcome to attend, and to present any particular problem to the board.

Christian Growth

Mrs. Bertram Updike hosts the Christian Growth meeting members of the First Baptist Church each Tuesday morning at 9:15. The current study topic is "Keep a True 'Lent'" by Charles Phillmore.

Judo Club To Meet First Time

Thursday evening, March 7, the first class sessions of the Tecumseh Judo club, for boys and girls 10 and over, and men and women will be held in the high school gym.

Classes for girls and women will be from 6:30 to 7:30; for boys, 10 through high school, 7:30 to 9; and for adult men, 9 to 10:30.

The cost for the classes will be eight dollars for 12 weeks, and may be paid at the first or second class session.

The instructor for the classes will be Shunichi Namba, a graduate student at the University of Michigan and a 5th degree black belt.

Judo suits may be ordered at the time of the classes. In the meantime, old clothes, i.e., sweatshirts and dungarees or sweat pants, may be worn for the class sessions.

Further information regarding the club may be obtained from Tom Fagan, the Rev. Julian Gresham or Ted Todd.

Attention All Interested Girls

Any and all girls interested in singing barbershop style with the Sweet Adelines are invited to meet Monday night, March 18, at 8 p.m., at Mary Sanchez Beauty Salon.

ORTHO, CHEVRON DESIGN—REGISTERED TRADEMARKS
Helps get corn popping
ORTHO Starter Special Fertilizer can have things popping around your place not long after planting time.
Band it to the side of the seed row, or apply it with a drill as a pop-up application. Either way, it gives planted corn a big growth push when it needs one. Early.
It's strong on the elements that produce fast action. But that's not all. ORTHO Starter Special is a uniform chemical combination of plant nutrients, including nitrogen and potash. Each pellet is packed with plant food, each pellet is a chemical replica of the next, for uniform nourishment wherever Starter Special's applied.
Right away, these elements get busy, working to give your corn a healthy start in life. Young seedlings grow roots that are strong and sturdy. Vigorous shoots start popping up. Corn stands better. Yields are bigger.
At harvest, you'll still be reaping the benefits. If you've planted early, the corn will have matured earlier, so you can harvest it earlier with less risk of damage from frost.
Get your corn off to a strong, sure start with ORTHO Starter Special Fertilizer. You'll be far ahead at the finish.

You Told Us

By DOROTHY GRIGG

Herald Women's Editor

Cupid is at it again. This time in Yugoslavia. Steve Sarvan finally returned to Tecumseh Feb. 24 from there after a stay of five and one half months. He only went for a visit with relatives but just as he was about ready to come back, the chubby little cherub with the arrows aimed one at Steve.

Now he is married and waiting patiently for his true love to come across the ocean. She should be here this month, Steve said. He has the paper work completed and has been assured that everything is in order for her journey.

Steve's comment about his homeland is that they copy everything that we do here and he thinks there has been a tremendous change in the six years since he was there last. Everything is improving and they are interested in music, dancing, the arts, just everything about the American way of life.

√

Mrs. O. W. Laidlaw was in the city over the weekend coming for the funeral service of her sister, Mrs. Julia Homan of East Hampton, Conn. The service was held Monday morning in Brooklyn. Mrs. Homan had visited in Tecumseh many times, coming the last time to the 50th wedding anniversary celebration of the Laidlaws. Mrs. Laidlaw stayed at the home of her son, Dr. Robert Laidlaw. She left for her Florida home on Wednesday.

√

Overnight guests Saturday of Mrs. William Grigg were her granddaughter and husband, Mr. and Mrs. David Patterson, and daughter, Anne Cherie, of Mentor, Ohio. Mrs. Grigg went home with them for several days.

√

That black kitty cat at the Snedecor sisters finally got back home. The owner picked him up after everyone about dispaired of ever finding him again.

√

Mr. and Mrs. Stanley Kruse have returned from a two-week tour of Florida including a visit with his mother at Avon Park. They went down the west side of Florida as far as Fort Meyers and then crossed to the center. She remarked that it seemed good to see the flowers blooming down there and know how cold it was here.

Mrs. James Thornberry and daughter, Renee, flew in to Metro Airport Friday evening from Chicago to spend the weekend with her parents and sisters, Mr. and Mrs. William Schooley, Helen and Diane, 904 Shady Lane. They returned home on North Central out of Jackson Sunday evening.

√

Mr. and Mrs. Paul Covell of Britton were Sunday evening guests of Mrs. Bert Creger.

√

Mrs. Bert Creger is the proud great-grandmother of a baby girl, Tina Marie, born Feb. 29, at Herrick Memorial Hospital. The baby is the daughter of Mr. and Mrs. Gene Creger of Lee Villa Trailer Court.

√

Mr. and Mrs. Vern Manwaring didn't stop at Florida. They continued by air to Cordoba, Argentina, where they vacationed with Mr. and Mrs. Barnard Fero. "They really know how to entertain," was the remark Joyce made Tuesday morning, after they had arrived home the evening before. She reports that the Feros are planning to come to the states in July for the wedding of their son, Tim. The Manwarings left Buenos Aires at 7 a.m. and arrived home about 8:30 p.m., quite a day's journey.

√

Mrs. Bert Ousterhout arrived home Saturday from Sarasota, Fla., where she visited her sister and husband, Mr. and Mrs. Gaylon Ford. Mrs. Rozella Rice and Mrs. Dorothy Farley were guests of Mrs. Ousterhout the past two weeks, also returning Saturday.

Siena Educator Addresses Club

Sister Ann Joachim, O.P., of Siena Heights College was the speaker Monday evening at the meeting of the Wit and Wisdom Club held at the home of Mr. and Mrs. Ralph Comfort.

Mrs. Clarence Damon introduced Sister Joachim, summing up her past achievements, "any of which would have been a lifetime career for an average person."

She holds six college degrees, was the first religious Sister to be admitted to practice law before the Supreme Court of the United States, authorized dozens of legal research articles published in nationwide legal periodicals, but is primarily a Dominican religious teacher of history, economics, political science and law at the college.

The educator told of 11 months effort to obtain proper visas for entrance to Russia, of orientation given by both countries before she and her companion, also a nun, were allowed entrance to the Soviet Union.

Being the first to enter Russia in religious garb since 1917, they created great curiosity among the people and discovered that there is a limited amount of worship being determinedly carried on in private buildings. The churches have all been seized by the government.

The marriage ceremony appeared to be the most meaningless thing, Sister said, with the bride and groom walking through state buildings, registering at a desk with an attendant and declaring themselves married.

Being a lawyer, Sister Joachim wanted to visit a Soviet court and after much persistence was allowed to see a divorce case in a lower court.

"I asked the judge, who was about 25 years old, why witnesses were not sworn. He replied 'There is no need for witnesses to be sworn since all Russians are honest.' It was a foolish question," Sister commented, "since these people are all atheists."

Mr. and Mrs. James McDowell and Mrs. H. H. Halley assisted the Comforts in serving lime ice and angel food cake to 20 members and honorary members. Mrs. O. W. Laidlaw was also present.

Mrs. Perry Hayden, president, opened the business meeting reading about thoughts of spring.

The nominating committee reported the same slate of officers will continue for another year.

VFW Legislative Dinner March 16

The Hall-Slater Post and Auxiliary are having a Legislative dinner, March 16 at the Post Home. Robert Stites, State Representative from the 40th District, will be the main speaker.

There will be a social hour at 6 p.m. and dinner at 7. Reservations may be paid in advance to Mrs. Melvin Wegner, auxiliary legislative chairman; Mrs. Walter Mueller, president; Mrs. Harlon Boyes or at the Post Home.

Deadline for reservations is March 12. All members and guests are invited.

Public Invited To Membership Drive Kickoff

The Tecumseh Chapter SPEBSQSA extends an invitation to the general public for a membership drive kick-off to be held at the Glass Room in the Tecumseh Community Center, Tuesday, March 12, at 8 p.m. Appearances will be made by the "For-Tune Tellers" of Manchester, the "Station-Aires", Hudson, the "Shamrocks", who are members of the Irish Hills "Sweet Adelines" chorus from Adrian, and the Tecumseh Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing of America, Inc.

An enjoyable evening of old barbershop harmony is promised.

The Tecumseh chorus extends an invitation to men 18 and up to come every Tuesday at 8 p.m. in the JC club room.

Sunday School Contest Begins

BRITTON — The Sunday School contest is underway to boost the attendance at the Bethel Baptist Church. Sunday School Superintendent Alva Clark urges each member to bring his next door neighbor or a friend to the 10 a.m. service Sunday.

The topic selected by the Rev. Duane McNeil for the 11 a.m. worship service is "What Stationery"

Something for all ages is offered at 6:30 p.m., adult Bible study, youth groups, etc.

"Peter, Peter," is the sermon subject for the evening service at 7:30 p.m.

The choir will practice for the Easter cantata following the service. It is hoped the reports at the Quarterly business meeting Friday at 7:30 p.m., will show a substantial gain in growth in all the services.

Also anticipated is the report from the church treasurer and financial secretary which will indicate the income has exceeded any previous quarter in the history of the church.

Meeting Cancelled

Mrs. L. J. Stafford, chapeau of the Petite Salon, No. 127, 8 and 40, announced that the March meeting has been postponed. The next meeting will be held at her home, 432 East Westwood Drive in Adrian April 8.

Raymond Brehmer Personnel Director

H. W. Tuttle Co., local manufacturers of electric duct heaters and compressor crankcase heaters, announce the appointment of Raymond D. Brehmer as personnel director for the company.

Mr. Brehmer has had nearly 30 years' experience in personnel and industrial relations with firms in southeastern Michigan, southern California and with Michigan and U. S. Government agencies.

For two years, recently, Brehmer was industrial relations supervisor with the Stubnitz Spring Division of Hoover Ball & Bearing Co. in Adrian.

After Wayne High School and Eastern Michigan University, has has continued his education in his chosen field through numerous training courses and seminars. He has also maintained membership in state and national organizations affiliated with his field.

Active in civic affairs, Mr. Brehmer has been particularly interested in youth athletic activities since his own retirement from active athletics. He was a member of the 1950 Michigan State Class A Fastball Championship team and was a semi-professional ice hockey player.

Mr. and Mrs. Brehmer presently reside in Plymouth, with three of their four children. Their oldest daughter is currently in Germany with her husband, who is in the Army.

YOU NEED A HOME FIRE EXTINGUISHER

Safety of home and life is of vital concern to all of us. In 1966, a fire broke out in a home every 49 seconds. Every 43 minutes fire claimed a life . . . that's 12,000 deaths . . . and half of these occurred in homes . . . Another staggering statistic was fire damage to dwellings . . . $325,000,000.

We know you share our concern in the prevention of this unfortunate waste of human life and property. It is entirely possible that some of this tragic loss could have been averted if immediate first aid in the form of a home fire extinguisher had been available. It takes only 10 seconds to control a small kitchen fire provided they are the first 10 seconds and provided a good fully-charged fire extinguisher is readily at hand.

With this in mind, we have made special arrangements with a representative of American LaFrance to make available an Underwriter Laboratory approved fire extinguisher at an extremely attractive price. We recognize that this is not the ultimate in home protection; but at this price, there can be little reason not to have one or more extinguishers in every home.

COST TO YOU IS ONLY $5.50 EACH

Jackson Squeaks Past THS, 48-41

The Tecumseh Indians closed out their regular season against the Jackson St. John Gaels Friday night, losing 48-41.

In a complete reversal of form when the two teams met earlier in the season the local team stayed with the Gaels.

Again in the early moments of the game Jackson pulled away with an 8-1 lead and although the Tribe stayed with the Gaels the rest of the way they could not overcome the home team.

Midway through the second period Jackson pulled ahead 23-9, however the Indians did not give up and in the closing moments of the first half outscored Jackson 11-3 to trail by six at the buzzer.

Early in the third period the Tecumseh team pulled to within only two. Two quick baskets pulled Jackson out in front once more and the period ended 37-31.

The fourth period was evenly played, but a stall late in the quarter worked for the St. John's Gaels and the final score stood 48-41.

Jerry Devine of St. John's led all scorers with 18. Jim Upell with 10 and Steve Dalton with nine paced the Indians.

Indians Win District Opener

Tecumseh opened district tournament play Tuesday night with a 65-62 overtime victory over host team, Dundee.

Coach Vic Lawson's squad — he used 11 players in the tilt — struggled all the way, overcoming a 11-point deficit in the fourth quarter to go ahead, and was then forced into an extra session when Dundee's Rick Peter dropped one of two free throws with just 13 seconds left.

In the overtime, Jim Mobley canned a goal to put the Indians up by two. Dundee's Del Gregory, top scorer for the game with 17 points, evened the count.

Bill Puffer then dropped in two point; Gregory tied it with two free throws. Mobley then tallied a free throw, and Gregory scored to pull Dundee within one point, 63-62. Puffer added two more free throws with just one second left, to wrap up the scoring.

Until the late winning surge, Tecumseh provided the Vikings with a field day at the free throw line. The officials whistled 27 infractions against the Indians to just 16 for Dundee, and four of Dundee's fouls were called during the final minute of the regular game and during the overtime.

Gus Bishop left via the foul route in the third period — he carried the Indians in the first quarter with six points — and Steve Dalton fouled out in the final stanza. Dalton tied with John Kennedy for Tecumseh scoring honors with 12 points.

Tecumseh, Milan Play Tonight In Tournament

Tecumseh enters the semi-final round of district play at Dundee this Thursday evening at 7:30 against Milan.

The Big Reds, posting a winning record for the season, will be slight favorites over the Indians, who were very ragged in coming from behind to whip Dundee Tuesday night.

If Tecumseh slips by Milan, a third meeting with Blissfield is likely in the championship game Saturday evening. The Royals are odds-on-favorites to win the tournament and have twice trimmed Tecumseh this season.

GAA Teams Post Dual Victories

Varsity and Junior Varsity G. A. A. teams posted dual victories against Onsted, Thursday, Feb. 29.

The varsity "female" Indians racked up their highest score of the season by winning 66-20.

Scoring honors for the evening went to Vivian Williams, who netted 16 points, followed by Peggy Leighton with 13, and Peggy Martinus with 12.

The junior "Squaws" were able to capitalize on free throws which gave them a 28-18 victory.

High scoring honors were shared by Betsy Bach and Gail Greene who netted 10 each.

The last game of the season will be played against Ypsi Lincoln March 14, at Ypsilanti.

Auxiliary Hosts 'Tag Day'

"Tag Day" sponsored by the Herrick Memorial Hospital Auxiliary will be held Friday, March 22. The tags have been made and printed by The Tecumseh Herald and the Senior Citizens recently spent an afternoon punching holes and putting strings in the tags.

On "Tag Day" auxilians will be found on street corners, at grocery stores and banks in Clinton, Britton and Tecumseh. They will also be at the gates of some of the area plants at dismissal time.

In recent years the Herrick Memorial Hospital Auxiliary, with the help and cooperation of members of the community and surrounding areas, has financed $5,000 for the Heart Cart which has been in use at the hospital. It will continue to be centrally located in the hospital for emergency use of all patients confined in the hospital.

With the anticipated generosity of many they have pledged $20,000 for the Intensive Coronary Care Unit being readied at the hospital. They have pledged to purchase five special beds for the unit; four for coronary care and the other one for intensive care of a patient with various serious conditions.

The four coronary beds will be equipped with individual monitors for the patient with corresponding monitors at the nursing station in the unit. These units are becoming more prevalent and one day each hospital will have such a unit. However, we in our community are fortunate in having such a unit even though our hospital is considered small.

Recent contributions to the Herrick Memorial Heart Fund were made in memory of Gordon Garlick by:

Blood Bank Here Mar. 7

The next visit of the Blood Bank here will be Thursday, March 7, at the Tecumseh Products Union Hall from noon until 6 p.m.

Mrs. Dwight Helms is general chairman with Mrs. Merton Boss, chairman of the volunteers.

The two chairmen wish to remind the donors and people of Lenawee County that should they need blood replacements they may contact the Red Cross Center in Adrian.

It is proper to give the name and address of the recipient and the name and address of the hospital where the blood was received.

"Giving blood to a specific individual does not interfere with the replacement of blood for the donor and his family if the need arises," Mrs. Boss said.

"We would like to see Tecumseh go well over 200 pints this time." she concluded.

4-H'ers Teen Toastmaster Club Instigated

Sixteen young people in Lenawee County are participating in the Teen Toastmasters Club recently instigated by the 4-H office in cooperation with the Adrian Toastmasters Club, a pilot group.

Among the 4-H'ers are Bob Platt, Steve Daniels, David Johnson, Gary and Susan Ries and Bob and Marty Osburn of Tipton. Dan and Mike Bush, Britton; and Susan Schaffer, Tecumseh.

Douglas Hartung of the Adrian Toastmasters' Club is serving as the Teens' leader.

The next meeting of the group will be held March 21 in the jury room of the courthouse at 7:30 p.m.

WSCS Act Out Play

MACON — The Woman's Society of Christian Service met Thursday evening with Mrs. Edgar Clark ushering the members to their seats.

They opened the meeting by singing "The Church's One Foundation," with Mrs. Carl Thomas accompanying at the organ.

Mrs. Harold Ruhl narrated the play, "There's Going to Be a Wedding," with Mrs. Gerald Miller of Tecumseh acting as the bride and Mrs. William Rhoades of Manchester as the groom. They represented the Evangelical United Brethren Church and the Methodist Church respectively. Mrs. Thomas played the appropriate music and Mrs. Herbert Morden and Mrs. Charles Gorton, Jr., sang, "I Love You Truly." The members joined together in singing "Blest Be The Tie That Binds."

Mrs. Jack Crittenden gave the devotions and the closing prayer.

Mrs. Dean Moore conducted the business meeting. A memorial was presented to Mr. and Mrs. Ronald McKeever, for Lucinda. It was decided that the tickets for the Mother and Daughter Banquet will be, adults $1.50 and children, 75c. The banquet will be Saturday, May 4, at 6:30 p.m.

A membership card was presented to Mrs. William Swanston for her new membership in the Hope Circle.

Mrs. Ray Williams reported on the Credit Union dinner that had been served by the church and society and a profit of $71.00 was made on the church calendars.

Mrs. Harold Ruhl and Mrs. Eugene Hill shared the film strips on "Bolivia" and "Missions in Lake Ozarks."

The members voted to serve the Clinton Alumni Banquet, on Saturday, June 15.

Mrs. Moore closed by reading "The Yeast of Life" from the Methodist Woman.

The dining room was attractively decorated with the lace-covered serving table centered with a floral arrangement. A three candelabrum on each end of the table gave off a soft glow. Mrs. Ray Williams and Mrs. Dean Moore served cake, mints, nuts, coffee and tea, assisted by Mrs. Andrew Goodin.

RIVER RAISIN SELECTION — Dave Fairbanks, 6'4" Britton Center, has been selected to the River Raisin Conference All-League Team for '67-'68. The Junior Tory has been a stalwart on a Britton squad which has shown some signs of reviving the basketball glories of the Class D team. Over the season Dave has averaged 20 points per game and stayed in the thick of a three-way race for the county scoring leadership.

Tories Drop Final, 76-56

BRITTON — The Tory cagers closed out their regular season on a losing note, as they dropped their final game to Adrian Catholic Central by the score of 76-56 Friday night.

The Tories came out as if they were upset-minded, and played some of their finest basketball of the year in the first quarter and the early part of the second. Passing and controlling the ball well, they held a five-point lead, 27-22, with 3:39 to go in the second period, when the Irish started to move. A. C. C. took a 32-29 lead into the half-time break.

In the third quarter, the visitors took over, and behind the scoring of Joe Schwartz, Dave Clauda and Paul Drake, the Irish pumped in 25 points, while the Tories only managed 10. Britton never threatened again, as the Irish wrapped it up.

Schwartz was leading scorer of the game with 23, followed by Clauda with 16 and Drake with 12 for Central.

Dave Fairbanks and Jim Skelton each tallied 13 for Britton. Jim Brown added 12.

It was the last game on the home court for seniors Jerry Korican, Gordon Henning, Lynn Palmer, Norm Auten, Tom Schroeder, Howard Schroeder, Hugh McElroy and Jim Henry.

The Tories are 8-and-10, heading into the District Tournament play. They meet Ann Arbor University High Wednesday night at 8:30 p.m., at Adrian High School. A.C.C. will face Deerfield in the 7 p.m. game the same evening, with the two winners meeting in the District Finals at 7:30 p.m., Friday night, March 8.

Father and Son Banquet March 15

BRITTON — The annual Father and Son Banquet at the Congregational Christian Church will be an event of March 15, at 6:30 p.m.

The program will feature pictures from Taiwan, Japan and Alaska.

Women of the Golden Rule and Mary-Martha Circles will prepare the meal, while members of the Priscilla and Sunshine Circles will be in charge of dining room arrangements.

Election To Be Held On Mar. 11

BRITTON — The annual Spring election to select village officials will be Monday, March 11, from 7 a.m. to 8 p.m.

Write-in votes will be necessary again this year, because the party filing did not have a full slate of candidates.

Those who did file nominating petitions for village offices were incumbents Warren Lewis, president; Rosemary Auten Clerk; Christine Fairbanks, treasurer; and Andrew Crutchfield, assessor.

James Lister was the only candidate filing for the office of trustee. Three other trustee offices will also be vacant, as a total of four must be chosen March 11; three for two-year terms and one one-year.

BRITTON BRIEFS

Mr. and Mrs. Roy Gowman and Mrs. Terry Franz were Thursday evening guests of Mr. and Mrs. Harry Downing.

Mr. and Mrs. William Reeck of Taylor, Mr. and Mrs. Henry Hildebrandt of Dearborn, and Ann Motylinski of Dundee were Sunday dinner guests of Mr. and Mrs. Eldon Reeck and sons. The dinner was to celebrate the birthday anniversary of Eldon Reeck.

Subscription Drive Begun By Seniors

BRITTON — The Class of 1968 of Britton-Macon High School began selling subscriptions to The Tecumseh Herald March 1 to earn money for their senior trip to Washington, D. C., and for commencement.

Dan Shephard and Martha Wetter were chosen as cantains to head the two teams. Dan and Martha will keep track of the sales during the three-week drive, which will end March 23 with a telathon, where the seniors will contact people by telephone to sell subscriptions. Since the rates are going up April 1, this will be a good time for the seniors to sell new subscriptions and to take renewals.

TEAM CAPTAINS — Martha Wetter and Dan Shephard are working hard as captains for the two teams of Britton High School Seniors who a re selling subscriptions of The Tecumseh Herald for a money-making project.

Naomi Jones Is Engaged To Marry Pepper Griewahn

BRITTON — Mr. and Mrs. E. H. Jones of Murfreesboro, Tenn., announce the bethrothal of their daughter, Naomi Elizabeth, to Sgt. Pepper Curtis Griewahn, of Sewart AFB, Smyrna, Tenn.

The bridegroom's parents are Mr. and Mrs. Cuyler Hills of Adrian. His grandparents, with whom he made his home for many years, are Mr. and Mrs. Ed Hintz of Britton.

The bride-elect is a senior at Central High. The bridegroom-elect is a 1964 graduate of Britton-Macon High School, and attended Adrian College before entering the Air Force.

A spring wedding is planned. Sgt. Griewahn is currently attending electronics school in England.

MENU

March 11 - 15

Monday — Milk, hamburg on bun, potato chips, peas and carrots, glorified rice.

Tuesday — Milk, escalloped potatoes and ham, cabbage salad, cheese slices, bread and butter, chocolate cake.

Wednesday — Spaghetti and meat sauce, celery sticks, cheese sandwich, pineapple slices, chocolate milk.

Thursday — Milk, turkey and dressing on mashed potatoes, carrot sticks, bread and butter, applesauce.

Friday — Milk, macaroni and cheese, relishes, peanut butter sandwich, buttered green beans, candy cookie.

Hair Style Show

BRITTON — Final plans are being made for the Hair Style Show which will be held Monday evening, March 11, at 7:30 p.m., in the Britton High School gym.

The event is being sponsored by the W.S.C.S. of Grace Methodist Church, with proceeds going towards the church building fund.

Mrs. Jane Thomas will create the hair styles for a number of models of varying ages. The fashions will range from casual to high-style.

Mrs. Thomas has put on a number of hair style shows in Detroit for various organizations in recent years.

Ladies of the W.S.C.S. will serve cake and coffee to the guests following the showing.

Mrs. Neal Judkins is chairman of the refreshment committee, assisted by Mrs. Lloyd Wagner, Mrs. Ellsworth Robison, Mrs. Raymond Bird, Mrs. Clifford Southard, Mrs. Howard Haas, Sr., and Mrs. Robert Malloch.

Tickets for the event are available from Mrs. Ed Kanous, general chairman; Mrs. Thomas, or any member of the W.S.C.S. The donation is $1.50 each.

Men, as well as women, are welcome to attend the Hair Style Show.

Bride-Elect Is Feted at Shower

BRITTON — Bride-elect Lois Auten was further complimented when a bridal shower was given in her honor Sunday afternoon at the high school Home Ec. room.

Hostesses for the event were her bridal attendants, Coleen Harrington, Shelly Saxton, Diane Ivan and Joan Smetka.

The guests were 15 friends and former classmates of the bride-to-be. They played several games, with prizes awarded to the winners and the guest of honor.

Miss Auten was presented with a corsage of white mums with apricot trim, her wedding colors.

A double-heart decorated cake, plus ice cream, Jello, coffee and punch, was served.

Miss Auten opened many lovely gifts.

One of the many hats of Consumers Power — CUSTOMER-MINDED PEOPLE

Many a housewife is happier today because of this lady from Consumers Power. She's a home service consultant. She's a wizard with appliances. A whiz at the range. A fount of know-how on work-saving, time-saving, wife-saving ways to run a home.

An expert in home economics, she puts on demonstrations for women's groups in the Consumers Power kitchens, explains the newest cooking and cleaning tricks, instructs on home safety. She visits schools to tell girls how to care for home appliances. She'll even visit your home to advise you on how to plan an efficient new kitchen.

The services of our home service consultants are free. We look at it this way. If our experts can save you time and effort, if they can help you become a more effective homemaker, you'll continue to think of us (we hope) as a helpful neighbor, whose energy lightens housework and gives you more free hours for other things.

Customer-minded people. That's what we try to be at Consumers Power.

If you bring home the bacon ...read this!

There's a secret to producing truly delicious bacon.
Sugar-cure and smoke the side of bacon
to that delicate point of perfection.
Pack only the select slices.

There's a secret to buying truly delicious bacon, too.
Look, of course, for lean slices . . .
Look, too, for bright-colored slices . . .
that's a good sign of freshness.
And that's important, because with bacon,
when freshness fades, flavor fades.

Here's something else you should know.
You'll get those perfectly cured, lean,
bright, select slices if you buy our
"Super-Right" Bacon.

"Super-Right" regular or thick-sliced
is our finest quality bacon, guaranteed to be the equal of
or better than any bacon you can buy.
The price? That's lean too!
Guaranteed to fatten the savings on your total food bill.

When you think about it,
shouldn't A&P be your store?

Sgt. R. Schwartz Awarded Ribbon For Helping Unit

Staff Sgt. Richard A. Schwartz, son of Mr. and Mrs. Norman C. Schwartz, of Carson City, has been recognized for helping his unit earn the U. S. Air Force Outstanding Unit Award.

Sgt. Schwartz, an airframe repairman in the 437th Military Airlift Wing at Charleston AFB, S. C., will wear the distinctive service ribbon as a permanent decoration.

The unit was cited for achieving an exceptionally meritorious rating for distinguished service during a one-year period.

Factors which led to the unit being named for the award include development of a highly-responsible airlift organization which maintained vital airlift routes essential to the United States overseas commitment to free nations in the world.

The sergeant, a graduate of Blissfield High School, has completed a tour of duty in Vietnam.

His wife, Mary, is the daughter of Mrs. George Gould, 1005 Red Mill Dr.

TO THE EDITOR:

Shop Tecumseh first! Tecumseh is a nice town and its citizens are hard working, busy people and i don't believe any of them deserve to fall into a trap as I did Feb. 28 behind the Woolworth and Gamble Stores. One should be able to presume that a parking meter is a place for the public to park and leave when they wish. I was in a hurry and lost no time on my errands but I should have had a book to read, or something, because when I got back to my car a huge truck blocked everything behind the two stores to unload and I was obliged to wait — and wait. At least four other people were waiting before the truck moved. I was beside myself; my afternoon was shot and I'm still mad.

With this kind of thinking, Adrian should crowd meters right up behind Walpers furniture for trucks to block and yet expect the public to be happy and shop Adrian first.

I think all the meters along the entry lane behind Woolworth's and Gable's should be covered and posted NO PARKING, at least on delivery days. There would be room to drive around a truck instead of the entry being blocked, and if anyone parked there they would deserve some grief. The merchants should have some consideration for their unloading and the trucks have to park somewhere.

It's a trap I won't fall into again — if I have to go to Adrian. And to think how quick you can get a ticket if you fail to put money in a meter!

FROM "THE NEW HANDBOOK OF ATTRACTING BIRDS"

Bird books are similar to dictionaries and encyclopedias in that when you go to one for the sole purpose of finding a single solitary fact, you, as often as not, wind up browsing through half of the book. That is exactly what happened to me last week.

In "The New Handbook of Attracting Birds", I started to double check the preferred height for mounting bluebird houses — yes, they recommend a low four or five feet from the ground — but instead of stopping there, I wandered through practically the whole book.

This is the time of year to get bird houses out and ready for occupancy. Soon after the migrators arrive, they begin the busy task of family-rearing. A time of hard work for them but great pleasure for us.

To have nesting birds around is a great joy. And fortunately there are a few things we can do to encourage and help the nesters. We can: 1) provide man-made houses; 2) provide natural nesting sites; 3) provide nesting material. Today let's concentrate on the first help and perhaps sometime later the other two can be explored.

Locating the bird house is all important. It must be remembered that birds do not like members of their own species for close neighbors. The two exceptions are martins who much prefer communal living and tree swallows who, although they do require individual boxes, will accept them reasonably close together.

Therefore, in any relatively small area, such as a yard, a nesting program aimed at attracting different kinds of birds is much more successful than one concentrating only on wrens, bluebirds, etc.

★

IN MAKING OR buying bird houses, there are a few things to remember. First of all, the house should be built for a specific bird, each species has its preference and should be catered to. In general all houses should be made of strong durable materials — wood for everyone except martins who will successfully rear their youngsters in multiple dwelling aluminum houses.

The mosquito-eating martins are also the exception when it comes to a preference in color for the old homestead. They favor white or aluminum whereas most birds avoid bright colors and prefer the inconspicuous browns, grays or greens.

All bird houses should have several small holes drilled in the bottom to provide proper drainage. Ventilation is insured by having several holes just under the eaves or roof line. A roof, by the way, which extends over the back, sides and front helps give protection against wind-driven rain and also heat.

Several small cleats, placed inside the house and below the doorway, help the adult birds get out of an empty box and then, when the nestlings are ready to leave home, they serve as a stairway. Finally, every house should have a side or top which is easily opened so that it is handy to clean out the old nest after the family has gone. The importance of this cleaning cannot be stressed too much.

Another thing which cannot be over-emphasized is please, please, please do not entice birds into your yard only to have them become lunch for some slinky cat. A bit of care and thought when hanging your bird house and perhaps even the use of a metal cat guard on the post or pole can be extremely helpful in keeping cats where they belong — away from a nest full of birds.

So it is that there are, indeed, many things we can do to help birds with their family-raising chores and next week perhaps we should continue with more information from "The New Handbook of Attracting Birds".

Lutheran Lenten Worship Services

Pastor Edwin A. Mueckler of the Emmanuel Lutheran Church, (Missouri Synod) 9950 Ridge Hwy., announced that the observance of the Lenten season will include a series of mid-week worship services each Wednesday at 7:30 p.m., up to and including April 3.

The theme for the series is "Think Of Me," with the Rev. Mr. Mueckler speaking.

He invites the public to attend both the service and the coffee hour following, to encourage the fellowship of those who come to worship.

Schedule of sermon titles for the Lenten Worship services:

March 6 — "A Lesson for the Proud — Think of Me" (Luke 22:24-30).

March 13 — "A Lesson for the Lost — Think of Me" (Luke 22: 47, 48).

March 20 — "A Lesson for the Hardened — Think of Me" (Luke 22:67-70).

March 27 — "A Lesson for the Misguided — Think of Me" (Luke 23:28-31).

April 3 — "Jesus, Remember Me" (Luke 23:32, 39-43).

Whelans Tour S.A.

A contingent of 42 Michigan agricultural leaders left January 26 on a People to People Goodwill Tour of South America. The group was interested in observing at first hand attitudes of the people and the farming techniques employed in the various countries that they were to visit.

Among those who made the trip were Mr. and Mrs. Lyle Whelan, 3450 Whelan Rd., Tipton.

The travels included stops at Panama, Lima, Peru, where they visited the Presidential Palace and several museums.

From there the farm leaders visited Cuzco and the "Lost City of the Incas" high in the Andes Mountains. Later they visited Santiago, Chile, and Vina Del Mar viewing large cattle ranches.

Also included in their itinerary were large farms, stockyards and a packing plant near Buenos Aires, Argentina. They traveled through the farming areas of Uruguay and Montivideo and Rio de Janeiro, Brazil.

They observed the famous "Statute of Christ the Redeemer" high on Corcovado Mountain. They also rode the cable cars to the top of Sugar Loaf Mountain.

Also witnessed at first hand by the Michigan tour were vineyards, coffee and banana plantations.

In each country they visited embassies and consulate general offices where they were briefed on the country.

Mr. and Mrs. Whelan noted that the people were friendly and extended a warm feeling toward their American visitors. The Tipton couple also observed the lack of modernization which the countries are using in their agricultural pursuits.

Mrs. Whelan mentioned that only once in a while did they see a tractor, that most of the work was being done by old fashioned methods, such as a mule pulling a wooden plow for a cultivator, although there may be several of these implements in a field at the same time.

The Whelans concluded that they had enjoyed the experience very much and that the only problem that arose was the language difference.

The Whelans returned to Tipton February 21.

Chrysler sales have climbed for eight straight years. And for 1968, we know it's going to be "business as usual"—strictly on the upside. You see, we have 15 beautiful new Chryslers to choose from. At prices that start just a few dollars more a month than some Fords and Chevys, comparably equipped. Besides, we like the look of our sales curve so much we'll do most anything to keep it climbing. So drop in and move up with us. Test price the best of the big ones — Chrysler '68.

VFW Auxiliary To Sell I-D Tags

The Veterans of Foreign Wars Auxiliary to Hall-Slater Post No. 4187 are sponsoring an identification tag day program to any man, woman or child who would desire one. The tag lists the owner's name, next of kin, the owner's address, religion, blood type, allergies and other pertinent information. Each tag is complete with a neck chain.

The National program director for civil defense, Kenneth Keller, cites world unrest, accidents, lost children as a need for quick and positive identification. "Every child of school age in the states of Georgia and Indiana is provided with these tags," said Keller. "Other states are working on this program — let's help them finish."

Each tag is 35c. Anyone wishing to have one may call Mrs. Henry Strand, Auxiliary civil service chairman, phone 423-4215 or Mrs. Roy Beasley, phone 423-2625, who will take the information and order the tags.

Electronic Brain Sorts Letters and Reads ZIP Codes

Optical character readers, electronic devices that read ZIP Codes on envelopes, will be installed in New York, Chicago, Philadelphia and San Francisco this year. Detroit was the first to receive the device.

The machines, manufactured by the Philco Corp., can read up to 36,000 addresses an hour. Letters read by the devices are fed into letter-sorting machines, which separate the mail to as many as 277 destinations.

The machines use an electronic eye and brain to read 15 times faster than hand sorting. The eye scans an envelope to locate the address. Upon finding the ZIP Code, the machine flashes that information to the electronic brain, which recognizes the characters by comparing them with features of standard characters.

The ZIP Code is then matched against a list of ZIP Codes stored in the brain. This matching determines the destination of the letter.

Pay a Price — Buy Death

(Editor's Note: Sp/5 Thomas M. Kish writes his parents, Mr. and Mrs. Gaza Kish, 6911 Green Rd., Feb. 27 from Dak To, Vietnam. He dates his letter, as so many GI's do, with the number of days left in their particular term of service. Tom wrote "89 days short. Things have been quiet but 'Charlie' is moving in again. The B-52's uncovered a road that leads from Cambodia down to Kon Tum. One of the Viet Cong tripped over something and the sentry dog alerted the men that an attack was in progress."

In answer to his mother's query about his thinking as to whether American soldiers should be in Vietnam, Tom said, "Well, I sure do. We are winning slow but sure. There is a lot that people don't know." The young man sent a poem his parents would like to share with Herald readers. Tom wrote, "I feel the same as this guy does.")

PAY A PRICE — BUY DEATH
Take a man and put him alone,
Put him 12,000 miles from home.
Empty his heart of all his blood.
Make his life in sweat and mud.
This is the life we have to live, and
Why, my soul, to God I give.
But you don't know what it's like over here,
You have your parties and drink your beer.
You have a ball without even trying.
While we are over here—dying.
You burn your draft cards, march at dawn,
Plant your signs on the White House lawn.
You all want to ban the bomb,
For there's no real war in Vietnam.
Use your drugs and have your fun,
And then refuse to use a gun.
There's nothing else for you to do,
And I'm supposed to die for you?
There's one thing you don't know,
And that's where I think you should go,
I'm already here, and it's too late,
I've traded my love, all for hate,
I'll hate you till the day I die,
You made me hear my buddy cry.
I saw his arm, a bloody shred,
I heard him say, this one is dead.
It's a large price to have to pay,
Not to live another day.
He had the guts to fight and die,
He paid the price, but what did he buy?
By his dying, your life he buys.
But, who cares when one soldier dies?
His wife does his parents and his sons,
But they are the only ones.
—Author Unknown.

Lenten Service

MACON — The Second Lenten Service will be held Sunday, March 10, at 7:30 p.m., in the Grace Methodist Church, in Ridgeway. The Rev. Thomas Badley will present the sermon. The Macon Church is cooperating with the Lenten Services to be held in alternate churches.

QUESTION:
"Is it possible for us to specify the type services we believe to be more suitable for us?"

ANSWER:
In this age of rapid change, traditional concepts of funeral services are being questioned by the younger generation. We strive to meet this challenge with flexibility and continue to direct services with good taste and dignity.

Buckmaster is a 1964 graduate of Clinton High School and he enlisted in January, 1966.

Village Annual Election

CLINTON — Required by law, although the slate of officers is uncontested, Clinton Village Annual Election will be held Monday, March 11, at the Township Library from 7 a.m. to 8 p.m.

The Republican candidates are:

President — John Truesdale.

Treasurer — Mrs. Idean Rider (acting treasurer).

Clerk — John Fox.

Trustees, two-year term — incumbents, Richard Dixon, Franklin Englehart and Gary Underwood.

Trustee, one-year term — John Thomas.

Assessor — Arthur Rudel.

Trustees of Smith - Kimball Community Center — Mrs. Merle Hunt, Mrs. Dan Reilly, three-year terms; and Gary Miller, two-year term.

Insurance Settlement Is Accepted

CLINTON—The Village Council and members of the Smith-Kimball Community Center Board met jointly Friday evening, and voted to accept the insurance settlement of about $67,000 on the fire-damaged center building.

Village attorney, Melvin Smith, was also present.

It was agreed that the outside structure and lower floor of the main building will be retained in its present form, and restored.

An architect will be engaged to design a new roof and to check the general structure of the building.

Possible changes in the arrangement of the second floor rooms are being considered, according to Floyd Tate, village president pro-tem.

When the architect has completed his work, the council will advertise for bids on the construction.

3 Fire Calls

CLINTON — Three fires kept village firemen on the jump Sunday.

The first one, at 6 a.m., was a chimney fire at the Alban Brothers house at Hogan and Allen Rds. There was no damage, but firemen stayed around a while until the fire finished burning out inside the chimney.

During the afternoon, the trucks were called out again for two grass fires. One at the home of Mr. and Mrs. George Baldwin, on Allen Rd., and the other fire was located on the north side of US-12, about five miles east of Clinton.

Township Board Slated to Review Tax Grievances

CLINTON — The Board of Review of Clinton Township will meet from 9 a.m. to 3 p.m., three days, March 5, 11, and 12, in the Township Library for the convenience of taxpayers who wish to have their property assessment reconsidered.

NEWS of CLINTON

A SECTION OF THE TECUMSEH HERALD

EDITOR — MAXINE CALHOUN

Siena Sister Is Lenten Speaker

CLINTON — National and social issues facing Americans will form the basis for a series of Lenten presentations and discussions sponsored by several community churches.

The Lenten sessions will feature well-qualified persons to speak of their particular concern, Sunday evenings at 7:30 p.m., in the dining room of the United Church of Christ.

All sessions are open to the public, and a host church will serve refreshments at the conclusion of each program.

Sister Ann Joachim, O.P., of Siena Heights College, will be the speaker, Sunday. She is a practicing attorney who is the legal counsel for the Adrian Dominicans of Siena Heights, and the first religious Sister to be admitted to practice law before the Supreme Court of the United States. As an educator, writer, and lecturer, who has traveled extensively, she will show slides of historic and modern aspects of Russia. She was the first person of a religious order to be permitted to visit Russia between 1917 and recent times.

A question and answer period will follow her stimulating message.

March 17, "The Urban Crisis" will be discussed by the Rev. Bill Logan, Episcopal Diocese of Detroit.

March 24, "The Generation Gap," dealing with the lack of communication and understanding between youth and adults will be presented.

Robert C. Stites, Representative of Michigan's 40th District, will discuss "Fair and Open Housing," March 31.

Participating pastors are providing this opportunity for area residents to become informed, responsible citizens. Those attending are asked to bring friends and neighbors with them.

Mrs. Harold Ruhl Honored at Party

CLINTON—Mr. and Mrs. Harlan Ruhl entertained at a family birthday dinner honoring his mother, Mrs. Harold Ruhl, of Tecumseh, last Saturday. Guests included Mr. Ruhl, Sr., Mr. and Mrs. Harold Ruhl, Jr., of Macon; Mr. and Mrs. George Ruhl and son, and Mrs. Mary Lou Fairbanks and children, and Mr. and Mrs. Marvin Watkins, all of Tecumseh, and Mr. and Mrs. Thomas Rinehart, of Palmyra.

Two Injured In Accident

CLINTON — Two men were injured at 4 a.m., Sunday, when the driver of a car, Patrick M. Teague, 22, of Utica, fell asleep and struck a utility pole in Clinton.

The mishap occurred on E. Michigan Ave., 200 ft. east of Jackson St., in Clinton.

The driver, Mr. Teague, and a passenger, Marco Nunez, 22, of Utica, were admitted to Herrick Memorial Hospital.

Mr. and Mrs. Ben Mahrle, II, have returned from a trip through the eastern states to Vermont for a week.

Boy Injured In Bike Fall

CLINTON — Robert Drummond, 12, son of Mr. and Mrs. Silas Drummond, 11922 Fisk Rd., was found by his parents, lying unconscious beside his bicycle on the side of a steep hill on the back of their farm, about 1 p.m., Sunday.

He was taken to Herrick Memorial Hospital, given emergency treatment for a head injury and transferred to University Hospital, Ann Arbor.

Bonnie Hoelzer Feted at Shower

CLINTON — Bonnie Hoelzer was guest of honor at a bridal shower given by Mrs. Rick Sparks at the home of Mrs. Charles Parker, recently.

There were 15 friends and former high school classmates present, and the bride-elect's mother, Mrs. Clinton Hoelzer, Mrs. Loretta Armstrong of Tecumseh, and Mrs. Jay Adrion of Jackson were out-of-town guests.

Miss Hoelzer's marriage to Cpl. Richard Buckmaster, son of Mrs. Armstrong, will take place March 16 at the Grace Lutheran Church, Tecumseh.

Golden Rod OES

CLINTON—Mrs. Delmar Manchester, a member of the Hands Committee of the grand chapter Michigan Order of Eastern Star, was guest of honor at a dinner reception, Thursday evening, in the United Church of Christ.

Hosting the event, attended by 125, was the Golden Rod Chapter, OES. Mrs. Manchester was the worthy matron of the chapter twice, in 1963-64, and in 1966-67.

Michigan grand chapter officers present included Mrs. Clyde Parks, of Flint, worthy grand matron; Robert Reigard, of East Lansing, worthy grand patron; Mrs. Reigard, grand organist; Mrs. Paul Koken, of Ann Arbor, associate grand matron; Mrs. Jones Blackburn of Dearborn, grand conductress; Mrs. James Arnold, Grosse Pointe Woods, associate grand conductress; Mrs. Robert Ryder, of Edwardsburg, grand chaplain; Mrs. Drewyour, Melvindale, grand Ada; Mrs. Russell Peabody, Delton, grand warder; and Edward Germain, Monroe, grand sentinel.

There were 25 grand committee members, six grand representatives, and the worthy matrons and patrons of the Genesee County Association OES, and Lenawee-Monroe County Association.

Mrs. Richard Cadmus arranged the decorations for the dinner tables using the red, white and blue colors of Mrs. Manchester's terms in office. Larger-than-life-sized blue tissue poppies formed the centerpiece. Free-form ceramic tile nut cups and floral place mats marked each place.

Greetings were extended by Mrs. Homer Larrabee, of Tecumseh, worthy matron of the Clinton chapter. The welcome was given by Delbert Tallman, first vice-president of the Lenawee-Monroe Association, with a response by Mr. Germain.

The invocation was given by Mrs. Clair Morse, of Fairfield, president of the Lenawee-Monroe Association.

Mrs. Larrabee gave a tribute to Mrs. Manchester. Gifts were presented to her from the grand family, the Lenawee-Monroe Association, worthy matrons and patrons of Golden Rod Chapter, and from the chapter.

Mrs. Manchester presented each of the grand officers with a hand-made ceramic honey pot.

A choral group from Adrian High School sang several songs. The group included Chips Greenfield, Barbara Tuttle, Dee Thompson, Greg Fiddyment, and Dave Porter.

Mrs. Archie Babcock of Marshall, gave several humorous readings.

Mrs. Neil Eggebeen, of Farmington, grand committee soloist, sang Mrs. Manchester's favorite song, "Perfect Day," concluding the program.

Gambles Cleared for New Addition

Council cleared the path for a large expansion to the Gamble store Tuesday afternoon at a special session of city officials and Don and D. J. Martin, store owners.

Last week, Council told the businessmen that an ordinance required additional off-street parking for the expansion, or payment of $1,000 per parking stall.

Final agreement was reached in a give-and-take manner for the expansion, which will necessitate tearing down the old Strand Theatre.

Gamble's addition will be slightly smaller than originally planned. Instead of a 77 x 150-sq. ft. expansion, it will now be 77 x 140, or nearly 11,000 sq. ft.

It will enable Gambles to have a loading zone and will permit the city to keep its present parking alignment in the northwest off-street parking lot. A small piece of city property behind the Strand was obtained by the Martins.

In lieu of providing additional parking, Gambles agreed to sell the former Schneider building — now occupied by Lenawee Glass — and property there for $22,000, less $7,000, the sum for seven parking stalls required under the city ordinance.

At Tuesday's meeting, City Manager Cal Zorn proposed that the city sign a purchase agreement with consummation of the sale probably early next year.

Tecumseh would finance the $15,000 purchase on a land contract and through its present parking system — revenue from meters—and the $125 per month rent from Lenawee Glass. The contract would probably terminate in about 10 years.

According to Mr. Zorn, the Schneider building would eventually be torn down and the area developed for additional parking.

Charles Leman, city planning consultant, met with Council and the Martins Tuesday and explained the purpose of the city ordinance, which came under criticism last week.

He said the ordinance's purpose was to provide ample parking downtown and discourage shopping centers. He explained the alternates in the ordinance and its flexibility.

Mr. Leman said the city should look at individual cases under the law, and if a hardship situation develops, then the ordinance should be changed.

He also pointed out that in replacement of business buildings, that some cases could be referred to the Board of Appeals. Although the ordinance could prevent a businessman from replacing his store to its original size — such as a store burning down — Mr. Leman doubted that a court would uphold the ordinance which would restrict the building's new size.

Don Smith, owner of Don's Beef Buffet, told officials that he is planning an expansion to his restaurant and inquired about the number of parking stalls to be required.

The consultant said that it would probably run in the neighborhood of five to seven stalls. He told officials present that the $1,000 fee per stall was extremely low.

Troy Martin In Top Ten

The Federal Bureau of Investigation has added the name of Troy D. Martin to its list of "10 most wanted men." Martin is sought on warrants for murder, kidnaping and armed robbery.

Local authorities seek him in the death of J. Edward Spivey. Martin had been living in this area prior to the murder.

Details of the actual events that led to the January 27 slaying are unknown. Mr. Spivey and Martin were believed, however, to have spent the afternoon and early evening together the day of the murder.

The murder occurred on County Line Rd. Mr. Spivey was driving his pick-up truck down the road and pulled into the front yard of the Thomas Cyr residence. In an apparent attempt to get away from Martin, he was slain underneath the truck.

Mr. Cyr was then forced at gunpoint to drive Martin to Toledo where it was suspected that he boarded a bus going to some point in the South.

The FBI entered the case with the abduction of Mr. Cyr. No reports of Martin's whereabouts have occurred since he left his hostage in the Ohio city.

Martin is an ex-convict and was arrested in Lenawee County 10 years ago on a bad check charge.

Blood Bank Collects 71 Pints of Blood

Contributions of 71 pints of blood were made at the Red Cross Blood Bank, held at Tecumseh Products plant last Thursday, with 15 rejects.

GIRLS' STATE WINNERS — Pam Eggleston, left, Gail Hohenstein and Jan Snyder have been selected for their leadership and scholastic abilities to attend Wolverine Girls' State this year on the University of Michigan campus. They are sponsored by the American Legion Auxiliary, the Business and Professional Women's Club and the Tecumseh Products Company.

Season Tickets Still Available For Home Games

Unless there's a sharp increase in purchase of season tickets for Tecumseh's home football games next year, the Rotary Club will fall short in its campaign to raise money for portable bleachers.

The club hoped to sell between 180 and 200 tickets, but so far just 160 have been purchased.

Tickets, selling for $10, may be bought from any Rotarian or school official, and at Wright's Pharmacy, Hite Hardware or Flanders Music.

Headed for Girls State

Mrs. Kenneth Herrick, chairman of the American Legion Auxiliary Girls' State committee, announced Tuesday that Pam Eggleston, Gail Hohenstein and Jan Snyder have been selected to attend Girls' State in June.

They will spend a week on the Ann Arbor campus of the University of Michigan, playing the roles of junior politicians and building a unit of government by electing from their town representatives, city, county and state officials.

The young women are assigned to cities, petition for offices, form party platforms and caucus their way into a whirlwind week of self-government.

At the close of the session, two girls are selected to represent Michigan at Girls' Nation in Washington, D. C.

Miss Eggleston, daughter of Mr. and Mrs. Richard R. Eggleston, 610 Outer Dr., has been a member of the National Honors Society of Tecumseh High School for two years, the Future Teachers' Association, of which she is currently vice-president, and the Girls' Athletic Association for two years each.

She was vice-president of her class during her freshman year and is currently secretary of the Spanish Club. She is a three-year member of the THS Ski Club.

Also interested in politics, Miss Eggleston is a member of the Tecumseh Area Teen Age Republicans and has been a GOP girl for three years.

She attends the Methodist Church and plans to be a teacher, studying at Michigan State University or Western Michigan University after graduation.

Gail Hohenstein, daughter of Mr. and Mrs. Paul C. Hohenstein, 915 Red Mill Dr., plans to attend Michigan State University or Albion College, majoring in Spanish to further a career in languages after graduation.

She has been a member of the THS Spanish Club for three years, the Girls' Athletic Association and the Ski Club for two years each.

Miss Hohenstein was a cheerleader in her freshman year and belonged to the Teen Club legislature for one year. She goes to the Presbyterian Church.

A junior member of the American Legion Auxiliary, Jan Snyder is the daughter of Mr. and Mrs. John Snyder, 4066 Aebersold Dr.

Jan is assistant news editor of the school newspaper and is currently appearing in the junior play.

She is a teacher in the Presbyterian Church School.

Sports minded, Jan has been a cheerleader for three years and played on the girls' basketball team for one year, and was on the track team for two years.

A Spanish Club member, she is currently treasurer of the Teen Club legislature and is secretary of the Tecumseh Area Teen Age Republicans. She has been a GOP girl for three years.

Two Quitting Ambulance Runs

Two funeral homes here have announced discontinuance of ambulance service for Tecumseh, Clinton and Onsted, effective July 1.

In a statement from the Dunn and Proctor Funeral Homes, increased operating expenses and shortage of qualified personnel were cited as reasons for quitting ambulance service.

Other communities have lost ambulance service from funeral homes, and city officials here have known for some time that both Proctor and Dunn were considering discontinuing the service.

Recently, a Detroit-based firm studied Tecumseh and the area about the possibility of providing service. Contacts here were made with William Groover, Herrick Hospital administrator.

Cal Zorn, city manager, says the city has no intentions of getting into the ambulance service business. He said that after July 1, unless there's another service available, all calls for service will be referred to the sheriff's department.

The Lenawee County sheriff's office charges $30 per call, plus $2 per patient mile and $5 for use of oxygen, according to the city official.

He says a firm now servicing Washtenaw County is guaranteed $12,000 per month, but its charges for runs cost less.

An ambulance firm in Adrian found it unprofitable and was forced out of business. An attempt to supplement its income failed to materialize, it was reported.

Agreement Is Reached

A strike that was to have taken place on Monday at the Tecumseh Products Company, was called off due to an agreement reached between the company and the United Products Workers' Union.

The Union Thursday cancelled a strike vote which had been taken March 3 and asked that all workers report for work as scheduled.

"After three days of intensive bargaining a settlement was made which the union called "amicable and adequate."

The dispute ranged from problems in the tear-down department, work duties in the stock room and gauge crib to classification of painters.

One of the grievances which the union had lodged against the company was settled prior to the strike vote. Thirteen men discharged by the company were rehired as a result of earlier negotiations.

Both company and union expressed satisfaction at the settlement reached in bargaining.

At the present time Tecumseh Products is near the peak of normal production. All but a few of their 3,200 employees are working.

Trial Set For May 7

Tecumseh's condemnation suit to acquire 25 acres from George Underwood, Clinton auto dealer, will go to trial on May 7, before Judge Rex Martin in Circuit Court.

Trial date was set Monday.

At the present, engineers are just completing test pumping of three new wells on the property. One well, test pumped last week, provided 210 gallons per minute with a recovery time of just three minutes.

Since the city first checked the Underwood site last year, five wells have been drilled.

Mr. Underwood, who owns several hundred acres north of Tecumseh along River Raisin and the Clinton-Tecumseh Rd., does not want to sell.

Most of his property is considered prime industrial land.

Cal Zorn, city manager, says it will take at least six months to develop the well field and extend water mains to the site.

Policeman's Ball Is March 30th

Tecumseh's seventh annual Policeman's Ball will be held March 30 at the American Legion.

Tickets are available from any local officer or at the police department.

COMPLETELY NEW INTERIOR — Eggleston's Jewelry reopened last Friday after being closed for nearly two weeks for renovation of the shop. Decor includes new wall paneling, new ceiling, carpeting throughout and other added features. Harold Black was in charge of the remodeling for Dick and Marge Eggleston, owners.

School Board To Review Site Costs

A special meeting of the Tecumseh School Board will be held this Thursday evening, and probably for the purpose of selecting a future school building site.

Since the Feb. 26th session, officials have been obtaining costs for developing two sites under consideration.

Sites being considered include 75 acres, owned by Robert Fuller, in the west section of town. Purchase agreement papers have been drawn up to buy the property at $1,500 per acre, or at a total price of $112,500.

Second site is approximately 40 acres, north of Brown St., along River Raisin. This property is owned by the Tecumseh Products and reported price is about $40,000.

The Board originally planned to sign a purchase agreement with Mr. Fuller at the February meeting, and had previously passed a motion in favor of the property.

Local Citizens Appointed To Educational Panel

March 5 a group of citizens representing Lenawee County, met to form the Committee for Lenawee Vocational - Technical Education.

Membership on the committee include residents from all Lenawee school districts.

Appointed to represent Tecumseh were Rev. B. O. Bashore, Mayor Harold Easton, Rev. Julian Gresham, Dwight Helms, and Virgil Tucker.

John W. Comstock of Adrian was chairman of the meeting.

The purpose of the newly-organized committee is to offer information to the communities concerning the proposed Lenawee Area Vocational - Technical Education Center.

Senior Citizens Must Register By March 25th

Unless 40 senior citizens — age 65 and over — register for their tax exemptions by March 25, they will lose their exemptions for this year, Robert Hamden, city assessor, reports.

He said there were 140 exemptions last year, but city hall has only registered about 100 this year. Folks must register annually, but will not need their birth certificates this year.
